Faculty of Commerce and Management**

Assam down town University

Details of Equipment for inviting quotation

Sl. No	Name of Equipment/Instruments	Detailed Specifications	Quantity Required
1	Full Plate	Material: Fine porcelain , Bone China, Melamine; Diameter: 10–12 inches; Features: Glossy or matte finish, customizable color; Used for main dishes.	12 dz
2	Half Plate	Material: Fine porcelain , Bone China, Melamine; Diameter: 7–9 inches; Features: Glossy or matte finish, customizable color; For smaller servings.	12 dz
3	Quarter Plate	Material: Fine porcelain , Bone China, Melamine; Diameter: 5–6 inches; Features: Glossy or matte finish, customizable color; For appetizers or side dishes.	24 dz
4	Tea Cup with Saucer	Material: Fine porcelain; Volume: 150–250 ml; Features: Elegant design, matching saucer; Used for serving tea or coffee.	16 dz
5	Salver (Round)	Material: Fiber; Diameter: 10–15 inches; Features: Polished finish, non-slip base; Used for serving food or drinks.	6 no
6	Tray	Material: Fiber; Dimensions: 15–20 inches; Features: Non-slip grip, water-resistant; For carrying and serving food or drinks.	4 no
7	AP Spoon	Material: Stainless steel or silver-plated; Length: 6–8 inches; Features: Durable, elegant design; Standard spoon for dining.	12 dz
8	AP Fork	Material: Stainless steel or silver-plated; Length: 6–8 inches; Features: Elegant, durable; Standard fork for dining.	12 dz
9	AP Knife	Material: Stainless steel or silver-plated; Length: 7–8 inches; Features: Sharp blade, ergonomic handle; Standard knife for dining.	12 dz
10	Tea Spoon	Material: Stainless steel or silver-plated; Length: 4–6 inches; Features: Sleek and simple design; Used for stirring tea or coffee.	12 dz
11	Glass Top Gas Range (One Burner) with regulator	Material: Stainless steel body; Burner Type: High-efficiency; Features: Adjustable flame, easy to clean; Includes regulator for gas control.	1 no
12	Flower Vase with Artificial Flower	Material: Fine porcelain ; Height: 8–12 inches; Features: High-quality silk or polyester artificial flowers; Decorative for tables or events.	16 no
13	Cruet Set	Material: Fine porcelain; Features: Salt, pepper, oil, and vinegar dispensers; Includes dispensers with easy pour spouts.	3 dz
14	Food Tag	Material: Acrylic or Plastic; Dimensions: 2–4 inches; Features: Reusable, customizable text; Used for labeling food items.	4 dz
15	Water Goblet Glass	Material: Glass; Volume: 250–350 ml; Features: Elegant design with a sturdy base; Used for serving water.	12 dz

16	Tom Collins Glass	Material: Glass; Volume: 300–400 ml; Features: Tall, slender design; Ideal for serving cocktails.	12 dz
17	Champagne Tulip Glass	Material: Glass; Volume: 200–250 ml; Features: Flared top, ideal for champagne; Preserves champagne's aroma.	2 dz
18	Champagne Flute Glass	Material: Glass; Volume: 150–200 ml; Features: Long stem, narrow bowl; For champagne or sparkling wine.	2 dz
19	Rock Glass	Material: Glass; Volume: 200–300 ml; Features: Short, wide bowl; Ideal for whiskey or spirits.	12 dz
20	Red Wine Glass	Material: Glass; Volume: 300–400 ml; Features: Wide bowl with tapered rim; For serving red wine.	6 dz
21	White Wine Glass	Material: Glass; Volume: 200–250 ml; Features: Smaller bowl than red wine glass; For serving white wine.	6 dz
22	Decanter Small	Material: Glass; Volume: 500–700 ml; Features: Elegant design with ergonomic handle; Used for aerating wine.	1 dz
23	Oyster Knife	Material: Stainless steel; Length: 6–8 inches; Features: Curved blade with ergonomic handle; For shucking oysters.	1 dz
24	Oyster Fork	Material: Stainless steel; Length: 5–6 inches; Features: Curved tines for easy oyster removal; For eating oysters.	1 dz
25	Shot Glass	Material: Glass; Volume: 30–50 ml; Features: Standard shot glass design; For serving spirits.	2 dz
26	Sundae Spoon	Material: Stainless steel; Length: 6–7 inches; Features: Curved handle for easy use; For serving ice cream sundaes.	6 no
27	Ash Tray	Material: Glass, Fine porcelain ; Diameter: 4–6 inches; Features: Non-slip base, easy to clean; For cigarette butts and ashes.	12 no
28	Cocktail Shaker	Material: Stainless steel; Volume: 500–700 ml; Features: Tapered, leak-proof design; For mixing cocktails.	6 no
29	Wine Bottle Holder	Material: Stainless steel, Wood, Wrought Iron; Capacity: 1 bottle; Features: Stylish design for holding wine bottles; Used for storing and displaying wine.	6 no
30	Bar Spoon	Material: Stainless steel; Length: 10–12 inches; Features: Long handle for stirring drinks; Essential for bartenders.	6 no
31	Muddler	Material: Wood or Stainless Steel; Length: 8–10 inches; Features: Ergonomic handle for muddling ingredients; Used for crushing fruits/herbs in cocktails.	6 no
32	Hawthorne Strainer	Material: Stainless Steel; Features: Spring-loaded strainer for cocktails; Filters out ice when pouring drinks.	6 no
33	Salad Platters (Different Shapes)	Material: Fine porcelain , Porcelain, Melamine; Dimensions: Varies by design; Features: Elegant and large; For serving salads.	6 no
34	Finger Bowl	Material: Stainless steel, Fine porcelain , Porcelain; Diameter: 6–8 inches; Features: Small, shallow bowl for washing fingers; Used during formal meals.	12 no

35	Peg Measure	Material: Stainless steel, Plastic; Volume: 25–50 ml; Features: Easy pour spout; Used for measuring drinks in bars.	6 no
36	Ice Bucket	Material: Stainless steel, Acrylic; Volume: 2–4 liters; Features: Insulated to keep ice cold; Includes tongs for serving ice.	4 no
37	Tea Pot	Material: Fine porcelain , Porcelain; Capacity: 1–2 liters; Features: Elegant design, comfortable handle; For brewing tea.	6 no
38	Creamer	Material: Fine porcelain ; Volume: 150–250 ml; Features: Matching lid and spout; Used for serving cream with coffee or tea.	6 no
39	Sugar Bowl	Material: Fine porcelain ; Volume: 200–300 ml; Features: Lid for covering sugar; Used for serving sugar.	6 no
40	Tea Strainer	Material: Stainless steel; Features: Fine mesh for straining tea leaves; For filtering loose tea leaves.	6no
41	Coffee Cup & Saucer	Material: Fine porcelain , Porcelain; Volume: 150–250 ml; Features: Elegant design, matching saucer; For serving coffee.	12 dz
42	Pourer	Material: Stainless steel, Plastic; Features: Precision spout; Used for pouring liquids.	4no
43	Wine Opener	Material: Stainless steel; Features: Corkscrew design; For opening wine bottles.	6 no
44	Wine Stand	Material: Wood, Stainless Steel; Dimensions: Varies by design; Features: Holds multiple bottles; Used for displaying wine.6-8 Holds bottles	2 no
45	Ice Cream Scooper	Material: Stainless steel; Features: Ergonomic handle; For scooping ice cream.	6 no
46	Lemon Squeeze	Material: Stainless steel, Plastic; Features: Easy to use, squeezes juice efficiently; For fresh lemon juice.	6 no
47	Ice Tong	Material: Stainless steel; Length: 6–8 inches; Features: Sharp teeth for gripping ice cubes; Used for serving ice.	6 no
48	Pastry Tong	Material: Stainless steel; Length: 8–10 inches; Features: Rounded, gentle grip; For serving pastries.	6 no
49	Kitchen Tong	Material: Stainless steel, Plastic; Length: 10–12 inches; Features: Non-slip grip; For handling hot food.	8 no
50	Sugar Tong	Material: Stainless steel; Length: 6–8 inches; Features: Sharp, gripping ends; For serving sugar cubes.	12 no
51	Pasta Tong	Material: Stainless steel; Length: 8–10 inches; Features: Curved ends for gripping pasta; For serving pasta.	6 no
52	Sling Glass	Material: Glass; Volume: 250–300 ml; Features: Slender design, long stem; Used for serving beverages.	2dz
53	Irish Coffee Mug	Material: Glass, Fine porcelain ; Volume: 250–300 ml; Features: Handle for easy grip; For serving Irish coffee.	2dz

54	Juice Glass	Material: Glass; Volume: 200–250 ml; Features: Simple design; For serving juice.	12 dz
55	Wine Decanter	Material: Glass, Crystal; Volume: 250ml and 750 ml–1 liter; Features: Wide base, ergonomic handle; Used for aerating wine.	6no/6 no
56	Garnish Tray For Bar	Material:, Acrylic; Dimensions: 10–12 inches; Features: Divided compartments; For holding bar garnishes.	12 no
57	Menu Card Holder Standy	Material: Acrylic, Metal; Dimensions: 4–6 inches; Features: Stylish and durable; For displaying menus.	12 no
58	Table Card Holder Standy	Material: Acrylic, Metal; Dimensions: 4–6 inches; Features: Stable and adjustable; For displaying table numbers.	12 no
59	Butter Dish	Material: Fine porcelain , Stainless steel; Dimensions: 5–7 inches; Features: Lid for covering butter; Used for serving butter.	6 no
60	Water Jar	Material: Stainless steel, Glass; Volume: 1–2 liters; Features: Handle for easy pouring; For storing and serving water.	6 no
61	Water Bottle (Glass)	Material: Glass; Volume: 1 liter; Features: Leak-proof cap; Used for storing and serving water.	12 no
62	Chaffing Dish (Square)	Material: Stainless steel; Dimensions: 10–12 inches square; Features: Heat resistant, includes fuel holder; Used for buffet-style serving.	6 no
63	Chaffing Dish Electric (Round)	Material: Stainless steel; Dimensions: 12–14 inches diameter; Features: Electric heating element; For buffet-style serving with electric heat.	6 no
64	Soup Tureen (Electric)	Material: Stainless steel, Plastic; Capacity: 2–4 liters; Features: Electric heating for keeping soup warm.	2 no
65	Soup Ladle	Material: Stainless steel; Length: 10–12 inches; Features: Deep bowl; For serving soup.	4no
66	Ladle for Buffet Service	Material: Stainless steel; Length: 10–12 inches; Features: Large bowl for serving large portions.	14no
67	B&B Knife	Material: Stainless steel; Length: 6–8 inches; Features: Sharp blade, ergonomic handle; For bread and butter service.	6 dz
68	Bar Mats/Drink Spill Mat	Material: Rubber, PVC; Dimensions: 12–18 inches; Features: Non-slip, absorbent; For bar counters to prevent spillage.	6 no
69	Ice Crusher	Material: Stainless steel, Plastic; Dimensions: 10–12 inches; Features: Manual or electric mechanism; For crushing ice.	4 no
70	Service Mat	Material: Rubber, PVC; Dimensions: 12–16 inches; Features: Non-slip, absorbent; Used on serving counters.	8 no
71	Glass Rimmer	Material: Plastic; Features: Adjustable height; Used for rimming glasses with salt or sugar.	4 no
72	Wine Pourer	Material: Stainless steel; Features: Precision spout for smooth pouring; Used for pouring wine without drips.	6 no

73	Soup Bowl	Material: Fine porcelain , Porcelain; Volume: 300–500 ml; Features: Wide, deep bowl; For serving soup.	6 dz
74	Rolly Poli Glass	Material: Glass; Volume: 100–150 ml; Features: Elegant design; Used for serving various beverages.	6 dz
75	Blow Torch with Gas	Material: Metal body; Features: Adjustable flame; Used for caramelizing or browning food.	6 no
76	Mandoline	Material: Stainless steel; Features: Adjustable slicing thickness, non-slip base; Used for slicing vegetables.	1 no
77	Mixture Grinder	Material: Stainless steel, Plastic; Features: Multiple speed settings, grinder capacity: 500–1000 grams.900W	2 no
78	Turning Table (Bakery) Heavy	Material: Stainless steel; Features: Rotating surface for easy decoration of cakes.	4 no
79	Chopping Board (Green, Blue, Red, White, Brown) Heavy	Material: HDPE, Plastic; Dimensions: 15–18 inches; Features: Color-coded for different uses (e.g., meat, vegetables).2 each	10 no
80	Mixing Bowl	Material: Stainless steel, Plastic; Capacity: 3-12 liters; Features: Deep bowl with handle; For mixing ingredients.	24 no
81	Carving Knife Set	Material: Stainless steel; Features: Set of knives with ergonomic handles; Used for carving meat.	2 set
82	Piping Bag	Material: Nylon, Silicone; Dimensions: 12–16 inches; Features: For decorating cakes and pastries.	12 no
83	Icing Set 36pc	Material: Stainless steel; Features: Assorted nozzles for cake decoration.	2 set
84	Doughnut Cutter	Material: Stainless steel, Plastic; Diameter: 2–4 inches; Features: Round cutter for making doughnuts.	6 no
85	Cookie Cutter	Material: Stainless steel; Features: Assorted shapes for cutting dough; Ideal for cookies.	2 set
86	Potato Peeler	Material: Stainless steel, Plastic; Features: Ergonomic handle, sharp blade; For peeling potatoes and vegetables.	6 no
87	Meat Hammer	Material: Stainless steel; Features: Dual-sided (flat and textured); For tenderizing meat.	4 no
88	Butcher Knife	Material: Stainless steel; Length: 8–10 inches; Features: Heavy-duty blade for cutting meat.	6 no
89	Frying Pan (SS)	Material: Stainless steel; Diameter: 8–12 inches; Features: Heat-resistant handle, even heat distribution; Used for frying.	6 no
90	Skimmers	Material: Stainless steel; Features: Mesh basket for skimming liquids; Used in cooking.8-12 No	6 no
91	Air Brush	Material: Stainless steel, Plastic; Features: Adjustable air pressure; For decorating cakes and pastries. For bakery use	1 no

92	Chinese Wok	Material: Carbon steel, Cast iron; Diameter: 12–14 inches; Features: Round bottom, high heat retention; For stir-frying.	6 no
93	Momo Steamer	Material: Stainless steel; Dimensions: 10–12 inches; Features: Multi-tiered for steaming momos or dumplings.	6 no
94	Muffin Mould	Material: Non-stick, Silicone; Dimensions: 12-cup; Features: Flexible, heat-resistant; For baking muffins.	8 set
95	Pudding Mould	Material: Stainless steel, Aluminum; Capacity: 500–1000 ml; Features: Round or oval shape for puddings.	8 set
96	Chef Knife	Material: Stainless steel; Length: 8–10 inches; Features: Sharp blade, ergonomic handle; Essential tool for chefs.	6 no
97	Chinese Cleaver	Material: Stainless steel; Length: 6–8 inches; Features: Wide, heavy blade; For chopping meat and vegetables.	6 no
98	Microwave Oven	Material: Stainless steel, Plastic; Capacity: 20–40 liters; Features: Adjustable power levels, microwave-safe design.	1 no
99	Kadhai	Material: Iron, Stainless steel; Diameter: 14,17,22 inches; Features: Deep sides for stir-frying, cooking Indian dishes.	6 no
100	Handi	Material: Aluminium ; Capacity: Diameter: 12-16 inches; Features: Traditional round design, lid included.	6 no
101	Sharpening Stone	Material: Stone; Dimensions: 6–8 inches; Features: Dual grit for sharpening knives.	6 no
102	Storage Container	Material: Plastic; Capacity: 1,2,5,10,15 liters; Features: Airtight lid for storing food.	36 no
103	Spatula	Material: Stainless steel; Length: 8–10 inches; Features: Heat-resistant handle, flexible head; For cooking and flipping.	6 no
104	High Flame Single Gas Range	Material: Stainless steel; Burner Type: High-efficiency; Features: Adjustable flame, compact design.	2 no
105	Palta	Material: Stainless steel; Dimensions: 18,24 inches Features: Flat, wide blade; Used for serving and flipping food.	2 no
106	Dubbo	Material: Stainless steel; Dimensions: 16 inches; Features: Round, deep dish; For serving stews or sauces.	4 no
107	Jajra	Material: Stainless steel; Dimensions: 18,24 inches; Features: Traditional design for cooking.	2 no
108	Lagan (Biryani Handi) with Lid	Material: Copper ; Diameter: 17,22 inches; Features: High sides, lid for sealing in flavours, Heavy bottom	2 no
109	Pasta Maker	Material: Stainless steel; Features: Manual or electric, adjustable settings; For making pasta at home.	1 no
110	Food Processor	Material: Stainless steel; Capacity: 2–4 liters; Features: Multiple attachments for slicing, dicing, and chopping.2200W	1 no

111	Griller	Material: Stainless steel, Cast iron; Dimensions: 12–14 inches; Features: Non-stick surface, adjustable heat.	1 no
112	Nutri Blender	Material: Stainless steel; Capacity: 1–2 liters; Features: High-speed motor, 800W multiple blending settings.	2 no
113	Dosa Tawa	Material: Cast iron, Non-stick; Diameter: 12–14 inches; Features: Flat surface for making dosas.	2 no
114	Hand Blender	Material: Stainless steel, Plastic; Features: Detachable blades, multiple speed settings; For blending and mixing food.800W	1 no
115	House Keeping Chamber Maid Trolley	Two washable nylon bags (77 litre capacity). Non-marking wheels (two with brakes), 148.5mm(d). Complete with bumpers and two adjustable and removable wire shelves. Full-size cabinet offers exceptional storage space. Fixed top loading compartmental tray. Dimensions 990(H) ×1460(W) × 540(D)mm	1no
116	Gueridon Trolley (Flambé Trolley)	Load-bearing structure in one-piece multi-layered wood – solid chestnut wood lining – stainless steel cooking plate – side folding panel – chrome-plated steel bottle rack – 2 drawers – 3 kg gas bottle compartment – 2 wheels with catch ø 100 mm.	1no

Terms and conditions

1. **Price:** Price includes import duties, taxes, and fees if any (a) with transportation charges and (b) insurance. Prices quoted should be up to FOR Assam down town University (AdtU). Customs clearance and delivery should be free of charge at AdtU.
2. **Quotation Instruction:** Please raise the quotation in duplicate in favour of the Registrar, Assam down town University (AdtU) and submit it to the Registrar, AdtU with the indent reference number. For each equipment give a separate sealed quotation specifying the advertisement no. and instrument name in the cover. Quotation submission last date is specified in the published advertisement. The hard copy of the quotations should be submitted to the specified tender drop-box of the University (near A block of AdtU).
3. **Delivery Schedule:** Within 2 weeks of receiving the purchase order and/or any advance payment (if applicable). Goods and supplies must be delivered to the AdtU campus and installed.
4. **Part shipment:** Not allowed.
5. **Warranty:** A minimum of one-year onsite warranty from the date of installation should be provided. If the warranty period is longer (i.e. more than one year) after matching all other details, preference should be provided.
6. Prospective vendor/supplier are required to furnish their comprehensive profile, inclusive of authorization certificates, service track record, tax filing documentation, service feedback, and related credentials, in conjunction with their quotation submission.
7. The vendor / supplier should submit documentary evidence of at least 5 nos. of previous successful installation of similar equipment in the reputed Research Organizations of North East India and details of service person based in North East (details with Name, mobile no and location) need to be provided.
8. AdtU has the right to choose the instrument based on specification even if it is not L1.
