

**Interactive meeting through SKYPE**  
**Discussion with the project team of Assam down town University & AANA**  
**Members from Western Canada and United States of America**  
**held on 30th April, 2019.**

**Skype Interactive Meeting**

A brief interactive meeting through Skype organized during the early hours at Assam down town University to review the progress of the project entitled “Development of APP for speaking English into Assamese and vice-versa”, and future action plan with the technical support and advice from members of AANA, USA and their representative from Assam. The progress of the project activities so far was reviewed and discussed about the wireframe description, also discussed the feedback received from the members of AANA regarding the app Assamese to English & Vice Versa, and suggested to test the same with the members of EKODUS in India .The AANA members also advised to spend more time with the team members of EKODAS based at Gauhati to have more interaction to solve the problem, so that the final version of the app would be presented at the Annual Meet of Association at USA sometimes in the month of July 2019.

Mr. Manoranjan Bordoloi from USA and Mr. Arup Goswami and Ms. Abhishruti D. Boruah from Western Canada along Dr. Amarjyoti Choudhury, Vice Chancellor and Dr. B G Unni, Director Research and the project team members from Assam down town University attended the Skype- interactive meeting.
