ABOUT US

One of the leading universities in North-East India, Assam down town University (AdtU) brings together the expertise of eminent academicians and industry professionals to offer education that is globally relevant and future-focused. Established in 2010 by the down town Charity Trust, the University has earned a strong reputation for academic excellence, innovation, and career-oriented learning.

At AdtU, education extends beyond the classroom. The University follows a learner-centric academic framework that integrates rigorous curriculum design with experiential learning, research exposure, and industry engagement. With programmes across Engineering & Technology, Health Sciences, Management, Sciences, Humanities & Social Sciences, Agriculture, and allied disciplines, AdtU provides flexible, multidisciplinary learning pathways aligned with evolving industry and societal needs.

Accredited by NAAC with an A+ Grade and recognised by statutory bodies including UGC, AICTE, PCI, and INC, AdtU upholds high standards of academic governance and quality. Located on a scenic and eco-friendly campus in Panikhaiti, Guwahati, the University offers modern infrastructure, advanced laboratories, residential facilities, and a vibrant campus life that supports holistic development.

With a strong focus on career readiness, skill development, internships, and industry partnerships, Assam down town University is committed to nurturing capable professionals and responsible leaders prepared to succeed in a rapidly evolving global environment.

PILLARS OF AdtU

INSIGHTFUL WORDS FROM THE CHANCELLOR

"The highest education is that which does not merely give us information but makes our life in harmony with all existence."

~Rabindranath Tagore

A picturesque & inspiring campus, offering the latest in technology, best in curriculum and the expertise of academicians and industry leaders define the prominence of Assam down town University.

It gives me immense pleasure in extending a hearty welcome to all the students who have chosen Assam down town University to become the best version of themselves.

Assam down town University is trying to promote excellence in higher education for a vibrant and inclusive society through knowledge, creation and dissemination. It is striving hard to impart quality education to meet national and global challenges, towards accomplishing its mission. It is committed to promoting budding talents and providing holistic development to enable young minds capable of facing real-world challenges.

The University is equipped with state-of-the-art, modern equipments, updated labs, teaching aids and multimedia and other audio-visual facilities, multi-floor library with online access and WI-FI connectivity required for effective modern teaching. We intend to develop AdtU as a lively and throbbing centre of learning and research.

The highly pragmatic and progressive environment developed by the multifaceted faculty members is conducive to the development of learning, empowerment of knowledge and skill enhancement. AdtU believes in engaging students in creative design thinking pedagogies keeping in line with the vision of NEP20. We aim to provide our students with a supportive and nurturing environment that cherishes independent thought, innovation, creativity, diversity and multiculturalism. As a University, we aim to create socially responsible global citizens who can efficiently lead our institutions, society and our country in the future.

AdtU is expanding to cater the needs of advanced education as best-delivered education to spur innovative minds.

I welcome the students and hope you will have an engaging and enriching time at AdtU both in academics and co-scholastic aspects. Wish you a very promising and successful career and life.

Dr. N.N. Dutta
Chancellor, AdtU

INSIGHTFUL WORDS FROM THE VICE CHANCELLOR

Greetings and a warm welcome to AdtU (Assam down town University).

It is a privilege to address you as you consider becoming part of our academic community. At AdtU, we believe education is not merely the transmission of knowledge, but the shaping of character, competence, and purpose. Our commitment is to nurture knowledgeable, ethically grounded, and confident individuals prepared to contribute meaningfully to society.

Situated amidst the serene landscape of Guwahati, between the Brahmaputra and the lush greens of the Amchang Reserve Forest, our eco-friendly campus offers an ideal environment for focused learning and innovation. Modern classrooms, advanced laboratories, research and incubation facilities, sports complexes, and vibrant cultural spaces together create a balanced ecosystem for holistic development.

AdtU offers multidisciplinary programmes across sciences, engineering & technology, health sciences, management, humanities, agriculture, and allied disciplines. Our academic framework encourages cross-disciplinary engagement, research integration, and experiential learning. In alignment with NEP 2020, we continue to strengthen academic flexibility, innovation-driven pedagogy, and skill-based education to prepare students for a dynamic global landscape.

Our diverse student community, representing multiple states and countries, enriches campus life through cultural exchange and shared learning. Strong placement initiatives, industry engagement, internships, and professional development programmes ensure that our graduates are career-ready and future-focused.

At AdtU, we strive to create not only successful professionals but responsible citizens guided by integrity, resilience, and a spirit of service. I invite you to embark on this transformative journey with confidence and curiosity.

I wish you a fulfilling and successful academic experience.

Prof. N.C. Talukdar
Vice Chancellor, AdtU

INSIGHTFUL WORDS FROM THE PRO VICE CHANCELLOR

Welcome to Assam down town University (AdtU) - a unique learning landscape with an unassailable fortress of wisdom and intellectual integrity that transcend conventional academics.

As a frontier university, AdtU aims to empower its students with a global mindset to a holistic and transformative experience through a 'Values-added Learner Centric Education System' that infuses skills, universal values and technological cognition necessary to become global citizens and professional leaders. Our cutting-edge curriculum inculcates multidisciplinary knowledge with ample flexibility that allows them to pursue their passions and professional aspirations. Students from Indian states and neighbouring countries come to the AdtU campus for pursuing a diverse range of programmes in leading domains like Allied Medical Sciences, Agriculture Technology & Biological Sciences, Commerce & Management, Computer Applications & Informatics, Engineering & Technology, Hotel Management & Catering Technology, Nursing & Palliative Care, Pharmaceutical Sciences, Physiotherapy & Rehabilitation, and Psychology & Social Sciences; which are backed by the state-of-the-art learning environment including excellent facilities for cocurricular, outreach, cultural, and sports activities.

We at AdtU take great pride in fostering the next generation of thought leaders, and thus, we have established Centres of Excellence for specialized professional learning and skill inculcation. We have built a strong connection with international universities, corporates & industry, and renowned research organizations for offering semester abroad programmes, practice schools, and internships. AdtU offers its students continuous academic mentoring & personalized career guidance, and psychological counselling in need of hours. Our graduates are poised to become trailblazers in their respective fields, driving innovation and shaping the intellectual landscape of our nation.

Our serene and verdant campus, set amidst rolling hills; the fragrance of sandalwood, is an idyllic setting for learning and growth. Our students benefit from world-class facilities, expert faculty, advanced pedagogy, and a beautifully landscaped environment that nurtures critical thinking, innovation and entrepreneurship.

Once again, I extend heartfelt welcome to this temple of education. May your time here be marked by unparalleled academic pursuits and career aspirations.

Prof. Pranveer Singh
Pro Vice Chancellor

RESEARCH & INNOVATION

Assam down town University (AdtU) strives to achieve excellence in research and innovation, collaboration, Technology transfer, and dissemination and ensures commitment towards research activities for the upliftment of society and sustainable development. The diversity and excellence across the Faculty of Studies (FoS) and other Directorates in the university in conjunction with the Directorate of Research create a scientific temper and research atmosphere among the teaching fraternity, research scholars, and students igniting innovative ideas on national and global research needs. This has been contributing significantly towards the expansion of the knowledge base for development and societal welfare. The faculty members and researchers undertake research projects sponsored by different government and non-government funding agencies and through local and international research networks and collaboration.

AdtU has received research projects funded by national and international funding agencies/organizations. The funds are received from the Government of India and State government through (DBT, DST, ICMR, ASTEC, etc.), besides, support from state government agencies and non-government institutions. AdtU offers competitive in-house seed money grants to faculty members and researchers including interested students that support and foster them to carry out projects. The seed research project supports the faculty members in formulating and conducting projects of various dimensions which also paves the way for designing bigger research programs to attract national and international funding.

The Directorate of Research (DoR) manages research activities and programs as per the mandated research policy of the University. The Chairman and Executive Director administer and execute the works of research management. The Directorate of Research accomplishes these works under several designated units viz., Research Projects, Publication, Website, MoUs, Lecture Series, Technology Transfer, IPR, Patent, Research Quality Assurance, Consultancy, and Administration, to execute the research activities effectively. Additionally, the Directorate supports and administers the University's peer-reviewed, multidisciplinary, biannual open-access journal, Annals of Multidisciplinary Research, Innovation and Technology (AMRIT) [ISSN: 3107-8281 (Print), ISSN: 2583-4657 (Online)], providing an institutional platform for manuscript submission, editorial management, and scholarly dissemination.

DIRECTORATE OF INNOVATION, STARTUP AND ACCELERATION

Assam down town University (AdtU) promotes innovation, entrepreneurship and startup development through a structured and multi-pronged approach. It fosters a strong entrepreneurial ecosystem within the university and surrounding region through down town Venture Labs Foundation, which provides incubation support to innovators and startups. The Institution's Innovation Council (IIC), under the Ministry of Education's Innovation Cell, conducts awareness and capacity-building programs to strengthen the in-house startup ecosystem. AdtU has established strategic partnerships with incubators and accelerators and allocates at least 1% of its annual budget to support innovation and startup initiatives.

The University also supports rural entrepreneurs through the Scheme of Fund for Regeneration of Traditional Industries (SFURTI).

Below mentioned are the incubation schemes initiated by down town Venture Labs with an objective to support Innovators and entrepreneurs in different categories.

Grant for Major Schemes

DST-NIDHI Inclusive TBI (ITBI): ₹ **4.73 Crore** sanctioned by DST, Grant upto ₹ **10 lakh per startup**.

MeitY-TIDE 2.0: Grant support of ₹ **4 lakh and ₹ 7 lakh per startup, 12 Startups supported**.

Student Innovation & Entrepreneurship Support

AdtU Student Innovation Grant

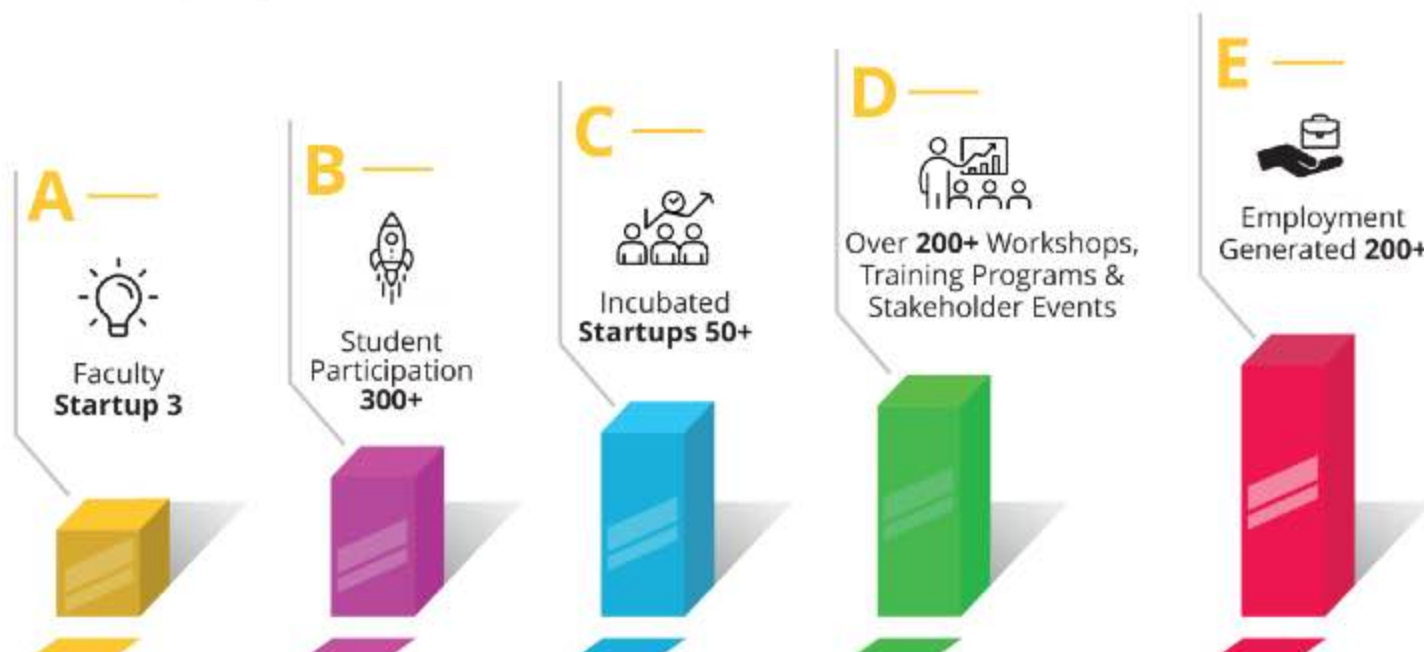

- Prototype development grant (₹25,000 per student/team), 52 Student teams supported

Students Entrepreneurship Loan Scheme

- Interest-free loan (₹50,000 per student/team), 15 Student teams supported

Campus Bazaar

- Weekly student marketplace promoting real-world sales & marketing skills
- 300+ students participated till date

Directorate of Career Advancement

The **Career Development and Placement Cell (CDPC)** at **Assam down town University** is dedicated to preparing students for successful careers by bridging the gap between academic learning and industry expectations. The Cell supports students in exploring diverse career opportunities, developing clear career plans, and setting realistic professional goals.

To enhance employability, **CDPC** conducts structured training programmes focused on **soft skills, aptitude, analytical ability, and technical competence**. Students also gain hands-on exposure through internships, industry interactions, and practical learning opportunities, helping them build confidence and workplace readiness.

The Cell regularly organises industrial visits and guest lectures, enabling students to understand real-world work cultures, emerging technologies, and current industry trends. These initiatives strengthen practical understanding while complementing classroom learning.

AdtU hosts a **mega placement drive** annually, with participation from leading organisations across sectors, offering students meaningful career opportunities and industry exposure.

Goals of the Placement Cell

- The primary goal of the Placement cell is to provide students and alumni with the tools and skills they need to advance their careers.
- Providing comprehensive career services including individual advising/ counseling to students and alumni.
- Maintain analytics of percentage of conversion of every stage of selection process and focus on improving the percentage of conversion consistently.
- Building and maintaining dynamic relationships with a large pool of talent and acquisition team of the Companies through various professional bodies or network groups.
