7.1.3. TYPES OF DEGRADABLE AND NON-DEGRADABLE WASTE MANAGEMENT SYSTEMS AVAILABLE IN VISTAS

2. Solid Waste Management:-

Assam down town University (AdtU), Guwahati offers separate dustbin facilities for dry and wet waste in various prominent areas within the university premises (Fig. 1(a)). Recognizing the importance of waste segregation, AdtU has taken the initiative to ensure convenient and efficient waste management. These designated areas are strategically placed throughout the campus, making it convenient for students, faculty, staff, and visitors to dispose of their waste appropriately. The availability of separate dustbins for dry and wet waste promotes responsible waste disposal and encourages individuals to contribute to a cleaner and greener environment. By providing these facilities, AdtU aims to create awareness about the significance of waste segregation and inspire sustainable practices among its community members.
