The speaker, Mr. Arup Goswami, President, (AANA) and Ms. Abhishruti Barua, and other representatives of (AANA), USA were felicitated by Honorable Vice Chancellor Prof. Amar Jyoti Choudhury and Prof. Bandana Dutta, Dean of Studies respectively at the function. The Vice Chancellor, Pro - Vice Chancellor, Dean of Studies, Director Research, Trustee Members, Chairpersons, Deans and HOD's, faculties and students of the University attended the function. Dr. B G Unni, Director Research gave a brief introductory speech about the Guest Speaker and talked about his contribution towards Assamese culture and for the

Assamese people staying in United states of America. He also thanked the other representatives of AANA, USA for their presence at the interactive session and for their visit to the University. During the interactive talk program, Mr. Arup Goswami shared his experiences starting from his professional career at various

Mr. Arup Goswami during interaction with the faculties and students of the University

government organisations from Guwahati to working abroad and starting new life in Canada. He talked about overseas Indians associated with India, usually through ancestry, ethnicity, nationality, citizenship etc. He also spoke about cultural insight of the people staying in abroad when he experiences for the first time in Canada. He was one of the founders and the first President of Assam Association of Alberta, an active Rotarian. He started his own company/ office named as “Argos Engineering Ltd” which provides Civil/Structural, Electrical & Mechanical Engineering, as well as project management services for

commercial, residential and industrial developments in Alberta, British Columbia, and Saskatchewan. He urged the people of Assam to work in overseas conditions which can offer plenty of opportunities to boost their career, by building new skills, international links and for gaining global experience. He also mentioned about eligibility of obtaining a permanent resident in Canada. Since Canada is one of the highest takers of the Indian migrants and continues to be on the top of the list from many years. Mr. Arup Goswami was very happy to visit Assam down town University and also very much appreciated the research and the academic activities of the University.

The meeting ended with a vote of thanks delivered by Dr. B G Unni, Director Research.
