The workshop was conducted by Ms. Monalisha Borthakur, a renowned expert in career development and interview coaching. The session was divided into several interactive segments, each targeting a crucial aspect of the interview process:

Understanding Employer Expectations:

The workshop started with an in-depth discussion on what employers look for in candidates. [Insert Trainer's Name] provided valuable insights into the mindsets of recruiters and the key attributes they seek during interviews.

Crafting Impactful Responses:

Students were guided on how to construct compelling answers to common interview questions. The trainer emphasized the importance of structuring responses using the STAR (Situation, Task, Action, Result) method, which helps in presenting experiences and skills effectively.

Body Language and Presentation:

Another significant portion of the workshop focused on non-verbal communication. The students learned about the role of body language, eye contact, and posture in creating a positive impression. Practical exercises were conducted to help students practice and improve their presentation skills.

This hands-on experience allowed them to identify areas for improvement and gain confidence in their abilities.

Handling Difficult Questions:

The trainer also addressed strategies for tackling challenging and unexpected questions. Tips on staying calm under pressure and thinking critically were shared, ensuring students felt prepared for any situation.

The workshop concluded with a Q&A session, where students could seek personalized advice and clarifications from the trainer. The interactive nature of the event encouraged active participation, making it a highly enriching experience for all attendees.
