EVENT REPORT

Date: 12/09/2021

Name of the Event : Skill Up: Problem-Solving for Employability

Date of the Event : 6th & 7th September, 2021

Program Coordinator : Dr. Sagarika Mahanta

Venue : Room no 405, B-Block, AdtU

Resource Person : Mr. Soumen Das, Director-TIME Guwahati.

Number of Students Participated: 25

Event Description: The workshop on "Skill Up: Problem-Solving for Employability" for the BTech (Computer Science and Engineering) students resulted in equipping students with problem solving skills and realizing its importance in getting employed. The workshop received positive feedback and the participant found it interesting. The resource person focused mainly on following topics:

Improved Decision-Making: Students learned how to make more informed and effective decisions, which is crucial in both everyday work scenarios and when faced with complex challenges.

Team Collaboration: Many problem-solving exercises are team-based, enhancing your ability to work collaboratively, share ideas, and contribute to a group effort, which is essential in most professional settings. Activities were discussed and practiced to enhance team collaboration.

Competitive Advantage: By honing problem-solving skills, one can distinguish oneself in the job market, making them a more attractive candidate for employers.

Event Description: The workshop on Data Analysis using SPSS for the M.Sc. Microbiology, M.Sc. Zoology and M.Sc. Food Nutrition and Dietetics students resulted in participants getting introduced with SPSS and learning data analysis using the same. The workshop received positive feedback and the participant found it interesting. The resource person focused mainly on the Benefits of Using SPSS for Data Analysis of which some are listed below:

1. **User-Friendly Interface:** SPSS has a straightforward, menu-driven interface that is accessible to users with varying levels of statistical knowledge.
2. **Comprehensive Data Management:** SPSS allows for the easy handling, editing, and organization of large datasets, making it ideal for complex data analysis.
3. **Wide Range of Statistical Tests:** SPSS supports a vast array of statistical analyses, including descriptive statistics, inferential statistics, regression analysis, factor analysis, and more.
4. **Graphical Output:** SPSS provides high-quality graphical representations of data, which are useful for interpreting results and presenting findings.
5. **Automation and Scripting:** Advanced users can automate repetitive tasks using SPSS syntax, which is particularly useful for handling large-scale data analysis projects.

EVENT REPORT

Date: 12/09/2019

Name of the Event : Vedic Math for Faster Calculations
Date of the Event : 6th and 7th September, 2019
Program Coordinator : Dr Sujan Sinha, AdtU
Venue : Room no 405, B-Block, AdtU
Resource Person : Dr. Murchana Neog, Assistant Professor, Dept. of Mathematics
Number of Students Participated: 69

Event Description: The workshop on "Vedic Math for Faster Calculations" for the B Tech (Civil Engineering) students resulted in participants significantly enhancing their calculation speed. The workshop received positive feedback and the participant found it interesting. The resource person focused mainly on following topics:

- Rapid Calculations:** The techniques discussed enabled faster arithmetic calculations, often allowing problems to be solved in a fraction of the time it would take using conventional methods.
- Mental Math:** Many of the techniques performed by the students mentally, reducing the need for paper and pen.

EVENT REPORT

Date: 18/05/2019

Name of the Event : Logical Reasoning and Argument Analysis
Date of the Event : 8th and 9th May, 2019
Program Coordinator : Dr Sujan Sinha, AdtU
Venue : Room no 701, B-Block, AdtU
Resource Person : Mr. Avtar Priyadarshan, Director, Career Launcher, Guwahati
Number of Students Participated: 120

Event Description: The workshop on "Logical Reasoning and Argument Analysis " for the B.Sc Biotechnology, B.Sc Food Nutrition and Dietetics, B.Sc Microbiology, and M.Sc. Microbiology students resulted in participants equipped with techniques to analyze arguments and make logical decision. The workshop received positive feedback and the participant found it interesting. The resource person focused mainly on following topics which are listed below along with its benefits:

- **Logical Reasoning** : By analyzing data or information, one can gain a more profound understanding of concepts. It allows you to connect different pieces of knowledge and see how they fit into a larger context.
- **Argument Analysis:** Argument analysis helps you develop a habit of questioning and analyzing information more deeply. This critical stance allows you to evaluate the validity of arguments and the credibility of sources more effectively.
