### Description:

AdtU students participated in an engaging workshop focused on time management and productivity hacks. The event aimed to equip students with practical strategies to enhance their personal effectiveness in both academic and personal contexts. The workshop included interactive sessions, expert talks, and hands-on activities designed to address common time management challenges and boost productivity.

The resource Person focused on the below mentioned topics :

- Increased Efficiency:** Effective time management helps streamline tasks and processes, reducing time spent on non-essential activities and increasing overall productivity.
- Better Goal Achievement:** By setting clear priorities and managing time effectively, you can achieve your goals more efficiently, whether they're personal or professional.
- Reduced Stress:** Proper planning and organization reduce the feeling of being overwhelmed. Knowing what needs to be done and having a clear plan helps manage workloads more effectively.
- Improved Work-Life Balance:** Efficient use of time can lead to more free time for personal activities, hobbies, and spending time with loved ones, contributing to a better work-life balance.

## EVENT REPORT

**Date: 10/09/2022**

**Name of the Event** : “Idea Generation: Methods for brainstorming and developing new idea”  
**Date of the Event** : 30<sup>th</sup> and 31<sup>st</sup> August 2022  
**Resource Person:** Dr. Pramod Joshi, Advisor, Coach, Mentor, and Consultant Vision & Values  
**Program Coordinator:** Varsha Patwari, Manager - Directorate of Career Advancement  
**Venue** : Auditorium 1, C block, AdtU  
**No of Participants** : 89

**Event Description:** The workshop on " Idea Generation: Methods for brainstorming and developing new idea "for the students of Assam down town University resulted in participants understanding the concept of central concept or problem in the centre of a page. The workshop received positive feedback and the participant found it interesting.

- **How It Works:** Start with a central concept or problem in the centre of a page. Draw branches for related ideas, and then further branches for sub-ideas or details.
- **Benefits:** Helps visualize connections between ideas, stimulates creative thinking, and organizes thoughts in a non-linear way.

### Description:

The workshop titled “Cultivating a Growth Mindset” was conducted at Assam down town University (Adtu) on the 16th and 17th of August, 2022. The aim of the workshop was to equip students with the knowledge and tools to develop a growth mindset, enhancing their academic performance, personal development, and resilience.

The resource person focused mainly on the following topics:

- Embracing Challenges:** A growth mindset encourages you to view challenges as opportunities for learning rather than as obstacles.
- Resilience to Failure:** You’re more likely to see failures as part of the learning process, leading to persistent effort and continuous improvement.

## EVENT REPORT

**Name of the Event:** Student Enrichment Programme

**Date of the Event:** 19<sup>th</sup> & 20<sup>th</sup> August, 2021

**Event Coordinator:** Ronit Chowdhury

**Resource Person:** Mr. Amrit Pritam Bhuyan, Founder at MR. BIOLOGIST

**Venue:** Block C – Auditorium 1, AdtU

**No. of Students:** 107

### Description:

The **Student Enrichment Programme** was conducted at AdtU event and aimed to enhance students' personal and academic growth through a series of workshops, lectures, and interactive sessions. The Programme featured various activities designed to engage students and foster skills relevant to their academic and personal development.

The resource Person focused on the below mentioned Points:

- Holistic Development:** Enrichment programs often focus on areas like leadership, critical thinking, creativity, and social skills, contributing to well-rounded personal growth.
- Increased Engagement:** By introducing students to subjects or activities they might not encounter in their regular studies, these programs can spark greater interest and enthusiasm for learning.
- Skill Enhancement:** Students gain practical skills and knowledge in areas such as teamwork, problem-solving, and communication, which are valuable both academically and in everyday life.
- Exploration of Interests:** Enrichment programs allow students to explore interests outside their core subjects, helping them discover new passions or talents.

### Event Description:

The event "Bridging Gaps: Effective Communication for Stronger Relationships" was conducted for the students of AdtU, focusing on enhancing their communication skills. The expert speaker guided the students through various aspects of effective communication, emphasizing the role it plays in building and maintaining strong relationships. The workshop featured interactive activities, role-playing exercises, and real-world scenarios to help students practice and improve their communication techniques. The event was well-received, with active participation from students who appreciated the practical insights and skills gained.

The Resource person Focused on the below mentioned topics:

- Enhanced Understanding:** Effective communication helps individuals understand each other better, reducing misunderstandings and conflicts. It fosters clearer expression of needs, ideas, and feelings.
- Stronger Relationships:** By improving communication skills, individuals can build more robust and healthier relationships, whether in personal, academic, or professional contexts.
- Increased Empathy:** Learning to communicate effectively involves active listening and empathy, which helps individuals appreciate and respect others' perspectives and experiences.
- Conflict Resolution:** Effective communication equips people with strategies to address and resolve conflicts constructively, leading to more amicable solutions and reduced tension.

**Event Description:** The workshop on "Celebrating diversity and practicing inclusion" for the Assam down town University students resulted in helping students broaden their perspectives and reduction of their bias. The resource person focused mainly on following topics:

- **Visual Organization:** Visual frameworks help in organizing complex information in a way that is easier to understand and remember.
- **Clear Relationships:** They illustrate how different ideas or components are interconnected, making it simpler to grasp their relationships and dependencies.

The workshop received positive feedback and the participant found it interesting
