Mr. Basab Kumar Bhattacharya spoke on the importance of IVF and what is the role played by an Embryologist. He mentioned that it is a modern technique which involves fertilization of oocyte and sperm in the lab. Around 15% of population in the world is affected by infertility. Embryologists are the chief architects of the IVF lab. He has done all the hard work to make a viable embryo. So after completing the Masters in life science anyone can join IVF as an embryologist which is a good career opportunity provided one is ready to hard work. He also mentioned in his interaction that there is huge scarcity of Embryologists specially in NE region. He urged the students to take Embryology as a career option. The speaker showed animated videos and photographs to elaborate the subject. After the talk, participants had a good interaction with the speaker and cleared their doubts.

Report of Alumni Webinar

A webinar was conducted by Alumni Association of Assam down town University on 24th May'2023 from 3:00pm to 4:00pm through online platform-Google Meet.

The main purpose of conducting this event was to provide keen information and knowledge regarding the topics, "Higher Education in Japan: Do's and Don'ts for an International Aspirant". The session was moderated by Dr. Nayan Talukdar , MSc , Ph.D , Associate Director, Directorate of Alumni.

Ms. Joyeeta Kar delivered a session focusing on the dos and don'ts for students aspiring to

pursue higher studies abroad. She highlighted several important aspects related to international scholarships and emphasized the benefits of studying in a different country.

During her session, Ms. Kar provided guidance on the actions students should take and those they should avoid when preparing for higher studies abroad. By sharing these dos and don'ts, she aimed to assist students in making informed decisions and increasing their chances of success.

Furthermore, Ms. Kar discussed various international scholarships available for students. She likely mentioned different scholarship programs, both merit-based and need-based, that students can explore to support their education abroad. Scholarships can provide financial assistance and open doors for students who may otherwise face financial constraints.

In addition to discussing scholarships, Ms. Kar emphasized the value of studying in a different country. She highlighted the opportunity for students to immerse themselves in a new culture, learn about different traditions, and interact with people from diverse backgrounds. Such experiences can broaden students' horizons, enhance their global perspective, and contribute to personal growth and development.

Overall, Ms. Joyeeta Kar's session aimed to equip students with essential information, tips, and insights to navigate the process of pursuing higher studies abroad successfully.
