

ABOUT US

Assam down town University (AdtU), located in the bank of mighty river Brahmaputra at Panikhaiti is just 12 km away from Assam state capital Dispur. Since its establishment in 2010, AdtU has emerged as one of the leading University of North East India offering a unique amalgamation of professional and academic excellence to its students. AdtU has coupled the experience of top industry leaders and renowned academicians and fosters a worldly approach. AdtU With students from 20 Indian States and 5 Countries, AdtU is one of the most ethnically and culturally diverse universities in the vicinity of the beautiful city-Guwahati. A continuous emphasis on modern teaching methods, global links for research, students exchange and knowledge sharing, world class infrastructure, placement, diversity of students and industry-institute interactions have consistently

The Faculty of Pharmaceutical Science, established in 2010 is one of the best Department of AdtU offers diploma (D. Pharm), graduate degree (B. Pharm), B. Pharm (Practice), postgraduate (M. Pharm in Pharmaceutics), and Ph.D (Pharmaceutical Science). The curriculum is approved/recognized by the All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI), New Delhi.

About ADTU PHARMACON 2019

The ADTU PHARMACON-2019 is the National Seminar which will be organized by Faculty of Pharmaceutical Science, AdtU on the theme "Advancement in Healthcare Management: Traditional Knowledge to Contemporary Drug Technology". ADTU PHARMACON-2019 offers a distinguished forum for the eminent professionals from academia, research scholars, students as well as personnel from industries of healthcare segments from different parts of India to interact, exchange their concepts, prototypes, innovative research ideas and share the outcomes which could contribute to the academic arena and further benefit the industrial community.

This Seminar also provides an excellent opportunity for the young researchers to showcase their scientific work and receive feedback from experienced and expertise leaders from health care background. The conference covers the wide range of topics related to Pharmaceuticals and Applied Health Sciences. The Seminar will be embedded with Invited lectures, Sponsors talks from personalities of diverse field and also Oral and Poster presentations.
