### BRIEF DRESCRIPTION

On 31st May 2017, Assam down town University had successfully celebrated World No Tobacco Day. World No Tobacco Day (WNTD) is observed around the world every year

on May 31. It is intended to encourage a 24-hour period of abstinence from all forms of tobacco consumption around the globe. The day is further intended to draw attention to the widespread prevalence of tobacco use and its negative health effects. On that occasion a rally was organized by the Department of FND and Social Work with the help of students from Nursing Department in the presence of Dr. P.C. Sarma, Principal, Down Town College of Allied Health Science and Dr. Arup J.D. Sarma, Deputy Controller of examination. The rally was started from university campus to Panikhaiti Police outpost by the students with placards on awareness on negative effects of tobacco on health and slogans (Say no to Tobacco).

Total amount of sponsorship	<b>nil</b>
Award if any	<b>Best CSR Activity</b>
<b>Brief description</b>	
<p>Since the month of April 2017, Social Work Department of Assam Down Town University has taken a new initiative for the adult people of Panikhaiti village towards the development of the respective community through the Functional Literacy Programme. Literacy is the basic minimum need for all members of the society; it is the first stage of education, an entry-point to being able to gain greater knowledge, and a tool for acquiring information. When adults become literate, they become more likely to encourage their children to go to school. Therefore adult literacy programmes add to lower illiteracy rates in the future. Literacy involves a continuum of learning which enables an individual to achieve his or her goals, to develop his or her knowledge and potential, and to participate more fully in society. Adult education is essential for the development of a country. This is because when a citizen is educated the citizen's family gets educated leading to the whole country to get educated.</p> <p>Therefore Assam Down Town University has made strong efforts to reduce the rate of illiteracy through the literacy programme. The objective of adult education aims for the overall social, cultural, and economic growth of the adult learner. The objectives of Functional Literacy Programme undertaken by the University are-</p> <ol style="list-style-type: none"> <li>1. To develop abilities in the learners to read and write, and put them on the path to self-reliance.</li> <li>2. To create awareness among the learners about their rights and duties and the benefits they can draw from various schemes of socio economic development being implemented by the government.</li> <li>3. To manage daily living and employment task that requires reading and writing skills.</li> </ol>

Brief description	
<p>World Suicide Prevention Day is observed on September 10 each year to promote worldwide action to prevent suicides. Keeping in lieu with the World Suicide Prevention Day, Department of Social Work and Psychology had jointly organized a Street Play in the university campus on 9th September, 2017 at around 1:00 pm. The theme of the play was "Take a minute, change a life". The students of the respective Department demonstrated a street play to raise awareness that suicide is a major preventable cause of premature death. Besides the Street Play, the students also displayed play cards with various motivational messages in order to convey precautions against suicidal tendencies and explain the importance and value of life. Dr. P.C. Sarma, Principal, College of Allied Health Sciences encouraged the students with his gracious presence. The basic objective of the programme was to:</p> <ul style="list-style-type: none"> <li>• Raise awareness that suicide is preventable.</li> <li>• Improve education about suicide.</li> <li>• Spread information about suicide awareness.</li> <li>• Decrease stigmatization regarding suicide.</li> </ul>

<p>The Department of Social Work organized a Street Play Workshop by Experts, Manoj Martin Saud and Babi Baruah. The students got an opportunity to understand the nuances of street play and were being imparted training on the various aspects of street plays. The main objective of the workshop was to attract the students towards this cultural form and use it as a main tool for propagating various social issues. The students were being taught on Voice Modulation, Body Language, Theater Exercise and how to make use of limited materials available with them for conveying the message in an effective way. There were ice-breaking sessions to remove shyness and fear among the students. The issues such as child labour, women empowerment, substance abuse and rural development were being presented by the students. The students were enriched with knowledge and practical experience. They were given full liberty to explore their creativity. The workshop evoked a positive response from the students.</p>

<p>Mr. Kailash Satyarthi of Bachpan Bachao Andolan (Save the Childhood Movement) and Nobel Peace Prize Awardee 2014 honoured us by his gracious presence at Down Town Hospital premises on 23rd of September, 2017, as a part of his Bharat Yatra against Child Trafficking and Child Abuse covering 11,000 km across 22 states. Mr. Satyarthi appealed to the gathering to join the March to ensure the safety and security of children who are the future of India. The students of Assam down town University welcomed him by a Bike Rally from USTM to Down Town Hospital. A Street Play on 'Child Abuse and Child Trafficking' performed by social work students who were dressed in their black kurtas with red dupatta succeeded in creating awareness and making a difference by putting up this enlightening play. It was appreciated as "A Bold Initiative taken by the students of the University".</p>

BRIEF DESCRIPTION-	
<p>- <b>North East Pharmaceutical Convention (NEPC)</b> is a sincere initiative of pharmacists from all sectors of the pharmacy profession of North Eastern states to create a platform for deliberating various issues related to Industry, regulatory, academia, hospital pharmacy and other related fields. North East due to its topographical location and connectivity with South Asian Nations has potential to be a major pharmaceutical Hub of the country and can have significant contributions to the country export.</p> <p>NEPC is an effort to expose the potential of this region to get transformed into a pharmaceutical Hub in the country under the Act East Policy launched in November 2014 and Make In India policy of Government of India and thereby provide for North East Industrial Investment Promotion Policy (NEIIPP) to rejuvenate vibrant NE Region. This shall be helpful in creating awareness and more job opportunities for the thousands of aspiring pharmacy professionals like D. Pharm, B. Pharm, M. Pharm , Pharm. D, PhD of the region.</p>	

The NEPC is an attempt to evolve collective wisdom of Pharmacy Professionals of the region for formulating newer policies in the relevant fields and for the betterment of the profession and health care system.

The rich biodiversity and traditional medicinal practices are still mostly untapped and has huge potential. There is a need to explore the rich heritage of medicinal plants in this area and should attract more pharmaceutical research in this field.

In this convention different plenary talks, Scientific Sessions, Oral and Poster Presentations of pharmaceutical researchers, Pharma expo and job fair in the presence of eminent personalities from Regulatory, Industry and Academia were organized.

TITLE OF ACTIVITY	Launching of the project entitled “Chemical profiling of Joha and black rice of NER for Nutritional, Nutraceutical Parameters and Aromatic Compounds” and Launching of the book Diabetes mellitus in 21st century
DATE OF CONDUCT	8th November 2016
ORGANIZED BY	ASSAM DOWN TOWN UNIVERSITY
COLLABORATION IF ANY	Daleview College of Pharmacy and Research Institute, Trivandrum, Kerala
NO. OF TEACHER’S PARTICIPANT	N/A
NO. OF STUDENT PARTICIPANT	N/A
NO. OF PEOPLE/SOCIETY BENEFITED	N/A
SPONSORING AGENCY IF ANY	NIL
TOTAL AMOUNT OF SPONSORSHIP	NIL
BRIEF DESCRIPTION-	
<p>- This project aimed to profiling of antioxidant molecules present in certain Joha and black rice. In this proposal, we will explore the antioxidant and hypolipidemic effectiveness of few Joha/black rice varieties in the light of a new experimental observation. Suitable in vitro and in ex vivo method will be used to investigate antioxidant and hypolipidemic activity. We shall also try find the answer whether such rice supplement could be helpful for human with hyperlipidemia or in risk of high lipid profile. The project was officially launched in Assam down town University with the presence of Honorable’ Chancellor, Dr. NN Dutta, Assam down University, Vice Chancellor Dr. RC Deka, Assam down town University, Dr. BK Dey, Principal, Department of Pharmacy, Dr. BG Unni, Director, research, Assam down town University and media personals. The PI of the project Dr. Saikat Sen and Co-PI Dr. Raja Chakraborty has elaborately discussed the aspect and outcome of the project in front of open media and other professionals. Diabetes mellitus in 21st century by Dr. Saikat Sen, Dr. Raja Chakraborty, Dr. Biplab De was published by Springer science business media Singapore was launched in Assam down town University in the same forum. The book consists of 12 chapters covering the common aspects of Diabetes in 21st century.</p>
