SANCTION ORDER OF SEED MONEY GRANT

Subject: Financial sanction of the Seed Money Grant for the Research project entitled "IOT Enabled Smart Health Monitoring System for Patients Using 5g Wireless Network"-reg

Investigator (s)

Dr. Debashis Dev Misra

Principal Investigator (PI), Faculty of Engineering

Dr. Aniruddha Deka

(Co-PI), Faculty of Engineering

Sanction of the Seed Money Grant for the Research project "IOT Enabled Smart Health Monitoring System for Patients Using 5g Wireless Network" (Category of Project: Individual Faculty level project), Proposal ID-AdtU/ Seed/2023/008 is hereby accorded to the above mention project at a total cost of Rs 3,00,000.00 for a duration of one year from the date of sanction. The items of the expenditure for which the total allocation of Rs 3,00,000.00 has been approved for the period are given below:

Sl. No.	HEAD	AMOUNT (INR)
(A)	Recurring	
1.	Consumables	10,000
2.	Travel/Field Visit	60,000
3.	Contingency	30,000
	Total (A)	1,00,000
(B)	Non-Recurring	
1.	Equipment/Instrument	2,00,000
	Total (B)	2,00,000
	Total Amount (A+B)	3,00,000

OFFICE OF THE DEPUTY REGISTRAR (ACADEMIC)

Gandhinagar, Panikhaiti, Guwahati-26

(Permission Granted Via The ASSAM ACT. NO. VIII OF 2010, Gazette No. LGL9/2010/11)

An ISO 9001:2015 certified & NAAC accredited University

Terms and Conditions:

1. The grant will be regulated in accordance with the prescribed regulations and instruction, guidelines as issued from time to time.
2. Procurement of instruments and consumables to be completed within March 31st, 2024. All the purchase expenditure related to the Seed Money Grant will be carried out by the Purchase/Finance Section of the University subject to the approval of the competent authority.
3. While providing operational flexibility under various subheads, it should be ensured that the amount spent shall not exceed the allotted amount of the subhead.
4. The accounts of the project will be audited internally by university finance department.
5. The team of investigator should strictly follow the approved objectives as per the revised project proposal.
6. Progress of the project will be reviewed critically by IRRC quarterly and if the progress is not found satisfactory the project may not be considered for continuation.
7. Progress report (Six monthly) must be submitted on time for evaluation to the IRRC.
8. One review article needed to be submitted to an international Peer Reviewed Journal (Scopus/Web of Science) within the first six months from the date of sanction of the project.
9. At least one research publication should come out from the project preferably in SCI/Scopus indexed journal having good impact factor.
10. Based on the outcome of the project and the realization of the newer and broader avenues on the research area a bigger project (may be interdisciplinary in nature, if need be) has to be prepared by the PI in consultation with the concerned Dean of the Faculty and submit/present during the progress/end of the work for obtaining external funding.
11. The final project completion report and a utilization certificate need to be submitted at the completion of the project. The project has to be completed within the proposed project duration.

2. Procurement of instruments and consumables to be completed within March 31st, 2024. All the purchase expenditure related to the Seed Money Grant will be carried out by the Purchase/Finance Section of the University subject to the approval of the competent authority.
3. While providing operational flexibility under various subheads, it should be ensured that the amount spent shall not exceed the allotted amount of the subhead.
4. The accounts of the project will be audited internally by university finance department.
5. The team of investigator should strictly follow the approved objectives as per the revised project proposal.
6. Progress of the project will be reviewed critically by IRRC quarterly and if the progress is not found satisfactory the project may not be considered for continuation.
7. Progress report (Six monthly) must be submitted on time for evaluation to the IRRC.
8. One review article needed to be submitted to an international Peer Reviewed Journal (Scopus/Web of Science) within the first six months from the date of sanction of the project.
9. At least one research publication should come out from the project preferably in SCI/Scopus indexed journal having good impact factor.
10. Based on the outcome of the project and the realization of the newer and broader avenues on the research area a bigger project (may be interdisciplinary in nature, if need be) has to be prepared by the PI in consultation with the concerned Dean of the Faculty and submit/present during the progress/end of the work for obtaining external funding.
11. The final project completion report and a utilization certificate need to be submitted at the completion of the project. The project has to be completed within the proposed project duration.
12. Publications, patents, trademarks, copyrights etc, of any nature should acknowledge the Seed Money Grant of AdtU.
