Name of the Project/ Clinical Trial/ Endowment/ Chairs	Name of the Principal Investigator/Co Investigator	Name of the Funding agency	Type (Government/Non-Government etc.,)	Department of Principal Investigator/ Co Investigator	Year of Award	Funds provided (INR in Lakhs)	Duration of the project
TBI NIDHI Inclusive Technology Business Incubator	Prof. Sunandan Baruah	Department of Science &Technology (DST), Govt. of India	Government	Faculty of Engineering	2023-24	473.20	3 Years
Assessment of effect of multispecies consortium of effective bacteria strain of scented rice origin on improving yield and functional traits and impact on rhizosphere microbiome of scented rice in multi-location field trials at Assam and Manipur	Prof. N.C Talukdar (PI), Dr. Suman Kumar Samanta (Co-PI), Dr. Laishram Shanti Kumar Singh (Co-PI)	Department of Biotechnology (DBT), Govt. of India	Government	Faculty of Science	2023-24	50.120	3 years
Systematic pharmacological investigation bioactive phytoconstituents present in medicinal plants found in the northeastern region of India against obesity-associated non-alcoholic fatty liver disease	Dr. Manash Pratim Pathak (PI)	Indian Council of Medical Research (ICMR)	Government	Faculty of Pharmaceutical Science	2023-24	28.740	3 years
Performance evaluation of an effective PGPR strain as bioinoculant for use in production of organic tea	Dr. Laishram Shanti kumar Singh(PI), Prof Suresh Deka (Co-PI) and prof N.C Talukdar (Co-PI)	SERB, DST	Government	Faculty of Science	2023-24	34.940	3 years
Socio-Economic Development of ST Communities through Hydro-Electric and Solar Power Generation, Integrated Farming and Mushroom Production.	Prof. Sunandan Baruah (PI) Dr. Rajeev Sarmah (PI)	Department of Science & Technology(DST), Govt. of India	Government	Faculty of Engineering, Science, Pharmaceutical Science, Commerce & Management	2022-23	276.430	3 years
Strengthening ST community of Anini, Arunachal Pradesh by empowering knowledge and skills for socioeconomic development and sustainable Livelihood.	Dr. Rajeev Sarmah (PI)	Department of Science & Technology (DST), Govt. of India	Government	Faculty of Sciences	2022-23	125.630	3 years
Assessment of Level of Knowledge and Awareness of Family Planning Practices among the Mising Communities of Assam	Dr. Bijoy Das (PI) and Mr. Rajgun Handique	Govt. of Assam	Government	Faculty of Humanities & Social Sciences	2022-23	400.000	2 years

A. Details of the Journal-publications with university affiliation during the academic year 2023-24.

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
1	Advances In Car T-Cell Therapy For Treating Patients With Mantle Cell Lymphoma: A Critical Appraisal	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	International Journal Of Surgery
2	Examining The Differences Between How Doctors And Ai Chatbots Handle Patient Symptoms	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	International Journal Of Surgery
3	Ameliorative Role Of Bioactive Phytoconstituents Targeting Obesity Associated Nafld By Modulation Of Inflammation And Lipogenesis Pathways: A Comprehensive Review	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Phytochemistry Reviews
4	1-Norm Twin Random Vector Functional Link Networks Based On Universum Data For Leaf Disease Detection	Chittabarni Sarkar, Deepak Gupta, Barenya Bikash Hazarika	Faculty of Engineering	Applied Soft Computing
5	Recent Histone Deacetylase Inhibitors In Cancer Therapy	Divya Harihar, Dr Biswa Prasun Chatterji	Faculty of Science	Cancer
6	Modeling And Surface Morphological Study In Drilling Of Al 2024 Alloy	Dr. Sanjib Kr Rajbongshi, Mr. Biswajyoti Das,Pranta Rudra; Kiyeka S Chophy, Damanshuwa Syiemlieh	Faculty of Engineering	Journal Of Manufacturing Processes
7	Bioactive Compounds, Nutraceutical Values And Its Application In Food Product Development Of Oyster Mushroom	Vivekanandini Devi, Dr. Daisy Sharma, Ms. Jasmin Islam	Faculty of Science	Journal Of Future Foods
8	Phenolic Profile, Antioxidant, Antihyperlipidemic And Cardiac Risk Preventive Effect Of Chakhao Poreiton (A Pigmented Black Rice) In High-Fat High-Sugar Induced Rats	Raja Chakraborty, Saikat Sen, P Kalita	Faculty of Pharmaceutical Science	Rice Science
9	Socio-Economic Analysis Of Edible Insect Species Collectors And Vendors In Nagaland, North-East India	L. Mozhui, L. N. Kakati, B.Ao, V.Kezo, V. B. Me Yer-Rochow	Faculty of Science	Journal Of Insects As Food And Feed

Prof (Dr) Pranveer Singh
Pro Vice-Chancellor
Assam down town University

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
10	Mahanine Mediated Therapeutic Inhibition Of Estrogen Receptor-? And Cdk4/6 Expression, Decipher The Chemoprevention-Signaling Cascade In Preclinical Model Of Breast Cancer	Suman Kumar Samanta, Paramita Choudhury, Raghuram Kandimalla, Farrukh Aqil, Disha N. Moholkar, Ramesh C. Gupta, Momita Das, Bhaskarjyoti Gogoi, Neelutpal Gogoi, Partha Pratim Sarma, Rajlakshmi Devi, Prof. Narayan C. Talukdar	Faculty of Science	Journal Of Ethnopharmacology
11	Year-Round Growth Potential And Moisture Stress Tolerance Of Buckwheat (Fagopyrum Esculentum L.) Under Fragile Hill Ecosystems Of The Eastern Himalayas (India)	Krishnappa Rangappa , Anjan Kumar Sarma	Faculty of Science	Frontiers In Sustainable Food Systems
12	Profiling Of 3-Formyl Rifamycin (3-Fr) From Sintered Fixed Dose Combinations (Sdcs) Of Rifampicin And Isoniazid By Using Rp-Hplc, Lc-Esi-Qtof And Uplc/Ms/Ms	Tukaram Karanwad, Subham Banerjee, Sachin B Jorvekar, Santa Mandal, Roshan M Borkar	Faculty of Pharmaceutical Science	Microchemical Journal
13	Augmentation Of Plant Biomass Productivity Using Epigeic Earthworm Perionyx Excavatus And Eisenia Fetidas As Soil Nutrient Facilitators	Lirikum Jing, Lakhmi Nandan Kakati, Bendang Ao, Patricia Kiewhuo	Faculty of Science	Scientific Reports
14	Enhanced Morphological, Mechanical And Dielectric Properties Of Paraffin Wax Incorporated With Polyaniline (Pani) And Reduced Graphene Oxide (Rgo) Nanocomposites	Dr. Papari Das, Dr A. B. Deoghare and Dr S. R. Maity.	Faculty of Engineering	Diamond And Related Materials
15	Curcumin-Loaded Nanomedicines As Therapeutic Strategy In Malaria Management	Dr. Ruhul Amin, Javad, Melody	Faculty of Pharmaceutical Science	Efood
16	Profiling Of Polyphenolic Compounds, Antioxidant, Antidyslipidemic And Cardiac Risk Preventive Effect Of Keteki Joha And Kola Joha Rice Cultivars Grown In Assam, India: A Comparative Study	Saikat Sen, R Chakraborty ,P Kalita	Faculty of Pharmaceutical Science	Current Topics In Medicinal Chemistry
17	Orchids Of Dibru-Saikhowa National Park And Biosphere Reserve, India: A Systematic Review On Their Traditional Use, Pharmacological Activity And Phytochemistry In Relation To Drug Discovery	Pal Gogoi, Dr. Saikat Sen	Faculty of Pharmaceutical Science	Current Topics In Medicinal Chemistry

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
18	An Optimized Dip Coating Approach For Metallic, Dielectric, And Semiconducting Nanomaterial-Based Optical Thin Film Fabrication	Mr. Arnab Sarkar, Dr. Sunandan Baruah, Devabrata Sarmah, Pranayee Datta	Faculty of Engineering	Coatings
19	Robust Support Vector Quantile Regression With Truncated Pinball Loss (Rsvqr)	Barenya Bikash Hazarika, Deepak Gupta, Parashjyoti Borah	Faculty of Engineering	Computational And Applied Mathematics
20	Antidiabetic Potential Of Amomum Dealbatum Roxb. Flower And Isolation Of Three Bioactive Compounds With Molecular Docking And In Vivo Study	Nilamoni Chelleng Chandan Tamuly, Dr. Saikat Sen, Prof. N.C. Talukdar, Dr. Partha Pratim Dutta, Pankaj Chetia, Biplab Kr Dey	Faculty of Pharmaceutical Science	Natural Product Research
21	Design, Qsar Methodology, Synthesis And Assessment Of Some Structurally Different Xanthone Derivatives As Selective Cox-2 Inhibitors For Their Anti-Inflammatory Properties	Riya Saikia, Kalyani Pathak, Aparoop Das, Dubom Tayeng, Mohammad Zaki Ahmed, Jyotirmoy Das, Smita Bordoloi and Manash Pratim Pathak	Faculty of Pharmaceutical Science	Medicinal Chemistry
22	Investigating Genetic Polymorphism In E. Histolytica Isolates With Distinct Clinical Phenotypes	Sanjib K Sardar, Dr. Sandipan Ganguly, Dr. Koushik Das, Ajanta Ghosal, Tapas Haldar, Yumiko Saito-Nakano, Seiki Kobayashi, Shanta Dutta, Tomoyoshi Nozaki, Sandipan Ganguly	Faculty of Science	Parasitology Research
23	Novel Gene Therapy Advances For Treating Primary Immunodeficiency Disorder: An Update	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	Annals Of Medicine & Surgery
24	Hiv-Assist: Revolutionising Hiv Treatment Decisions With Evidence-Based Precision	Dr. Ruhul Amin TB Emransapnil	Faculty of Pharmaceutical Science	Annals Of Medicine & Surgery
25	Short Tandem Repeat (Str) Based Sequence Typing Of Entamoeba Histolytica Identifies Stga-D Locus As A Genetic Marker, Associated With Disease Outcomes	Dr. Koushik Das, Dr. Koushik Das, Shashi Upadhyay, Ajanta Ghosal, Yumiko Saito-Nakano, Shanta Dutta, Tomoyoshi Nozaki, Sandipan Ganguly	faculty of science	Parasitology International
26	Environmental Micro-Plastics And Nano-Plastics: Effects On Cardiovascular System	Sejuti Ray Chowdhurymanish Kumar Gautamarup Dey, Sandip Mondal	Faculty of Pharmaceutical Science	Toxicologie Analytique Et Clinique

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
27	Larvicidal Property And Active Compound Profiling Of Annona Squamosa Leaf Extracts Against Two Species Of Diptera, Aedes Aegypti And Anopheles Stephensi	Piyali Dey, Santa Mandal, Danswrang Goyary, Anurag Verma	Faculty of Pharmaceutical Science	Journal Of Vector Borne Diseases
28	Ethnobotanical Study Of Medicinal Plants Used Traditionally For Managing Cuts And Wounds By The Rural People Of Kailashpur, Assam, India	Pal Gogoi, Dr. Saikat Sen,	Faculty of Pharmaceutical Science	Indian Journal Of Pharmaceutical Education And Research
29	Urtica Dioica (Stinging Nettle): A Comprehensive & Concise Review On Its Nutritional Profile And Therapeutic Applications	Namra Aziz, Pranay Wal, Yadav Rupali Vinod, Dhrubajyoti Sarkar, Ankita Wal, Vaibhav Verma	Faculty of Pharmaceutical Science	Current Traditional Medicine
30	A Descriptive Analysis Of The Nutraceutical Constituents, Extraction Techniques, And Possible Health Benefits Of Tamarind	Pranay Wal, Ankita Wal, Biplab Debnath, Dhrubajyoti Sarkar, Neha Verma, Shruti Rathore	Faculty of Pharmaceutical Science	Current Traditional Medicine
31	Phytochemical And Pharmacological Profile Of Desmodium Gangeticum (L.) Dc.: A Comprehensive Review	Manajit Bora, Dr. Manish Kumar Gautam	Faculty of Pharmaceutical Science	Current Traditional Medicine
32	Nanoparticulate Formulation For The Treatment Of Different Types Of Colon Disease Like Ulcerative Colitis: A Comprehensive Review	Dr. Ananta Choudhury, Debbogopla Gangully, Dr. R Chandra	Faculty of Pharmaceutical Science	Journal Of Young Pharmacist
33	A Comprehensive Overview Of Edible Natural Excipients And Their Potential Use In Pharmaceutical Formulation Development	Dr.Ananta Choudhury, Jahnabi Sarmah, Mr. Himangshu Deka, Mr. Dhiraj Baishya	Faculty of Pharmaceutical Science	Journal Of Young Pharmacist
34	A Review On Indole As A Cardinal Scaffold For Anticancer Drugs Development	Meenakshi Rana, Dharmendra Kumar , Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Current Cancer Therapy Reviews
35	An Overview Of Complementary Therapies For Effective Diabetes Management	Himangshu Deka, Dr. Ananta Choudhury, Jahnabi Sarmah, Debgopal Ganguly, Rosamund Jyrwa, Dhiraj Baishya, Nurjamal Houque	Faculty of Pharmaceutical Science	International Journal Of Pharmaceutical Investigation

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
36	An Experimental Study On Phytochemical Screening And In Vitro Anti-Microbial Properties Of Extract Of Cinnamomum Tamala Leaves	Keshamma Ebalakrishna Vuyyalamanisha Bhatti, Vinay Kumar Gupta, Debanjana Mondal, Dhiraj Baishya, Priyam Jyoti Das, Yogita Akash Shinde, Dileep Singh Baghel	Faculty of Pharmaceutical Science	China Petroleum Processing And Petrochemical Technology
37	A Study On Green Human Resource Management And Its Practices To Environmental Performance	Pranami Chakravorty	Faculty of Commerce and Management	Boletin De Literatura Oral
38	Risk Factors Of Still Birth In India: A Systematic Review Artiele	Dr. Nirmali Gogoi	Faculty of Nursing	Pakistan Heart Journal
39	A Comparative Analysis On Perception Of Policyholders With Respect To Icici Prudential And Hdfc Life Insurance Company In Jorhat District Of Assam	Dr. Shibani Borah, Dr. Pramod Kumar	Faculty of Commerce and Management	Boletin De Literatura Oral
40	Evaluation Of Tourist Expectation Gaps: A Case Study Of Kaziranga National Park	Samannoy Baruah,	Faculty of Commerce and Management	Boletin De Literatura Oral
41	Effects Of Aqueous And Ethanolic Seed Extract Of Asparagus Racemosus Linn On Neurobehavioral Pattern Of Acrylamide Induced Experimental Zebra Fish	Anubhav Dubey, Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Research Journal Of Biotechnology
42	A Discussion To Promote Global Sustainability Techniques For Motivating Plastic Waste To Minimize Carbon Footprints	Ananya Kalita, Ankur Pan Saikia, Prof. Pranveer Singh, Prof. Sunandan Baruah, Prof. Utpal Barman	Faculty of Engineering	Environmental Quality Management
43	Phyto-Pharmacological Investigation Of Plumbago Zeylanica For Memory Enhancing Activity	Dr. Kumara Swamy Samanthula	Faculty of Pharmaceutical Science	International Journal Of Pharmaceutical Quality Assurance
44	Application Of Box-Behnken Design In Optimization Of Clobetasolloaded Nanostructured Lipid Carrier For Topical Use	Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	International Journal Of Drug Delivery Technology (IJDDT)
45	Dry Eye - Study Of Prevalence, Attributed Risk Factors And Frequency Of Symptoms In An Urban Population	Ms. Debasree Nandy	Faculty of Paramedical Sciences	Annals Of Multidisciplinary Research, Innovation And Technology (AMRIT)

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
46	Prevalence Of Myalgia And Its Association With Inflammatory Markers In Adult Female Workers	Mr. Hijam Chandramani Singh	Faculty of Paramedical Sciences	Annals Of Multidisciplinary Research, Innovation And Technology (AMRIT)
47	Development And Validation Of Stability Indicating Method For Lobeglitazone In Bulk And Pharmaceutical Formulation By Uv-Spectrophotometer	Dr. Uttam Prasad Panigrahy	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
48	Current Therapeutic Strategies For Chagas Disease	Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Anti-Infective Agents
49	Using Green Chemistry Concepts In Developing And Validating Analytical Methods For Meropenem In Parenteral Dosage Form: A Quality By Design Point Of View	Manish Kumar Gautam	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
50	Genus Amorphophallus: A Comprehensive Overview On Phytochemistry, Ethnomedicinal Uses, And Pharmacological Activities.	Fahadul Islam, Polrat Wilairatana, Dr. Jithendar Reddy Mandhadi	Faculty of Pharmaceutical Science	Plants
51	Menstrual Health Benefits Of Indigenous Plants And Their Phytoconstituents: A Review	Satyabrat Sarma, Ameena Ahmed	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
52	Exploring The Role Of Omega-6/Omega-3 Ratio In Disease Management: Insights From Dietary Impact And Molecular Docking Analyses	Paramita Choudhury, Suman Kumar Samanta, Bhaskarjyoti Gogoi, Neelutpal Gogoi, Prof. Narayan Chandra Talukdar, Rajlakshmi Devi	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
53	Enhancing Monsoon Rainfall Forecasting In Assam And Meghalaya: A Time Series Analysis	Utpal Barman, Dulumani Das , Mala Dutta, Krishna Moni Das, Shuvodeep Chowdhury	Faculty of Computer Technology	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
54	New Analytical Method Development And Validation For Simultaneous Estimation Of Domperidone And Cinnarizine In Bulk By Rp-Hplc	Piyali Dey, Santa Mandal, Kalpana, Pratima Katiyar, Niraj Gupta, Kiran Kumar Kurella, Rajeev Ranjan, Dipansu Sahu, Mukesh Kumar Meena	Faculty of Pharmaceutical Science	Journal Of Cardiovascular Disease Research

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
55	Characterization Of Probiotic Lactic Acid Bacteria From Honey And Assessment Of Their Effects On Consumption By Type-2-Diabetes Using Wistar Rat	Akhila A, Keshamma E, Vinay Kumar Gupta, Darshan Vinod Shah, Rohan Kumar Karan , Anju Anant, Tanmay Ghosh, Satyabrat Sarma	Faculty of Pharmaceutical Science	Journal Of Advance Zoology
56	The Production Of Xanthan From Brewer	Rajiv Chetia, Bhriganka Bharadwaj, Biswa Prasun Chatterji	Faculty of Science	Microbiology And Biotechnology Letters
57	Rise Of Gold Nanoparticles As Carriers Of Therapeutic Agents	Chandra Shekar Thalluri, Satyanarayan Pattnaik, Kalpana Swain	Faculty of Pharmaceutical Science	Acta Chemica Solvenica
58	Exploring Psoriasis In The Modern Context: Pathogenic Insights, Clinical Profiles, And Herbal Dietary Solutions	Kumara Swamy Samanthula, Pramod Kumar, Manjunath A., Uppalwar S V., Choudhary R K., Vippamakula S.	Faculty of Pharmaceutical Science & Faculty of Commerce and Management	International Journal Of Zoological Investigations
59	Phytochemical Screening And In Vitro Antidiabetic Potency Of Roots Of Debregeasia Longifolia	Moidul Islam Judder, Faruk Alam,	Faculty of Pharmaceutical Science	International Journal Of Biology, Pharmacy And Allied Sciences
60	Effect Of Teachers Gender And Qualification On Generating Mathematics Interest Among Upper Primary Students	Debojit Bhattacharya, Gunendra Ch. Das	Faculty of Science	Indian Journal Of Natural Sciences
61	Role Of Aqueous And Ethanolic Seed Extract Of Asparagus Racemosus On Acr- Induced Neurotoxicity In Adult Zebrafish: Emergence Of Neuroprotective Results	Anubhav Dubey, Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Egyptian Journal Of Aquatic Biology & Fisheries
62	Effective Strategies For Medications To Treat Substance Use Disorders	Uttam Prasad Panigrahy, N.Lakshmi Prasanna, Manesh R. Palav, Anand Konkala, Jai Shanker Pillai Hp, G.N.R. Prasad	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology
63	Optimization And Hepatoprotective Activity Of Herbal Formulation Of Methanolic Extracts Of Ruta Graveolens And Angelica Sinensis	Prajakta Anil Chawale, Kazi Julekha, Ravindra Chandrakant Sutar, Uttam Prasad Panigrahy, Kiran Dongar Patil, Lokesh Kaushik, Ankur Patel, Mahesh Sharma	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
64	Pharmacognostical, Physicochemical And Phytochemical Screening Of Leaves Of Shorea Robusta Gaertn.F	Rajashekar Perusomula, Keshamma E, Vinay Kumar Gupta, Suruchi Prakash, Uttam Prasad Panigrahy, Veer Pratap Singh, Nagendra Singh, Mantasha Khan, Tapas Kumar Panigrahi	Faculty of Pharmaceutical Science	Journal Of Cardiovascular Disease Research
65	Predicting The Vulnerability Predicting The Vulnerability And Resilience To Cardiovascular And Neuroendocrine Effects Of Stress In Adult Rats Through A Novel Machine Learning Approach	Uttam Prasad Panigrahy, R.Indira, Anand Konkala, Sanhita Purkayastha, Jai Shanker Pillai Hp, Ruchu Kuthiala	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology
66	Exploring Preformulation Characteristics And Uv Method Development Of Clobetasol Propionate For Enhanced Formulation Design	Devkant Sharma, Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
67	Corporate Governance In Indian Life Insurance Companies: A Comparative Study Of Private Life Insurance Companies	Shibani Borah, Jyoti Prasad Kalita	Faculty of Commerce and Management	Community Practitioner
68	Anti-Inflammatory Activity Of Ethanol Leaf Extracts Of Nyctanthes Arbor-Tristis	Mrinmoy Nag And Mohidul Islam, Faruk Alam	Faculty of Pharmaceutical Science	Ymer
69	Implications For Prevention And Management Of Lead Poisoning Based On Lead Protoporphyrin Risk Assessment	Amrapali Kunwar, Manash Pratim Sarma , Govind Mawari	Faculty of Science	Biospectra
70	Obesity-Associated Airway Hyperresponsiveness: Mechanisms Underlying Inflammatory Markers And Possible Pharmacological Interventions	Manash Pratim Pathak, Pompy Patowary, Pronobesh Chattopadhyay, Aparoop Das, Pervej Alom Barbhuiya, Johirul Islam, Jyotchna Gogoi And Wankupar Wankhar	Faculty of Pharmaceutical Science	Endocrine, Metabolic & Immune Disorders - Drug Targets
71	Effectiveness Of Bacillus As Biofertilizers And Biopesticides For Sustainable Agriculture: An Overview On Recent Trends	Doly Barman, Laishram Shantikumar Singh, Thounaojam Salvia, Ankita Sarma, Jyotishmita Sarma	Faculty of Science	International Journal Of Biology, Pharmacy Andf Allied Sciences
72	Assessment Of Production Of Biofilm In Urinary Tract Infections In Catheterized Tropical Patients: A Comparative Analysis Of Detection Techniques	Kumara Prasad, Sharma Deepak, Ravindra Chandrakant Sutar, Uttam Prasad Panigrahy, Nageswar Panda, Sheik Nasar I, Mohd Tanveer Khan, Pravin Naik	Faculty of Pharmaceutical Science	Tuijin Jishu/Journal Of Propulsion Technology

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
73	Revolutionizing Medical Manufacturing: Unveiling The Diverse Applications Of 3d Printing In Pharmaceuticals	Aniya Teli, Manish Kumar Gautam,Sandip Mondal, Nurjamal Hoque	Faculty of Pharmaceutical Science	International Journal Of Zoological Investigations
74	Development And Validation Of Stability Indicating Method For Terazosin In Bulk And Pharmaceutical Formulation By Uv-Spectrophotometer	Uttam Prasad Panigrahy, Bhanja Satyabrata, Panda Pritish Kumar	Faculty of Pharmaceutical Science	International Journal Of Zoological Investigations
75	Development And Validation Of Stability Indicating Method For Determination Of Prucalopride In Tablet Dosage Form By Rp-Hplc	Rinchi Bora, Prudhvi Penumala, Srinivas Ganta, Suryaprabha Matangi, Kommana Balaram Kumar, Srikanth M.S, Harsha Sri Kamma,	Faculty of Pharmaceutical Science	Community Practitioner
76	Nutritional And Shelf-Life Estimation Of Nutritive Muffins Incorporating Dillenia Indica And Terminalia Chebula Flour	Jasmin Islam, Manash Pratim Sarma, Ph Vivekanandini Devi, Madhumita Gogoi, Rupam Medhi	Faculty of Science	Biosciences Biotechnology Research Asia
77	Role Of Morphometry In Diagnosing Premalignant And Malignant Lesions In Liquid Based Cytology Cervical Smear (Pap Smear)	Jubilee R,Rajashekar Perusomula,Rahul Laxman Vikhe, Afsana Mahzabin, Hrishikesh Sarma, Nasrina Abdin, Priyam Jyoti Das, Neeraj Bainsal	Faculty of Pharmaceutical Science	China Petroleum Processing And Petrochemical Technology
78	Exploring The Cutting Edge Technological Innovations Transforming In The Hospitality Industry And Understanding Guest Perception Of A Smart Hotel	Mr. Santanu Sarma, Dr. Jyoti Prasad Kalita	Faculty of Commerce and Management	Journal Of Namibian Studies
79	In Silico Studies Of Some Newly Designed Benzimidazolethiazolidinone Based Antagonists Of Human Estrogen Receptor	Jyoti, Dr. Niladry Sekhar Ghosh,	Faculty of Pharmaceutical Science	Indian Drugs
80	Investigating The Comprehensive Influence Of Salinity On Geotechnical Characteristics Of Runway Subgrade Soil	Jayanta Kumar Das, Gayatri Das	Faculty of Engineering	Journal Of Aeronautical Materials
81	Eco-Tourism Prospects And Possibilities In Dehing-Patkai National Park Of Assam	Prabahan Pujari, Dr. Santosh Kumar Upadhyay	Faculty of Commerce and Management	Rivista Italiana Di Filosofia Analitica Junior
82	A Review On Ethnopharmacological Activities Of Musa Paradisiaca Linn	Rajeswar Das, Durgaprasad Kemisetti, Bolay Bhattacharya	Faculty of Pharmaceutical Science	European Chemical Bulletin

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
83	Nanostructured Lipid Carrier Development And Optimization For Schizophrenia: A Psychological Study	Joti Devi, Manish Kumar Gautam, G. Jaya Syamala, Anwar Khan, Suresh Kumar, Deepak Sharma, Chirag Goda, Sumana K	Faculty of Pharmaceutical Science	Journal For Reattach Therapy And Developmental Diversities
84	Physical Fitness For Disabled Children: A Literature Review	Dikshita Darphang, Shalaka Baidya	Faculty of Physiotherapy and Rehabilitation	European Chemical Bulletin
85	Effectiveness Of Rehabilitation On Head And Neck Cancer Patient: A Literature Review	Shalaka Baidya, Dr.Abhijit Dutta	Faculty of Paramedical Sciences & Faculty of Physiotherapy and Rehabilitation	European Chemical Bulletin
86	High Mortality Fungal Co-Infection Of Covid 19-Mucormycosis:A Case Review	Rohit Rathore, Ashok Kumar Sah, Darla Srinivasarao, Ankur Vashisht, Kajal Arora, Sunit Nath, Pankaj Issar, Jesbin Johnson, Mohammad Mahammod	Faculty of Paramedical Sciences	European Chemical Bulletin
87	A Study On The Technique Of Mrcp For Patients Of Obstructive Jaundice	Chinmoy Das, Mrinal Kanti Singha, Arnabjyoti Deva Sarma	Institute of Paramedical Sciences	Indian Journalof Natural Sciences
88	Comparative Analysis Of The Nutritive Contents Of Sun-Dried And Smoked Fermented Tilapia Fish (Oreochromis Niloticus)	Deboja Sharma, Satyakam Agarwala, Chitralekha Kataki	Institute of Paramedical Sciences	Uttar Pradesh Journal Of Zoology
89	A Comparative Study On Academic Stress In Private And Government School Children In Bangalore South	Manimugdha Medhi,	Faculty of Humanities and Social Sciences	Indian Journal Of Natural Sciences
90	In-Vivo And In- Vitro Antidiabetic Potential Of Musa Balbisiana Colla And Its Different Parts	Dr. Daisy Sharma, Dr. Manash Pratim Sarma , Dr. Radali Duarah	Faculty of Science	Research Journal Of Pharmacy And Technology
91	Toxicological Study On Seed Extracts Of Asparagus Racemosus Linn (Ethanolic And Water) In Experimental Animals	Anubhav Dubey, Dr Niladry Sekhar Ghosh, Ranjit Singh	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology
92	An Ensemble Movie Recommender System Based On Stacking	Nisha Sharma, Dr. Mala Dutta	Faculty of Computer Technology	Journal Of Theoretical And Applied Information Technology.

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
93	Traditional Indian Medicinal Plants For The Treatment Of Psoriasis: A Review Of Active Constituents And Their Pharmacological Effects	Dr. Dhrubajyoti Sarkar, Dr. Faruk Alam	Faculty of Pharmaceutical Science	Journal Of Natural Remedies
94	An In-Depth And In-Vitro Evaluation Of The Antioxidant And Neuroprotective Activity Of Aqueous And Ethanolic Extract Of Asparagus Racemosus Linn Seed	Anubhav Dubey, Dr. Niladry Sekhar Ghosh, Ranjit Singh	Faculty of Pharmaceutical Science	Research Journal Of Chemistry And Environment.
95	A Comprehensive Review On Medicinal Plants For The Remedy Of Hair Loss	Aswini Kumar Sethi, Faruk Alam, Sruti Ranjan Mishra	Faculty of Pharmaceutical Science	Research Journal Of Pharmacy And Technology
96	Trend Analysis Of Rainfall And Temperature Of Ranganadi, Assam Catchment With A Study Of The Riverline Shifts Using Satellite Imagery	Ananya Kalita, Ankur Pan Saikia, Dr. Arnob Bormudoi, Prof. Pranveer Singh	Faculty of Engineering	World Water Policy
97	Leucas Aspera (Willd.) Linn. A Potential Plant From North East India: An Overview	Madhumita Sarkar, Dr. Gunamoni Das	Faculty of Science	Indian Journal Of Natural Sciences
98	Assessment Of Changes In Brahmaputra River Course At The Pagladia Confluence Point Using Remote Sensing And Gis Techniques	Mriganka Mazumdar, Dr. Saikat Deb	Faculty of Engineering	Disaster Advances
99	Therapeutic Potential Of Gut Microbiota In Child Health	Ratnadeep Bhattacharjee, Kalyani Pathak, Jyotirmoy Das, Smita Bordoloi, Manash Pratim Pathak, Pervej Alom Barbhuiya, Riya Saikia	Faculty of Pharmaceutical Science	Anti-Infective Agents
100	Development And Evaluation Of Natural Anti-Dandruff Shampoo	Faruk Alam, Dhrubajyoti Sarkar, Soma Das, Pallab Kalita, Bhaskar Jyoti Pathak, Moidul Islam Judder, Debaprotim Dasgupta	Faculty of Pharmaceutical Science	Journal Of Natural Remedies
101	Phytochemical Analysis And Identification Of Bio-Active Compounds In Ethanolic Leaf Extract Of Amaranthus Spinosus	Sangita Boro, Bhriganka Bharadwaj, Balagopalan Unni, Avdhesh Kumar Rai, Minakshi Bhattacharjee	Faculty of Science	Research Journal Of Pharmacy And Technology
102	In Silico Screening Of Phytochemicals Against Ypd1 Protein Of A Destructive Storage Fungi, Aspergillus	Anjan Kumar Sarma, Suraj Chetri	Faculty of Science	Journal Of Biological Control

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
103	A Futuristic Approach To Security In Cloud Data Centers Using A Hybrid Algorithm	Mostaque Md. Morshedur Hassan	Faculty of Engineering	Engineering Proceedings
104	An Overview Of Fluid-Structure Interaction: Modelling, Finite Element Method And Applications	Dr. Ananya Kalita, Dr. T V V L N Rao	Faculty of Engineering	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
105	An Analysis Of Language Endangerment: Miju And Digaru	Dr. Dimple Choudhury	Faculty of Humanities and Social Sciences	Anvesan
106	A Review On Measuring Intra-Ocular Pressure Using Different Types Of Tonometers	Smita Das, Dr Shrabani Kalita,		Journal Of Survey In Fisheries Sciences
107	Circular Economy Strategies For Resource Efficiency And Sustainable Development In Manufacturing Industries	Dr. Manish Rai, Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	International Journal On Recent And Innovation Trends In Computing And Communication
108	Microbes, Bioconversion Technologies And Sustainable Environment: Targeting For Food Processing Waste Utilization Non-Fuel Applications Of Bio-Oil For Sustainability In Management Of Bioresources	Mondita Athparia, Rupam Kataki, Dr. Neonjyoti Bordoloi	Faculty of Science	Environmental Science And Pollution Research
109	To Study The Sustainable Development Practices In Business And Food Industry	Abhilash Satpathy, Samiksha Sharma, Ansuman Samal , Shalini Gupta , Sunil Kumar , Geetha Manoharan	Faculty of Commerce and Management	Migration Letters
110	Isolation And Molecular Identification Of Endophytic Fungi From Michelia Champaca Linn. And Screening For Its Extracellular Enzyme Production	Dr. Nayan Talukdar, Dr. Indrani Barman, Dr. Jyotchna Gogoi, Dr. Devabrata Saikia, Ms. Rima Paul	Faculty of Science	South Asian Journal Of Experimental Biology
111	An Error Analysis Of Statistical Packages Through Simulation	Dr. Manash Pratim Kashyup	Faculty of Science	Indian Journal Of Natural Sciences
112	Synergizing Ecology And Economy: Developing A Novel Ecology-Economy Index For Sustainability Analysis Of The Bharalu River, India	Unmilan Kalita, Mr. Suraj Chetri	Faculty of Science	Environment And Ecology Research

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
113	Navigating The Future Of Healthcare With Artificial Intelligence: Reviewing Case Studies And Predicting Its Impact	Swarup Kumar Pandaswarup Kumar Panda, Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Journal Of Chemical Health Risks
114	Analysis Of Nutritional Components, Antioxidant Activity And Antimicrobial Activity Of Citrus Aurantiifolia (Christm.) Swingle Of Assam, India	Ms. Chitralekha Kataki, Dr. Minakshi Bhattacharjee	Faculty of Science	Journal Of Advanced Zoology
115	Current Trends And Future Perspectives Of Natural Polymer Loaded Nanoparticle Based Drug Delivery System For The Management Of Inflammatory Bowel Disease	Ankita Basak, Debgopal Ganguly, Soumyadip Ghosh, Soukat Garain, Riya Ghosh, Ananta Choudhury, Himangshu Deka, Jahnabi Sarmah	Faculty of Pharmaceutical Science	Journal Of Applied Pharmaceutical Research
116	A Study On Recent Trends Of Developments In Business And Financial Marketing	Pramod Kumar, Nawab Akram, Bhagawan Chandra Sinha Krishna Gadasandula Shalini Gupta J. Anthony Gruze Thangaraj B. Madhusudhan Reddy	Faculty of Commerce and Management	Migration Letters
117	A Review On Antidiabetic Potential Of Some Of The Selected Legumes Consumed In India	Digbijoy Nathabdul Hadi Umammanjit Mishra, Lakhyajit Borah, Himangshu Deka,Josef Yakin	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
118	A Novel Analytical Approach For Simultaneous Estimation Of Esomeprazole And Ondansetron By Hplc-Dad Method With Degradation Studies	Uttam Prasad Panigrahy, Siva Prasad Panda, Biplab Kumar Dey	Faculty of Pharmaceutical Science	Research Journal Of Pharmacy And Technology
119	Predicting The Vulnerability And Resilience To Cardiovascular And Neuroendocrine Effects Of Stress In Adult Rats Through A Novel Machine Learning Approach	Uttam Prasad Panigrahy, R.Indira, Anand Konkala, Sanhita Purkayastha, Jai Shanker Pillai Hp, Ruchu Kuthiala	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology

262	A Novel Scientific Approach: Zebrafish As An Informative In-Vivo Testing Platform In Physiological Investigation	Mamta Kumari and Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	African Journal Of Biological Sciences
263	Millets: A Perfect Functional Food And Its Significance In Diabetic Management	Mr. Himangshu Deka, Mr. Jyotirmoy Bhattacharyya, Dr. Ananta Choudhury, Mr. Moksood Ahmed Laskar, Mr. Josef Yakin, Mr. Koushik Narayan Sarma	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
264	A Review On Biodegradable Cellulose Based Bio Films As A Viable Packaging Material In Pharmaceutical And Food Industry	Sadique Hussain Tapadar, Dr. Durga Prasad Kemisetti	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
265	A Review On Paragonimiasis And Its Differential Diagnosis Technique	Ms. Vekutolu Resuh, Ms. Viswedenu Kera, Ms. Avolu Kotso, Ms. Lipoksenla	Faculty of Paramedical Sciences	Biosciences Biotechnology Research Asia
266	A Review On Regular Clocking Scheme In Quantum Dot Cellular Automata	Dr. Mrinal Goswami, Dr. Arpita Nath Boruah	Faculty of Engineering	E-Prime - Advances In Electrical Engineering, Electronics And Energy
267	A Review Study On The Medicinal Properties Of Curcuma Caesia, A Potential Plant From North East India	Mridusmita Rabha, Dr. Gunamoni Das	Faculty of Science	International Journal Of Biology, Pharmacy And Allied Sciences (Ijbpas)

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
268	Â€Œthe Impact And Future Of Contactless Technology And Digital Payments In The Hospitality Industryâ€	Dr. Bhola Chourasia	Faculty of Commerce and Management	Cahiers Magellanes-Ns
269	Advances Of Cassava Starch-Based Composites In Novel And Conventional Drug Delivery Systems: A State-Of-The-Art Review	Dr. Trinayan Deka	Faculty of Pharmaceutical Science	Rsc Pharmaceutics
270	Amr-Xai-Dwt: Age-Related Macular Regenerated Classification Using X-Ai With Dual Tree Cwt	Naresh Kumar, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Fusion: Practice And Applications
271	An Extensive Analysis Of The Arbitrage Efficiency And Risk Return Dynamics Of Investment Strategies In The Indian Equity Derivative Market	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice
272	Analysis On Various Ways Of Attaining Sustainable Development Through Green Marketing	Dr. Bhabajyoti Saikia,	Faculty of Commerce and Management	Alochana Journal
273	Assessing Educational Excellence: A Holistic Examination Of Outcome-Based Education, Accreditation Practices, And Institutional Rankings	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice
274	Assessment Of Cinnamaldehydeâ€™S Potency On Heat Stress?Induced Testicular Impairments In Wistar Rats	Pazhanisankar Muthusamy, Ravindran Rajan, Dr. Dapkupar Wankhar	Faculty of Paramedical Sciences	Journal Of Human Reproductive Sciences
275	Bioanalaytical Method Development And Validation For Linagliptin In Api And Combination Formulations: A Comprehensive Review	Amrit Kumar Rath, Dr. Durga Prasad Kemisetti	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
276	Botanical Warriors: Harnessing Nature's Antiviral Arsenal Â€“ A Comprehensive Study Of Medicinal Plants Combatting Pathogenic Viral Infections	Mayank Gangwar, Gopal Nath, Dr. Manish Kumar Gautam	Faculty of Pharmaceutical Science	Pharmacological Research - Natural Products
277	Colonial Detention Discourse: Gandhi As A Satyagrahi Prisoner And His Impact Upon The Society.	Dr. Tina Mazumdar, Dr. Sagarika Mahanta Das	Faculty of Humanities and Social Sciences	Cahiers Magelennes-Ns
278	Comprehensive Review Of Conjunctivitis: Causes,Symptoms And Evidence-Based Treatments	Rakibul Hasan Khan	Faculty of Paramedical Sciences	Journal Of Nursing

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
279	Correlation Between Body Mass Index And Renal Function Test Among The Students Of Assam Downtown University	Akoijam Herojit Singh, Mr. Sunit Nath, Mr. Hijam Chandramani Singh	Faculty of Paramedical Sciences	Indian Journal Of Natural Sciences
280	Curcuma Longa: A Review Of Antioxidant,Anxiolytic And Antidepressant Activity	Mr. Sunit Nath, Dr. Abhijit Dutta, Ms. Viswedenu Kera, Ms. Lipoksenla	Faculty of Paramedical Sciences	Indian Journal Of Natural Sciences
281	Current Advances In Understanding Of Drug Resistance In Biomedical Research	Priyam Jyoti Das, Dr. Santa Mandal, Dr. Saikat Sen, Dr. Piyali Dey	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
282	Decision Making In Healthcare Through Machine Learning Enhacement With Fusion Feature	Mampi Devi, Dr. Manoj Kumar Sarma	Faculty of Engineering	Revista Electronica Deveterinaria (Redvet)
283	Developing Collaborative Teams Of Early Childhood Educators And Health Care Professionals	Ms. Dimpy Pathak Das	Faculty of Commerce and Management	Educational Administration: Theory And Practice
284	Diversity Among Rough Lemon Of Assam In Accordance With Tree And Leaf Characters	Purnima Pathak, Dr. Daisy Sharma	Faculty of Science	Ama, Agricultural Mechanization In Asia, Africa And Latin America
285	Emerging Natural And Synthetic Compounds In The Management Of Diabetic Neuropathy: Targeting Oxidative Stress And Inflammation	Dr. Suman Kumar Samanta, Prof. N.C. Talukdar, Dr. Aparajita Ghosh	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
286	Ethical Scrutiny Of Marketing And Promotional Practices In The Indian Pharmaceutical Industry: A Comprehensive Analysis Of Norms And Perspectives	Dr. Pramod Kumar, Dr. Mukesh Kumar	Faculty of Commerce and Management	African Journal Of Biological Sciences
287	Explore The Use Of Blockchain Technology To Create Secure And Transparent Frameworks For Sharing Sensitive Data Across Various Industries, Such As Healthcare And Finance	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
288	Exploring Plant-Microbe Interactions In Rhizosphere: Novel Strategies For Drug Discovery From Medicinal Plants	Devinder Kumar Maheshwari, Srikanth Jeyabalan, Mr. Josef Yakin	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
289	Floating Multi Unit Mini Tablets (Mmut): The Novel Approach On Gastro Retentive Drug Delivery System	Shahil Arman, Dr. Kumara Swamy Samanthula, Dr. Saikat Sen	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
290	Formulation Development And Evaluation Of Nanoemulsion Based Gels For Nicardipine	Kranthi Kumar Kotha, Dr. T. Chandra Shekar	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
291	Gangrene And Perforation To The Gallbladder May Complicate With Respect To Typhoid Fever	Mr. Chinmoy Das, Dr. Arnabjyoti Deva Sarma, Dr. Pratap Chandra Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
292	Hand-Made Clay Mud: A Traditional Supplement Of Mud For Pregnant Ladies In Assam, India	Trishna Mani Nath,Pallab Kalita,Dr. Faruk Alam, Dr. Dhrubajyoti Sarkar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
293	Harnessing Artificial Intelligence For Natural Product Research: A New Paradigm In Pharmaceutical Sciences	, Hrithik Rikhav Mohan , Gargi Bora, Shiny Ahmed , Dhiraj Baishya , Moksood Ahmed Laskar, Santa Mandal	Faculty of Pharmaceutical Science	Strad Research
294	Herbal Remedies For Mental Health Disorders: A Focus On Adaptogenic Plants And Their Mechanisms Of Action	Juganta Kumar Kalita, Mr. Priyam Jyoti Das, Dr. Saikat Sen, Dr. Santa Mandal	Faculty of Pharmaceutical Science	Strad Research
295	Hybrid Optimization For Integration Of Renewable Energy Systems Into Smart Grids	Vikas Verma, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Measurement: Sensors
296	Influence Of English Language On Metadata Standardization In Global Library Networks	M. Muthumanikandan, Dr. Pramod Kumar	Faculty of Commerce and Management	Library Progress International
297	Innovative Approaches To Rice (Oryza Sativa) Crop Health: A Comprehensive Analysis Of Deep Transfer Learning For Early Disease Detection"	Dr. Utpal Barman, Dr. Mala Dutta, Dr. Dulumani Das, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Yuzuncu Yil University Journal Of Agricultural Sciences -
298	In-Vitro Antioxidants Assessment And Herbal Capsule Formulation Of Aerial Parts Of Enhydra Flactuans	Dr. Mrinmoy Basak, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
299	Lassa Hemorrhagic Fever: A Comprehensive Review On Re-Emerging Infectious Diseases	S. Malik, Dr. Indrani Barman	Faculty of Science	Infectious Diseases: News, Opinions, Training
300	Molecular Pharmacognosy In The 21st Century: A Multidisciplinary Approach For Natural Drug Discovery	Mr. Dhiraj Baishya, Mr. Priyam Jyoti Das, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	International Journal Of Research Publication And Reviews
301	Myrtenol: A Promising Terpene With Potent Pharmacological Properties	Pervej Alom Barbhuiya, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Pharmacological Research - Natural Products
302	Nanomedicine: A New Frontier In Alzheimerâ€™S Disease Drug Targeting	Kalyani Pathak, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Central Nervous System Agents In Medicinal Chemistry
303	Plastic Degrading Enzymes And Microbes	Dr. Biswa Prasun Chatterji	Faculty of Science	Indian Journal Of Natural Sciences
304	Practicing Labor Relation In Assam Tea Industry With Special References To Some Of The Selected Tea Estates Of Jorhat District In Assam.	Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Alochana Journal
305	Predicting Healthcare Utilization Among Breast Cancer Patients With Several Regression Modeling Approach	Dr. Mrinal Deka	Faculty of Science	African Journal Of Biological Sciences (South Africa)
306	Preliminary In-Vitro Assessment Of Antimicrobial And Haemostatic Activity Of Spider Web Silk Extract	Dr. Faruk Alam, Mr. Josef Yakin, Mr. Dhiraj Baishya	Faculty of Pharmaceutical Science	International Journal Of Zoological Investigations (Ijzi)
307	Preliminary Phytochemical And Antimicrobial Evaluation Of Polyherbal Ointment Formulation	Kunal Dutta, Dr. Dhrubajyoti Sarkar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
308	Preparation Of Herbal Hair Oil Exploring The Therapeutic Benefits Of Herbs And Its Evaluation	Mr. Dhiraj Baishya, Dr. Ananta Choudhury, Mr. Himangshu Deka, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journal Of Applied Pharmaceutical Research

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
309	Privacy-Preserving Association Rule Mining: A Comprehensive Survey Of Techniques For Sensitive Rule Identification And Enhanced Data Protection	Ms. Eirene Barua, Dr. Mala Dutta	Faculty of Engineering	International Journal Of Computers And Applications
310	Production Of Xanthan Gum From Inedible Parts Of Broccoli And Cauliflower	Dr. Biswa Prasun Chatterji	Faculty of Science	Environmental Research, Engineering And Management
311	Recent Advancement In Nanocarrier Systems For Cancer Targeting	Mr. Nurjamal Hoque, Charlisar Teron, Dr. Ananta Choudhury	Faculty of Pharmaceutical Science	Asian Journal Of Pharmaceutical Research And Development
312	Recent Advances On Harnessing Multi-Omic Approaches For Assessing Meat Quality And Safety	R Thomas, Dr. Songeeta Singha	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
313	Reuse Of Brick Waste In Construction Industry	Saikat Deb	Faculty of Engineering	Journal Of Mines, Metals And Fuels
314	Rhamnolipid Biosurfactant As Robust Inhibition Agent For Colletotrichum Gloeosporidides-Pathogen Of Capsicum Chinense And General Welfare Of The Host Plant	Nilam Sarma, Hemen Deka, Dr. Suresh Deka	Faculty of Science	Journal Of Mycopathological Research
315	Role Of Iot And Blockchain Technology In The Growth Of Digital Hrm Transformations As A Function Of Management	Dr. Pramod Kumar	Faculty of Commerce and Management	Journal Of Informatics And Research
316	Silica-Based Nanocarriers For Controlled Drug Delivery: A Critical Review Of Design Strategies And Biomedical Applications	Ankur Patel, Dr. Piyali Dey	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
317	Stacking Approach For Classification Of Multiclass Dry Beans	Dr. Arpita Nath Boruah, Dr. Mrinal Goswami	Faculty of Engineering	Indian Journal Of Agricultural Research
318	The Evolution Of Gender Roles: A Study Of Shashi Deshpande's Novels On Indian Family Life	Mr. Nakibur Rahman, Dr. Sagarika Mahanta Das	Faculty of Humanities and Social Sciences	Educational Administration: Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
319	The Influence Of Emerging Social Media Trends On The Evolution Of The Travel And Hospitality Industry"	Dr. Bhola Chourasia	Faculty of Commerce and Management	Educational Administration: Theory And Practice
320	The Potential Therapeutic Applications And Mechanisms Of Action Of Cryptomphalus Aspersa (Snail) Extracts In Dermatology And Wound Healing	Mr. Priyam Jyoti Das, Juganta Kumar Kalita, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	World Journal Of Biology Pharmacy And Health Sciences
321	The Role Of Gpt And Data Fusion In Improving Disaster Prediction		Faculty of Engineering and Technology	Disaster Advances
322	The Role Of Social Media And Its Impact On Shaping Tourist Destination: A Comparative Study	Dr. Bhola Chourasia	Faculty of Commerce and Management	International Journal Of Transformation In Operational & Marketing Management
323	Thyroid And Liver Profile Among Obese Students Of Assam Downtown University	Mr. Hijam Chandramani Singh, Mr. Sunit Nath, Ms. Avolu Kotso, Ms. Lipoksenla, Mr. Kangujam Dinesh Singh	Faculty of Paramedical Sciences	International Journal Of Biology, Pharmacy And Allied Sciences (Ijbpas)
324	Toll Like Receptors: A Promising Target For Covid 19 Mediated Acute Respiratory Distress Syndrome	Pompy Patowary, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
325	Traditional Rice-Fish Farming Of Mao Indigenous Community, Manipur, India	Santoshkumar Abujam, Dr. Laishram Shantikumar Singh	Faculty of Science	International Journal Of Ecology And Environmental Sciences
326	Typhonium Trilobatum, An Miracle Plant From Tripura, North East India	Dr. Gunamoni Das	Faculty of Science	African Journal Of Biological Science (South Africa)
327	Unveiling The Latest Biological Insights Of Indole And Its Derivatives: A Compact Review	Hiyashree Sharmah, Izaz Hussain, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journalofchemicalhealthrisks

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
328	Vaccines For Yellow Fever Disease: A Narrative Review		Faculty of Science	Microbes And Infectious Diseases
329	Weed Flora Composition In Upland Direct Seeded Rice In Brahmaputra River Ecotones And Edges In Majuli District, Assam	Rashmi Rekha Borah, Dr. Animesh Gogoi	Faculty of Science	Indian Journal Of Agricultural Research
330	Zooplankton As Bio-Indicator Of Aquatic Ecosystem: A Review	Sourav Debnath, Dr. Nibedita Talukdar	Faculty of Science	African Journal Of Biological Science (South Africa)
331	A Hybrid Grasshopper Optimization Algorithm For Skin Lesion Segmentation And Melanoma Classification Using E-Health Deep Learning	Dr. Aniruddha Deka	Faculty of Engineering	Healthcare Analytics
332	Yield And Biochemical Profiling Of Onion (Allium Cepa L) Under Diffrent Growing Condition	Soni Kumari, Dr.Mohammad Zaki Shamim	Faculty of Science	Indian Journal Of Natural Sciences
333	Developing A Sustainable Model: The Role Of Renewable Energy In Eco-Hotels	Mr. Santanu Sarma, Dr. Samannoy Baruah	Faculty of Commerce and Management	Journal Of Applied Optics
334	Effect Of Ocimum Sanctum Extract In Controlling Life Stages Of Callosobruchus 2 Chinensis L.: An In-Silico Approach	Dipanjan Dey, Dr. Suraj Chetri	Faculty of Science	International Journal Of Agriculture And Biosciences
335	A Blockchain-Based Iot Data Securing And Sharing System For Attendance Management	Dr. Aniruddha Deka	Faculty of Engineering	Indian Journal Of Science & Technology
336	Radiation Exposure Assessment In Coronary Angiography Computed Tomography Scan: Establishing Diagnostic Reference Level For Northeast Assam Population	Dr. Arnabjyoti Deva Sarma, Jibon Sharma, Dr. Mrinak Kanti Singha, Dr. Manash Pratim Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
337	A Novel Approach For Iot-Based Cloud Computing Technology And Its Impact On Business Entrepreneurship	Dr. Pramod Kumar	Faculty of Commerce and Management	International Journal Of Intellectual Systems And Applications In Engineering
338	A Systemic Review Of Preclinical Studies Of Herbal Plants Having Anti-Polycystic Ovarian Syndrome Activity: A Pan India Study	Manashi Karmakar, Dr. Manash Pratim Pathak, Dr. Mrinmoy Basak, Dr. Saikat Sen, Ms. Ireenia Warjri, Dr. Utpal Barman	Faculty of Pharmaceutical Science	The Natural Products Journal

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
339	Â An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Darthan Mawia, Riya Saikia, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
340	An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
341	Unveiling Novel Drug Leads: Utilizing Molecular Docking Studies For Efficient Drug Discovery	Majuj Ahmed Dr. Rinchi Bora Anisha Sharma	Faculty of Pharmaceutical Science	Research Journal Of Chemistry And Environment

B. Details of Book-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Authors Name	Publisher (ISBN)	Faculty of Study
1	Principles and Practices of Network Security	Aniruddha Deka, Debashis Dev Mishra	Xoffencer International Publication (9788119534074)	Faculty of Engineering and Technology
2	Basic Anatomy and Physiology of Eye	Rakibul hasan khan	Jbd publication (9789392330919)	Faculty of Paramedical Sciences
3	5G Technology and Its Application	Aniruddha Deka, Jyoti Prasad Kalita, S. R. Jena, Haewon Byeon	Xoffencer International Publication (9788119534227)	Faculty of Engineering and Technology
4	Trends in Nanoscience for future development	Dr. P. Arularasan, Dr. Rohit Shrivastava, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5762-168-7)	Faculty of Engineering and Technology
5	Graphene Revolution and Challenges	Dr. P. Arularasan, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5757-551-5)	Faculty of Engineering and Technology
6	Entrepreneurship and Startup Ecosystem In India	Dr. Anupam Jain, Dr. Vinod kumarjain, Dr. Jyotiprasad Kalita, Dr. Ruchika Rathi	The Global Publishers & Distributors (978896237769)	Faculty of Commerce and Management
7	Stress Management and Building Resilience	Dr Manjusha Deka Saikia	IIP Publications (Awaited)	Faculty of Humanities and Social Sciences

8	Archives of Agricultural Extension Education	Dipankar Saikia, Bidyut Pritom Gogoi, Asha Rani	Himanshu Publications (978-93-87201-58-3)	Faculty of Agricultural Sciences and Technology
9	A textbook of Pharmaceutical Jurisprudence	Dr. Rinchi Bora, Ms. Kalpana Sonwani, Mihir Otia, Mr. Vishal Kumar Pathak	Stallion Publication (978-93-95074-05-6)	Faculty of Pharmaceutical Science
10	Digital Marketing	Dr. Bhabajyoti Saikia	Scientific International Publishing House (SIPH) (978-93-5757-850-9)	Faculty of Commerce and Management
11	Social Work in a Globalised World	Prateeti Barman	Fahhochshulverlag (978-3-947273-77-5)	Faculty of Humanities and Social Sciences

Popular Lecture Series

Throughout the academic session, AdtU hosted a variety of lecture series, including the Popular Talk, Chancellor's Lecture Series, and Expert Talk Series, among others. These events were designed to engage students and faculty, providing them with valuable insights into ongoing research and developments happening globally. A few of the notable lectures are listed below.

Talk 1: Managing Forest Ecosystem in Kerala: An Overview

On 21st August 2023, the Faculty of Science, in collaboration with the Faculty of Agricultural Science and Technology, organized a popular talk titled "Managing Forest Ecosystem in the State of Kerala." Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivered the lecture, providing an in-depth overview of Kerala's diverse forest ecosystems, including its geography, forest types, and rich biodiversity of plant and animal species.

The session highlighted key challenges, such as the impact of hydroelectric projects and forest fires, and mining, quarrying, infrastructure development, and tourism outside the forests. Dr. Viswanath also discussed the threats posed by land use changes in the Western Ghats, monoculture plantations, and invasive species.

Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivering a lecture on Kerala's diverse forest ecosystems, covering its geography, forest types, and rich biodiversity.

The event was attended by 125 participants and concluded with valuable insights into the importance of sustainable forest management and conservation in Kerala. The Faculty of Science expresses its gratitude to the Honorable Vice Chancellor for supporting this informative session.

Talk 2: Lecture on Advancements in Biotechnology

Assam down town University had the honor of hosting Dr. Rubul Mout, a distinguished Biotechnologist and esteemed Scientist at Harvard University and BCH, for an inspiring lecture on cutting-edge advancements in biotechnology. Dr. Mout's talk was a deep dive into his groundbreaking work in Hematopoietic Stem & T Cell Engineering, Protein Design, and Gene Editing, areas that hold transformative potential for the future of medicine. His motivational discourse captivated the audience, sparking curiosity and enthusiasm among over 60 participants, including 30 faculty members from the University. Dr. Mout's expertise and passion for eliminating genetic diseases through innovative methodologies left a profound impact on students, faculty, and aspiring researchers. His insights into the future of New Age Medicine, where genetic ailments are addressed at their core, resonated deeply with the young minds present.

Group photograph of Dr. Rubul Mout, Research Scientist, Harvard University, with faculty members, students, and participants during his visit to Assam down town University, capturing a moment of shared enthusiasm and inspiration following his insightful lecture on advancements in biotechnology.

The engaging session, was attended by the Faculties of Science, Pharmaceutical Science, and Paramedical Science and provided a unique opportunity to explore the possibilities in the rapidly evolving field of biotechnology. Dr. Mout's remarkable journey from research to his role at

Harvard University served as a beacon of inspiration, illustrating the power of perseverance and dedication in scientific innovation. Dr. Mout's visit not only kindled a passion for scientific exploration but also highlighted the transformative potential of biotechnology in shaping the future of medicine. His infectious enthusiasm and profound insights left an indelible mark on the pursuit of knowledge at Assam down town University, fostering a renewed sense of excitement and inspiration for students and faculty alike.

Talk 3: Food and Nutritional Security in India with Special Reference to Assam

Assam down town University had the privilege of hosting Dr. H.S. Gupta, a renowned agricultural scientist and former Director of the Indian Agricultural Research Institute, for an insightful talk on the critical issue of food and nutritional security in India, with a special focus on Assam. Dr. Gupta's lecture addressed the challenges and opportunities faced by India in ensuring food security, especially in the context of rural livelihoods, climate change, population growth, and the impacts of the COVID-19 pandemic. Dr. Gupta discussed the significant progress India has made in expanding food production and building up safety stocks of food grains. However, he emphasized that food distribution, affordability, quality, and safety remain major concerns despite the country's self-sufficiency in food production. In particular, Assam, with its diverse agro-climatic and socio-cultural environment, faces unique challenges and opportunities in achieving food and nutritional security.

Dr. H.S. Gupta during his thought provoking lecture at AdtU auditorium.

The talk mainly delivered into key factors influencing food availability, access, utilization, and stability in the state of Assam, including crop diversification, irrigation, market linkages, the public distribution system, dietary patterns, nutritional interventions, and disaster management. Dr. Gupta's extensive research and field experience provided valuable insights into the current status and trends in food and nutritional security in Assam. He also shared practical policy recommendations and best practices for enhancing food security in the region.

The session was highly informative and resonated with all attendees, including students, faculty, and others interested in food and nutrition issues in India and Assam. Dr. Gupta's expert perspective and recommendations on sustainable agricultural practices, nutrition, and disaster resilience inspired a deeper understanding of how food security can be achieved in the region, making the talk a significant contribution to the University's ongoing humble efforts to direct its resource for research and innovation in globally relevant issues.

Talk 4: Lecture on Plant Molecular Genomics

The Faculty of Science at Assam down town University organized a two-day guest lecture series on September 8th and 9th, 2023, for B.Sc. and M.Sc. 3rd and 5th semester students across various programs. Dr. Niranjan Chakraborty, a distinguished Professor from Jawaharlal Nehru University (JNU), New Delhi, was invited as the guest speaker for both days. The primary objective of these lectures was to introduce students to the field of plant molecular genomics, a key area of research in modern biology. The first session, held on September 8th, was attended by B.Sc. 5th semester students. Dr. Chakraborty began by providing a strong foundation in molecular biology and gradually transitioned into a detailed exploration of plant molecular genomics. He shared valuable insights from his own research, illustrating the application of theoretical knowledge in real-world scientific endeavors. His talk emphasized the importance of fundamental knowledge in pursuing a successful career in any scientific field. The session, lasting 120 minutes, concluded with Dr. Chakraborty encouraging students to actively participate in national and international competitive examinations.

On the second day, September 9th, the lecture was directed towards M.Sc. 3rd semester students. The session focused on the significance of competitive examinations such as CSIR-NET, GATE,

and ICMR-NET, and included an overview of molecular biology with a particular focus on plant genomics.

Dr. Niranjan Chakraborty, Distinguished professor at JNU, New Delhi, engaged students in interactive discussions, on molecular biology.

A total of 148 students participated actively during both the days, engaging in meaningful discussions and gaining valuable insights from Dr. Chakraborty's expertise. This lecture series proved to be an invaluable learning opportunity, fostering a deeper interest in plant molecular genomics and encouraging students to pursue research and competitive academic opportunities.

Academic Engagements and Knowledge Exchange at AdtU

At Assam down town University (AdtU), academic enrichment extends beyond traditional learning, with various faculties actively organizing symposiums, conferences, Faculty Development Programs (FDPs), and workshops throughout the year. These initiatives are aimed at fostering the exchange of ideas among faculty members, research scholars, students, and distinguished external experts from academia and industry.

In this academic session, AdtU has organized a wide array of such events, showcasing the university's commitment to fostering an environment of continuous learning and innovation. These events have provided valuable platforms for intellectual discourse and professional growth, enabling participants to engage with the latest trends, research, and best practices in their respective fields.

By hosting these events, AdtU provided a dynamic platform for intellectual collaboration. Faculty members and students benefited immensely from interactions with experts, gaining insights into emerging trends and research advancements. These engagements also served as an opportunity to showcase AdtU's academic policies, diverse courses, and state-of-the-art facilities to participants from other institutions, thereby strengthening the university's academic presence.

Through these knowledge-sharing initiatives, AdtU reaffirms its commitment to academic excellence, innovation, and a collaborative learning environment, ultimately contributing to the holistic development of its faculty and students.

A. Sixty-eight Annual Technical Session of Assam Science Society and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology"

Assam down town University, in collaboration with the Assam Science Society, successfully organized the 68th Annual Technical Session and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology" on 30th March 2024. This prestigious event brought together experts, scholars, and innovators from various scientific fields to discuss the latest advancements in science and technology.

A total of 114 abstracts were submitted, with 42 selected for oral presentations, showcasing the high level of research and innovation within the scientific community. These presentations provided an excellent platform for researchers to exchange ideas, discuss challenges, and explore potential solutions to the current issues in science and technology.

Snapshots capturing the essence of the 68th Annual Technical Session, through the lens of photography of members of AdtU photography club.

The inaugural lecture was delivered by Dr. Kutubuddin Ahmed, the Working Secretary of Assam Science Society, who set the tone for the event by highlighting the importance of continuous scientific exploration and innovation. The keynote address was presented by Dr. Prashant Goswami, a distinguished Bhatnagar Awardee, whose insightful lecture on recent developments in science inspired both the audience and participants.

This event marked a significant step towards fostering academic collaboration, providing an invaluable opportunity for networking, and contributing to the development of science and technology in the region. The university takes immense pride in hosting such a momentous event that not only showcased the achievements of the scientific community but also provided a platform for determining on the possible future innovations need.

The 68th Annual Technical Session and National Seminar was an outstanding success, reaffirming Assam down town University's commitment to advancing scientific knowledge and contributing to the broader scientific community.

B. AdtU PHARMACON 2.0

The Faculty of Pharmaceutical Science at Assam down town University organized an international conference on October 13th and 14th, 2023, themed "Pharmaceuticals Fusing with Nutraceuticals to Ensure Healthy Lives and Promote Wellbeing: Global Trends." This event was held by AdtU-Centre for Research on Ethnomedicine (AdtU-CREM) in collaboration with the Central Ayurveda Research Institute (under CCRAS), Ministry of AYUSH, Government of India, Kolkata; San Pedro College, Philippines; Daffodil International University, Bangladesh.

Dr. G. Babu, Director of CCRAS, graced the event as the Chief Guest, and Prof. (Dr.) Pulok K. Mukherjee, Director of IBSD, Department of Biotechnology, GoI, Imphal, Manipur, attended as the Guest of Honour. The conference saw participation from 511 registered delegates, of which 325 actively engaged in various activities. Delegates hailed from 3 countries, 14 states, and 38 regional, national, and academic organizations. A total of 168 posters, 26 oral presentations, and 18 e-posters were displayed throughout different scientific sessions, contributing to a rich exchange of knowledge and ideas.

Snapshots capturing the essence of the **PHARMACON 2.0**

C. Sixth Regional Conference on "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies"

The Faculty of Nursing, Assam down town University (AdtU), successfully organized the 6th Regional Conference on June 28, 2023, with the theme "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies." The event saw the participation of 79 delegates from various institutions across the North-East region.

The conference commenced with a registration session, followed by a formal inaugural ceremony. Prof. (Dr.) Nirmali Gogoi, HOD and Associate Dean, Research, Faculty of Nursing, AdtU, welcomed the participants, while Prof. (Dr.) Pranveer Singh, Hon'ble Pro Vice Chancellor, AdtU, addressed the gathering and appreciated the conference's theme. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference. The dignitaries were honored with saplings, and the first edition of the newsletter of the Faculty of Nursing was released in the inaugural session.

The conference featured key scientific sessions, including presentations by Prof. Asru Bagchi on "Advancement in Research Methodology: Its Challenges and Best Practices," Prof. (Dr.) Dibyojyoti Bhattacharjee on "Data Analysis and Interpretation: Advanced Analytical Techniques and Tools," and Dr. Elsa Sanatombi Devi on "Dissemination Strategies and Effective Utilization of Research Studies." A scientific poster presentation by B.Sc. Nursing 4th-year students from the Faculty of Nursing was also organized, with awards presented to the best posters.

The event concluded with a valedictory session, during which certificates and newsletters were distributed to the delegates. Ms. Sangita Kalita, CNE observer from Assam Nurses' Midwives' & Health Visitors Council, read the feedback report, highlighting the positive impact of the conference. The post-test results indicated that 68% of participants showed significant improvement in their knowledge.

A guest speaker presenting on conference theme "advancements in research methodology and best practices"

The conference ended with a vote of thanks by Ms. Alonka Beypi, Lecturer, Faculty of Nursing, AdtU, at 4:00 pm, followed by the National Anthem.

D. Training Cum Workshop on International Patient Safety Goals (IPSG)

The Faculty of Nursing, Assam down town University, in collaboration with down town Hospital, organized a training cum workshop on the International Patient Safety Goals (IPSG) for final-year B.Sc. Nursing and GNM students on May 2, 2024, at the 7th Floor Auditorium located at Building No. III, of the down town Hospital.

The event began with an introduction of the invited speaker, Prof. Dr. Manashi Sengupta, Dean, Faculty of Nursing, AdtU, followed by an informative session led by the trainer. The workshop focused on the six IPSG goals, providing students with a deep understanding of their significance in promoting patient safety within hospital settings. The trainer highlighted each goal with practical examples and detailed rationale, emphasizing their importance in real-world healthcare scenarios.

The session also featured engaging role plays performed by the final-year B.Sc. Nursing and GNM students of Faculty of Nursing, AdtU. Students demonstrated IPSG Goal 1 (Identifying patients correctly) and IPSG Goal 4 (Ensuring safe surgery, right patient, site, and surgery) through compelling, narrative-driven performances that illustrated the practical application of

patient safety protocols. Visually striking play cards were used to represent each of the six IPSG goals, further enhancing the students' understanding.

Students demonstrating various facts of Patients awareness through visually striking play cards during the scientific session

This workshop was a significant step in empowering nursing students with practical knowledge on IPSG, enabling them to uphold patient safety standards effectively in their professional practice.

E. Fourth National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities"

The Faculty of Nursing, Assam down town University, organized the 4th National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities" on June 28, 2024, at Auditorium 1 (B-Block), AdtU Campus. The conference began with a registration session at 8:00 am, where 95 participants from various institutions across the country were welcomed and provided with registration kits.

The formal inauguration was marked by a welcome note from Ms. Mousumi Deori, Assistant Professor and Vice Principal, Sankar Madhab School of Nursing, AdtU. The dignitaries, including Dr. Kaveri Saikia, Principal of Royal Global University, who served as the CNE observer, lighted the inaugural lamp. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference, which was followed by the release of the third edition of the FoN newsletter. The pre-test forms were distributed among participants before the scientific sessions commenced.

The sessions featured notable speakers, including Dr. Oli Goswami, who discussed the significance of forensic science in healthcare, and Dr. Amol Deo Chavhan, who explored forensic science through the Indian Constitutional framework. Capt. Sandhya Shankar Pandey covered the clinical practice, scope, and challenges of forensic nursing. A scientific poster and oral presentation session was also held, showcasing research by faculty and students from the Faculty of Nursing, AdtU. Judges from various faculties evaluated the presentations for the Best Poster and oral presentation award. Awards given to the best poster and oral presentations during the concluding session.

A memorable group photograph capturing the dignitaries and participants at the conference. Chancellor of AdtU Dr. N N Dutta (left) seen lighting the inaugural lamp.

The conference concluded with a feedback report from Dr. Kaveri Saikia, where the post-test results showed that 78.9% of participants gained substantial knowledge from the sessions, highlighting the conference's effectiveness. The event concluded with a vote of thanks by Ms. Baricate Rymbai, M.Sc. Nursing 1st Year students of Faculty of Nursing, AdtU, and the National Anthem. The conference was an enriching experience for all participants, emphasizing the growing importance of forensic nursing in healthcare.

F. DSIPKI 2024: A Landmark Event on Digital Signatures and Security

The Digital Signature and e-Knowledge Platform for India (DSIPKI) 2024 event was successfully held by the Faculty of Computer Technology at Assam down town University, bringing together experts, speakers, and participants for an enriching day of learning and discussion on digital security. The event began with a warm welcome by Anirban Bhattacharjee, Samujjal Talukdar, and Dr. Dulumani Das, the organizing secretary of DSIPKI 2024, setting the tone for an informative and interactive session.

Prof. Pranveer Singh, Pro Vice Chancellor, addressed the participants and speakers, with special recognition to esteemed guests like Shri Arvind Kumar, Controller of Certifying Authorities, and Dr. S.D. Sudarshan, Executive Director at C-DAC Bangalore, who shared their insights and contributed to the event's success. Dr. Utpal Barman, Dean of FoCT, discussed the importance of digital signatures in today's digital world.

The technical sessions included Dr. Mohammed Misbahuddin's presentation on "Elements of Trust & Digital Signatures," followed by Ms. Lavanya Palani's enlightening talk on "Digital Signature Certificates & Public Key Infrastructure." The event's highlight was Shri Anoop Kumar Pandey's live demonstrations on key generation, certificates, and digital signing processes, offering attendees hands-on experience with digital security applications.

A guest speaker delivering a presentation at the conference.

The open Q&A session encouraged lively discussions, with participants engaging in insightful conversations on digital signatures and security. In the closing session, Hon'ble Vice Chancellor Prof. N.C. Talukdar emphasized the significance of paperless signatures, advocating for digital solutions to streamline processes and enhance security. Dr. Mala Dutta, the organizing secretary, concluded the event by thanking all the experts, participants, and stakeholders, ensuring that DSIPKI 2024 was a great success.

National Symposium on Astronomy and Space Technology (NSAST) 2024

Assam down town University successfully hosted the National Symposium on Astronomy and Space Technology (NSAST) 2024 on March 6, 2024. The event was graced by distinguished guests, including the Chief Guest and Planetary Speaker, Prof. (Dr.) Dhruba J. Saikia, Head of

TLC and NRC at IUCAA, Keynote Speaker Prof. Biman J. Medhi from Guwahati University, and Mr. Manash Protim Sarma from Guwahati Planetarium. The dignitaries were felicitated with mementos and Phulam Gamosa following the lighting of the lamp.

The symposium began with an inaugural speech by two Astronomy Club members, Sristy Trivedi and Levi Haokip, both undergraduate students at AdtU. Prof. (Dr.) Narayan Chandra Talukdar, Hon'ble Vice Chancellor of AdtU , delivered a welcoming address, highlighting the university's vision for space studies and encouraging the Astronomy Club to continue exploring this field.

The first technical session was led by Prof. (Dr.) Dhruba J. Saikia, who discussed radio astronomy, offering insights into the vast expanding universe and explaining the concept of space and time with examples. Following this, Prof. Biman J. Medhi gave an engaging keynote talk on astronomical telescopes, their working principles, challenges, and benefits for studying the universe.

After a high tea break, the participants and experts moved to the Astronomy View Point on the terrace of J Block, AdtU, where they observed the night sky through the upgraded telescope. The session allowed attendees to witness celestial bodies, including the Seven Sisters, Betelgeuse, Sirius, nebula, and Jupiter with its moons.

Participants observing celestial bodies through the upgraded telescope at the Astronomy View Point on the J Block terrace

The symposium concluded with a knowledge-sharing session between experts and participants, fostering a deeper understanding of astronomy. The event was wrapped up with a vote of thanks by Prof. TVVLN Rao, Dean, Faculty of Engineering, to all those who contributed to the success of the symposium. This event was a significant step in enhancing the university's involvement in space technology and astronomy.

DIRECTORATE OF CAREER ADVANCEMENT

The Directorate of Career Advancement at AdtU, is dedicated to guiding students in their professional journeys by providing comprehensive career development support. Our initiatives focus on placement and training, higher education guidance, competitive exam preparation, and career counseling, ensuring that students are well-prepared for the dynamic job market.

Through strategic industry collaborations, we facilitate successful campus recruitment drives, equipping students with essential technical and soft skills via pre-placement training, mock interviews, group discussions, and company-specific workshops. Our industry-aligned training programs and internship opportunities enable students to gain practical exposure and build professional networks.

Highlights of Placement Statistics 2023-24

- Total Number of Graduated Students -1009
- Number of Students Placed -749
- Placement Percentage - 74.13%
- Average Package-3.00 LPA
- Highest Package - 7.02 LPA
- Total Number of Company visited- 78

Beyond employment, we assist students in exploring higher education opportunities in India and abroad, offering guidance on university selection, entrance exams, scholarships, and application processes. Our partnerships with study-abroad organizations provide students with valuable insights and resources.

Recognizing the significance of competitive exams, we provide specialized coaching and resources for civil services, banking, and other examinations through expert-led workshops and study materials.

Career counseling remains a cornerstone of our services, with personalized guidance to help students identify their strengths, interests, and career aspirations. Through expert consultations and mentorship, we align students' goals with evolving industry trends and emerging career paths.

The Directorate of Career Advancement is committed to empowering students with the necessary skills, knowledge, and confidence to excel in their professional endeavors, fostering a future of success and fulfillment.

Workshops and Career Development Initiatives – 2023-24

This year, the Directorate of Career Advancement organized a series of workshops and training sessions to enhance students' employability, career readiness, and professional skills.

- Communication Skills Workshops: Focused on improving verbal and non-verbal communication, active listening, and presentation techniques to boost confidence in professional interactions.
- Resume Building & Interview Preparation: Guided students in crafting impactful resumes and preparing for interviews through mock sessions, constructive feedback, and personalized coaching.
- Aptitude & Reasoning Skills Development: Provided training to sharpen logical reasoning, analytical thinking, and problem-solving abilities, essential for competitive exams and job assessments.

Aptitude & Reasoning Training: Enhancing logical reasoning, analytical thinking, and problem-solving skills for competitive exams and job assessments.

- Career Counseling Sessions: Offered personalized guidance to help students identify career goals, develop key skills, and explore diverse career opportunities.

Modules addressing key soft skills, including teamwork, time management, leadership, and conflict resolution.

- Career Counseling for Higher Education Abroad: Assisted students in understanding admission processes, selecting suitable universities, and preparing for international studies.

- Sessions on Competitive Exam Preparation: Provided insights on exam patterns, study strategies, and essential resources to help students prepare effectively for various competitive examinations.

Session on strategies for succeeding in competitive examinations.

- Strategies to Crack Competitive Exams: Conducted expert-led sessions focusing on time management, problem-solving techniques, and smart preparation methods to enhance students' chances of success.

These initiatives aimed to equip students with the necessary skills, knowledge, and confidence to excel in their professional and academic pursuits.

Annual Job Fair: Bridging Opportunities for Students and Employers

The Directorate of Career Advancement at Assam down town University has been successfully organizing a Job Fair every year for the past 10 years, aimed at bridging the gap between AdtU students, alumni, non-AdtU students, and potential employers. This annual event serves as an excellent platform for students to explore diverse career opportunities, interact with industry professionals, and stay informed about the latest job market trends.

Reputed companies from various sectors participated in the fair, offering a range of internships, full-time positions, and valuable networking opportunities. The event not only enhances the employability of the university's graduates but also strengthens its ties with the corporate sector, contributing to the professional growth of students and alumni alike.

Assam down town University at ICGSTM 2024

Assam down town University (AdtU) proudly participated in the 3rd International Conference on Green Sustainable Technology and Management (ICGSTM) 2024, hosted by INTI International University.

Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivering the keynote address at the conference.

The prestigious hybrid event brought together distinguished academicians, researchers, and industry experts from around the world to deliberate on advancements in sustainability across diverse domains. Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivered a keynote address at the conference, highlighting the university's commitment to fostering research and innovation in sustainable technologies. His address emphasized the role of academic institutions in addressing global environmental challenges and the importance of interdisciplinary collaboration in achieving sustainability goals.

The conference provided an excellent platform for knowledge exchange, enabling AdtU to showcase its contributions in green technology and sustainable management. Faculty members and research scholars from AdtU also engaged in insightful discussions, networking with international experts, and exploring collaborative opportunities for future research initiatives.

Prof. Biswa Prasun Chatterji Joins as Global Visiting Professor at Asian University for Women, Bangladesh

Assam down town University takes immense pride in announcing that Dr. Biswa Prasun Chatterji, Professor in the Faculty of Science, has been selected as a Global Visiting Professor at the prestigious Asian University for Women (AUW) in Chittagong, Bangladesh. This remarkable achievement highlights Dr. Chatterji's academic excellence and the university's commitment to global engagement and collaboration.

During Dr. Chatterji's visit to Asian University for Women (AUW) in Chittagong, Bangladesh

Dr. Chatterji was invited to teach the course "Human Disease Biology" as part of AUW's two-month summer term starting on June, 2024. His selection as a Global Visiting Professor is a testament to his expertise in the field of biological sciences and his dedication to fostering interdisciplinary learning. His presence at AUW provided an invaluable opportunity for the students of AVW to gain in-depth knowledge and insights into the complexities of human diseases from a distinguished scholar.

Asian University for Women, a premier institution committed to empowering women through higher education, attracts students from across Asia and beyond. Dr. Chatterji's involvement in the AUW academic community reflects the growing reputation of Assam down town University's faculty members on the international stage.

Dr. Chatterji's contribution to AUW aligns with Assam down town University's mission to promote academic excellence, cross-border knowledge exchange, and international research collaborations. His engagement in global teaching initiatives not only enhanced his professional development but also reinforced the university's standing in the global academic community.

Foreign University Students' Visit to AdtU

1. A team of four Physiotherapy students from Jashore University of Science and Technology, Bangladesh, visited the Faculty of Physiotherapy and Rehabilitation at AdtU. They were accompanied by Prof. Dr. Md. Zahid Hossain and Dr. Ehsanur Rahman.

Students from Jashore University of Science and Technology, Bangladesh attending classes at AdtU faculty of Physiotherapy and Rehabilitation

The students were accommodated in the AdtU guest house and attended an insightful lecture by Dr. Abhijit Kalita. Additionally, they had interactive sessions with senior officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's Directorate of International Affairs (DIA) ensured a comfortable stay and a valuable academic experience for the visiting students.

2. A team of four students from the Nursing and Teacher Education program at Biliran Province State University, Philippines, visited the Faculty of Nursing and Humanities at AdtU. They were accompanied by Prof. Dr. Jovy Dia Saniel and Dr. Maribel N. Zipagan. The students participated in a seven-day cross-cultural immersion program organized by the Directorate of International Affairs (DIA), followed by an extended four-day stay during which they attended lectures by Ms. Jaidalin Basaiawmoit and Ms. Embhah Dkhar. They also engaged with senior university officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's DIA ensured a comfortable stay and an enriching academic and cultural experience for the visiting students.

AdtU-Students' Visit to Foreign University

1. A team of 11 students from various programs at AdtU visited FPT University, Vietnam, from August 17 to 21, 2023, accompanied by Dr. Dapkupar Wankhar, Professor, Faculty of Paramedical. During their stay, the students attended lectures by Dr. Entidhar Al-Taie alongside

peers from other international universities as part of a five-day Research-Related Study Tour program. They explored FPT University's advanced facilities, including smart classrooms, a well-stocked library, state-of-the-art laboratories, an in-house canteen, and sports playgrounds. Additionally, they interacted with university officials, gaining valuable academic and cultural insights. This exposure to an international learning environment provided an enriching experience, broadening their perspectives for future academic and professional growth. Representative photographs are presented along with the report.

Students from AdtU exploring the academic environment at FPT University, Vietnam.

2. A team of four students from various programs at AdtU visited Middlesex University, Dubai, from October 23 to 26, 2023, as part of the four-day *Immersion Program in Management and Leadership*. They attended lectures by Dr. Cody Paris and Dr. Nitin Vihariie, alongside students from other international universities. The students explored Middlesex University's state-of-the-art facilities, including smart classrooms, a well-stocked library, advanced laboratories, an in-house canteen, and sports playgrounds. Beyond academics, they experienced Dubai's vibrant culture, visiting iconic landmarks such as the Burj Khalifa and Dubai Mall. Interactions with university officials and exposure to an international learning environment provided valuable academic and cultural insights, enriching their perspectives for future endeavors.

AdtU's students attending lectures at Middlesex University as part of the four-day *Immersion Program in Management and Leadership.*

3. A team of seven students from various programs at AdtU visited UCSI University, Malaysia, from November 14 to 24, 2023, accompanied by Ms. Kimberley, Program Coordinator. They participated in the nine-day *International Immersion Program*, attending lectures delivered by distinguished professor Ms. Sivaneswari alongside students from other international universities. The program included interactive ice-breaking activities, fostering camaraderie and engagement among participants. The students explored UCSI University's advanced facilities, including smart classrooms, a well-stocked library, and state-of-the-art laboratories. Additionally, they visited the Transport Department of Malaysia and interacted with university officials. This enriching international exposure provided valuable academic insights and broadened their perspectives for future endeavors.

AdtU's Student participated in the nine-day *International Immersion Program at* UCSI University, Malaysia.

4. A team of 23 students from various programs at AdtU visited Shinawatra University, Thailand, from May 18 to 21, 2024, accompanied by Ms. Satyabrat Sarma from the Faculty of Pharmaceutical Sciences. As part of the four-day *International Immersion Program*, they attended lectures by distinguished professor Dr. Somrek Kanwivat, alongside students from other international universities. Beyond academics, the students explored one of Asia's largest malls in Bangkok and enjoyed a memorable dinner cruise, experiencing the city's scenic nightlife with music, cultural performances, and dance. They also interacted with university officials, gaining

valuable academic and cultural exposure. This enriching experience broadened their perspectives, contributing to their academic and personal growth.

AdtU's Students visited to the Shinawatra University and attended lectures.

Acitivity of Directorate of Innovation, Start-ups, and Acceleration (DISA) – Academic Year 2023-24

In the academic year 2023-24, the Directorate of Innovation, Start-ups, and Acceleration (DISA) at Assam down town University has undertaken a series of transformative initiatives aimed at nurturing innovation and entrepreneurship among students. The initiatives ranged from workshops, competitions, and field visits to collaborations with leading industry professionals. These efforts align with the government's initiative to inspire and empower students to pursue entrepreneurial ventures and become catalysts for change in society. The few notable initiative are highlighted herewith.

1. Entrepreneurship and Innovation as a Career Opportunity

DISA kick-started the academic year with an insightful workshop focused on introducing students to the immense potential and opportunities within the entrepreneurial ecosystem. The workshop highlighted how innovation and entrepreneurship can serve as viable and rewarding career paths.

26th February 2024, Mr. Plabon Phukan, Founder and Life Skills Trainer of The Open Window, delivering an in-depth session on entrepreneurship and social innovation during the workshop. The event saw the active participation of over 60 students from diverse academic backgrounds, alongside faculty members and administrative staff.

2. Exposure and Field Visits for Problem Identification

The Directorate organized several field visits that gave students first-hand experience in identifying real-world problems. These visits played a pivotal role in helping students understand the challenges businesses face and how innovative solutions can be developed to address them.

On 21st February 2024, final year Civil Engineering Programme at Assam down town University, engaged with the school administration to assess issues and propose strategies for sustainable resource utilization.

3. 'Entrepreneur's Talk' by Popular Successful Entrepreneurs

As part of DISA's ongoing efforts to inspire and guide aspiring entrepreneurs, several 'Entrepreneur's Talk' events were conducted featuring successful entrepreneurs who shared their journeys, challenges, and strategies for success. These talks were well-received by students and provided invaluable insights into the world of entrepreneurship.

On 15th September 2023, **Mr. Sanjeev Sarma**, Founder & CEO of WebX Technologies Pvt. Ltd, delivered a motivational talk to the AdtU's student's fraterrity

Mr. Ratan Kumar, Founder & CEO of Encamp Adventures, a successful tourism startup from Assam, shared his entrepreneurial journey, highlighting sustainable tourism practices, challenges in funding, team building, and navigating regulatory frameworks

4. IdeatePitch

DISA facilitated the 'IdeatePitch' event, which was a platform for students to pitch their innovative ideas to a panel of experienced entrepreneurs and investors. This event fostered creativity and problem-solving skills, while also providing students the opportunity to receive constructive feedback on their ideas.

On 16th-17th February 2024, **Mr. Kanakn Jyoti Kharghoria**, Project Manager at Ernst & Young, served as the judge, providing valuable industry insights in IdeatePitch-2.0 organized by Faculty of Pharmaceutical Science and IIC-AdtU.

5. Problem Solving and Ideation Workshop

The Problem Solving and Ideation workshop equipped students with essential tools and techniques to approach complex problems systematically. The workshop focused on ideation methodologies and problem-solving frameworks, enabling students to develop innovative solutions.

On 28th-29th February 2024, The Idea Challenge Competition, an Intra Institutional Hackathon, was organized to foster interdisciplinary collaboration and innovative problem-solving among students.

6. Showcasing Innovation: Poster Presentation of Ideas

DISA organized an event to showcase innovative ideas in a poster presentation format. This event allowed students to present their creative concepts to peers, faculty, and industry professionals, fostering collaboration and knowledge sharing among participants.

On 19th-20th February 2024, a poster presentation was organized by Faculty of Engineering, Institution's Innovation Council (IIC), E-Cell, and down town Venture Labs at Assam down town University.

7. Motivational Workshop with Visionary Innovators

A motivational workshop featuring visionary innovators provided students with the right mindset to pursue their entrepreneurial dreams. The workshop was a platform for students to hear from thought leaders who have made significant contributions to innovation.

8. Idea Challenge Competition

The Idea Challenge Competition encouraged students to think critically and creatively to solve real-world problems. The event was designed to identify the most promising ideas and provide them with the necessary mentorship and resources to bring them to life.

On 21st February 2024, Idea Challenge competition was organized to showcasing the the talent of participants.

9. One-Day Workshop on 'Achieving Problem-Solution Fit and Product-Market Fit'

A one-day workshop was conducted to help students understand the critical concepts of problem-solution fit and product-market fit. The workshop focused on how these concepts are crucial for building successful businesses and helped students fine-tune their entrepreneurial ideas.

On 19th February 2024, The Faculty of Pharmaceutical Sciences, in collaboration with the Institution's Innovation Council (IIC), down town Venture Lab (dtVL), and E-Cell, AdtU, organized a one-day workshop on "Achieving Problem-Solution Fit and Product-Market Fit" to equip students and budding entrepreneurs with practical insights into aligning innovations with market needs.

10. Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer

This workshop focused on educating students about the process of innovation development, technology readiness levels (TRL), and the commercialization of laboratory technologies. It highlighted the importance of bridging the gap between research and commercialization, offering students the necessary tools to transform innovations into marketable products.

On 26th February 2024, The Faculty of Engineering, in collaboration with E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, organized a one-day workshop on 'Process of Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer'.

11. Innovation & Entrepreneurship Outreach Program in Schools

The Directorate extended its reach beyond the university by organizing an innovation and entrepreneurship outreach program in schools. This initiative aimed at fostering an entrepreneurial mindset in younger students and encouraging them to explore innovation from an early age.

12. Workshop on Design Thinking, Critical Thinking, and Innovation Design

A workshop on Design Thinking, Critical Thinking, and Innovation Design was organized to help students develop essential cognitive skills for problem-solving. The workshop emphasized creativity, critical thinking, and human-centered design methodologies, which are crucial for fostering innovation.

On 20th February 2024, a workshop on "Design Thinking, Critical Thinking, and Innovation Design" was organized by E-Cell, IIC-Assam down town University, and down town Venture Labs to equip participants with essential problem-solving skills and insights necessary for innovation.

13. Field Visit to Skill Development Centre and Geospatial Lab

On 4th November 2023, a field visit to the Skill Development Centre and Geospatial Lab provided students with practical exposure to cutting-edge technologies and skill development programs. The visit enabled students to understand the importance of skill enhancement in the realm of innovation and entrepreneurship.

14. Blockchain and NFT Minting Workshop

DISA organized a hands-on workshop on Blockchain technology and NFT minting. The workshop educated students about the growing world of digital assets, decentralized finance, and the role of blockchain in innovation. This knowledge has equipped students with the tools to explore new opportunities in the blockchain space.

On 20th September 2023, Mr. Varun Desai, Head of Tezos India Arts and Culture, who introduced participants to the decentralized nature, security, and disruptive potential of blockchain technology across various sectors.

15. Innovative Food Product/Salad Competition

An Innovative Food Product/Salad Competition encouraged students to combine creativity with sustainability. The competition promoted the development of innovative food products that are both healthy and environmentally friendly, providing students with an opportunity to showcase their culinary ingenuity.

On 26th February 2024, the Innovative Food Product/Salad Competition, organized by the Faculty of Science, E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, aimed to inspire creativity and innovation in food preparation by combining culinary skills with nutritional science

16. Entrepreneurial Opportunities of Mushroom Cultivation

The Entrepreneurial Opportunities of Mushroom Cultivation workshop explored the potential of mushroom farming as a sustainable and profitable business. Students were introduced to the agribusiness sector and provided with insights into the cultivation, commercialization, and marketing of mushrooms.

On February 26, 2024, Dr. Manoj Kumar Kalita, who provided an in-depth understanding of edible vs. poisonous mushrooms, the cultivation process, suitable species, and optimal growth conditions. He also highlighted the medicinal and nutritional benefits of mushrooms and their economic viability.

Collaboration with dtVL Foundation & IIC-Assam down town University: Onboarding and Cheque Distribution Event for Student Incubatees

In a significant collaborative effort, the down town Venture Labs (dtVL) Foundation and the Innovation and Incubation Centre (IIC) at Assam down town University hosted the "Onboarding and Cheque Distribution Event for Student Incubatees" on October 16, 2023. This event marked the successful onboarding of student incubatees who were provided financial support and resources to help accelerate their startup journeys. The event witnessed the distribution of funds to the incubatees, empowering them to take their innovative ideas to the next level. Through this initiative, DISA has solidified its role as a key player in supporting young entrepreneurs and their ventures.

The cheque distribution ceremony held on October 16, 2023 organizedjointly by dtVL and ICC of Adtu, where 15 student incubatees received pre-incubation grants to support their startup ventures.

Assam down town University hosted "Envision 2024"

Assam down town University successfully hosted the 'Envision' 2024 Entrepreneurship Summit on 4th and 5th April, 2024, in Guwahati, Assam. This landmark event, organized by the Directorate of Innovation, Startup, and Acceleration (DISA), in collaboration with down town Venture Labs Foundation, Institution's Innovation Council (IIC), and E-cell, brought together key stakeholders such as Assam Startup, Meity Startup Hub, and Vikshit Bharat Abhiyan to showcase the region's entrepreneurial potential.

The summit featured a diverse array of activities, including a startup competition, workshops, a hackathon, and panel discussions, creating an exceptional platform for networking, learning, and collaboration. It attracted participants ranging from budding entrepreneurs to seasoned investors, fostering meaningful exchanges and partnerships.

The inauguration ceremony was graced by distinguished guests such as Sri PVSLN Murty, Chairman and Managing Director of North Eastern Development Finance Corporation Ltd.; Smt. Vandana Srivastava, Jurisdictional Director of Software Technology Park of India (STPI), Guwahati; and Dr. Y. Jayanta Singh, Executive Director of National Institute of Electronics & Information Technology (NIELIT), Assam. Their presence and insights did set the tone for the summit's success, emphasizing the role of technology and innovation in driving economic growth in Northeast India.

'Envision' 2024 has significantly contributed to fostering a culture of innovation and entrepreneurship in the region, laying a strong foundation for the future of startups and technological advancements in Northeast India. The event successfully bridged gaps between visionary ideas and their realization, empowering participants with essential tools, knowledge, and industry connections to drive the future of innovation.

The series of events organized by the Directorate of Innovation, Start-ups, and Acceleration (DISA) in the academic year 2023-24 has been instrumental in fostering a culture of innovation, entrepreneurship, and problem-solving among the students of Assam down town University. These initiatives have not only inspired students to think creatively but also have provided them with the tools and resources to transform their ideas into viable businesses. DISA remains committed to its mission of nurturing the next generation of innovators and entrepreneurs.

Directorate of Alumni Affairs

The Directorate of Alumni Affairs, in collaboration with the Alumni Association, successfully conducted various alumni engagement activities during 2023-24, including 13 Alumni Interactions/Talks to strengthen connections with the alumni community. One international and two national alumni meets were organized in Dhaka, Dibrugarh, and Guwahati, facilitating networking opportunities. Additionally, the university recognized twelve distinguished alumni under the "Alumni of the Month" initiative for their significant contributions in their respective fields. The prestigious "AdtU Alumni Award for Inspiring Achievement" was also presented to honor outstanding alumni accomplishments. These initiatives have significantly contributed to fostering a strong and engaged alumni network, reinforcing a sense of belonging and pride among graduates while ensuring continued collaboration and growth.

Alumni Meet in Dhaka – A moment of camaraderie as distinguished alumni and university representatives gather for the international alumni meet, fostering connections and celebrating achievements.

The Student Welfare Fund Committee (SWFC), under DoSA, provided financial support through grants and loans in 2023-2024, assisting students in academic, entrepreneurial, and extracurricular pursuits. A total of seven welfare grants were awarded for internships, entrepreneurial projects, sports, and inter-university events, while four welfare loans supported academic projects and educational trips. No applications were received for the Student Emergency Medical Fund. The SWFC remains committed to fostering student development by alleviating financial constraints and encouraging holistic growth.

Student volunteers engaging in the orientation program for newly admitted students as part of DoSA activities.

Further, the **Directorate of Student Affairs** at Assam down town University played a pivotal role in organizing and facilitating various events throughout the academic year 2023-2024, fostering student engagement and holistic development. The year began with **Orientation Day** on August 12, 2023, where freshers were introduced to campus life through interactive sessions, ice-breaker activities, and campus tours. On August 15, the **Independence Day Celebration** honored the spirit of patriotism with flag hoisting, cultural performances, and a speech competition. From November 5-7, the vibrant **Sanskriti Cultural Fest** showcased student talents in music, dance, and drama, celebrating the university's cultural diversity. The **Workshop on AI & Machine Learning**, held on January 15, 2024, provided students with hands-on experience in emerging technologies, guided by industry experts. Sports enthusiasts actively participated in the **Annual Sports Meet** from March 10-12, fostering teamwork and physical fitness through various athletic events. The **Alumni Meet** on June 20 reunited former students for networking

sessions and career discussions, strengthening alumni relations. The academic year concluded with the **Convocation Ceremony** on July 15, where graduates were awarded their degrees in the presence of esteemed guests and faculty. Through these diverse initiatives, the **Directorate of Student Affairs** successfully enriched student experiences, promoting academic excellence, cultural appreciation, and professional growth.

DOSA's volunteers working behind the scenes to ensure the smooth execution of the grand music festival on February 23, making it an unforgettable experience for all attendees (left). A warm reception for the celebrated actor and comedian on February 5, as he graced the campus with his presence, adding charm and energy to the workshop (right).

Celebrations at Assam down town University: Fostering National, Student, and Societal Interests

Assam down town University (AdtU) is committed to holistic education, extending beyond academics to inculcate values of patriotism, social responsibility, and student welfare. As part of this commitment, the university celebrated a variety of important days that align with national significance, student development, and societal well-being.Throughout the academic year, more than 52 number of celebrations/events were organized. These celebrations/events served as platform for awareness, education, and engagement. Some of the key events celebrated include:

The 77th Independence Day: Independence Day was celebrated with great enthusiasm at Assam down town University (AdtU) on 15th August, 2023. The celebration included a parade, flag hoisting and various cultural programs showcasing India's rich heritage and the spirit of freedom.

A glimpse of the 77th Independence Day festivities at AdtU

14th Foundation Day: Assam down town University celebrated its 14th Foundation Day on 7th of September 2023. The event was organized by Dr. TVVVLN Rao, Dean, Faculty of Engineering.Honorable Dean of Studies was escorted to hoist the flag of AdtU. After which all the dignitaries were invited to the venue followed by singing the National Anthem and then the Assam down town University Anthem.The program continued with a speech by the chief guest and a lecture addressing the students and other members by the guest of honor. This was followed by speech given by our Honorable Vice Chancellor, Prof. (Dr.) N. C. Talukdar.

A glimpse of the 14th Foundation Day of Assam down town University at AdtU

Children's Day: Assam down town University celebrated Children's Day by featuring an art competition, a recitation contest, and an essay competition, providing a platform for children from a number of nearby schools to showcase their skills and creativity. The event was organized by the "Beethika Art Club" and the "Erudite Literary Club" of AdtU. This special day was dedicated to celebrating the creativity and talent of the young ones. Students from Chandrapur High School, Bonda High School, Swahid Kushal Konwar High School, Raghunath Choudhury Hindi Medium School and The down town School come to Adtu campus accompanied by their teachers and participated enthusiastically in all the three competitions.

Highlights of Children's Day Celebration at AdtU campus

Magh Bihu: Magh Bihu also known as Bhogali Bihu is a significantharvest festival and marks the end of harvesting season in the month of Maagh (January-February). The students, faculty and staff of Assam down town University participated in 'Meji' lighting. Traditional Assamese dishes were prepared and shared among the university community, highlighting the rich culinary heritage of Assam.

Capturing the essence of the Magh Bihu celebrations at AdtU campus

Lamp Lighting Ceremony: The Faculty of Nursing, Assam down town University organized Lamp lighting ceremony on 25th January, 2024. In a momentous ceremony held at the organization of the Faculty of Nursing, Assam down town University proudly witnessed the 16th Lamp lighting & Oath taking ceremony. The lighting of the ceremonial lamp added a profound dimension to the event, signifying the dispelling of darkness and the ushering in of knowledge and clarity.

Highlights of the Lamp Lighting Ceremony at AdtU campus.

The 75th Republic Day: Assam down town University (AdtU) celebrated Republic Day with patriotic fervor and cultural vibrancy. The campus, adorned with the spirit of the occasion, witnessed a meticulously organized event that commemorated the essence of democracy under the overarching theme, **"**Viksit Bharat" and "Bharat: Loktantra ki Matruka (India: Mother of Democracy)".

Scenes from the 75th Republic Day event at AdtU

Bohag Bihu: Assam down town University celebrated the Bohag Bihu also known as Rongali Bihu with great fervor. The celebration included traditional Assamese music and dance performances. With the mesmerizing rhythms of Dhol, Pepa, Gogona and the graceful steps of Nasoni, the bihu was a celebration of tradition and unity of AdtU community.

Moments from the Bhoga Bihu festivities at AdtU campus

International Day for Biological Diversity:The **AdtU Biodiversity Club**and**Green Intention Program**, under the Faculty of Science, celebrated *International Day for Biological Diversity* on **22nd May 2024**, embracing the theme *"Be Part of the Plan."* The event commenced with a welcome address by **Prof. L. N. Kakati**, Chairperson of the AdtU Biodiversity Club, who delivered an enriching talk on the biodiversity of Northeast India, followed by an insightful speech by **Honorable Vice-Chancellor, Prof. N. C. Talukdar**, emphasizing the importance of conservation and presenting an engaging video on *"The Life Cycle of a Dove."* A key highlight was the launch of the club's first newsletter, **"AdtU Nature,"** showcasing its efforts in biodiversity restoration and sustainability. Additionally, **Levi Haokip**, a 4th-semester B.Sc. Forensic Science student, presented the **1.5°C Climate Clock,** underscoring the urgency of addressing climate change. With more than **100 participants** actively engaging in discussions and activities, the program successfully inspired students to take proactive steps in biodiversity conservation, reinforcing Assam down town University's commitment to environmental sustainability.

The **AdtU Biodiversity Club** released its inaugural newsletter "AdtU Nature" on the event of *International Day for Biological Diversity.*

SPIC MACAY 2024, Guwahati and Assam down town University Chapters: Padmashri Dr. Kiran Seth, founder of SPIC MACAY, visited Assam down town University (AdtU) for an inspiring day of engagement. He was welcomed by the Dean of Studies, Prof. Bandana Dutta, and later posed for photographs near the Mahatma Gandhi statue. A press conference followed, where the SPIC MACAY team shared insights about their mission and work.

Dr. Seth was then felicitated by AdtU's Vice Chancellor, Prof. (Dr.) N. C. Talukdar, Pro-Vice Chancellor Prof. (Dr.) Pranveer Singh, and Prof. Bandana Dutta. The program included a soulful bhajan by the Performing Arts faculty, followed by an enlightening talk by Dr. Seth on the importance of sustainability, wellness, classical music, and meditation in students' lives. An interactive session with the audience followed, creating a reflective atmosphere.

A group photograph with Dr. Seth and the entire SPIC MACAY team after the memorable session at AdtU.

The event concluded with a vote of thanks and group photographs, followed by a lunch hosted in honor of the SPIC MACAY team. This visit marked a significant milestone in fostering cultural and intellectual growth at AdtU.

AdtU organized a National Consultative Meeting on the "Establishment of the National Tribal Science and Technology Council (NTSTC)."

The National Consultative Meeting on the establishment of the National Tribal Science and Technology Council (NTSTC) and meeting of the expert committee of the Tribal Sub-Plan under DST, GoI was held from August 20-22, 2023, at Assam down town University, Guwahati. The event brought together key stakeholders to discuss the council's framework, functions, and funding mechanisms.

Prof. N.C. Talukdar, Vice Chancellor of Assam down town University, presided the meeting and delivered the welcome address, setting the stage for insightful discussions. This was followed by presentations from Dr. Debapriya Dutta, Adviser, DST, GoI, on the Tribal Sub Plan Scheme and Dr. Vinita Srivastava, Adviser, from the Ministry of Tribal Affairs, GoI. Vice Chancellors and

their representatives from various tribal universities—including Indira Gandhi National Tribal University (Madhya Pradesh), Sidho-Kanho-Birsha University (West Bengal), Rajiv Gandhi University (Arunachal Pradesh), University of Ladakh (Ladakh), Birsa Munda Tribal University (Gujarat), Central Tribal University of Andhra Pradesh, and Kalinga Institute of Social Sciences (Odisha)—deliberated on NTSTC's structure, research priorities, and funding strategies.

Vice Chancellors and their representatives from various tribal universities of India deliberating on the framework and research priorities of NTSTC

Members of the Expert Committee highlighted the critical role of science and technology in tribal development. The meeting concluded with a consensus on NTSTC's governance, funding models, and collaborative strategies, reinforcing Assam down town University's commitment to advancing tribal education, research, and innovation.

During August 21-22, 14 experts from different universities/organization across the country, evaluated over 50 project proposals under STI-hubs submitted for potential support. Another 40 ongoing project progress were also evaluated by the experts.

Assam down town University's Strategic MoUs for Research, Academics, and Infrastructure Development

Assam down town University has signed Memorandums of Understanding (MoUs) with various National universities, institutes, and organizations to enhance its research, academic, and infrastructural capabilities. These collaborations aim to foster knowledge exchange, joint research initiatives, faculty and student development programs, and infrastructure expansion. Through these strategic partnerships, the university seeks to strengthen its academic excellence, promote innovation, and provide students with global learning opportunities. This initiative reflects the university's commitment to advancing education and research through meaningful collaborations with esteemed institutions.

Details of MoU signed in this academic session 2023-24.

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
1.	Institute of Urology and kidney Disease, Guwahati, Assam	Collaboration in the field of training, R&D, dissemination of knowledge. Industry visit, internship and clinical posting in the field of Paramedical Sciences.	07-06-2024 to 06-06-2025
2.	Bharatiya Engineering Science and Technology Innovation University (BESTIU), Andhra Pradesh	Joint research activities in the area of mutual interest and exchange of resources for research.	27-09-2023 to 26-09-2026
3.	AAFT University, Raipur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
4.	Arya College of Engineering (ACE), SP-40, Industrial Area (RIICO), Delhi Road, Kukas, Jaipur	Collaborative research and exchange of students and staffs.	27-09-2023 to 26-09-2024
5.	ASM (AudyogikShikshan Mandal) Groups of Institute, Pune	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
6.	Automotive Skills Development Council (ASDC), E-113, Okhla Industrial Estate Phase-III, New Delhi	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
7.	D.Y. Patil International University, Maharashtra	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
8.	G D Goenka University, Gurugram, Haryana	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
9.	G.L. Bajaj Institute of Management and Research, Noida	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
10.	Gangadhar Meher University, Amruta Vihar, Sambalpur, Odisha	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
11.	Guru Ghasidas Vishwavidyalaya, Bilaspur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
12.	I S B R Business School, Bengaluru	Collaboration in teaching, R&D and consultancy; joint phD program, certificate program and research.	27-09-2023 to 26-09-2026
13.	ISBM University, Chattisgarh	General academic collaboration and exchange of students.	27-09-2023 to 26-09-2026
14.	Jaipuria School of Business, Ghaziabad, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
15.	JIS GROUP, Kolkata, West Bengal	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
16.	K S R institute for Engineering and Technology, Tamil Nadu	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
17.	Maharaja Agrasen Himalayan Garhwal University, Uttarakhand	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
18.	NIMS University, Jaipur Rajasthan	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
19.	Sai Nath University, Jharkhand	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
20.	Sanskriti University, 28 K.M., Mathura- Delhi Highway, Chhata, Mathura, Uttar Pradesh	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
21.	Sigma University, Vadodara, Gujarat	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
22.	Studlence Edu Tech Pvt. Ltd., Greater Noida, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
23.	T.R.C. Law College, Barabanki, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
24.	Vidyabharati Foundation's Institute of Business Management and Research and IBMR Group of Institutions, Hubballi, Karnataka, India.	Development of program of study, course, Pedagogy, collaborative research, faculty and student exchange, etc.	27-09-2023 to 26-09-2026

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
25.	Swahid Smriti Mahavidyalaya, Nalbari, Assam	Collaboration for research, exchange of faculty &students, internship and training for students, joint consultancy & project implementation	04-10-2023 to 03-10-2026
26.	Makeintern (Mohipuri Technologies Pvt. Ltd)., Janakpuri, Delhi	Job orientation training to the students of B. Pharm, M. Pharma, D. Pharm and other disciplines on mutual agreement, carrying out joint workshop, training, seminars in the field of pharmaceutical science and Science.	08-03-2024 to 07-03-2027
27.	Dreamzone School of Creative Studies, Dispur, Assam	Collaboration in the fields of training, R&D, industry partnership, industry visits and internship for students of FCM.	20.01.2024 to 19-01-2027
28.	Gratia Technology, Guwahati, Assam	Collaboration in the fields of training, R&D, industry partnership, industry visits and internship for students of Faculty of Engineering, FCM, FoCT	20.01.2024 to 19-01-2027
29.	Piramal Swasthya Management and Research Institute, Hyderabad	Collaboration to set up a process of recruitment in the campus.	07.02.2024 to 06-02-2027
30.	Kohima Science College, Nagaland	Joint research, exchange of faculty and students, internship & training program for students, joint consultancy and project implementation.	28-03-2024 to 27-03-2027
31.	Don Bosco College, Kohima, Nagaland	Joint research, exchange of faculty and students, internship & training program for students, joint consultancy and project implementation.	28-03-2024 to 27-03-2027
32.	Madhabdev University, Panbari, Assam	Joint research, exchange of faculty and students, internship & training program for students, joint consultancy and project implementation.	23-03-2024 to 22-03-2027
33.	Bhattadev University, Bajali, Assam	Joint research, exchange of faculty and students, internship & training program for students, joint consultancy and project implementation.	14-05-2024 to 13-05-2027
34.	Rangia College, Rangia, Assam	Development of common platform for research, exchange programme for faculty and students	20-02-2024 to 19-02-2026
35.	L.G.B Girls' College, Sonitpur, Assam	To develop common platform for research, exchange programme for faculty and students	27-12-2023 to 26-12-2028
36.	Rangapara College, Sonitpur, Assam	To develop common platform for research, exchange programme for faculty and students	27-12-2023 to 26-12-2028
37.	Tamulpur College, Assam	To develop common platform for research, exchange programme for faculty and students	09-03-2024 to 08-03-2027
38.	Pub Kamrup College, Assam	To develop common platform for research, exchange programme for faculty and students	11-03-2024 to 10-03-2027

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
39.	Damdama College, Hajo, Assam	Collaboration to develop a common platform for Research, Exchange programme for Faculty and Student. Internship and Training programme for students, Joint consultancy and Project implementation and any other activities as agreed upon by both the parties.	19-03-2024 to 18-03-2027
40.	Dikhowmukh College, Sibsagar, Assam	To develop common platform for research, exchange programme for faculty and students, joint consultancy & project implementation.	02-04-2024 to 01-04-2027

Enhancing Infrastructure and Facilities at Assam down town University

In the pursuit of academic excellence and holistic student development, Assam down town University has made significant strides in upgrading and expanding its infrastructure during this academic session. Our commitment to providing a world-class learning environment has led to the introduction of several new facilities and the renovation of existing ones to meet evolving educational standards.One of the key developments this year has been the enhancement of classroom and laboratory facilities. To foster a more interactive and engaging learning experience, we have equipped classrooms with modern audio-visual aids and smart learning tools. Additionally, new state-of-the-art laboratories have been established, ensuring that students receive hands-on experience with cutting-edge technology and research methodologies.

In our endeavor to support holistic growth, we have also upgraded our library facilities. The addition of digital resources, e-books, and high-speed internet access has significantly improved the ease of research and self-learning opportunities for students and faculty alike. The expansion of study spaces and reading rooms has further enriched the academic ambiance of the university.Recognizing the importance of student well-being, the university has invested in upgrading hostel facilities, ensuring a comfortable and secure residential experience. The hostels have been equipped with modern amenities, including better recreational spaces, hygienic dining facilities, and enhanced security measures. Furthermore, a new sports complex has been introduced to promote physical fitness and extracurricular engagement among students.The digital transformation of administrative processes has been another milestone this year. The implementation of an advanced Learning Management System (LMS) and an upgraded online student portal has streamlined academic and administrative operations, making them more efficient and accessible.

Additionally, our commitment to sustainability has led to the addition of biogas plant, sewage treatment plants (STP) planting of more tree and establishment of valuable wood plantlets to already existing installation of eco-friendly infrastructure, including solar panels, rainwater harvesting systems, agar wood plantations and other green spaces across the campus. These initiatives align with our vision of fostering an environmentally responsible campus.

Newly introduced facilities in the Academic building to support student endeavor

Newly introduced Well-Equipped Common Spaces for Student Engagement and Learning

Campus Shuttle and Transport Facilities including e-vehicles for Convenience & Connectivity

Encouraging Fitness and Sports: A Hub for Recreational and Competitive Activities

AdtU's steps towards a Sustainable Future: Environmental Conservation and Green Technologies.

Encouraging Academic Excellence through Conferences, FDP, and Professional Memberships

At Assam down town University (AdtU), we are committed to fostering a culture of academic growth and knowledge exchange. To this end, we actively encourage our faculty members and students to participate in national and international conferences, workshops, and Faculty Development Programs (FDPs). These platforms provide valuable opportunities to share innovative ideas, engage in scholarly discussions, and stay updated with the latest advancements in various fields.

To support this initiative, AdtU has a dedicated scheme that facilitates financial assistance for faculty and students attending such prestigious events. Additionally, the university recognizes the importance of professional networking and encourages faculty members to obtain memberships in renowned national and international academic and professional bodies. To ease this process, AdtU provides reimbursement for membership fees, ensuring that faculty members have access to valuable resources, collaborations, and professional development opportunities.Through these efforts, AdtU reinforces its commitment to academic excellence, continuous learning, and global engagement, enabling its faculty and students to contribute meaningfully to their respective domains.

In this academic year, a large number of our esteemed faculty members have actively participated in various national and international conferences, workshops, and Faculty Development Programs (FDPs). These engagements have provided them with valuable insights, research collaborations, and opportunities to contribute to the academic community.

Below is a comprehensive list of conferences and FDPs attended by our faculty members, showcasing their dedication to continuous learning and professional development:

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
1	Dr. Saikat Sen	Faculty of Pharmaceutical Science	Keynote Speaker in e-FDP 'EITAP-2k24' organized by Shri Venkateshwara College of Pharmacy, Puducherry	NA	3rd to 8th June 2024	Online

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
2	Dr. Faruk Alam	Faculty of Pharmaceutical Science	National conference "Drug Discovery and In-Silico Drug Design "	Drug Discovery and In-Silico Drug Design "	18.11.2022	Royal School of Pharmacy
3	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Workshop cum Valu Added Course on Nanotechnology (Amazing Nano 2023), organized by Department of Electronics and Communication Engineering, School of Technology, Assam Don Bosco University, Guwahati.	Advancement of nanotechnology in biomedical application	03.10.2023	Online Mode
4	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Virtual Symposium on "Application of Biotechnology" organized by INTI, Malaysia	Exploring Natural Resources in Quest for Lead Molecules	20.09.2023	Online Mode
5	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Two-day workshop on "Mastering the Art of Research: From Selection to Publication"	Identifying and selecting a viable research area	01.09.2023	Pratiksha Institute of Pharmaceutical Sciences, Guwahati
6	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Four-Day Workshop	Basic data Science in Pharmacoepidemiology	25th to 29th March 2022	Pharmacy Literacy Club/ MAHE, Manipal, Karnataka, India
7	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Three Day National Webinar	Recent Trends in Pharmaceutics and Novel Drug Delivery Systems	21st to 23rd March, 2022	Dept. of Pharmaceutics (MPH), Shri Vishnu College of Pharmacy (Autonomous), Bhimavaram, Andhra Pradesh,
8	Dr. Rinchi Bora	Faculty of Pharmaceutical Science	APTICON 2023	Analytical method development, validation, synthesis, characterization and forced degradation studies of	2nd to 3rd September, 2023	PSIT, Kanpur

Recognition and Accolades: Commitment to Society and Academic Excellence

At Assam down town University (AdtU), our dedicated faculty members and students actively contributed to society through various initiatives, research, and community engagement. Their relentless efforts in education, innovation, and social service have been recognized by esteemed national and international organizations.

In recognition of these contributions, many of our faculty and students have received accolades, awards, and honors from distinguished bodies. These achievements reflect the university's commitment to academic excellence, social responsibility, and impactful learning.

This year, the AdtU fraternity has earned numerous prestigious recognitions, further strengthening our reputation as a center of excellence. These honors serve as a testament to the hard work, dedication, and passion of our faculty and students in making a meaningful difference in society.

Extracurricular Activities at AdtU: A Year of Engagement and Growth

At AdtU, extracurricular activities play a crucial role in shaping students' holistic development alongside their academic pursuits. Throughout the year, students actively participated in various clubs, each catering to diverse interests and talents. These clubs provided a platform for students to express their creativity, enhance their skills, and foster a sense of community.

Highlights from the Clubs

1. Drishya Drama Club

The Drishya Drama Club captivated audiences with its outstanding theatrical performances. Students showcased their acting talents through stage plays, skits, and monologues, addressing social issues and entertaining the university community.

2. Om Yoga & Meditation Club

This club played a significant role in promoting wellness and mindfulness. Regular yoga and meditation sessions helped students manage stress, improve concentration, and embrace a healthy lifestyle. Special workshops on mental well-being were also conducted.

3. Erudite Literary Club

With a passion for literature and creative writing, the Erudite Literary Club organized poetry recitations, storytelling sessions, and debate competitions. The club encouraged students to enhance their writing and public speaking skills.

4. Tribhanga and Zephyr Dance Clubs

These dance clubs brought vibrancy to campus life through dynamic performances in various styles, including classical, contemporary, and fusion. The clubs participated in inter-university dance competitions and organized workshops for aspiring dancers.

5. Dorian and Bandish Music Club

Music enthusiasts found their home in the Dorian and Bandish Music Club, where students engaged in vocal and instrumental performances. The club hosted open mic sessions, battle-of-the-bands competitions, and musical evenings, enriching the cultural landscape of the university.

6. Beethika Art Club

The Beethika Art Club nurtured students' artistic talents through painting exhibitions, mural projects, and workshops. The club also contributed to beautifying the campus with creative art installations and graffiti projects.

7. Sports Club

With an emphasis on physical fitness and teamwork, the Sports Club organized tournaments in football, basketball, cricket, badminton, and other sports. Students actively participated in intra- and inter-university competitions, showcasing their athletic prowess.

8. Landscape, Photography & Cine Club

This club provided a platform for students to explore visual storytelling through photography and filmmaking. Members captured stunning images of campus life, produced short films, and conducted photography workshops to enhance technical skills.

A Year of Achievements and Inspiration

The year witnessed a surge in student engagement across all clubs, reflecting a culture of creativity, teamwork, and self-expression at AdtU. These extracurricular activities not only helped students hone their talents but also contributed to their overall personality development. The university remains committed to fostering such opportunities, ensuring that students receive a well-rounded educational experience.

Championing Excellence: Sports Activities at AdtU (2023-24)

The academic year 2023-24 was a remarkable period for sports at Assam down town University (AdtU), marked by outstanding achievements, thrilling competitions, and a growing spirit of sportsmanship among students and faculty alike. From badminton and cricket to a grand sports fest, the university's athletes and teams showcased their dedication, resilience, and competitive excellence on multiple prestigious platforms.

AdtU Badminton Championship 2024

The AdtU Badminton Championship 2024, held on 23rd May 2024, was a spectacular event that witnessed participation from various universities and institutions. The championship featured competitions in Men's and Women's team events, along with an exciting Mixed Doubles category.

- Men's Team Event: The champions were AIPE (A) from the Abhiruchi Institute of Physical Education, with stellar performances from Lahu Linggi, Sonmyadeep Saha, Diwas Yadav, Kabeer Husain, and Jyoti Kachari. The runners-up were KKHSOU (Krishna Kanta Handique State Open University), featuring Sangram Chutia, Sajid Akhtar, Meraj Hussain, Saurav Jyoti Deka, and Ashok Talukdar. Sangram Chutia was awarded the Best Player (Men) title for his exceptional gameplay.
- Women's Team Event:Cotton University emerged victorious, represented by Suzen Buragohain and Pratiksha Pathak, while the Asian Institute of Management secured the runner-up position with Pratiksha Borgohain and Vasundhara Tanwar. Upasana Borgohain of Cotton University was named Best Player (Women) for her outstanding performance.
- Mixed Doubles Tournament:Cotton University (B), represented by Irfan Ahmed and Suzen Buragohain, claimed the championship title. Cotton University (A), comprising Tehzeeb Rahul Toufique and Pratiksha Pathak, finished as runners-up.

Inter-University and Inter-College Cricket Achievements

The AdtU Cricket Team had an eventful year, participating in various prestigious tournaments, showcasing their skill and teamwork at both regional and inter-varsity levels.

- Nemcare Group Premier League (Season 6): Held in November 2023, the AdtU team participated in this competitive tournament hosted by NITS Mirza, Guwahati. The team

secured a victory in their first league match, demonstrating their potential and teamwork.

AdtU Cricket Team Competes in Nemcare Group Premier League at NITS Mirza, Guwahati.

- Inter-College Cricket Tournament (Govt. Ayurvedic College, Guwahati): AdtU's team exhibited great resilience and skill, reaching the quarter-finals, further strengthening the university's presence in regional cricket.
- 3rd Niloy Dutta Memorial Inter-Varsity Cricket Tournament: Organized by the Assam Cricket Association (ACA), this prestigious event saw AdtU winning two of their league matches, proving their growing competence in inter-university cricket.

Inter-University Badminton Tournament (Nagaland University, AIU)

AdtU's badminton players participated in the Inter-University Badminton Tournament, organized by Nagaland University under the banner of the Association of Indian Universities (AIU). The team secured two victories in their league matches, gaining invaluable experience while competing against top universities from the region.

Highlights of AdtU badminton players competing at the Inter-University event

Faculty Participation: Flood Light Cricket Tournament

Faculty members of AdtU also actively participated in sports. 16 teachers and 2 non-teaching staff represented AdtU in the Flood Light Cricket Tournament for University and College Teachers, organized by Gauhati University. The team showcased commendable performance, reaching the semi-finals, emphasizing the university's commitment to promoting sports among both students and faculty.

AdtU's Faculty Team Competes in Flood Light Cricket Tournament, organized by Gauhati University

ATTITUDE-2024: A Grand Celebration of Sports

The Sports Fest for ATTITUDE-2024, held from 19th to 21st February 2024, was a massive success, featuring over 350 students competing in various sports events, including:

- Badminton Singles (Male and Female)
- Badminton Doubles (Male and Female)
- Volleyball (Male and Female)
- Futsal (Male and Female)
- Arm Wrestling (Male and Female)

The event was not just a competition but a celebration of sportsmanship, camaraderie, and athletic excellence within the AdtU community.

The 2023-24 academic year was an inspiring journey for AdtU's sports teams and athletes. With remarkable achievements in badminton and cricket at inter-college and inter-university levels, as well as a successful sports fest, the university continues to foster a strong sporting culture. These milestones reflect the dedication of students and faculty towards sports, and AdtU remains committed to encouraging athletic talent and excellence in the years to come.

Executive Summary

In the academic year 2023-24, Assam down town University (AdtU) made remarkable strides in enhancing its research ecosystem, aiming to foster a culture of academic excellence, innovation and scientific inquiry. Effort was pot to complete the preparation for implementation of MEP 2020 full-fledged form 2024-25 sessions. The course superstructures across all programs completed by taking into consideration different facts such as multidisciplinary, interdisciplinary academics, industry academics interface and internationalization and through active involvement of faculty members. Another key focus has been on revising the Research Award Policy to further incentivize faculty-driven research, positioning AdtU as a leader in academic research and development. The University introduced advanced instrumentation across all Central Instrumentation Facilities (CIF), enhancing access to cutting-edge technology for sophisticated experimentation and analysis. Additionally, significant improvements to laboratory infrastructure have created a more conducive environment for groundbreaking research across various disciplines.

A cornerstone of AdtU's research expansion is the allocation of substantial seed funding. The University provided ₹87.49 lakhs in seed grants to 28 faculty-led projects, nurturing pioneering research ideas and promoting high-impact scientific discoveries. Furthermore, AdtU has successfully secured and is actively managing a total of ₹1389.06 lakhs in extramural research grants, awarded by prominent government agencies such as the Department of Biotechnology (DBT), Department of Science & Technology (DST), Indian Council of Medical Research (ICMR), and Assam Science Technology & Environment Council (ASTEC). These grants signify the University's commitment to addressing contemporary scientific and societal challenges through collaborative and high-quality research.

In addition to government funding, AdtU has also secured ₹89 lakhs from 25 non-government funding agencies, supporting 213 faculty-led projects. This financial backing underscores the growing recognition of AdtU's research excellence, facilitating its faculty members in exploring diverse and impactful areas of study.

The University's continued efforts to foster an innovative research environment are complemented by its diverse academic offerings, with 1982 students enrolled across 49 programs under 10 faculties. These initiatives aim to strengthen AdtU's position as a leading institution in higher education and research. Moving forward, the University is committed to refining its research infrastructure, expanding its funding avenues, and maintaining its focus on cutting-edge research that addresses both global and regional challenges.

The expansion of both indoor and outdoor sports infrastructure, enhancement of library resources, and accelerated initiatives across key directorates—including International Affairs (DIA), Career Advancement (DOCA), Innovation Start-up and Acceleration (DOSA), Alumni Affairs (DOAA), and Student Affairs (DOSA)—are propelling AdtU toward its vision of becoming a globally recognized university from Northeast India. With a strong focus on academic excellence, research, and holistic student development, AdtU is committed to shaping a better society.

BUDGET UTILIZATION FOR THE FINANCIAL YEAR 2023-24

Breakdown of account-specific information for the academic year 2023-24

Particulars	Total (in INR)
Expenses towards regular maintenance	
Salaries Expenses	25,30,88,565
Hostel, Mess & Canteen Expenses	1,85,15,822
Fuel Expenditure	98,25,478
Electricity Expenses	1,35,47,892
Examination Expenses	32,45,987
E Governance-ERP Software Maintenance	2,65,85,768
Advertisement & Promotional Activities	92,45,852
Inspection, Rating & Surveillance Charges (UGC, AICTE,ISO,PCI etc)	7,45,814
Animal House Maintenance	12,85,792
Annual Souvenir	2,75,854
Cultural & Sport and Annual Fest Expenditure	44,87,954
Audit Fee	3,45,771
Charity Expenses	78,89,542
Printing & Stationery	18,64,451
Financial Support-Faculty-Membership-Attending Conference, FDP, Seminar etc.	21,25,748
Convocation & Foundation Day Expenses	38,75,482
Postal & Courier Charges	85,872
Library E- Books	2,01,132
Library E- Journals	4,95,638
Guest Faculty Fees	9,25,871
Incentive / Awards (Research & Innovation)	2,55,000
Insurance Premium	1,95,78,964
Internet Bill	29,54,721
Laboratory Maintenance	1,95,32,457
Laboratory Consumable Expenditure	34,25,781
Land Revenue Expenses	75,428
Legal Expenses	3,85,784
Library - E-Learning Resources, Coursera, etc.	1,36,03,835
Transportation & Local conveyance	11,78,945
Land-scape Maintenance	1,22,92,921
Library - Print Journals	9,62,782
Rates & Taxes	14,97,542
Building Repairs & Maintenance	8,75,98,656
Sports Facilities Maintenance	44,78,528
Transport Maintenance	43,89,754
Lift Maintenance	39,15,972
Computer & ICT Facility Maintenance	98,69,321
Water Tank & RO Machines Maintenance	44,12,578
Internet & Router Maintenance	66,78,952

BUDGET UTILIZATION FOR THE FINANCIAL YEAR 2023-24

Hostel & Canteen Maintenance	5,46,87,929
Furniture Maintenance	54,85,212
AMC (Annual Maintenance Charges)	14,85,988
NCC & NSS Expenditure	1,75,870
Expenditure on In-house Conduction of Conference, Seminar & Workshop, FDP etc	37,79,078
Expenditure on FDP - Innovation	2,49,465
Office Maintenance	14,85,967
Outreach & Extension Activities Expenditure	7,85,632
Research & Development and Consultancy	3,39,46,018
Housekeeping, Sanitary & Hygiene Expenses	98,64,521
Security Service Expenses	5,87,456
Seed Money to Faculty	87,49,000
Expenditure on incubation activities	48,41,208
Staff Welfare	19,85,475

SDG ANNUAL REPORT 2024

Version 1.2

13 CLIMATE ACTION

Prof (Dr) Pranveer Singh
Pro Vice-Chancellor
Assam down town University

SDG 13 Report 2024

1. Introduction

AdtU recognises that higher education institutions have an essential role in advancing climate resilience and mitigation activities. In alignment with **SDG 13 (Climate Action)**, the University is committed to reducing greenhouse-gas emissions, adapting infrastructure to climate risks, and embedding climate knowledge across teaching, research and campus operations.

2. Carbon Footprint & Emission Reduction Measures

- The University calculates annual electricity use and DG-fuel use to estimate a campus carbon footprint; for example, using the formula CO_2 (electricity) = (kWh/year)/1000 × 0.84 as outlined in Best Practice documents.
- To reduce fossil-fuel dependence, AdtU installed a 100 kWp rooftop solar PV system (generating ~26,500 kWh/year) and a 10 m³ biogas digester processing ~60 t of organic waste per year, converting waste into clean fuel for campus kitchens.
- Energy-efficiency upgrades include LED lighting retrofits, sensor-based controls and daylight-optimised building facades—all contributing to a ~10% reduction in annual electricity consumption.

3. Climate-Resilient Infrastructure & Adaptation

- The hilly terrain of Panikhaiti proved challenging for mobility; AdtU introduced electric campus cars and a custom e-rickshaw running on campus terrain to reduce transport emissions and improve resilience.
- The University's rainwater-harvesting system (tanks of 40,000 L in Block A/B etc) and bunds support groundwater recharge and manage storm-water runoff, contributing to climate-adaptation resilience.
- A campus-wide tree-planting initiative (Miyawaki forest, herbal & rubber gardens) enhances carbon capture and micro-climate cooling across the 55-acre campus.

4. Education & Research for Climate Action

- AdtU integrates climate-change modules into programmes across science, engineering and agriculture faculties, fostering climate-literacy among students.
- Faculty and students published research on "IoT monitoring of micro-climate in campus green zones" and "Assessment of rooftop solar performance in hilly terrain", contributing to regional climate-action knowledge.
- The University held a one-day seminar on "Smart Campus & Low-Carbon Infrastructure" on 5 November 2024, involving 120 participants from neighboring institutions.

5. Monitoring, Impact & Forward Outlook

- Key indicators tracked: % renewable energy per campus load (>16%), organic-waste processed (~60 t/year), year-on-year reduction in CO_2eq emissions (target 5%).
- The roadmap for 2026-27 includes doubling rooftop solar capacity to 200 kWp, establishing a campus carbon-audit unit, launching a "Smart-Climate-Dashboard" and partnering with local municipalities for watershed-forest restoration.

- An institutional Climate-Action Plan (CAP) will be submitted for accreditation and will quantify pathways for Scope 1–3 emissions reduction by 2030.

Conclusion

AdtU's integrated strategy, renewable energy, efficient infrastructure, waste-to-fuel systems, climate-focused research and community outreach, directly supports SDG 13: Climate Action. The University reaffirms its commitment to a low-carbon, resilient future for its campus, region and society.

Total Carbon Footprint (CO_2 emission in the last 12 months, in metric tons)

CO_2 (electricity)

$$= \frac{electricity\ usage\ per\ year\ (kWh)}{1000} \times 0{,}84$$

$$= \frac{13{,}52{,}715\ kWh}{1000} \times 0{,}84$$

= **1136.28 metric tons**

CO_2 (bus)

$$= \frac{number\ of\ shuttle\ bus\ in\ your\ university \times total\ trips\ for\ shuttle\ bus\ service\ each\ day \times approximate\ travel\ distance\ of\ vehicle\ each\ day\ inside\ campus\ only\ (KM) \times 240}{100} \times 0{,}01$$

$$= \frac{2 \times 22 \times 2.1 \times 240}{100} \times 0{,}01$$

= **2.21 metric tons**

CO_2 (cars)

$$= \frac{\text{number of cars entering your university} \times 2 \times \text{approximate travel distance of vehicle each day inside campus only (KM)} \times 240}{100} \times 0{,}02$$

$$= \frac{350 \times 2 \times 2.1 \times 240}{100} \times 0{,}02$$

= **70.56 metric tons**

CO_2 (motorcycle)

$$= \frac{\text{number of motorcycle entering your university} \times 2 \times \text{approximate travel distance of vehicle each day inside campus only (KM)} \times 240}{100} \times 0{,}01$$

$$= \frac{1500 \times 2 \times 2.1 \times 240}{100} \times 0{,}01$$

=**151.2 metric tons**

CO_2 (total)

= 1136.28 + 2.21 + 70.56 + 151.2

= **1360.25 metric tons**

Carbon footprint=1360.25 metric tons

Total Carbon Footprint (AdtU)

Fig. 2.13.18. Bamboo plantaion inside AdtU campus acting as major carbon sink along with other forest trees and planted vegetation

Description:

Due to AdtU's location in a hilly terrain, common E-rickshaws are not efficient for campus mobility. To address this, the university has introduced electric cars on the campus. Additionally, students from the Faculty of Engineering have developed an E-rickshaw designed specifically for the university's terrain. This initiative supports the university's commitment to reducing its carbon footprint and fostering an eco-friendly campus environment.

To enhance water conservation and management on campus, AdtU has undertaken the construction of tanks and bunds. These structures are designed to collect, store, and manage water resources effectively, contributing to the university's sustainability goals and supporting its various operational needs.

The rainwater harvesting system at Assam down town University facilities consists of multiple blocks with different tank capacities. Block A has tanks with a capacity of 40,000 litters, while Block B has a larger tank holding 150,000 liters. Blocks E and J feature tanks with a capacity of 40,000 liters each. These tanks collect rainwater from various surfaces and store it for non-potable uses within the university, reducing reliance on groundwater and municipal water supply. The system promotes water conservation, mitigates storm water runoff, and demonstrates the university's commitment to sustainability.

The pie chart depicts the distribution of publications in quality journals based on Impact Factors during the academic year 2023-24.

Details of extramural grant projects (Government sponsored) sanctioned or ongoing during the current academic year at AdtU.

Name of the Project/ Clinical Trial/ Endowment/ Chairs	Name of the Principal Investigator/Co Investigator	Name of the Funding agency	Type (Government/Non-Government etc.,)	Department of Principal Investigator/ Co Investigator	Year of Award	Funds provided (INR in Lakhs)	Duration of the project
TBI NIDHI Inclusive Technology Business Incubator	Prof. Sunandan Baruah	Department of Science &Technology (DST), Govt. of India	Government	Faculty of Engineering	2023-24	473.20	3 Years
Assessment of effect of multispecies consortium of effective bacteria strain of scented rice origin on improving yield and functional traits and impact on rhizosphere microbiome of scented rice in multi-location field trials at Assam and Manipur	Prof. N.C Talukdar (PI), Dr. Suman Kumar Samanta (Co-PI), Dr. Laishram Shanti Kumar Singh (Co-PI)	Department of Biotechnology (DBT), Govt. of India	Government	Faculty of Science	2023-24	50.120	3 years
Systematic pharmacological investigation bioactive phytoconstituents present in medicinal plants found in the northeastern region of India against obesity-associated non-alcoholic fatty liver disease	Dr. Manash Pratim Pathak (PI)	Indian Council of Medical Research (ICMR)	Government	Faculty of Pharmaceutical Science	2023-24	28.740	3 years
Performance evaluation of an effective PGPR strain as bioinoculant for use in production of organic tea	Dr. Laishram Shanti kumar Singh(PI), Prof Suresh Deka (Co-PI) and prof N.C Talukdar (Co-PI)	SERB, DST	Government	Faculty of Science	2023-24	34.940	3 years
Socio-Economic Development of ST Communities through Hydro-Electric and Solar Power Generation, Integrated Farming and Mushroom Production.	Prof. Sunandan Baruah (PI) Dr. Rajeev Sarmah (PI)	Department of Science & Technology(DST), Govt. of India	Government	Faculty of Engineering, Science, Pharmaceutical Science, Commerce & Management	2022-23	276.430	3 years
Strengthening ST community of Anini, Arunachal Pradesh by empowering knowledge and skills for socioeconomic development and sustainable Livelihood.	Dr. Rajeev Sarmah (PI)	Department of Science & Technology (DST), Govt. of India	Government	Faculty of Sciences	2022-23	125.630	3 years
Assessment of Level of Knowledge and Awareness of Family Planning Practices among the Mising Communities of Assam	Dr. Bijoy Das (PI) and Mr. Rajgun Handique	Govt. of Assam	Government	Faculty of Humanities & Social Sciences	2022-23	400.000	2 years

A. Details of the Journal-publications with university affiliation during the academic year 2023-24.

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
1	Advances In Car T-Cell Therapy For Treating Patients With Mantle Cell Lymphoma: A Critical Appraisal	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	International Journal Of Surgery
2	Examining The Differences Between How Doctors And Ai Chatbots Handle Patient Symptoms	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	International Journal Of Surgery
3	Ameliorative Role Of Bioactive Phytoconstituents Targeting Obesity Associated Nafld By Modulation Of Inflammation And Lipogenesis Pathways: A Comprehensive Review	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Phytochemistry Reviews
4	1-Norm Twin Random Vector Functional Link Networks Based On Universum Data For Leaf Disease Detection	Chittabarni Sarkar, Deepak Gupta, Barenya Bikash Hazarika	Faculty of Engineering	Applied Soft Computing
5	Recent Histone Deacetylase Inhibitors In Cancer Therapy	Divya Harihar, Dr Biswa Prasun Chatterji	Faculty of Science	Cancer
6	Modeling And Surface Morphological Study In Drilling Of Al 2024 Alloy	Dr. Sanjib Kr Rajbongshi, Mr. Biswajyoti Das,Pranta Rudra; Kiyeka S Chophy, Damanshuwa Syiemlieh	Faculty of Engineering	Journal Of Manufacturing Processes
7	Bioactive Compounds, Nutraceutical Values And Its Application In Food Product Development Of Oyster Mushroom	Vivekanandini Devi, Dr. Daisy Sharma, Ms. Jasmin Islam	Faculty of Science	Journal Of Future Foods
8	Phenolic Profile, Antioxidant, Antihyperlipidemic And Cardiac Risk Preventive Effect Of Chakhao Poreiton (A Pigmented Black Rice) In High-Fat High-Sugar Induced Rats	Raja Chakraborty, Saikat Sen, P Kalita	Faculty of Pharmaceutical Science	Rice Science
9	Socio-Economic Analysis Of Edible Insect Species Collectors And Vendors In Nagaland, North-East India	L. Mozhui, L. N. Kakati, B.Ao, V.Kezo, V. B. Me Yer-Rochow	Faculty of Science	Journal Of Insects As Food And Feed

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
10	Mahanine Mediated Therapeutic Inhibition Of Estrogen Receptor-? And Cdk4/6 Expression, Decipher The Chemoprevention-Signaling Cascade In Preclinical Model Of Breast Cancer	Suman Kumar Samanta, Paramita Choudhury, Raghuram Kandimalla, Farrukh Aqil, Disha N. Moholkar, Ramesh C. Gupta, Momita Das, Bhaskarjyoti Gogoi, Neelutpal Gogoi, Partha Pratim Sarma, Rajlakshmi Devi, Prof. Narayan C. Talukdar	Faculty of Science	Journal Of Ethnopharmacology
11	Year-Round Growth Potential And Moisture Stress Tolerance Of Buckwheat (Fagopyrum Esculentum L.) Under Fragile Hill Ecosystems Of The Eastern Himalayas (India)	Krishnappa Rangappa , Anjan Kumar Sarma	Faculty of Science	Frontiers In Sustainable Food Systems
12	Profiling Of 3-Formyl Rifamycin (3-Fr) From Sintered Fixed Dose Combinations (Sdcs) Of Rifampicin And Isoniazid By Using Rp-Hplc, Lc-Esi-Qtof And Uplc/Ms/Ms	Tukaram Karanwad, Subham Banerjee, Sachin B Jorvekar, Santa Mandal, Roshan M Borkar	Faculty of Pharmaceutical Science	Microchemical Journal
13	Augmentation Of Plant Biomass Productivity Using Epigeic Earthworm Perionyx Excavatus And Eisenia Fetidas As Soil Nutrient Facilitators	Lirikum Jing, Lakhmi Nandan Kakati, Bendang Ao, Patricia Kiewhuo	Faculty of Science	Scientific Reports
14	Enhanced Morphological, Mechanical And Dielectric Properties Of Paraffin Wax Incorporated With Polyaniline (Pani) And Reduced Graphene Oxide (Rgo) Nanocomposites	Dr. Papari Das, Dr A. B. Deoghare and Dr S. R. Maity.	Faculty of Engineering	Diamond And Related Materials
15	Curcumin-Loaded Nanomedicines As Therapeutic Strategy In Malaria Management	Dr. Ruhul Amin, Javad, Melody	Faculty of Pharmaceutical Science	Efood
16	Profiling Of Polyphenolic Compounds, Antioxidant, Antidyslipidemic And Cardiac Risk Preventive Effect Of Keteki Joha And Kola Joha Rice Cultivars Grown In Assam, India: A Comparative Study	Saikat Sen, R Chakraborty ,P Kalita	Faculty of Pharmaceutical Science	Current Topics In Medicinal Chemistry
17	Orchids Of Dibru-Saikhowa National Park And Biosphere Reserve, India: A Systematic Review On Their Traditional Use, Pharmacological Activity And Phytochemistry In Relation To Drug Discovery	Pal Gogoi, Dr. Saikat Sen	Faculty of Pharmaceutical Science	Current Topics In Medicinal Chemistry

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
18	An Optimized Dip Coating Approach For Metallic, Dielectric, And Semiconducting Nanomaterial-Based Optical Thin Film Fabrication	Mr. Arnab Sarkar, Dr. Sunandan Baruah, Devabrata Sarmah, Pranayee Datta	Faculty of Engineering	Coatings
19	Robust Support Vector Quantile Regression With Truncated Pinball Loss (Rsvqr)	Barenya Bikash Hazarika, Deepak Gupta, Parashjyoti Borah	Faculty of Engineering	Computational And Applied Mathematics
20	Antidiabetic Potential Of Amomum Dealbatum Roxb. Flower And Isolation Of Three Bioactive Compounds With Molecular Docking And In Vivo Study	Nilamoni Chelleng Chandan Tamuly, Dr. Saikat Sen, Prof. N.C. Talukdar, Dr. Partha Pratim Dutta, Pankaj Chetia, Biplab Kr Dey	Faculty of Pharmaceutical Science	Natural Product Research
21	Design, Qsar Methodology, Synthesis And Assessment Of Some Structurally Different Xanthone Derivatives As Selective Cox-2 Inhibitors For Their Anti-Inflammatory Properties	Riya Saikia, Kalyani Pathak, Aparoop Das, Dubom Tayeng, Mohammad Zaki Ahmed, Jyotirmoy Das, Smita Bordoloi and Manash Pratim Pathak	Faculty of Pharmaceutical Science	Medicinal Chemistry
22	Investigating Genetic Polymorphism In E. Histolytica Isolates With Distinct Clinical Phenotypes	Sanjib K Sardar, Dr. Sandipan Ganguly, Dr. Koushik Das, Ajanta Ghosal, Tapas Haldar, Yumiko Saito-Nakano, Seiki Kobayashi, Shanta Dutta, Tomoyoshi Nozaki, Sandipan Ganguly	Faculty of Science	Parasitology Research
23	Novel Gene Therapy Advances For Treating Primary Immunodeficiency Disorder: An Update	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	Annals Of Medicine & Surgery
24	Hiv-Assist: Revolutionising Hiv Treatment Decisions With Evidence-Based Precision	Dr. Ruhul Amin TB Emransapnil	Faculty of Pharmaceutical Science	Annals Of Medicine & Surgery
25	Short Tandem Repeat (Str) Based Sequence Typing Of Entamoeba Histolytica Identifies Stga-D Locus As A Genetic Marker, Associated With Disease Outcomes	Dr. Koushik Das, Dr. Koushik Das, Shashi Upadhyay, Ajanta Ghosal, Yumiko Saito-Nakano, Shanta Dutta, Tomoyoshi Nozaki, Sandipan Ganguly	faculty of science	Parasitology International
26	Environmental Micro-Plastics And Nano-Plastics: Effects On Cardiovascular System	Sejuti Ray Chowdhurymanish Kumar Gautamarup Dey, Sandip Mondal	Faculty of Pharmaceutical Science	Toxicologie Analytique Et Clinique

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
27	Larvicidal Property And Active Compound Profiling Of Annona Squamosa Leaf Extracts Against Two Species Of Diptera, Aedes Aegypti And Anopheles Stephensi	Piyali Dey, Santa Mandal, Danswrang Goyary, Anurag Verma	Faculty of Pharmaceutical Science	Journal Of Vector Borne Diseases
28	Ethnobotanical Study Of Medicinal Plants Used Traditionally For Managing Cuts And Wounds By The Rural People Of Kailashpur, Assam, India	Pal Gogoi, Dr. Saikat Sen,	Faculty of Pharmaceutical Science	Indian Journal Of Pharmaceutical Education And Research
29	Urtica Dioica (Stinging Nettle): A Comprehensive & Concise Review On Its Nutritional Profile And Therapeutic Applications	Namra Aziz, Pranay Wal, Yadav Rupali Vinod, Dhrubajyoti Sarkar, Ankita Wal, Vaibhav Verma	Faculty of Pharmaceutical Science	Current Traditional Medicine
30	A Descriptive Analysis Of The Nutraceutical Constituents, Extraction Techniques, And Possible Health Benefits Of Tamarind	Pranay Wal, Ankita Wal, Biplab Debnath, Dhrubajyoti Sarkar, Neha Verma, Shruti Rathore	Faculty of Pharmaceutical Science	Current Traditional Medicine
31	Phytochemical And Pharmacological Profile Of Desmodium Gangeticum (L.) Dc.: A Comprehensive Review	Manajit Bora, Dr. Manish Kumar Gautam	Faculty of Pharmaceutical Science	Current Traditional Medicine
32	Nanoparticulate Formulation For The Treatment Of Different Types Of Colon Disease Like Ulcerative Colitis: A Comprehensive Review	Dr. Ananta Choudhury, Debbogopla Gangully, Dr. R Chandra	Faculty of Pharmaceutical Science	Journal Of Young Pharmacist
33	A Comprehensive Overview Of Edible Natural Excipients And Their Potential Use In Pharmaceutical Formulation Development	Dr.Ananta Choudhury, Jahnabi Sarmah, Mr. Himangshu Deka, Mr. Dhiraj Baishya	Faculty of Pharmaceutical Science	Journal Of Young Pharmacist
34	A Review On Indole As A Cardinal Scaffold For Anticancer Drugs Development	Meenakshi Rana, Dharmendra Kumar , Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Current Cancer Therapy Reviews
35	An Overview Of Complementary Therapies For Effective Diabetes Management	Himangshu Deka, Dr. Ananta Choudhury, Jahnabi Sarmah, Debgopal Ganguly, Rosamund Jyrwa, Dhiraj Baishya, Nurjamal Houque	Faculty of Pharmaceutical Science	International Journal Of Pharmaceutical Investigation

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
36	An Experimental Study On Phytochemical Screening And In Vitro Anti-Microbial Properties Of Extract Of Cinnamomum Tamala Leaves	Keshamma Ebalakrishna Vuyyalamanisha Bhatti, Vinay Kumar Gupta, Debanjana Mondal, Dhiraj Baishya, Priyam Jyoti Das, Yogita Akash Shinde, Dileep Singh Baghel	Faculty of Pharmaceutical Science	China Petroleum Processing And Petrochemical Technology
37	A Study On Green Human Resource Management And Its Practices To Environmental Performance	Pranami Chakravorty	Faculty of Commerce and Management	Boletin De Literatura Oral
38	Risk Factors Of Still Birth In India: A Systematic Review Artiele	Dr. Nirmali Gogoi	Faculty of Nursing	Pakistan Heart Journal
39	A Comparative Analysis On Perception Of Policyholders With Respect To Icici Prudential And Hdfc Life Insurance Company In Jorhat District Of Assam	Dr. Shibani Borah, Dr. Pramod Kumar	Faculty of Commerce and Management	Boletin De Literatura Oral
40	Evaluation Of Tourist Expectation Gaps: A Case Study Of Kaziranga National Park	Samannoy Baruah,	Faculty of Commerce and Management	Boletin De Literatura Oral
41	Effects Of Aqueous And Ethanolic Seed Extract Of Asparagus Racemosus Linn On Neurobehavioral Pattern Of Acrylamide Induced Experimental Zebra Fish	Anubhav Dubey, Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Research Journal Of Biotechnology
42	A Discussion To Promote Global Sustainability Techniques For Motivating Plastic Waste To Minimize Carbon Footprints	Ananya Kalita, Ankur Pan Saikia, Prof. Pranveer Singh, Prof. Sunandan Baruah, Prof. Utpal Barman	Faculty of Engineering	Environmental Quality Management
43	Phyto-Pharmacological Investigation Of Plumbago Zeylanica For Memory Enhancing Activity	Dr. Kumara Swamy Samanthula	Faculty of Pharmaceutical Science	International Journal Of Pharmaceutical Quality Assurance
44	Application Of Box-Behnken Design In Optimization Of Clobetasolloaded Nanostructured Lipid Carrier For Topical Use	Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	International Journal Of Drug Delivery Technology (IJDDT)
45	Dry Eye - Study Of Prevalence, Attributed Risk Factors And Frequency Of Symptoms In An Urban Population	Ms. Debasree Nandy	Faculty of Paramedical Sciences	Annals Of Multidisciplinary Research, Innovation And Technology (AMRIT)

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
46	Prevalence Of Myalgia And Its Association With Inflammatory Markers In Adult Female Workers	Mr. Hijam Chandramani Singh	Faculty of Paramedical Sciences	Annals Of Multidisciplinary Research, Innovation And Technology (AMRIT)
47	Development And Validation Of Stability Indicating Method For Lobeglitazone In Bulk And Pharmaceutical Formulation By Uv-Spectrophotometer	Dr. Uttam Prasad Panigrahy	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
48	Current Therapeutic Strategies For Chagas Disease	Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Anti-Infective Agents

328	Vaccines For Yellow Fever Disease: A Narrative Review		Faculty of Science	Microbes And Infectious Diseases
329	Weed Flora Composition In Upland Direct Seeded Rice In Brahmaputra River Ecotones And Edges In Majuli District, Assam	Rashmi Rekha Borah, Dr. Animesh Gogoi	Faculty of Science	Indian Journal Of Agricultural Research
330	Zooplankton As Bio-Indicator Of Aquatic Ecosystem: A Review	Sourav Debnath, Dr. Nibedita Talukdar	Faculty of Science	African Journal Of Biological Science (South Africa)
331	A Hybrid Grasshopper Optimization Algorithm For Skin Lesion Segmentation And Melanoma Classification Using E-Health Deep Learning	Dr. Aniruddha Deka	Faculty of Engineering	Healthcare Analytics
332	Yield And Biochemical Profiling Of Onion (Allium Cepa L) Under Diffrent Growing Condition	Soni Kumari, Dr.Mohammad Zaki Shamim	Faculty of Science	Indian Journal Of Natural Sciences
333	Developing A Sustainable Model: The Role Of Renewable Energy In Eco-Hotels	Mr. Santanu Sarma, Dr. Samannoy Baruah	Faculty of Commerce and Management	Journal Of Applied Optics
334	Effect Of Ocimum Sanctum Extract In Controlling Life Stages Of Callosobruchus 2 Chinensis L.: An In-Silico Approach	Dipanjan Dey, Dr. Suraj Chetri	Faculty of Science	International Journal Of Agriculture And Biosciences
335	A Blockchain-Based Iot Data Securing And Sharing System For Attendance Management	Dr. Aniruddha Deka	Faculty of Engineering	Indian Journal Of Science & Technology
336	Radiation Exposure Assessment In Coronary Angiography Computed Tomography Scan: Establishing Diagnostic Reference Level For Northeast Assam Population	Dr. Arnabjyoti Deva Sarma, Jibon Sharma, Dr. Mrinak Kanti Singha, Dr. Manash Pratim Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
337	A Novel Approach For Iot-Based Cloud Computing Technology And Its Impact On Business Entrepreneurship	Dr. Pramod Kumar	Faculty of Commerce and Management	International Journal Of Intellectual Systems And Applications In Engineering
338	A Systemic Review Of Preclinical Studies Of Herbal Plants Having Anti-Polycystic Ovarian Syndrome Activity: A Pan India Study	Manashi Karmakar, Dr. Manash Pratim Pathak, Dr. Mrinmoy Basak, Dr. Saikat Sen, Ms. Ireenia Warjri, Dr. Utpal Barman	Faculty of Pharmaceutical Science	The Natural Products Journal

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
339	Â An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Darthan Mawia, Riya Saikia, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
340	An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
341	Unveiling Novel Drug Leads: Utilizing Molecular Docking Studies For Efficient Drug Discovery	Majuj Ahmed Dr. Rinchi Bora Anisha Sharma	Faculty of Pharmaceutical Science	Research Journal Of Chemistry And Environment

B. Details of Book-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Authors Name	Publisher (ISBN)	Faculty of Study
1	Principles and Practices of Network Security	Aniruddha Deka, Debashis Dev Mishra	Xoffencer International Publication (9788119534074)	Faculty of Engineering and Technology
2	Basic Anatomy and Physiology of Eye	Rakibul hasan khan	Jbd publication (9789392330919)	Faculty of Paramedical Sciences
3	5G Technology and Its Application	Aniruddha Deka, Jyoti Prasad Kalita, S. R. Jena, Haewon Byeon	Xoffencer International Publication (9788119534227)	Faculty of Engineering and Technology
4	Trends in Nanoscience for future development	Dr. P. Arularasan, Dr. Rohit Shrivastava, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5762-168-7)	Faculty of Engineering and Technology
5	Graphene Revolution and Challenges	Dr. P. Arularasan, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5757-551-5)	Faculty of Engineering and Technology
6	Entrepreneurship and Startup Ecosystem In India	Dr. Anupam Jain, Dr. Vinod kumarjain, Dr. Jyotiprasad Kalita, Dr. Ruchika Rathi	The Global Publishers & Distributors (978896237769)	Faculty of Commerce and Management
7	Stress Management and Building Resilience	Dr Manjusha Deka Saikia	IIP Publications (Awaited)	Faculty of Humanities and Social Sciences

8	Archives of Agricultural Extension Education	Dipankar Saikia, Bidyut Pritom Gogoi, Asha Rani	Himanshu Publications (978-93-87201-58-3)	Faculty of Agricultural Sciences and Technology
9	A textbook of Pharmaceutical Jurisprudence	Dr. Rinchi Bora, Ms. Kalpana Sonwani, Mihir Otia, Mr. Vishal Kumar Pathak	Stallion Publication (978-93-95074-05-6)	Faculty of Pharmaceutical Science
10	Digital Marketing	Dr. Bhabajyoti Saikia	Scientific International Publishing House (SIPH) (978-93-5757-850-9)	Faculty of Commerce and Management
11	Social Work in a Globalised World	Prateeti Barman	Fahhochshulverlag (978-3-947273-77-5)	Faculty of Humanities and Social Sciences
12	Textbook of Pharmaceutical Quality Assurance	Dr. Khagga Bhavyasri, Dr. Uttam Prasad Panigrahy, Dr. M. Akiful Haque, Dr. Heena Farooqui.	Lapin Press Publications (978-81-965269-1-7)	Faculty of Pharmaceutical Science
13	CLASSICAL ALGEBRA	Gunendra Ch. Das	BNit Book Builder (978-93-94334-71-7)	Faculty of Science
14	A Practical Book of Medicinal Chemistry - I	Dr. TC Lalhriatpuii,Ms. Nayanika Neog,Ms. Bidhya Sharma,Ms. PdiangmonKyndait,Ms. Sabnam Parveen,Mr. NurjamulHoque,Biprojit Paul,Ms. BhanitaDas,Mr. Moidul Islam Judder	Booksclinic Publishing (9789355359117)	Faculty of Pharmaceutical Science
15	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
16	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
17	Tribology in Sustainable Manufacturing	Jitendra Kumar Katiyar, T V V L N Rao, Ahmad Majdi Abdul Rani, Mohd Hafis Sulaiman, J. Paulo Davim	CRC Press (9781032426310)	Faculty of Engineering and Technology

18	INDUSTRY 4.0	Multiple Authors (Edited Volume)	P.K. Publishers & Distributors (978-81-19428-79-3)	Faculty of Commerce and Management
19	Queer Voices from the Periphery: A Collection of Perspectives from Northeast India	Dr. Prateeti Barman	Qurate Books Private Ltd. Mumbai (978-81-19263-85-1)	Faculty of Humanities and Social Sciences
20	MCQ's BOOK of Medical Laboratory Sciences For Medical Laboratory Professionals	Sunit Nath	JBD Publications (978-93-92330-87-2)	Faculty of Paramedical Sciences
21	Marketing 4.0	Dr. Bhabajyoti Saikia	R. K. Publications (978-81-970169-1-2)	Faculty of Commerce and Management
22	Nanostructured Materials for Food Packaging Applications	Ruhul Amin, Biplab Kumar Dey, Daniela Calina, Javad Sharifi-Rad	Elsevier (978-0-323-99525-2)	Faculty of Pharmaceutical Science
23	Substance Abuse: Socio-Psychological, Legal Perspectives	Prateeti Barman, Gariasi Dutta	SLM Publishers, Patiala (978-93-91083-99-1)	Faculty of Humanities and Social Sciences
24	NEP - 2020: Opportunities and Challenges	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 06 - 3)	Faculty of Commerce and Management
25	Impact of Community Based Tourism(CBT): Dooars Region of Bengal	Dr. Apurb Chakraborty, Dr. Santosh Kumar Upadhyay	LAP LAMBERT Academic Publishing (978-620-7-46779-2)	Faculty of Commerce and Management
26	Research and Reviews in Literature, Social Sciences, Commerce and Management, Volume - I	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 20 - 9)	Faculty of Commerce and Management
27	Agricultural Entreprenurship and Rural development in Lower Brahmaputra Valley	Dr. Krishnakhi Choudhury & Prof. Kanagaraj Easwaran	Notion Press (Paperback- 979-8893229905, E-Book-979-8893633597)	Faculty of Humanities and Social Sciences
28	Futuristic Trends in Agriculture engineering & Food Science	Dr. Mohammad Zaki Shamim	IIP Iterative International Publishers (978-93-5747-340-8)	Faculty of Science

29	Practical Book of Medicinal Chemistry-III	Dr. Biswajit Dash, Prof (Dr) Neetesh Kumar Sharma,SabnamParveen, BhanitaDas,SandipanChoudhury,RanadeepBorgohain,DeijyChoudhury,RosamundJyrwa,Sungjemrenla I Jamir	Booksclinic Publishing (978-93-5823-560-9)	Faculty of Pharmaceutical Science
30	CLINICAL ORTHOPAEDICS AND TRAUMATOLOGY	Abhijit dutta	Lulu Publication (9-781387-492626)	Faculty of Paramedical Sciences
31	PRACTICAL BOOK OF BIOCHEMISTRY & CLINICAL PATHOLOGY	Anubhav Dubey Dr. Niladry Sekhar Ghosh	HSRA Publications (978-93-5506-838-5)	Faculty of Pharmaceutical Science
32	Technological Advancements in Agriculture	D.R.K. Saikanth,B.Saritha,M. Veeraragavan,V. Sampath,Dr. V.R. Senthamizhkumaran,C. Vengatesan,Chapala Rama Rao,Prof. K. Mallikarjuna,Dr. R. VijayKumar,K.V. Ananthakumar,S. Alagendran	Textify Publishers (978-81-970449-6-0)	Faculty of Agricultural Sciences and Technology
33	MCQ's for D.Pharm Exit Examination	Dr. Faruk alam, Dr. Durgaprasad kemisetti	AITBS Publishers, India Medical Publishers (978-81-901017-8-6)	Faculty of Pharmaceutical Science
34	MCQ's for D.Pharm Entrance & Exit Examination	Dr. Durgaprasad kemisetti, Dr. Faruk alam	AITBS Publishers, India Medical Publishers (978-81-971017-4-8)	Faculty of Pharmaceutical Science
35	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Gunamoni Das	Dibya Publications (978-93-95777-41-4)	Faculty of Science
36	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Shyam b. Choudhury	Divya Publication (978-93-95777-41-4)	Faculty of Humanities and Social Sciences
37	Medical Physiology	Dr. Dapkupar Wankhar, Dr. Kanu Shil	Scientific International Publishing House (9789361320019)	Institute of Paramedical Sciences
38	Pharmaceutical Science: Research and Innovation	Dr. Ronald Darwin,,Mr. Izaz Hussain,,Mr. LakhyajitBorah,Mr. Rajat Das,Ms. Kumudini Sahoo,Ms. Jayashree Devi,Mr. Abdul Hadi Umam,Mr. Atanu Sarma,Dr. Faruk Alam,Dr. Ruhul Amin,Mr. MohidulIslam,Mr. Josef Yakin	IIP Iterative International Publishers (978-93-6252-034-0)	Faculty of Pharmaceutical Science

39	Practical Guide of Hospital & Clinical Pharmacy	Dhiraj Baishya,PiyaliDey,Dr.Manishkumergautam,Nurjamal Hoque	Purbayon Publication (978-93-5860-013-1)	Faculty of Pharmaceutical Science
40	Pharmaceutical Science: Research and Innovation	Dr. Ruhul Amin, Dr. Ronald Darwin, Mr. Izaz Hussain, Mr. Lakhyajit Borah, Mr. Mohidul Islam, Dr. Faruk Alam, Mr. Rajat Das, Ms. Kumudini Sahoo, Mr. Abdul Hadi Umam, Mr. Josef Yakin, Mr. Atanu Sarma, Mr. Injamamul Haque, Ms. Arjina Mondal, Dr. Sudarshana Borah	Iterative International Publishers (IIP) (978-93-6252-034-0)	Faculty of Pharmaceutical Science
41	Practical Book of Pharmaceutics (Handbook for Diploma in Pharmacy partI)	Nurjamal Hoque,Dr.AnantaChoudhury,SatyabratSarma,Dhiraj Baishya	Purbayon Publication (978-93-5860-005-6)	Faculty of Pharmaceutical Science
42	Lecture Notes on Discrete Mathematics	Malay Dutta,Mala Dutta	Orchid Publication (978-81-967884-8-3)	Faculty of Computer Technology

C. Details of Book Chapter-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Name of Author	Title of the Book Chapter	Name of the Publisher (ISBN)	Faculty of Study
1	Recent Trends Fostering Future of Engineering: An Overview	Dr. Biswajyoti Das	An Introduction to Solar Appliances	Purbanchal Prakash (978-81-964605-4-9, 2023)	Faculty of Engineering
2	Recent Trends in Basic and Applied Science	Dr. Gunendra Ch. Das	Importance of ICT in Teaching and Learning Mathematics	Purbayan (978-93-5860-024-7)	Faculty of Science
4	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary	Food Allergy: A brief understanding regarding the mechanism, types and genes associated with common food allergies	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering

5	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Partha Pratim Sarkar	The Curious Case of Rising Temperatures: The El Nino Circus is back in Town	PurbanchalPrakash (978-81-964605-4-9)	Faculty of Engineering
6	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Pulakesh Chetia	A Review: Effect of different materials and condition on biogas production during anaerobic digestion	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering
7	Microplastic Occurance, Fate, Impact and Remediation	Dr. Sunandan Baruah, Dr. Arnab Sarkar, Mr. Devabrata Sarmah	Nanoplastic Sources, Characterization, Ecological Impact, Remediation and Policies	Springer (978-3-031-36351-1)	Faculty of Engineering
8	Advances in Multidisciplinary Research and Development	Narender Boggula,Durgaprasad Kemisetti,Kanakaraju Vijaya Kishore,Sushma Edukulla,ParijathaBandigari	Artificial Intelligence in Pharmaceutical Sciences	Scripown Publishers (978-93-94375-55-0)	Faculty of Pharmaceutical Science
9	The Role of Chromenes in Drug Discovery and Development	Partha Pratim Dutta,Faruk Alam, Biplab Kumar Dey, Rajeev K. Tonk	Miscellany of Chromene	Bentham Science Publishers Pte. Ltd. (978-981-5124-33-0)	Faculty of Pharmaceutical Science
10	Entrepreneurship: Issues and Perspectives	Dr. Shibani Borah	Rural Entrepreneurship: A Trigger for Rural Growth and Development	Nagaon GNDG Commerce College (978-93-5913-651-6)	Faculty of Commerce and Management

11	Research Trends in MULTIDISCIPLINARY RESEARCH	Dr. Shalaka Baidya (PT), Dr. Abhijit Dutta phd,Dr. Vandana Kumari (PT)	Cancer And Rehabilitation	AkinikPublications (978-93-5570-751-2)	Faculty of Physiotherapy and Rehabilitation
12	Antidiabetic Plants: Properties and Applications	Dr. Faruk Alam	The Usefulness of Aloe Vera in the Management of Diabetes	Nova Science Publishers (979-8-88697-957-2)	Faculty of Pharmaceutical Science
13	Nanostructured materials for tissue engineering	Ananta Choudhury,Himangshu Deka,Biplab Kumar Dey,Monica Bhairam,Koushik Sengupta	Nanomaterials for skin repair and regeneration	Elsevier (978-0-323-95134-0)	Faculty of Pharmaceutical Science
14	Recent Trends Fostering Future of Engineering: An overview	Aniruddha Deka	Blockchain and Distributed Ledger Technology	Purbanchal Prakash(978-81-964605-4-9)	Faculty of Engineering
15	Recent Trends Fostering Future of Engineering : An overview	Aniruddha Deka,Atowarul Islam	ICT based Tools for Teaching Learning	Purbanchal Prakash (978-81-964605-4-9)	Faculty of Engineering and Technology
16	Plant-Derived Hepatoprotective Drugs	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Hepato Protective Phytochemicals: Isolation and Characterization from Plant Extracts	Bentham Science Publishers, Singapore (978-981-5079-84-5)	Faculty of Pharmaceutical Science
17	Advancement in Computer Technology	Dr. Bhabajyoti Saikia	An Analysis on the Role of Information Technology in Management	Assam down town University (978-93-5906-083-5)	Faculty of Commerce and Management

18	Bioprospecting of Tropical Medicinal Plants	Dr.Mohammad Zaki Shamim	Dietary Natural Polyphenols Against Bacterial and Fungal Infections: An Emerging Gravity in Health Care and Food Industry.	Springer Nature (978-3-031-28779-4)	Faculty of Science
19	Advancement of Computer Technology	Mr. Manabjyoti Choudhury, Dr. Utpal Barman	Suicide Prediction in India using Machine Learning	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
20	Advancement of Computer Technology	Dr. Utpal Barman	Categorizing and Quality Assessment of Tea Leaves through Machine Learning Based Grading System.	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
21	Advancement of Computer Technology	Dr. Utpal Barman	Prediction of Soil pHusing Computer vision	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
22	Advancement in Computer Technology	Dr. Gunikhan Sonowal	Phishing Emails detecting using automated Machine Learning	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
24	Advancement of Computer Technology	Dr. Prasanta Pratim Bairagi	IoTBased Weather Monitoring and Data Visualization System with Global Accessibility : Sensor Integration and Real-time Display	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology

25	Advancement in Computer Technology	Mr. Deepjyoti Roy, Dr. Mala Dutta	An overview of health recommender systems	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
26	Advancement in Computer Technology	Dr. Dulumani Das	Skull stripping of brain MRI using edge-based segmentation technique and morphological operation	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
27	"Beyond Binaries: Understanding Sexual Identities and Queer Rights Issues in India	Multiple authors (Edited volume)	Queer Identity and Rights: Experiences from assam	IMPRI Impact and Policy Research Institute, New Delhi (978-81-956402-0-1)	Faculty of Humanities and Social Sciences
28	Potent Anticancer Medicinal Plants Secondary Metabolite Profiling, Active Ingredients, and Pharmacological Outcomes	Sagar Barge,Dhananjay Jade,Narayan Chandra Talukdar	Centella asiatica Linn	CRC Press (Taylor & Francis) (ISBN: ISBN: 978-1-77491-311-6 (hbk) ISBN: 978-1-77491-312-3 (pbk) ISBN: 978-1-00343-119-0 (ebk))	Faculty of Science
30	Current Innovations in Disease and Health Research	Dr. Nirmali Gogoi, Ms. Nongmeikapam Monika	Respectful Care as a Human Right: Key Components of Implementing Respectful Maternity Care"	B P International (978-81-19761-03-6, ebook 978-81-19761-37-1)	Faculty of Nursing
31	XUKIA Perspectives from Social Sciences and Humanities	Mr. Manimugdha Medhi	Digitalization and its Impact on Rural Population of Assam	Purvanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
32	Covid- 19 Global Pandemic and Challenges	Dr. Mrinmoy Nag, Apurbaa Acharya, Dr. Faruk Alam,Mr. Josef Yakin, Aswini Kumar Sethi	COVID-19: Influence on Health System	Prime Publication (978-71-868796-3-7)	Faculty of Pharmaceutical Science

33	Recent Trends in basic and applied sciences	Mr. Manimugdha Medhi	Designing and installation of an effective grounding system for operation of high voltage pulsed power system	Purbayon publication (978-93-5860-024-7)	Faculty of Science
34	Research in Biomedical, Healthcare and Pharmaceutical Science	Gongutri Borah	Catalysing cleanup: exploring hydrolases' vital role in pollutant biodegradation	Bhumi Publication (978-93-88901-88-8)	Institute of Paramedical Sciences
35	Research in Biomedical, Healthcare and Pharmaceutical Science	Gongutri Borah	Bites and stings: navigating the perils of venom poisoning	Bhumi Publication (978-93-88901-88-8)	Institute of Paramedical Sciences
36	ETHNIC DIVERSITY IN INDIAN ART AND CULTURE	Dr. Pranami Chakravorty	Cultural diversity in workplace	Sunbeam (978-93-93092-48-9)	Faculty of Commerce and Management
37	Good Governance and Sustainable Development	Mr. Santujit Chanda	Environment social and governance (esg) practices and reporting: the state bank bank of india	Research and Development Cell, Nalbari Commerce College (978-81-965414-1-5)	Faculty of Commerce and Management
38	Climate Crisis, Social Responses and Sustainability: Socio-Ecological Study on Global Perspectives	PAMPI DAS	Climate crisis and outbreak of disease: A societal collapse	Springer Nature **(978-3-031-58261-5)**	Faculty of Commerce and Management
39	Children with Multiple Vulnerabilities	Dr. Manjusha Deka Saikia	Covid-19 and Children: An Attempt to Come up with An Intervention	GLOBAL PUBLISHING HOUSE INDIA (978-93-95606-17-2)	Faculty of Humanities and Social Sciences

40	Emotional AI and Human-AI Interactions in Social Networking	Dr. Nabanita Choudhury	Machine learning model for teaching and emotional intelligence	Academic Press, Elsevier (978-0-443-19096-4)	Faculty of Computer Technology
41	Advances in Manufacturing and Processing of Materials Characterization and Applications	Pratap Kalita, Abdul Baquee Ahmed, Saikat Sen, Satyabrat Sarma, and Satyendra Deka	Starch-Based Biodegradable Packaging Materials: Characterization and Multifarious Applications in the Pharmaceutical and Food Industries	Apple academic Press (9781774914922)	Faculty of Pharmaceutical Science
42	Natural Products: An Answer to Cardiovascular Complications	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti	The Potential Effects of Flavonoids in the Treatment of Cardiovascular Diseases	Nova Science Publishers (979-8-89113-196-5)	Faculty of Pharmaceutical Science
43	Implementing Sustainable Development Goals in the Service Sector	Dr. Bhola Chourasia	Challenges and Prospects of Homestay in Rural Tourism: A Study of Uttarakhand	IGI Global (13: 9798369320655)	Faculty of Commerce and Management
44	Plant-derived Hepatoprotective Drugs	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyotisarkar	Hepatoprotective phytochemicals: isolation and characterization from plant extracts	Bentham Science Publishers Pte. Ltd. (978-981-5079-84-5)	Faculty of Pharmaceutical Science
45	Advancement in Computer Technology	Nur Talukdar	Brain Cell Segmentation: An Empirical Stud	Springer (978-93-5926-083-5)	Faculty of Computer Technology
46	Social Work in a Globalised World edited by Riju Sharma, Ursula F, Verena R	Dr. Prateeti Barman	Reproductive Rights of Women: Issues and concern	Fachhochschulverlag, Frankfurt, Germany (978-3-947273-77-5)	Faculty of Humanities and Social Sciences

47	Thinkers: Creating New Ideas of Research	Dr. Manjusha Deka Saikia	Effects of Music on the Mental Health among Adults.	Eudoxia Research Centre (13 979-8869541154)	Faculty of Humanities and Social Sciences
48	PROCEEDINGS OF NATIONAL SEMINAR ON "TECHNOLOGY: RESHAPING EDUCATIONAL AND ECONOMIC GOALS"	Dr. Samannoy Baruah	Technological advancements in mobile theatres of assam: a review	GLOBAL NET PUBLICATION , (AN IMPRINT OF ASIAN HUMANITIES PRESS) (978-81-19948-46-8)	Faculty of Commerce and Management
49	IMPLEMENTATION OF NEP 2020 AND heisOF ASSAM	Dr. Shibani Borah	NEP 2020 - Major Reforms	LAKHIMPUR COMMERCE COLLEGE ,ASSAM (978-81-19948-46-8)	Faculty of Commerce and Management
50	SUSTAINABLE DEVELOPMENT - EDUCATION ,SOCIETY AND CULTURE	Dr. Shibani Borah	NEP 2020: ATheoretical Analysis	SUNBEAM, DIGBOI MAHILA MAHAVIDYA LAYA (978-93-93092-42-7)	Faculty of Commerce and Management
51	XUKIA:PERSPECVTIV ES FROM SOCIAL SCIENCES AND HUMANITIES	Dr. Sagarika Mahanta Das	A brief history of the Development of English Short Stories	Purbanchal Prakash, Guwahati (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
52	Xukia: Perspectives from Social Sciences and Humanities	Dr. M. K. Deb	Dynamics of Female Out-Migration for Employment from Assam: Insights from Census Report 2011	Purbanchal Prakash (978-81964605-3-2)	Faculty of Humanities and Social Sciences
53	Design and Implementation of Higher Education Learners' Learning Outcomes (HELLO)	Prof. Pranveer Singh, Dr. Ananya Kalita, Dr. Ankur Pan Saikia	An Outcome-Based Learning Framework for Promoting Critical Thinking in Undergraduate Engineering Students	IGI Global (9781668494721)	Faculty of Engineering

54	Intelligent multimedia processing and computer vision	Dr. Nabanita Choudhury	Machine learning and revolution in agriculture: Past, present and future	The Institution of Engineering and Technology, London, United Kingdom (9781839537257)	Faculty of Computer Technology
55	Intelligent Multimedia Processing and Computer Vision: Techniques and Applications	Dr. Nabanita Choudhury	Biometric-based computer vision for boundless possibilities: process, techniques, and challenges	The Institution of Engineering and Technology, London, United Kingdom (9781839537257)	Faculty of Computer Technology
56	Research and Reviews in Agriculture Science Volume V	Gongutri Borah	From Farm to Table: Modern Approaches to Post Harvest Preservation	Bhumi Publication (978-93-95847-82-7)	Institute of Paramedical Sciences
57	Fostering Sustainable Businesses in Emerging Economies -The Impact of Technology	Dr. Bhabajyoti Saikia	Industry 5.0 Its Role Toward Human Society: Obstacles, Opportunities, and Providing Human-Centered Solutions	Emerald Insight (978-1-80455-641-2, eisbn-978-1-80455-640-5)	Faculty of Commerce and Management
58	Research Trends in Science and Technology Volume IV	Gongutri Borah and Arabinda C Nath	Merging Tech and Medicine: Biomedical Engineering at the Cutting Edge	Bhumi Publication (978-93-95847-67-4)	Institute of Paramedical Sciences
59	Research Trends in Life Science Volume V	Gongutri Borah	Precision Pharmacology: Tailoring Drugs for Individual Needs	Bhumi Publication (978-93-95847-56-8)	Institute of Paramedical Sciences
60	Big Data Computing Advances in Technologies, Methodologies, and Applications	Dr. Gunikhan Sonowal	Recent Research Techniques in Processing, Security, and Storage of Real-World Applications of Big Computing	CRC Press (9781032634050)	Faculty of Computer Technology

61	Biological applications of Nanoparticles	Dr. Sunandan Baruah, Dr. Arnab Sarkar, Mr. Devabrata Sarmah	Nanotechnology for Pesticide Sensing	Springer (978-981-99-3629-8)	Faculty of Engineering
62	Advanced Technologies and Innovations in Tourism and Hospitality Industry	Dr. Bhola Chourasia	Prospects for Emerging New Horizon of Accommodation with Reference to TAMIA a Tourist Destination	Bharti Publications (978-81-19757-70-1)	Faculty of Commerce and Management
63	Current Trends in the Diagnosis and Management of Metabolic Disorders	Dr. Partha Pratim Kalita	Artificial Intelligence in Metabolic Disorders	CRC Press, Taylor & Francis Group (9781003384823)	Faculty of Science
64	Nutraceuticals and Bone Health	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Carpal Tunnel Syndrome Management by Nutraceuticals	Apple Academic Press (9781003415084)	Faculty of Pharmaceutical Science
65	Vibration Engineering and Technology of Machinery, Volume I, Select Proceedings of VETOMAC XVI 2021	Dr. T V V L N Rao	Limiting load capacity and stiffness coefficients of bump recess foil journal bearing with FGM	Springer Nature Singapore Pte Ltd. (978-981-99-4721-8)	Faculty of Engineering
66	Vibration Engineering and Technology of Machinery, Volume I, Select Proceedings of VETOMAC XVI 2021	Dr. T V V L N Rao	Analysis of Limiting Load Capacity and Stiffness Coefficients of Porous-Bump-Recess Foil Journal Bearing	Springer Nature Singapore Pte Ltd. (978-981-99-4721-8)	Faculty of Engineering
67	Tribology in Sustainable Manufacturing	Jitendra Kumar Katiyar,Ahmad Majdi Abdul Rani,M. H. Sulaiman,Utpal Barman,Patrick J. MassetorcidIcon,T. V. V. L. N. Rao	Recent Advances of Tribology in Sustainable Manufacturing	CRC Press (9781003363576)	Faculty of Computer Technology

68	Tribology in Sustainable Manufacturing	Dr. T V V L N Rao	Recent Advances in Tribology of Sustainable Manufacturing	CRC Press (9781032426310)	Faculty of Engineering
69	Tribology in Sustainable Manufacturing	Dr. T V V L N Rao	Limiting Performance Characteristics of Textured Functionally Graded Foil Journal Bearing	CRC Press (9781032426310)	Faculty of Engineering
70	Emerging Trends in Medical Sciences Volume - 5	Dr. Shalaka Baidya (PT)	PCOD And Rehabilitation	Integrated Publications (978-93-5834-145-4)	Faculty of Physiotherapy and Rehabilitation
71	Xukia: Perspectives from Social Sciences and Humanities	Dr. Dimple Choudhury	Language Endangerment: Miju and Digaru	Purbanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
72	Adventure:Journey to Excellence	Dr. Sagarika Mahanta Das	Challenging Traditional Gender Roles in Kamala Das's Poetry	Adhyayan Publishers & Distributors (978-93-91943-96-7)	Faculty of Humanities and Social Sciences
73	Xukia : Perspectives from Social Sciences and Humanities	Dr. Manjusha Deka Saikia	Awareness of Mental Health in Middle-Aged Adults of Arunachal Pradesh	Purbanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
74	Industry 4.0	Ms. Nilakshi Teron	Banking 4.0- A New Era of Bank Industry and its Challenges	P.K Publishers (978-81-19428-79-3)	Faculty of Commerce and Management

75	Rising Contagious Diseases: Basics, Management, and Treatments	Dr. Manash Pratim Pathak	Lyme Disease Management Antibiotics and Beyond	John Wiley and Sons (9781394188710)	Faculty of Pharmaceutical Science
76	Pharmaceutical Science: Research and Innovation	Mr. Mohidul Islam	Innovations in Immunotherapy: Monoclonal Antibodies and Biologics Redefining Cancer and Autoimmune Disease Treatments	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
77	Pharmaceutical Science: Research and Innovation	Mr. Josef Yakin, Mr. Mohidul Islam	Anti-Diabetic Activity: Methods for Evaluation	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
78	Pharmaceutical Science: Research and Innovation	Dr. Faruk Alam, Mr. Josef Yakin, Mr. Mohidul Islam	Natural Remedies: AComprehensive Pharmacognosti cEvaluation	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
79	Pharmaceutical Science: Research and Innovation	Mr. Josef Yakin, Mr. Mohidul Islam	Herbal drug: An Approach to Novel Drug Delivery System	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
80	Pharmaceutical Science: Research and Innovation	Dr. Faruk Alam, Mr. Mohidul Islam	Herbal Medicine and Nanotechnology : Formulation and Evaluation	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
81	Pharmaceutical Science: Research and Innovation	Dr. Faruk Alam, Mr. Mohidul Islam	Myrica Esculenta: AHealth Perks	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science

82	Nutraceuticals and Bone health	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Carpal Tunnel Syndrome and Management through Nutraceuticals	CRC Press, Taylor & Francis (978-1-00341-508-4)	Faculty of Pharmaceutical Science
83	Recent update in Disease and Health Research	Dr. Nirmali Gogoi, Ms. Lakhimi Gogoi	Role of Community Health Officer or Middle level Healt Worker in Indiah	BP International (978-81-971889-2-3)	Faculty of Nursing
84	Recent Trends Fostering Future of Engineering	Dr. Mrinal Goswami	Quantum-dot Cellular Automata: A Paradigm for Future Low Power Devices	Purbanchal Prakash (978-81-964605-4-9)	Faculty of Engineering
85	Human Rights and Subaltern Groups	Ms. Dimpy Pathak Das	Reproductive and Sexual Rights of Women with Disabilities in India	Sunbeam (978-93-93092-99-1)	Faculty of Commerce and Management
86	Nanostructured Materials for Food Packaging Applications	Ruhul Amin	Safety assessment of nanostructured packaging materials	Elsevier (978-0-323-99525-2)	Faculty of Pharmaceutical Science
87	Emerging Trends In Physical Science	Dr. Jayashri Medhi	A Study of Deuterium Production in Solar Flares and Gamma ray emission	Research and Innovation Cell ,Anundoram Borooah Academy Degree College (978-93-90706-80-8)	Faculty of Science
88	Xukia : Perspectives from Social Sciences and Humanities	Dr. Manjusha Deka Saikia	Awareness of Mental Health in Middle-Aged Adults of Arunachal Pradesh	Purbanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences

89	INDUSTRY 4.0	Ms. Archana Barman	A Review on Cloud Computing	P.K PUBLISHERS AND DISTRIBUTORS (978-81-19248-79-3)	Faculty of Commerce and Management
91	Emerging Trends In Physical Science	Dr. Jayashri Medhi	A Study of Deuterium Production in Solar Flares and Gamma Ray Emission	Research and Innovation Cell ,Anundoram Borooah Academy Degree College (978-93-90706-80-8)	Faculty of Science
92	Emerging Trends in Physical Science	Nayana Gautam	Sterile Neutrino Dark Matter: A Brief Review	Research and innovation cell,Anundoram Barooah Academy Degree College (978-93-90706-80-8)	Faculty of Science
93	Human Cancer Diagnosis and Detection Using Exascale Computing	Dr. Pramod Kumar	Evaluating the Impact of Healthcare 4.0 on the Performance of Hospitals	WILEY, Scrivener Publishing LLC, Scopus (Print ISBN:9781394197675 |Online ISBN:9781394197705)	Faculty of Commerce and Management
94	MULTIDISCIPLINARY APPROACH IN RESEARCH AREA	Dr. Shyam B. Choudhury	Digital mentorship programs: empowering women in the Tech Era	THE HILL PUBLICATION (978-81-966799-0-3)	Faculty of Humanities and Social Sciences
95	Substance Abuse: Socio-psychological and Legal Perspective	Dr.Prateeti Barman	Unveiling the Shadow: Illuminating Alcohol Abuse in Assam through Case Studies and the Lens of Social Learning Theory	SLM Publishers, Patiala (978-93-91083-99-1)	Faculty of Humanities and Social Sciences

96	Recent Advance in pharmaceutical & Medical Sciences	Dr. Nirmali Gogoi	Fetal Development and its Process	Prime Publication (978-71-766976-6-1)	Faculty of Nursing
98	Gender Equality in the Workplace: Challenges and Solutions	Dr. Manjusha Deka Saikia	Work Family Balance: The Perspectives of Women in the Unorganized Sector	Eureka Publications (978-81-19567-46-1)	Faculty of Humanities and Social Sciences
99	Networks and Machine Learning: Models, Algorithms, and Applications	Dr. Prasanta Pratim Bairagi, Mr. Baharul Islam	IoTbased Solar Grain Dryers with Moisture Control Systems: An Extensive Analysis	The CRC Press, USA (N/A)	Faculty of Computer Technology
100	RESEARCH AND REVIEWS IN PHARMACEUTICAL AND HEALTH SCIENCES. VOLUME - II	Dr. Bhabajyoti Saikia	Importance of Internet of Things (IOT) in Healthcare System	Bhumi Publishing (978-93-95847-90-2)	Faculty of Commerce and Management
101	RESEARCH AND REVIEWS IN LITERATURE, SOCIAL SCIENCES, COMMERCE AND MANAGEMENT. VOLUME - I	Dr. Bhabajyoti Saikia	Application of machine learning in predicting stock markets	Bhumi Publishing (978-93-95847-20-9)	Faculty of Commerce and Management
102	Human Rights and Subaltern Groups	Dr. Manjusha Deka Saikia	Mental Health in the Context of Human Rights of Working Women	SUNBEAM, Rupnagar, Guwahati-32 (978-93-93092-99-1)	Faculty of Humanities and Social Sciences
103	NUTRACEUTICALS AND BONE HEALTH	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Carpal Tunnel Syndrome Management through Nutraceuticals.	Apple Academic Press Inc. CRC Press (978-1-00341-508-4)	Faculty of Pharmaceutical Science

104	Research and Reviews in Nanotechnology	Dr. Durga Prasad Kemisetti	Recent Advancements in Nanotechnology and their predicted Applications in Pharmacy	Bhumi Publishing (978-93-95847-01-8)	Faculty of Pharmaceutical Science

D. Details of Patent-publications/granted with university affiliation during the academic year 2023-24

S.No	Name of the Patentor/ Copyright awardee	Patent/Copyright Number	Title of the patent/Copyright	Year patent was awarded/published
1	Prof. Sunandan Baruah	202231044773/ 533813	Detection of Nitrogen Dioxide at Ppb Level in the Environment at Room Temperature	2023-24
2	Ritismita Devi, Dr. Manash P Sarma, Dr. Daisy Sharma, Puja Dev	202231038059/523333	Development of Nutrient and Fibre Rich Healthy Cookies by Incorporating Bamboo Shoot Powder	2023-24
3	Mr. Manash Jyoti Borah	201831045232/511053	Process for double spot friction stir welding and double spot zigzag friction stir welding.	2023-24
4	Prof. Dr. Sunandan Baruah, Mr. Arnab Sarkar, Devabrata Sarmah, Sanjib Chamuah	376424-001	Acetone Sensing Device from Human Breath	2023-24
5	Jasmin Islam, Daisy Sharma, Mrinmoy Basak, Manash Pratim Sarma	202431049916	Value-added jam incorporating minor fruit Myrica esculenta	2023-24
6	Dr. Aniruddha Deka, Jyoti Prasad Kalita, Trinkul Kalita	202431036019	Dynamic Performance Evaluation System for Remote Workforce Management	2023-24

7	Dr. Prasanta Pratim Bairagi	202431034525	A Machine Learning and IoT based System for Intelligent Routing	2023-24
8	Dr. Rituparna Roy	202411024279	Secure Locking System with Shape-Changing Key and Biometric Lock System for Enhanced Security	2023-24
9	Dr. Aniruddha Deka, Dr. Tanima Tarafdar, Ms. Bipasha Sharma, Dr. Sayanika Deka Sarma	202431029981	Real-time social media engagement analyzer for targeted advertising campaigns	2023-24
10	Dr. Debashis Dev Misra, Dr. Aniruddha Deka, Ms. Archana Barman, Ms. Parishmita Bora	202431030628	Intelligent Decision Support System for Organizational Resource Allocation	2023-24
11	Dr. Gunikhan Sonowal	202441027579	Optimal Hybrid Approach for Avoiding Trains Collisions	2023-24
12	Mr. Ankur Pan Saikia, Prof. Sunandan Baruah, Ms. Ananya Kalita, Prof. Pranveer Singh	202331075574	"AI-Based System Based on Psychometric test for course recommendation"	2023-24
13	Mr. Ankur Pan Saikia, Prof. Sunandan Baruah, Ms. Ananya Kalita, Prof. Pranveer Singh	202331075575	AI-Based System to Provide Solutions for those students having reading difficulties in smart classroom	2023-24
14	Mr. Ankur Pan Saikia, Prof. Sunandan Baruah, Ms. Ananya Kalita, Prof. Pranveer Singh	202331075573	"AI-Based System to recommend probable research structure and research questionnaire based on the Research Topic"	2023-24
15	Jasmin Islam, Daisy Sharma, Manash Pratim Sarma	202331089646	Composition Of a Bakery Product and Method of Preparation Thereof	2023-24
16	Ms. PdiangmonKyndait	202341079731	Synthesis Of Nitrogen and Oxygen Containing Heterocyclic Compounds Using Nanocatalyst and Pharmacological Evaluation for Antidiabetic Activity	2023-24
17	Dr. Banani Das, Dr. Mostaque Md. Morshedur Hassan, Ms. Anindita Das, Dr. Aniruddha Deka, Dr. Nabanita Choudhury	202331052982	Artificial Intelligence based snail capturing agriculture machine	2023-24
18	Y.Superior, Dr. Manash J Borah, Baharul Islam, Biraj Kalita	202331071138	Wooden Cutlery Manufacturing Device	2023-24
19	Mrinal Kumar Das	202331071135	Seed Sowing Device	2023-24

20	Dr. Manash J Borah, Baharul Islam	202331071133	Metallic Commodities Cleaning Device	2023-24
21	Karan yangma	202331071132	Lower Body Exercise Device	2023-24
22	Dr. Manpreet Singh Manna, Dr. Inderpreet Kaur, Dr. Manash Jyoti Borah	202331071137	Wind Mill Blade Transportation Device	2023-24
23	Md Sadiq Ul Islam	202331071136	Goods Loading/Unloading Device	2023-24
24	Dr.Manash Jyoti Borah	202331060307	Automated Garbage Management System	2023-24
25	Dr. Aniruddha Deka	202331060308	Assistive art Painting Device	2023-24
26	Bipasha Goswami,Gunjan Roy,Tarifa Ahmed,Mr. Bhubneswar Das,Dr. Utpal Barman,Mr. Kishore Medhi	202331052857	IOT-Based Smart Parking System for Urban Mobility	2023-24
27	Ms. Attreyee Mahanta, Dr. Daisy Sharma, Jasmin Islam	202331052861	A ready-to-cook Pitha mix	2023-24
28	Ms. Sangita Boro, Mr. Bhriganka Bharadwaj, Dr. Minakshi Bhattacharjee	202331052855	Utility of Amaranthus Spinosus Leaf Extract for Treating Jaundice and Identification of the Active Compound	2023-24
29	KaustuvmaniPatowary, Seydur Rahman, Partha Pratim Dutta, Yugal Kishore Mohanta, Narayan Chandra Talukdar	202331052859	Synthesis of Rhamnolipid Biosurfactant Coated Zinc- Oxide nanoparticle and its anticancer potential against human breast cancer cell lines	2023-24
30	KaustuvmaniPatowary, Seydur Rahman, Partha Pratim Dutta, Yugal KishoreMohanta, Narayan Chandra Talukdar	202331052858	Rhamnolipid Biosurfactant Coated Iron Nanoparticle: A credible approach towards potential petroleum hydrocarbon remediation	2023-24
31	Ritishmita devi, Manash Pratim Sarmah, Daisy Sarmah	202331046296	Crackers by Incorporating Bamboo Shoot Powder	2023-24
32	Ms. Nilakshi Bhagabati, Dr. Daisy Sharma, Dr. RadaliDuarah	202331052860	Ready-To-Cook Crackers	2023-24
33	Kipa Sita, Angkita Mishra, RadaliDuarah, Daisy Sharma,	202331052856	Multipurpose Tassey Flour	2023-24
34	Dr. Kumara Swamy Samanthula	202341041873	Composition And Methods Of Preparing Microspheres	2023-24

35	Dr. Debashis Dev Misra, Dr. Aniruddha Deka, Dr. Mrinal Goswami, Ms. Eirene Barua, Dr. Arpita Nath Boruah	202331042547	AI and Machine Learning based approach for Predicting Shortest Path in Google Map	2023-24

Popular Lecture Series

Throughout the academic session, AdtU hosted a variety of lecture series, including the Popular Talk, Chancellor's Lecture Series, and Expert Talk Series, among others. These events were designed to engage students and faculty, providing them with valuable insights into ongoing research and developments happening globally. A few of the notable lectures are listed below.

Talk 1: Managing Forest Ecosystem in Kerala: An Overview

On 21st August 2023, the Faculty of Science, in collaboration with the Faculty of Agricultural Science and Technology, organized a popular talk titled "Managing Forest Ecosystem in the State of Kerala." Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivered the lecture, providing an in-depth overview of Kerala's diverse forest ecosystems, including its geography, forest types, and rich biodiversity of plant and animal species.

The session highlighted key challenges, such as the impact of hydroelectric projects and forest fires, and mining, quarrying, infrastructure development, and tourism outside the forests. Dr. Viswanath also discussed the threats posed by land use changes in the Western Ghats, monoculture plantations, and invasive species.

Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivering a lecture on Kerala's diverse forest ecosystems, covering its geography, forest types, and rich biodiversity.

The event was attended by 125 participants and concluded with valuable insights into the importance of sustainable forest management and conservation in Kerala. The Faculty of Science expresses its gratitude to the Honorable Vice Chancellor for supporting this informative session.

Talk 2: Lecture on Advancements in Biotechnology

Assam down town University had the honor of hosting Dr. Rubul Mout, a distinguished Biotechnologist and esteemed Scientist at Harvard University and BCH, for an inspiring lecture on cutting-edge advancements in biotechnology. Dr. Mout's talk was a deep dive into his groundbreaking work in Hematopoietic Stem & T Cell Engineering, Protein Design, and Gene Editing, areas that hold transformative potential for the future of medicine. His motivational discourse captivated the audience, sparking curiosity and enthusiasm among over 60 participants, including 30 faculty members from the University. Dr. Mout's expertise and passion for eliminating genetic diseases through innovative methodologies left a profound impact on students, faculty, and aspiring researchers. His insights into the future of New Age Medicine, where genetic ailments are addressed at their core, resonated deeply with the young minds present.

Group photograph of Dr. Rubul Mout, Research Scientist, Harvard University, with faculty members, students, and participants during his visit to Assam down town University, capturing a moment of shared enthusiasm and inspiration following his insightful lecture on advancements in biotechnology.

The engaging session, was attended by the Faculties of Science, Pharmaceutical Science, and Paramedical Science and provided a unique opportunity to explore the possibilities in the rapidly evolving field of biotechnology. Dr. Mout's remarkable journey from research to his role at

Harvard University served as a beacon of inspiration, illustrating the power of perseverance and dedication in scientific innovation. Dr. Mout's visit not only kindled a passion for scientific exploration but also highlighted the transformative potential of biotechnology in shaping the future of medicine. His infectious enthusiasm and profound insights left an indelible mark on the pursuit of knowledge at Assam down town University, fostering a renewed sense of excitement and inspiration for students and faculty alike.

Talk 3: Food and Nutritional Security in India with Special Reference to Assam

Assam down town University had the privilege of hosting Dr. H.S. Gupta, a renowned agricultural scientist and former Director of the Indian Agricultural Research Institute, for an insightful talk on the critical issue of food and nutritional security in India, with a special focus on Assam. Dr. Gupta's lecture addressed the challenges and opportunities faced by India in ensuring food security, especially in the context of rural livelihoods, climate change, population growth, and the impacts of the COVID-19 pandemic. Dr. Gupta discussed the significant progress India has made in expanding food production and building up safety stocks of food grains. However, he emphasized that food distribution, affordability, quality, and safety remain major concerns despite the country's self-sufficiency in food production. In particular, Assam, with its diverse agro-climatic and socio-cultural environment, faces unique challenges and opportunities in achieving food and nutritional security.

Dr. H.S. Gupta during his thought provoking lecture at AdtU auditorium.

The talk mainly delivered into key factors influencing food availability, access, utilization, and stability in the state of Assam, including crop diversification, irrigation, market linkages, the public distribution system, dietary patterns, nutritional interventions, and disaster management. Dr. Gupta's extensive research and field experience provided valuable insights into the current status and trends in food and nutritional security in Assam. He also shared practical policy recommendations and best practices for enhancing food security in the region.

The session was highly informative and resonated with all attendees, including students, faculty, and others interested in food and nutrition issues in India and Assam. Dr. Gupta's expert perspective and recommendations on sustainable agricultural practices, nutrition, and disaster resilience inspired a deeper understanding of how food security can be achieved in the region, making the talk a significant contribution to the University's ongoing humble efforts to direct its resource for research and innovation in globally relevant issues.

Talk 4: Lecture on Plant Molecular Genomics

The Faculty of Science at Assam down town University organized a two-day guest lecture series on September 8th and 9th, 2023, for B.Sc. and M.Sc. 3rd and 5th semester students across various programs. Dr. Niranjan Chakraborty, a distinguished Professor from Jawaharlal Nehru University (JNU), New Delhi, was invited as the guest speaker for both days. The primary objective of these lectures was to introduce students to the field of plant molecular genomics, a key area of research in modern biology. The first session, held on September 8th, was attended by B.Sc. 5th semester students. Dr. Chakraborty began by providing a strong foundation in molecular biology and gradually transitioned into a detailed exploration of plant molecular genomics. He shared valuable insights from his own research, illustrating the application of theoretical knowledge in real-world scientific endeavors. His talk emphasized the importance of fundamental knowledge in pursuing a successful career in any scientific field. The session, lasting 120 minutes, concluded with Dr. Chakraborty encouraging students to actively participate in national and international competitive examinations.

On the second day, September 9th, the lecture was directed towards M.Sc. 3rd semester students. The session focused on the significance of competitive examinations such as CSIR-NET, GATE,

and ICMR-NET, and included an overview of molecular biology with a particular focus on plant genomics.

Dr. Niranjan Chakraborty, Distinguished professor at JNU, New Delhi, engaged students in interactive discussions, on molecular biology.

A total of 148 students participated actively during both the days, engaging in meaningful discussions and gaining valuable insights from Dr. Chakraborty's expertise. This lecture series proved to be an invaluable learning opportunity, fostering a deeper interest in plant molecular genomics and encouraging students to pursue research and competitive academic opportunities.

Academic Engagements and Knowledge Exchange at AdtU

At Assam down town University (AdtU), academic enrichment extends beyond traditional learning, with various faculties actively organizing symposiums, conferences, Faculty Development Programs (FDPs), and workshops throughout the year. These initiatives are aimed at fostering the exchange of ideas among faculty members, research scholars, students, and distinguished external experts from academia and industry.

In this academic session, AdtU has organized a wide array of such events, showcasing the university's commitment to fostering an environment of continuous learning and innovation. These events have provided valuable platforms for intellectual discourse and professional growth, enabling participants to engage with the latest trends, research, and best practices in their respective fields.

By hosting these events, AdtU provided a dynamic platform for intellectual collaboration. Faculty members and students benefited immensely from interactions with experts, gaining insights into emerging trends and research advancements. These engagements also served as an opportunity to showcase AdtU's academic policies, diverse courses, and state-of-the-art facilities to participants from other institutions, thereby strengthening the university's academic presence.

Through these knowledge-sharing initiatives, AdtU reaffirms its commitment to academic excellence, innovation, and a collaborative learning environment, ultimately contributing to the holistic development of its faculty and students.

A. Sixty-eight Annual Technical Session of Assam Science Society and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology"

Assam down town University, in collaboration with the Assam Science Society, successfully organized the 68th Annual Technical Session and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology" on 30th March 2024. This prestigious event brought together experts, scholars, and innovators from various scientific fields to discuss the latest advancements in science and technology.

A total of 114 abstracts were submitted, with 42 selected for oral presentations, showcasing the high level of research and innovation within the scientific community. These presentations provided an excellent platform for researchers to exchange ideas, discuss challenges, and explore potential solutions to the current issues in science and technology.

Snapshots capturing the essence of the 68th Annual Technical Session, through the lens of photography of members of AdtU photography club.

The inaugural lecture was delivered by Dr. Kutubuddin Ahmed, the Working Secretary of Assam Science Society, who set the tone for the event by highlighting the importance of continuous scientific exploration and innovation. The keynote address was presented by Dr. Prashant Goswami, a distinguished Bhatnagar Awardee, whose insightful lecture on recent developments in science inspired both the audience and participants.

This event marked a significant step towards fostering academic collaboration, providing an invaluable opportunity for networking, and contributing to the development of science and technology in the region. The university takes immense pride in hosting such a momentous event that not only showcased the achievements of the scientific community but also provided a platform for determining on the possible future innovations need.

The 68th Annual Technical Session and National Seminar was an outstanding success, reaffirming Assam down town University's commitment to advancing scientific knowledge and contributing to the broader scientific community.

B. AdtU PHARMACON 2.0

The Faculty of Pharmaceutical Science at Assam down town University organized an international conference on October 13th and 14th, 2023, themed "Pharmaceuticals Fusing with Nutraceuticals to Ensure Healthy Lives and Promote Wellbeing: Global Trends." This event was held by AdtU-Centre for Research on Ethnomedicine (AdtU-CREM) in collaboration with the Central Ayurveda Research Institute (under CCRAS), Ministry of AYUSH, Government of India, Kolkata; San Pedro College, Philippines; Daffodil International University, Bangladesh.

Dr. G. Babu, Director of CCRAS, graced the event as the Chief Guest, and Prof. (Dr.) Pulok K. Mukherjee, Director of IBSD, Department of Biotechnology, GoI, Imphal, Manipur, attended as the Guest of Honour. The conference saw participation from 511 registered delegates, of which 325 actively engaged in various activities. Delegates hailed from 3 countries, 14 states, and 38 regional, national, and academic organizations. A total of 168 posters, 26 oral presentations, and 18 e-posters were displayed throughout different scientific sessions, contributing to a rich exchange of knowledge and ideas.

Snapshots capturing the essence of the **PHARMACON 2.0**

C. Sixth Regional Conference on "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies"

The Faculty of Nursing, Assam down town University (AdtU), successfully organized the 6th Regional Conference on June 28, 2023, with the theme "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies." The event saw the participation of 79 delegates from various institutions across the North-East region.

The conference commenced with a registration session, followed by a formal inaugural ceremony. Prof. (Dr.) Nirmali Gogoi, HOD and Associate Dean, Research, Faculty of Nursing, AdtU, welcomed the participants, while Prof. (Dr.) Pranveer Singh, Hon'ble Pro Vice Chancellor, AdtU, addressed the gathering and appreciated the conference's theme. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference. The dignitaries were honored with saplings, and the first edition of the newsletter of the Faculty of Nursing was released in the inaugural session.

The conference featured key scientific sessions, including presentations by Prof. Asru Bagchi on "Advancement in Research Methodology: Its Challenges and Best Practices," Prof. (Dr.) Dibyojyoti Bhattacharjee on "Data Analysis and Interpretation: Advanced Analytical Techniques and Tools," and Dr. Elsa Sanatombi Devi on "Dissemination Strategies and Effective Utilization of Research Studies." A scientific poster presentation by B.Sc. Nursing 4th-year students from the Faculty of Nursing was also organized, with awards presented to the best posters.

The event concluded with a valedictory session, during which certificates and newsletters were distributed to the delegates. Ms. Sangita Kalita, CNE observer from Assam Nurses' Midwives' & Health Visitors Council, read the feedback report, highlighting the positive impact of the conference. The post-test results indicated that 68% of participants showed significant improvement in their knowledge.

A guest speaker presenting on conference theme "advancements in research methodology and best practices"

The conference ended with a vote of thanks by Ms. Alonka Beypi, Lecturer, Faculty of Nursing, AdtU, at 4:00 pm, followed by the National Anthem.

D. Training Cum Workshop on International Patient Safety Goals (IPSG)

The Faculty of Nursing, Assam down town University, in collaboration with down town Hospital, organized a training cum workshop on the International Patient Safety Goals (IPSG) for final-year B.Sc. Nursing and GNM students on May 2, 2024, at the 7th Floor Auditorium located at Building No. III, of the down town Hospital.

The event began with an introduction of the invited speaker, Prof. Dr. Manashi Sengupta, Dean, Faculty of Nursing, AdtU, followed by an informative session led by the trainer. The workshop focused on the six IPSG goals, providing students with a deep understanding of their significance in promoting patient safety within hospital settings. The trainer highlighted each goal with practical examples and detailed rationale, emphasizing their importance in real-world healthcare scenarios.

The session also featured engaging role plays performed by the final-year B.Sc. Nursing and GNM students of Faculty of Nursing, AdtU. Students demonstrated IPSG Goal 1 (Identifying patients correctly) and IPSG Goal 4 (Ensuring safe surgery, right patient, site, and surgery) through compelling, narrative-driven performances that illustrated the practical application of

patient safety protocols. Visually striking play cards were used to represent each of the six IPSG goals, further enhancing the students' understanding.

Students demonstrating various facts of Patients awareness through visually striking play cards during the scientific session

This workshop was a significant step in empowering nursing students with practical knowledge on IPSG, enabling them to uphold patient safety standards effectively in their professional practice.

E. Fourth National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities"

The Faculty of Nursing, Assam down town University, organized the 4th National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities" on June 28, 2024, at Auditorium 1 (B-Block), AdtU Campus. The conference began with a registration session at 8:00 am, where 95 participants from various institutions across the country were welcomed and provided with registration kits.

The formal inauguration was marked by a welcome note from Ms. Mousumi Deori, Assistant Professor and Vice Principal, Sankar Madhab School of Nursing, AdtU. The dignitaries, including Dr. Kaveri Saikia, Principal of Royal Global University, who served as the CNE observer, lighted the inaugural lamp. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference, which was followed by the release of the third edition of the FoN newsletter. The pre-test forms were distributed among participants before the scientific sessions commenced.

The sessions featured notable speakers, including Dr. Oli Goswami, who discussed the significance of forensic science in healthcare, and Dr. Amol Deo Chavhan, who explored forensic science through the Indian Constitutional framework. Capt. Sandhya Shankar Pandey covered the clinical practice, scope, and challenges of forensic nursing. A scientific poster and oral presentation session was also held, showcasing research by faculty and students from the Faculty of Nursing, AdtU. Judges from various faculties evaluated the presentations for the Best Poster and oral presentation award. Awards given to the best poster and oral presentations during the concluding session.

A memorable group photograph capturing the dignitaries and participants at the conference. Chancellor of AdtU Dr. N N Dutta (left) seen lighting the inaugural lamp.

The conference concluded with a feedback report from Dr. Kaveri Saikia, where the post-test results showed that 78.9% of participants gained substantial knowledge from the sessions, highlighting the conference's effectiveness. The event concluded with a vote of thanks by Ms. Baricate Rymbai, M.Sc. Nursing 1st Year students of Faculty of Nursing, AdtU, and the National Anthem. The conference was an enriching experience for all participants, emphasizing the growing importance of forensic nursing in healthcare.

F. DSIPKI 2024: A Landmark Event on Digital Signatures and Security

The Digital Signature and e-Knowledge Platform for India (DSIPKI) 2024 event was successfully held by the Faculty of Computer Technology at Assam down town University, bringing together experts, speakers, and participants for an enriching day of learning and discussion on digital security. The event began with a warm welcome by Anirban Bhattacharjee, Samujjal Talukdar, and Dr. Dulumani Das, the organizing secretary of DSIPKI 2024, setting the tone for an informative and interactive session.

Prof. Pranveer Singh, Pro Vice Chancellor, addressed the participants and speakers, with special recognition to esteemed guests like Shri Arvind Kumar, Controller of Certifying Authorities, and Dr. S.D. Sudarshan, Executive Director at C-DAC Bangalore, who shared their insights and contributed to the event's success. Dr. Utpal Barman, Dean of FoCT, discussed the importance of digital signatures in today's digital world.

The technical sessions included Dr. Mohammed Misbahuddin's presentation on "Elements of Trust & Digital Signatures," followed by Ms. Lavanya Palani's enlightening talk on "Digital Signature Certificates & Public Key Infrastructure." The event's highlight was Shri Anoop Kumar Pandey's live demonstrations on key generation, certificates, and digital signing processes, offering attendees hands-on experience with digital security applications.

A guest speaker delivering a presentation at the conference.

The open Q&A session encouraged lively discussions, with participants engaging in insightful conversations on digital signatures and security. In the closing session, Hon'ble Vice Chancellor Prof. N.C. Talukdar emphasized the significance of paperless signatures, advocating for digital solutions to streamline processes and enhance security. Dr. Mala Dutta, the organizing secretary, concluded the event by thanking all the experts, participants, and stakeholders, ensuring that DSIPKI 2024 was a great success.

National Symposium on Astronomy and Space Technology (NSAST) 2024

Assam down town University successfully hosted the National Symposium on Astronomy and Space Technology (NSAST) 2024 on March 6, 2024. The event was graced by distinguished guests, including the Chief Guest and Planetary Speaker, Prof. (Dr.) Dhruba J. Saikia, Head of

TLC and NRC at IUCAA, Keynote Speaker Prof. Biman J. Medhi from Guwahati University, and Mr. Manash Protim Sarma from Guwahati Planetarium. The dignitaries were felicitated with mementos and Phulam Gamosa following the lighting of the lamp.

The symposium began with an inaugural speech by two Astronomy Club members, Sristy Trivedi and Levi Haokip, both undergraduate students at AdtU. Prof. (Dr.) Narayan Chandra Talukdar, Hon'ble Vice Chancellor of AdtU , delivered a welcoming address, highlighting the university's vision for space studies and encouraging the Astronomy Club to continue exploring this field.

The first technical session was led by Prof. (Dr.) Dhruba J. Saikia, who discussed radio astronomy, offering insights into the vast expanding universe and explaining the concept of space and time with examples. Following this, Prof. Biman J. Medhi gave an engaging keynote talk on astronomical telescopes, their working principles, challenges, and benefits for studying the universe.

After a high tea break, the participants and experts moved to the Astronomy View Point on the terrace of J Block, AdtU, where they observed the night sky through the upgraded telescope. The session allowed attendees to witness celestial bodies, including the Seven Sisters, Betelgeuse, Sirius, nebula, and Jupiter with its moons.

Participants observing celestial bodies through the upgraded telescope at the Astronomy View Point on the J Block terrace

The symposium concluded with a knowledge-sharing session between experts and participants, fostering a deeper understanding of astronomy. The event was wrapped up with a vote of thanks by Prof. TVVLN Rao, Dean, Faculty of Engineering, to all those who contributed to the success of the symposium. This event was a significant step in enhancing the university's involvement in space technology and astronomy.

DIRECTORATE OF CAREER ADVANCEMENT

The Directorate of Career Advancement at AdtU, is dedicated to guiding students in their professional journeys by providing comprehensive career development support. Our initiatives focus on placement and training, higher education guidance, competitive exam preparation, and career counseling, ensuring that students are well-prepared for the dynamic job market.

Through strategic industry collaborations, we facilitate successful campus recruitment drives, equipping students with essential technical and soft skills via pre-placement training, mock interviews, group discussions, and company-specific workshops. Our industry-aligned training programs and internship opportunities enable students to gain practical exposure and build professional networks.

Highlights of Placement Statistics 2023-24

- Total Number of Graduated Students -1009
- Number of Students Placed -749
- Placement Percentage - 74.13%
- Average Package-3.00 LPA
- Highest Package - 7.02 LPA
- Total Number of Company visited- 78

Beyond employment, we assist students in exploring higher education opportunities in India and abroad, offering guidance on university selection, entrance exams, scholarships, and application processes. Our partnerships with study-abroad organizations provide students with valuable insights and resources.

Recognizing the significance of competitive exams, we provide specialized coaching and resources for civil services, banking, and other examinations through expert-led workshops and study materials.

Career counseling remains a cornerstone of our services, with personalized guidance to help students identify their strengths, interests, and career aspirations. Through expert consultations and mentorship, we align students' goals with evolving industry trends and emerging career paths.

The Directorate of Career Advancement is committed to empowering students with the necessary skills, knowledge, and confidence to excel in their professional endeavors, fostering a future of success and fulfillment.

Workshops and Career Development Initiatives – 2023-24

This year, the Directorate of Career Advancement organized a series of workshops and training sessions to enhance students' employability, career readiness, and professional skills.

- Communication Skills Workshops: Focused on improving verbal and non-verbal communication, active listening, and presentation techniques to boost confidence in professional interactions.
- Resume Building & Interview Preparation: Guided students in crafting impactful resumes and preparing for interviews through mock sessions, constructive feedback, and personalized coaching.
- Aptitude & Reasoning Skills Development: Provided training to sharpen logical reasoning, analytical thinking, and problem-solving abilities, essential for competitive exams and job assessments.

Aptitude & Reasoning Training: Enhancing logical reasoning, analytical thinking, and problem-solving skills for competitive exams and job assessments.

- Career Counseling Sessions: Offered personalized guidance to help students identify career goals, develop key skills, and explore diverse career opportunities.

Modules addressing key soft skills, including teamwork, time management, leadership, and conflict resolution.

- Career Counseling for Higher Education Abroad: Assisted students in understanding admission processes, selecting suitable universities, and preparing for international studies.

- Sessions on Competitive Exam Preparation: Provided insights on exam patterns, study strategies, and essential resources to help students prepare effectively for various competitive examinations.

Session on strategies for succeeding in competitive examinations.

- Strategies to Crack Competitive Exams: Conducted expert-led sessions focusing on time management, problem-solving techniques, and smart preparation methods to enhance students' chances of success.

These initiatives aimed to equip students with the necessary skills, knowledge, and confidence to excel in their professional and academic pursuits.

Annual Job Fair: Bridging Opportunities for Students and Employers

The Directorate of Career Advancement at Assam down town University has been successfully organizing a Job Fair every year for the past 10 years, aimed at bridging the gap between AdtU students, alumni, non-AdtU students, and potential employers. This annual event serves as an excellent platform for students to explore diverse career opportunities, interact with industry professionals, and stay informed about the latest job market trends.

Reputed companies from various sectors participated in the fair, offering a range of internships, full-time positions, and valuable networking opportunities. The event not only enhances the employability of the university's graduates but also strengthens its ties with the corporate sector, contributing to the professional growth of students and alumni alike.

Glimpses of AdtU's 10th Annual Job Fair

Example of some esteemed recruiters from who participated in our placement drive throughout the year.

And many More...

Directorate of International Affairs (DIA)

The Directorate of International Affairs (DIA) at Assam down town University has played a pivotal role in advancing the University's global presence this academic year. DIA successfully facilitated six Student Exchange Programs, providing students with enriching opportunities for international exposure, while 15 Faculty Exchange Programs allowed 23 faculty members to engage in cross-cultural academic collaborations. Additionally, 21 new Memorandums of Understanding (MoUs) were signed with esteemed international universities, fostering long-term partnerships for joint research, faculty exchanges, and academic development. These efforts underscore the University's commitment to fostering global academic ties and ensuring a world-class educational experience for students and faculty alike.

List of Memorandums of Understanding (MoUs) Between AdtU and Foreign Universities

Sl. No	Name of the University	Country	MoU-Signing Date

Assam down town University at ICGSTM 2024

Assam down town University (AdtU) proudly participated in the 3rd International Conference on Green Sustainable Technology and Management (ICGSTM) 2024, hosted by INTI International University.

Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivering the keynote address at the conference.

The prestigious hybrid event brought together distinguished academicians, researchers, and industry experts from around the world to deliberate on advancements in sustainability across diverse domains. Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivered a keynote address at the conference, highlighting the university's commitment to fostering research and innovation in sustainable technologies. His address emphasized the role of academic institutions in addressing global environmental challenges and the importance of interdisciplinary collaboration in achieving sustainability goals.

The conference provided an excellent platform for knowledge exchange, enabling AdtU to showcase its contributions in green technology and sustainable management. Faculty members and research scholars from AdtU also engaged in insightful discussions, networking with international experts, and exploring collaborative opportunities for future research initiatives.

Prof. Biswa Prasun Chatterji Joins as Global Visiting Professor at Asian University for Women, Bangladesh

Assam down town University takes immense pride in announcing that Dr. Biswa Prasun Chatterji, Professor in the Faculty of Science, has been selected as a Global Visiting Professor at the prestigious Asian University for Women (AUW) in Chittagong, Bangladesh. This remarkable achievement highlights Dr. Chatterji's academic excellence and the university's commitment to global engagement and collaboration.

During Dr. Chatterji's visit to Asian University for Women (AUW) in Chittagong, Bangladesh

Dr. Chatterji was invited to teach the course "Human Disease Biology" as part of AUW's two-month summer term starting on June, 2024. His selection as a Global Visiting Professor is a testament to his expertise in the field of biological sciences and his dedication to fostering interdisciplinary learning. His presence at AUW provided an invaluable opportunity for the students of AVW to gain in-depth knowledge and insights into the complexities of human diseases from a distinguished scholar.

Asian University for Women, a premier institution committed to empowering women through higher education, attracts students from across Asia and beyond. Dr. Chatterji's involvement in the AUW academic community reflects the growing reputation of Assam down town University's faculty members on the international stage.

Dr. Chatterji's contribution to AUW aligns with Assam down town University's mission to promote academic excellence, cross-border knowledge exchange, and international research collaborations. His engagement in global teaching initiatives not only enhanced his professional development but also reinforced the university's standing in the global academic community.

Foreign University Students' Visit to AdtU

1. A team of four Physiotherapy students from Jashore University of Science and Technology, Bangladesh, visited the Faculty of Physiotherapy and Rehabilitation at AdtU. They were accompanied by Prof. Dr. Md. Zahid Hossain and Dr. Ehsanur Rahman.

Students from Jashore University of Science and Technology, Bangladesh attending classes at AdtU faculty of Physiotherapy and Rehabilitation

The students were accommodated in the AdtU guest house and attended an insightful lecture by Dr. Abhijit Kalita. Additionally, they had interactive sessions with senior officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's Directorate of International Affairs (DIA) ensured a comfortable stay and a valuable academic experience for the visiting students.

2. A team of four students from the Nursing and Teacher Education program at Biliran Province State University, Philippines, visited the Faculty of Nursing and Humanities at AdtU. They were accompanied by Prof. Dr. Jovy Dia Saniel and Dr. Maribel N. Zipagan. The students participated in a seven-day cross-cultural immersion program organized by the Directorate of International Affairs (DIA), followed by an extended four-day stay during which they attended lectures by Ms. Jaidalin Basaiawmoit and Ms. Embhah Dkhar. They also engaged with senior university officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's DIA ensured a comfortable stay and an enriching academic and cultural experience for the visiting students.

AdtU-Students' Visit to Foreign University

1. A team of 11 students from various programs at AdtU visited FPT University, Vietnam, from August 17 to 21, 2023, accompanied by Dr. Dapkupar Wankhar, Professor, Faculty of Paramedical. During their stay, the students attended lectures by Dr. Entidhar Al-Taie alongside

peers from other international universities as part of a five-day Research-Related Study Tour program. They explored FPT University's advanced facilities, including smart classrooms, a well-stocked library, state-of-the-art laboratories, an in-house canteen, and sports playgrounds. Additionally, they interacted with university officials, gaining valuable academic and cultural insights. This exposure to an international learning environment provided an enriching experience, broadening their perspectives for future academic and professional growth. Representative photographs are presented along with the report.

Students from AdtU exploring the academic environment at FPT University, Vietnam.

2. A team of four students from various programs at AdtU visited Middlesex University, Dubai, from October 23 to 26, 2023, as part of the four-day *Immersion Program in Management and Leadership*. They attended lectures by Dr. Cody Paris and Dr. Nitin Vihariie, alongside students from other international universities. The students explored Middlesex University's state-of-the-art facilities, including smart classrooms, a well-stocked library, advanced laboratories, an in-house canteen, and sports playgrounds. Beyond academics, they experienced Dubai's vibrant culture, visiting iconic landmarks such as the Burj Khalifa and Dubai Mall. Interactions with university officials and exposure to an international learning environment provided valuable academic and cultural insights, enriching their perspectives for future endeavors.

AdtU's students attending lectures at Middlesex University as part of the four-day *Immersion Program in Management and Leadership.*

3. A team of seven students from various programs at AdtU visited UCSI University, Malaysia, from November 14 to 24, 2023, accompanied by Ms. Kimberley, Program Coordinator. They participated in the nine-day *International Immersion Program*, attending lectures delivered by distinguished professor Ms. Sivaneswari alongside students from other international universities. The program included interactive ice-breaking activities, fostering camaraderie and engagement among participants. The students explored UCSI University's advanced facilities, including smart classrooms, a well-stocked library, and state-of-the-art laboratories. Additionally, they visited the Transport Department of Malaysia and interacted with university officials. This enriching international exposure provided valuable academic insights and broadened their perspectives for future endeavors.

AdtU's Student participated in the nine-day *International Immersion Program at* UCSI University, Malaysia.

4. A team of 23 students from various programs at AdtU visited Shinawatra University, Thailand, from May 18 to 21, 2024, accompanied by Ms. Satyabrat Sarma from the Faculty of Pharmaceutical Sciences. As part of the four-day *International Immersion Program*, they attended lectures by distinguished professor Dr. Somrek Kanwivat, alongside students from other international universities. Beyond academics, the students explored one of Asia's largest malls in Bangkok and enjoyed a memorable dinner cruise, experiencing the city's scenic nightlife with music, cultural performances, and dance. They also interacted with university officials, gaining

valuable academic and cultural exposure. This enriching experience broadened their perspectives, contributing to their academic and personal growth.

AdtU's Students visited to the Shinawatra University and attended lectures.

Acitivity of Directorate of Innovation, Start-ups, and Acceleration (DISA) – Academic Year 2023-24

In the academic year 2023-24, the Directorate of Innovation, Start-ups, and Acceleration (DISA) at Assam down town University has undertaken a series of transformative initiatives aimed at nurturing innovation and entrepreneurship among students. The initiatives ranged from workshops, competitions, and field visits to collaborations with leading industry professionals. These efforts align with the government's initiative to inspire and empower students to pursue entrepreneurial ventures and become catalysts for change in society. The few notable initiative are highlighted herewith.

1. Entrepreneurship and Innovation as a Career Opportunity

DISA kick-started the academic year with an insightful workshop focused on introducing students to the immense potential and opportunities within the entrepreneurial ecosystem. The workshop highlighted how innovation and entrepreneurship can serve as viable and rewarding career paths.

26th February 2024, Mr. Plabon Phukan, Founder and Life Skills Trainer of The Open Window, delivering an in-depth session on entrepreneurship and social innovation during the workshop. The event saw the active participation of over 60 students from diverse academic backgrounds, alongside faculty members and administrative staff.

2. Exposure and Field Visits for Problem Identification

The Directorate organized several field visits that gave students first-hand experience in identifying real-world problems. These visits played a pivotal role in helping students understand the challenges businesses face and how innovative solutions can be developed to address them.

On 21st February 2024, final year Civil Engineering Programme at Assam down town University, engaged with the school administration to assess issues and propose strategies for sustainable resource utilization.

3. 'Entrepreneur's Talk' by Popular Successful Entrepreneurs

As part of DISA's ongoing efforts to inspire and guide aspiring entrepreneurs, several 'Entrepreneur's Talk' events were conducted featuring successful entrepreneurs who shared their journeys, challenges, and strategies for success. These talks were well-received by students and provided invaluable insights into the world of entrepreneurship.

On 15th September 2023, **Mr. Sanjeev Sarma**, Founder & CEO of WebX Technologies Pvt. Ltd, delivered a motivational talk to the AdtU's student's fraterrity

Mr. Ratan Kumar, Founder & CEO of Encamp Adventures, a successful tourism startup from Assam, shared his entrepreneurial journey, highlighting sustainable tourism practices, challenges in funding, team building, and navigating regulatory frameworks

4. IdeatePitch

DISA facilitated the 'IdeatePitch' event, which was a platform for students to pitch their innovative ideas to a panel of experienced entrepreneurs and investors. This event fostered creativity and problem-solving skills, while also providing students the opportunity to receive constructive feedback on their ideas.

On 16th-17th February 2024, **Mr. Kanakn Jyoti Kharghoria**, Project Manager at Ernst & Young, served as the judge, providing valuable industry insights in IdeatePitch-2.0 organized by Faculty of Pharmaceutical Science and IIC-AdtU.

5. Problem Solving and Ideation Workshop

The Problem Solving and Ideation workshop equipped students with essential tools and techniques to approach complex problems systematically. The workshop focused on ideation methodologies and problem-solving frameworks, enabling students to develop innovative solutions.

On 28th-29th February 2024, The Idea Challenge Competition, an Intra Institutional Hackathon, was organized to foster interdisciplinary collaboration and innovative problem-solving among students.

6. Showcasing Innovation: Poster Presentation of Ideas

DISA organized an event to showcase innovative ideas in a poster presentation format. This event allowed students to present their creative concepts to peers, faculty, and industry professionals, fostering collaboration and knowledge sharing among participants.

On 19th-20th February 2024, a poster presentation was organized by Faculty of Engineering, Institution's Innovation Council (IIC), E-Cell, and down town Venture Labs at Assam down town University.

7. Motivational Workshop with Visionary Innovators

A motivational workshop featuring visionary innovators provided students with the right mindset to pursue their entrepreneurial dreams. The workshop was a platform for students to hear from thought leaders who have made significant contributions to innovation.

8. Idea Challenge Competition

The Idea Challenge Competition encouraged students to think critically and creatively to solve real-world problems. The event was designed to identify the most promising ideas and provide them with the necessary mentorship and resources to bring them to life.

On 21st February 2024, Idea Challenge competition was organized to showcasing the the talent of participants.

9. One-Day Workshop on 'Achieving Problem-Solution Fit and Product-Market Fit'

A one-day workshop was conducted to help students understand the critical concepts of problem-solution fit and product-market fit. The workshop focused on how these concepts are crucial for building successful businesses and helped students fine-tune their entrepreneurial ideas.

On 19th February 2024, The Faculty of Pharmaceutical Sciences, in collaboration with the Institution's Innovation Council (IIC), down town Venture Lab (dtVL), and E-Cell, AdtU, organized a one-day workshop on "Achieving Problem-Solution Fit and Product-Market Fit" to equip students and budding entrepreneurs with practical insights into aligning innovations with market needs.

10. Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer

This workshop focused on educating students about the process of innovation development, technology readiness levels (TRL), and the commercialization of laboratory technologies. It highlighted the importance of bridging the gap between research and commercialization, offering students the necessary tools to transform innovations into marketable products.

On 26th February 2024, The Faculty of Engineering, in collaboration with E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, organized a one-day workshop on 'Process of Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer'.

11. Innovation & Entrepreneurship Outreach Program in Schools

The Directorate extended its reach beyond the university by organizing an innovation and entrepreneurship outreach program in schools. This initiative aimed at fostering an entrepreneurial mindset in younger students and encouraging them to explore innovation from an early age.

12. Workshop on Design Thinking, Critical Thinking, and Innovation Design

A workshop on Design Thinking, Critical Thinking, and Innovation Design was organized to help students develop essential cognitive skills for problem-solving. The workshop emphasized creativity, critical thinking, and human-centered design methodologies, which are crucial for fostering innovation.

On 20th February 2024, a workshop on "Design Thinking, Critical Thinking, and Innovation Design" was organized by E-Cell, IIC-Assam down town University, and down town Venture Labs to equip participants with essential problem-solving skills and insights necessary for innovation.

13. Field Visit to Skill Development Centre and Geospatial Lab

On 4th November 2023, a field visit to the Skill Development Centre and Geospatial Lab provided students with practical exposure to cutting-edge technologies and skill development programs. The visit enabled students to understand the importance of skill enhancement in the realm of innovation and entrepreneurship.

14. Blockchain and NFT Minting Workshop

DISA organized a hands-on workshop on Blockchain technology and NFT minting. The workshop educated students about the growing world of digital assets, decentralized finance, and the role of blockchain in innovation. This knowledge has equipped students with the tools to explore new opportunities in the blockchain space.

On 20th September 2023, Mr. Varun Desai, Head of Tezos India Arts and Culture, who introduced participants to the decentralized nature, security, and disruptive potential of blockchain technology across various sectors.

15. Innovative Food Product/Salad Competition

An Innovative Food Product/Salad Competition encouraged students to combine creativity with sustainability. The competition promoted the development of innovative food products that are both healthy and environmentally friendly, providing students with an opportunity to showcase their culinary ingenuity.

On 26th February 2024, the Innovative Food Product/Salad Competition, organized by the Faculty of Science, E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, aimed to inspire creativity and innovation in food preparation by combining culinary skills with nutritional science

16. Entrepreneurial Opportunities of Mushroom Cultivation

The Entrepreneurial Opportunities of Mushroom Cultivation workshop explored the potential of mushroom farming as a sustainable and profitable business. Students were introduced to the agribusiness sector and provided with insights into the cultivation, commercialization, and marketing of mushrooms.

On February 26, 2024, Dr. Manoj Kumar Kalita, who provided an in-depth understanding of edible vs. poisonous mushrooms, the cultivation process, suitable species, and optimal growth conditions. He also highlighted the medicinal and nutritional benefits of mushrooms and their economic viability.

Collaboration with dtVL Foundation & IIC-Assam down town University: Onboarding and Cheque Distribution Event for Student Incubatees

In a significant collaborative effort, the down town Venture Labs (dtVL) Foundation and the Innovation and Incubation Centre (IIC) at Assam down town University hosted the "Onboarding and Cheque Distribution Event for Student Incubatees" on October 16, 2023. This event marked the successful onboarding of student incubatees who were provided financial support and resources to help accelerate their startup journeys. The event witnessed the distribution of funds to the incubatees, empowering them to take their innovative ideas to the next level. Through this initiative, DISA has solidified its role as a key player in supporting young entrepreneurs and their ventures.

The cheque distribution ceremony held on October 16, 2023 organizedjointly by dtVL and ICC of Adtu, where 15 student incubatees received pre-incubation grants to support their startup ventures.

Assam down town University hosted "Envision 2024"

Assam down town University successfully hosted the 'Envision' 2024 Entrepreneurship Summit on 4th and 5th April, 2024, in Guwahati, Assam. This landmark event, organized by the Directorate of Innovation, Startup, and Acceleration (DISA), in collaboration with down town Venture Labs Foundation, Institution's Innovation Council (IIC), and E-cell, brought together key stakeholders such as Assam Startup, Meity Startup Hub, and Vikshit Bharat Abhiyan to showcase the region's entrepreneurial potential.

The summit featured a diverse array of activities, including a startup competition, workshops, a hackathon, and panel discussions, creating an exceptional platform for networking, learning, and collaboration. It attracted participants ranging from budding entrepreneurs to seasoned investors, fostering meaningful exchanges and partnerships.

The inauguration ceremony was graced by distinguished guests such as Sri PVSLN Murty, Chairman and Managing Director of North Eastern Development Finance Corporation Ltd.; Smt. Vandana Srivastava, Jurisdictional Director of Software Technology Park of India (STPI), Guwahati; and Dr. Y. Jayanta Singh, Executive Director of National Institute of Electronics & Information Technology (NIELIT), Assam. Their presence and insights did set the tone for the summit's success, emphasizing the role of technology and innovation in driving economic growth in Northeast India.

'Envision' 2024 has significantly contributed to fostering a culture of innovation and entrepreneurship in the region, laying a strong foundation for the future of startups and technological advancements in Northeast India. The event successfully bridged gaps between visionary ideas and their realization, empowering participants with essential tools, knowledge, and industry connections to drive the future of innovation.

The series of events organized by the Directorate of Innovation, Start-ups, and Acceleration (DISA) in the academic year 2023-24 has been instrumental in fostering a culture of innovation, entrepreneurship, and problem-solving among the students of Assam down town University. These initiatives have not only inspired students to think creatively but also have provided them with the tools and resources to transform their ideas into viable businesses. DISA remains committed to its mission of nurturing the next generation of innovators and entrepreneurs.

Directorate of Alumni Affairs

The Directorate of Alumni Affairs, in collaboration with the Alumni Association, successfully conducted various alumni engagement activities during 2023-24, including 13 Alumni Interactions/Talks to strengthen connections with the alumni community. One international and two national alumni meets were organized in Dhaka, Dibrugarh, and Guwahati, facilitating networking opportunities. Additionally, the university recognized twelve distinguished alumni under the "Alumni of the Month" initiative for their significant contributions in their respective fields. The prestigious "AdtU Alumni Award for Inspiring Achievement" was also presented to honor outstanding alumni accomplishments. These initiatives have significantly contributed to fostering a strong and engaged alumni network, reinforcing a sense of belonging and pride among graduates while ensuring continued collaboration and growth.

Alumni Meet in Dhaka – A moment of camaraderie as distinguished alumni and university representatives gather for the international alumni meet, fostering connections and celebrating achievements.

The Student Welfare Fund Committee (SWFC), under DoSA, provided financial support through grants and loans in 2023-2024, assisting students in academic, entrepreneurial, and extracurricular pursuits. A total of seven welfare grants were awarded for internships, entrepreneurial projects, sports, and inter-university events, while four welfare loans supported academic projects and educational trips. No applications were received for the Student Emergency Medical Fund. The SWFC remains committed to fostering student development by alleviating financial constraints and encouraging holistic growth.

Student volunteers engaging in the orientation program for newly admitted students as part of DoSA activities.

Further, the **Directorate of Student Affairs** at Assam down town University played a pivotal role in organizing and facilitating various events throughout the academic year 2023-2024, fostering student engagement and holistic development. The year began with **Orientation Day** on August 12, 2023, where freshers were introduced to campus life through interactive sessions, ice-breaker activities, and campus tours. On August 15, the **Independence Day Celebration** honored the spirit of patriotism with flag hoisting, cultural performances, and a speech competition. From November 5-7, the vibrant **Sanskriti Cultural Fest** showcased student talents in music, dance, and drama, celebrating the university's cultural diversity. The **Workshop on AI & Machine Learning**, held on January 15, 2024, provided students with hands-on experience in emerging technologies, guided by industry experts. Sports enthusiasts actively participated in the **Annual Sports Meet** from March 10-12, fostering teamwork and physical fitness through various athletic events. The **Alumni Meet** on June 20 reunited former students for networking

sessions and career discussions, strengthening alumni relations. The academic year concluded with the **Convocation Ceremony** on July 15, where graduates were awarded their degrees in the presence of esteemed guests and faculty. Through these diverse initiatives, the **Directorate of Student Affairs** successfully enriched student experiences, promoting academic excellence, cultural appreciation, and professional growth.

A warm reception for the celebrated actor and comedian on February 5, as he graced the campus with his presence, adding charm and energy to the workshop (right).

Celebrations at Assam down town University: Fostering National, Student, and Societal Interests

Assam down town University (AdtU) is committed to holistic education, extending beyond academics to inculcate values of patriotism, social responsibility, and student welfare. As part of this commitment, the university celebrated a variety of important days that align with national significance, student development, and societal well-being.Throughout the academic year, more than 52 number of celebrations/events were organized. These celebrations/events served as platform for awareness, education, and engagement. Some of the key events celebrated include:

The 77th Independence Day: Independence Day was celebrated with great enthusiasm at Assam down town University (AdtU) on 15th August, 2023. The celebration included a parade, flag hoisting and various cultural programs showcasing India's rich heritage and the spirit of freedom.

A glimpse of the 77th Independence Day festivities at AdtU

14th Foundation Day: Assam down town University celebrated its 14th Foundation Day on 7th of September 2023. The event was organized by Dr. TVVVLN Rao, Dean, Faculty of Engineering.Honorable Dean of Studies was escorted to hoist the flag of AdtU. After which all the dignitaries were invited to the venue followed by singing the National Anthem and then the Assam down town University Anthem.The program continued with a speech by the chief guest and a lecture addressing the students and other members by the guest of honor. This was followed by speech given by our Honorable Vice Chancellor, Prof. (Dr.) N. C. Talukdar.

A glimpse of the 14th Foundation Day of Assam down town University at AdtU

Children's Day: Assam down town University celebrated Children's Day by featuring an art competition, a recitation contest, and an essay competition, providing a platform for children from a number of nearby schools to showcase their skills and creativity. The event was organized by the "Beethika Art Club" and the "Erudite Literary Club" of AdtU. This special day was dedicated to celebrating the creativity and talent of the young ones. Students from Chandrapur High School, Bonda High School, Swahid Kushal Konwar High School, Raghunath Choudhury Hindi Medium School and The down town School come to Adtu campus accompanied by their teachers and participated enthusiastically in all the three competitions.

Highlights of Children's Day Celebration at AdtU campus

Magh Bihu: Magh Bihu also known as Bhogali Bihu is a significantharvest festival and marks the end of harvesting season in the month of Maagh (January-February). The students, faculty and staff of Assam down town University participated in 'Meji' lighting. Traditional Assamese dishes were prepared and shared among the university community, highlighting the rich culinary heritage of Assam.

Lamp Lighting Ceremony: The Faculty of Nursing, Assam down town University organized Lamp lighting ceremony on 25th January, 2024. In a momentous ceremony held at the organization of the Faculty of Nursing, Assam down town University proudly witnessed the 16th Lamp lighting & Oath taking ceremony. The lighting of the ceremonial lamp added a profound dimension to the event, signifying the dispelling of darkness and the ushering in of knowledge and clarity.

Highlights of the Lamp Lighting Ceremony at AdtU campus.

The 75th Republic Day: Assam down town University (AdtU) celebrated Republic Day with patriotic fervor and cultural vibrancy. The campus, adorned with the spirit of the occasion, witnessed a meticulously organized event that commemorated the essence of democracy under the overarching theme, **"**Viksit Bharat" and "Bharat: Loktantra ki Matruka (India: Mother of Democracy)".

Scenes from the 75th Republic Day event at AdtU

Bohag Bihu: Assam down town University celebrated the Bohag Bihu also known as Rongali Bihu with great fervor. The celebration included traditional Assamese music and dance performances. With the mesmerizing rhythms of Dhol, Pepa, Gogona and the graceful steps of Nasoni, the bihu was a celebration of tradition and unity of AdtU community.

Moments from the Bhoga Bihu festivities at AdtU campus

International Day for Biological Diversity:The **AdtU Biodiversity Club**and**Green Intention Program**, under the Faculty of Science, celebrated *International Day for Biological Diversity* on **22nd May 2024**, embracing the theme *"Be Part of the Plan."* The event commenced with a welcome address by **Prof. L. N. Kakati**, Chairperson of the AdtU Biodiversity Club, who delivered an enriching talk on the biodiversity of Northeast India, followed by an insightful speech by **Honorable Vice-Chancellor, Prof. N. C. Talukdar**, emphasizing the importance of conservation and presenting an engaging video on *"The Life Cycle of a Dove."* A key highlight was the launch of the club's first newsletter, **"AdtU Nature,"** showcasing its efforts in biodiversity restoration and sustainability. Additionally, **Levi Haokip**, a 4th-semester B.Sc. Forensic Science student, presented the **1.5°C Climate Clock,** underscoring the urgency of addressing climate change. With more than **100 participants** actively engaging in discussions and activities, the program successfully inspired students to take proactive steps in biodiversity conservation, reinforcing Assam down town University's commitment to environmental sustainability.

The **AdtU Biodiversity Club** released its inaugural newsletter "AdtU Nature" on the event of *International Day for Biological Diversity.*

SPIC MACAY 2024, Guwahati and Assam down town University Chapters: Padmashri Dr. Kiran Seth, founder of SPIC MACAY, visited Assam down town University (AdtU) for an inspiring day of engagement. He was welcomed by the Dean of Studies, Prof. Bandana Dutta, and later posed for photographs near the Mahatma Gandhi statue. A press conference followed, where the SPIC MACAY team shared insights about their mission and work.

Dr. Seth was then felicitated by AdtU's Vice Chancellor, Prof. (Dr.) N. C. Talukdar, Pro-Vice Chancellor Prof. (Dr.) Pranveer Singh, and Prof. Bandana Dutta. The program included a soulful bhajan by the Performing Arts faculty, followed by an enlightening talk by Dr. Seth on the importance of sustainability, wellness, classical music, and meditation in students' lives. An interactive session with the audience followed, creating a reflective atmosphere.

A group photograph with Dr. Seth and the entire SPIC MACAY team after the memorable session at AdtU.

The event concluded with a vote of thanks and group photographs, followed by a lunch hosted in honor of the SPIC MACAY team. This visit marked a significant milestone in fostering cultural and intellectual growth at AdtU.

AdtU organized a National Consultative Meeting on the "Establishment of the National Tribal Science and Technology Council (NTSTC)."

The National Consultative Meeting on the establishment of the National Tribal Science and Technology Council (NTSTC) and meeting of the expert committee of the Tribal Sub-Plan under DST, GoI was held from August 20-22, 2023, at Assam down town University, Guwahati. The event brought together key stakeholders to discuss the council's framework, functions, and funding mechanisms.

Prof. N.C. Talukdar, Vice Chancellor of Assam down town University, presided the meeting and delivered the welcome address, setting the stage for insightful discussions. This was followed by presentations from Dr. Debapriya Dutta, Adviser, DST, GoI, on the Tribal Sub Plan Scheme and Dr. Vinita Srivastava, Adviser, from the Ministry of Tribal Affairs, GoI. Vice Chancellors and

their representatives from various tribal universities—including Indira Gandhi National Tribal University (Madhya Pradesh), Sidho-Kanho-Birsha University (West Bengal), Rajiv Gandhi University (Arunachal Pradesh), University of Ladakh (Ladakh), Birsa Munda Tribal University (Gujarat), Central Tribal University of Andhra Pradesh, and Kalinga Institute of Social Sciences (Odisha)—deliberated on NTSTC's structure, research priorities, and funding strategies.

Vice Chancellors and their representatives from various tribal universities of India deliberating on the framework and research priorities of NTSTC

Members of the Expert Committee highlighted the critical role of science and technology in tribal development. The meeting concluded with a consensus on NTSTC's governance, funding models, and collaborative strategies, reinforcing Assam down town University's commitment to advancing tribal education, research, and innovation.

During August 21-22, 14 experts from different universities/organization across the country, evaluated over 50 project proposals under STI-hubs submitted for potential support. Another 40 ongoing project progress were also evaluated by the experts.

Assam down town University's Strategic MoUs for Research, Academics, and Infrastructure Development

Assam down town University has signed Memorandums of Understanding (MoUs) with various National universities, institutes, and organizations to enhance its research, academic, and infrastructural capabilities. These collaborations aim to foster knowledge exchange, joint research initiatives, faculty and student development programs, and infrastructure expansion. Through these strategic partnerships, the university seeks to strengthen its academic excellence, promote innovation, and provide students with global learning opportunities. This initiative reflects the university's commitment to advancing education and research through meaningful collaborations with esteemed institutions.

Details of MoU signed in this academic session 2023-24.

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
1.	Institute of Urology and kidney Disease, Guwahati, Assam	Collaboration in the field of training, R&D, dissemination of knowledge. Industry visit, internship and clinical posting in the field of Paramedical Sciences.	07-06-2024 to 06-06-2025
2.	Bharatiya Engineering Science and Technology Innovation University (BESTIU), Andhra Pradesh	Joint research activities in the area of mutual interest and exchange of resources for research.	27-09-2023 to 26-09-2026
3.	AAFT University, Raipur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
4.	Arya College of Engineering (ACE), SP-40, Industrial Area (RIICO), Delhi Road, Kukas, Jaipur	Collaborative research and exchange of students and staffs.	27-09-2023 to 26-09-2024
5.	ASM (AudyogikShikshan Mandal) Groups of Institute, Pune	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
6.	Automotive Skills Development Council (ASDC), E-113, Okhla Industrial Estate Phase-III, New Delhi	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
7.	D.Y. Patil International University, Maharashtra	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
8.	G D Goenka University, Gurugram, Haryana	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026

Enhancing Infrastructure and Facilities at Assam down town University

In the pursuit of academic excellence and holistic student development, Assam down town University has made significant strides in upgrading and expanding its infrastructure during this academic session. Our commitment to providing a world-class learning environment has led to the introduction of several new facilities and the renovation of existing ones to meet evolving educational standards.One of the key developments this year has been the enhancement of classroom and laboratory facilities. To foster a more interactive and engaging learning experience, we have equipped classrooms with modern audio-visual aids and smart learning tools. Additionally, new state-of-the-art laboratories have been established, ensuring that students receive hands-on experience with cutting-edge technology and research methodologies.

In our endeavor to support holistic growth, we have also upgraded our library facilities. The addition of digital resources, e-books, and high-speed internet access has significantly improved the ease of research and self-learning opportunities for students and faculty alike. The expansion of study spaces and reading rooms has further enriched the academic ambiance of the university.Recognizing the importance of student well-being, the university has invested in upgrading hostel facilities, ensuring a comfortable and secure residential experience. The hostels have been equipped with modern amenities, including better recreational spaces, hygienic dining facilities, and enhanced security measures. Furthermore, a new sports complex has been introduced to promote physical fitness and extracurricular engagement among students.The digital transformation of administrative processes has been another milestone this year. The implementation of an advanced Learning Management System (LMS) and an upgraded online student portal has streamlined academic and administrative operations, making them more efficient and accessible.

Additionally, our commitment to sustainability has led to the addition of biogas plant, sewage treatment plants (STP) planting of more tree and establishment of valuable wood plantlets to already existing installation of eco-friendly infrastructure, including solar panels, rainwater harvesting systems, agar wood plantations and other green spaces across the campus. These initiatives align with our vision of fostering an environmentally responsible campus.

Newly introduced facilities in the Academic building to support student endeavor

Newly introduced Well-Equipped Common Spaces for Student Engagement and Learning

Campus Shuttle and Transport Facilities including e-vehicles for Convenience & Connectivity

Encouraging Fitness and Sports: A Hub for Recreational and Competitive Activities

AdtU's steps towards a Sustainable Future: Environmental Conservation and Green Technologies.

Encouraging Academic Excellence through Conferences, FDP, and Professional Memberships

At Assam down town University (AdtU), we are committed to fostering a culture of academic growth and knowledge exchange. To this end, we actively encourage our faculty members and students to participate in national and international conferences, workshops, and Faculty Development Programs (FDPs). These platforms provide valuable opportunities to share innovative ideas, engage in scholarly discussions, and stay updated with the latest advancements in various fields.

To support this initiative, AdtU has a dedicated scheme that facilitates financial assistance for faculty and students attending such prestigious events. Additionally, the university recognizes the importance of professional networking and encourages faculty members to obtain memberships in renowned national and international academic and professional bodies. To ease this process, AdtU provides reimbursement for membership fees, ensuring that faculty members have access to valuable resources, collaborations, and professional development opportunities.Through these efforts, AdtU reinforces its commitment to academic excellence, continuous learning, and global engagement, enabling its faculty and students to contribute meaningfully to their respective domains.

In this academic year, a large number of our esteemed faculty members have actively participated in various national and international conferences, workshops, and Faculty Development Programs (FDPs). These engagements have provided them with valuable insights, research collaborations, and opportunities to contribute to the academic community.

Below is a comprehensive list of conferences and FDPs attended by our faculty members, showcasing their dedication to continuous learning and professional development:

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
1	Dr. Saikat Sen	Faculty of Pharmaceutical Science	Keynote Speaker in e-FDP 'EITAP-2k24' organized by Shri Venkateshwara College of Pharmacy, Puducherry	NA	3rd to 8th June 2024	Online

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
2	Dr. Faruk Alam	Faculty of Pharmaceutical Science	National conference "Drug Discovery and In-Silico Drug Design "	Drug Discovery and In-Silico Drug Design "	18.11.2022	Royal School of Pharmacy
3	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Workshop cum Valu Added Course on Nanotechnology (Amazing Nano 2023), organized by Department of Electronics and Communication Engineering, School of Technology, Assam Don Bosco University, Guwahati.	Advancement of nanotechnology in biomedical application	03.10.2023	Online Mode
4	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Virtual Symposium on "Application of Biotechnology" organized by INTI, Malaysia	Exploring Natural Resources in Quest for Lead Molecules	20.09.2023	Online Mode
5	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Two-day workshop on "Mastering the Art of Research: From Selection to Publication"	Identifying and selecting a viable research area	01.09.2023	Pratiksha Institute of Pharmaceutical Sciences, Guwahati
6	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Four-Day Workshop	Basic data Science in Pharmacoepidemiology	25th to 29th March 2022	Pharmacy Literacy Club/ MAHE, Manipal, Karnataka, India
7	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Three Day National Webinar	Recent Trends in Pharmaceutics and Novel Drug Delivery Systems	21st to 23rd March, 2022	Dept. of Pharmaceutics (MPH), Shri Vishnu College of Pharmacy (Autonomous), Bhimavaram, Andhra Pradesh,

Recognition and Accolades: Commitment to Society and Academic Excellence

At Assam down town University (AdtU), our dedicated faculty members and students actively contributed to society through various initiatives, research, and community engagement. Their relentless efforts in education, innovation, and social service have been recognized by esteemed national and international organizations.

In recognition of these contributions, many of our faculty and students have received accolades, awards, and honors from distinguished bodies. These achievements reflect the university's commitment to academic excellence, social responsibility, and impactful learning.

This year, the AdtU fraternity has earned numerous prestigious recognitions, further strengthening our reputation as a center of excellence. These honors serve as a testament to the hard work, dedication, and passion of our faculty and students in making a meaningful difference in society.

Extracurricular Activities at AdtU: A Year of Engagement and Growth

At AdtU, extracurricular activities play a crucial role in shaping students' holistic development alongside their academic pursuits. Throughout the year, students actively participated in various clubs, each catering to diverse interests and talents. These clubs provided a platform for students to express their creativity, enhance their skills, and foster a sense of community.

Highlights from the Clubs

1. Drishya Drama Club

The Drishya Drama Club captivated audiences with its outstanding theatrical performances. Students showcased their acting talents through stage plays, skits, and monologues, addressing social issues and entertaining the university community.

2. Om Yoga & Meditation Club

This club played a significant role in promoting wellness and mindfulness. Regular yoga and meditation sessions helped students manage stress, improve concentration, and embrace a healthy lifestyle. Special workshops on mental well-being were also conducted.

3. Erudite Literary Club

With a passion for literature and creative writing, the Erudite Literary Club organized poetry recitations, storytelling sessions, and debate competitions. The club encouraged students to enhance their writing and public speaking skills.

4. Tribhanga and Zephyr Dance Clubs

These dance clubs brought vibrancy to campus life through dynamic performances in various styles, including classical, contemporary, and fusion. The clubs participated in inter-university dance competitions and organized workshops for aspiring dancers.

5. Dorian and Bandish Music Club

Music enthusiasts found their home in the Dorian and Bandish Music Club, where students engaged in vocal and instrumental performances. The club hosted open mic sessions, battle-of-the-bands competitions, and musical evenings, enriching the cultural landscape of the university.

6. Beethika Art Club

The Beethika Art Club nurtured students' artistic talents through painting exhibitions, mural projects, and workshops. The club also contributed to beautifying the campus with creative art installations and graffiti projects.

7. Sports Club

With an emphasis on physical fitness and teamwork, the Sports Club organized tournaments in football, basketball, cricket, badminton, and other sports. Students actively participated in intra- and inter-university competitions, showcasing their athletic prowess.

8. Landscape, Photography & Cine Club

This club provided a platform for students to explore visual storytelling through photography and filmmaking. Members captured stunning images of campus life, produced short films, and conducted photography workshops to enhance technical skills.

A Year of Achievements and Inspiration

The year witnessed a surge in student engagement across all clubs, reflecting a culture of creativity, teamwork, and self-expression at AdtU. These extracurricular activities not only helped students hone their talents but also contributed to their overall personality development. The university remains committed to fostering such opportunities, ensuring that students receive a well-rounded educational experience.

Championing Excellence: Sports Activities at AdtU (2023-24)

The academic year 2023-24 was a remarkable period for sports at Assam down town University (AdtU), marked by outstanding achievements, thrilling competitions, and a growing spirit of sportsmanship among students and faculty alike. From badminton and cricket to a grand sports fest, the university's athletes and teams showcased their dedication, resilience, and competitive excellence on multiple prestigious platforms.

AdtU Badminton Championship 2024

The AdtU Badminton Championship 2024, held on 23rd May 2024, was a spectacular event that witnessed participation from various universities and institutions. The championship featured competitions in Men's and Women's team events, along with an exciting Mixed Doubles category.

- Men's Team Event: The champions were AIPE (A) from the Abhiruchi Institute of Physical Education, with stellar performances from Lahu Linggi, Sonmyadeep Saha, Diwas Yadav, Kabeer Husain, and Jyoti Kachari. The runners-up were KKHSOU (Krishna Kanta Handique State Open University), featuring Sangram Chutia, Sajid Akhtar, Meraj Hussain, Saurav Jyoti Deka, and Ashok Talukdar. Sangram Chutia was awarded the Best Player (Men) title for his exceptional gameplay.
- Women's Team Event:Cotton University emerged victorious, represented by Suzen Buragohain and Pratiksha Pathak, while the Asian Institute of Management secured the runner-up position with Pratiksha Borgohain and Vasundhara Tanwar. Upasana Borgohain of Cotton University was named Best Player (Women) for her outstanding performance.
- Mixed Doubles Tournament:Cotton University (B), represented by Irfan Ahmed and Suzen Buragohain, claimed the championship title. Cotton University (A), comprising Tehzeeb Rahul Toufique and Pratiksha Pathak, finished as runners-up.

Inter-University and Inter-College Cricket Achievements

The AdtU Cricket Team had an eventful year, participating in various prestigious tournaments, showcasing their skill and teamwork at both regional and inter-varsity levels.

- Nemcare Group Premier League (Season 6): Held in November 2023, the AdtU team participated in this competitive tournament hosted by NITS Mirza, Guwahati. The team

secured a victory in their first league match, demonstrating their potential and teamwork.

AdtU Cricket Team Competes in Nemcare Group Premier League at NITS Mirza, Guwahati.

- Inter-College Cricket Tournament (Govt. Ayurvedic College, Guwahati): AdtU's team exhibited great resilience and skill, reaching the quarter-finals, further strengthening the university's presence in regional cricket.
- 3rd Niloy Dutta Memorial Inter-Varsity Cricket Tournament: Organized by the Assam Cricket Association (ACA), this prestigious event saw AdtU winning two of their league matches, proving their growing competence in inter-university cricket.

Inter-University Badminton Tournament (Nagaland University, AIU)

AdtU's badminton players participated in the Inter-University Badminton Tournament, organized by Nagaland University under the banner of the Association of Indian Universities (AIU). The team secured two victories in their league matches, gaining invaluable experience while competing against top universities from the region.

Highlights of AdtU badminton players competing at the Inter-University event

Faculty Participation: Flood Light Cricket Tournament

Faculty members of AdtU also actively participated in sports. 16 teachers and 2 non-teaching staff represented AdtU in the Flood Light Cricket Tournament for University and College Teachers, organized by Gauhati University. The team showcased commendable performance, reaching the semi-finals, emphasizing the university's commitment to promoting sports among both students and faculty.

ATTITUDE-2024: A Grand Celebration of Sports

The Sports Fest for ATTITUDE-2024, held from 19th to 21st February 2024, was a massive success, featuring over 350 students competing in various sports events, including:

- Badminton Singles (Male and Female)
- Badminton Doubles (Male and Female)
- Volleyball (Male and Female)
- Futsal (Male and Female)
- Arm Wrestling (Male and Female)

The event was not just a competition but a celebration of sportsmanship, camaraderie, and athletic excellence within the AdtU community.

The 2023-24 academic year was an inspiring journey for AdtU's sports teams and athletes. With remarkable achievements in badminton and cricket at inter-college and inter-university levels, as well as a successful sports fest, the university continues to foster a strong sporting culture. These milestones reflect the dedication of students and faculty towards sports, and AdtU remains committed to encouraging athletic talent and excellence in the years to come.

Executive Summary

In the academic year 2023-24, Assam down town University (AdtU) made remarkable strides in enhancing its research ecosystem, aiming to foster a culture of academic excellence, innovation and scientific inquiry. Effort was pot to complete the preparation for implementation of MEP 2020 full-fledged form 2024-25 sessions. The course superstructures across all programs completed by taking into consideration different facts such as multidisciplinary, interdisciplinary academics, industry academics interface and internationalization and through active involvement of faculty members. Another key focus has been on revising the Research Award Policy to further incentivize faculty-driven research, positioning AdtU as a leader in academic research and development. The University introduced advanced instrumentation across all Central Instrumentation Facilities (CIF), enhancing access to cutting-edge technology for sophisticated experimentation and analysis. Additionally, significant improvements to laboratory infrastructure have created a more conducive environment for groundbreaking research across various disciplines.

A cornerstone of AdtU's research expansion is the allocation of substantial seed funding. The University provided ₹87.49 lakhs in seed grants to 28 faculty-led projects, nurturing pioneering research ideas and promoting high-impact scientific discoveries. Furthermore, AdtU has successfully secured and is actively managing a total of ₹1389.06 lakhs in extramural research grants, awarded by prominent government agencies such as the Department of Biotechnology (DBT), Department of Science & Technology (DST), Indian Council of Medical Research (ICMR), and Assam Science Technology & Environment Council (ASTEC). These grants signify the University's commitment to addressing contemporary scientific and societal challenges through collaborative and high-quality research.

In addition to government funding, AdtU has also secured ₹89 lakhs from 25 non-government funding agencies, supporting 213 faculty-led projects. This financial backing underscores the growing recognition of AdtU's research excellence, facilitating its faculty members in exploring diverse and impactful areas of study.

The University's continued efforts to foster an innovative research environment are complemented by its diverse academic offerings, with 1982 students enrolled across 49 programs under 10 faculties. These initiatives aim to strengthen AdtU's position as a leading institution in higher education and research. Moving forward, the University is committed to refining its research infrastructure, expanding its funding avenues, and maintaining its focus on cutting-edge research that addresses both global and regional challenges.

The expansion of both indoor and outdoor sports infrastructure, enhancement of library resources, and accelerated initiatives across key directorates—including International Affairs (DIA), Career Advancement (DOCA), Innovation Start-up and Acceleration (DOSA), Alumni Affairs (DOAA), and Student Affairs (DOSA)—are propelling AdtU toward its vision of becoming a globally recognized university from Northeast India. With a strong focus on academic excellence, research, and holistic student development, AdtU is committed to shaping a better society.

BUDGET UTILIZATION FOR THE FINANCIAL YEAR 2023-24

Breakdown of account-specific information for the academic year 2023-24

Particulars	Total (in INR)
Expenses towards regular maintenance

SDG ANNUAL REPORT 2024

Version 1.2

Prof (Dr) Pranveer Singh
Pro Vice-Chancellor
Assam down town University

SDG 14 Report 2024

1. Introduction

AdtU recognises its responsibility to protect aquatic ecosystems and responsibly manage water-related natural resources. While primarily a terrestrial institution, the university's efforts in stormwater management, rainwater harvesting, recharge systems and water-body maintenance contribute to SDG 14's broader aim of conserving and sustainably using freshwater and inland water ecosystems.

2. Water-Body & Recharge Infrastructure

- AdtU maintains water-bodies and ponds on campus which support groundwater recharge and provide habitats for local flora and fauna, reinforcing ecosystem continuity. Facebook+2Instagram+2
- Rainwater-harvesting tanks are installed across multiple blocks (Block A: 40,000 L; Block B: 150,000 L; Blocks E & J: 40,000 L each) to collect surface runoff and reduce dependency on external freshwater sources. adtu.in
- AdtU's NAAC documentation confirms "maintenance of water bodies and distribution system" as part of its institutional water-conservation strategy. adtu.in

3. Aquatic Ecosystem Health & Connectivity

- Though AdtU is not located directly on a river-bank ecosystem, its hillside-campus and water-body management initiatives mitigate surface-runoff into nearby streams and reduce sediment loads entering downstream systems.
- By promoting green-zone landscaping and retaining natural vegetated percolation areas, the university supports infiltration-based recharge, which helps prevent altered flow regimes and preserves natural hydrological cycles.

4. Education, Research & Community Engagement

- AdtU integrates modules on water-resource management, ecosystem services and freshwater conservation into relevant engineering, science and agriculture curricula, preparing graduates to engage with aquatic environmental challenges.
- The campus's water-management best-practice documentation is publicly available in its Best Practice portal, serving as a reference for educational outreach and institutional replication. adtu.in
- Student-led workshops on rain-water harvesting and pond-ecosystem monitoring allow community engagement and reinforce behavioural change toward protecting inland water systems.

5. Monitoring, Impact & Future Roadmap

- Key indicators monitored include: number of rain-water harvesting units installed (7 + tanks reported), existence of ponds or water-bodies, and institutional disclosures on water-body maintenance.
- Looking forward, AdtU plans to map campus water-bodies using GIS to quantify biodiversity and hydrological connectivity, install sensor-based water-quality monitoring in ponds, and engage in local stream-health restoration programmes.

- An upcoming initiative will target a **"Campus Water-Body Conservation Dashboard"** by 2026 to track metrics such as pond area changes, water table responses, and surface-runoff reductions.

Conclusion

AdtU's practices, rain-water harvesting, pond-maintenance, water-body conservation and ecosystem-integrated planning, contribute to SDG 14: Life Below Water, by supporting inland water-ecosystem resilience and responsible freshwater management. The university recommits to advancing freshwater-conservation actions aligned with its sustainable campus and regional stewardship goals.

Fig. 2.13.14. Ponds and bunds: These structures are designed to collect, store, and manage water resources effectively, contributing to the university's sustainability goals and supporting its various operational needs.

Fig. 2.13.18. Bamboo plantaion inside AdtU campus acting as major carbon sink along with other forest trees and planted vegetation

Description:

Due to AdtU's location in a hilly terrain, common E-rickshaws are not efficient for campus mobility. To address this, the university has introduced electric cars on the campus. Additionally, students from the Faculty of Engineering have developed an E-rickshaw designed specifically for the university's terrain. This initiative supports the university's commitment to reducing its carbon footprint and fostering an eco-friendly campus environment.

To enhance water conservation and management on campus, AdtU has undertaken the construction of tanks and bunds. These structures are designed to collect, store, and manage water resources effectively, contributing to the university's sustainability goals and supporting its various operational needs.

The rainwater harvesting system at Assam down town University facilities consists of multiple blocks with different tank capacities. Block A has tanks with a capacity of 40,000 litters, while Block B has a larger tank holding 150,000 liters. Blocks E and J feature tanks with a capacity of 40,000 liters each. These tanks collect rainwater from various surfaces and store it for non-potable uses within the university, reducing reliance on groundwater and municipal water supply. The system promotes water conservation, mitigates storm water runoff, and demonstrates the university's commitment to sustainability.

226	From Kitchen To Workspace: Mapping Women's Socioeconomic Status In Tezpur Home Based Enterprises	Dr. Shyam B. Choudhury	Faculty of Humanities and Social Sciences	Sampreshan
227	Post-Pandemic Socio-Economic Dynamics Of Migrants In Guwahati City: A Contemporary Empirical Exploration	Dr. Shyam B. Choudhury	Faculty of Humanities and Social Sciences	International Journal Of Engineering, Management And Humanities
228	A Study On Traditional Religious Practices And Belief Among The Rabha Community Of Assam	Dr. Shyam B. Choudhury	Faculty of Humanities and Social Sciences	Journal Of The Oriental Institute
229	Christianity And Cultural Transformation: The Impact On Bodo Society	Dr. Shyam B. Choudhury,	Faculty of Humanities and Social Sciences	Journal Of The Oriental Institute
230	Exploring The Socio-Cultural Tapestry: Unraveling The Life Of Bodos In Assam	Dr. Shyam B. Choudhury	Faculty of Humanities and Social Sciences	Journal Of The Oriental Institute
231	Effect Of Cold Therapy For Reduction Of Perineal Pain Among Postnatal Mothers In Selected Hospitals, Assam	Ms Bhagya Priya Phukan, Ms. Nongmeikapam Monika	Faculty of Nursing	Indian Journal Of Natural Sciences
232	The Impact Of Smartphone Use On Social Relationships Among Young People	Dr. Bijoy Das, Dr. Rituparna Roy	Faculty of Commerce and Management	Indian Journal Of Natural Sciences
233	Effect Of Informational Booklet On Obstetrical Danger Signs Among Antenatal Mother	Ms Snigdha Nath, Ms. Nongmeikapam Monika	Faculty of Nursing	International Journal Of Neurology
234	Development And Application Of A Novel Protocol For Predicting Proteinligand Interactions: Comprehensive Docking Studies Of Imidazole Derivatives As Anti-Bacterial Agents	A. Lazha, Dr. Imran A Sheik, Mr. Satyabrat Sarma	Faculty of Pharmaceutical Science	African Journal Of Biological Sciences (South Africa)
235	Phytochemistry, Antidiabetic And Antioxidant Activities Of Cymbopogon Citrates Stapf. (Lemongrass)	Dr. Rinchi Bora	Faculty of Pharmaceutical Science	African Journal Of Biological Sciences
236	Smart Solutions For Stubborn Wounds: Biodegradable Polymer Innovations	Dr. Gongutri Borah	Institute of Paramedical Sciences	African Journal Of Biological Sciences

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
237	Social Constructs And Racial Dynamics In 'The Adventures Of Huckleberry Finn': A Literary Analysis	Dr. Pranami Chakravorty,	Faculty of Commerce and Management	Educational Administration: Theory And Practice
238	A Brief Review On Light Responsive Drug Delivery System As Personalized Medicine Of Photodynamic Therapy And Over Years Of Advancement On The Therapeutics	Prasurjya Saikia , Dr. Durga Prasad Kemisetti	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
239	A Study To Assess The Effect Of Structured Teaching Programme On Perimenopausalsymptoms And Its Management Among Working Women In Selected Universities, Guwahati, Assam	Ms Arkadipta Guha, Ms. Nongmeikapam Monika	Faculty of Nursing	International Journal Of Neurology
240	Transactional Leadership And Followers Innovative Behavior: Roles Of Commitment To Change And Organizational Support For Creativity	Nagella Venkata Ramana, Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Migration Letters
241	Technology Adoption In Hospitality: Investigate The Impact Of Emerging Technologies Like Ai, Iot And Blockchain On Operational Efficiency And Guest Experienc In The Hospitality Sector	Mr. Santanu Sarma, Mr. Mridu Pawan Rabha	Faculty of Commerce and Management	Well Testing
242	Self Concept Of Hearing Impaired Student In Respect Of Gender	Doli Thakuria, Dr. Manjusha Deka Saikia	Faculty of Humanities and Social Sciences	Acta Scientiae
243	Hello Chatgpt: Transforming Academia And Libraries Through Ai	Dr. Rituparna Roy	Faculty of Commerce and Management	Tuijin Jishu/Journal Of Propulsion Technology
244	Study To Determine The Results Of Applying Fascial Distortion Model Techniques Against Conventional Physiotherapy Treatment For Patients With Shoulder Pain	Ujwal Bhattacharya, Dr. Manash Pratim Kashyup	Faculty of Science	African Journal Of Biological Sciences
245	An Analysis Of Return Predictability And Technical Trading Strategies In The Indian Capital Market	Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Educational Administration Theory And Practice
246	Corporate Social Responsibility And Stakeholder Engagement: A Comparative Study Of Industry Practices	Dr. Anuradha Inamdar, Mitrajit Biswas, Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Educational Administration Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
247	Hr Strategies For Enhancing Employee Engagement And Organizational Performance: A Marketing Perspective	Manisha Patil, Dr. Princi Gupta, Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Educational Administration Theory And Practice
248	Analytical Hplc Method Development And Validation For The Assay Of Prasugrel Tablets	Prasanthi Samathoti, Dr. Trinayan Deka	Faculty of Pharmaceutical Science	African Journal Of Biological Sciences
249	Insilico Efficacy Of Quercetin As A Therapeutic Potential For Colorectal Cancer	Raj K. Keservani,Nazim Uddin, Dr. Ritismita Devi	Faculty of Science	African Journal Of Biological Sciences
250	Nutritional Profile Of Two Cyprinid Species Commonly Consumed By The Khynrium Sub-Tribe Of The Khasi Community	Dr. Snigdha Chakraborty, Dr. Mofidul Islam	Faculty of Science	African Journal Of Biological Science (South Africa)
251	Stability Indicating Method Development And Validation Of Imeglimin Hydrochloride In Bulk And Pharmaceutical Formulation By Uv-Spectrophotometer	Dr. Uttam Prasad Panigrahy	Faculty of Pharmaceutical Science	African Journal Of Biological Sciences (South Africa)
252	Examining The Phytochemical Analysis And Antiarthritic Effects Of Melia Azedarach Leaf Extract: A Herbal Approach Of Arthritis Management	Dr. Uttam Prasad Panigrahy, Anil Kumar	Faculty of Pharmaceutical Science	Community Practitioner
253	Quantification And Analytical Validation Of Lamotrigine By Liquid Chromatographic Method Through Isocratic Separation	Aswini Kumar Parida, Dr. Uttam Prasad Panigrahy	Faculty of Pharmaceutical Science	Community Practitioner
254	Quantification And Validation Of Eszopiclone By Liquid Chromatographic Method Through Isocratic Separation	Aswini Kumar Parida, Dr. Uttam Prasad Panigrahy	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
255	Unveiling Gender Dynamics Through Proverbs In Garo Folklore	Dr. Sagarika Mahanta Das, Dr. Tina Mazumdar	Faculty of Humanities and Social Sciences	Community Practitioner
256	Efficient Forecast Of Chronic Kidney Disease Using Gradient Boosting Classifier	Dr. Abdul Majid, Dr. Debashis Dev Misra	Faculty of Engineering	Scope Journal
257	A Review On Traditional Medicine Insights, Functional Utilization And Uses Of Debregeasia Longifolia	Moidul Islam Judder, Dr. Faruk Alam	Faculty of Pharmaceutical Science	African Journal Of Biological Sciences (South Africa)

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
258	A Structural Equation Modeling On Financial Health For Businesses	Mrs. Serah Sudhin, Dr. Ghodake Shamrao P, Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Migration Letters
259	Effect Of Oyster Mushroom On Nutritional Composition, Shelf Life And Organoleptic Characteristics Of Enriched Cookies	Dr. Ph Vivekanandini Devi, Dr. Jasmin Islam, Dr. Daisy Sharma	Faculty of Science	Food And Humanity
260	The Correlation Between Sleep Deprivation And Depression Among College Students	Dr. Manjusha Deka Saikia,	Faculty of Humanities and Social Sciences	Indian Journal Of Natural Sciences
261	A Morphological Study Of Spleen And Variations In The Ppulation Of Assam	Dr. Abdul Alim Ahmed and Ms. Dimpy Pathak Das	Faculty of Commerce and Management	Journal Of Cardiovascular Disease Research
262	A Novel Scientific Approach: Zebrafish As An Informative In-Vivo Testing Platform In Physiological Investigation	Mamta Kumari and Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	African Journal Of Biological Sciences
263	Millets: A Perfect Functional Food And Its Significance In Diabetic Management	Mr. Himangshu Deka, Mr. Jyotirmoy Bhattacharyya, Dr. Ananta Choudhury, Mr. Moksood Ahmed Laskar, Mr. Josef Yakin, Mr. Koushik Narayan Sarma	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
264	A Review On Biodegradable Cellulose Based Bio Films As A Viable Packaging Material In Pharmaceutical And Food Industry	Sadique Hussain Tapadar, Dr. Durga Prasad Kemisetti	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
265	A Review On Paragonimiasis And Its Differential Diagnosis Technique	Ms. Vekutolu Resuh, Ms. Viswedenu Kera, Ms. Avolu Kotso, Ms. Lipoksenla	Faculty of Paramedical Sciences	Biosciences Biotechnology Research Asia
266	A Review On Regular Clocking Scheme In Quantum Dot Cellular Automata	Dr. Mrinal Goswami, Dr. Arpita Nath Boruah	Faculty of Engineering	E-Prime - Advances In Electrical Engineering, Electronics And Energy
267	A Review Study On The Medicinal Properties Of Curcuma Caesia, A Potential Plant From North East India	Mridusmita Rabha, Dr. Gunamoni Das	Faculty of Science	International Journal Of Biology, Pharmacy And Allied Sciences (Ijbpas)

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
268	Â€Œthe Impact And Future Of Contactless Technology And Digital Payments In The Hospitality Industryâ€	Dr. Bhola Chourasia	Faculty of Commerce and Management	Cahiers Magellanes-Ns
269	Advances Of Cassava Starch-Based Composites In Novel And Conventional Drug Delivery Systems: A State-Of-The-Art Review	Dr. Trinayan Deka	Faculty of Pharmaceutical Science	Rsc Pharmaceutics
270	Amr-Xai-Dwt: Age-Related Macular Regenerated Classification Using X-Ai With Dual Tree Cwt	Naresh Kumar, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Fusion: Practice And Applications
271	An Extensive Analysis Of The Arbitrage Efficiency And Risk Return Dynamics Of Investment Strategies In The Indian Equity Derivative Market	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice
272	Analysis On Various Ways Of Attaining Sustainable Development Through Green Marketing	Dr. Bhabajyoti Saikia,	Faculty of Commerce and Management	Alochana Journal
273	Assessing Educational Excellence: A Holistic Examination Of Outcome-Based Education, Accreditation Practices, And Institutional Rankings	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice
274	Assessment Of Cinnamaldehydeâ€™S Potency On Heat Stress?Induced Testicular Impairments In Wistar Rats	Pazhanisankar Muthusamy, Ravindran Rajan, Dr. Dapkupar Wankhar	Faculty of Paramedical Sciences	Journal Of Human Reproductive Sciences
275	Bioanalaytical Method Development And Validation For Linagliptin In Api And Combination Formulations: A Comprehensive Review	Amrit Kumar Rath, Dr. Durga Prasad Kemisetti	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
276	Botanical Warriors: Harnessing Nature's Antiviral Arsenal Â€“ A Comprehensive Study Of Medicinal Plants Combatting Pathogenic Viral Infections	Mayank Gangwar, Gopal Nath, Dr. Manish Kumar Gautam	Faculty of Pharmaceutical Science	Pharmacological Research - Natural Products
277	Colonial Detention Discourse: Gandhi As A Satyagrahi Prisoner And His Impact Upon The Society.	Dr. Tina Mazumdar, Dr. Sagarika Mahanta Das	Faculty of Humanities and Social Sciences	Cahiers Magelennes-Ns
278	Comprehensive Review Of Conjunctivitis: Causes,Symptoms And Evidence-Based Treatments	Rakibul Hasan Khan	Faculty of Paramedical Sciences	Journal Of Nursing

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
279	Correlation Between Body Mass Index And Renal Function Test Among The Students Of Assam Downtown University	Akoijam Herojit Singh, Mr. Sunit Nath, Mr. Hijam Chandramani Singh	Faculty of Paramedical Sciences	Indian Journal Of Natural Sciences
280	Curcuma Longa: A Review Of Antioxidant,Anxiolytic And Antidepressant Activity	Mr. Sunit Nath, Dr. Abhijit Dutta, Ms. Viswedenu Kera, Ms. Lipoksenla	Faculty of Paramedical Sciences	Indian Journal Of Natural Sciences
281	Current Advances In Understanding Of Drug Resistance In Biomedical Research	Priyam Jyoti Das, Dr. Santa Mandal, Dr. Saikat Sen, Dr. Piyali Dey	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
282	Decision Making In Healthcare Through Machine Learning Enhacement With Fusion Feature	Mampi Devi, Dr. Manoj Kumar Sarma	Faculty of Engineering	Revista Electronica Deveterinaria (Redvet)
283	Developing Collaborative Teams Of Early Childhood Educators And Health Care Professionals	Ms. Dimpy Pathak Das	Faculty of Commerce and Management	Educational Administration: Theory And Practice
284	Diversity Among Rough Lemon Of Assam In Accordance With Tree And Leaf Characters	Purnima Pathak, Dr. Daisy Sharma	Faculty of Science	Ama, Agricultural Mechanization In Asia, Africa And Latin America
285	Emerging Natural And Synthetic Compounds In The Management Of Diabetic Neuropathy: Targeting Oxidative Stress And Inflammation	Dr. Suman Kumar Samanta, Prof. N.C. Talukdar, Dr. Aparajita Ghosh	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
286	Ethical Scrutiny Of Marketing And Promotional Practices In The Indian Pharmaceutical Industry: A Comprehensive Analysis Of Norms And Perspectives	Dr. Pramod Kumar, Dr. Mukesh Kumar	Faculty of Commerce and Management	African Journal Of Biological Sciences
287	Explore The Use Of Blockchain Technology To Create Secure And Transparent Frameworks For Sharing Sensitive Data Across Various Industries, Such As Healthcare And Finance	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
288	Exploring Plant-Microbe Interactions In Rhizosphere: Novel Strategies For Drug Discovery From Medicinal Plants	Devinder Kumar Maheshwari, Srikanth Jeyabalan, Mr. Josef Yakin	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
289	Floating Multi Unit Mini Tablets (Mmut): The Novel Approach On Gastro Retentive Drug Delivery System	Shahil Arman, Dr. Kumara Swamy Samanthula, Dr. Saikat Sen	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
290	Formulation Development And Evaluation Of Nanoemulsion Based Gels For Nicardipine	Kranthi Kumar Kotha, Dr. T. Chandra Shekar	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
291	Gangrene And Perforation To The Gallbladder May Complicate With Respect To Typhoid Fever	Mr. Chinmoy Das, Dr. Arnabjyoti Deva Sarma, Dr. Pratap Chandra Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
292	Hand-Made Clay Mud: A Traditional Supplement Of Mud For Pregnant Ladies In Assam, India	Trishna Mani Nath,Pallab Kalita,Dr. Faruk Alam, Dr. Dhrubajyoti Sarkar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
293	Harnessing Artificial Intelligence For Natural Product Research: A New Paradigm In Pharmaceutical Sciences	, Hrithik Rikhav Mohan , Gargi Bora, Shiny Ahmed , Dhiraj Baishya , Moksood Ahmed Laskar, Santa Mandal	Faculty of Pharmaceutical Science	Strad Research
294	Herbal Remedies For Mental Health Disorders: A Focus On Adaptogenic Plants And Their Mechanisms Of Action	Juganta Kumar Kalita, Mr. Priyam Jyoti Das, Dr. Saikat Sen, Dr. Santa Mandal	Faculty of Pharmaceutical Science	Strad Research
295	Hybrid Optimization For Integration Of Renewable Energy Systems Into Smart Grids	Vikas Verma, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Measurement: Sensors
296	Influence Of English Language On Metadata Standardization In Global Library Networks	M. Muthumanikandan, Dr. Pramod Kumar	Faculty of Commerce and Management	Library Progress International
297	Innovative Approaches To Rice (Oryza Sativa) Crop Health: A Comprehensive Analysis Of Deep Transfer Learning For Early Disease Detection"	Dr. Utpal Barman, Dr. Mala Dutta, Dr. Dulumani Das, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Yuzuncu Yil University Journal Of Agricultural Sciences -
298	In-Vitro Antioxidants Assessment And Herbal Capsule Formulation Of Aerial Parts Of Enhydra Flactuans	Dr. Mrinmoy Basak, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
299	Lassa Hemorrhagic Fever: A Comprehensive Review On Re-Emerging Infectious Diseases	S. Malik, Dr. Indrani Barman	Faculty of Science	Infectious Diseases: News, Opinions, Training
300	Molecular Pharmacognosy In The 21st Century: A Multidisciplinary Approach For Natural Drug Discovery	Mr. Dhiraj Baishya, Mr. Priyam Jyoti Das, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	International Journal Of Research Publication And Reviews
301	Myrtenol: A Promising Terpene With Potent Pharmacological Properties	Pervej Alom Barbhuiya, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Pharmacological Research - Natural Products
302	Nanomedicine: A New Frontier In Alzheimerâ€™S Disease Drug Targeting	Kalyani Pathak, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Central Nervous System Agents In Medicinal Chemistry
303	Plastic Degrading Enzymes And Microbes	Dr. Biswa Prasun Chatterji	Faculty of Science	Indian Journal Of Natural Sciences
304	Practicing Labor Relation In Assam Tea Industry With Special References To Some Of The Selected Tea Estates Of Jorhat District In Assam.	Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Alochana Journal
305	Predicting Healthcare Utilization Among Breast Cancer Patients With Several Regression Modeling Approach	Dr. Mrinal Deka	Faculty of Science	African Journal Of Biological Sciences (South Africa)
306	Preliminary In-Vitro Assessment Of Antimicrobial And Haemostatic Activity Of Spider Web Silk Extract	Dr. Faruk Alam, Mr. Josef Yakin, Mr. Dhiraj Baishya	Faculty of Pharmaceutical Science	International Journal Of Zoological Investigations (Ijzi)
307	Preliminary Phytochemical And Antimicrobial Evaluation Of Polyherbal Ointment Formulation	Kunal Dutta, Dr. Dhrubajyoti Sarkar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
308	Preparation Of Herbal Hair Oil Exploring The Therapeutic Benefits Of Herbs And Its Evaluation	Mr. Dhiraj Baishya, Dr. Ananta Choudhury, Mr. Himangshu Deka, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journal Of Applied Pharmaceutical Research

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
309	Privacy-Preserving Association Rule Mining: A Comprehensive Survey Of Techniques For Sensitive Rule Identification And Enhanced Data Protection	Ms. Eirene Barua, Dr. Mala Dutta	Faculty of Engineering	International Journal Of Computers And Applications
310	Production Of Xanthan Gum From Inedible Parts Of Broccoli And Cauliflower	Dr. Biswa Prasun Chatterji	Faculty of Science	Environmental Research, Engineering And Management
311	Recent Advancement In Nanocarrier Systems For Cancer Targeting	Mr. Nurjamal Hoque, Charlisar Teron, Dr. Ananta Choudhury	Faculty of Pharmaceutical Science	Asian Journal Of Pharmaceutical Research And Development
312	Recent Advances On Harnessing Multi-Omic Approaches For Assessing Meat Quality And Safety	R Thomas, Dr. Songeeta Singha	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
313	Reuse Of Brick Waste In Construction Industry	Saikat Deb	Faculty of Engineering	Journal Of Mines, Metals And Fuels
314	Rhamnolipid Biosurfactant As Robust Inhibition Agent For Colletotrichum Gloeosporidides-Pathogen Of Capsicum Chinense And General Welfare Of The Host Plant	Nilam Sarma, Hemen Deka, Dr. Suresh Deka	Faculty of Science	Journal Of Mycopathological Research
315	Role Of Iot And Blockchain Technology In The Growth Of Digital Hrm Transformations As A Function Of Management	Dr. Pramod Kumar	Faculty of Commerce and Management	Journal Of Informatics And Research
316	Silica-Based Nanocarriers For Controlled Drug Delivery: A Critical Review Of Design Strategies And Biomedical Applications	Ankur Patel, Dr. Piyali Dey	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
317	Stacking Approach For Classification Of Multiclass Dry Beans	Dr. Arpita Nath Boruah, Dr. Mrinal Goswami	Faculty of Engineering	Indian Journal Of Agricultural Research
318	The Evolution Of Gender Roles: A Study Of Shashi Deshpande's Novels On Indian Family Life	Mr. Nakibur Rahman, Dr. Sagarika Mahanta Das	Faculty of Humanities and Social Sciences	Educational Administration: Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
319	The Influence Of Emerging Social Media Trends On The Evolution Of The Travel And Hospitality Industry"	Dr. Bhola Chourasia	Faculty of Commerce and Management	Educational Administration: Theory And Practice
320	The Potential Therapeutic Applications And Mechanisms Of Action Of Cryptomphalus Aspersa (Snail) Extracts In Dermatology And Wound Healing	Mr. Priyam Jyoti Das, Juganta Kumar Kalita, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	World Journal Of Biology Pharmacy And Health Sciences
321	The Role Of Gpt And Data Fusion In Improving Disaster Prediction		Faculty of Engineering and Technology	Disaster Advances
322	The Role Of Social Media And Its Impact On Shaping Tourist Destination: A Comparative Study	Dr. Bhola Chourasia	Faculty of Commerce and Management	International Journal Of Transformation In Operational & Marketing Management
323	Thyroid And Liver Profile Among Obese Students Of Assam Downtown University	Mr. Hijam Chandramani Singh, Mr. Sunit Nath, Ms. Avolu Kotso, Ms. Lipoksenla, Mr. Kangujam Dinesh Singh	Faculty of Paramedical Sciences	International Journal Of Biology, Pharmacy And Allied Sciences (Ijbpas)
324	Toll Like Receptors: A Promising Target For Covid 19 Mediated Acute Respiratory Distress Syndrome	Pompy Patowary, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
325	Traditional Rice-Fish Farming Of Mao Indigenous Community, Manipur, India	Santoshkumar Abujam, Dr. Laishram Shantikumar Singh	Faculty of Science	International Journal Of Ecology And Environmental Sciences
326	Typhonium Trilobatum, An Miracle Plant From Tripura, North East India	Dr. Gunamoni Das	Faculty of Science	African Journal Of Biological Science (South Africa)
327	Unveiling The Latest Biological Insights Of Indole And Its Derivatives: A Compact Review	Hiyashree Sharmah, Izaz Hussain, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journalofchemicalhealthrisks

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
328	Vaccines For Yellow Fever Disease: A Narrative Review		Faculty of Science	Microbes And Infectious Diseases
329	Weed Flora Composition In Upland Direct Seeded Rice In Brahmaputra River Ecotones And Edges In Majuli District, Assam	Rashmi Rekha Borah, Dr. Animesh Gogoi	Faculty of Science	Indian Journal Of Agricultural Research
330	Zooplankton As Bio-Indicator Of Aquatic Ecosystem: A Review	Sourav Debnath, Dr. Nibedita Talukdar	Faculty of Science	African Journal Of Biological Science (South Africa)
331	A Hybrid Grasshopper Optimization Algorithm For Skin Lesion Segmentation And Melanoma Classification Using E-Health Deep Learning	Dr. Aniruddha Deka	Faculty of Engineering	Healthcare Analytics
332	Yield And Biochemical Profiling Of Onion (Allium Cepa L) Under Diffrent Growing Condition	Soni Kumari, Dr.Mohammad Zaki Shamim	Faculty of Science	Indian Journal Of Natural Sciences
333	Developing A Sustainable Model: The Role Of Renewable Energy In Eco-Hotels	Mr. Santanu Sarma, Dr. Samannoy Baruah	Faculty of Commerce and Management	Journal Of Applied Optics
334	Effect Of Ocimum Sanctum Extract In Controlling Life Stages Of Callosobruchus 2 Chinensis L.: An In-Silico Approach	Dipanjan Dey, Dr. Suraj Chetri	Faculty of Science	International Journal Of Agriculture And Biosciences
335	A Blockchain-Based Iot Data Securing And Sharing System For Attendance Management	Dr. Aniruddha Deka	Faculty of Engineering	Indian Journal Of Science & Technology
336	Radiation Exposure Assessment In Coronary Angiography Computed Tomography Scan: Establishing Diagnostic Reference Level For Northeast Assam Population	Dr. Arnabjyoti Deva Sarma, Jibon Sharma, Dr. Mrinak Kanti Singha, Dr. Manash Pratim Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
337	A Novel Approach For Iot-Based Cloud Computing Technology And Its Impact On Business Entrepreneurship	Dr. Pramod Kumar	Faculty of Commerce and Management	International Journal Of Intellectual Systems And Applications In Engineering
338	A Systemic Review Of Preclinical Studies Of Herbal Plants Having Anti-Polycystic Ovarian Syndrome Activity: A Pan India Study	Manashi Karmakar, Dr. Manash Pratim Pathak, Dr. Mrinmoy Basak, Dr. Saikat Sen, Ms. Ireenia Warjri, Dr. Utpal Barman	Faculty of Pharmaceutical Science	The Natural Products Journal

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
339	Â An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Darthan Mawia, Riya Saikia, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
340	An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
341	Unveiling Novel Drug Leads: Utilizing Molecular Docking Studies For Efficient Drug Discovery	Majuj Ahmed Dr. Rinchi Bora Anisha Sharma	Faculty of Pharmaceutical Science	Research Journal Of Chemistry And Environment

B. Details of Book-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Authors Name	Publisher (ISBN)	Faculty of Study
1	Principles and Practices of Network Security	Aniruddha Deka, Debashis Dev Mishra	Xoffencer International Publication (9788119534074)	Faculty of Engineering and Technology
2	Basic Anatomy and Physiology of Eye	Rakibul hasan khan	Jbd publication (9789392330919)	Faculty of Paramedical Sciences
3	5G Technology and Its Application	Aniruddha Deka, Jyoti Prasad Kalita, S. R. Jena, Haewon Byeon	Xoffencer International Publication (9788119534227)	Faculty of Engineering and Technology
4	Trends in Nanoscience for future development	Dr. P. Arularasan, Dr. Rohit Shrivastava, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5762-168-7)	Faculty of Engineering and Technology
5	Graphene Revolution and Challenges	Dr. P. Arularasan, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5757-551-5)	Faculty of Engineering and Technology
6	Entrepreneurship and Startup Ecosystem In India	Dr. Anupam Jain, Dr. Vinod kumarjain, Dr. Jyotiprasad Kalita, Dr. Ruchika Rathi	The Global Publishers & Distributors (978896237769)	Faculty of Commerce and Management
7	Stress Management and Building Resilience	Dr Manjusha Deka Saikia	IIP Publications (Awaited)	Faculty of Humanities and Social Sciences

8	Archives of Agricultural Extension Education	Dipankar Saikia, Bidyut Pritom Gogoi, Asha Rani	Himanshu Publications (978-93-87201-58-3)	Faculty of Agricultural Sciences and Technology
9	A textbook of Pharmaceutical Jurisprudence	Dr. Rinchi Bora, Ms. Kalpana Sonwani, Mihir Otia, Mr. Vishal Kumar Pathak	Stallion Publication (978-93-95074-05-6)	Faculty of Pharmaceutical Science
10	Digital Marketing	Dr. Bhabajyoti Saikia	Scientific International Publishing House (SIPH) (978-93-5757-850-9)	Faculty of Commerce and Management
11	Social Work in a Globalised World	Prateeti Barman	Fahhochshulverlag (978-3-947273-77-5)	Faculty of Humanities and Social Sciences
12	Textbook of Pharmaceutical Quality Assurance	Dr. Khagga Bhavyasri, Dr. Uttam Prasad Panigrahy, Dr. M. Akiful Haque, Dr. Heena Farooqui.	Lapin Press Publications (978-81-965269-1-7)	Faculty of Pharmaceutical Science
13	CLASSICAL ALGEBRA	Gunendra Ch. Das	BNit Book Builder (978-93-94334-71-7)	Faculty of Science
14	A Practical Book of Medicinal Chemistry - I	Dr. TC Lalhriatpuii,Ms. Nayanika Neog,Ms. Bidhya Sharma,Ms. PdiangmonKyndait,Ms. Sabnam Parveen,Mr. NurjamulHoque,Biprojit Paul,Ms. BhanitaDas,Mr. Moidul Islam Judder	Booksclinic Publishing (9789355359117)	Faculty of Pharmaceutical Science
15	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
16	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
17	Tribology in Sustainable Manufacturing	Jitendra Kumar Katiyar, T V V L N Rao, Ahmad Majdi Abdul Rani, Mohd Hafis Sulaiman, J. Paulo Davim	CRC Press (9781032426310)	Faculty of Engineering and Technology

18	INDUSTRY 4.0	Multiple Authors (Edited Volume)	P.K. Publishers & Distributors (978-81-19428-79-3)	Faculty of Commerce and Management
19	Queer Voices from the Periphery: A Collection of Perspectives from Northeast India	Dr. Prateeti Barman	Qurate Books Private Ltd. Mumbai (978-81-19263-85-1)	Faculty of Humanities and Social Sciences
20	MCQ's BOOK of Medical Laboratory Sciences For Medical Laboratory Professionals	Sunit Nath	JBD Publications (978-93-92330-87-2)	Faculty of Paramedical Sciences
21	Marketing 4.0	Dr. Bhabajyoti Saikia	R. K. Publications (978-81-970169-1-2)	Faculty of Commerce and Management
22	Nanostructured Materials for Food Packaging Applications	Ruhul Amin, Biplab Kumar Dey, Daniela Calina, Javad Sharifi-Rad	Elsevier (978-0-323-99525-2)	Faculty of Pharmaceutical Science
23	Substance Abuse: Socio-Psychological, Legal Perspectives	Prateeti Barman, Gariasi Dutta	SLM Publishers, Patiala (978-93-91083-99-1)	Faculty of Humanities and Social Sciences
24	NEP - 2020: Opportunities and Challenges	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 06 - 3)	Faculty of Commerce and Management
25	Impact of Community Based Tourism(CBT): Dooars Region of Bengal	Dr. Apurb Chakraborty, Dr. Santosh Kumar Upadhyay	LAP LAMBERT Academic Publishing (978-620-7-46779-2)	Faculty of Commerce and Management
26	Research and Reviews in Literature, Social Sciences, Commerce and Management, Volume - I	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 20 - 9)	Faculty of Commerce and Management
27	Agricultural Entreprenurship and Rural development in Lower Brahmaputra Valley	Dr. Krishnakhi Choudhury & Prof. Kanagaraj Easwaran	Notion Press (Paperback- 979-8893229905, E-Book-979-8893633597)	Faculty of Humanities and Social Sciences
28	Futuristic Trends in Agriculture engineering & Food Science	Dr. Mohammad Zaki Shamim	IIP Iterative International Publishers (978-93-5747-340-8)	Faculty of Science

29	Practical Book of Medicinal Chemistry-III	Dr. Biswajit Dash, Prof (Dr) Neetesh Kumar Sharma,SabnamParveen, BhanitaDas,SandipanChoudhury,RanadeepBorgohain,DeijyChoudhury,RosamundJyrwa,Sungjemrenla I Jamir	Booksclinic Publishing (978-93-5823-560-9)	Faculty of Pharmaceutical Science
30	CLINICAL ORTHOPAEDICS AND TRAUMATOLOGY	Abhijit dutta	Lulu Publication (9-781387-492626)	Faculty of Paramedical Sciences
31	PRACTICAL BOOK OF BIOCHEMISTRY & CLINICAL PATHOLOGY	Anubhav Dubey Dr. Niladry Sekhar Ghosh	HSRA Publications (978-93-5506-838-5)	Faculty of Pharmaceutical Science
32	Technological Advancements in Agriculture	D.R.K. Saikanth,B.Saritha,M. Veeraragavan,V. Sampath,Dr. V.R. Senthamizhkumaran,C. Vengatesan,Chapala Rama Rao,Prof. K. Mallikarjuna,Dr. R. VijayKumar,K.V. Ananthakumar,S. Alagendran	Textify Publishers (978-81-970449-6-0)	Faculty of Agricultural Sciences and Technology
33	MCQ's for D.Pharm Exit Examination	Dr. Faruk alam, Dr. Durgaprasad kemisetti	AITBS Publishers, India Medical Publishers (978-81-901017-8-6)	Faculty of Pharmaceutical Science
34	MCQ's for D.Pharm Entrance & Exit Examination	Dr. Durgaprasad kemisetti, Dr. Faruk alam	AITBS Publishers, India Medical Publishers (978-81-971017-4-8)	Faculty of Pharmaceutical Science
35	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Gunamoni Das	Dibya Publications (978-93-95777-41-4)	Faculty of Science
36	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Shyam b. Choudhury	Divya Publication (978-93-95777-41-4)	Faculty of Humanities and Social Sciences
37	Medical Physiology	Dr. Dapkupar Wankhar, Dr. Kanu Shil	Scientific International Publishing House (9789361320019)	Institute of Paramedical Sciences
38	Pharmaceutical Science: Research and Innovation	Dr. Ronald Darwin,,Mr. Izaz Hussain,,Mr. LakhyajitBorah,Mr. Rajat Das,Ms. Kumudini Sahoo,Ms. Jayashree Devi,Mr. Abdul Hadi Umam,Mr. Atanu Sarma,Dr. Faruk Alam,Dr. Ruhul Amin,Mr. MohidulIslam,Mr. Josef Yakin	IIP Iterative International Publishers (978-93-6252-034-0)	Faculty of Pharmaceutical Science

39	Practical Guide of Hospital & Clinical Pharmacy	Dhiraj Baishya,PiyaliDey,Dr.Manishkumergautam,Nurjamal Hoque	Purbayon Publication (978-93-5860-013-1)	Faculty of Pharmaceutical Science
40	Pharmaceutical Science: Research and Innovation	Dr. Ruhul Amin, Dr. Ronald Darwin, Mr. Izaz Hussain, Mr. Lakhyajit Borah, Mr. Mohidul Islam, Dr. Faruk Alam, Mr. Rajat Das, Ms. Kumudini Sahoo, Mr. Abdul Hadi Umam, Mr. Josef Yakin, Mr. Atanu Sarma, Mr. Injamamul Haque, Ms. Arjina Mondal, Dr. Sudarshana Borah	Iterative International Publishers (IIP) (978-93-6252-034-0)	Faculty of Pharmaceutical Science
41	Practical Book of Pharmaceutics (Handbook for Diploma in Pharmacy partI)	Nurjamal Hoque,Dr.AnantaChoudhury,SatyabratSarma,Dhiraj Baishya	Purbayon Publication (978-93-5860-005-6)	Faculty of Pharmaceutical Science
42	Lecture Notes on Discrete Mathematics	Malay Dutta,Mala Dutta	Orchid Publication (978-81-967884-8-3)	Faculty of Computer Technology

C. Details of Book Chapter-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Name of Author	Title of the Book Chapter	Name of the Publisher (ISBN)	Faculty of Study
1	Recent Trends Fostering Future of Engineering: An Overview	Dr. Biswajyoti Das	An Introduction to Solar Appliances	Purbanchal Prakash (978-81-964605-4-9, 2023)	Faculty of Engineering
2	Recent Trends in Basic and Applied Science	Dr. Gunendra Ch. Das	Importance of ICT in Teaching and Learning Mathematics	Purbayan (978-93-5860-024-7)	Faculty of Science
4	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary	Food Allergy: A brief understanding regarding the mechanism, types and genes associated with common food allergies	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering

5	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Partha Pratim Sarkar	The Curious Case of Rising Temperatures: The El Nino Circus is back in Town	PurbanchalPrakash (978-81-964605-4-9)	Faculty of Engineering
6	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Pulakesh Chetia	A Review: Effect of different materials and condition on biogas production during anaerobic digestion	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering
7	Microplastic Occurance, Fate, Impact and Remediation	Dr. Sunandan Baruah, Dr. Arnab Sarkar, Mr. Devabrata Sarmah	Nanoplastic Sources, Characterization, Ecological Impact, Remediation and Policies	Springer (978-3-031-36351-1)	Faculty of Engineering
8	Advances in Multidisciplinary Research and Development	Narender Boggula,Durgaprasad Kemisetti,Kanakaraju Vijaya Kishore,Sushma Edukulla,ParijathaBandigari	Artificial Intelligence in Pharmaceutical Sciences	Scripown Publishers (978-93-94375-55-0)	Faculty of Pharmaceutical Science
9	The Role of Chromenes in Drug Discovery and Development	Partha Pratim Dutta,Faruk Alam, Biplab Kumar Dey, Rajeev K. Tonk	Miscellany of Chromene	Bentham Science Publishers Pte. Ltd. (978-981-5124-33-0)	Faculty of Pharmaceutical Science
10	Entrepreneurship: Issues and Perspectives	Dr. Shibani Borah	Rural Entrepreneurship: A Trigger for Rural Growth and Development	Nagaon GNDG Commerce College (978-93-5913-651-6)	Faculty of Commerce and Management

11	Research Trends in MULTIDISCIPLINARY RESEARCH	Dr. Shalaka Baidya (PT), Dr. Abhijit Dutta phd,Dr. Vandana Kumari (PT)	Cancer And Rehabilitation	AkinikPublications (978-93-5570-751-2)	Faculty of Physiotherapy and Rehabilitation
12	Antidiabetic Plants: Properties and Applications	Dr. Faruk Alam	The Usefulness of Aloe Vera in the Management of Diabetes	Nova Science Publishers (979-8-88697-957-2)	Faculty of Pharmaceutical Science
13	Nanostructured materials for tissue engineering	Ananta Choudhury,Himangshu Deka,Biplab Kumar Dey,Monica Bhairam,Koushik Sengupta	Nanomaterials for skin repair and regeneration	Elsevier (978-0-323-95134-0)	Faculty of Pharmaceutical Science
14	Recent Trends Fostering Future of Engineering: An overview	Aniruddha Deka	Blockchain and Distributed Ledger Technology	Purbanchal Prakash(978-81-964605-4-9)	Faculty of Engineering
15	Recent Trends Fostering Future of Engineering : An overview	Aniruddha Deka,Atowarul Islam	ICT based Tools for Teaching Learning	Purbanchal Prakash (978-81-964605-4-9)	Faculty of Engineering and Technology
16	Plant-Derived Hepatoprotective Drugs	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Hepato Protective Phytochemicals: Isolation and Characterization from Plant Extracts	Bentham Science Publishers, Singapore (978-981-5079-84-5)	Faculty of Pharmaceutical Science
17	Advancement in Computer Technology	Dr. Bhabajyoti Saikia	An Analysis on the Role of Information Technology in Management	Assam down town University (978-93-5906-083-5)	Faculty of Commerce and Management

18	Bioprospecting of Tropical Medicinal Plants	Dr.Mohammad Zaki Shamim	Dietary Natural Polyphenols Against Bacterial and Fungal Infections: An Emerging Gravity in Health Care and Food Industry.	Springer Nature (978-3-031-28779-4)	Faculty of Science
19	Advancement of Computer Technology	Mr. Manabjyoti Choudhury, Dr. Utpal Barman	Suicide Prediction in India using Machine Learning	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
20	Advancement of Computer Technology	Dr. Utpal Barman	Categorizing and Quality Assessment of Tea Leaves through Machine Learning Based Grading System.	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
21	Advancement of Computer Technology	Dr. Utpal Barman	Prediction of Soil pHusing Computer vision	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
22	Advancement in Computer Technology	Dr. Gunikhan Sonowal	Phishing Emails detecting using automated Machine Learning	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
24	Advancement of Computer Technology	Dr. Prasanta Pratim Bairagi	IoTBased Weather Monitoring and Data Visualization System with Global Accessibility : Sensor Integration and Real-time Display	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology

25	Advancement in Computer Technology	Mr. Deepjyoti Roy, Dr. Mala Dutta	An overview of health recommender systems	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
26	Advancement in Computer Technology	Dr. Dulumani Das	Skull stripping of brain MRI using edge-based segmentation technique and morphological operation	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
27	"Beyond Binaries: Understanding Sexual Identities and Queer Rights Issues in India	Multiple authors (Edited volume)	Queer Identity and Rights: Experiences from assam	IMPRI Impact and Policy Research Institute, New Delhi (978-81-956402-0-1)	Faculty of Humanities and Social Sciences
28	Potent Anticancer Medicinal Plants Secondary Metabolite Profiling, Active Ingredients, and Pharmacological Outcomes	Sagar Barge,Dhananjay Jade,Narayan Chandra Talukdar	Centella asiatica Linn	CRC Press (Taylor & Francis) (ISBN: ISBN: 978-1-77491-311-6 (hbk) ISBN: 978-1-77491-312-3 (pbk) ISBN: 978-1-00343-119-0 (ebk))	Faculty of Science
30	Current Innovations in Disease and Health Research	Dr. Nirmali Gogoi, Ms. Nongmeikapam Monika	Respectful Care as a Human Right: Key Components of Implementing Respectful Maternity Care"	B P International (978-81-19761-03-6, ebook 978-81-19761-37-1)	Faculty of Nursing
31	XUKIA Perspectives from Social Sciences and Humanities	Mr. Manimugdha Medhi	Digitalization and its Impact on Rural Population of Assam	Purvanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
32	Covid- 19 Global Pandemic and Challenges	Dr. Mrinmoy Nag, Apurbaa Acharya, Dr. Faruk Alam,Mr. Josef Yakin, Aswini Kumar Sethi	COVID-19: Influence on Health System	Prime Publication (978-71-868796-3-7)	Faculty of Pharmaceutical Science

33	Recent Trends in basic and applied sciences	Mr. Manimugdha Medhi	Designing and installation of an effective grounding system for operation of high voltage pulsed power system	Purbayon publication (978-93-5860-024-7)	Faculty of Science
34	Research in Biomedical, Healthcare and Pharmaceutical Science	Gongutri Borah	Catalysing cleanup: exploring hydrolases' vital role in pollutant biodegradation	Bhumi Publication (978-93-88901-88-8)	Institute of Paramedical Sciences
35	Research in Biomedical, Healthcare and Pharmaceutical Science	Gongutri Borah	Bites and stings: navigating the perils of venom poisoning	Bhumi Publication (978-93-88901-88-8)	Institute of Paramedical Sciences
36	ETHNIC DIVERSITY IN INDIAN ART AND CULTURE	Dr. Pranami Chakravorty	Cultural diversity in workplace	Sunbeam (978-93-93092-48-9)	Faculty of Commerce and Management
37	Good Governance and Sustainable Development	Mr. Santujit Chanda	Environment social and governance (esg) practices and reporting: the state bank bank of india	Research and Development Cell, Nalbari Commerce College (978-81-965414-1-5)	Faculty of Commerce and Management
38	Climate Crisis, Social Responses and Sustainability: Socio-Ecological Study on Global Perspectives	PAMPI DAS	Climate crisis and outbreak of disease: A societal collapse	Springer Nature **(978-3-031-58261-5)**	Faculty of Commerce and Management
39	Children with Multiple Vulnerabilities	Dr. Manjusha Deka Saikia	Covid-19 and Children: An Attempt to Come up with An Intervention	GLOBAL PUBLISHING HOUSE INDIA (978-93-95606-17-2)	Faculty of Humanities and Social Sciences

40	Emotional AI and Human-AI Interactions in Social Networking	Dr. Nabanita Choudhury	Machine learning model for teaching and emotional intelligence	Academic Press, Elsevier (978-0-443-19096-4)	Faculty of Computer Technology
41	Advances in Manufacturing and Processing of Materials Characterization and Applications	Pratap Kalita, Abdul Baquee Ahmed, Saikat Sen, Satyabrat Sarma, and Satyendra Deka	Starch-Based Biodegradable Packaging Materials: Characterization and Multifarious Applications in the Pharmaceutical and Food Industries	Apple academic Press (9781774914922)	Faculty of Pharmaceutical Science
42	Natural Products: An Answer to Cardiovascular Complications	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti	The Potential Effects of Flavonoids in the Treatment of Cardiovascular Diseases	Nova Science Publishers (979-8-89113-196-5)	Faculty of Pharmaceutical Science
43	Implementing Sustainable Development Goals in the Service Sector	Dr. Bhola Chourasia	Challenges and Prospects of Homestay in Rural Tourism: A Study of Uttarakhand	IGI Global (13: 9798369320655)	Faculty of Commerce and Management
44	Plant-derived Hepatoprotective Drugs	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyotisarkar	Hepatoprotective phytochemicals: isolation and characterization from plant extracts	Bentham Science Publishers Pte. Ltd. (978-981-5079-84-5)	Faculty of Pharmaceutical Science
45	Advancement in Computer Technology	Nur Talukdar	Brain Cell Segmentation: An Empirical Stud	Springer (978-93-5926-083-5)	Faculty of Computer Technology
46	Social Work in a Globalised World edited by Riju Sharma, Ursula F, Verena R	Dr. Prateeti Barman	Reproductive Rights of Women: Issues and concern	Fachhochschulverlag, Frankfurt, Germany (978-3-947273-77-5)	Faculty of Humanities and Social Sciences

47	Thinkers: Creating New Ideas of Research	Dr. Manjusha Deka Saikia	Effects of Music on the Mental Health among Adults.	Eudoxia Research Centre (13 979-8869541154)	Faculty of Humanities and Social Sciences
48	PROCEEDINGS OF NATIONAL SEMINAR ON "TECHNOLOGY: RESHAPING EDUCATIONAL AND ECONOMIC GOALS"	Dr. Samannoy Baruah	Technological advancements in mobile theatres of assam: a review	GLOBAL NET PUBLICATION , (AN IMPRINT OF ASIAN HUMANITIES PRESS) (978-81-19948-46-8)	Faculty of Commerce and Management
49	IMPLEMENTATION OF NEP 2020 AND heisOF ASSAM	Dr. Shibani Borah	NEP 2020 - Major Reforms	LAKHIMPUR COMMERCE COLLEGE ,ASSAM (978-81-19948-46-8)	Faculty of Commerce and Management
50	SUSTAINABLE DEVELOPMENT - EDUCATION ,SOCIETY AND CULTURE	Dr. Shibani Borah	NEP 2020: ATheoretical Analysis	SUNBEAM, DIGBOI MAHILA MAHAVIDYA LAYA (978-93-93092-42-7)	Faculty of Commerce and Management
51	XUKIA:PERSPECVTIV ES FROM SOCIAL SCIENCES AND HUMANITIES	Dr. Sagarika Mahanta Das	A brief history of the Development of English Short Stories	Purbanchal Prakash, Guwahati (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
52	Xukia: Perspectives from Social Sciences and Humanities	Dr. M. K. Deb	Dynamics of Female Out-Migration for Employment from Assam: Insights from Census Report 2011	Purbanchal Prakash (978-81964605-3-2)	Faculty of Humanities and Social Sciences
53	Design and Implementation of Higher Education Learners' Learning Outcomes (HELLO)	Prof. Pranveer Singh, Dr. Ananya Kalita, Dr. Ankur Pan Saikia	An Outcome-Based Learning Framework for Promoting Critical Thinking in Undergraduate Engineering Students	IGI Global (9781668494721)	Faculty of Engineering

54	Intelligent multimedia processing and computer vision	Dr. Nabanita Choudhury	Machine learning and revolution in agriculture: Past, present and future	The Institution of Engineering and Technology, London, United Kingdom (9781839537257)	Faculty of Computer Technology
55	Intelligent Multimedia Processing and Computer Vision: Techniques and Applications	Dr. Nabanita Choudhury	Biometric-based computer vision for boundless possibilities: process, techniques, and challenges	The Institution of Engineering and Technology, London, United Kingdom (9781839537257)	Faculty of Computer Technology
56	Research and Reviews in Agriculture Science Volume V	Gongutri Borah	From Farm to Table: Modern Approaches to Post Harvest Preservation	Bhumi Publication (978-93-95847-82-7)	Institute of Paramedical Sciences
57	Fostering Sustainable Businesses in Emerging Economies -The Impact of Technology	Dr. Bhabajyoti Saikia	Industry 5.0 Its Role Toward Human Society: Obstacles, Opportunities, and Providing Human-Centered Solutions	Emerald Insight (978-1-80455-641-2, eisbn-978-1-80455-640-5)	Faculty of Commerce and Management
58	Research Trends in Science and Technology Volume IV	Gongutri Borah and Arabinda C Nath	Merging Tech and Medicine: Biomedical Engineering at the Cutting Edge	Bhumi Publication (978-93-95847-67-4)	Institute of Paramedical Sciences
59	Research Trends in Life Science Volume V	Gongutri Borah	Precision Pharmacology: Tailoring Drugs for Individual Needs	Bhumi Publication (978-93-95847-56-8)	Institute of Paramedical Sciences
60	Big Data Computing Advances in Technologies, Methodologies, and Applications	Dr. Gunikhan Sonowal	Recent Research Techniques in Processing, Security, and Storage of Real-World Applications of Big Computing	CRC Press (9781032634050)	Faculty of Computer Technology

61	Biological applications of Nanoparticles	Dr. Sunandan Baruah, Dr. Arnab Sarkar, Mr. Devabrata Sarmah	Nanotechnology for Pesticide Sensing	Springer (978-981-99-3629-8)	Faculty of Engineering
62	Advanced Technologies and Innovations in Tourism and Hospitality Industry	Dr. Bhola Chourasia	Prospects for Emerging New Horizon of Accommodation with Reference to TAMIA a Tourist Destination	Bharti Publications (978-81-19757-70-1)	Faculty of Commerce and Management
63	Current Trends in the Diagnosis and Management of Metabolic Disorders	Dr. Partha Pratim Kalita	Artificial Intelligence in Metabolic Disorders	CRC Press, Taylor & Francis Group (9781003384823)	Faculty of Science
64	Nutraceuticals and Bone Health	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Carpal Tunnel Syndrome Management by Nutraceuticals	Apple Academic Press (9781003415084)	Faculty of Pharmaceutical Science
65	Vibration Engineering and Technology of Machinery, Volume I, Select Proceedings of VETOMAC XVI 2021	Dr. T V V L N Rao	Limiting load capacity and stiffness coefficients of bump recess foil journal bearing with FGM	Springer Nature Singapore Pte Ltd. (978-981-99-4721-8)	Faculty of Engineering
66	Vibration Engineering and Technology of Machinery, Volume I, Select Proceedings of VETOMAC XVI 2021	Dr. T V V L N Rao	Analysis of Limiting Load Capacity and Stiffness Coefficients of Porous-Bump-Recess Foil Journal Bearing	Springer Nature Singapore Pte Ltd. (978-981-99-4721-8)	Faculty of Engineering
67	Tribology in Sustainable Manufacturing	Jitendra Kumar Katiyar,Ahmad Majdi Abdul Rani,M. H. Sulaiman,Utpal Barman,Patrick J. MassetorcidIcon,T. V. V. L. N. Rao	Recent Advances of Tribology in Sustainable Manufacturing	CRC Press (9781003363576)	Faculty of Computer Technology

68	Tribology in Sustainable Manufacturing	Dr. T V V L N Rao	Recent Advances in Tribology of Sustainable Manufacturing	CRC Press (9781032426310)	Faculty of Engineering
69	Tribology in Sustainable Manufacturing	Dr. T V V L N Rao	Limiting Performance Characteristics of Textured Functionally Graded Foil Journal Bearing	CRC Press (9781032426310)	Faculty of Engineering
70	Emerging Trends in Medical Sciences Volume - 5	Dr. Shalaka Baidya (PT)	PCOD And Rehabilitation	Integrated Publications (978-93-5834-145-4)	Faculty of Physiotherapy and Rehabilitation
71	Xukia: Perspectives from Social Sciences and Humanities	Dr. Dimple Choudhury	Language Endangerment: Miju and Digaru	Purbanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
72	Adventure:Journey to Excellence	Dr. Sagarika Mahanta Das	Challenging Traditional Gender Roles in Kamala Das's Poetry	Adhyayan Publishers & Distributors (978-93-91943-96-7)	Faculty of Humanities and Social Sciences
73	Xukia : Perspectives from Social Sciences and Humanities	Dr. Manjusha Deka Saikia	Awareness of Mental Health in Middle-Aged Adults of Arunachal Pradesh	Purbanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
74	Industry 4.0	Ms. Nilakshi Teron	Banking 4.0- A New Era of Bank Industry and its Challenges	P.K Publishers (978-81-19428-79-3)	Faculty of Commerce and Management

75	Rising Contagious Diseases: Basics, Management, and Treatments	Dr. Manash Pratim Pathak	Lyme Disease Management Antibiotics and Beyond	John Wiley and Sons (9781394188710)	Faculty of Pharmaceutical Science
76	Pharmaceutical Science: Research and Innovation	Mr. Mohidul Islam	Innovations in Immunotherapy: Monoclonal Antibodies and Biologics Redefining Cancer and Autoimmune Disease Treatments	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
77	Pharmaceutical Science: Research and Innovation	Mr. Josef Yakin, Mr. Mohidul Islam	Anti-Diabetic Activity: Methods for Evaluation	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
78	Pharmaceutical Science: Research and Innovation	Dr. Faruk Alam, Mr. Josef Yakin, Mr. Mohidul Islam	Natural Remedies: AComprehensive Pharmacognosti cEvaluation	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
79	Pharmaceutical Science: Research and Innovation	Mr. Josef Yakin, Mr. Mohidul Islam	Herbal drug: An Approach to Novel Drug Delivery System	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
80	Pharmaceutical Science: Research and Innovation	Dr. Faruk Alam, Mr. Mohidul Islam	Herbal Medicine and Nanotechnology : Formulation and Evaluation	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science
81	Pharmaceutical Science: Research and Innovation	Dr. Faruk Alam, Mr. Mohidul Islam	Myrica Esculenta: AHealth Perks	IIP (978-93-6252-143-9)	Faculty of Pharmaceutical Science

82	Nutraceuticals and Bone health	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Carpal Tunnel Syndrome and Management through Nutraceuticals	CRC Press, Taylor & Francis (978-1-00341-508-4)	Faculty of Pharmaceutical Science
83	Recent update in Disease and Health Research	Dr. Nirmali Gogoi, Ms. Lakhimi Gogoi	Role of Community Health Officer or Middle level Healt Worker in Indiah	BP International (978-81-971889-2-3)	Faculty of Nursing
84	Recent Trends Fostering Future of Engineering	Dr. Mrinal Goswami	Quantum-dot Cellular Automata: A Paradigm for Future Low Power Devices	Purbanchal Prakash (978-81-964605-4-9)	Faculty of Engineering
85	Human Rights and Subaltern Groups	Ms. Dimpy Pathak Das	Reproductive and Sexual Rights of Women with Disabilities in India	Sunbeam (978-93-93092-99-1)	Faculty of Commerce and Management
86	Nanostructured Materials for Food Packaging Applications	Ruhul Amin	Safety assessment of nanostructured packaging materials	Elsevier (978-0-323-99525-2)	Faculty of Pharmaceutical Science
87	Emerging Trends In Physical Science	Dr. Jayashri Medhi	A Study of Deuterium Production in Solar Flares and Gamma ray emission	Research and Innovation Cell ,Anundoram Borooah Academy Degree College (978-93-90706-80-8)	Faculty of Science
88	Xukia : Perspectives from Social Sciences and Humanities	Dr. Manjusha Deka Saikia	Awareness of Mental Health in Middle-Aged Adults of Arunachal Pradesh	Purbanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences

89	INDUSTRY 4.0	Ms. Archana Barman	A Review on Cloud Computing	P.K PUBLISHERS AND DISTRIBUTORS (978-81-19248-79-3)	Faculty of Commerce and Management
91	Emerging Trends In Physical Science	Dr. Jayashri Medhi	A Study of Deuterium Production in Solar Flares and Gamma Ray Emission	Research and Innovation Cell ,Anundoram Borooah Academy Degree College (978-93-90706-80-8)	Faculty of Science
92	Emerging Trends in Physical Science	Nayana Gautam	Sterile Neutrino Dark Matter: A Brief Review	Research and innovation cell,Anundoram Barooah Academy Degree College (978-93-90706-80-8)	Faculty of Science
93	Human Cancer Diagnosis and Detection Using Exascale Computing	Dr. Pramod Kumar	Evaluating the Impact of Healthcare 4.0 on the Performance of Hospitals	WILEY, Scrivener Publishing LLC, Scopus (Print ISBN:9781394197675 |Online ISBN:9781394197705)	Faculty of Commerce and Management
94	MULTIDISCIPLINARY APPROACH IN RESEARCH AREA	Dr. Shyam B. Choudhury	Digital mentorship programs: empowering women in the Tech Era	THE HILL PUBLICATION (978-81-966799-0-3)	Faculty of Humanities and Social Sciences
95	Substance Abuse: Socio-psychological and Legal Perspective	Dr.Prateeti Barman	Unveiling the Shadow: Illuminating Alcohol Abuse in Assam through Case Studies and the Lens of Social Learning Theory	SLM Publishers, Patiala (978-93-91083-99-1)	Faculty of Humanities and Social Sciences

96	Recent Advance in pharmaceutical & Medical Sciences	Dr. Nirmali Gogoi	Fetal Development and its Process	Prime Publication (978-71-766976-6-1)	Faculty of Nursing
98	Gender Equality in the Workplace: Challenges and Solutions	Dr. Manjusha Deka Saikia	Work Family Balance: The Perspectives of Women in the Unorganized Sector	Eureka Publications (978-81-19567-46-1)	Faculty of Humanities and Social Sciences
99	Networks and Machine Learning: Models, Algorithms, and Applications	Dr. Prasanta Pratim Bairagi, Mr. Baharul Islam	IoTbased Solar Grain Dryers with Moisture Control Systems: An Extensive Analysis	The CRC Press, USA (N/A)	Faculty of Computer Technology
100	RESEARCH AND REVIEWS IN PHARMACEUTICAL AND HEALTH SCIENCES. VOLUME - II	Dr. Bhabajyoti Saikia	Importance of Internet of Things (IOT) in Healthcare System	Bhumi Publishing (978-93-95847-90-2)	Faculty of Commerce and Management
101	RESEARCH AND REVIEWS IN LITERATURE, SOCIAL SCIENCES, COMMERCE AND MANAGEMENT. VOLUME - I	Dr. Bhabajyoti Saikia	Application of machine learning in predicting stock markets	Bhumi Publishing (978-93-95847-20-9)	Faculty of Commerce and Management
102	Human Rights and Subaltern Groups	Dr. Manjusha Deka Saikia	Mental Health in the Context of Human Rights of Working Women	SUNBEAM, Rupnagar, Guwahati-32 (978-93-93092-99-1)	Faculty of Humanities and Social Sciences
103	NUTRACEUTICALS AND BONE HEALTH	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Carpal Tunnel Syndrome Management through Nutraceuticals.	Apple Academic Press Inc. CRC Press (978-1-00341-508-4)	Faculty of Pharmaceutical Science

104	Research and Reviews in Nanotechnology	Dr. Durga Prasad Kemisetti	Recent Advancements in Nanotechnology and their predicted Applications in Pharmacy	Bhumi Publishing (978-93-95847-01-8)	Faculty of Pharmaceutical Science

D. Details of Patent-publications/granted with university affiliation during the academic year 2023-24

S.No	Name of the Patentor/ Copyright awardee	Patent/Copyright Number	Title of the patent/Copyright	Year patent was awarded/published
1	Prof. Sunandan Baruah	202231044773/ 533813	Detection of Nitrogen Dioxide at Ppb Level in the Environment at Room Temperature	2023-24
2	Ritismita Devi, Dr. Manash P Sarma, Dr. Daisy Sharma, Puja Dev	202231038059/523333	Development of Nutrient and Fibre Rich Healthy Cookies by Incorporating Bamboo Shoot Powder	2023-24
3	Mr. Manash Jyoti Borah	201831045232/511053	Process for double spot friction stir welding and double spot zigzag friction stir welding.	2023-24
4	Prof. Dr. Sunandan Baruah, Mr. Arnab Sarkar, Devabrata Sarmah, Sanjib Chamuah	376424-001	Acetone Sensing Device from Human Breath	2023-24
5	Jasmin Islam, Daisy Sharma, Mrinmoy Basak, Manash Pratim Sarma	202431049916	Value-added jam incorporating minor fruit Myrica esculenta	2023-24
6	Dr. Aniruddha Deka, Jyoti Prasad Kalita, Trinkul Kalita	202431036019	Dynamic Performance Evaluation System for Remote Workforce Management	2023-24

7	Dr. Prasanta Pratim Bairagi	202431034525	A Machine Learning and IoT based System for Intelligent Routing	2023-24
8	Dr. Rituparna Roy	202411024279	Secure Locking System with Shape-Changing Key and Biometric Lock System for Enhanced Security	2023-24
9	Dr. Aniruddha Deka, Dr. Tanima Tarafdar, Ms. Bipasha Sharma, Dr. Sayanika Deka Sarma	202431029981	Real-time social media engagement analyzer for targeted advertising campaigns	2023-24
10	Dr. Debashis Dev Misra, Dr. Aniruddha Deka, Ms. Archana Barman, Ms. Parishmita Bora	202431030628	Intelligent Decision Support System for Organizational Resource Allocation	2023-24
11	Dr. Gunikhan Sonowal	202441027579	Optimal Hybrid Approach for Avoiding Trains Collisions	2023-24
12	Mr. Ankur Pan Saikia, Prof. Sunandan Baruah, Ms. Ananya Kalita, Prof. Pranveer Singh	202331075574	"AI-Based System Based on Psychometric test for course recommendation"	2023-24
13	Mr. Ankur Pan Saikia, Prof. Sunandan Baruah, Ms. Ananya Kalita, Prof. Pranveer Singh	202331075575	AI-Based System to Provide Solutions for those students having reading difficulties in smart classroom	2023-24
14	Mr. Ankur Pan Saikia, Prof. Sunandan Baruah, Ms. Ananya Kalita, Prof. Pranveer Singh	202331075573	"AI-Based System to recommend probable research structure and research questionnaire based on the Research Topic"	2023-24
15	Jasmin Islam, Daisy Sharma, Manash Pratim Sarma	202331089646	Composition Of a Bakery Product and Method of Preparation Thereof	2023-24
16	Ms. PdiangmonKyndait	202341079731	Synthesis Of Nitrogen and Oxygen Containing Heterocyclic Compounds Using Nanocatalyst and Pharmacological Evaluation for Antidiabetic Activity	2023-24
17	Dr. Banani Das, Dr. Mostaque Md. Morshedur Hassan, Ms. Anindita Das, Dr. Aniruddha Deka, Dr. Nabanita Choudhury	202331052982	Artificial Intelligence based snail capturing agriculture machine	2023-24
18	Y.Superior, Dr. Manash J Borah, Baharul Islam, Biraj Kalita	202331071138	Wooden Cutlery Manufacturing Device	2023-24
19	Mrinal Kumar Das	202331071135	Seed Sowing Device	2023-24

20	Dr. Manash J Borah, Baharul Islam	202331071133	Metallic Commodities Cleaning Device	2023-24
21	Karan yangma	202331071132	Lower Body Exercise Device	2023-24
22	Dr. Manpreet Singh Manna, Dr. Inderpreet Kaur, Dr. Manash Jyoti Borah	202331071137	Wind Mill Blade Transportation Device	2023-24
23	Md Sadiq Ul Islam	202331071136	Goods Loading/Unloading Device	2023-24
24	Dr.Manash Jyoti Borah	202331060307	Automated Garbage Management System	2023-24
25	Dr. Aniruddha Deka	202331060308	Assistive art Painting Device	2023-24
26	Bipasha Goswami,Gunjan Roy,Tarifa Ahmed,Mr. Bhubneswar Das,Dr. Utpal Barman,Mr. Kishore Medhi	202331052857	IOT-Based Smart Parking System for Urban Mobility	2023-24
27	Ms. Attreyee Mahanta, Dr. Daisy Sharma, Jasmin Islam	202331052861	A ready-to-cook Pitha mix	2023-24
28	Ms. Sangita Boro, Mr. Bhriganka Bharadwaj, Dr. Minakshi Bhattacharjee	202331052855	Utility of Amaranthus Spinosus Leaf Extract for Treating Jaundice and Identification of the Active Compound	2023-24
29	KaustuvmaniPatowary, Seydur Rahman, Partha Pratim Dutta, Yugal Kishore Mohanta, Narayan Chandra Talukdar	202331052859	Synthesis of Rhamnolipid Biosurfactant Coated Zinc- Oxide nanoparticle and its anticancer potential against human breast cancer cell lines	2023-24
30	KaustuvmaniPatowary, Seydur Rahman, Partha Pratim Dutta, Yugal KishoreMohanta, Narayan Chandra Talukdar	202331052858	Rhamnolipid Biosurfactant Coated Iron Nanoparticle: A credible approach towards potential petroleum hydrocarbon remediation	2023-24
31	Ritishmita devi, Manash Pratim Sarmah, Daisy Sarmah	202331046296	Crackers by Incorporating Bamboo Shoot Powder	2023-24
32	Ms. Nilakshi Bhagabati, Dr. Daisy Sharma, Dr. RadaliDuarah	202331052860	Ready-To-Cook Crackers	2023-24
33	Kipa Sita, Angkita Mishra, RadaliDuarah, Daisy Sharma,	202331052856	Multipurpose Tassey Flour	2023-24
34	Dr. Kumara Swamy Samanthula	202341041873	Composition And Methods Of Preparing Microspheres	2023-24

35	Dr. Debashis Dev Misra, Dr. Aniruddha Deka, Dr. Mrinal Goswami, Ms. Eirene Barua, Dr. Arpita Nath Boruah	202331042547	AI and Machine Learning based approach for Predicting Shortest Path in Google Map	2023-24

Popular Lecture Series

Throughout the academic session, AdtU hosted a variety of lecture series, including the Popular Talk, Chancellor's Lecture Series, and Expert Talk Series, among others. These events were designed to engage students and faculty, providing them with valuable insights into ongoing research and developments happening globally. A few of the notable lectures are listed below.

Talk 1: Managing Forest Ecosystem in Kerala: An Overview

On 21st August 2023, the Faculty of Science, in collaboration with the Faculty of Agricultural Science and Technology, organized a popular talk titled "Managing Forest Ecosystem in the State of Kerala." Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivered the lecture, providing an in-depth overview of Kerala's diverse forest ecosystems, including its geography, forest types, and rich biodiversity of plant and animal species.

The session highlighted key challenges, such as the impact of hydroelectric projects and forest fires, and mining, quarrying, infrastructure development, and tourism outside the forests. Dr. Viswanath also discussed the threats posed by land use changes in the Western Ghats, monoculture plantations, and invasive species.

Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivering a lecture on Kerala's diverse forest ecosystems, covering its geography, forest types, and rich biodiversity.

The event was attended by 125 participants and concluded with valuable insights into the importance of sustainable forest management and conservation in Kerala. The Faculty of Science expresses its gratitude to the Honorable Vice Chancellor for supporting this informative session.

Talk 2: Lecture on Advancements in Biotechnology

Assam down town University had the honor of hosting Dr. Rubul Mout, a distinguished Biotechnologist and esteemed Scientist at Harvard University and BCH, for an inspiring lecture on cutting-edge advancements in biotechnology. Dr. Mout's talk was a deep dive into his groundbreaking work in Hematopoietic Stem & T Cell Engineering, Protein Design, and Gene Editing, areas that hold transformative potential for the future of medicine. His motivational discourse captivated the audience, sparking curiosity and enthusiasm among over 60 participants, including 30 faculty members from the University. Dr. Mout's expertise and passion for eliminating genetic diseases through innovative methodologies left a profound impact on students, faculty, and aspiring researchers. His insights into the future of New Age Medicine, where genetic ailments are addressed at their core, resonated deeply with the young minds present.

Group photograph of Dr. Rubul Mout, Research Scientist, Harvard University, with faculty members, students, and participants during his visit to Assam down town University, capturing a moment of shared enthusiasm and inspiration following his insightful lecture on advancements in biotechnology.

The engaging session, was attended by the Faculties of Science, Pharmaceutical Science, and Paramedical Science and provided a unique opportunity to explore the possibilities in the rapidly evolving field of biotechnology. Dr. Mout's remarkable journey from research to his role at

Harvard University served as a beacon of inspiration, illustrating the power of perseverance and dedication in scientific innovation. Dr. Mout's visit not only kindled a passion for scientific exploration but also highlighted the transformative potential of biotechnology in shaping the future of medicine. His infectious enthusiasm and profound insights left an indelible mark on the pursuit of knowledge at Assam down town University, fostering a renewed sense of excitement and inspiration for students and faculty alike.

Talk 3: Food and Nutritional Security in India with Special Reference to Assam

Assam down town University had the privilege of hosting Dr. H.S. Gupta, a renowned agricultural scientist and former Director of the Indian Agricultural Research Institute, for an insightful talk on the critical issue of food and nutritional security in India, with a special focus on Assam. Dr. Gupta's lecture addressed the challenges and opportunities faced by India in ensuring food security, especially in the context of rural livelihoods, climate change, population growth, and the impacts of the COVID-19 pandemic. Dr. Gupta discussed the significant progress India has made in expanding food production and building up safety stocks of food grains. However, he emphasized that food distribution, affordability, quality, and safety remain major concerns despite the country's self-sufficiency in food production. In particular, Assam, with its diverse agro-climatic and socio-cultural environment, faces unique challenges and opportunities in achieving food and nutritional security.

Dr. H.S. Gupta during his thought provoking lecture at AdtU auditorium.

The talk mainly delivered into key factors influencing food availability, access, utilization, and stability in the state of Assam, including crop diversification, irrigation, market linkages, the public distribution system, dietary patterns, nutritional interventions, and disaster management. Dr. Gupta's extensive research and field experience provided valuable insights into the current status and trends in food and nutritional security in Assam. He also shared practical policy recommendations and best practices for enhancing food security in the region.

The session was highly informative and resonated with all attendees, including students, faculty, and others interested in food and nutrition issues in India and Assam. Dr. Gupta's expert perspective and recommendations on sustainable agricultural practices, nutrition, and disaster resilience inspired a deeper understanding of how food security can be achieved in the region, making the talk a significant contribution to the University's ongoing humble efforts to direct its resource for research and innovation in globally relevant issues.

Talk 4: Lecture on Plant Molecular Genomics

The Faculty of Science at Assam down town University organized a two-day guest lecture series on September 8th and 9th, 2023, for B.Sc. and M.Sc. 3rd and 5th semester students across various programs. Dr. Niranjan Chakraborty, a distinguished Professor from Jawaharlal Nehru University (JNU), New Delhi, was invited as the guest speaker for both days. The primary objective of these lectures was to introduce students to the field of plant molecular genomics, a key area of research in modern biology. The first session, held on September 8th, was attended by B.Sc. 5th semester students. Dr. Chakraborty began by providing a strong foundation in molecular biology and gradually transitioned into a detailed exploration of plant molecular genomics. He shared valuable insights from his own research, illustrating the application of theoretical knowledge in real-world scientific endeavors. His talk emphasized the importance of fundamental knowledge in pursuing a successful career in any scientific field. The session, lasting 120 minutes, concluded with Dr. Chakraborty encouraging students to actively participate in national and international competitive examinations.

On the second day, September 9th, the lecture was directed towards M.Sc. 3rd semester students. The session focused on the significance of competitive examinations such as CSIR-NET, GATE,

and ICMR-NET, and included an overview of molecular biology with a particular focus on plant genomics.

Dr. Niranjan Chakraborty, Distinguished professor at JNU, New Delhi, engaged students in interactive discussions, on molecular biology.

A total of 148 students participated actively during both the days, engaging in meaningful discussions and gaining valuable insights from Dr. Chakraborty's expertise. This lecture series proved to be an invaluable learning opportunity, fostering a deeper interest in plant molecular genomics and encouraging students to pursue research and competitive academic opportunities.

Academic Engagements and Knowledge Exchange at AdtU

At Assam down town University (AdtU), academic enrichment extends beyond traditional learning, with various faculties actively organizing symposiums, conferences, Faculty Development Programs (FDPs), and workshops throughout the year. These initiatives are aimed at fostering the exchange of ideas among faculty members, research scholars, students, and distinguished external experts from academia and industry.

In this academic session, AdtU has organized a wide array of such events, showcasing the university's commitment to fostering an environment of continuous learning and innovation. These events have provided valuable platforms for intellectual discourse and professional growth, enabling participants to engage with the latest trends, research, and best practices in their respective fields.

By hosting these events, AdtU provided a dynamic platform for intellectual collaboration. Faculty members and students benefited immensely from interactions with experts, gaining insights into emerging trends and research advancements. These engagements also served as an opportunity to showcase AdtU's academic policies, diverse courses, and state-of-the-art facilities to participants from other institutions, thereby strengthening the university's academic presence.

Through these knowledge-sharing initiatives, AdtU reaffirms its commitment to academic excellence, innovation, and a collaborative learning environment, ultimately contributing to the holistic development of its faculty and students.

A. Sixty-eight Annual Technical Session of Assam Science Society and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology"

Assam down town University, in collaboration with the Assam Science Society, successfully organized the 68th Annual Technical Session and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology" on 30th March 2024. This prestigious event brought together experts, scholars, and innovators from various scientific fields to discuss the latest advancements in science and technology.

A total of 114 abstracts were submitted, with 42 selected for oral presentations, showcasing the high level of research and innovation within the scientific community. These presentations provided an excellent platform for researchers to exchange ideas, discuss challenges, and explore potential solutions to the current issues in science and technology.

Snapshots capturing the essence of the 68th Annual Technical Session, through the lens of photography of members of AdtU photography club.

The inaugural lecture was delivered by Dr. Kutubuddin Ahmed, the Working Secretary of Assam Science Society, who set the tone for the event by highlighting the importance of continuous scientific exploration and innovation. The keynote address was presented by Dr. Prashant Goswami, a distinguished Bhatnagar Awardee, whose insightful lecture on recent developments in science inspired both the audience and participants.

This event marked a significant step towards fostering academic collaboration, providing an invaluable opportunity for networking, and contributing to the development of science and technology in the region. The university takes immense pride in hosting such a momentous event that not only showcased the achievements of the scientific community but also provided a platform for determining on the possible future innovations need.

The 68th Annual Technical Session and National Seminar was an outstanding success, reaffirming Assam down town University's commitment to advancing scientific knowledge and contributing to the broader scientific community.

B. AdtU PHARMACON 2.0

The Faculty of Pharmaceutical Science at Assam down town University organized an international conference on October 13th and 14th, 2023, themed "Pharmaceuticals Fusing with Nutraceuticals to Ensure Healthy Lives and Promote Wellbeing: Global Trends." This event was held by AdtU-Centre for Research on Ethnomedicine (AdtU-CREM) in collaboration with the Central Ayurveda Research Institute (under CCRAS), Ministry of AYUSH, Government of India, Kolkata; San Pedro College, Philippines; Daffodil International University, Bangladesh.

Dr. G. Babu, Director of CCRAS, graced the event as the Chief Guest, and Prof. (Dr.) Pulok K. Mukherjee, Director of IBSD, Department of Biotechnology, GoI, Imphal, Manipur, attended as the Guest of Honour. The conference saw participation from 511 registered delegates, of which 325 actively engaged in various activities. Delegates hailed from 3 countries, 14 states, and 38 regional, national, and academic organizations. A total of 168 posters, 26 oral presentations, and 18 e-posters were displayed throughout different scientific sessions, contributing to a rich exchange of knowledge and ideas.

Snapshots capturing the essence of the **PHARMACON 2.0**

C. Sixth Regional Conference on "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies"

The Faculty of Nursing, Assam down town University (AdtU), successfully organized the 6th Regional Conference on June 28, 2023, with the theme "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies." The event saw the participation of 79 delegates from various institutions across the North-East region.

The conference commenced with a registration session, followed by a formal inaugural ceremony. Prof. (Dr.) Nirmali Gogoi, HOD and Associate Dean, Research, Faculty of Nursing, AdtU, welcomed the participants, while Prof. (Dr.) Pranveer Singh, Hon'ble Pro Vice Chancellor, AdtU, addressed the gathering and appreciated the conference's theme. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference. The dignitaries were honored with saplings, and the first edition of the newsletter of the Faculty of Nursing was released in the inaugural session.

The conference featured key scientific sessions, including presentations by Prof. Asru Bagchi on "Advancement in Research Methodology: Its Challenges and Best Practices," Prof. (Dr.) Dibyojyoti Bhattacharjee on "Data Analysis and Interpretation: Advanced Analytical Techniques and Tools," and Dr. Elsa Sanatombi Devi on "Dissemination Strategies and Effective Utilization of Research Studies." A scientific poster presentation by B.Sc. Nursing 4th-year students from the Faculty of Nursing was also organized, with awards presented to the best posters.

The event concluded with a valedictory session, during which certificates and newsletters were distributed to the delegates. Ms. Sangita Kalita, CNE observer from Assam Nurses' Midwives' & Health Visitors Council, read the feedback report, highlighting the positive impact of the conference. The post-test results indicated that 68% of participants showed significant improvement in their knowledge.

A guest speaker presenting on conference theme "advancements in research methodology and best practices"

The conference ended with a vote of thanks by Ms. Alonka Beypi, Lecturer, Faculty of Nursing, AdtU, at 4:00 pm, followed by the National Anthem.

D. Training Cum Workshop on International Patient Safety Goals (IPSG)

The Faculty of Nursing, Assam down town University, in collaboration with down town Hospital, organized a training cum workshop on the International Patient Safety Goals (IPSG) for final-year B.Sc. Nursing and GNM students on May 2, 2024, at the 7th Floor Auditorium located at Building No. III, of the down town Hospital.

The event began with an introduction of the invited speaker, Prof. Dr. Manashi Sengupta, Dean, Faculty of Nursing, AdtU, followed by an informative session led by the trainer. The workshop focused on the six IPSG goals, providing students with a deep understanding of their significance in promoting patient safety within hospital settings. The trainer highlighted each goal with practical examples and detailed rationale, emphasizing their importance in real-world healthcare scenarios.

The session also featured engaging role plays performed by the final-year B.Sc. Nursing and GNM students of Faculty of Nursing, AdtU. Students demonstrated IPSG Goal 1 (Identifying patients correctly) and IPSG Goal 4 (Ensuring safe surgery, right patient, site, and surgery) through compelling, narrative-driven performances that illustrated the practical application of

patient safety protocols. Visually striking play cards were used to represent each of the six IPSG goals, further enhancing the students' understanding.

Students demonstrating various facts of Patients awareness through visually striking play cards during the scientific session

This workshop was a significant step in empowering nursing students with practical knowledge on IPSG, enabling them to uphold patient safety standards effectively in their professional practice.

E. Fourth National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities"

The Faculty of Nursing, Assam down town University, organized the 4th National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities" on June 28, 2024, at Auditorium 1 (B-Block), AdtU Campus. The conference began with a registration session at 8:00 am, where 95 participants from various institutions across the country were welcomed and provided with registration kits.

The formal inauguration was marked by a welcome note from Ms. Mousumi Deori, Assistant Professor and Vice Principal, Sankar Madhab School of Nursing, AdtU. The dignitaries, including Dr. Kaveri Saikia, Principal of Royal Global University, who served as the CNE observer, lighted the inaugural lamp. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference, which was followed by the release of the third edition of the FoN newsletter. The pre-test forms were distributed among participants before the scientific sessions commenced.

The sessions featured notable speakers, including Dr. Oli Goswami, who discussed the significance of forensic science in healthcare, and Dr. Amol Deo Chavhan, who explored forensic science through the Indian Constitutional framework. Capt. Sandhya Shankar Pandey covered the clinical practice, scope, and challenges of forensic nursing. A scientific poster and oral presentation session was also held, showcasing research by faculty and students from the Faculty of Nursing, AdtU. Judges from various faculties evaluated the presentations for the Best Poster and oral presentation award. Awards given to the best poster and oral presentations during the concluding session.

A memorable group photograph capturing the dignitaries and participants at the conference. Chancellor of AdtU Dr. N N Dutta (left) seen lighting the inaugural lamp.

The conference concluded with a feedback report from Dr. Kaveri Saikia, where the post-test results showed that 78.9% of participants gained substantial knowledge from the sessions, highlighting the conference's effectiveness. The event concluded with a vote of thanks by Ms. Baricate Rymbai, M.Sc. Nursing 1st Year students of Faculty of Nursing, AdtU, and the National Anthem. The conference was an enriching experience for all participants, emphasizing the growing importance of forensic nursing in healthcare.

F. DSIPKI 2024: A Landmark Event on Digital Signatures and Security

The Digital Signature and e-Knowledge Platform for India (DSIPKI) 2024 event was successfully held by the Faculty of Computer Technology at Assam down town University, bringing together experts, speakers, and participants for an enriching day of learning and discussion on digital security. The event began with a warm welcome by Anirban Bhattacharjee, Samujjal Talukdar, and Dr. Dulumani Das, the organizing secretary of DSIPKI 2024, setting the tone for an informative and interactive session.

Prof. Pranveer Singh, Pro Vice Chancellor, addressed the participants and speakers, with special recognition to esteemed guests like Shri Arvind Kumar, Controller of Certifying Authorities, and Dr. S.D. Sudarshan, Executive Director at C-DAC Bangalore, who shared their insights and contributed to the event's success. Dr. Utpal Barman, Dean of FoCT, discussed the importance of digital signatures in today's digital world.

The technical sessions included Dr. Mohammed Misbahuddin's presentation on "Elements of Trust & Digital Signatures," followed by Ms. Lavanya Palani's enlightening talk on "Digital Signature Certificates & Public Key Infrastructure." The event's highlight was Shri Anoop Kumar Pandey's live demonstrations on key generation, certificates, and digital signing processes, offering attendees hands-on experience with digital security applications.

A guest speaker delivering a presentation at the conference.

The open Q&A session encouraged lively discussions, with participants engaging in insightful conversations on digital signatures and security. In the closing session, Hon'ble Vice Chancellor Prof. N.C. Talukdar emphasized the significance of paperless signatures, advocating for digital solutions to streamline processes and enhance security. Dr. Mala Dutta, the organizing secretary, concluded the event by thanking all the experts, participants, and stakeholders, ensuring that DSIPKI 2024 was a great success.

National Symposium on Astronomy and Space Technology (NSAST) 2024

Assam down town University successfully hosted the National Symposium on Astronomy and Space Technology (NSAST) 2024 on March 6, 2024. The event was graced by distinguished guests, including the Chief Guest and Planetary Speaker, Prof. (Dr.) Dhruba J. Saikia, Head of

TLC and NRC at IUCAA, Keynote Speaker Prof. Biman J. Medhi from Guwahati University, and Mr. Manash Protim Sarma from Guwahati Planetarium. The dignitaries were felicitated with mementos and Phulam Gamosa following the lighting of the lamp.

The symposium began with an inaugural speech by two Astronomy Club members, Sristy Trivedi and Levi Haokip, both undergraduate students at AdtU. Prof. (Dr.) Narayan Chandra Talukdar, Hon'ble Vice Chancellor of AdtU , delivered a welcoming address, highlighting the university's vision for space studies and encouraging the Astronomy Club to continue exploring this field.

The first technical session was led by Prof. (Dr.) Dhruba J. Saikia, who discussed radio astronomy, offering insights into the vast expanding universe and explaining the concept of space and time with examples. Following this, Prof. Biman J. Medhi gave an engaging keynote talk on astronomical telescopes, their working principles, challenges, and benefits for studying the universe.

After a high tea break, the participants and experts moved to the Astronomy View Point on the terrace of J Block, AdtU, where they observed the night sky through the upgraded telescope. The session allowed attendees to witness celestial bodies, including the Seven Sisters, Betelgeuse, Sirius, nebula, and Jupiter with its moons.

Participants observing celestial bodies through the upgraded telescope at the Astronomy View Point on the J Block terrace

The symposium concluded with a knowledge-sharing session between experts and participants, fostering a deeper understanding of astronomy. The event was wrapped up with a vote of thanks by Prof. TVVLN Rao, Dean, Faculty of Engineering, to all those who contributed to the success of the symposium. This event was a significant step in enhancing the university's involvement in space technology and astronomy.

DIRECTORATE OF CAREER ADVANCEMENT

The Directorate of Career Advancement at AdtU, is dedicated to guiding students in their professional journeys by providing comprehensive career development support. Our initiatives focus on placement and training, higher education guidance, competitive exam preparation, and career counseling, ensuring that students are well-prepared for the dynamic job market.

Through strategic industry collaborations, we facilitate successful campus recruitment drives, equipping students with essential technical and soft skills via pre-placement training, mock interviews, group discussions, and company-specific workshops. Our industry-aligned training programs and internship opportunities enable students to gain practical exposure and build professional networks.

Highlights of Placement Statistics 2023-24

- Total Number of Graduated Students -1009
- Number of Students Placed -749
- Placement Percentage - 74.13%
- Average Package-3.00 LPA
- Highest Package - 7.02 LPA
- Total Number of Company visited- 78

Beyond employment, we assist students in exploring higher education opportunities in India and abroad, offering guidance on university selection, entrance exams, scholarships, and application processes. Our partnerships with study-abroad organizations provide students with valuable insights and resources.

Recognizing the significance of competitive exams, we provide specialized coaching and resources for civil services, banking, and other examinations through expert-led workshops and study materials.

Career counseling remains a cornerstone of our services, with personalized guidance to help students identify their strengths, interests, and career aspirations. Through expert consultations and mentorship, we align students' goals with evolving industry trends and emerging career paths.

The Directorate of Career Advancement is committed to empowering students with the necessary skills, knowledge, and confidence to excel in their professional endeavors, fostering a future of success and fulfillment.

Workshops and Career Development Initiatives – 2023-24

This year, the Directorate of Career Advancement organized a series of workshops and training sessions to enhance students' employability, career readiness, and professional skills.

- Communication Skills Workshops: Focused on improving verbal and non-verbal communication, active listening, and presentation techniques to boost confidence in professional interactions.
- Resume Building & Interview Preparation: Guided students in crafting impactful resumes and preparing for interviews through mock sessions, constructive feedback, and personalized coaching.
- Aptitude & Reasoning Skills Development: Provided training to sharpen logical reasoning, analytical thinking, and problem-solving abilities, essential for competitive exams and job assessments.

Aptitude & Reasoning Training: Enhancing logical reasoning, analytical thinking, and problem-solving skills for competitive exams and job assessments.

- Career Counseling Sessions: Offered personalized guidance to help students identify career goals, develop key skills, and explore diverse career opportunities.

Modules addressing key soft skills, including teamwork, time management, leadership, and conflict resolution.

- Career Counseling for Higher Education Abroad: Assisted students in understanding admission processes, selecting suitable universities, and preparing for international studies.

- Sessions on Competitive Exam Preparation: Provided insights on exam patterns, study strategies, and essential resources to help students prepare effectively for various competitive examinations.

Session on strategies for succeeding in competitive examinations.

- Strategies to Crack Competitive Exams: Conducted expert-led sessions focusing on time management, problem-solving techniques, and smart preparation methods to enhance students' chances of success.

These initiatives aimed to equip students with the necessary skills, knowledge, and confidence to excel in their professional and academic pursuits.

Annual Job Fair: Bridging Opportunities for Students and Employers

The Directorate of Career Advancement at Assam down town University has been successfully organizing a Job Fair every year for the past 10 years, aimed at bridging the gap between AdtU students, alumni, non-AdtU students, and potential employers. This annual event serves as an excellent platform for students to explore diverse career opportunities, interact with industry professionals, and stay informed about the latest job market trends.

Reputed companies from various sectors participated in the fair, offering a range of internships, full-time positions, and valuable networking opportunities. The event not only enhances the employability of the university's graduates but also strengthens its ties with the corporate sector, contributing to the professional growth of students and alumni alike.

Glimpses of AdtU's 10th Annual Job Fair

Example of some esteemed recruiters from who participated in our placement drive throughout the year.

And many More...

Directorate of International Affairs (DIA)

The Directorate of International Affairs (DIA) at Assam down town University has played a pivotal role in advancing the University's global presence this academic year. DIA successfully facilitated six Student Exchange Programs, providing students with enriching opportunities for international exposure, while 15 Faculty Exchange Programs allowed 23 faculty members to engage in cross-cultural academic collaborations. Additionally, 21 new Memorandums of Understanding (MoUs) were signed with esteemed international universities, fostering long-term partnerships for joint research, faculty exchanges, and academic development. These efforts underscore the University's commitment to fostering global academic ties and ensuring a world-class educational experience for students and faculty alike.

List of Memorandums of Understanding (MoUs) Between AdtU and Foreign Universities

Sl. No	Name of the University	Country	MoU-Signing Date

Assam down town University at ICGSTM 2024

Assam down town University (AdtU) proudly participated in the 3rd International Conference on Green Sustainable Technology and Management (ICGSTM) 2024, hosted by INTI International University.

Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivering the keynote address at the conference.

The prestigious hybrid event brought together distinguished academicians, researchers, and industry experts from around the world to deliberate on advancements in sustainability across diverse domains. Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivered a keynote address at the conference, highlighting the university's commitment to fostering research and innovation in sustainable technologies. His address emphasized the role of academic institutions in addressing global environmental challenges and the importance of interdisciplinary collaboration in achieving sustainability goals.

The conference provided an excellent platform for knowledge exchange, enabling AdtU to showcase its contributions in green technology and sustainable management. Faculty members and research scholars from AdtU also engaged in insightful discussions, networking with international experts, and exploring collaborative opportunities for future research initiatives.

Prof. Biswa Prasun Chatterji Joins as Global Visiting Professor at Asian University for Women, Bangladesh

Assam down town University takes immense pride in announcing that Dr. Biswa Prasun Chatterji, Professor in the Faculty of Science, has been selected as a Global Visiting Professor at the prestigious Asian University for Women (AUW) in Chittagong, Bangladesh. This remarkable achievement highlights Dr. Chatterji's academic excellence and the university's commitment to global engagement and collaboration.

During Dr. Chatterji's visit to Asian University for Women (AUW) in Chittagong, Bangladesh

Dr. Chatterji was invited to teach the course "Human Disease Biology" as part of AUW's two-month summer term starting on June, 2024. His selection as a Global Visiting Professor is a testament to his expertise in the field of biological sciences and his dedication to fostering interdisciplinary learning. His presence at AUW provided an invaluable opportunity for the students of AVW to gain in-depth knowledge and insights into the complexities of human diseases from a distinguished scholar.

Asian University for Women, a premier institution committed to empowering women through higher education, attracts students from across Asia and beyond. Dr. Chatterji's involvement in the AUW academic community reflects the growing reputation of Assam down town University's faculty members on the international stage.

Dr. Chatterji's contribution to AUW aligns with Assam down town University's mission to promote academic excellence, cross-border knowledge exchange, and international research collaborations. His engagement in global teaching initiatives not only enhanced his professional development but also reinforced the university's standing in the global academic community.

Foreign University Students' Visit to AdtU

1. A team of four Physiotherapy students from Jashore University of Science and Technology, Bangladesh, visited the Faculty of Physiotherapy and Rehabilitation at AdtU. They were accompanied by Prof. Dr. Md. Zahid Hossain and Dr. Ehsanur Rahman.

Students from Jashore University of Science and Technology, Bangladesh attending classes at AdtU faculty of Physiotherapy and Rehabilitation

The students were accommodated in the AdtU guest house and attended an insightful lecture by Dr. Abhijit Kalita. Additionally, they had interactive sessions with senior officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's Directorate of International Affairs (DIA) ensured a comfortable stay and a valuable academic experience for the visiting students.

2. A team of four students from the Nursing and Teacher Education program at Biliran Province State University, Philippines, visited the Faculty of Nursing and Humanities at AdtU. They were accompanied by Prof. Dr. Jovy Dia Saniel and Dr. Maribel N. Zipagan. The students participated in a seven-day cross-cultural immersion program organized by the Directorate of International Affairs (DIA), followed by an extended four-day stay during which they attended lectures by Ms. Jaidalin Basaiawmoit and Ms. Embhah Dkhar. They also engaged with senior university officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's DIA ensured a comfortable stay and an enriching academic and cultural experience for the visiting students.

AdtU-Students' Visit to Foreign University

1. A team of 11 students from various programs at AdtU visited FPT University, Vietnam, from August 17 to 21, 2023, accompanied by Dr. Dapkupar Wankhar, Professor, Faculty of Paramedical. During their stay, the students attended lectures by Dr. Entidhar Al-Taie alongside

peers from other international universities as part of a five-day Research-Related Study Tour program. They explored FPT University's advanced facilities, including smart classrooms, a well-stocked library, state-of-the-art laboratories, an in-house canteen, and sports playgrounds. Additionally, they interacted with university officials, gaining valuable academic and cultural insights. This exposure to an international learning environment provided an enriching experience, broadening their perspectives for future academic and professional growth. Representative photographs are presented along with the report.

Students from AdtU exploring the academic environment at FPT University, Vietnam.

2. A team of four students from various programs at AdtU visited Middlesex University, Dubai, from October 23 to 26, 2023, as part of the four-day *Immersion Program in Management and Leadership*. They attended lectures by Dr. Cody Paris and Dr. Nitin Vihariie, alongside students from other international universities. The students explored Middlesex University's state-of-the-art facilities, including smart classrooms, a well-stocked library, advanced laboratories, an in-house canteen, and sports playgrounds. Beyond academics, they experienced Dubai's vibrant culture, visiting iconic landmarks such as the Burj Khalifa and Dubai Mall. Interactions with university officials and exposure to an international learning environment provided valuable academic and cultural insights, enriching their perspectives for future endeavors.

AdtU's students attending lectures at Middlesex University as part of the four-day *Immersion Program in Management and Leadership.*

3. A team of seven students from various programs at AdtU visited UCSI University, Malaysia, from November 14 to 24, 2023, accompanied by Ms. Kimberley, Program Coordinator. They participated in the nine-day *International Immersion Program*, attending lectures delivered by distinguished professor Ms. Sivaneswari alongside students from other international universities. The program included interactive ice-breaking activities, fostering camaraderie and engagement among participants. The students explored UCSI University's advanced facilities, including smart classrooms, a well-stocked library, and state-of-the-art laboratories. Additionally, they visited the Transport Department of Malaysia and interacted with university officials. This enriching international exposure provided valuable academic insights and broadened their perspectives for future endeavors.

AdtU's Student participated in the nine-day *International Immersion Program at* UCSI University, Malaysia.

4. A team of 23 students from various programs at AdtU visited Shinawatra University, Thailand, from May 18 to 21, 2024, accompanied by Ms. Satyabrat Sarma from the Faculty of Pharmaceutical Sciences. As part of the four-day *International Immersion Program*, they attended lectures by distinguished professor Dr. Somrek Kanwivat, alongside students from other international universities. Beyond academics, the students explored one of Asia's largest malls in Bangkok and enjoyed a memorable dinner cruise, experiencing the city's scenic nightlife with music, cultural performances, and dance. They also interacted with university officials, gaining

valuable academic and cultural exposure. This enriching experience broadened their perspectives, contributing to their academic and personal growth.

AdtU's Students visited to the Shinawatra University and attended lectures.

Acitivity of Directorate of Innovation, Start-ups, and Acceleration (DISA) – Academic Year 2023-24

In the academic year 2023-24, the Directorate of Innovation, Start-ups, and Acceleration (DISA) at Assam down town University has undertaken a series of transformative initiatives aimed at nurturing innovation and entrepreneurship among students. The initiatives ranged from workshops, competitions, and field visits to collaborations with leading industry professionals. These efforts align with the government's initiative to inspire and empower students to pursue entrepreneurial ventures and become catalysts for change in society. The few notable initiative are highlighted herewith.

1. Entrepreneurship and Innovation as a Career Opportunity

DISA kick-started the academic year with an insightful workshop focused on introducing students to the immense potential and opportunities within the entrepreneurial ecosystem. The workshop highlighted how innovation and entrepreneurship can serve as viable and rewarding career paths.

26th February 2024, Mr. Plabon Phukan, Founder and Life Skills Trainer of The Open Window, delivering an in-depth session on entrepreneurship and social innovation during the workshop. The event saw the active participation of over 60 students from diverse academic backgrounds, alongside faculty members and administrative staff.

2. Exposure and Field Visits for Problem Identification

The Directorate organized several field visits that gave students first-hand experience in identifying real-world problems. These visits played a pivotal role in helping students understand the challenges businesses face and how innovative solutions can be developed to address them.

On 21st February 2024, final year Civil Engineering Programme at Assam down town University, engaged with the school administration to assess issues and propose strategies for sustainable resource utilization.

3. 'Entrepreneur's Talk' by Popular Successful Entrepreneurs

As part of DISA's ongoing efforts to inspire and guide aspiring entrepreneurs, several 'Entrepreneur's Talk' events were conducted featuring successful entrepreneurs who shared their journeys, challenges, and strategies for success. These talks were well-received by students and provided invaluable insights into the world of entrepreneurship.

On 15th September 2023, **Mr. Sanjeev Sarma**, Founder & CEO of WebX Technologies Pvt. Ltd, delivered a motivational talk to the AdtU's student's fraterrity

Mr. Ratan Kumar, Founder & CEO of Encamp Adventures, a successful tourism startup from Assam, shared his entrepreneurial journey, highlighting sustainable tourism practices, challenges in funding, team building, and navigating regulatory frameworks

4. IdeatePitch

DISA facilitated the 'IdeatePitch' event, which was a platform for students to pitch their innovative ideas to a panel of experienced entrepreneurs and investors. This event fostered creativity and problem-solving skills, while also providing students the opportunity to receive constructive feedback on their ideas.

On 16th-17th February 2024, **Mr. Kanakn Jyoti Kharghoria**, Project Manager at Ernst & Young, served as the judge, providing valuable industry insights in IdeatePitch-2.0 organized by Faculty of Pharmaceutical Science and IIC-AdtU.

5. Problem Solving and Ideation Workshop

The Problem Solving and Ideation workshop equipped students with essential tools and techniques to approach complex problems systematically. The workshop focused on ideation methodologies and problem-solving frameworks, enabling students to develop innovative solutions.

On 28th-29th February 2024, The Idea Challenge Competition, an Intra Institutional Hackathon, was organized to foster interdisciplinary collaboration and innovative problem-solving among students.

6. Showcasing Innovation: Poster Presentation of Ideas

DISA organized an event to showcase innovative ideas in a poster presentation format. This event allowed students to present their creative concepts to peers, faculty, and industry professionals, fostering collaboration and knowledge sharing among participants.

On 19th-20th February 2024, a poster presentation was organized by Faculty of Engineering, Institution's Innovation Council (IIC), E-Cell, and down town Venture Labs at Assam down town University.

7. Motivational Workshop with Visionary Innovators

A motivational workshop featuring visionary innovators provided students with the right mindset to pursue their entrepreneurial dreams. The workshop was a platform for students to hear from thought leaders who have made significant contributions to innovation.

8. Idea Challenge Competition

The Idea Challenge Competition encouraged students to think critically and creatively to solve real-world problems. The event was designed to identify the most promising ideas and provide them with the necessary mentorship and resources to bring them to life.

On 21st February 2024, Idea Challenge competition was organized to showcasing the the talent of participants.

9. One-Day Workshop on 'Achieving Problem-Solution Fit and Product-Market Fit'

A one-day workshop was conducted to help students understand the critical concepts of problem-solution fit and product-market fit. The workshop focused on how these concepts are crucial for building successful businesses and helped students fine-tune their entrepreneurial ideas.

On 19th February 2024, The Faculty of Pharmaceutical Sciences, in collaboration with the Institution's Innovation Council (IIC), down town Venture Lab (dtVL), and E-Cell, AdtU, organized a one-day workshop on "Achieving Problem-Solution Fit and Product-Market Fit" to equip students and budding entrepreneurs with practical insights into aligning innovations with market needs.

10. Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer

This workshop focused on educating students about the process of innovation development, technology readiness levels (TRL), and the commercialization of laboratory technologies. It highlighted the importance of bridging the gap between research and commercialization, offering students the necessary tools to transform innovations into marketable products.

On 26th February 2024, The Faculty of Engineering, in collaboration with E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, organized a one-day workshop on 'Process of Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer'.

11. Innovation & Entrepreneurship Outreach Program in Schools

The Directorate extended its reach beyond the university by organizing an innovation and entrepreneurship outreach program in schools. This initiative aimed at fostering an entrepreneurial mindset in younger students and encouraging them to explore innovation from an early age.

12. Workshop on Design Thinking, Critical Thinking, and Innovation Design

A workshop on Design Thinking, Critical Thinking, and Innovation Design was organized to help students develop essential cognitive skills for problem-solving. The workshop emphasized creativity, critical thinking, and human-centered design methodologies, which are crucial for fostering innovation.

On 20th February 2024, a workshop on "Design Thinking, Critical Thinking, and Innovation Design" was organized by E-Cell, IIC-Assam down town University, and down town Venture Labs to equip participants with essential problem-solving skills and insights necessary for innovation.

13. Field Visit to Skill Development Centre and Geospatial Lab

On 4th November 2023, a field visit to the Skill Development Centre and Geospatial Lab provided students with practical exposure to cutting-edge technologies and skill development programs. The visit enabled students to understand the importance of skill enhancement in the realm of innovation and entrepreneurship.

14. Blockchain and NFT Minting Workshop

DISA organized a hands-on workshop on Blockchain technology and NFT minting. The workshop educated students about the growing world of digital assets, decentralized finance, and the role of blockchain in innovation. This knowledge has equipped students with the tools to explore new opportunities in the blockchain space.

On 20th September 2023, Mr. Varun Desai, Head of Tezos India Arts and Culture, who introduced participants to the decentralized nature, security, and disruptive potential of blockchain technology across various sectors.

15. Innovative Food Product/Salad Competition

An Innovative Food Product/Salad Competition encouraged students to combine creativity with sustainability. The competition promoted the development of innovative food products that are both healthy and environmentally friendly, providing students with an opportunity to showcase their culinary ingenuity.

On 26th February 2024, the Innovative Food Product/Salad Competition, organized by the Faculty of Science, E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, aimed to inspire creativity and innovation in food preparation by combining culinary skills with nutritional science

16. Entrepreneurial Opportunities of Mushroom Cultivation

The Entrepreneurial Opportunities of Mushroom Cultivation workshop explored the potential of mushroom farming as a sustainable and profitable business. Students were introduced to the agribusiness sector and provided with insights into the cultivation, commercialization, and marketing of mushrooms.

On February 26, 2024, Dr. Manoj Kumar Kalita, who provided an in-depth understanding of edible vs. poisonous mushrooms, the cultivation process, suitable species, and optimal growth conditions. He also highlighted the medicinal and nutritional benefits of mushrooms and their economic viability.

Collaboration with dtVL Foundation & IIC-Assam down town University: Onboarding and Cheque Distribution Event for Student Incubatees

In a significant collaborative effort, the down town Venture Labs (dtVL) Foundation and the Innovation and Incubation Centre (IIC) at Assam down town University hosted the "Onboarding and Cheque Distribution Event for Student Incubatees" on October 16, 2023. This event marked the successful onboarding of student incubatees who were provided financial support and resources to help accelerate their startup journeys. The event witnessed the distribution of funds to the incubatees, empowering them to take their innovative ideas to the next level. Through this initiative, DISA has solidified its role as a key player in supporting young entrepreneurs and their ventures.

The cheque distribution ceremony held on October 16, 2023 organizedjointly by dtVL and ICC of Adtu, where 15 student incubatees received pre-incubation grants to support their startup ventures.

Assam down town University hosted "Envision 2024"

Assam down town University successfully hosted the 'Envision' 2024 Entrepreneurship Summit on 4th and 5th April, 2024, in Guwahati, Assam. This landmark event, organized by the Directorate of Innovation, Startup, and Acceleration (DISA), in collaboration with down town Venture Labs Foundation, Institution's Innovation Council (IIC), and E-cell, brought together key stakeholders such as Assam Startup, Meity Startup Hub, and Vikshit Bharat Abhiyan to showcase the region's entrepreneurial potential.

The summit featured a diverse array of activities, including a startup competition, workshops, a hackathon, and panel discussions, creating an exceptional platform for networking, learning, and collaboration. It attracted participants ranging from budding entrepreneurs to seasoned investors, fostering meaningful exchanges and partnerships.

The inauguration ceremony was graced by distinguished guests such as Sri PVSLN Murty, Chairman and Managing Director of North Eastern Development Finance Corporation Ltd.; Smt. Vandana Srivastava, Jurisdictional Director of Software Technology Park of India (STPI), Guwahati; and Dr. Y. Jayanta Singh, Executive Director of National Institute of Electronics & Information Technology (NIELIT), Assam. Their presence and insights did set the tone for the summit's success, emphasizing the role of technology and innovation in driving economic growth in Northeast India.

'Envision' 2024 has significantly contributed to fostering a culture of innovation and entrepreneurship in the region, laying a strong foundation for the future of startups and technological advancements in Northeast India. The event successfully bridged gaps between visionary ideas and their realization, empowering participants with essential tools, knowledge, and industry connections to drive the future of innovation.

The series of events organized by the Directorate of Innovation, Start-ups, and Acceleration (DISA) in the academic year 2023-24 has been instrumental in fostering a culture of innovation, entrepreneurship, and problem-solving among the students of Assam down town University. These initiatives have not only inspired students to think creatively but also have provided them with the tools and resources to transform their ideas into viable businesses. DISA remains committed to its mission of nurturing the next generation of innovators and entrepreneurs.

Directorate of Alumni Affairs

The Directorate of Alumni Affairs, in collaboration with the Alumni Association, successfully conducted various alumni engagement activities during 2023-24, including 13 Alumni Interactions/Talks to strengthen connections with the alumni community. One international and two national alumni meets were organized in Dhaka, Dibrugarh, and Guwahati, facilitating networking opportunities. Additionally, the university recognized twelve distinguished alumni under the "Alumni of the Month" initiative for their significant contributions in their respective fields. The prestigious "AdtU Alumni Award for Inspiring Achievement" was also presented to honor outstanding alumni accomplishments. These initiatives have significantly contributed to fostering a strong and engaged alumni network, reinforcing a sense of belonging and pride among graduates while ensuring continued collaboration and growth.

Alumni Meet in Dhaka – A moment of camaraderie as distinguished alumni and university representatives gather for the international alumni meet, fostering connections and celebrating achievements.

The Student Welfare Fund Committee (SWFC), under DoSA, provided financial support through grants and loans in 2023-2024, assisting students in academic, entrepreneurial, and extracurricular pursuits. A total of seven welfare grants were awarded for internships, entrepreneurial projects, sports, and inter-university events, while four welfare loans supported academic projects and educational trips. No applications were received for the Student Emergency Medical Fund. The SWFC remains committed to fostering student development by alleviating financial constraints and encouraging holistic growth.

Student volunteers engaging in the orientation program for newly admitted students as part of DoSA activities.

Further, the **Directorate of Student Affairs** at Assam down town University played a pivotal role in organizing and facilitating various events throughout the academic year 2023-2024, fostering student engagement and holistic development. The year began with **Orientation Day** on August 12, 2023, where freshers were introduced to campus life through interactive sessions, ice-breaker activities, and campus tours. On August 15, the **Independence Day Celebration** honored the spirit of patriotism with flag hoisting, cultural performances, and a speech competition. From November 5-7, the vibrant **Sanskriti Cultural Fest** showcased student talents in music, dance, and drama, celebrating the university's cultural diversity. The **Workshop on AI & Machine Learning**, held on January 15, 2024, provided students with hands-on experience in emerging technologies, guided by industry experts. Sports enthusiasts actively participated in the **Annual Sports Meet** from March 10-12, fostering teamwork and physical fitness through various athletic events. The **Alumni Meet** on June 20 reunited former students for networking

sessions and career discussions, strengthening alumni relations. The academic year concluded with the **Convocation Ceremony** on July 15, where graduates were awarded their degrees in the presence of esteemed guests and faculty. Through these diverse initiatives, the **Directorate of Student Affairs** successfully enriched student experiences, promoting academic excellence, cultural appreciation, and professional growth.

A warm reception for the celebrated actor and comedian on February 5, as he graced the campus with his presence, adding charm and energy to the workshop (right).

Celebrations at Assam down town University: Fostering National, Student, and Societal Interests

Assam down town University (AdtU) is committed to holistic education, extending beyond academics to inculcate values of patriotism, social responsibility, and student welfare. As part of this commitment, the university celebrated a variety of important days that align with national significance, student development, and societal well-being.Throughout the academic year, more than 52 number of celebrations/events were organized. These celebrations/events served as platform for awareness, education, and engagement. Some of the key events celebrated include:

The 77th Independence Day: Independence Day was celebrated with great enthusiasm at Assam down town University (AdtU) on 15th August, 2023. The celebration included a parade, flag hoisting and various cultural programs showcasing India's rich heritage and the spirit of freedom.

A glimpse of the 77th Independence Day festivities at AdtU

14th Foundation Day: Assam down town University celebrated its 14th Foundation Day on 7th of September 2023. The event was organized by Dr. TVVVLN Rao, Dean, Faculty of Engineering.Honorable Dean of Studies was escorted to hoist the flag of AdtU. After which all the dignitaries were invited to the venue followed by singing the National Anthem and then the Assam down town University Anthem.The program continued with a speech by the chief guest and a lecture addressing the students and other members by the guest of honor. This was followed by speech given by our Honorable Vice Chancellor, Prof. (Dr.) N. C. Talukdar.

A glimpse of the 14th Foundation Day of Assam down town University at AdtU

Children's Day: Assam down town University celebrated Children's Day by featuring an art competition, a recitation contest, and an essay competition, providing a platform for children from a number of nearby schools to showcase their skills and creativity. The event was organized by the "Beethika Art Club" and the "Erudite Literary Club" of AdtU. This special day was dedicated to celebrating the creativity and talent of the young ones. Students from Chandrapur High School, Bonda High School, Swahid Kushal Konwar High School, Raghunath Choudhury Hindi Medium School and The down town School come to Adtu campus accompanied by their teachers and participated enthusiastically in all the three competitions.

Highlights of Children's Day Celebration at AdtU campus

Magh Bihu: Magh Bihu also known as Bhogali Bihu is a significantharvest festival and marks the end of harvesting season in the month of Maagh (January-February). The students, faculty and staff of Assam down town University participated in 'Meji' lighting. Traditional Assamese dishes were prepared and shared among the university community, highlighting the rich culinary heritage of Assam.

Lamp Lighting Ceremony: The Faculty of Nursing, Assam down town University organized Lamp lighting ceremony on 25th January, 2024. In a momentous ceremony held at the organization of the Faculty of Nursing, Assam down town University proudly witnessed the 16th Lamp lighting & Oath taking ceremony. The lighting of the ceremonial lamp added a profound dimension to the event, signifying the dispelling of darkness and the ushering in of knowledge and clarity.

Highlights of the Lamp Lighting Ceremony at AdtU campus.

The 75th Republic Day: Assam down town University (AdtU) celebrated Republic Day with patriotic fervor and cultural vibrancy. The campus, adorned with the spirit of the occasion, witnessed a meticulously organized event that commemorated the essence of democracy under the overarching theme, **"**Viksit Bharat" and "Bharat: Loktantra ki Matruka (India: Mother of Democracy)".

Scenes from the 75th Republic Day event at AdtU

Bohag Bihu: Assam down town University celebrated the Bohag Bihu also known as Rongali Bihu with great fervor. The celebration included traditional Assamese music and dance performances. With the mesmerizing rhythms of Dhol, Pepa, Gogona and the graceful steps of Nasoni, the bihu was a celebration of tradition and unity of AdtU community.

Moments from the Bhoga Bihu festivities at AdtU campus

International Day for Biological Diversity:The **AdtU Biodiversity Club**and**Green Intention Program**, under the Faculty of Science, celebrated *International Day for Biological Diversity* on **22nd May 2024**, embracing the theme *"Be Part of the Plan."* The event commenced with a welcome address by **Prof. L. N. Kakati**, Chairperson of the AdtU Biodiversity Club, who delivered an enriching talk on the biodiversity of Northeast India, followed by an insightful speech by **Honorable Vice-Chancellor, Prof. N. C. Talukdar**, emphasizing the importance of conservation and presenting an engaging video on *"The Life Cycle of a Dove."* A key highlight was the launch of the club's first newsletter, **"AdtU Nature,"** showcasing its efforts in biodiversity restoration and sustainability. Additionally, **Levi Haokip**, a 4th-semester B.Sc. Forensic Science student, presented the **1.5°C Climate Clock,** underscoring the urgency of addressing climate change. With more than **100 participants** actively engaging in discussions and activities, the program successfully inspired students to take proactive steps in biodiversity conservation, reinforcing Assam down town University's commitment to environmental sustainability.

The **AdtU Biodiversity Club** released its inaugural newsletter "AdtU Nature" on the event of *International Day for Biological Diversity.*

SPIC MACAY 2024, Guwahati and Assam down town University Chapters: Padmashri Dr. Kiran Seth, founder of SPIC MACAY, visited Assam down town University (AdtU) for an inspiring day of engagement. He was welcomed by the Dean of Studies, Prof. Bandana Dutta, and later posed for photographs near the Mahatma Gandhi statue. A press conference followed, where the SPIC MACAY team shared insights about their mission and work.

Dr. Seth was then felicitated by AdtU's Vice Chancellor, Prof. (Dr.) N. C. Talukdar, Pro-Vice Chancellor Prof. (Dr.) Pranveer Singh, and Prof. Bandana Dutta. The program included a soulful bhajan by the Performing Arts faculty, followed by an enlightening talk by Dr. Seth on the importance of sustainability, wellness, classical music, and meditation in students' lives. An interactive session with the audience followed, creating a reflective atmosphere.

A group photograph with Dr. Seth and the entire SPIC MACAY team after the memorable session at AdtU.

The event concluded with a vote of thanks and group photographs, followed by a lunch hosted in honor of the SPIC MACAY team. This visit marked a significant milestone in fostering cultural and intellectual growth at AdtU.

AdtU organized a National Consultative Meeting on the "Establishment of the National Tribal Science and Technology Council (NTSTC)."

The National Consultative Meeting on the establishment of the National Tribal Science and Technology Council (NTSTC) and meeting of the expert committee of the Tribal Sub-Plan under DST, GoI was held from August 20-22, 2023, at Assam down town University, Guwahati. The event brought together key stakeholders to discuss the council's framework, functions, and funding mechanisms.

Prof. N.C. Talukdar, Vice Chancellor of Assam down town University, presided the meeting and delivered the welcome address, setting the stage for insightful discussions. This was followed by presentations from Dr. Debapriya Dutta, Adviser, DST, GoI, on the Tribal Sub Plan Scheme and Dr. Vinita Srivastava, Adviser, from the Ministry of Tribal Affairs, GoI. Vice Chancellors and

their representatives from various tribal universities—including Indira Gandhi National Tribal University (Madhya Pradesh), Sidho-Kanho-Birsha University (West Bengal), Rajiv Gandhi University (Arunachal Pradesh), University of Ladakh (Ladakh), Birsa Munda Tribal University (Gujarat), Central Tribal University of Andhra Pradesh, and Kalinga Institute of Social Sciences (Odisha)—deliberated on NTSTC's structure, research priorities, and funding strategies.

Vice Chancellors and their representatives from various tribal universities of India deliberating on the framework and research priorities of NTSTC

Members of the Expert Committee highlighted the critical role of science and technology in tribal development. The meeting concluded with a consensus on NTSTC's governance, funding models, and collaborative strategies, reinforcing Assam down town University's commitment to advancing tribal education, research, and innovation.

During August 21-22, 14 experts from different universities/organization across the country, evaluated over 50 project proposals under STI-hubs submitted for potential support. Another 40 ongoing project progress were also evaluated by the experts.

Assam down town University's Strategic MoUs for Research, Academics, and Infrastructure Development

Assam down town University has signed Memorandums of Understanding (MoUs) with various National universities, institutes, and organizations to enhance its research, academic, and infrastructural capabilities. These collaborations aim to foster knowledge exchange, joint research initiatives, faculty and student development programs, and infrastructure expansion. Through these strategic partnerships, the university seeks to strengthen its academic excellence, promote innovation, and provide students with global learning opportunities. This initiative reflects the university's commitment to advancing education and research through meaningful collaborations with esteemed institutions.

Details of MoU signed in this academic session 2023-24.

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
1.	Institute of Urology and kidney Disease, Guwahati, Assam	Collaboration in the field of training, R&D, dissemination of knowledge. Industry visit, internship and clinical posting in the field of Paramedical Sciences.	07-06-2024 to 06-06-2025
2.	Bharatiya Engineering Science and Technology Innovation University (BESTIU), Andhra Pradesh	Joint research activities in the area of mutual interest and exchange of resources for research.	27-09-2023 to 26-09-2026
3.	AAFT University, Raipur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
4.	Arya College of Engineering (ACE), SP-40, Industrial Area (RIICO), Delhi Road, Kukas, Jaipur	Collaborative research and exchange of students and staffs.	27-09-2023 to 26-09-2024
5.	ASM (AudyogikShikshan Mandal) Groups of Institute, Pune	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
6.	Automotive Skills Development Council (ASDC), E-113, Okhla Industrial Estate Phase-III, New Delhi	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
7.	D.Y. Patil International University, Maharashtra	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
8.	G D Goenka University, Gurugram, Haryana	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026

Enhancing Infrastructure and Facilities at Assam down town University

In the pursuit of academic excellence and holistic student development, Assam down town University has made significant strides in upgrading and expanding its infrastructure during this academic session. Our commitment to providing a world-class learning environment has led to the introduction of several new facilities and the renovation of existing ones to meet evolving educational standards.One of the key developments this year has been the enhancement of classroom and laboratory facilities. To foster a more interactive and engaging learning experience, we have equipped classrooms with modern audio-visual aids and smart learning tools. Additionally, new state-of-the-art laboratories have been established, ensuring that students receive hands-on experience with cutting-edge technology and research methodologies.

In our endeavor to support holistic growth, we have also upgraded our library facilities. The addition of digital resources, e-books, and high-speed internet access has significantly improved the ease of research and self-learning opportunities for students and faculty alike. The expansion of study spaces and reading rooms has further enriched the academic ambiance of the university.Recognizing the importance of student well-being, the university has invested in upgrading hostel facilities, ensuring a comfortable and secure residential experience. The hostels have been equipped with modern amenities, including better recreational spaces, hygienic dining facilities, and enhanced security measures. Furthermore, a new sports complex has been introduced to promote physical fitness and extracurricular engagement among students.The digital transformation of administrative processes has been another milestone this year. The implementation of an advanced Learning Management System (LMS) and an upgraded online student portal has streamlined academic and administrative operations, making them more efficient and accessible.

Additionally, our commitment to sustainability has led to the addition of biogas plant, sewage treatment plants (STP) planting of more tree and establishment of valuable wood plantlets to already existing installation of eco-friendly infrastructure, including solar panels, rainwater harvesting systems, agar wood plantations and other green spaces across the campus. These initiatives align with our vision of fostering an environmentally responsible campus.

Newly introduced facilities in the Academic building to support student endeavor

Newly introduced Well-Equipped Common Spaces for Student Engagement and Learning

Campus Shuttle and Transport Facilities including e-vehicles for Convenience & Connectivity

Encouraging Fitness and Sports: A Hub for Recreational and Competitive Activities

AdtU's steps towards a Sustainable Future: Environmental Conservation and Green Technologies.

Encouraging Academic Excellence through Conferences, FDP, and Professional Memberships

At Assam down town University (AdtU), we are committed to fostering a culture of academic growth and knowledge exchange. To this end, we actively encourage our faculty members and students to participate in national and international conferences, workshops, and Faculty Development Programs (FDPs). These platforms provide valuable opportunities to share innovative ideas, engage in scholarly discussions, and stay updated with the latest advancements in various fields.

To support this initiative, AdtU has a dedicated scheme that facilitates financial assistance for faculty and students attending such prestigious events. Additionally, the university recognizes the importance of professional networking and encourages faculty members to obtain memberships in renowned national and international academic and professional bodies. To ease this process, AdtU provides reimbursement for membership fees, ensuring that faculty members have access to valuable resources, collaborations, and professional development opportunities.Through these efforts, AdtU reinforces its commitment to academic excellence, continuous learning, and global engagement, enabling its faculty and students to contribute meaningfully to their respective domains.

In this academic year, a large number of our esteemed faculty members have actively participated in various national and international conferences, workshops, and Faculty Development Programs (FDPs). These engagements have provided them with valuable insights, research collaborations, and opportunities to contribute to the academic community.

Below is a comprehensive list of conferences and FDPs attended by our faculty members, showcasing their dedication to continuous learning and professional development:

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
1	Dr. Saikat Sen	Faculty of Pharmaceutical Science	Keynote Speaker in e-FDP 'EITAP-2k24' organized by Shri Venkateshwara College of Pharmacy, Puducherry	NA	3rd to 8th June 2024	Online

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
2	Dr. Faruk Alam	Faculty of Pharmaceutical Science	National conference "Drug Discovery and In-Silico Drug Design "	Drug Discovery and In-Silico Drug Design "	18.11.2022	Royal School of Pharmacy
3	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Workshop cum Valu Added Course on Nanotechnology (Amazing Nano 2023), organized by Department of Electronics and Communication Engineering, School of Technology, Assam Don Bosco University, Guwahati.	Advancement of nanotechnology in biomedical application	03.10.2023	Online Mode
4	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Virtual Symposium on "Application of Biotechnology" organized by INTI, Malaysia	Exploring Natural Resources in Quest for Lead Molecules	20.09.2023	Online Mode
5	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Two-day workshop on "Mastering the Art of Research: From Selection to Publication"	Identifying and selecting a viable research area	01.09.2023	Pratiksha Institute of Pharmaceutical Sciences, Guwahati
6	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Four-Day Workshop	Basic data Science in Pharmacoepidemiology	25th to 29th March 2022	Pharmacy Literacy Club/ MAHE, Manipal, Karnataka, India
7	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Three Day National Webinar	Recent Trends in Pharmaceutics and Novel Drug Delivery Systems	21st to 23rd March, 2022	Dept. of Pharmaceutics (MPH), Shri Vishnu College of Pharmacy (Autonomous), Bhimavaram, Andhra Pradesh,

Recognition and Accolades: Commitment to Society and Academic Excellence

At Assam down town University (AdtU), our dedicated faculty members and students actively contributed to society through various initiatives, research, and community engagement. Their relentless efforts in education, innovation, and social service have been recognized by esteemed national and international organizations.

In recognition of these contributions, many of our faculty and students have received accolades, awards, and honors from distinguished bodies. These achievements reflect the university's commitment to academic excellence, social responsibility, and impactful learning.

This year, the AdtU fraternity has earned numerous prestigious recognitions, further strengthening our reputation as a center of excellence. These honors serve as a testament to the hard work, dedication, and passion of our faculty and students in making a meaningful difference in society.

Extracurricular Activities at AdtU: A Year of Engagement and Growth

At AdtU, extracurricular activities play a crucial role in shaping students' holistic development alongside their academic pursuits. Throughout the year, students actively participated in various clubs, each catering to diverse interests and talents. These clubs provided a platform for students to express their creativity, enhance their skills, and foster a sense of community.

Highlights from the Clubs

1. Drishya Drama Club

The Drishya Drama Club captivated audiences with its outstanding theatrical performances. Students showcased their acting talents through stage plays, skits, and monologues, addressing social issues and entertaining the university community.

2. Om Yoga & Meditation Club

This club played a significant role in promoting wellness and mindfulness. Regular yoga and meditation sessions helped students manage stress, improve concentration, and embrace a healthy lifestyle. Special workshops on mental well-being were also conducted.

3. Erudite Literary Club

With a passion for literature and creative writing, the Erudite Literary Club organized poetry recitations, storytelling sessions, and debate competitions. The club encouraged students to enhance their writing and public speaking skills.

4. Tribhanga and Zephyr Dance Clubs

These dance clubs brought vibrancy to campus life through dynamic performances in various styles, including classical, contemporary, and fusion. The clubs participated in inter-university dance competitions and organized workshops for aspiring dancers.

5. Dorian and Bandish Music Club

Music enthusiasts found their home in the Dorian and Bandish Music Club, where students engaged in vocal and instrumental performances. The club hosted open mic sessions, battle-of-the-bands competitions, and musical evenings, enriching the cultural landscape of the university.

6. Beethika Art Club

The Beethika Art Club nurtured students' artistic talents through painting exhibitions, mural projects, and workshops. The club also contributed to beautifying the campus with creative art installations and graffiti projects.

7. Sports Club

With an emphasis on physical fitness and teamwork, the Sports Club organized tournaments in football, basketball, cricket, badminton, and other sports. Students actively participated in intra- and inter-university competitions, showcasing their athletic prowess.

8. Landscape, Photography & Cine Club

This club provided a platform for students to explore visual storytelling through photography and filmmaking. Members captured stunning images of campus life, produced short films, and conducted photography workshops to enhance technical skills.

A Year of Achievements and Inspiration

The year witnessed a surge in student engagement across all clubs, reflecting a culture of creativity, teamwork, and self-expression at AdtU. These extracurricular activities not only helped students hone their talents but also contributed to their overall personality development. The university remains committed to fostering such opportunities, ensuring that students receive a well-rounded educational experience.

Championing Excellence: Sports Activities at AdtU (2023-24)

The academic year 2023-24 was a remarkable period for sports at Assam down town University (AdtU), marked by outstanding achievements, thrilling competitions, and a growing spirit of sportsmanship among students and faculty alike. From badminton and cricket to a grand sports fest, the university's athletes and teams showcased their dedication, resilience, and competitive excellence on multiple prestigious platforms.

AdtU Badminton Championship 2024

The AdtU Badminton Championship 2024, held on 23rd May 2024, was a spectacular event that witnessed participation from various universities and institutions. The championship featured competitions in Men's and Women's team events, along with an exciting Mixed Doubles category.

- Men's Team Event: The champions were AIPE (A) from the Abhiruchi Institute of Physical Education, with stellar performances from Lahu Linggi, Sonmyadeep Saha, Diwas Yadav, Kabeer Husain, and Jyoti Kachari. The runners-up were KKHSOU (Krishna Kanta Handique State Open University), featuring Sangram Chutia, Sajid Akhtar, Meraj Hussain, Saurav Jyoti Deka, and Ashok Talukdar. Sangram Chutia was awarded the Best Player (Men) title for his exceptional gameplay.
- Women's Team Event:Cotton University emerged victorious, represented by Suzen Buragohain and Pratiksha Pathak, while the Asian Institute of Management secured the runner-up position with Pratiksha Borgohain and Vasundhara Tanwar. Upasana Borgohain of Cotton University was named Best Player (Women) for her outstanding performance.
- Mixed Doubles Tournament:Cotton University (B), represented by Irfan Ahmed and Suzen Buragohain, claimed the championship title. Cotton University (A), comprising Tehzeeb Rahul Toufique and Pratiksha Pathak, finished as runners-up.

Inter-University and Inter-College Cricket Achievements

The AdtU Cricket Team had an eventful year, participating in various prestigious tournaments, showcasing their skill and teamwork at both regional and inter-varsity levels.

- Nemcare Group Premier League (Season 6): Held in November 2023, the AdtU team participated in this competitive tournament hosted by NITS Mirza, Guwahati. The team

secured a victory in their first league match, demonstrating their potential and teamwork.

AdtU Cricket Team Competes in Nemcare Group Premier League at NITS Mirza, Guwahati.

- Inter-College Cricket Tournament (Govt. Ayurvedic College, Guwahati): AdtU's team exhibited great resilience and skill, reaching the quarter-finals, further strengthening the university's presence in regional cricket.
- 3rd Niloy Dutta Memorial Inter-Varsity Cricket Tournament: Organized by the Assam Cricket Association (ACA), this prestigious event saw AdtU winning two of their league matches, proving their growing competence in inter-university cricket.

Inter-University Badminton Tournament (Nagaland University, AIU)

AdtU's badminton players participated in the Inter-University Badminton Tournament, organized by Nagaland University under the banner of the Association of Indian Universities (AIU). The team secured two victories in their league matches, gaining invaluable experience while competing against top universities from the region.

Highlights of AdtU badminton players competing at the Inter-University event

Faculty Participation: Flood Light Cricket Tournament

Faculty members of AdtU also actively participated in sports. 16 teachers and 2 non-teaching staff represented AdtU in the Flood Light Cricket Tournament for University and College Teachers, organized by Gauhati University. The team showcased commendable performance, reaching the semi-finals, emphasizing the university's commitment to promoting sports among both students and faculty.

ATTITUDE-2024: A Grand Celebration of Sports

The Sports Fest for ATTITUDE-2024, held from 19th to 21st February 2024, was a massive success, featuring over 350 students competing in various sports events, including:

- Badminton Singles (Male and Female)
- Badminton Doubles (Male and Female)
- Volleyball (Male and Female)
- Futsal (Male and Female)
- Arm Wrestling (Male and Female)

The event was not just a competition but a celebration of sportsmanship, camaraderie, and athletic excellence within the AdtU community.

The 2023-24 academic year was an inspiring journey for AdtU's sports teams and athletes. With remarkable achievements in badminton and cricket at inter-college and inter-university levels, as well as a successful sports fest, the university continues to foster a strong sporting culture. These milestones reflect the dedication of students and faculty towards sports, and AdtU remains committed to encouraging athletic talent and excellence in the years to come.

Executive Summary

In the academic year 2023-24, Assam down town University (AdtU) made remarkable strides in enhancing its research ecosystem, aiming to foster a culture of academic excellence, innovation and scientific inquiry. Effort was pot to complete the preparation for implementation of MEP 2020 full-fledged form 2024-25 sessions. The course superstructures across all programs completed by taking into consideration different facts such as multidisciplinary, interdisciplinary academics, industry academics interface and internationalization and through active involvement of faculty members. Another key focus has been on revising the Research Award Policy to further incentivize faculty-driven research, positioning AdtU as a leader in academic research and development. The University introduced advanced instrumentation across all Central Instrumentation Facilities (CIF), enhancing access to cutting-edge technology for sophisticated experimentation and analysis. Additionally, significant improvements to laboratory infrastructure have created a more conducive environment for groundbreaking research across various disciplines.

A cornerstone of AdtU's research expansion is the allocation of substantial seed funding. The University provided ₹87.49 lakhs in seed grants to 28 faculty-led projects, nurturing pioneering research ideas and promoting high-impact scientific discoveries. Furthermore, AdtU has successfully secured and is actively managing a total of ₹1389.06 lakhs in extramural research grants, awarded by prominent government agencies such as the Department of Biotechnology (DBT), Department of Science & Technology (DST), Indian Council of Medical Research (ICMR), and Assam Science Technology & Environment Council (ASTEC). These grants signify the University's commitment to addressing contemporary scientific and societal challenges through collaborative and high-quality research.

In addition to government funding, AdtU has also secured ₹89 lakhs from 25 non-government funding agencies, supporting 213 faculty-led projects. This financial backing underscores the growing recognition of AdtU's research excellence, facilitating its faculty members in exploring diverse and impactful areas of study.

The University's continued efforts to foster an innovative research environment are complemented by its diverse academic offerings, with 1982 students enrolled across 49 programs under 10 faculties. These initiatives aim to strengthen AdtU's position as a leading institution in higher education and research. Moving forward, the University is committed to refining its research infrastructure, expanding its funding avenues, and maintaining its focus on cutting-edge research that addresses both global and regional challenges.

The expansion of both indoor and outdoor sports infrastructure, enhancement of library resources, and accelerated initiatives across key directorates—including International Affairs (DIA), Career Advancement (DOCA), Innovation Start-up and Acceleration (DOSA), Alumni Affairs (DOAA), and Student Affairs (DOSA)—are propelling AdtU toward its vision of becoming a globally recognized university from Northeast India. With a strong focus on academic excellence, research, and holistic student development, AdtU is committed to shaping a better society.

SDG ANNUAL REPORT 2024

Version 1.2

Prof (Dr) Pranveer Singh
Pro Vice-Chancellor
Assam down town University

SDG 15 Report 2024

1. Introduction

Assam down town University (AdtU), located near the ecologically rich **Amchang Wildlife Sanctuary**, Assam, INDIA integrates biodiversity conservation and land stewardship into its operations and academic programs. The university recognizes its responsibility to preserve terrestrial ecosystems through campus greening, responsible land use, waste management, and biodiversity awareness. Its initiatives are aligned with **SDG 15: Life on Land**, focusing on forest cover enhancement, sustainable landscaping, and protection of flora and fauna within and beyond its 52.9-acre green campus.

2. Biodiversity Conservation and Green Landscaping

- AdtU maintains **over 69.5% open green area** across its campus, including **a Miyawaki forest patch (≈2 acres)**, a **Herbal Garden (1 acre)**, and a **Rubber Garden (≈3,300 m²)**, supporting hundreds of plant species native to Assam.
- Landscaping efforts emphasize **native and medicinal plants**, soil conservation, and carbon sequestration, creating natural habitats for birds, butterflies, and small wildlife.
- The university's **"Landscaping with Trees and Plants"** initiative aligns with regional biodiversity strategies and contributes directly to **SDG 15.1 (Conservation of terrestrial ecosystems)** and **SDG 15.5 (Reducing biodiversity loss)**.
- Regular **tree plantation drives** are conducted in collaboration with the Forest Department of Assam and the *Green Intention Program* under the Faculty of Science. More than **2,500 saplings** were planted between 2022 and 2024.

3. Waste Management and Soil Health Protection

- A **vermicomposting facility (960 kg capacity per cycle)** and a **10 m³ biogas plant** convert organic waste from hostels and canteens into compost and clean fuel. The compost is used for maintaining gardens and tree plantations, promoting a circular green economy on campus.
- A **sewage treatment plant (ETP-cum-STP, 250 KLD)** ensures treated wastewater is reused for flushing and irrigation, protecting soil and groundwater from contamination.
- These actions contribute to **SDG 15.3 (Combat desertification and restore degraded land)** through responsible waste disposal and soil nutrient regeneration.

4. Education, Research, and Community Outreach on Ecosystem Conservation

- The **Faculty of Agricultural Sciences and Technology** conducts field projects on **soil microbiota**, **organic farming**, and **bioremediation**, with findings published in journals such as *Environmental Sustainability* and *Indian Journal of Agricultural Research*.
- The **Department of Biotechnology and Microbiology** undertakes research on **microbial inoculants**, **plant growth-promoting bacteria**, and **waste valorization**, supporting eco-friendly agriculture and land restoration.

- The **Biodiversity Club** organizes seminars on *Biodiversity Restoration and Sustainable Practices* and publishes the bi-annual newsletter **"AdtU Nature"**, highlighting biodiversity monitoring and conservation drives.
- AdtU regularly observes the **International Day for Biological Diversity** and **World Environment Day** with local schools and communities, spreading awareness on ecosystem balance and afforestation.

5. Policy Framework and Institutional Support

- The **Green Campus Policy (2023)** mandates maintenance of at least 60% open green cover and promotes **ban on single-use plastics** and **restricted vehicular zones**.
- The **Campus Master Plan (2024)** integrates natural percolation zones and sustainable drainage systems to maintain healthy soil–water relationships.
- The **IQAC and Green Audit Committee** monitor compliance with environmental norms and assess biodiversity impacts annually through external audits.

6. Impact and Future Roadmap

Key Indicators (2024-25):

- Total green area: ≈ 129,000 m² (69.5 % of campus)
- Number of native species planted: > 100 species
- Annual compost generated: ≈ 6 tons
- Treated water reused: 200 KLD
- Organic manure applied: > 3 tons per year

Future Goals (2025-27):

- Expand Miyawaki forest area to **4 acres**
- Establish a **Campus Biodiversity Documentation Centre**
- Initiate a **Butterfly Garden and Bird Census Program** in collaboration with Amchang Wildlife Sanctuary

Conclusion

Through sustainable land use, biodiversity conservation, academic research, and eco-education, **Assam down town University** demonstrates a holistic approach to achieving **SDG 15 – Life on Land**. The university continues to act as a green hub for Assam's biodiversity heritage, ensuring that learning, living, and ecological preservation coexist harmoniously within its campus and the surrounding environment.

Conservation: plant, animal, andwildlife, genetic resources for food and agriculture secured in either medium or long-term conservation facilities

It has been estimated that the campus of the university harbours numerous species of plants including flowering plants, gymnosperms, pteridophytes, bryophytes, algae and fungi. The university campus is also known for its unique MAP wealth, fruit yielding plants, timber yielding plants, rubber yielding plants, aromatic plants and other economically important plants. High value NER native medicinal plants inside herbal garden: Bacopa monerri, Asparagus racemosus, Phyllanthus amarus, Andrographis paniculata, Ocimun sanctum, Boerhvia diffusa, Bryophyllum pinntum, Aloe veraMore than 350 tree species belonging to 90 families were recorded, with Fabaceae, Sapotaceae, Lamiaceae,Meliaceae and Anacardiaceae being the most represented families and approximately 50 species are reported as wild fruit yielding plants. A summary of different plant species is mentioned below:

Table 1.10.1 : Dominant timber species inside AdtU campus

Scientific Name	Local Name	Family	Numbers (Approx)
Tectona grandis L.f.	Segun	Lamiaceae	200
Terminalia arjuna (Roxb. Ex DC.) Wight &Arnott.	Arjun	Combretaceae	150
Gmelina arborea Rox.	Gamari	Verbenaceae	100
*Michelia champaca*Linn	Titachopa	Magnoliaceae	80
Schima wallichii(DC.) Korth	Makrisal	Theaceae	75

Table 1.10. 2: Name of few Indigenous fruit plants (Dominant species) inside AdtU campus

Scientific Name	Local Name	Family	Numbers (Approx)
Artocarpus heterophyllus Lam.	Kathal	Moraceae	65
Tamarindus indica Linn.	Teteli	Caesalpiniaceae	58
Magnifera indica L.	Aam	Anacardiaceae	33
Ziziphus jujuba Mill. Lamk.	Bogori	Rhamnaceae	12
Averrhoea carambola L.	Kordoi	Averrhoaceae	10

Table 1.10.3: Name of few Valuable plants (Planted) inside AdtU campus

Scientific Name	Local Name	Family	Numbers (Approx)
Ficus elastic Roxb. ex Hornem.	Indian rubber tree	Moraceae	1100

Activity: Assembling of LED Bulb

School Name: Gurubhasa Higher Secondary School
District: Chirang
Trade: Electronics & Hardware
VT Name: Mr. Galif Jakaria

OVERVIEW OF THE PROJECT:

The overview of the project that a how a group of five students living ina remote area of Garubhasa, Chirang can make their livelihood easy by assembling and repairing LED bulbs and come into the race of becoming an entrepreneur.

OBJECTIVE OF THE PROJECT:

The primary goal of this project is to understand the basic componentsof an LED bulb and learn the process of assembling it. This hands-on experience will provide insights into the principles of electronics and sustainable lighting. The project focuses on assembling LED bulbs, offeringpractical insights into the components, technologies, and skills involved in creating energy-efficient lighting solutions.

Some important objective is as follows:

- Hand-on learning
- Understanding of LED technology
- Problem solving skills
- Team work
- Presentation Skills
- Practical application
- Soldering Proficiency etc.

PHOTOGRAPHS OF THE ACTIVITY::

PHOTO 1: Students are applying heat sink compound between MCPCB and heatsink plate.

PHOTO 2: Students are fixing the MCPCB and heat sink plate with the help ofscrew.

PHOTO 3: Students are applying soldering past on positive and negativeterminal of the MCPCB

PHOTO 4: Vocational Trainer guiding students how to solder positive and negative terminal of the driver along with the positive and negative point of MCPCB.

DESCRIPTION OF THE ACTIVITY:

We arranged 9w LED bulb row materials like Housing, MCPCB, Driver,B22 etc.

After that we assemble the row materials part by part as follows:

- First we apply the heat sink compound between MCPCB and heat sink plate. Then with the help of screw fixed the MCPCB and heat sink plate.
- Secondly we solder the positive and negative terminal of the driveralong with the positive and negative point of MCPCB.
- Fixed the driver along with the MCPCB plate into the pc body. Connect the two terminal of the driver into the two holes of the b22 and solder it properly.
- Press the heat sink plate in the pc body using pressing machine. Punch the b22 in the pc body using punching machine. Now fixed the diffuserin the pc body.

After assembling the row materials we check the final product. If everythingis ok then the 9w LED bulb is ready to use.

LIST OF LEAD STUDENTS ALONG WITH VOCATIONAL TRAINER

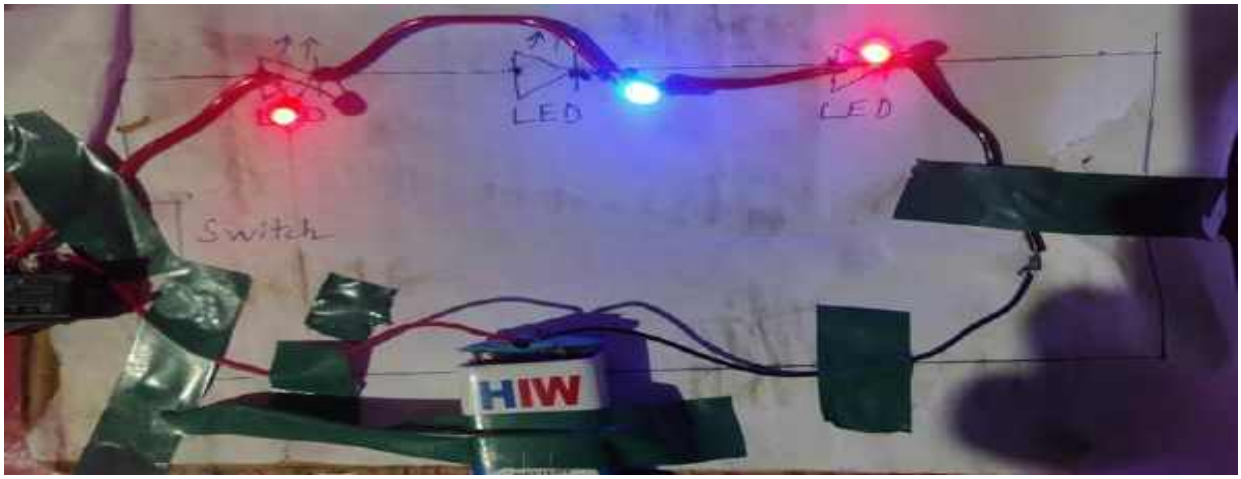
1. Kwmta Narzary , Class X
2. Mwikwm Basumatary,Class X
3. Naba Kr. Boro ,Class X
4. Sansuma Basumatary ,Class X
5. Sangrang Basumatary, Class IX

Activity: A Report on Series and Parallel circuit using LED

School Name : Channighat High School
District: Karimganj
Trade: Electronics & Hardware
VT Name: Sahidul Alom Barbhuiya

INTRODUCTION

- To understand how to connect LED in series and parallel.
- To understand how series and parallel circuit work.



OBJECTIVE

The aim of this activity is that the students can understand how to connect series and parallel circuit using LED.

EQUIPMENT USED IN PRACTICE VIDEO

SL. NO.	Name of Equipment
1	Breadboard
2	LED
3	Electronic Switch
4	9 volt Battery
5	Wire Stripper
6	Soldering Iron
7	Soldering Paste
8	Soldering Lead
9	Wire

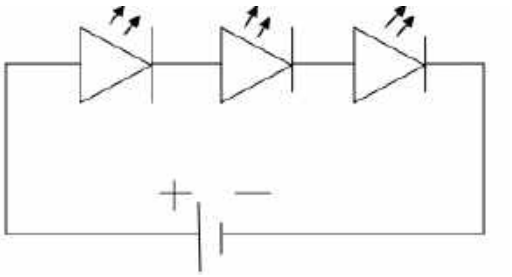
DESCRIPTION

BREADBOARD

A breadboard is a construction base used to build semi-permanent Prototypes of electronic circuit.

LED (LIGHT EMITTING DIODE)

Light-Emitting Diode (LEDs) comprises of several layers of semi-conducting material. When the diode is being utilized with DC, the active layer produces light. The LED emits light in a particular colour and this colour is dependent on the type of semiconductor material used in it.



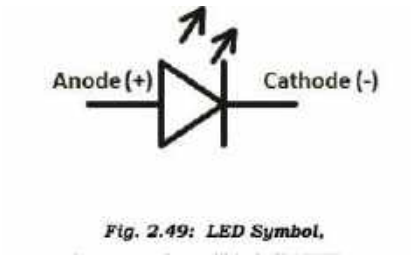


Fig. 2.49: LED Symbol,

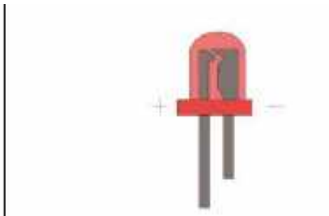

Fig. 2.50: LED Light,

Series circuit

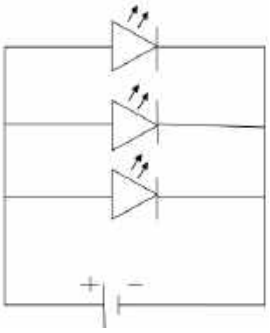
A Series circuit or series-connected circuit is a circuit having just one current path.

In a series circuit, electric load is connected along a single path in the circuit. So, the current flowing through each of them will remain same.

Parallel Circuit

Parallel circuit is one in which the battery current are divided into a number of parallel paths

In a parallel circuit, electric load in the circuit form multiple paths. Since, there are a number of paths, even if one electric load stops working, the other electric loads in the circuit will still work.



PROCEDURE OF THIS PRACTICE

- In this innovative practice student first learned about how Breadboard work and component connections in breadboard.
- Student done connection of LED in series using switch and Battery in Breadboard.
- Student done connection of LED in parallel using switch and Battery in Breadboard.
- Student learned about how to soldering component in circuit.
- Student done soldering of LED in series.

CONCLUSION

In this Practice session students has learned and done the connection of series and parallel circuit using LED(light emmiting diode) in breadboard and also thay has learned and done the connection of LED in series circuit using soldering technique.

STUDENT PARTICIPATED IN THIS PRACTICE

6. Sakir Ahmed.
7. Md Abdullah.
8. Pranay Debnath.
9. Abjel Hussain.

This Innovative practice was lead by **Sakir Ahmed** and **Md Abdullah.**

Activity: Cultivation of Oyster Mushroom

School Name: Gurufela High School
District: Kokrajhar
Trade: Agriculture
VT Name: Lovely Narzary

OVERVIEW OF THE ACTIVITY:

Oyster mushroom cultivation using sawdust and straw as a substrate. At first, we have to sterilize substrate by boiling with water. Moisture retention around 70 % should be there. Then we make holes into mushroom bag and put substrate and spawn into layers. Four layers of spawn and five layers of substrate. Then, we tie it tightly and put in a clean, dark and warm environment for mycelium growth. This usually takes a week then fruiting starts within 25 days. Finally harvesting of mushrooms can be done when the caps are fully developed.

OBJECTIVE OF THE ACTIVITY:

The main objective of this practice is providing opportunity for the students to earn livelihood by growing mushrooms. They can also gain skills by learning how to cultivate it and maintain it properly for better production.

PHOTOGRAPHS OF THE ACTIVITY

FIG (2): Drying of straw

FIG (3): Hanging of mushroom bags

FIG (4): Mycelial growth in mushroom bags

FIG (5): Fruiting stage of mushroom

FIG (6): Mature stage of mushroom

DESCRIPTION OF THE ACTIVITY:

Materials required:

1. Sawdust/Straw
2. Mushroom spawn,
3. Straw cutter,
4. Mushroom bags,
5. Rubber band

6. Tarpauline sheet
7. Pan for boiling
8. Firewood
9. Bamboo basket
10. Water, and
11. Rope.

Procedure:

1. At first, we have to cut straw into (7-8 cm) so that mushroom spawn can colonize the straw easily.
2. Boiling of straw (i.e. Heat Sterilization) is done as this will help in reducing microbial contamination present in the substrate (i.e. Straw).
3. Drying of straw is done. 70% moisture should be retained after drying as this creates an ideal environment for fungal growth.
4. Punching of mushroom bags.
5. Dividing spawn into two equal parts and from that two parts again division into four parts so, that we can put four layers.
6. Then, we will put the straw into bags then spawn into circular manner excluding in mid-position.
7. Then another layer of straw and repeatation until spawn is put into four layers and straw into five layers.
8. Tying of mushroom bags.
9. Hanging of bags into rope with a rope in a bamboo.
10. After 15-20 days mycelial growth can be observed.
11. Fruiting will start after one month approximately.
12. Then further growth of mushrooms can be observed.
13. When the mushroom edges changes from round to curl it can be plucked and packed.

LIST OF LEAD STUDENTS ALONG WITH VOCATIONAL TRAINER

2. Supriya Das

Group members: (1. Sujuta Boro 2.Sumir Roy 3. Sanjit Roy 4. Priya Roy 5. Tulani Basumatary 6. Prasenjit Narzary)

Activity: JCB Model Making

School Name: Joymati High School
District: Biswanath
Trade: Electronic & hardware
VT Name: Bipul Borah

OVERVIEW OF THE ACTIVITY:

Creating a model of a JCB (a type of construction vehicle) can be a fun and engaging project. Here's a general guide to help you get started:

Materials Needed:

1. **Reference Images**: Find clear pictures or diagrams of a JCB to use as a reference throughout your project.
2. **Cardboard or Foam Board**: For creating the main structure of the model.
3. **Scissors and Craft Knife**: To cut out the shapes from the cardboard or foam board.
4. **Glue**: Use strong glue suitable for bonding cardboard or foam.
5. **Paint and Brushes**: For adding color and details to your model.
6. **Markers or Pens**: Optional for adding finer details.
7. **Wheels and Axles**: Small plastic or wooden wheels that resemble JCB tires.

Steps to Create the Model:

1. **Plan and Design**: Start by sketching out a basic design based on your reference images. Decide on the scale of your model (e.g., 1:20, 1:50).
2. **Cut Out the Parts**: Using your cardboard or foam board, cut out the main parts of the JCB — the cabin, the front loader, the rear digging arm, and the chassis.
3. **Assemble the Structure**: Glue the parts together according to your design. Allow time for the glue to dry and ensure the structure is sturdy.
4. **Add Details**: Use smaller pieces of cardboard or foam board to add details like lights, handles, and vents. Refer to your reference images for accuracy.
5. **Painting**: Once the structure is complete and dry, paint the model using appropriate colors. Use a combination of brushes and markers for finer details.
6. **Attach Wheels**: Attach the wheels to the chassis using glue or by inserting axles through holes in the cardboard.
7. **Final Touches**: After everything is assembled and painted, add any final touches such as decals, warning signs, or other small details to enhance realism.

Tips:

- **Patience is Key**: Take your time with each step to ensure accuracy and neatness.
- **Use Reference Images**: Refer back to your reference images frequently to ensure your model looks authentic.
- **Experiment**: Don’t be afraid to experiment with different techniques and materials to achieve the desired look.

By following these steps and using your creativity, you can create a detailed and impressive model of a JCB that you can be proud of!

Activity: Landscape gardening

School Name: Tingkhong HS School,
District : Dibrugarh
Trade: Agriculture
VT Name: Miss. Babyshree Arandhara

Vocational Trainer Miss. Babyshree Arandhara trained the students for Landscape gardening is both an art and science of the establishment of a ground in such a way that it gives an effect of a natural landscape.

Students are from Tingkhong HS School is learning about cultivation practices of different crops including both flower and vegetables and different agricultural practices So, the students decided to create three gardens in their school campus. With respect to growing season and crop duration Marigold was planted. Throughout the period all the students who are having subject Agriculture, they involve in each and every activities starting from land preparation, weeding, leveling, line making, planting, and other horticultural practices like-pinching, application of manure and other organic amendments. They learn how to enhance flowering on particular time with the help of special horticultural operation -Pinching, Seed sowing in pro-tray. It helps to encourage their technical knowledge and self employment towards Agriculture and Horticulture field.

PHOTOGRAPHS OF THE ACTIVITY:

Activity: Some crafts using bamboo and wood piece

School Name: Sadiya Govt. Higher Secondary School,
District: Tinsukia.
Trade: Retail
VT Name: Mr. Bikash Sarma

Vocational Trainer Mr. Bikash Sarma trained the
students for producing sofa from bamboo in school and selling the products in Market.

Students started to prepare some crafts using bamboo and wood piece. Students were preparing bamboo sofa set, pen stands, home decorative items like wall hangings, flower vase, some kitchen items etc.

PHOTOGRAPHS OF THE ACTIVITY:

Activity: Free Health Check-up Camp

School Name: Nahargurighat HS School,
District: Kamrup Metro.
Trade: Healthcare
VT Name: Miss. Maimi Rongson

Vocational Trainer Miss. Maimi Rongson trained the students to provide medical care and treatment to people in rural areas.

A free Helth Checkup camp organised by the students and the Vocational Trainer of Healthcare at Nahargurighat HS School. Students were involving in temperature monitoring, blood pressure monitoring and provided guidance to maintain personal hygiene. Local peoples were attended at this camp and through this camp students provided awareness and educate the local people about the Healthcare.

PHOTOGRAPHS OF THE ACTIVITY:

Activity: Mushroom Cultivation

School Name: Tumpreng H.S. School
District: W.K Anglong
Trade: Agriculture
VT Name: Rasen Bey

Overview: The mushroom cultivation activity at Tumpreng H.S. School was conducted successfully under the guidance of Rasen Bey. The objective of the activity was to introduce students to practical agricultural techniques and foster an interest in sustainable farming practices.

Key Highlights:

- **Participants:** Students from Class 9th and 10th participated actively.
- **Demonstration:** Rasen Bey led a comprehensive demonstration on mushroom cultivation techniques, covering the lifecycle of mushrooms and sustainable agricultural practices.
- **Hands-on Experience:** Students gained practical experience in preparing substrates, inoculating mushroom spawn, and maintaining optimal growing conditions.
- **Outcomes:** The activity successfully increased awareness about agricultural entrepreneurship and enhanced students' practical skills in mushroom cultivation.

PHOTOGRAPHS OF THE ACTIVITY:

Activity: Hydraulic Powered Mini Robotic Arm

School Name: Barbala HS School
District: Barpeta
Trade: Automotive
VT Name: Mozammel Hoque Sikdar

Overview:
The activity is conducted basically on to convert hydraulic pressure into mechanical movement. Which helps us to make a mini robotic arm.

Pascal's Low- Pressure applied to an enclosed fluid will be transmitted without a change in magnitude to every point of the fluid and to the walls of the container.

Objective of the activity:-
- The main aim of our activity is to build a hydraulic arm that can operate by hydraulic pressure.
- We have proposed a simple algorithm for hand controlling.
- To better understanding the students about application of hydraulic pressure.
- Understanding the practical example of Pascal's Low.
- The Students are now able to relate the other hydraulic machines operation process such as hydraulic brake, hydraulic jack etc.
- To gain basic knowledge on robotic movements.

PHOTOGRAPHS OF THE ACTIVITY:

Description: This present work involves constructing and operating a mechanical arm that is controlled by syringes filled with some fluid which lifts and moves small objects using hydraulics for power. It is a simple demonstration device for engineering education that consists of various parts connected to each other in a pre-designed manner which are guided in a constrained way to obtain required output.

When you push the plunger on a syringe, water is forced into a second syringe, extending its plunger and lifting a mechanical arm. The process illustrates aspects of fluid pressure, force, mechanical work. With a variety of applications, hydraulic systems are used in all kinds of large and small industrial settings, as well as buildings, construction equipment, and vehicles. Paper mills, logging, manufacturing, robotics, and steel processing are leading users of hydraulic equipment.

Material used:-

1. Hard cardboard for arms
2. Syringe (6 pcs.)
3. Wood sticks for joints and connections
4. Rubber pipe lines
5. Glue gun
6. Paper tape

PROCEDURE / Steps of Working:-

• Firstly we take the some hard cardboard links and cut it for the arms. • Then take a cardboard base and the first arm fixed on the base. • After that make holes on the arm for fixed the arms. Then the arms are fixed

by hard wooden sticks and also used washer for free movement of arms.

- There after take hard cardboard sheet for the small arms and cut the arms by measurement of and hole of this arm for both poles to fixed of the arms in the base structure. The holes are measured by the screw measurement.

- There after take hard cardboard sheet for the small arms and cut the arms by measurement of and hole of this arm for both poles to fixed of the arms in the base structure. The holes are measured by the screw measurement.

- After that take two syringes and joint the syringes by a pipe and the pipe is fixed by the glue in the syringe nozzle. And leave it for one hour to permanently fix the glue.

- After that in this joint syringes feel up by the water to follow the Pascal's law. And it's essential that the water in the syringe without any vacuum or without any bubbles.

- Last the water fell up syringes are fixed in the arms to move the arms by the pressure of the water or hydraulic.

Name of lead student:- Mozammel Hoque Sikdar Name of the Vocational trainer:- Dewan Rashidul Islam

Activity: Mushroom Cultivation

School Name: Nagabandha High School
District: Morigaon
Trade: Agriculture
VT Name: Phulmani Khataniar

Overview

The Mushroom cultivation activity was done by the students of class IX from Nagabandha High School on 8 December to 11 December 2023. Where they were cultivate oyster mushroom on rice straws. It is required about 3 days for preparation and 4-8 weeks for production of mushroom. The cultivation of mushroom is benefitted agro business where 4X income can be generated.

Objectives of the activity:

1. To provide basic knowledge in cultivation of mushroom.
2. To create awareness about the Mushroom among people.
3. To develop skill on agro-entrepreneurship development.
4. Sustainable use of resources.
5. To promote self-employment.

Photos of performing the activity:

Description:

The mushroom is one of the most suitable fungal organisms for producing protein rich food from various agro wastes without composting. Oyster mushroom can be grown in the plains and in temperatures ranging from 32 to 38 degrees centigrade. Mushroom, which is pure vegetarian food, is good for diabetic patients. It also has other medicinal properties. It is good for stomach-related ailments like gastric ulcer and has high fiber content and no sugar. It is also rich in protein. Mushroom cultivation has become a profitable business with the produce fetching good returns in the market.

Mushrooms are marketed as fresh, dried and preserved. Market for mushrooms is growing rapidly because of their nice aroma, subtle flavor, nutritious values and special taste. Many exotic preparations are made from them like soup, pickles, vegetables etc. It is also used for stuffing several food preparations and for garnishing.

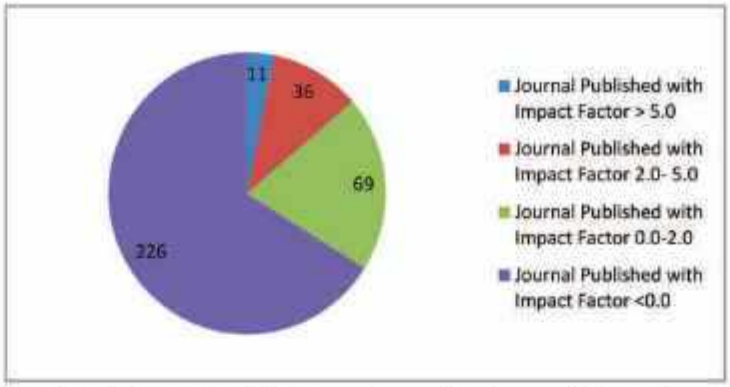
Material used:

1. Paddy straws
2. Cutter
3. Water for boiling with utensils
4. Spawns (mushroom seeds)
5. Polythene bags
6. Rubber band

7. Cotton
8. Rope for hanging

Procedures of Mushroom Cultivation:

Collecting of rice straws from our house hold. Then chopping of straws into small pieces and boil them for 20-30 minutes. Boiled straws were dried out as removal of excess water. Making of mushroom cylinders in plastic bags and bedded it by rice straws. 2.5 inches of straws bed was prepared by hard pressing of the straws in the plastic bag and spreading spawns at periphery. Then same as repeated for 4 times in a single mushroom cylinder. Such types of 4 mushroom cylinders were made by our students. 8. The cylinders were then kept on dark place for 15 days to pin heading. 9. Then after 4-6 weeks we can harvest first batch of mushrooms.



The pie chart depicts the distribution of publications in quality journals based on Impact Factors during the academic year 2023-24.

Details of extramural grant projects (Government sponsored) sanctioned or ongoing during the current academic year at AdtU.

Assessment of effect of multispecies consortium of effective bacteria strain of scented rice origin on improving yield and functional traits and impact on rhizosphere microbiome of scented rice in multi-location field trials at Assam and Manipur	Prof. N.C Talukdar (PI), Dr. Suman Kumar Samanta (Co-PI), Dr. Laishram Shanti Kumar Singh (Co-PI)	Department of Biotechnology (DBT), Govt. of India	Government	Faculty of Science	2023-24	50.120	3 years
Systematic pharmacological investigation bioactive phytoconstituents present in medicinal plants found in the northeastern region of India against obesity-associated non-alcoholic fatty liver disease	Dr. Manash Pratim Pathak (PI)	Indian Council of Medical Research (ICMR)	Government	Faculty of Pharmaceutical Science	2023-24	28.740	3 years
Performance evaluation of an effective PGPR strain as bioinoculant for use in production of organic tea	Dr. Laishram Shanti kumar Singh(PI), Prof Suresh Deka (Co-PI) and prof N.C Talukdar (Co-PI)	SERB, DST	Government	Faculty of Science	2023-24	34.940	3 years
Socio-Economic Development of ST Communities through Hydro-Electric and Solar Power Generation, Integrated Farming and Mushroom Production.	Prof. Sunandan Baruah (PI) Dr. Rajeev Sarmah (PI)	Department of Science & Technology(DST), Govt. of India	Government	Faculty of Engineering, Science, Pharmaceutical Science, Commerce & Management	2022-23	276.430	3 years
Strengthening ST community of Anini, Arunachal Pradesh by empowering knowledge and skills for socioeconomic development and sustainable Livelihood.	Dr. Rajeev Sarmah (PI)	Department of Science & Technology (DST), Govt. of India	Government	Faculty of Sciences	2022-23	125.630	3 years
Assessment of Level of Knowledge and Awareness of Family Planning Practices among the Mising Communities of Assam	Dr. Bijoy Das (PI) and Mr. Rajgun Handique	Govt. of Assam	Government	Faculty of Humanities & Social Sciences	2022-23	400.000	2 years

Assam down town University
Guwahati-26
Panikhaiti
Prof (Dr) Pranveer Singh
Pro Vice-Chancellor
Assam down town University

A. Details of the Journal-publications with university affiliation during the academic year 2023-24.

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
1	Advances In Car T-Cell Therapy For Treating Patients With Mantle Cell Lymphoma: A Critical Appraisal	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	International Journal Of Surgery
2	Examining The Differences Between How Doctors And Ai Chatbots Handle Patient Symptoms	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	International Journal Of Surgery
3	Ameliorative Role Of Bioactive Phytoconstituents Targeting Obesity Associated Nafld By Modulation Of Inflammation And Lipogenesis Pathways: A Comprehensive Review	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Phytochemistry Reviews
4	1-Norm Twin Random Vector Functional Link Networks Based On Universum Data For Leaf Disease Detection	Chittabarni Sarkar, Deepak Gupta, Barenya Bikash Hazarika	Faculty of Engineering	Applied Soft Computing
5	Recent Histone Deacetylase Inhibitors In Cancer Therapy	Divya Harihar, Dr Biswa Prasun Chatterji	Faculty of Science	Cancer
6	Modeling And Surface Morphological Study In Drilling Of Al 2024 Alloy	Dr. Sanjib Kr Rajbongshi, Mr. Biswajyoti Das,Pranta Rudra; Kiyeka S Chophy, Damanshuwa Syiemlieh	Faculty of Engineering	Journal Of Manufacturing Processes
7	Bioactive Compounds, Nutraceutical Values And Its Application In Food Product Development Of Oyster Mushroom	Vivekanandini Devi, Dr. Daisy Sharma, Ms. Jasmin Islam	Faculty of Science	Journal Of Future Foods
8	Phenolic Profile, Antioxidant, Antihyperlipidemic And Cardiac Risk Preventive Effect Of Chakhao Poreiton (A Pigmented Black Rice) In High-Fat High-Sugar Induced Rats	Raja Chakraborty, Saikat Sen, P Kalita	Faculty of Pharmaceutical Science	Rice Science
9	Socio-Economic Analysis Of Edible Insect Species Collectors And Vendors In Nagaland, North-East India	L. Mozhui, L. N. Kakati, B.Ao, V.Kezo, V. B. Me Yer-Rochow	Faculty of Science	Journal Of Insects As Food And Feed

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
10	Mahanine Mediated Therapeutic Inhibition Of Estrogen Receptor-? And Cdk4/6 Expression, Decipher The Chemoprevention-Signaling Cascade In Preclinical Model Of Breast Cancer	Suman Kumar Samanta, Paramita Choudhury, Raghuram Kandimalla, Farrukh Aqil, Disha N. Moholkar, Ramesh C. Gupta, Momita Das, Bhaskarjyoti Gogoi, Neelutpal Gogoi, Partha Pratim Sarma, Rajlakshmi Devi, Prof. Narayan C. Talukdar	Faculty of Science	Journal Of Ethnopharmacology
11	Year-Round Growth Potential And Moisture Stress Tolerance Of Buckwheat (Fagopyrum Esculentum L.) Under Fragile Hill Ecosystems Of The Eastern Himalayas (India)	Krishnappa Rangappa , Anjan Kumar Sarma	Faculty of Science	Frontiers In Sustainable Food Systems
12	Profiling Of 3-Formyl Rifamycin (3-Fr) From Sintered Fixed Dose Combinations (Sdcs) Of Rifampicin And Isoniazid By Using Rp-Hplc, Lc-Esi-Qtof And Uplc/Ms/Ms	Tukaram Karanwad, Subham Banerjee, Sachin B Jorvekar, Santa Mandal, Roshan M Borkar	Faculty of Pharmaceutical Science	Microchemical Journal
13	Augmentation Of Plant Biomass Productivity Using Epigeic Earthworm Perionyx Excavatus And Eisenia Fetidas As Soil Nutrient Facilitators	Lirikum Jing, Lakhmi Nandan Kakati, Bendang Ao, Patricia Kiewhuo	Faculty of Science	Scientific Reports
14	Enhanced Morphological, Mechanical And Dielectric Properties Of Paraffin Wax Incorporated With Polyaniline (Pani) And Reduced Graphene Oxide (Rgo) Nanocomposites	Dr. Papari Das, Dr A. B. Deoghare and Dr S. R. Maity.	Faculty of Engineering	Diamond And Related Materials
15	Curcumin-Loaded Nanomedicines As Therapeutic Strategy In Malaria Management	Dr. Ruhul Amin, Javad, Melody	Faculty of Pharmaceutical Science	Efood
16	Profiling Of Polyphenolic Compounds, Antioxidant, Antidyslipidemic And Cardiac Risk Preventive Effect Of Keteki Joha And Kola Joha Rice Cultivars Grown In Assam, India: A Comparative Study	Saikat Sen, R Chakraborty ,P Kalita	Faculty of Pharmaceutical Science	Current Topics In Medicinal Chemistry
17	Orchids Of Dibru-Saikhowa National Park And Biosphere Reserve, India: A Systematic Review On Their Traditional Use, Pharmacological Activity And Phytochemistry In Relation To Drug Discovery	Pal Gogoi, Dr. Saikat Sen	Faculty of Pharmaceutical Science	Current Topics In Medicinal Chemistry

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
18	An Optimized Dip Coating Approach For Metallic, Dielectric, And Semiconducting Nanomaterial-Based Optical Thin Film Fabrication	Mr. Arnab Sarkar, Dr. Sunandan Baruah, Devabrata Sarmah, Pranayee Datta	Faculty of Engineering	Coatings
19	Robust Support Vector Quantile Regression With Truncated Pinball Loss (Rsvqr)	Barenya Bikash Hazarika, Deepak Gupta, Parashjyoti Borah	Faculty of Engineering	Computational And Applied Mathematics
20	Antidiabetic Potential Of Amomum Dealbatum Roxb. Flower And Isolation Of Three Bioactive Compounds With Molecular Docking And In Vivo Study	Nilamoni Chelleng Chandan Tamuly, Dr. Saikat Sen, Prof. N.C. Talukdar, Dr. Partha Pratim Dutta, Pankaj Chetia, Biplab Kr Dey	Faculty of Pharmaceutical Science	Natural Product Research
21	Design, Qsar Methodology, Synthesis And Assessment Of Some Structurally Different Xanthone Derivatives As Selective Cox-2 Inhibitors For Their Anti-Inflammatory Properties	Riya Saikia, Kalyani Pathak, Aparoop Das, Dubom Tayeng, Mohammad Zaki Ahmed, Jyotirmoy Das, Smita Bordoloi and Manash Pratim Pathak	Faculty of Pharmaceutical Science	Medicinal Chemistry
22	Investigating Genetic Polymorphism In E. Histolytica Isolates With Distinct Clinical Phenotypes	Sanjib K Sardar, Dr. Sandipan Ganguly, Dr. Koushik Das, Ajanta Ghosal, Tapas Haldar, Yumiko Saito-Nakano, Seiki Kobayashi, Shanta Dutta, Tomoyoshi Nozaki, Sandipan Ganguly	Faculty of Science	Parasitology Research
23	Novel Gene Therapy Advances For Treating Primary Immunodeficiency Disorder: An Update	Dr. Ruhul Amin Tb Emrankd	Faculty of Pharmaceutical Science	Annals Of Medicine & Surgery
24	Hiv-Assist: Revolutionising Hiv Treatment Decisions With Evidence-Based Precision	Dr. Ruhul Amin TB Emransapnil	Faculty of Pharmaceutical Science	Annals Of Medicine & Surgery
25	Short Tandem Repeat (Str) Based Sequence Typing Of Entamoeba Histolytica Identifies Stga-D Locus As A Genetic Marker, Associated With Disease Outcomes	Dr. Koushik Das, Dr. Koushik Das, Shashi Upadhyay, Ajanta Ghosal, Yumiko Saito-Nakano, Shanta Dutta, Tomoyoshi Nozaki, Sandipan Ganguly	faculty of science	Parasitology International
26	Environmental Micro-Plastics And Nano-Plastics: Effects On Cardiovascular System	Sejuti Ray Chowdhurymanish Kumar Gautamarup Dey, Sandip Mondal	Faculty of Pharmaceutical Science	Toxicologie Analytique Et Clinique

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
27	Larvicidal Property And Active Compound Profiling Of Annona Squamosa Leaf Extracts Against Two Species Of Diptera, Aedes Aegypti And Anopheles Stephensi	Piyali Dey, Santa Mandal, Danswrang Goyary, Anurag Verma	Faculty of Pharmaceutical Science	Journal Of Vector Borne Diseases
28	Ethnobotanical Study Of Medicinal Plants Used Traditionally For Managing Cuts And Wounds By The Rural People Of Kailashpur, Assam, India	Pal Gogoi, Dr. Saikat Sen,	Faculty of Pharmaceutical Science	Indian Journal Of Pharmaceutical Education And Research
29	Urtica Dioica (Stinging Nettle): A Comprehensive & Concise Review On Its Nutritional Profile And Therapeutic Applications	Namra Aziz, Pranay Wal, Yadav Rupali Vinod, Dhrubajyoti Sarkar, Ankita Wal, Vaibhav Verma	Faculty of Pharmaceutical Science	Current Traditional Medicine
30	A Descriptive Analysis Of The Nutraceutical Constituents, Extraction Techniques, And Possible Health Benefits Of Tamarind	Pranay Wal, Ankita Wal, Biplab Debnath, Dhrubajyoti Sarkar, Neha Verma, Shruti Rathore	Faculty of Pharmaceutical Science	Current Traditional Medicine
31	Phytochemical And Pharmacological Profile Of Desmodium Gangeticum (L.) Dc.: A Comprehensive Review	Manajit Bora, Dr. Manish Kumar Gautam	Faculty of Pharmaceutical Science	Current Traditional Medicine
32	Nanoparticulate Formulation For The Treatment Of Different Types Of Colon Disease Like Ulcerative Colitis: A Comprehensive Review	Dr. Ananta Choudhury, Debbogopla Gangully, Dr. R Chandra	Faculty of Pharmaceutical Science	Journal Of Young Pharmacist
33	A Comprehensive Overview Of Edible Natural Excipients And Their Potential Use In Pharmaceutical Formulation Development	Dr.Ananta Choudhury, Jahnabi Sarmah, Mr. Himangshu Deka, Mr. Dhiraj Baishya	Faculty of Pharmaceutical Science	Journal Of Young Pharmacist
34	A Review On Indole As A Cardinal Scaffold For Anticancer Drugs Development	Meenakshi Rana, Dharmendra Kumar , Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Current Cancer Therapy Reviews
35	An Overview Of Complementary Therapies For Effective Diabetes Management	Himangshu Deka, Dr. Ananta Choudhury, Jahnabi Sarmah, Debgopal Ganguly, Rosamund Jyrwa, Dhiraj Baishya, Nurjamal Houque	Faculty of Pharmaceutical Science	International Journal Of Pharmaceutical Investigation

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
36	An Experimental Study On Phytochemical Screening And In Vitro Anti-Microbial Properties Of Extract Of Cinnamomum Tamala Leaves	Keshamma Ebalakrishna Vuyyalamanisha Bhatti, Vinay Kumar Gupta, Debanjana Mondal, Dhiraj Baishya, Priyam Jyoti Das, Yogita Akash Shinde, Dileep Singh Baghel	Faculty of Pharmaceutical Science	China Petroleum Processing And Petrochemical Technology
37	A Study On Green Human Resource Management And Its Practices To Environmental Performance	Pranami Chakravorty	Faculty of Commerce and Management	Boletin De Literatura Oral
38	Risk Factors Of Still Birth In India: A Systematic Review Artiele	Dr. Nirmali Gogoi	Faculty of Nursing	Pakistan Heart Journal
39	A Comparative Analysis On Perception Of Policyholders With Respect To Icici Prudential And Hdfc Life Insurance Company In Jorhat District Of Assam	Dr. Shibani Borah, Dr. Pramod Kumar	Faculty of Commerce and Management	Boletin De Literatura Oral
40	Evaluation Of Tourist Expectation Gaps: A Case Study Of Kaziranga National Park	Samannoy Baruah,	Faculty of Commerce and Management	Boletin De Literatura Oral
41	Effects Of Aqueous And Ethanolic Seed Extract Of Asparagus Racemosus Linn On Neurobehavioral Pattern Of Acrylamide Induced Experimental Zebra Fish	Anubhav Dubey, Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Research Journal Of Biotechnology
42	A Discussion To Promote Global Sustainability Techniques For Motivating Plastic Waste To Minimize Carbon Footprints	Ananya Kalita, Ankur Pan Saikia, Prof. Pranveer Singh, Prof. Sunandan Baruah, Prof. Utpal Barman	Faculty of Engineering	Environmental Quality Management
43	Phyto-Pharmacological Investigation Of Plumbago Zeylanica For Memory Enhancing Activity	Dr. Kumara Swamy Samanthula	Faculty of Pharmaceutical Science	International Journal Of Pharmaceutical Quality Assurance
44	Application Of Box-Behnken Design In Optimization Of Clobetasolloaded Nanostructured Lipid Carrier For Topical Use	Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	International Journal Of Drug Delivery Technology (IJDDT)
45	Dry Eye - Study Of Prevalence, Attributed Risk Factors And Frequency Of Symptoms In An Urban Population	Ms. Debasree Nandy	Faculty of Paramedical Sciences	Annals Of Multidisciplinary Research, Innovation And Technology (AMRIT)

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
46	Prevalence Of Myalgia And Its Association With Inflammatory Markers In Adult Female Workers	Mr. Hijam Chandramani Singh	Faculty of Paramedical Sciences	Annals Of Multidisciplinary Research, Innovation And Technology (AMRIT)
47	Development And Validation Of Stability Indicating Method For Lobeglitazone In Bulk And Pharmaceutical Formulation By Uv-Spectrophotometer	Dr. Uttam Prasad Panigrahy	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
48	Current Therapeutic Strategies For Chagas Disease	Dr. Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Anti-Infective Agents
49	Using Green Chemistry Concepts In Developing And Validating Analytical Methods For Meropenem In Parenteral Dosage Form: A Quality By Design Point Of View	Manish Kumar Gautam	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
50	Genus Amorphophallus: A Comprehensive Overview On Phytochemistry, Ethnomedicinal Uses, And Pharmacological Activities.	Fahadul Islam, Polrat Wilairatana, Dr. Jithendar Reddy Mandhadi	Faculty of Pharmaceutical Science	Plants
51	Menstrual Health Benefits Of Indigenous Plants And Their Phytoconstituents: A Review	Satyabrat Sarma, Ameena Ahmed	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
52	Exploring The Role Of Omega-6/Omega-3 Ratio In Disease Management: Insights From Dietary Impact And Molecular Docking Analyses	Paramita Choudhury, Suman Kumar Samanta, Bhaskarjyoti Gogoi, Neelutpal Gogoi, Prof. Narayan Chandra Talukdar, Rajlakshmi Devi	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
53	Enhancing Monsoon Rainfall Forecasting In Assam And Meghalaya: A Time Series Analysis	Utpal Barman, Dulumani Das , Mala Dutta, Krishna Moni Das, Shuvodeep Chowdhury	Faculty of Computer Technology	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
54	New Analytical Method Development And Validation For Simultaneous Estimation Of Domperidone And Cinnarizine In Bulk By Rp-Hplc	Piyali Dey, Santa Mandal, Kalpana, Pratima Katiyar, Niraj Gupta, Kiran Kumar Kurella, Rajeev Ranjan, Dipansu Sahu, Mukesh Kumar Meena	Faculty of Pharmaceutical Science	Journal Of Cardiovascular Disease Research

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
55	Characterization Of Probiotic Lactic Acid Bacteria From Honey And Assessment Of Their Effects On Consumption By Type-2-Diabetes Using Wistar Rat	Akhila A, Keshamma E, Vinay Kumar Gupta, Darshan Vinod Shah, Rohan Kumar Karan , Anju Anant, Tanmay Ghosh, Satyabrat Sarma	Faculty of Pharmaceutical Science	Journal Of Advance Zoology
56	The Production Of Xanthan From Brewer	Rajiv Chetia, Bhriganka Bharadwaj, Biswa Prasun Chatterji	Faculty of Science	Microbiology And Biotechnology Letters
57	Rise Of Gold Nanoparticles As Carriers Of Therapeutic Agents	Chandra Shekar Thalluri, Satyanarayan Pattnaik, Kalpana Swain	Faculty of Pharmaceutical Science	Acta Chemica Solvenica
58	Exploring Psoriasis In The Modern Context: Pathogenic Insights, Clinical Profiles, And Herbal Dietary Solutions	Kumara Swamy Samanthula, Pramod Kumar, Manjunath A., Uppalwar S V., Choudhary R K., Vippamakula S.	Faculty of Pharmaceutical Science & Faculty of Commerce and Management	International Journal Of Zoological Investigations
59	Phytochemical Screening And In Vitro Antidiabetic Potency Of Roots Of Debregeasia Longifolia	Moidul Islam Judder, Faruk Alam,	Faculty of Pharmaceutical Science	International Journal Of Biology, Pharmacy And Allied Sciences
60	Effect Of Teachers Gender And Qualification On Generating Mathematics Interest Among Upper Primary Students	Debojit Bhattacharya, Gunendra Ch. Das	Faculty of Science	Indian Journal Of Natural Sciences
61	Role Of Aqueous And Ethanolic Seed Extract Of Asparagus Racemosus On Acr- Induced Neurotoxicity In Adult Zebrafish: Emergence Of Neuroprotective Results	Anubhav Dubey, Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Egyptian Journal Of Aquatic Biology & Fisheries
62	Effective Strategies For Medications To Treat Substance Use Disorders	Uttam Prasad Panigrahy, N.Lakshmi Prasanna, Manesh R. Palav, Anand Konkala, Jai Shanker Pillai Hp, G.N.R. Prasad	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology
63	Optimization And Hepatoprotective Activity Of Herbal Formulation Of Methanolic Extracts Of Ruta Graveolens And Angelica Sinensis	Prajakta Anil Chawale, Kazi Julekha, Ravindra Chandrakant Sutar, Uttam Prasad Panigrahy, Kiran Dongar Patil, Lokesh Kaushik, Ankur Patel, Mahesh Sharma	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
64	Pharmacognostical, Physicochemical And Phytochemical Screening Of Leaves Of Shorea Robusta Gaertn.F	Rajashekar Perusomula, Keshamma E, Vinay Kumar Gupta, Suruchi Prakash, Uttam Prasad Panigrahy, Veer Pratap Singh, Nagendra Singh, Mantasha Khan, Tapas Kumar Panigrahi	Faculty of Pharmaceutical Science	Journal Of Cardiovascular Disease Research
65	Predicting The Vulnerability Predicting The Vulnerability And Resilience To Cardiovascular And Neuroendocrine Effects Of Stress In Adult Rats Through A Novel Machine Learning Approach	Uttam Prasad Panigrahy, R.Indira, Anand Konkala, Sanhita Purkayastha, Jai Shanker Pillai Hp, Ruchu Kuthiala	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology
66	Exploring Preformulation Characteristics And Uv Method Development Of Clobetasol Propionate For Enhanced Formulation Design	Devkant Sharma, Niladry Sekhar Ghosh	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
67	Corporate Governance In Indian Life Insurance Companies: A Comparative Study Of Private Life Insurance Companies	Shibani Borah, Jyoti Prasad Kalita	Faculty of Commerce and Management	Community Practitioner
68	Anti-Inflammatory Activity Of Ethanol Leaf Extracts Of Nyctanthes Arbor-Tristis	Mrinmoy Nag And Mohidul Islam, Faruk Alam	Faculty of Pharmaceutical Science	Ymer
69	Implications For Prevention And Management Of Lead Poisoning Based On Lead Protoporphyrin Risk Assessment	Amrapali Kunwar, Manash Pratim Sarma , Govind Mawari	Faculty of Science	Biospectra
70	Obesity-Associated Airway Hyperresponsiveness: Mechanisms Underlying Inflammatory Markers And Possible Pharmacological Interventions	Manash Pratim Pathak, Pompy Patowary, Pronobesh Chattopadhyay, Aparoop Das, Pervej Alom Barbhuiya, Johirul Islam, Jyotchna Gogoi And Wankupar Wankhar	Faculty of Pharmaceutical Science	Endocrine, Metabolic & Immune Disorders - Drug Targets
71	Effectiveness Of Bacillus As Biofertilizers And Biopesticides For Sustainable Agriculture: An Overview On Recent Trends	Doly Barman, Laishram Shantikumar Singh, Thounaojam Salvia, Ankita Sarma, Jyotishmita Sarma	Faculty of Science	International Journal Of Biology, Pharmacy Andf Allied Sciences
72	Assessment Of Production Of Biofilm In Urinary Tract Infections In Catheterized Tropical Patients: A Comparative Analysis Of Detection Techniques	Kumara Prasad, Sharma Deepak, Ravindra Chandrakant Sutar, Uttam Prasad Panigrahy, Nageswar Panda, Sheik Nasar I, Mohd Tanveer Khan, Pravin Naik	Faculty of Pharmaceutical Science	Tuijin Jishu/Journal Of Propulsion Technology

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
73	Revolutionizing Medical Manufacturing: Unveiling The Diverse Applications Of 3d Printing In Pharmaceuticals	Aniya Teli, Manish Kumar Gautam,Sandip Mondal, Nurjamal Hoque	Faculty of Pharmaceutical Science	International Journal Of Zoological Investigations
74	Development And Validation Of Stability Indicating Method For Terazosin In Bulk And Pharmaceutical Formulation By Uv-Spectrophotometer	Uttam Prasad Panigrahy, Bhanja Satyabrata, Panda Pritish Kumar	Faculty of Pharmaceutical Science	International Journal Of Zoological Investigations
75	Development And Validation Of Stability Indicating Method For Determination Of Prucalopride In Tablet Dosage Form By Rp-Hplc	Rinchi Bora, Prudhvi Penumala, Srinivas Ganta, Suryaprabha Matangi, Kommana Balaram Kumar, Srikanth M.S, Harsha Sri Kamma,	Faculty of Pharmaceutical Science	Community Practitioner
76	Nutritional And Shelf-Life Estimation Of Nutritive Muffins Incorporating Dillenia Indica And Terminalia Chebula Flour	Jasmin Islam, Manash Pratim Sarma, Ph Vivekanandini Devi, Madhumita Gogoi, Rupam Medhi	Faculty of Science	Biosciences Biotechnology Research Asia
77	Role Of Morphometry In Diagnosing Premalignant And Malignant Lesions In Liquid Based Cytology Cervical Smear (Pap Smear)	Jubilee R,Rajashekar Perusomula,Rahul Laxman Vikhe, Afsana Mahzabin, Hrishikesh Sarma, Nasrina Abdin, Priyam Jyoti Das, Neeraj Bainsal	Faculty of Pharmaceutical Science	China Petroleum Processing And Petrochemical Technology
78	Exploring The Cutting Edge Technological Innovations Transforming In The Hospitality Industry And Understanding Guest Perception Of A Smart Hotel	Mr. Santanu Sarma, Dr. Jyoti Prasad Kalita	Faculty of Commerce and Management	Journal Of Namibian Studies
79	In Silico Studies Of Some Newly Designed Benzimidazolethiazolidinone Based Antagonists Of Human Estrogen Receptor	Jyoti, Dr. Niladry Sekhar Ghosh,	Faculty of Pharmaceutical Science	Indian Drugs
80	Investigating The Comprehensive Influence Of Salinity On Geotechnical Characteristics Of Runway Subgrade Soil	Jayanta Kumar Das, Gayatri Das	Faculty of Engineering	Journal Of Aeronautical Materials
81	Eco-Tourism Prospects And Possibilities In Dehing-Patkai National Park Of Assam	Prabahan Pujari, Dr. Santosh Kumar Upadhyay	Faculty of Commerce and Management	Rivista Italiana Di Filosofia Analitica Junior
82	A Review On Ethnopharmacological Activities Of Musa Paradisiaca Linn	Rajeswar Das, Durgaprasad Kemisetti, Bolay Bhattacharya	Faculty of Pharmaceutical Science	European Chemical Bulletin

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
83	Nanostructured Lipid Carrier Development And Optimization For Schizophrenia: A Psychological Study	Joti Devi, Manish Kumar Gautam, G. Jaya Syamala, Anwar Khan, Suresh Kumar, Deepak Sharma, Chirag Goda, Sumana K	Faculty of Pharmaceutical Science	Journal For Reattach Therapy And Developmental Diversities
84	Physical Fitness For Disabled Children: A Literature Review	Dikshita Darphang, Shalaka Baidya	Faculty of Physiotherapy and Rehabilitation	European Chemical Bulletin
85	Effectiveness Of Rehabilitation On Head And Neck Cancer Patient: A Literature Review	Shalaka Baidya, Dr.Abhijit Dutta	Faculty of Paramedical Sciences & Faculty of Physiotherapy and Rehabilitation	European Chemical Bulletin
86	High Mortality Fungal Co-Infection Of Covid 19-Mucormycosis:A Case Review	Rohit Rathore, Ashok Kumar Sah, Darla Srinivasarao, Ankur Vashisht, Kajal Arora, Sunit Nath, Pankaj Issar, Jesbin Johnson, Mohammad Mahammod	Faculty of Paramedical Sciences	European Chemical Bulletin
87	A Study On The Technique Of Mrcp For Patients Of Obstructive Jaundice	Chinmoy Das, Mrinal Kanti Singha, Arnabjyoti Deva Sarma	Institute of Paramedical Sciences	Indian Journalof Natural Sciences
88	Comparative Analysis Of The Nutritive Contents Of Sun-Dried And Smoked Fermented Tilapia Fish (Oreochromis Niloticus)	Deboja Sharma, Satyakam Agarwala, Chitralekha Kataki	Institute of Paramedical Sciences	Uttar Pradesh Journal Of Zoology
89	A Comparative Study On Academic Stress In Private And Government School Children In Bangalore South	Manimugdha Medhi,	Faculty of Humanities and Social Sciences	Indian Journal Of Natural Sciences
90	In-Vivo And In- Vitro Antidiabetic Potential Of Musa Balbisiana Colla And Its Different Parts	Dr. Daisy Sharma, Dr. Manash Pratim Sarma , Dr. Radali Duarah	Faculty of Science	Research Journal Of Pharmacy And Technology
91	Toxicological Study On Seed Extracts Of Asparagus Racemosus Linn (Ethanolic And Water) In Experimental Animals	Anubhav Dubey, Dr Niladry Sekhar Ghosh, Ranjit Singh	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology
92	An Ensemble Movie Recommender System Based On Stacking	Nisha Sharma, Dr. Mala Dutta	Faculty of Computer Technology	Journal Of Theoretical And Applied Information Technology.

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
93	Traditional Indian Medicinal Plants For The Treatment Of Psoriasis: A Review Of Active Constituents And Their Pharmacological Effects	Dr. Dhrubajyoti Sarkar, Dr. Faruk Alam	Faculty of Pharmaceutical Science	Journal Of Natural Remedies
94	An In-Depth And In-Vitro Evaluation Of The Antioxidant And Neuroprotective Activity Of Aqueous And Ethanolic Extract Of Asparagus Racemosus Linn Seed	Anubhav Dubey, Dr. Niladry Sekhar Ghosh, Ranjit Singh	Faculty of Pharmaceutical Science	Research Journal Of Chemistry And Environment.
95	A Comprehensive Review On Medicinal Plants For The Remedy Of Hair Loss	Aswini Kumar Sethi, Faruk Alam, Sruti Ranjan Mishra	Faculty of Pharmaceutical Science	Research Journal Of Pharmacy And Technology
96	Trend Analysis Of Rainfall And Temperature Of Ranganadi, Assam Catchment With A Study Of The Riverline Shifts Using Satellite Imagery	Ananya Kalita, Ankur Pan Saikia, Dr. Arnob Bormudoi, Prof. Pranveer Singh	Faculty of Engineering	World Water Policy
97	Leucas Aspera (Willd.) Linn. A Potential Plant From North East India: An Overview	Madhumita Sarkar, Dr. Gunamoni Das	Faculty of Science	Indian Journal Of Natural Sciences
98	Assessment Of Changes In Brahmaputra River Course At The Pagladia Confluence Point Using Remote Sensing And Gis Techniques	Mriganka Mazumdar, Dr. Saikat Deb	Faculty of Engineering	Disaster Advances
99	Therapeutic Potential Of Gut Microbiota In Child Health	Ratnadeep Bhattacharjee, Kalyani Pathak, Jyotirmoy Das, Smita Bordoloi, Manash Pratim Pathak, Pervej Alom Barbhuiya, Riya Saikia	Faculty of Pharmaceutical Science	Anti-Infective Agents
100	Development And Evaluation Of Natural Anti-Dandruff Shampoo	Faruk Alam, Dhrubajyoti Sarkar, Soma Das, Pallab Kalita, Bhaskar Jyoti Pathak, Moidul Islam Judder, Debaprotim Dasgupta	Faculty of Pharmaceutical Science	Journal Of Natural Remedies
101	Phytochemical Analysis And Identification Of Bio-Active Compounds In Ethanolic Leaf Extract Of Amaranthus Spinosus	Sangita Boro, Bhriganka Bharadwaj, Balagopalan Unni, Avdhesh Kumar Rai, Minakshi Bhattacharjee	Faculty of Science	Research Journal Of Pharmacy And Technology
102	In Silico Screening Of Phytochemicals Against Ypd1 Protein Of A Destructive Storage Fungi, Aspergillus	Anjan Kumar Sarma, Suraj Chetri	Faculty of Science	Journal Of Biological Control

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
103	A Futuristic Approach To Security In Cloud Data Centers Using A Hybrid Algorithm	Mostaque Md. Morshedur Hassan	Faculty of Engineering	Engineering Proceedings
104	An Overview Of Fluid-Structure Interaction: Modelling, Finite Element Method And Applications	Dr. Ananya Kalita, Dr. T V V L N Rao	Faculty of Engineering	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
105	An Analysis Of Language Endangerment: Miju And Digaru	Dr. Dimple Choudhury	Faculty of Humanities and Social Sciences	Anvesan
106	A Review On Measuring Intra-Ocular Pressure Using Different Types Of Tonometers	Smita Das, Dr Shrabani Kalita,		Journal Of Survey In Fisheries Sciences
107	Circular Economy Strategies For Resource Efficiency And Sustainable Development In Manufacturing Industries	Dr. Manish Rai, Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	International Journal On Recent And Innovation Trends In Computing And Communication
108	Microbes, Bioconversion Technologies And Sustainable Environment: Targeting For Food Processing Waste Utilization Non-Fuel Applications Of Bio-Oil For Sustainability In Management Of Bioresources	Mondita Athparia, Rupam Kataki, Dr. Neonjyoti Bordoloi	Faculty of Science	Environmental Science And Pollution Research
109	To Study The Sustainable Development Practices In Business And Food Industry	Abhilash Satpathy, Samiksha Sharma, Ansuman Samal , Shalini Gupta , Sunil Kumar , Geetha Manoharan	Faculty of Commerce and Management	Migration Letters
110	Isolation And Molecular Identification Of Endophytic Fungi From Michelia Champaca Linn. And Screening For Its Extracellular Enzyme Production	Dr. Nayan Talukdar, Dr. Indrani Barman, Dr. Jyotchna Gogoi, Dr. Devabrata Saikia, Ms. Rima Paul	Faculty of Science	South Asian Journal Of Experimental Biology
111	An Error Analysis Of Statistical Packages Through Simulation	Dr. Manash Pratim Kashyup	Faculty of Science	Indian Journal Of Natural Sciences
112	Synergizing Ecology And Economy: Developing A Novel Ecology-Economy Index For Sustainability Analysis Of The Bharalu River, India	Unmilan Kalita, Mr. Suraj Chetri	Faculty of Science	Environment And Ecology Research

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
113	Navigating The Future Of Healthcare With Artificial Intelligence: Reviewing Case Studies And Predicting Its Impact	Swarup Kumar Pandaswarup Kumar Panda, Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Journal Of Chemical Health Risks
114	Analysis Of Nutritional Components, Antioxidant Activity And Antimicrobial Activity Of Citrus Aurantiifolia (Christm.) Swingle Of Assam, India	Ms. Chitralekha Kataki, Dr. Minakshi Bhattacharjee	Faculty of Science	Journal Of Advanced Zoology
115	Current Trends And Future Perspectives Of Natural Polymer Loaded Nanoparticle Based Drug Delivery System For The Management Of Inflammatory Bowel Disease	Ankita Basak, Debgopal Ganguly, Soumyadip Ghosh, Soukat Garain, Riya Ghosh, Ananta Choudhury, Himangshu Deka, Jahnabi Sarmah	Faculty of Pharmaceutical Science	Journal Of Applied Pharmaceutical Research
116	A Study On Recent Trends Of Developments In Business And Financial Marketing	Pramod Kumar, Nawab Akram, Bhagawan Chandra Sinha Krishna Gadasandula Shalini Gupta J. Anthony Gruze Thangaraj B. Madhusudhan Reddy	Faculty of Commerce and Management	Migration Letters
117	A Review On Antidiabetic Potential Of Some Of The Selected Legumes Consumed In India	Digbijoy Nathabdul Hadi Umammanjit Mishra, Lakhyajit Borah, Himangshu Deka,Josef Yakin	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
118	A Novel Analytical Approach For Simultaneous Estimation Of Esomeprazole And Ondansetron By Hplc-Dad Method With Degradation Studies	Uttam Prasad Panigrahy, Siva Prasad Panda, Biplab Kumar Dey	Faculty of Pharmaceutical Science	Research Journal Of Pharmacy And Technology
119	Predicting The Vulnerability And Resilience To Cardiovascular And Neuroendocrine Effects Of Stress In Adult Rats Through A Novel Machine Learning Approach	Uttam Prasad Panigrahy, R.Indira, Anand Konkala, Sanhita Purkayastha, Jai Shanker Pillai Hp, Ruchu Kuthiala	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology
120	Innovative Nanomedicine Approaches In Osteoarthritis Therapy: A Systematic Review	Avinash Kumar Raomanish Kumar Gautamruchi Tiwari, Neeraj Sharma, Naveen Gupta, Dharmendra Rajput, Kumara Swamy Samanthula	Faculty of Pharmaceutical Science	Ymer

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
121	The Synergy Of Diverse Treatment Strategies: A Focus Of Research And A Promising Path For Osteosarcoma Management	Kumara Swamy Samanthulamanish Kumar Gautamnurjamal Hoque, Aniya Teli	Faculty of Pharmaceutical Science	Ymer
122	Evaluation Of Proprioceptive Neuromuscular Facilitation (Pnf) And Therapy Hand Ball To Improve Motor Dexterity In Post-Stroke Patients	Tongpangmerentrishna Saikia Baruahniharika Dihidar , Mantu Paul , And Abhijit Dutta	Faculty of Physiotherapy and Rehabilitation	International Journal Of Life Science And Pharma Researc
123	Phytochemical Screening And In Vitro Antidiabetic Potency Evaluation Of Arundina Graminifolia Root Extracts	Moidul Islam Judderfaruk Alam	Faculty of Pharmaceutical Science	Ymer
124	Formulation Development And Pharmacognostical Evaluation Of Polyherbal Gel Containing Extracts Of Sesbania Grandiflora Fllowers,E Clipta Alba L. Leaf And Alium Cepa L. Bulbss	Poonam Vishweshvar Kothenagineni Sudarshan Rao, Dr. Trinayan Deka	Faculty of Pharmaceutical Science	Journal Of Advanced Zoology
125	Human Development Throughout The Tea Garden Community - An Analysis With Special Reference To Dibrugarh District In Assam.	Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Indian Journal Of Natural Sciences
126	Development Of Benzimidazole A Promising Scaffold Against Breast Cancer Via In Silico Approaches	Jyoti Monga, Dr Niladry Sekhar Ghoshranjit Singh	Faculty of Pharmaceutical Science	Journal Of Integrated Science And Technology
127	The Effectiveness Of Home-Based Otago Exercise Program Versus Frenkelâ€™S Exercise In Preventing Falls In Elderly Adults	Abenle Tep, Trishna Saikia, Baruahmantu Paul, Niharika Dihidar, Abhijit Dutta		International Journal Of Life Science And Pharma Research
128	Incorporation Of Selected Millets In Development And Standardization Of Value Added Products	Tasbiha Rajin, Dr. Radali Duarah	Faculty of Science	Journal Of Biodiversity And Environmental Sciences.
129	Determination Of Bisoprolol Fumarate And Its Metabolites In Biological, Pharmaceutical And Environmental Samples By Different Analytical Techniques	Faruk Alam Judder, Mohidul Islam, Rahman R, Pathak B and Rahman Z	Faculty of Pharmaceutical Science	International Journal Of Biology, Pharmacy And Allied Sciences
130	A Comparative Study Of Knowledge, Attitude And Practices (Kap) And Dietary Pattern Between Healthy Reproductive Women And Women With Pcos In Imphal, Manipur	Jasmin Islam, Radali Duarah, Nambam Debiya Devi,Daisy Sharma	faculty of science	International Journal Of Biosciences.

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name

267	A Review Study On The Medicinal Properties Of Curcuma Caesia, A Potential Plant From North East India	Mridusmita Rabha, Dr. Gunamoni Das	Faculty of Science	International Journal Of Biology, Pharmacy And Allied Sciences (Ijbpas)

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
268	Â€Œthe Impact And Future Of Contactless Technology And Digital Payments In The Hospitality Industryâ€	Dr. Bhola Chourasia	Faculty of Commerce and Management	Cahiers Magellanes-Ns
269	Advances Of Cassava Starch-Based Composites In Novel And Conventional Drug Delivery Systems: A State-Of-The-Art Review	Dr. Trinayan Deka	Faculty of Pharmaceutical Science	Rsc Pharmaceutics
270	Amr-Xai-Dwt: Age-Related Macular Regenerated Classification Using X-Ai With Dual Tree Cwt	Naresh Kumar, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Fusion: Practice And Applications
271	An Extensive Analysis Of The Arbitrage Efficiency And Risk Return Dynamics Of Investment Strategies In The Indian Equity Derivative Market	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice
272	Analysis On Various Ways Of Attaining Sustainable Development Through Green Marketing	Dr. Bhabajyoti Saikia,	Faculty of Commerce and Management	Alochana Journal
273	Assessing Educational Excellence: A Holistic Examination Of Outcome-Based Education, Accreditation Practices, And Institutional Rankings	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice
274	Assessment Of Cinnamaldehydeâ€™S Potency On Heat Stress?Induced Testicular Impairments In Wistar Rats	Pazhanisankar Muthusamy, Ravindran Rajan, Dr. Dapkupar Wankhar	Faculty of Paramedical Sciences	Journal Of Human Reproductive Sciences
275	Bioanalaytical Method Development And Validation For Linagliptin In Api And Combination Formulations: A Comprehensive Review	Amrit Kumar Rath, Dr. Durga Prasad Kemisetti	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
276	Botanical Warriors: Harnessing Nature's Antiviral Arsenal Â€“ A Comprehensive Study Of Medicinal Plants Combatting Pathogenic Viral Infections	Mayank Gangwar, Gopal Nath, Dr. Manish Kumar Gautam	Faculty of Pharmaceutical Science	Pharmacological Research - Natural Products
277	Colonial Detention Discourse: Gandhi As A Satyagrahi Prisoner And His Impact Upon The Society.	Dr. Tina Mazumdar, Dr. Sagarika Mahanta Das	Faculty of Humanities and Social Sciences	Cahiers Magelennes-Ns
278	Comprehensive Review Of Conjunctivitis: Causes,Symptoms And Evidence-Based Treatments	Rakibul Hasan Khan	Faculty of Paramedical Sciences	Journal Of Nursing

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
279	Correlation Between Body Mass Index And Renal Function Test Among The Students Of Assam Downtown University	Akoijam Herojit Singh, Mr. Sunit Nath, Mr. Hijam Chandramani Singh	Faculty of Paramedical Sciences	Indian Journal Of Natural Sciences
280	Curcuma Longa: A Review Of Antioxidant,Anxiolytic And Antidepressant Activity	Mr. Sunit Nath, Dr. Abhijit Dutta, Ms. Viswedenu Kera, Ms. Lipoksenla	Faculty of Paramedical Sciences	Indian Journal Of Natural Sciences
281	Current Advances In Understanding Of Drug Resistance In Biomedical Research	Priyam Jyoti Das, Dr. Santa Mandal, Dr. Saikat Sen, Dr. Piyali Dey	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
282	Decision Making In Healthcare Through Machine Learning Enhacement With Fusion Feature	Mampi Devi, Dr. Manoj Kumar Sarma	Faculty of Engineering	Revista Electronica Deveterinaria (Redvet)
283	Developing Collaborative Teams Of Early Childhood Educators And Health Care Professionals	Ms. Dimpy Pathak Das	Faculty of Commerce and Management	Educational Administration: Theory And Practice
284	Diversity Among Rough Lemon Of Assam In Accordance With Tree And Leaf Characters	Purnima Pathak, Dr. Daisy Sharma	Faculty of Science	Ama, Agricultural Mechanization In Asia, Africa And Latin America
285	Emerging Natural And Synthetic Compounds In The Management Of Diabetic Neuropathy: Targeting Oxidative Stress And Inflammation	Dr. Suman Kumar Samanta, Prof. N.C. Talukdar, Dr. Aparajita Ghosh	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
286	Ethical Scrutiny Of Marketing And Promotional Practices In The Indian Pharmaceutical Industry: A Comprehensive Analysis Of Norms And Perspectives	Dr. Pramod Kumar, Dr. Mukesh Kumar	Faculty of Commerce and Management	African Journal Of Biological Sciences
287	Explore The Use Of Blockchain Technology To Create Secure And Transparent Frameworks For Sharing Sensitive Data Across Various Industries, Such As Healthcare And Finance	Dr. Pramod Kumar	Faculty of Commerce and Management	Educational Administration: Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
288	Exploring Plant-Microbe Interactions In Rhizosphere: Novel Strategies For Drug Discovery From Medicinal Plants	Devinder Kumar Maheshwari, Srikanth Jeyabalan, Mr. Josef Yakin	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
289	Floating Multi Unit Mini Tablets (Mmut): The Novel Approach On Gastro Retentive Drug Delivery System	Shahil Arman, Dr. Kumara Swamy Samanthula, Dr. Saikat Sen	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
290	Formulation Development And Evaluation Of Nanoemulsion Based Gels For Nicardipine	Kranthi Kumar Kotha, Dr. T. Chandra Shekar	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
291	Gangrene And Perforation To The Gallbladder May Complicate With Respect To Typhoid Fever	Mr. Chinmoy Das, Dr. Arnabjyoti Deva Sarma, Dr. Pratap Chandra Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
292	Hand-Made Clay Mud: A Traditional Supplement Of Mud For Pregnant Ladies In Assam, India	Trishna Mani Nath,Pallab Kalita,Dr. Faruk Alam, Dr. Dhrubajyoti Sarkar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
293	Harnessing Artificial Intelligence For Natural Product Research: A New Paradigm In Pharmaceutical Sciences	, Hrithik Rikhav Mohan , Gargi Bora, Shiny Ahmed , Dhiraj Baishya , Moksood Ahmed Laskar, Santa Mandal	Faculty of Pharmaceutical Science	Strad Research
294	Herbal Remedies For Mental Health Disorders: A Focus On Adaptogenic Plants And Their Mechanisms Of Action	Juganta Kumar Kalita, Mr. Priyam Jyoti Das, Dr. Saikat Sen, Dr. Santa Mandal	Faculty of Pharmaceutical Science	Strad Research
295	Hybrid Optimization For Integration Of Renewable Energy Systems Into Smart Grids	Vikas Verma, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Measurement: Sensors
296	Influence Of English Language On Metadata Standardization In Global Library Networks	M. Muthumanikandan, Dr. Pramod Kumar	Faculty of Commerce and Management	Library Progress International
297	Innovative Approaches To Rice (Oryza Sativa) Crop Health: A Comprehensive Analysis Of Deep Transfer Learning For Early Disease Detection"	Dr. Utpal Barman, Dr. Mala Dutta, Dr. Dulumani Das, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Yuzuncu Yil University Journal Of Agricultural Sciences -
298	In-Vitro Antioxidants Assessment And Herbal Capsule Formulation Of Aerial Parts Of Enhydra Flactuans	Dr. Mrinmoy Basak, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
299	Lassa Hemorrhagic Fever: A Comprehensive Review On Re-Emerging Infectious Diseases	S. Malik, Dr. Indrani Barman	Faculty of Science	Infectious Diseases: News, Opinions, Training
300	Molecular Pharmacognosy In The 21st Century: A Multidisciplinary Approach For Natural Drug Discovery	Mr. Dhiraj Baishya, Mr. Priyam Jyoti Das, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	International Journal Of Research Publication And Reviews
301	Myrtenol: A Promising Terpene With Potent Pharmacological Properties	Pervej Alom Barbhuiya, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Pharmacological Research - Natural Products
302	Nanomedicine: A New Frontier In Alzheimerâ€™S Disease Drug Targeting	Kalyani Pathak, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Central Nervous System Agents In Medicinal Chemistry
303	Plastic Degrading Enzymes And Microbes	Dr. Biswa Prasun Chatterji	Faculty of Science	Indian Journal Of Natural Sciences
304	Practicing Labor Relation In Assam Tea Industry With Special References To Some Of The Selected Tea Estates Of Jorhat District In Assam.	Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Alochana Journal
305	Predicting Healthcare Utilization Among Breast Cancer Patients With Several Regression Modeling Approach	Dr. Mrinal Deka	Faculty of Science	African Journal Of Biological Sciences (South Africa)
306	Preliminary In-Vitro Assessment Of Antimicrobial And Haemostatic Activity Of Spider Web Silk Extract	Dr. Faruk Alam, Mr. Josef Yakin, Mr. Dhiraj Baishya	Faculty of Pharmaceutical Science	International Journal Of Zoological Investigations (Ijzi)
307	Preliminary Phytochemical And Antimicrobial Evaluation Of Polyherbal Ointment Formulation	Kunal Dutta, Dr. Dhrubajyoti Sarkar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
308	Preparation Of Herbal Hair Oil Exploring The Therapeutic Benefits Of Herbs And Its Evaluation	Mr. Dhiraj Baishya, Dr. Ananta Choudhury, Mr. Himangshu Deka, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journal Of Applied Pharmaceutical Research

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
309	Privacy-Preserving Association Rule Mining: A Comprehensive Survey Of Techniques For Sensitive Rule Identification And Enhanced Data Protection	Ms. Eirene Barua, Dr. Mala Dutta	Faculty of Engineering	International Journal Of Computers And Applications
310	Production Of Xanthan Gum From Inedible Parts Of Broccoli And Cauliflower	Dr. Biswa Prasun Chatterji	Faculty of Science	Environmental Research, Engineering And Management
311	Recent Advancement In Nanocarrier Systems For Cancer Targeting	Mr. Nurjamal Hoque, Charlisar Teron, Dr. Ananta Choudhury	Faculty of Pharmaceutical Science	Asian Journal Of Pharmaceutical Research And Development
312	Recent Advances On Harnessing Multi-Omic Approaches For Assessing Meat Quality And Safety	R Thomas, Dr. Songeeta Singha	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
313	Reuse Of Brick Waste In Construction Industry	Saikat Deb	Faculty of Engineering	Journal Of Mines, Metals And Fuels
314	Rhamnolipid Biosurfactant As Robust Inhibition Agent For Colletotrichum Gloeosporidides-Pathogen Of Capsicum Chinense And General Welfare Of The Host Plant	Nilam Sarma, Hemen Deka, Dr. Suresh Deka	Faculty of Science	Journal Of Mycopathological Research
315	Role Of Iot And Blockchain Technology In The Growth Of Digital Hrm Transformations As A Function Of Management	Dr. Pramod Kumar	Faculty of Commerce and Management	Journal Of Informatics And Research
316	Silica-Based Nanocarriers For Controlled Drug Delivery: A Critical Review Of Design Strategies And Biomedical Applications	Ankur Patel, Dr. Piyali Dey	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
317	Stacking Approach For Classification Of Multiclass Dry Beans	Dr. Arpita Nath Boruah, Dr. Mrinal Goswami	Faculty of Engineering	Indian Journal Of Agricultural Research
318	The Evolution Of Gender Roles: A Study Of Shashi Deshpande's Novels On Indian Family Life	Mr. Nakibur Rahman, Dr. Sagarika Mahanta Das	Faculty of Humanities and Social Sciences	Educational Administration: Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
319	The Influence Of Emerging Social Media Trends On The Evolution Of The Travel And Hospitality Industry"	Dr. Bhola Chourasia	Faculty of Commerce and Management	Educational Administration: Theory And Practice
320	The Potential Therapeutic Applications And Mechanisms Of Action Of Cryptomphalus Aspersa (Snail) Extracts In Dermatology And Wound Healing	Mr. Priyam Jyoti Das, Juganta Kumar Kalita, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	World Journal Of Biology Pharmacy And Health Sciences
321	The Role Of Gpt And Data Fusion In Improving Disaster Prediction		Faculty of Engineering and Technology	Disaster Advances
322	The Role Of Social Media And Its Impact On Shaping Tourist Destination: A Comparative Study	Dr. Bhola Chourasia	Faculty of Commerce and Management	International Journal Of Transformation In Operational & Marketing Management
323	Thyroid And Liver Profile Among Obese Students Of Assam Downtown University	Mr. Hijam Chandramani Singh, Mr. Sunit Nath, Ms. Avolu Kotso, Ms. Lipoksenla, Mr. Kangujam Dinesh Singh	Faculty of Paramedical Sciences	International Journal Of Biology, Pharmacy And Allied Sciences (Ijbpas)
324	Toll Like Receptors: A Promising Target For Covid 19 Mediated Acute Respiratory Distress Syndrome	Pompy Patowary, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
325	Traditional Rice-Fish Farming Of Mao Indigenous Community, Manipur, India	Santoshkumar Abujam, Dr. Laishram Shantikumar Singh	Faculty of Science	International Journal Of Ecology And Environmental Sciences
326	Typhonium Trilobatum, An Miracle Plant From Tripura, North East India	Dr. Gunamoni Das	Faculty of Science	African Journal Of Biological Science (South Africa)
327	Unveiling The Latest Biological Insights Of Indole And Its Derivatives: A Compact Review	Hiyashree Sharmah, Izaz Hussain, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journalofchemicalhealthrisks

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
328	Vaccines For Yellow Fever Disease: A Narrative Review		Faculty of Science	Microbes And Infectious Diseases
329	Weed Flora Composition In Upland Direct Seeded Rice In Brahmaputra River Ecotones And Edges In Majuli District, Assam	Rashmi Rekha Borah, Dr. Animesh Gogoi	Faculty of Science	Indian Journal Of Agricultural Research
330	Zooplankton As Bio-Indicator Of Aquatic Ecosystem: A Review	Sourav Debnath, Dr. Nibedita Talukdar	Faculty of Science	African Journal Of Biological Science (South Africa)
331	A Hybrid Grasshopper Optimization Algorithm For Skin Lesion Segmentation And Melanoma Classification Using E-Health Deep Learning	Dr. Aniruddha Deka	Faculty of Engineering	Healthcare Analytics
332	Yield And Biochemical Profiling Of Onion (Allium Cepa L) Under Diffrent Growing Condition	Soni Kumari, Dr.Mohammad Zaki Shamim	Faculty of Science	Indian Journal Of Natural Sciences
333	Developing A Sustainable Model: The Role Of Renewable Energy In Eco-Hotels	Mr. Santanu Sarma, Dr. Samannoy Baruah	Faculty of Commerce and Management	Journal Of Applied Optics
334	Effect Of Ocimum Sanctum Extract In Controlling Life Stages Of Callosobruchus 2 Chinensis L.: An In-Silico Approach	Dipanjan Dey, Dr. Suraj Chetri	Faculty of Science	International Journal Of Agriculture And Biosciences
335	A Blockchain-Based Iot Data Securing And Sharing System For Attendance Management	Dr. Aniruddha Deka	Faculty of Engineering	Indian Journal Of Science & Technology
336	Radiation Exposure Assessment In Coronary Angiography Computed Tomography Scan: Establishing Diagnostic Reference Level For Northeast Assam Population	Dr. Arnabjyoti Deva Sarma, Jibon Sharma, Dr. Mrinak Kanti Singha, Dr. Manash Pratim Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
337	A Novel Approach For Iot-Based Cloud Computing Technology And Its Impact On Business Entrepreneurship	Dr. Pramod Kumar	Faculty of Commerce and Management	International Journal Of Intellectual Systems And Applications In Engineering
338	A Systemic Review Of Preclinical Studies Of Herbal Plants Having Anti-Polycystic Ovarian Syndrome Activity: A Pan India Study	Manashi Karmakar, Dr. Manash Pratim Pathak, Dr. Mrinmoy Basak, Dr. Saikat Sen, Ms. Ireenia Warjri, Dr. Utpal Barman	Faculty of Pharmaceutical Science	The Natural Products Journal

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
339	Â An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Darthan Mawia, Riya Saikia, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
340	An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
341	Unveiling Novel Drug Leads: Utilizing Molecular Docking Studies For Efficient Drug Discovery	Majuj Ahmed Dr. Rinchi Bora Anisha Sharma	Faculty of Pharmaceutical Science	Research Journal Of Chemistry And Environment

B. Details of Book-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Authors Name	Publisher (ISBN)	Faculty of Study
1	Principles and Practices of Network Security	Aniruddha Deka, Debashis Dev Mishra	Xoffencer International Publication (9788119534074)	Faculty of Engineering and Technology
2	Basic Anatomy and Physiology of Eye	Rakibul hasan khan	Jbd publication (9789392330919)	Faculty of Paramedical Sciences
3	5G Technology and Its Application	Aniruddha Deka, Jyoti Prasad Kalita, S. R. Jena, Haewon Byeon	Xoffencer International Publication (9788119534227)	Faculty of Engineering and Technology
4	Trends in Nanoscience for future development	Dr. P. Arularasan, Dr. Rohit Shrivastava, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5762-168-7)	Faculty of Engineering and Technology
5	Graphene Revolution and Challenges	Dr. P. Arularasan, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5757-551-5)	Faculty of Engineering and Technology
6	Entrepreneurship and Startup Ecosystem In India	Dr. Anupam Jain, Dr. Vinod kumarjain, Dr. Jyotiprasad Kalita, Dr. Ruchika Rathi	The Global Publishers & Distributors (978896237769)	Faculty of Commerce and Management
7	Stress Management and Building Resilience	Dr Manjusha Deka Saikia	IIP Publications (Awaited)	Faculty of Humanities and Social Sciences

8	Archives of Agricultural Extension Education	Dipankar Saikia, Bidyut Pritom Gogoi, Asha Rani	Himanshu Publications (978-93-87201-58-3)	Faculty of Agricultural Sciences and Technology
9	A textbook of Pharmaceutical Jurisprudence	Dr. Rinchi Bora, Ms. Kalpana Sonwani, Mihir Otia, Mr. Vishal Kumar Pathak	Stallion Publication (978-93-95074-05-6)	Faculty of Pharmaceutical Science
10	Digital Marketing	Dr. Bhabajyoti Saikia	Scientific International Publishing House (SIPH) (978-93-5757-850-9)	Faculty of Commerce and Management
11	Social Work in a Globalised World	Prateeti Barman	Fahhochshulverlag (978-3-947273-77-5)	Faculty of Humanities and Social Sciences
12	Textbook of Pharmaceutical Quality Assurance	Dr. Khagga Bhavyasri, Dr. Uttam Prasad Panigrahy, Dr. M. Akiful Haque, Dr. Heena Farooqui.	Lapin Press Publications (978-81-965269-1-7)	Faculty of Pharmaceutical Science
13	CLASSICAL ALGEBRA	Gunendra Ch. Das	BNit Book Builder (978-93-94334-71-7)	Faculty of Science
14	A Practical Book of Medicinal Chemistry - I	Dr. TC Lalhriatpuii,Ms. Nayanika Neog,Ms. Bidhya Sharma,Ms. PdiangmonKyndait,Ms. Sabnam Parveen,Mr. NurjamulHoque,Biprojit Paul,Ms. BhanitaDas,Mr. Moidul Islam Judder	Booksclinic Publishing (9789355359117)	Faculty of Pharmaceutical Science
15	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
16	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
17	Tribology in Sustainable Manufacturing	Jitendra Kumar Katiyar, T V V L N Rao, Ahmad Majdi Abdul Rani, Mohd Hafis Sulaiman, J. Paulo Davim	CRC Press (9781032426310)	Faculty of Engineering and Technology

18	INDUSTRY 4.0	Multiple Authors (Edited Volume)	P.K. Publishers & Distributors (978-81-19428-79-3)	Faculty of Commerce and Management
19	Queer Voices from the Periphery: A Collection of Perspectives from Northeast India	Dr. Prateeti Barman	Qurate Books Private Ltd. Mumbai (978-81-19263-85-1)	Faculty of Humanities and Social Sciences
20	MCQ's BOOK of Medical Laboratory Sciences For Medical Laboratory Professionals	Sunit Nath	JBD Publications (978-93-92330-87-2)	Faculty of Paramedical Sciences
21	Marketing 4.0	Dr. Bhabajyoti Saikia	R. K. Publications (978-81-970169-1-2)	Faculty of Commerce and Management
22	Nanostructured Materials for Food Packaging Applications	Ruhul Amin, Biplab Kumar Dey, Daniela Calina, Javad Sharifi-Rad	Elsevier (978-0-323-99525-2)	Faculty of Pharmaceutical Science
23	Substance Abuse: Socio-Psychological, Legal Perspectives	Prateeti Barman, Gariasi Dutta	SLM Publishers, Patiala (978-93-91083-99-1)	Faculty of Humanities and Social Sciences
24	NEP - 2020: Opportunities and Challenges	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 06 - 3)	Faculty of Commerce and Management
25	Impact of Community Based Tourism(CBT): Dooars Region of Bengal	Dr. Apurb Chakraborty, Dr. Santosh Kumar Upadhyay	LAP LAMBERT Academic Publishing (978-620-7-46779-2)	Faculty of Commerce and Management
26	Research and Reviews in Literature, Social Sciences, Commerce and Management, Volume - I	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 20 - 9)	Faculty of Commerce and Management
27	Agricultural Entreprenurship and Rural development in Lower Brahmaputra Valley	Dr. Krishnakhi Choudhury & Prof. Kanagaraj Easwaran	Notion Press (Paperback- 979-8893229905, E-Book-979-8893633597)	Faculty of Humanities and Social Sciences
28	Futuristic Trends in Agriculture engineering & Food Science	Dr. Mohammad Zaki Shamim	IIP Iterative International Publishers (978-93-5747-340-8)	Faculty of Science

29	Practical Book of Medicinal Chemistry-III	Dr. Biswajit Dash, Prof (Dr) Neetesh Kumar Sharma,SabnamParveen, BhanitaDas,SandipanChoudhury,RanadeepBorgohain,DeijyChoudhury,RosamundJyrwa,Sungjemrenla I Jamir	Booksclinic Publishing (978-93-5823-560-9)	Faculty of Pharmaceutical Science
30	CLINICAL ORTHOPAEDICS AND TRAUMATOLOGY	Abhijit dutta	Lulu Publication (9-781387-492626)	Faculty of Paramedical Sciences
31	PRACTICAL BOOK OF BIOCHEMISTRY & CLINICAL PATHOLOGY	Anubhav Dubey Dr. Niladry Sekhar Ghosh	HSRA Publications (978-93-5506-838-5)	Faculty of Pharmaceutical Science
32	Technological Advancements in Agriculture	D.R.K. Saikanth,B.Saritha,M. Veeraragavan,V. Sampath,Dr. V.R. Senthamizhkumaran,C. Vengatesan,Chapala Rama Rao,Prof. K. Mallikarjuna,Dr. R. VijayKumar,K.V. Ananthakumar,S. Alagendran	Textify Publishers (978-81-970449-6-0)	Faculty of Agricultural Sciences and Technology
33	MCQ's for D.Pharm Exit Examination	Dr. Faruk alam, Dr. Durgaprasad kemisetti	AITBS Publishers, India Medical Publishers (978-81-901017-8-6)	Faculty of Pharmaceutical Science
34	MCQ's for D.Pharm Entrance & Exit Examination	Dr. Durgaprasad kemisetti, Dr. Faruk alam	AITBS Publishers, India Medical Publishers (978-81-971017-4-8)	Faculty of Pharmaceutical Science
35	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Gunamoni Das	Dibya Publications (978-93-95777-41-4)	Faculty of Science
36	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Shyam b. Choudhury	Divya Publication (978-93-95777-41-4)	Faculty of Humanities and Social Sciences
37	Medical Physiology	Dr. Dapkupar Wankhar, Dr. Kanu Shil	Scientific International Publishing House (9789361320019)	Institute of Paramedical Sciences
38	Pharmaceutical Science: Research and Innovation	Dr. Ronald Darwin,,Mr. Izaz Hussain,,Mr. LakhyajitBorah,Mr. Rajat Das,Ms. Kumudini Sahoo,Ms. Jayashree Devi,Mr. Abdul Hadi Umam,Mr. Atanu Sarma,Dr. Faruk Alam,Dr. Ruhul Amin,Mr. MohidulIslam,Mr. Josef Yakin	IIP Iterative International Publishers (978-93-6252-034-0)	Faculty of Pharmaceutical Science

39	Practical Guide of Hospital & Clinical Pharmacy	Dhiraj Baishya,PiyaliDey,Dr.Manishkumergautam,Nurjamal Hoque	Purbayon Publication (978-93-5860-013-1)	Faculty of Pharmaceutical Science
40	Pharmaceutical Science: Research and Innovation	Dr. Ruhul Amin, Dr. Ronald Darwin, Mr. Izaz Hussain, Mr. Lakhyajit Borah, Mr. Mohidul Islam, Dr. Faruk Alam, Mr. Rajat Das, Ms. Kumudini Sahoo, Mr. Abdul Hadi Umam, Mr. Josef Yakin, Mr. Atanu Sarma, Mr. Injamamul Haque, Ms. Arjina Mondal, Dr. Sudarshana Borah	Iterative International Publishers (IIP) (978-93-6252-034-0)	Faculty of Pharmaceutical Science
41	Practical Book of Pharmaceutics (Handbook for Diploma in Pharmacy partI)	Nurjamal Hoque,Dr.AnantaChoudhury,SatyabratSarma,Dhiraj Baishya	Purbayon Publication (978-93-5860-005-6)	Faculty of Pharmaceutical Science
42	Lecture Notes on Discrete Mathematics	Malay Dutta,Mala Dutta	Orchid Publication (978-81-967884-8-3)	Faculty of Computer Technology

C. Details of Book Chapter-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Name of Author	Title of the Book Chapter	Name of the Publisher (ISBN)	Faculty of Study
1	Recent Trends Fostering Future of Engineering: An Overview	Dr. Biswajyoti Das	An Introduction to Solar Appliances	Purbanchal Prakash (978-81-964605-4-9, 2023)	Faculty of Engineering
2	Recent Trends in Basic and Applied Science	Dr. Gunendra Ch. Das	Importance of ICT in Teaching and Learning Mathematics	Purbayan (978-93-5860-024-7)	Faculty of Science
4	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary	Food Allergy: A brief understanding regarding the mechanism, types and genes associated with common food allergies	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering

5	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Partha Pratim Sarkar	The Curious Case of Rising Temperatures: The El Nino Circus is back in Town	PurbanchalPrakash (978-81-964605-4-9)	Faculty of Engineering
6	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Pulakesh Chetia	A Review: Effect of different materials and condition on biogas production during anaerobic digestion	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering
7	Microplastic Occurance, Fate, Impact and Remediation	Dr. Sunandan Baruah, Dr. Arnab Sarkar, Mr. Devabrata Sarmah	Nanoplastic Sources, Characterization, Ecological Impact, Remediation and Policies	Springer (978-3-031-36351-1)	Faculty of Engineering
8	Advances in Multidisciplinary Research and Development	Narender Boggula,Durgaprasad Kemisetti,Kanakaraju Vijaya Kishore,Sushma Edukulla,ParijathaBandigari	Artificial Intelligence in Pharmaceutical Sciences	Scripown Publishers (978-93-94375-55-0)	Faculty of Pharmaceutical Science
9	The Role of Chromenes in Drug Discovery and Development	Partha Pratim Dutta,Faruk Alam, Biplab Kumar Dey, Rajeev K. Tonk	Miscellany of Chromene	Bentham Science Publishers Pte. Ltd. (978-981-5124-33-0)	Faculty of Pharmaceutical Science
10	Entrepreneurship: Issues and Perspectives	Dr. Shibani Borah	Rural Entrepreneurship: A Trigger for Rural Growth and Development	Nagaon GNDG Commerce College (978-93-5913-651-6)	Faculty of Commerce and Management

11	Research Trends in MULTIDISCIPLINARY RESEARCH	Dr. Shalaka Baidya (PT), Dr. Abhijit Dutta phd,Dr. Vandana Kumari (PT)	Cancer And Rehabilitation	AkinikPublications (978-93-5570-751-2)	Faculty of Physiotherapy and Rehabilitation
12	Antidiabetic Plants: Properties and Applications	Dr. Faruk Alam	The Usefulness of Aloe Vera in the Management of Diabetes	Nova Science Publishers (979-8-88697-957-2)	Faculty of Pharmaceutical Science
13	Nanostructured materials for tissue engineering	Ananta Choudhury,Himangshu Deka,Biplab Kumar Dey,Monica Bhairam,Koushik Sengupta	Nanomaterials for skin repair and regeneration	Elsevier (978-0-323-95134-0)	Faculty of Pharmaceutical Science
14	Recent Trends Fostering Future of Engineering: An overview	Aniruddha Deka	Blockchain and Distributed Ledger Technology	Purbanchal Prakash(978-81-964605-4-9)	Faculty of Engineering
15	Recent Trends Fostering Future of Engineering : An overview	Aniruddha Deka,Atowarul Islam	ICT based Tools for Teaching Learning	Purbanchal Prakash (978-81-964605-4-9)	Faculty of Engineering and Technology
16	Plant-Derived Hepatoprotective Drugs	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Hepato Protective Phytochemicals: Isolation and Characterization from Plant Extracts	Bentham Science Publishers, Singapore (978-981-5079-84-5)	Faculty of Pharmaceutical Science

Popular Lecture Series

Throughout the academic session, AdtU hosted a variety of lecture series, including the Popular Talk, Chancellor's Lecture Series, and Expert Talk Series, among others. These events were designed to engage students and faculty, providing them with valuable insights into ongoing research and developments happening globally. A few of the notable lectures are listed below.

Talk 1: Managing Forest Ecosystem in Kerala: An Overview

On 21st August 2023, the Faculty of Science, in collaboration with the Faculty of Agricultural Science and Technology, organized a popular talk titled "Managing Forest Ecosystem in the State of Kerala." Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivered the lecture, providing an in-depth overview of Kerala's diverse forest ecosystems, including its geography, forest types, and rich biodiversity of plant and animal species.

The session highlighted key challenges, such as the impact of hydroelectric projects and forest fires, and mining, quarrying, infrastructure development, and tourism outside the forests. Dr. Viswanath also discussed the threats posed by land use changes in the Western Ghats, monoculture plantations, and invasive species.

Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivering a lecture on Kerala's diverse forest ecosystems, covering its geography, forest types, and rich biodiversity.

The event was attended by 125 participants and concluded with valuable insights into the importance of sustainable forest management and conservation in Kerala. The Faculty of Science expresses its gratitude to the Honorable Vice Chancellor for supporting this informative session.

Talk 2: Lecture on Advancements in Biotechnology

Assam down town University had the honor of hosting Dr. Rubul Mout, a distinguished Biotechnologist and esteemed Scientist at Harvard University and BCH, for an inspiring lecture on cutting-edge advancements in biotechnology. Dr. Mout's talk was a deep dive into his groundbreaking work in Hematopoietic Stem & T Cell Engineering, Protein Design, and Gene Editing, areas that hold transformative potential for the future of medicine. His motivational discourse captivated the audience, sparking curiosity and enthusiasm among over 60 participants, including 30 faculty members from the University. Dr. Mout's expertise and passion for eliminating genetic diseases through innovative methodologies left a profound impact on students, faculty, and aspiring researchers. His insights into the future of New Age Medicine, where genetic ailments are addressed at their core, resonated deeply with the young minds present.

Group photograph of Dr. Rubul Mout, Research Scientist, Harvard University, with faculty members, students, and participants during his visit to Assam down town University, capturing a moment of shared enthusiasm and inspiration following his insightful lecture on advancements in biotechnology.

The engaging session, was attended by the Faculties of Science, Pharmaceutical Science, and Paramedical Science and provided a unique opportunity to explore the possibilities in the rapidly evolving field of biotechnology. Dr. Mout's remarkable journey from research to his role at

Harvard University served as a beacon of inspiration, illustrating the power of perseverance and dedication in scientific innovation. Dr. Mout's visit not only kindled a passion for scientific exploration but also highlighted the transformative potential of biotechnology in shaping the future of medicine. His infectious enthusiasm and profound insights left an indelible mark on the pursuit of knowledge at Assam down town University, fostering a renewed sense of excitement and inspiration for students and faculty alike.

Talk 3: Food and Nutritional Security in India with Special Reference to Assam

Assam down town University had the privilege of hosting Dr. H.S. Gupta, a renowned agricultural scientist and former Director of the Indian Agricultural Research Institute, for an insightful talk on the critical issue of food and nutritional security in India, with a special focus on Assam. Dr. Gupta's lecture addressed the challenges and opportunities faced by India in ensuring food security, especially in the context of rural livelihoods, climate change, population growth, and the impacts of the COVID-19 pandemic. Dr. Gupta discussed the significant progress India has made in expanding food production and building up safety stocks of food grains. However, he emphasized that food distribution, affordability, quality, and safety remain major concerns despite the country's self-sufficiency in food production. In particular, Assam, with its diverse agro-climatic and socio-cultural environment, faces unique challenges and opportunities in achieving food and nutritional security.

Dr. H.S. Gupta during his thought provoking lecture at AdtU auditorium.

The talk mainly delivered into key factors influencing food availability, access, utilization, and stability in the state of Assam, including crop diversification, irrigation, market linkages, the public distribution system, dietary patterns, nutritional interventions, and disaster management. Dr. Gupta's extensive research and field experience provided valuable insights into the current status and trends in food and nutritional security in Assam. He also shared practical policy recommendations and best practices for enhancing food security in the region.

The session was highly informative and resonated with all attendees, including students, faculty, and others interested in food and nutrition issues in India and Assam. Dr. Gupta's expert perspective and recommendations on sustainable agricultural practices, nutrition, and disaster resilience inspired a deeper understanding of how food security can be achieved in the region, making the talk a significant contribution to the University's ongoing humble efforts to direct its resource for research and innovation in globally relevant issues.

Talk 4: Lecture on Plant Molecular Genomics

The Faculty of Science at Assam down town University organized a two-day guest lecture series on September 8th and 9th, 2023, for B.Sc. and M.Sc. 3rd and 5th semester students across various programs. Dr. Niranjan Chakraborty, a distinguished Professor from Jawaharlal Nehru University (JNU), New Delhi, was invited as the guest speaker for both days. The primary objective of these lectures was to introduce students to the field of plant molecular genomics, a key area of research in modern biology. The first session, held on September 8th, was attended by B.Sc. 5th semester students. Dr. Chakraborty began by providing a strong foundation in molecular biology and gradually transitioned into a detailed exploration of plant molecular genomics. He shared valuable insights from his own research, illustrating the application of theoretical knowledge in real-world scientific endeavors. His talk emphasized the importance of fundamental knowledge in pursuing a successful career in any scientific field. The session, lasting 120 minutes, concluded with Dr. Chakraborty encouraging students to actively participate in national and international competitive examinations.

On the second day, September 9th, the lecture was directed towards M.Sc. 3rd semester students. The session focused on the significance of competitive examinations such as CSIR-NET, GATE,

and ICMR-NET, and included an overview of molecular biology with a particular focus on plant genomics.

Dr. Niranjan Chakraborty, Distinguished professor at JNU, New Delhi, engaged students in interactive discussions, on molecular biology.

A total of 148 students participated actively during both the days, engaging in meaningful discussions and gaining valuable insights from Dr. Chakraborty's expertise. This lecture series proved to be an invaluable learning opportunity, fostering a deeper interest in plant molecular genomics and encouraging students to pursue research and competitive academic opportunities.

Academic Engagements and Knowledge Exchange at AdtU

At Assam down town University (AdtU), academic enrichment extends beyond traditional learning, with various faculties actively organizing symposiums, conferences, Faculty Development Programs (FDPs), and workshops throughout the year. These initiatives are aimed at fostering the exchange of ideas among faculty members, research scholars, students, and distinguished external experts from academia and industry.

In this academic session, AdtU has organized a wide array of such events, showcasing the university's commitment to fostering an environment of continuous learning and innovation. These events have provided valuable platforms for intellectual discourse and professional growth, enabling participants to engage with the latest trends, research, and best practices in their respective fields.

By hosting these events, AdtU provided a dynamic platform for intellectual collaboration. Faculty members and students benefited immensely from interactions with experts, gaining insights into emerging trends and research advancements. These engagements also served as an opportunity to showcase AdtU's academic policies, diverse courses, and state-of-the-art facilities to participants from other institutions, thereby strengthening the university's academic presence.

Through these knowledge-sharing initiatives, AdtU reaffirms its commitment to academic excellence, innovation, and a collaborative learning environment, ultimately contributing to the holistic development of its faculty and students.

A. Sixty-eight Annual Technical Session of Assam Science Society and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology"

Assam down town University, in collaboration with the Assam Science Society, successfully organized the 68th Annual Technical Session and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology" on 30th March 2024. This prestigious event brought together experts, scholars, and innovators from various scientific fields to discuss the latest advancements in science and technology.

A total of 114 abstracts were submitted, with 42 selected for oral presentations, showcasing the high level of research and innovation within the scientific community. These presentations provided an excellent platform for researchers to exchange ideas, discuss challenges, and explore potential solutions to the current issues in science and technology.

Snapshots capturing the essence of the 68th Annual Technical Session, through the lens of photography of members of AdtU photography club.

The inaugural lecture was delivered by Dr. Kutubuddin Ahmed, the Working Secretary of Assam Science Society, who set the tone for the event by highlighting the importance of continuous scientific exploration and innovation. The keynote address was presented by Dr. Prashant Goswami, a distinguished Bhatnagar Awardee, whose insightful lecture on recent developments in science inspired both the audience and participants.

This event marked a significant step towards fostering academic collaboration, providing an invaluable opportunity for networking, and contributing to the development of science and technology in the region. The university takes immense pride in hosting such a momentous event that not only showcased the achievements of the scientific community but also provided a platform for determining on the possible future innovations need.

The 68th Annual Technical Session and National Seminar was an outstanding success, reaffirming Assam down town University's commitment to advancing scientific knowledge and contributing to the broader scientific community.

B. AdtU PHARMACON 2.0

The Faculty of Pharmaceutical Science at Assam down town University organized an international conference on October 13th and 14th, 2023, themed "Pharmaceuticals Fusing with Nutraceuticals to Ensure Healthy Lives and Promote Wellbeing: Global Trends." This event was held by AdtU-Centre for Research on Ethnomedicine (AdtU-CREM) in collaboration with the Central Ayurveda Research Institute (under CCRAS), Ministry of AYUSH, Government of India, Kolkata; San Pedro College, Philippines; Daffodil International University, Bangladesh.

Dr. G. Babu, Director of CCRAS, graced the event as the Chief Guest, and Prof. (Dr.) Pulok K. Mukherjee, Director of IBSD, Department of Biotechnology, GoI, Imphal, Manipur, attended as the Guest of Honour. The conference saw participation from 511 registered delegates, of which 325 actively engaged in various activities. Delegates hailed from 3 countries, 14 states, and 38 regional, national, and academic organizations. A total of 168 posters, 26 oral presentations, and 18 e-posters were displayed throughout different scientific sessions, contributing to a rich exchange of knowledge and ideas.

C. Sixth Regional Conference on "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies"

The Faculty of Nursing, Assam down town University (AdtU), successfully organized the 6th Regional Conference on June 28, 2023, with the theme "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies." The event saw the participation of 79 delegates from various institutions across the North-East region.

The conference commenced with a registration session, followed by a formal inaugural ceremony. Prof. (Dr.) Nirmali Gogoi, HOD and Associate Dean, Research, Faculty of Nursing, AdtU, welcomed the participants, while Prof. (Dr.) Pranveer Singh, Hon'ble Pro Vice Chancellor, AdtU, addressed the gathering and appreciated the conference's theme. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference. The dignitaries were honored with saplings, and the first edition of the newsletter of the Faculty of Nursing was released in the inaugural session.

The conference featured key scientific sessions, including presentations by Prof. Asru Bagchi on "Advancement in Research Methodology: Its Challenges and Best Practices," Prof. (Dr.) Dibyojyoti Bhattacharjee on "Data Analysis and Interpretation: Advanced Analytical Techniques and Tools," and Dr. Elsa Sanatombi Devi on "Dissemination Strategies and Effective Utilization of Research Studies." A scientific poster presentation by B.Sc. Nursing 4th-year students from the Faculty of Nursing was also organized, with awards presented to the best posters.

The event concluded with a valedictory session, during which certificates and newsletters were distributed to the delegates. Ms. Sangita Kalita, CNE observer from Assam Nurses' Midwives' & Health Visitors Council, read the feedback report, highlighting the positive impact of the conference. The post-test results indicated that 68% of participants showed significant improvement in their knowledge.

A guest speaker presenting on conference theme "advancements in research methodology and best practices"

The conference ended with a vote of thanks by Ms. Alonka Beypi, Lecturer, Faculty of Nursing, AdtU, at 4:00 pm, followed by the National Anthem.

D. Training Cum Workshop on International Patient Safety Goals (IPSG)

The Faculty of Nursing, Assam down town University, in collaboration with down town Hospital, organized a training cum workshop on the International Patient Safety Goals (IPSG) for final-year B.Sc. Nursing and GNM students on May 2, 2024, at the 7th Floor Auditorium located at Building No. III, of the down town Hospital.

The event began with an introduction of the invited speaker, Prof. Dr. Manashi Sengupta, Dean, Faculty of Nursing, AdtU, followed by an informative session led by the trainer. The workshop focused on the six IPSG goals, providing students with a deep understanding of their significance in promoting patient safety within hospital settings. The trainer highlighted each goal with practical examples and detailed rationale, emphasizing their importance in real-world healthcare scenarios.

The session also featured engaging role plays performed by the final-year B.Sc. Nursing and GNM students of Faculty of Nursing, AdtU. Students demonstrated IPSG Goal 1 (Identifying patients correctly) and IPSG Goal 4 (Ensuring safe surgery, right patient, site, and surgery) through compelling, narrative-driven performances that illustrated the practical application of

patient safety protocols. Visually striking play cards were used to represent each of the six IPSG goals, further enhancing the students' understanding.

Students demonstrating various facts of Patients awareness through visually striking play cards during the scientific session

This workshop was a significant step in empowering nursing students with practical knowledge on IPSG, enabling them to uphold patient safety standards effectively in their professional practice.

E. Fourth National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities"

The Faculty of Nursing, Assam down town University, organized the 4th National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities" on June 28, 2024, at Auditorium 1 (B-Block), AdtU Campus. The conference began with a registration session at 8:00 am, where 95 participants from various institutions across the country were welcomed and provided with registration kits.

The formal inauguration was marked by a welcome note from Ms. Mousumi Deori, Assistant Professor and Vice Principal, Sankar Madhab School of Nursing, AdtU. The dignitaries, including Dr. Kaveri Saikia, Principal of Royal Global University, who served as the CNE observer, lighted the inaugural lamp. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference, which was followed by the release of the third edition of the FoN newsletter. The pre-test forms were distributed among participants before the scientific sessions commenced.

The sessions featured notable speakers, including Dr. Oli Goswami, who discussed the significance of forensic science in healthcare, and Dr. Amol Deo Chavhan, who explored forensic science through the Indian Constitutional framework. Capt. Sandhya Shankar Pandey covered the clinical practice, scope, and challenges of forensic nursing. A scientific poster and oral presentation session was also held, showcasing research by faculty and students from the Faculty of Nursing, AdtU. Judges from various faculties evaluated the presentations for the Best Poster and oral presentation award. Awards given to the best poster and oral presentations during the concluding session.

A memorable group photograph capturing the dignitaries and participants at the conference. Chancellor of AdtU Dr. N N Dutta (left) seen lighting the inaugural lamp.

The conference concluded with a feedback report from Dr. Kaveri Saikia, where the post-test results showed that 78.9% of participants gained substantial knowledge from the sessions, highlighting the conference's effectiveness. The event concluded with a vote of thanks by Ms. Baricate Rymbai, M.Sc. Nursing 1st Year students of Faculty of Nursing, AdtU, and the National Anthem. The conference was an enriching experience for all participants, emphasizing the growing importance of forensic nursing in healthcare.

F. DSIPKI 2024: A Landmark Event on Digital Signatures and Security

The Digital Signature and e-Knowledge Platform for India (DSIPKI) 2024 event was successfully held by the Faculty of Computer Technology at Assam down town University, bringing together experts, speakers, and participants for an enriching day of learning and discussion on digital security. The event began with a warm welcome by Anirban Bhattacharjee, Samujjal Talukdar, and Dr. Dulumani Das, the organizing secretary of DSIPKI 2024, setting the tone for an informative and interactive session.

Prof. Pranveer Singh, Pro Vice Chancellor, addressed the participants and speakers, with special recognition to esteemed guests like Shri Arvind Kumar, Controller of Certifying Authorities, and Dr. S.D. Sudarshan, Executive Director at C-DAC Bangalore, who shared their insights and contributed to the event's success. Dr. Utpal Barman, Dean of FoCT, discussed the importance of digital signatures in today's digital world.

The technical sessions included Dr. Mohammed Misbahuddin's presentation on "Elements of Trust & Digital Signatures," followed by Ms. Lavanya Palani's enlightening talk on "Digital Signature Certificates & Public Key Infrastructure." The event's highlight was Shri Anoop Kumar Pandey's live demonstrations on key generation, certificates, and digital signing processes, offering attendees hands-on experience with digital security applications.

A guest speaker delivering a presentation at the conference.

The open Q&A session encouraged lively discussions, with participants engaging in insightful conversations on digital signatures and security. In the closing session, Hon'ble Vice Chancellor Prof. N.C. Talukdar emphasized the significance of paperless signatures, advocating for digital solutions to streamline processes and enhance security. Dr. Mala Dutta, the organizing secretary, concluded the event by thanking all the experts, participants, and stakeholders, ensuring that DSIPKI 2024 was a great success.

National Symposium on Astronomy and Space Technology (NSAST) 2024

Assam down town University successfully hosted the National Symposium on Astronomy and Space Technology (NSAST) 2024 on March 6, 2024. The event was graced by distinguished guests, including the Chief Guest and Planetary Speaker, Prof. (Dr.) Dhruba J. Saikia, Head of

TLC and NRC at IUCAA, Keynote Speaker Prof. Biman J. Medhi from Guwahati University, and Mr. Manash Protim Sarma from Guwahati Planetarium. The dignitaries were felicitated with mementos and Phulam Gamosa following the lighting of the lamp.

The symposium began with an inaugural speech by two Astronomy Club members, Sristy Trivedi and Levi Haokip, both undergraduate students at AdtU. Prof. (Dr.) Narayan Chandra Talukdar, Hon'ble Vice Chancellor of AdtU , delivered a welcoming address, highlighting the university's vision for space studies and encouraging the Astronomy Club to continue exploring this field.

The first technical session was led by Prof. (Dr.) Dhruba J. Saikia, who discussed radio astronomy, offering insights into the vast expanding universe and explaining the concept of space and time with examples. Following this, Prof. Biman J. Medhi gave an engaging keynote talk on astronomical telescopes, their working principles, challenges, and benefits for studying the universe.

After a high tea break, the participants and experts moved to the Astronomy View Point on the terrace of J Block, AdtU, where they observed the night sky through the upgraded telescope. The session allowed attendees to witness celestial bodies, including the Seven Sisters, Betelgeuse, Sirius, nebula, and Jupiter with its moons.

Participants observing celestial bodies through the upgraded telescope at the Astronomy View Point on the J Block terrace

The symposium concluded with a knowledge-sharing session between experts and participants, fostering a deeper understanding of astronomy. The event was wrapped up with a vote of thanks by Prof. TVVLN Rao, Dean, Faculty of Engineering, to all those who contributed to the success of the symposium. This event was a significant step in enhancing the university's involvement in space technology and astronomy.

DIRECTORATE OF CAREER ADVANCEMENT

The Directorate of Career Advancement at AdtU, is dedicated to guiding students in their professional journeys by providing comprehensive career development support. Our initiatives focus on placement and training, higher education guidance, competitive exam preparation, and career counseling, ensuring that students are well-prepared for the dynamic job market.

Through strategic industry collaborations, we facilitate successful campus recruitment drives, equipping students with essential technical and soft skills via pre-placement training, mock interviews, group discussions, and company-specific workshops. Our industry-aligned training programs and internship opportunities enable students to gain practical exposure and build professional networks.

Highlights of Placement Statistics 2023-24

- Total Number of Graduated Students -1009
- Number of Students Placed -749
- Placement Percentage - 74.13%
- Average Package-3.00 LPA
- Highest Package - 7.02 LPA
- Total Number of Company visited- 78

Beyond employment, we assist students in exploring higher education opportunities in India and abroad, offering guidance on university selection, entrance exams, scholarships, and application processes. Our partnerships with study-abroad organizations provide students with valuable insights and resources.

Recognizing the significance of competitive exams, we provide specialized coaching and resources for civil services, banking, and other examinations through expert-led workshops and study materials.

Career counseling remains a cornerstone of our services, with personalized guidance to help students identify their strengths, interests, and career aspirations. Through expert consultations and mentorship, we align students' goals with evolving industry trends and emerging career paths.

The Directorate of Career Advancement is committed to empowering students with the necessary skills, knowledge, and confidence to excel in their professional endeavors, fostering a future of success and fulfillment.

Workshops and Career Development Initiatives – 2023-24

This year, the Directorate of Career Advancement organized a series of workshops and training sessions to enhance students' employability, career readiness, and professional skills.

- Communication Skills Workshops: Focused on improving verbal and non-verbal communication, active listening, and presentation techniques to boost confidence in professional interactions.
- Resume Building & Interview Preparation: Guided students in crafting impactful resumes and preparing for interviews through mock sessions, constructive feedback, and personalized coaching.
- Aptitude & Reasoning Skills Development: Provided training to sharpen logical reasoning, analytical thinking, and problem-solving abilities, essential for competitive exams and job assessments.

Aptitude & Reasoning Training: Enhancing logical reasoning, analytical thinking, and problem-solving skills for competitive exams and job assessments.

- Career Counseling Sessions: Offered personalized guidance to help students identify career goals, develop key skills, and explore diverse career opportunities.

Modules addressing key soft skills, including teamwork, time management, leadership, and conflict resolution.

- Career Counseling for Higher Education Abroad: Assisted students in understanding admission processes, selecting suitable universities, and preparing for international studies.

- Sessions on Competitive Exam Preparation: Provided insights on exam patterns, study strategies, and essential resources to help students prepare effectively for various competitive examinations.

Session on strategies for succeeding in competitive examinations.

- Strategies to Crack Competitive Exams: Conducted expert-led sessions focusing on time management, problem-solving techniques, and smart preparation methods to enhance students' chances of success.

These initiatives aimed to equip students with the necessary skills, knowledge, and confidence to excel in their professional and academic pursuits.

Annual Job Fair: Bridging Opportunities for Students and Employers

The Directorate of Career Advancement at Assam down town University has been successfully organizing a Job Fair every year for the past 10 years, aimed at bridging the gap between AdtU students, alumni, non-AdtU students, and potential employers. This annual event serves as an excellent platform for students to explore diverse career opportunities, interact with industry professionals, and stay informed about the latest job market trends.

Reputed companies from various sectors participated in the fair, offering a range of internships, full-time positions, and valuable networking opportunities. The event not only enhances the employability of the university's graduates but also strengthens its ties with the corporate sector, contributing to the professional growth of students and alumni alike.

Assam down town University at ICGSTM 2024

Assam down town University (AdtU) proudly participated in the 3rd International Conference on Green Sustainable Technology and Management (ICGSTM) 2024, hosted by INTI International University.

Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivering the keynote address at the conference.

The prestigious hybrid event brought together distinguished academicians, researchers, and industry experts from around the world to deliberate on advancements in sustainability across diverse domains. Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivered a keynote address at the conference, highlighting the university's commitment to fostering research and innovation in sustainable technologies. His address emphasized the role of academic institutions in addressing global environmental challenges and the importance of interdisciplinary collaboration in achieving sustainability goals.

The conference provided an excellent platform for knowledge exchange, enabling AdtU to showcase its contributions in green technology and sustainable management. Faculty members and research scholars from AdtU also engaged in insightful discussions, networking with international experts, and exploring collaborative opportunities for future research initiatives.

Prof. Biswa Prasun Chatterji Joins as Global Visiting Professor at Asian University for Women, Bangladesh

Assam down town University takes immense pride in announcing that Dr. Biswa Prasun Chatterji, Professor in the Faculty of Science, has been selected as a Global Visiting Professor at the prestigious Asian University for Women (AUW) in Chittagong, Bangladesh. This remarkable achievement highlights Dr. Chatterji's academic excellence and the university's commitment to global engagement and collaboration.

During Dr. Chatterji's visit to Asian University for Women (AUW) in Chittagong, Bangladesh

Dr. Chatterji was invited to teach the course "Human Disease Biology" as part of AUW's two-month summer term starting on June, 2024. His selection as a Global Visiting Professor is a testament to his expertise in the field of biological sciences and his dedication to fostering interdisciplinary learning. His presence at AUW provided an invaluable opportunity for the students of AVW to gain in-depth knowledge and insights into the complexities of human diseases from a distinguished scholar.

Asian University for Women, a premier institution committed to empowering women through higher education, attracts students from across Asia and beyond. Dr. Chatterji's involvement in the AUW academic community reflects the growing reputation of Assam down town University's faculty members on the international stage.

Dr. Chatterji's contribution to AUW aligns with Assam down town University's mission to promote academic excellence, cross-border knowledge exchange, and international research collaborations. His engagement in global teaching initiatives not only enhanced his professional development but also reinforced the university's standing in the global academic community.

Foreign University Students' Visit to AdtU

1. A team of four Physiotherapy students from Jashore University of Science and Technology, Bangladesh, visited the Faculty of Physiotherapy and Rehabilitation at AdtU. They were accompanied by Prof. Dr. Md. Zahid Hossain and Dr. Ehsanur Rahman.

Students from Jashore University of Science and Technology, Bangladesh attending classes at AdtU faculty of Physiotherapy and Rehabilitation

The students were accommodated in the AdtU guest house and attended an insightful lecture by Dr. Abhijit Kalita. Additionally, they had interactive sessions with senior officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's Directorate of International Affairs (DIA) ensured a comfortable stay and a valuable academic experience for the visiting students.

2. A team of four students from the Nursing and Teacher Education program at Biliran Province State University, Philippines, visited the Faculty of Nursing and Humanities at AdtU. They were accompanied by Prof. Dr. Jovy Dia Saniel and Dr. Maribel N. Zipagan. The students participated in a seven-day cross-cultural immersion program organized by the Directorate of International Affairs (DIA), followed by an extended four-day stay during which they attended lectures by Ms. Jaidalin Basaiawmoit and Ms. Embhah Dkhar. They also engaged with senior university officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's DIA ensured a comfortable stay and an enriching academic and cultural experience for the visiting students.

Students from Biliran Province State University, Philippines, attending classes at the Faculty of Nursing, AdtU.

AdtU-Students' Visit to Foreign University

1. A team of 11 students from various programs at AdtU visited FPT University, Vietnam, from August 17 to 21, 2023, accompanied by Dr. Dapkupar Wankhar, Professor, Faculty of Paramedical. During their stay, the students attended lectures by Dr. Entidhar Al-Taie alongside

peers from other international universities as part of a five-day Research-Related Study Tour program. They explored FPT University's advanced facilities, including smart classrooms, a well-stocked library, state-of-the-art laboratories, an in-house canteen, and sports playgrounds. Additionally, they interacted with university officials, gaining valuable academic and cultural insights. This exposure to an international learning environment provided an enriching experience, broadening their perspectives for future academic and professional growth. Representative photographs are presented along with the report.

Students from AdtU exploring the academic environment at FPT University, Vietnam.

2. A team of four students from various programs at AdtU visited Middlesex University, Dubai, from October 23 to 26, 2023, as part of the four-day *Immersion Program in Management and Leadership*. They attended lectures by Dr. Cody Paris and Dr. Nitin Vihariie, alongside students from other international universities. The students explored Middlesex University's state-of-the-art facilities, including smart classrooms, a well-stocked library, advanced laboratories, an in-house canteen, and sports playgrounds. Beyond academics, they experienced Dubai's vibrant culture, visiting iconic landmarks such as the Burj Khalifa and Dubai Mall. Interactions with university officials and exposure to an international learning environment provided valuable academic and cultural insights, enriching their perspectives for future endeavors.

AdtU's students attending lectures at Middlesex University as part of the four-day *Immersion Program in Management and Leadership.*

3. A team of seven students from various programs at AdtU visited UCSI University, Malaysia, from November 14 to 24, 2023, accompanied by Ms. Kimberley, Program Coordinator. They participated in the nine-day *International Immersion Program*, attending lectures delivered by distinguished professor Ms. Sivaneswari alongside students from other international universities. The program included interactive ice-breaking activities, fostering camaraderie and engagement among participants. The students explored UCSI University's advanced facilities, including smart classrooms, a well-stocked library, and state-of-the-art laboratories. Additionally, they visited the Transport Department of Malaysia and interacted with university officials. This enriching international exposure provided valuable academic insights and broadened their perspectives for future endeavors.

AdtU's Student participated in the nine-day *International Immersion Program at* UCSI University, Malaysia.

4. A team of 23 students from various programs at AdtU visited Shinawatra University, Thailand, from May 18 to 21, 2024, accompanied by Ms. Satyabrat Sarma from the Faculty of Pharmaceutical Sciences. As part of the four-day *International Immersion Program*, they attended lectures by distinguished professor Dr. Somrek Kanwivat, alongside students from other international universities. Beyond academics, the students explored one of Asia's largest malls in Bangkok and enjoyed a memorable dinner cruise, experiencing the city's scenic nightlife with music, cultural performances, and dance. They also interacted with university officials, gaining

valuable academic and cultural exposure. This enriching experience broadened their perspectives, contributing to their academic and personal growth.

AdtU's Students visited to the Shinawatra University and attended lectures.

Acitivity of Directorate of Innovation, Start-ups, and Acceleration (DISA) – Academic Year 2023-24

In the academic year 2023-24, the Directorate of Innovation, Start-ups, and Acceleration (DISA) at Assam down town University has undertaken a series of transformative initiatives aimed at nurturing innovation and entrepreneurship among students. The initiatives ranged from workshops, competitions, and field visits to collaborations with leading industry professionals. These efforts align with the government's initiative to inspire and empower students to pursue entrepreneurial ventures and become catalysts for change in society. The few notable initiative are highlighted herewith.

1. Entrepreneurship and Innovation as a Career Opportunity

DISA kick-started the academic year with an insightful workshop focused on introducing students to the immense potential and opportunities within the entrepreneurial ecosystem. The workshop highlighted how innovation and entrepreneurship can serve as viable and rewarding career paths.

26th February 2024, Mr. Plabon Phukan, Founder and Life Skills Trainer of The Open Window, delivering an in-depth session on entrepreneurship and social innovation during the workshop. The event saw the active participation of over 60 students from diverse academic backgrounds, alongside faculty members and administrative staff.

2. Exposure and Field Visits for Problem Identification

The Directorate organized several field visits that gave students first-hand experience in identifying real-world problems. These visits played a pivotal role in helping students understand the challenges businesses face and how innovative solutions can be developed to address them.

On 21st February 2024, final year Civil Engineering Programme at Assam down town University, engaged with the school administration to assess issues and propose strategies for sustainable resource utilization.

3. 'Entrepreneur's Talk' by Popular Successful Entrepreneurs

As part of DISA's ongoing efforts to inspire and guide aspiring entrepreneurs, several 'Entrepreneur's Talk' events were conducted featuring successful entrepreneurs who shared their journeys, challenges, and strategies for success. These talks were well-received by students and provided invaluable insights into the world of entrepreneurship.

On 15th September 2023, **Mr. Sanjeev Sarma**, Founder & CEO of WebX Technologies Pvt. Ltd, delivered a motivational talk to the AdtU's student's fraterrity

Mr. Ratan Kumar, Founder & CEO of Encamp Adventures, a successful tourism startup from Assam, shared his entrepreneurial journey, highlighting sustainable tourism practices, challenges in funding, team building, and navigating regulatory frameworks

4. IdeatePitch

DISA facilitated the 'IdeatePitch' event, which was a platform for students to pitch their innovative ideas to a panel of experienced entrepreneurs and investors. This event fostered creativity and problem-solving skills, while also providing students the opportunity to receive constructive feedback on their ideas.

On 16th-17th February 2024, **Mr. Kanakn Jyoti Kharghoria**, Project Manager at Ernst & Young, served as the judge, providing valuable industry insights in IdeatePitch-2.0 organized by Faculty of Pharmaceutical Science and IIC-AdtU.

5. Problem Solving and Ideation Workshop

The Problem Solving and Ideation workshop equipped students with essential tools and techniques to approach complex problems systematically. The workshop focused on ideation methodologies and problem-solving frameworks, enabling students to develop innovative solutions.

On 28th-29th February 2024, The Idea Challenge Competition, an Intra Institutional Hackathon, was organized to foster interdisciplinary collaboration and innovative problem-solving among students.

6. Showcasing Innovation: Poster Presentation of Ideas

DISA organized an event to showcase innovative ideas in a poster presentation format. This event allowed students to present their creative concepts to peers, faculty, and industry professionals, fostering collaboration and knowledge sharing among participants.

On 19th-20th February 2024, a poster presentation was organized by Faculty of Engineering, Institution's Innovation Council (IIC), E-Cell, and down town Venture Labs at Assam down town University.

7. Motivational Workshop with Visionary Innovators

A motivational workshop featuring visionary innovators provided students with the right mindset to pursue their entrepreneurial dreams. The workshop was a platform for students to hear from thought leaders who have made significant contributions to innovation.

8. Idea Challenge Competition

The Idea Challenge Competition encouraged students to think critically and creatively to solve real-world problems. The event was designed to identify the most promising ideas and provide them with the necessary mentorship and resources to bring them to life.

On 21st February 2024, Idea Challenge competition was organized to showcasing the the talent of participants.

9. One-Day Workshop on 'Achieving Problem-Solution Fit and Product-Market Fit'

A one-day workshop was conducted to help students understand the critical concepts of problem-solution fit and product-market fit. The workshop focused on how these concepts are crucial for building successful businesses and helped students fine-tune their entrepreneurial ideas.

On 19th February 2024, The Faculty of Pharmaceutical Sciences, in collaboration with the Institution's Innovation Council (IIC), down town Venture Lab (dtVL), and E-Cell, AdtU, organized a one-day workshop on "Achieving Problem-Solution Fit and Product-Market Fit" to equip students and budding entrepreneurs with practical insights into aligning innovations with market needs.

10. Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer

This workshop focused on educating students about the process of innovation development, technology readiness levels (TRL), and the commercialization of laboratory technologies. It highlighted the importance of bridging the gap between research and commercialization, offering students the necessary tools to transform innovations into marketable products.

On 26th February 2024, The Faculty of Engineering, in collaboration with E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, organized a one-day workshop on 'Process of Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer'.

11. Innovation & Entrepreneurship Outreach Program in Schools

The Directorate extended its reach beyond the university by organizing an innovation and entrepreneurship outreach program in schools. This initiative aimed at fostering an entrepreneurial mindset in younger students and encouraging them to explore innovation from an early age.

12. Workshop on Design Thinking, Critical Thinking, and Innovation Design

A workshop on Design Thinking, Critical Thinking, and Innovation Design was organized to help students develop essential cognitive skills for problem-solving. The workshop emphasized creativity, critical thinking, and human-centered design methodologies, which are crucial for fostering innovation.

On 20th February 2024, a workshop on "Design Thinking, Critical Thinking, and Innovation Design" was organized by E-Cell, IIC-Assam down town University, and down town Venture Labs to equip participants with essential problem-solving skills and insights necessary for innovation.

13. Field Visit to Skill Development Centre and Geospatial Lab

On 4th November 2023, a field visit to the Skill Development Centre and Geospatial Lab provided students with practical exposure to cutting-edge technologies and skill development programs. The visit enabled students to understand the importance of skill enhancement in the realm of innovation and entrepreneurship.

14. Blockchain and NFT Minting Workshop

DISA organized a hands-on workshop on Blockchain technology and NFT minting. The workshop educated students about the growing world of digital assets, decentralized finance, and the role of blockchain in innovation. This knowledge has equipped students with the tools to explore new opportunities in the blockchain space.

On 20th September 2023, Mr. Varun Desai, Head of Tezos India Arts and Culture, who introduced participants to the decentralized nature, security, and disruptive potential of blockchain technology across various sectors.

15. Innovative Food Product/Salad Competition

An Innovative Food Product/Salad Competition encouraged students to combine creativity with sustainability. The competition promoted the development of innovative food products that are both healthy and environmentally friendly, providing students with an opportunity to showcase their culinary ingenuity.

On 26th February 2024, the Innovative Food Product/Salad Competition, organized by the Faculty of Science, E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, aimed to inspire creativity and innovation in food preparation by combining culinary skills with nutritional science

16. Entrepreneurial Opportunities of Mushroom Cultivation

The Entrepreneurial Opportunities of Mushroom Cultivation workshop explored the potential of mushroom farming as a sustainable and profitable business. Students were introduced to the agribusiness sector and provided with insights into the cultivation, commercialization, and marketing of mushrooms.

On February 26, 2024, Dr. Manoj Kumar Kalita, who provided an in-depth understanding of edible vs. poisonous mushrooms, the cultivation process, suitable species, and optimal growth conditions. He also highlighted the medicinal and nutritional benefits of mushrooms and their economic viability.

Collaboration with dtVL Foundation & IIC-Assam down town University: Onboarding and Cheque Distribution Event for Student Incubatees

In a significant collaborative effort, the down town Venture Labs (dtVL) Foundation and the Innovation and Incubation Centre (IIC) at Assam down town University hosted the "Onboarding and Cheque Distribution Event for Student Incubatees" on October 16, 2023. This event marked the successful onboarding of student incubatees who were provided financial support and resources to help accelerate their startup journeys. The event witnessed the distribution of funds to the incubatees, empowering them to take their innovative ideas to the next level. Through this initiative, DISA has solidified its role as a key player in supporting young entrepreneurs and their ventures.

The cheque distribution ceremony held on October 16, 2023 organizedjointly by dtVL and ICC of Adtu, where 15 student incubatees received pre-incubation grants to support their startup ventures.

Assam down town University hosted "Envision 2024"

Assam down town University successfully hosted the 'Envision' 2024 Entrepreneurship Summit on 4th and 5th April, 2024, in Guwahati, Assam. This landmark event, organized by the Directorate of Innovation, Startup, and Acceleration (DISA), in collaboration with down town Venture Labs Foundation, Institution's Innovation Council (IIC), and E-cell, brought together key stakeholders such as Assam Startup, Meity Startup Hub, and Vikshit Bharat Abhiyan to showcase the region's entrepreneurial potential.

The summit featured a diverse array of activities, including a startup competition, workshops, a hackathon, and panel discussions, creating an exceptional platform for networking, learning, and collaboration. It attracted participants ranging from budding entrepreneurs to seasoned investors, fostering meaningful exchanges and partnerships.

The inauguration ceremony was graced by distinguished guests such as Sri PVSLN Murty, Chairman and Managing Director of North Eastern Development Finance Corporation Ltd.; Smt. Vandana Srivastava, Jurisdictional Director of Software Technology Park of India (STPI), Guwahati; and Dr. Y. Jayanta Singh, Executive Director of National Institute of Electronics & Information Technology (NIELIT), Assam. Their presence and insights did set the tone for the summit's success, emphasizing the role of technology and innovation in driving economic growth in Northeast India.

'Envision' 2024 has significantly contributed to fostering a culture of innovation and entrepreneurship in the region, laying a strong foundation for the future of startups and technological advancements in Northeast India. The event successfully bridged gaps between visionary ideas and their realization, empowering participants with essential tools, knowledge, and industry connections to drive the future of innovation.

The series of events organized by the Directorate of Innovation, Start-ups, and Acceleration (DISA) in the academic year 2023-24 has been instrumental in fostering a culture of innovation, entrepreneurship, and problem-solving among the students of Assam down town University. These initiatives have not only inspired students to think creatively but also have provided them with the tools and resources to transform their ideas into viable businesses. DISA remains committed to its mission of nurturing the next generation of innovators and entrepreneurs.

Directorate of Alumni Affairs

The Directorate of Alumni Affairs, in collaboration with the Alumni Association, successfully conducted various alumni engagement activities during 2023-24, including 13 Alumni Interactions/Talks to strengthen connections with the alumni community. One international and two national alumni meets were organized in Dhaka, Dibrugarh, and Guwahati, facilitating networking opportunities. Additionally, the university recognized twelve distinguished alumni under the "Alumni of the Month" initiative for their significant contributions in their respective fields. The prestigious "AdtU Alumni Award for Inspiring Achievement" was also presented to honor outstanding alumni accomplishments. These initiatives have significantly contributed to fostering a strong and engaged alumni network, reinforcing a sense of belonging and pride among graduates while ensuring continued collaboration and growth.

Alumni Meet in Dhaka – A moment of camaraderie as distinguished alumni and university representatives gather for the international alumni meet, fostering connections and celebrating achievements.

The Student Welfare Fund Committee (SWFC), under DoSA, provided financial support through grants and loans in 2023-2024, assisting students in academic, entrepreneurial, and extracurricular pursuits. A total of seven welfare grants were awarded for internships, entrepreneurial projects, sports, and inter-university events, while four welfare loans supported academic projects and educational trips. No applications were received for the Student Emergency Medical Fund. The SWFC remains committed to fostering student development by alleviating financial constraints and encouraging holistic growth.

Student volunteers engaging in the orientation program for newly admitted students as part of DoSA activities.

Further, the **Directorate of Student Affairs** at Assam down town University played a pivotal role in organizing and facilitating various events throughout the academic year 2023-2024, fostering student engagement and holistic development. The year began with **Orientation Day** on August 12, 2023, where freshers were introduced to campus life through interactive sessions, ice-breaker activities, and campus tours. On August 15, the **Independence Day Celebration** honored the spirit of patriotism with flag hoisting, cultural performances, and a speech competition. From November 5-7, the vibrant **Sanskriti Cultural Fest** showcased student talents in music, dance, and drama, celebrating the university's cultural diversity. The **Workshop on AI & Machine Learning**, held on January 15, 2024, provided students with hands-on experience in emerging technologies, guided by industry experts. Sports enthusiasts actively participated in the **Annual Sports Meet** from March 10-12, fostering teamwork and physical fitness through various athletic events. The **Alumni Meet** on June 20 reunited former students for networking

sessions and career discussions, strengthening alumni relations. The academic year concluded with the **Convocation Ceremony** on July 15, where graduates were awarded their degrees in the presence of esteemed guests and faculty. Through these diverse initiatives, the **Directorate of Student Affairs** successfully enriched student experiences, promoting academic excellence, cultural appreciation, and professional growth.

DOSA's volunteers working behind the scenes to ensure the smooth execution of the grand music festival on February 23, making it an unforgettable experience for all attendees (left). A warm reception for the celebrated actor and comedian on February 5, as he graced the campus with his presence, adding charm and energy to the workshop (right).

Celebrations at Assam down town University: Fostering National, Student, and Societal Interests

Assam down town University (AdtU) is committed to holistic education, extending beyond academics to inculcate values of patriotism, social responsibility, and student welfare. As part of this commitment, the university celebrated a variety of important days that align with national significance, student development, and societal well-being.Throughout the academic year, more than 52 number of celebrations/events were organized. These celebrations/events served as platform for awareness, education, and engagement. Some of the key events celebrated include:

The 77th Independence Day: Independence Day was celebrated with great enthusiasm at Assam down town University (AdtU) on 15th August, 2023. The celebration included a parade, flag hoisting and various cultural programs showcasing India's rich heritage and the spirit of freedom.

A glimpse of the 77th Independence Day festivities at AdtU

14th Foundation Day: Assam down town University celebrated its 14th Foundation Day on 7th of September 2023. The event was organized by Dr. TVVVLN Rao, Dean, Faculty of Engineering.Honorable Dean of Studies was escorted to hoist the flag of AdtU. After which all the dignitaries were invited to the venue followed by singing the National Anthem and then the Assam down town University Anthem.The program continued with a speech by the chief guest and a lecture addressing the students and other members by the guest of honor. This was followed by speech given by our Honorable Vice Chancellor, Prof. (Dr.) N. C. Talukdar.

A glimpse of the 14th Foundation Day of Assam down town University at AdtU

Children's Day: Assam down town University celebrated Children's Day by featuring an art competition, a recitation contest, and an essay competition, providing a platform for children from a number of nearby schools to showcase their skills and creativity. The event was organized by the "Beethika Art Club" and the "Erudite Literary Club" of AdtU. This special day was dedicated to celebrating the creativity and talent of the young ones. Students from Chandrapur High School, Bonda High School, Swahid Kushal Konwar High School, Raghunath Choudhury Hindi Medium School and The down town School come to Adtu campus accompanied by their teachers and participated enthusiastically in all the three competitions.

Magh Bihu: Magh Bihu also known as Bhogali Bihu is a significantharvest festival and marks the end of harvesting season in the month of Maagh (January-February). The students, faculty and staff of Assam down town University participated in 'Meji' lighting. Traditional Assamese dishes were prepared and shared among the university community, highlighting the rich culinary heritage of Assam.

Capturing the essence of the Magh Bihu celebrations at AdtU campus

Lamp Lighting Ceremony: The Faculty of Nursing, Assam down town University organized Lamp lighting ceremony on 25th January, 2024. In a momentous ceremony held at the organization of the Faculty of Nursing, Assam down town University proudly witnessed the 16th Lamp lighting & Oath taking ceremony. The lighting of the ceremonial lamp added a profound dimension to the event, signifying the dispelling of darkness and the ushering in of knowledge and clarity.

Highlights of the Lamp Lighting Ceremony at AdtU campus.

The 75th Republic Day: Assam down town University (AdtU) celebrated Republic Day with patriotic fervor and cultural vibrancy. The campus, adorned with the spirit of the occasion, witnessed a meticulously organized event that commemorated the essence of democracy under the overarching theme, **"**Viksit Bharat" and "Bharat: Loktantra ki Matruka (India: Mother of Democracy)".

Scenes from the 75th Republic Day event at AdtU

Bohag Bihu: Assam down town University celebrated the Bohag Bihu also known as Rongali Bihu with great fervor. The celebration included traditional Assamese music and dance performances. With the mesmerizing rhythms of Dhol, Pepa, Gogona and the graceful steps of Nasoni, the bihu was a celebration of tradition and unity of AdtU community.

Moments from the Bhoga Bihu festivities at AdtU campus

International Day for Biological Diversity:The **AdtU Biodiversity Club**and**Green Intention Program**, under the Faculty of Science, celebrated *International Day for Biological Diversity* on **22nd May 2024**, embracing the theme *"Be Part of the Plan."* The event commenced with a welcome address by **Prof. L. N. Kakati**, Chairperson of the AdtU Biodiversity Club, who delivered an enriching talk on the biodiversity of Northeast India, followed by an insightful speech by **Honorable Vice-Chancellor, Prof. N. C. Talukdar**, emphasizing the importance of conservation and presenting an engaging video on *"The Life Cycle of a Dove."* A key highlight was the launch of the club's first newsletter, **"AdtU Nature,"** showcasing its efforts in biodiversity restoration and sustainability. Additionally, **Levi Haokip**, a 4th-semester B.Sc. Forensic Science student, presented the **1.5°C Climate Clock,** underscoring the urgency of addressing climate change. With more than **100 participants** actively engaging in discussions and activities, the program successfully inspired students to take proactive steps in biodiversity conservation, reinforcing Assam down town University's commitment to environmental sustainability.

The **AdtU Biodiversity Club** released its inaugural newsletter "AdtU Nature" on the event of *International Day for Biological Diversity.*

SPIC MACAY 2024, Guwahati and Assam down town University Chapters: Padmashri Dr. Kiran Seth, founder of SPIC MACAY, visited Assam down town University (AdtU) for an inspiring day of engagement. He was welcomed by the Dean of Studies, Prof. Bandana Dutta, and later posed for photographs near the Mahatma Gandhi statue. A press conference followed, where the SPIC MACAY team shared insights about their mission and work.

Dr. Seth was then felicitated by AdtU's Vice Chancellor, Prof. (Dr.) N. C. Talukdar, Pro-Vice Chancellor Prof. (Dr.) Pranveer Singh, and Prof. Bandana Dutta. The program included a soulful bhajan by the Performing Arts faculty, followed by an enlightening talk by Dr. Seth on the importance of sustainability, wellness, classical music, and meditation in students' lives. An interactive session with the audience followed, creating a reflective atmosphere.

A group photograph with Dr. Seth and the entire SPIC MACAY team after the memorable session at AdtU.

The event concluded with a vote of thanks and group photographs, followed by a lunch hosted in honor of the SPIC MACAY team. This visit marked a significant milestone in fostering cultural and intellectual growth at AdtU.

AdtU organized a National Consultative Meeting on the "Establishment of the National Tribal Science and Technology Council (NTSTC)."

The National Consultative Meeting on the establishment of the National Tribal Science and Technology Council (NTSTC) and meeting of the expert committee of the Tribal Sub-Plan under DST, GoI was held from August 20-22, 2023, at Assam down town University, Guwahati. The event brought together key stakeholders to discuss the council's framework, functions, and funding mechanisms.

Prof. N.C. Talukdar, Vice Chancellor of Assam down town University, presided the meeting and delivered the welcome address, setting the stage for insightful discussions. This was followed by presentations from Dr. Debapriya Dutta, Adviser, DST, GoI, on the Tribal Sub Plan Scheme and Dr. Vinita Srivastava, Adviser, from the Ministry of Tribal Affairs, GoI. Vice Chancellors and

their representatives from various tribal universities—including Indira Gandhi National Tribal University (Madhya Pradesh), Sidho-Kanho-Birsha University (West Bengal), Rajiv Gandhi University (Arunachal Pradesh), University of Ladakh (Ladakh), Birsa Munda Tribal University (Gujarat), Central Tribal University of Andhra Pradesh, and Kalinga Institute of Social Sciences (Odisha)—deliberated on NTSTC's structure, research priorities, and funding strategies.

Vice Chancellors and their representatives from various tribal universities of India deliberating on the framework and research priorities of NTSTC

Members of the Expert Committee highlighted the critical role of science and technology in tribal development. The meeting concluded with a consensus on NTSTC's governance, funding models, and collaborative strategies, reinforcing Assam down town University's commitment to advancing tribal education, research, and innovation.

During August 21-22, 14 experts from different universities/organization across the country, evaluated over 50 project proposals under STI-hubs submitted for potential support. Another 40 ongoing project progress were also evaluated by the experts.

Assam down town University's Strategic MoUs for Research, Academics, and Infrastructure Development

Assam down town University has signed Memorandums of Understanding (MoUs) with various National universities, institutes, and organizations to enhance its research, academic, and infrastructural capabilities. These collaborations aim to foster knowledge exchange, joint research initiatives, faculty and student development programs, and infrastructure expansion. Through these strategic partnerships, the university seeks to strengthen its academic excellence, promote innovation, and provide students with global learning opportunities. This initiative reflects the university's commitment to advancing education and research through meaningful collaborations with esteemed institutions.

Details of MoU signed in this academic session 2023-24.

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
1.	Institute of Urology and kidney Disease, Guwahati, Assam	Collaboration in the field of training, R&D, dissemination of knowledge. Industry visit, internship and clinical posting in the field of Paramedical Sciences.	07-06-2024 to 06-06-2025
2.	Bharatiya Engineering Science and Technology Innovation University (BESTIU), Andhra Pradesh	Joint research activities in the area of mutual interest and exchange of resources for research.	27-09-2023 to 26-09-2026
3.	AAFT University, Raipur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
4.	Arya College of Engineering (ACE), SP-40, Industrial Area (RIICO), Delhi Road, Kukas, Jaipur	Collaborative research and exchange of students and staffs.	27-09-2023 to 26-09-2024
5.	ASM (AudyogikShikshan Mandal) Groups of Institute, Pune	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
6.	Automotive Skills Development Council (ASDC), E-113, Okhla Industrial Estate Phase-III, New Delhi	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
7.	D.Y. Patil International University, Maharashtra	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
8.	G D Goenka University, Gurugram, Haryana	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
9.	G.L. Bajaj Institute of Management and Research, Noida	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
10.	Gangadhar Meher University, Amruta Vihar, Sambalpur, Odisha	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
11.	Guru Ghasidas Vishwavidyalaya, Bilaspur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
12.	I S B R Business School, Bengaluru	Collaboration in teaching, R&D and consultancy; joint phD program, certificate program and research.	27-09-2023 to 26-09-2026
13.	ISBM University, Chattisgarh	General academic collaboration and exchange of students.	27-09-2023 to 26-09-2026
14.	Jaipuria School of Business, Ghaziabad, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
15.	JIS GROUP, Kolkata, West Bengal	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
16.	K S R institute for Engineering and Technology, Tamil Nadu	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
17.	Maharaja Agrasen Himalayan Garhwal University, Uttarakhand	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
18.	NIMS University, Jaipur Rajasthan	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
19.	Sai Nath University, Jharkhand	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
20.	Sanskriti University, 28 K.M., Mathura- Delhi Highway, Chhata, Mathura, Uttar Pradesh	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
21.	Sigma University, Vadodara, Gujarat	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
22.	Studlence Edu Tech Pvt. Ltd., Greater Noida, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
23.	T.R.C. Law College, Barabanki, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
24.	Vidyabharati Foundation's Institute of Business Management and Research and IBMR Group of Institutions, Hubballi, Karnataka, India.	Development of program of study, course, Pedagogy, collaborative research, faculty and student exchange, etc.	27-09-2023 to 26-09-2026

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
25.	Swahid Smriti Mahavidyalaya, Nalbari, Assam	Collaboration for research, exchange of faculty &students, internship and training for students, joint consultancy & project implementation	04-10-2023 to 03-10-2026
26.	Makeintern (Mohipuri Technologies Pvt. Ltd)., Janakpuri, Delhi	Job orientation training to the students of B. Pharm, M. Pharma, D. Pharm and other disciplines on mutual agreement, carrying out joint workshop, training, seminars in the field of pharmaceutical science and Science.	08-03-2024 to 07-03-2027
27.	Dreamzone School of Creative Studies, Dispur, Assam	Collaboration in the fields of training, R&D, industry partnership, industry visits and internship for students of FCM.	20.01.2024 to 19-01-2027
28.	Gratia Technology, Guwahati, Assam	Collaboration in the fields of training, R&D, industry partnership, industry visits and internship for students of Faculty of Engineering, FCM, FoCT	20.01.2024 to 19-01-2027
29.	Piramal Swasthya Management and Research Institute, Hyderabad	Collaboration to set up a process of recruitment in the campus.	07.02.2024 to 06-02-2027
30.	Kohima Science College, Nagaland	Joint research, exchange of faculty and students, internship & training program for students, joint consultancy and project implementation.	28-03-2024 to 27-03-2027
31.	Don Bosco College, Kohima, Nagaland	Joint research, exchange of faculty and students, internship & training program for students, joint consultancy and project implementation.	28-03-2024 to 27-03-2027
32.	Madhabdev University, Panbari, Assam	Joint research, exchange of faculty and students, internship & training program for students, joint consultancy and project implementation.	23-03-2024 to 22-03-2027
33.	Bhattadev University, Bajali, Assam	Joint research, exchange of faculty and students, internship & training program for students, joint consultancy and project implementation.	14-05-2024 to 13-05-2027
34.	Rangia College, Rangia, Assam	Development of common platform for research, exchange programme for faculty and students	20-02-2024 to 19-02-2026
35.	L.G.B Girls' College, Sonitpur, Assam	To develop common platform for research, exchange programme for faculty and students	27-12-2023 to 26-12-2028
36.	Rangapara College, Sonitpur, Assam	To develop common platform for research, exchange programme for faculty and students	27-12-2023 to 26-12-2028
37.	Tamulpur College, Assam	To develop common platform for research, exchange programme for faculty and students	09-03-2024 to 08-03-2027
38.	Pub Kamrup College, Assam	To develop common platform for research, exchange programme for faculty and students	11-03-2024 to 10-03-2027

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
39.	Damdama College, Hajo, Assam	Collaboration to develop a common platform for Research, Exchange programme for Faculty and Student. Internship and Training programme for students, Joint consultancy and Project implementation and any other activities as agreed upon by both the parties.	19-03-2024 to 18-03-2027
40.	Dikhowmukh College, Sibsagar, Assam	To develop common platform for research, exchange programme for faculty and students, joint consultancy & project implementation.	02-04-2024 to 01-04-2027
41.	Bhawanipur Hastinapur Bijni College, Assam	To develop common platform for research, exchange programme for faculty and students, joint consultancy & project implementation.	03-04-2024 to 02-04-2027

Enhancing Infrastructure and Facilities at Assam down town University

In the pursuit of academic excellence and holistic student development, Assam down town University has made significant strides in upgrading and expanding its infrastructure during this academic session. Our commitment to providing a world-class learning environment has led to the introduction of several new facilities and the renovation of existing ones to meet evolving educational standards.One of the key developments this year has been the enhancement of classroom and laboratory facilities. To foster a more interactive and engaging learning experience, we have equipped classrooms with modern audio-visual aids and smart learning tools. Additionally, new state-of-the-art laboratories have been established, ensuring that students receive hands-on experience with cutting-edge technology and research methodologies.

In our endeavor to support holistic growth, we have also upgraded our library facilities. The addition of digital resources, e-books, and high-speed internet access has significantly improved the ease of research and self-learning opportunities for students and faculty alike. The expansion of study spaces and reading rooms has further enriched the academic ambiance of the university.Recognizing the importance of student well-being, the university has invested in upgrading hostel facilities, ensuring a comfortable and secure residential experience. The hostels have been equipped with modern amenities, including better recreational spaces, hygienic dining facilities, and enhanced security measures. Furthermore, a new sports complex has been introduced to promote physical fitness and extracurricular engagement among students.The digital transformation of administrative processes has been another milestone this year. The implementation of an advanced Learning Management System (LMS) and an upgraded online student portal has streamlined academic and administrative operations, making them more efficient and accessible.

Additionally, our commitment to sustainability has led to the addition of biogas plant, sewage treatment plants (STP) planting of more tree and establishment of valuable wood plantlets to already existing installation of eco-friendly infrastructure, including solar panels, rainwater harvesting systems, agar wood plantations and other green spaces across the campus. These initiatives align with our vision of fostering an environmentally responsible campus.

AdtU's steps towards a Sustainable Future: Environmental Conservation and Green Technologies.

Encouraging Academic Excellence through Conferences, FDP, and Professional Memberships

At Assam down town University (AdtU), we are committed to fostering a culture of academic growth and knowledge exchange. To this end, we actively encourage our faculty members and students to participate in national and international conferences, workshops, and Faculty Development Programs (FDPs). These platforms provide valuable opportunities to share innovative ideas, engage in scholarly discussions, and stay updated with the latest advancements in various fields.

To support this initiative, AdtU has a dedicated scheme that facilitates financial assistance for faculty and students attending such prestigious events. Additionally, the university recognizes the importance of professional networking and encourages faculty members to obtain memberships in renowned national and international academic and professional bodies. To ease this process, AdtU provides reimbursement for membership fees, ensuring that faculty members have access to valuable resources, collaborations, and professional development opportunities.Through these efforts, AdtU reinforces its commitment to academic excellence, continuous learning, and global engagement, enabling its faculty and students to contribute meaningfully to their respective domains.

In this academic year, a large number of our esteemed faculty members have actively participated in various national and international conferences, workshops, and Faculty Development Programs (FDPs). These engagements have provided them with valuable insights, research collaborations, and opportunities to contribute to the academic community.

Below is a comprehensive list of conferences and FDPs attended by our faculty members, showcasing their dedication to continuous learning and professional development:

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
1	Dr. Saikat Sen	Faculty of Pharmaceutical Science	Keynote Speaker in e-FDP 'EITAP-2k24' organized by Shri Venkateshwara College of Pharmacy, Puducherry	NA	3rd to 8th June 2024	Online

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
2	Dr. Faruk Alam	Faculty of Pharmaceutical Science	National conference "Drug Discovery and In-Silico Drug Design "	Drug Discovery and In-Silico Drug Design "	18.11.2022	Royal School of Pharmacy
3	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Workshop cum Valu Added Course on Nanotechnology (Amazing Nano 2023), organized by Department of Electronics and Communication Engineering, School of Technology, Assam Don Bosco University, Guwahati.	Advancement of nanotechnology in biomedical application	03.10.2023	Online Mode
4	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Virtual Symposium on "Application of Biotechnology" organized by INTI, Malaysia	Exploring Natural Resources in Quest for Lead Molecules	20.09.2023	Online Mode
5	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Two-day workshop on "Mastering the Art of Research: From Selection to Publication"	Identifying and selecting a viable research area	01.09.2023	Pratiksha Institute of Pharmaceutical Sciences, Guwahati
6	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Four-Day Workshop	Basic data Science in Pharmacoepidemiology	25th to 29th March 2022	Pharmacy Literacy Club/ MAHE, Manipal, Karnataka, India
7	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Three Day National Webinar	Recent Trends in Pharmaceutics and Novel Drug Delivery Systems	21st to 23rd March, 2022	Dept. of Pharmaceutics (MPH), Shri Vishnu College of Pharmacy (Autonomous), Bhimavaram, Andhra Pradesh,
8	Dr. Rinchi Bora	Faculty of Pharmaceutical Science	APTICON 2023	Analytical method development, validation, synthesis, characterization and forced degradation studies of	2nd to 3rd September, 2023	PSIT, Kanpur

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
				TDF and its impurities.		
9	Dr. Pal Gogoi	Faculty of Pharmaceutical Science	APTICON, 2023	Analytical method development, validation, synthesis, characteizati on and forced degradation studies of TDF and its impurities.	2nd & 3rd Septem ber, 2023	PSIT, Kanpur
10	Prof (Dr) Manashi Sengupta	FACULTY OF NURSING	77th TNAI National Conference: "Invest in Nursing for Global Health"	Attended as a delegate	30th-31st January 2023	30th-31st January 2023 SRIMANTA SANKARADEV A INTERNATIONA L AUDITORIUM, GUWAHATI
11	Ms Sujana Yambem	FACULTY OF NURSING	77th TNAI National Conference: "Invest in Nursing for Global Health"	Attended as a delegate	30th-31st January 2023	SRIMANTA SANKARADEV A INTERNATIONA L AUDITORIUM, GUWAHATI

Recognition and Accolades: Commitment to Society and Academic Excellence

At Assam down town University (AdtU), our dedicated faculty members and students actively contributed to society through various initiatives, research, and community engagement. Their relentless efforts in education, innovation, and social service have been recognized by esteemed national and international organizations.

In recognition of these contributions, many of our faculty and students have received accolades, awards, and honors from distinguished bodies. These achievements reflect the university's commitment to academic excellence, social responsibility, and impactful learning.

This year, the AdtU fraternity has earned numerous prestigious recognitions, further strengthening our reputation as a center of excellence. These honors serve as a testament to the hard work, dedication, and passion of our faculty and students in making a meaningful difference in society.

Extracurricular Activities at AdtU: A Year of Engagement and Growth

At AdtU, extracurricular activities play a crucial role in shaping students' holistic development alongside their academic pursuits. Throughout the year, students actively participated in various clubs, each catering to diverse interests and talents. These clubs provided a platform for students to express their creativity, enhance their skills, and foster a sense of community.

Highlights from the Clubs

1. Drishya Drama Club

The Drishya Drama Club captivated audiences with its outstanding theatrical performances. Students showcased their acting talents through stage plays, skits, and monologues, addressing social issues and entertaining the university community.

2. Om Yoga & Meditation Club

This club played a significant role in promoting wellness and mindfulness. Regular yoga and meditation sessions helped students manage stress, improve concentration, and embrace a healthy lifestyle. Special workshops on mental well-being were also conducted.

3. Erudite Literary Club

With a passion for literature and creative writing, the Erudite Literary Club organized poetry recitations, storytelling sessions, and debate competitions. The club encouraged students to enhance their writing and public speaking skills.

4. Tribhanga and Zephyr Dance Clubs

These dance clubs brought vibrancy to campus life through dynamic performances in various styles, including classical, contemporary, and fusion. The clubs participated in inter-university dance competitions and organized workshops for aspiring dancers.

5. Dorian and Bandish Music Club

Music enthusiasts found their home in the Dorian and Bandish Music Club, where students engaged in vocal and instrumental performances. The club hosted open mic sessions, battle-of-the-bands competitions, and musical evenings, enriching the cultural landscape of the university.

6. Beethika Art Club

The Beethika Art Club nurtured students' artistic talents through painting exhibitions, mural projects, and workshops. The club also contributed to beautifying the campus with creative art installations and graffiti projects.

7. Sports Club

With an emphasis on physical fitness and teamwork, the Sports Club organized tournaments in football, basketball, cricket, badminton, and other sports. Students actively participated in intra- and inter-university competitions, showcasing their athletic prowess.

8. Landscape, Photography & Cine Club

This club provided a platform for students to explore visual storytelling through photography and filmmaking. Members captured stunning images of campus life, produced short films, and conducted photography workshops to enhance technical skills.

A Year of Achievements and Inspiration

The year witnessed a surge in student engagement across all clubs, reflecting a culture of creativity, teamwork, and self-expression at AdtU. These extracurricular activities not only helped students hone their talents but also contributed to their overall personality development. The university remains committed to fostering such opportunities, ensuring that students receive a well-rounded educational experience.

Championing Excellence: Sports Activities at AdtU (2023-24)

The academic year 2023-24 was a remarkable period for sports at Assam down town University (AdtU), marked by outstanding achievements, thrilling competitions, and a growing spirit of sportsmanship among students and faculty alike. From badminton and cricket to a grand sports fest, the university's athletes and teams showcased their dedication, resilience, and competitive excellence on multiple prestigious platforms.

AdtU Badminton Championship 2024

The AdtU Badminton Championship 2024, held on 23rd May 2024, was a spectacular event that witnessed participation from various universities and institutions. The championship featured competitions in Men's and Women's team events, along with an exciting Mixed Doubles category.

- Men's Team Event: The champions were AIPE (A) from the Abhiruchi Institute of Physical Education, with stellar performances from Lahu Linggi, Sonmyadeep Saha, Diwas Yadav, Kabeer Husain, and Jyoti Kachari. The runners-up were KKHSOU (Krishna Kanta Handique State Open University), featuring Sangram Chutia, Sajid Akhtar, Meraj Hussain, Saurav Jyoti Deka, and Ashok Talukdar. Sangram Chutia was awarded the Best Player (Men) title for his exceptional gameplay.
- Women's Team Event:Cotton University emerged victorious, represented by Suzen Buragohain and Pratiksha Pathak, while the Asian Institute of Management secured the runner-up position with Pratiksha Borgohain and Vasundhara Tanwar. Upasana Borgohain of Cotton University was named Best Player (Women) for her outstanding performance.
- Mixed Doubles Tournament:Cotton University (B), represented by Irfan Ahmed and Suzen Buragohain, claimed the championship title. Cotton University (A), comprising Tehzeeb Rahul Toufique and Pratiksha Pathak, finished as runners-up.

Inter-University and Inter-College Cricket Achievements

The AdtU Cricket Team had an eventful year, participating in various prestigious tournaments, showcasing their skill and teamwork at both regional and inter-varsity levels.

- Nemcare Group Premier League (Season 6): Held in November 2023, the AdtU team participated in this competitive tournament hosted by NITS Mirza, Guwahati. The team

secured a victory in their first league match, demonstrating their potential and teamwork.

AdtU Cricket Team Competes in Nemcare Group Premier League at NITS Mirza, Guwahati.

- Inter-College Cricket Tournament (Govt. Ayurvedic College, Guwahati): AdtU's team exhibited great resilience and skill, reaching the quarter-finals, further strengthening the university's presence in regional cricket.
- 3rd Niloy Dutta Memorial Inter-Varsity Cricket Tournament: Organized by the Assam Cricket Association (ACA), this prestigious event saw AdtU winning two of their league matches, proving their growing competence in inter-university cricket.

Inter-University Badminton Tournament (Nagaland University, AIU)

AdtU's badminton players participated in the Inter-University Badminton Tournament, organized by Nagaland University under the banner of the Association of Indian Universities (AIU). The team secured two victories in their league matches, gaining invaluable experience while competing against top universities from the region.

Highlights of AdtU badminton players competing at the Inter-University event

Faculty Participation: Flood Light Cricket Tournament

Faculty members of AdtU also actively participated in sports. 16 teachers and 2 non-teaching staff represented AdtU in the Flood Light Cricket Tournament for University and College Teachers, organized by Gauhati University. The team showcased commendable performance, reaching the semi-finals, emphasizing the university's commitment to promoting sports among both students and faculty.

AdtU's Faculty Team Competes in Flood Light Cricket Tournament, organized by Gauhati University

ATTITUDE-2024: A Grand Celebration of Sports

The Sports Fest for ATTITUDE-2024, held from 19th to 21st February 2024, was a massive success, featuring over 350 students competing in various sports events, including:

- Badminton Singles (Male and Female)
- Badminton Doubles (Male and Female)
- Volleyball (Male and Female)
- Futsal (Male and Female)
- Arm Wrestling (Male and Female)

The event was not just a competition but a celebration of sportsmanship, camaraderie, and athletic excellence within the AdtU community.

The 2023-24 academic year was an inspiring journey for AdtU's sports teams and athletes. With remarkable achievements in badminton and cricket at inter-college and inter-university levels, as well as a successful sports fest, the university continues to foster a strong sporting culture. These milestones reflect the dedication of students and faculty towards sports, and AdtU remains committed to encouraging athletic talent and excellence in the years to come.

Executive Summary

In the academic year 2023-24, Assam down town University (AdtU) made remarkable strides in enhancing its research ecosystem, aiming to foster a culture of academic excellence, innovation and scientific inquiry. Effort was pot to complete the preparation for implementation of MEP 2020 full-fledged form 2024-25 sessions. The course superstructures across all programs completed by taking into consideration different facts such as multidisciplinary, interdisciplinary academics, industry academics interface and internationalization and through active involvement of faculty members. Another key focus has been on revising the Research Award Policy to further incentivize faculty-driven research, positioning AdtU as a leader in academic research and development. The University introduced advanced instrumentation across all Central Instrumentation Facilities (CIF), enhancing access to cutting-edge technology for sophisticated experimentation and analysis. Additionally, significant improvements to laboratory infrastructure have created a more conducive environment for groundbreaking research across various disciplines.

A cornerstone of AdtU's research expansion is the allocation of substantial seed funding. The University provided ₹87.49 lakhs in seed grants to 28 faculty-led projects, nurturing pioneering research ideas and promoting high-impact scientific discoveries. Furthermore, AdtU has successfully secured and is actively managing a total of ₹1389.06 lakhs in extramural research grants, awarded by prominent government agencies such as the Department of Biotechnology (DBT), Department of Science & Technology (DST), Indian Council of Medical Research (ICMR), and Assam Science Technology & Environment Council (ASTEC). These grants signify the University's commitment to addressing contemporary scientific and societal challenges through collaborative and high-quality research.

In addition to government funding, AdtU has also secured ₹89 lakhs from 25 non-government funding agencies, supporting 213 faculty-led projects. This financial backing underscores the growing recognition of AdtU's research excellence, facilitating its faculty members in exploring diverse and impactful areas of study.

The University's continued efforts to foster an innovative research environment are complemented by its diverse academic offerings, with 1982 students enrolled across 49 programs under 10 faculties. These initiatives aim to strengthen AdtU's position as a leading institution in higher education and research. Moving forward, the University is committed to refining its research infrastructure, expanding its funding avenues, and maintaining its focus on cutting-edge research that addresses both global and regional challenges.

The expansion of both indoor and outdoor sports infrastructure, enhancement of library resources, and accelerated initiatives across key directorates—including International Affairs (DIA), Career Advancement (DOCA), Innovation Start-up and Acceleration (DOSA), Alumni Affairs (DOAA), and Student Affairs (DOSA)—are propelling AdtU toward its vision of becoming a globally recognized university from Northeast India. With a strong focus on academic excellence, research, and holistic student development, AdtU is committed to shaping a better society.

BUDGET UTILIZATION FOR THE FINANCIAL YEAR 2023-24

Breakdown of account-specific information for the academic year 2023-24

Particulars	Total (in INR)
Expenses towards regular maintenance	
Salaries Expenses	25,30,88,565
Hostel, Mess & Canteen Expenses	1,85,15,822
Fuel Expenditure	98,25,478

SDG ANNUAL REPORT 2024

Version 1.2

Prof (Dr) Pranveer Singh
Pro Vice-Chancellor
Assam down town University

1. Introduction

AdtU commits to cultivating a governance ecosystem rooted in integrity, accountability and institutional checks & balances. Aligned with SDG 16 (Peace, Justice and Strong Institutions), the university strengthens its policies, internal quality assurance mechanisms, grievance-redressal frameworks and stakeholder transparency to build a resilient academic institution.

2. Governance Structure & Quality Assurance

- The university's governance page lists a clearly defined leadership team including Registrar, Controller of Examination and Deans, with roles and responsibilities clearly stated. adtu.in
- The establishment of the Internal Quality Assurance Cell (IQAC) in 2018 aims to promote consistent, catalytic improvements in institutional performance, documentation of best practices, and responsible administrative processes. adtu.in
- The institution's Annual Quality Assurance Report (AQAR) 2021-22 confirms multiple statutory committees in place: Anti-Ragging Cell, Legal Compliance Committee, Grievance Redressal Committee, Purchase Committee, etc. adtu.in

3. Transparency, e-Governance & Safety

- AdtU maintains a detailed website with policy documents such as its **Privacy Policy**, ensuring student data protection and restricted data sharing. adtu.in
- E-governance is implemented in administration, finance, admissions and examinations to streamline processes and strengthen transparency. adtu.in+1
- In September 2025, the university suspended five students alleging "unlawful activities," applying its disciplinary rules and demonstrating enforcement of institutional norms. India Today NE

4. Outreach, Ethics & Community Accountability

- The governance framework provides mechanisms for grievances, redress and institutional review, upholding fairness and equal opportunity within campus operations.
- AdtU provides a publicly accessible portal for Annual Reports and audits, reinforcing stakeholder trust and institutional accountability.
- Policies covering student-complaints resolution, internal audit workshops and management-review meetings reflect a culture of continual improvement and ethical governance.

5. Monitoring, Impact & Forward Roadmap

- Key indicators include number of statutory committees active (>8), number of IQAC workshops / internal audits (>10 per year), implementation of e-governance across core functions and number of disciplinary / grievance cases resolved.
- Future initiatives: Launch of a **"Governance & Ethics Dashboard"** by 2026 to track committee effectiveness, student-complaint resolution times, audit cycles and transparency scores. AdtU also plans to update its anti-corruption policy and conduct stakeholder-training sessions on institutional ethics.
- The university will integrate third-party review of governance frameworks and pursue ISO 37001 (Anti-Bribery Management) certification to reinforce its commitment to strong institutions.

Conclusion

AdtU's governance architecture—comprising structured leadership, internal quality assurance, digital transparency, grievance-redress mechanisms and ethical enforcement—aligns strongly with SDG 16: Peace, Justice and Strong Institutions. The institution affirms its resolve to uphold integrity, fairness, accountability and inclusive governance for all stakeholders.

291	Gangrene And Perforation To The Gallbladder May Complicate With Respect To Typhoid Fever	Mr. Chinmoy Das, Dr. Arnabjyoti Deva Sarma, Dr. Pratap Chandra Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
292	Hand-Made Clay Mud: A Traditional Supplement Of Mud For Pregnant Ladies In Assam, India	Trishna Mani Nath,Pallab Kalita,Dr. Faruk Alam, Dr. Dhrubajyoti Sarkar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
293	Harnessing Artificial Intelligence For Natural Product Research: A New Paradigm In Pharmaceutical Sciences	, Hrithik Rikhav Mohan , Gargi Bora, Shiny Ahmed , Dhiraj Baishya , Moksood Ahmed Laskar, Santa Mandal	Faculty of Pharmaceutical Science	Strad Research
294	Herbal Remedies For Mental Health Disorders: A Focus On Adaptogenic Plants And Their Mechanisms Of Action	Juganta Kumar Kalita, Mr. Priyam Jyoti Das, Dr. Saikat Sen, Dr. Santa Mandal	Faculty of Pharmaceutical Science	Strad Research
295	Hybrid Optimization For Integration Of Renewable Energy Systems Into Smart Grids	Vikas Verma, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Measurement: Sensors
296	Influence Of English Language On Metadata Standardization In Global Library Networks	M. Muthumanikandan, Dr. Pramod Kumar	Faculty of Commerce and Management	Library Progress International
297	Innovative Approaches To Rice (Oryza Sativa) Crop Health: A Comprehensive Analysis Of Deep Transfer Learning For Early Disease Detection"	Dr. Utpal Barman, Dr. Mala Dutta, Dr. Dulumani Das, Dr. Gunikhan Sonowal	Faculty of Computer Technology	Yuzuncu Yil University Journal Of Agricultural Sciences -
298	In-Vitro Antioxidants Assessment And Herbal Capsule Formulation Of Aerial Parts Of Enhydra Flactuans	Dr. Mrinmoy Basak, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
299	Lassa Hemorrhagic Fever: A Comprehensive Review On Re-Emerging Infectious Diseases	S. Malik, Dr. Indrani Barman	Faculty of Science	Infectious Diseases: News, Opinions, Training
300	Molecular Pharmacognosy In The 21st Century: A Multidisciplinary Approach For Natural Drug Discovery	Mr. Dhiraj Baishya, Mr. Priyam Jyoti Das, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	International Journal Of Research Publication And Reviews
301	Myrtenol: A Promising Terpene With Potent Pharmacological Properties	Pervej Alom Barbhuiya, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Pharmacological Research - Natural Products
302	Nanomedicine: A New Frontier In Alzheimerâ€™S Disease Drug Targeting	Kalyani Pathak, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Central Nervous System Agents In Medicinal Chemistry
303	Plastic Degrading Enzymes And Microbes	Dr. Biswa Prasun Chatterji	Faculty of Science	Indian Journal Of Natural Sciences
304	Practicing Labor Relation In Assam Tea Industry With Special References To Some Of The Selected Tea Estates Of Jorhat District In Assam.	Dr. Bhabajyoti Saikia	Faculty of Commerce and Management	Alochana Journal
305	Predicting Healthcare Utilization Among Breast Cancer Patients With Several Regression Modeling Approach	Dr. Mrinal Deka	Faculty of Science	African Journal Of Biological Sciences (South Africa)
306	Preliminary In-Vitro Assessment Of Antimicrobial And Haemostatic Activity Of Spider Web Silk Extract	Dr. Faruk Alam, Mr. Josef Yakin, Mr. Dhiraj Baishya	Faculty of Pharmaceutical Science	International Journal Of Zoological Investigations (Ijzi)
307	Preliminary Phytochemical And Antimicrobial Evaluation Of Polyherbal Ointment Formulation	Kunal Dutta, Dr. Dhrubajyoti Sarkar	Faculty of Pharmaceutical Science	Indian Journal Of Natural Sciences
308	Preparation Of Herbal Hair Oil Exploring The Therapeutic Benefits Of Herbs And Its Evaluation	Mr. Dhiraj Baishya, Dr. Ananta Choudhury, Mr. Himangshu Deka, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journal Of Applied Pharmaceutical Research

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
309	Privacy-Preserving Association Rule Mining: A Comprehensive Survey Of Techniques For Sensitive Rule Identification And Enhanced Data Protection	Ms. Eirene Barua, Dr. Mala Dutta	Faculty of Engineering	International Journal Of Computers And Applications
310	Production Of Xanthan Gum From Inedible Parts Of Broccoli And Cauliflower	Dr. Biswa Prasun Chatterji	Faculty of Science	Environmental Research, Engineering And Management
311	Recent Advancement In Nanocarrier Systems For Cancer Targeting	Mr. Nurjamal Hoque, Charlisar Teron, Dr. Ananta Choudhury	Faculty of Pharmaceutical Science	Asian Journal Of Pharmaceutical Research And Development
312	Recent Advances On Harnessing Multi-Omic Approaches For Assessing Meat Quality And Safety	R Thomas, Dr. Songeeta Singha	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
313	Reuse Of Brick Waste In Construction Industry	Saikat Deb	Faculty of Engineering	Journal Of Mines, Metals And Fuels
314	Rhamnolipid Biosurfactant As Robust Inhibition Agent For Colletotrichum Gloeosporidides-Pathogen Of Capsicum Chinense And General Welfare Of The Host Plant	Nilam Sarma, Hemen Deka, Dr. Suresh Deka	Faculty of Science	Journal Of Mycopathological Research
315	Role Of Iot And Blockchain Technology In The Growth Of Digital Hrm Transformations As A Function Of Management	Dr. Pramod Kumar	Faculty of Commerce and Management	Journal Of Informatics And Research
316	Silica-Based Nanocarriers For Controlled Drug Delivery: A Critical Review Of Design Strategies And Biomedical Applications	Ankur Patel, Dr. Piyali Dey	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
317	Stacking Approach For Classification Of Multiclass Dry Beans	Dr. Arpita Nath Boruah, Dr. Mrinal Goswami	Faculty of Engineering	Indian Journal Of Agricultural Research
318	The Evolution Of Gender Roles: A Study Of Shashi Deshpande's Novels On Indian Family Life	Mr. Nakibur Rahman, Dr. Sagarika Mahanta Das	Faculty of Humanities and Social Sciences	Educational Administration: Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
319	The Influence Of Emerging Social Media Trends On The Evolution Of The Travel And Hospitality Industry"	Dr. Bhola Chourasia	Faculty of Commerce and Management	Educational Administration: Theory And Practice
320	The Potential Therapeutic Applications And Mechanisms Of Action Of Cryptomphalus Aspersa (Snail) Extracts In Dermatology And Wound Healing	Mr. Priyam Jyoti Das, Juganta Kumar Kalita, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	World Journal Of Biology Pharmacy And Health Sciences
321	The Role Of Gpt And Data Fusion In Improving Disaster Prediction		Faculty of Engineering and Technology	Disaster Advances
322	The Role Of Social Media And Its Impact On Shaping Tourist Destination: A Comparative Study	Dr. Bhola Chourasia	Faculty of Commerce and Management	International Journal Of Transformation In Operational & Marketing Management
323	Thyroid And Liver Profile Among Obese Students Of Assam Downtown University	Mr. Hijam Chandramani Singh, Mr. Sunit Nath, Ms. Avolu Kotso, Ms. Lipoksenla, Mr. Kangujam Dinesh Singh	Faculty of Paramedical Sciences	International Journal Of Biology, Pharmacy And Allied Sciences (Ijbpas)
324	Toll Like Receptors: A Promising Target For Covid 19 Mediated Acute Respiratory Distress Syndrome	Pompy Patowary, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
325	Traditional Rice-Fish Farming Of Mao Indigenous Community, Manipur, India	Santoshkumar Abujam, Dr. Laishram Shantikumar Singh	Faculty of Science	International Journal Of Ecology And Environmental Sciences
326	Typhonium Trilobatum, An Miracle Plant From Tripura, North East India	Dr. Gunamoni Das	Faculty of Science	African Journal Of Biological Science (South Africa)
327	Unveiling The Latest Biological Insights Of Indole And Its Derivatives: A Compact Review	Hiyashree Sharmah, Izaz Hussain, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journalofchemicalhealthrisks

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
328	Vaccines For Yellow Fever Disease: A Narrative Review		Faculty of Science	Microbes And Infectious Diseases
329	Weed Flora Composition In Upland Direct Seeded Rice In Brahmaputra River Ecotones And Edges In Majuli District, Assam	Rashmi Rekha Borah, Dr. Animesh Gogoi	Faculty of Science	Indian Journal Of Agricultural Research
330	Zooplankton As Bio-Indicator Of Aquatic Ecosystem: A Review	Sourav Debnath, Dr. Nibedita Talukdar	Faculty of Science	African Journal Of Biological Science (South Africa)
331	A Hybrid Grasshopper Optimization Algorithm For Skin Lesion Segmentation And Melanoma Classification Using E-Health Deep Learning	Dr. Aniruddha Deka	Faculty of Engineering	Healthcare Analytics
332	Yield And Biochemical Profiling Of Onion (Allium Cepa L) Under Diffrent Growing Condition	Soni Kumari, Dr.Mohammad Zaki Shamim	Faculty of Science	Indian Journal Of Natural Sciences
333	Developing A Sustainable Model: The Role Of Renewable Energy In Eco-Hotels	Mr. Santanu Sarma, Dr. Samannoy Baruah	Faculty of Commerce and Management	Journal Of Applied Optics
334	Effect Of Ocimum Sanctum Extract In Controlling Life Stages Of Callosobruchus 2 Chinensis L.: An In-Silico Approach	Dipanjan Dey, Dr. Suraj Chetri	Faculty of Science	International Journal Of Agriculture And Biosciences
335	A Blockchain-Based Iot Data Securing And Sharing System For Attendance Management	Dr. Aniruddha Deka	Faculty of Engineering	Indian Journal Of Science & Technology
336	Radiation Exposure Assessment In Coronary Angiography Computed Tomography Scan: Establishing Diagnostic Reference Level For Northeast Assam Population	Dr. Arnabjyoti Deva Sarma, Jibon Sharma, Dr. Mrinak Kanti Singha, Dr. Manash Pratim Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
337	A Novel Approach For Iot-Based Cloud Computing Technology And Its Impact On Business Entrepreneurship	Dr. Pramod Kumar	Faculty of Commerce and Management	International Journal Of Intellectual Systems And Applications In Engineering
338	A Systemic Review Of Preclinical Studies Of Herbal Plants Having Anti-Polycystic Ovarian Syndrome Activity: A Pan India Study	Manashi Karmakar, Dr. Manash Pratim Pathak, Dr. Mrinmoy Basak, Dr. Saikat Sen, Ms. Ireenia Warjri, Dr. Utpal Barman	Faculty of Pharmaceutical Science	The Natural Products Journal

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
339	Â An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Darthan Mawia, Riya Saikia, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
340	An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
341	Unveiling Novel Drug Leads: Utilizing Molecular Docking Studies For Efficient Drug Discovery	Majuj Ahmed Dr. Rinchi Bora Anisha Sharma	Faculty of Pharmaceutical Science	Research Journal Of Chemistry And Environment

B. Details of Book-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Authors Name	Publisher (ISBN)	Faculty of Study
1	Principles and Practices of Network Security	Aniruddha Deka, Debashis Dev Mishra	Xoffencer International Publication (9788119534074)	Faculty of Engineering and Technology
2	Basic Anatomy and Physiology of Eye	Rakibul hasan khan	Jbd publication (9789392330919)	Faculty of Paramedical Sciences
3	5G Technology and Its Application	Aniruddha Deka, Jyoti Prasad Kalita, S. R. Jena, Haewon Byeon	Xoffencer International Publication (9788119534227)	Faculty of Engineering and Technology
4	Trends in Nanoscience for future development	Dr. P. Arularasan, Dr. Rohit Shrivastava, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5762-168-7)	Faculty of Engineering and Technology
5	Graphene Revolution and Challenges	Dr. P. Arularasan, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5757-551-5)	Faculty of Engineering and Technology
6	Entrepreneurship and Startup Ecosystem In India	Dr. Anupam Jain, Dr. Vinod kumarjain, Dr. Jyotiprasad Kalita, Dr. Ruchika Rathi	The Global Publishers & Distributors (978896237769)	Faculty of Commerce and Management
7	Stress Management and Building Resilience	Dr Manjusha Deka Saikia	IIP Publications (Awaited)	Faculty of Humanities and Social Sciences

8	Archives of Agricultural Extension Education	Dipankar Saikia, Bidyut Pritom Gogoi, Asha Rani	Himanshu Publications (978-93-87201-58-3)	Faculty of Agricultural Sciences and Technology
9	A textbook of Pharmaceutical Jurisprudence	Dr. Rinchi Bora, Ms. Kalpana Sonwani, Mihir Otia, Mr. Vishal Kumar Pathak	Stallion Publication (978-93-95074-05-6)	Faculty of Pharmaceutical Science
10	Digital Marketing	Dr. Bhabajyoti Saikia	Scientific International Publishing House (SIPH) (978-93-5757-850-9)	Faculty of Commerce and Management
11	Social Work in a Globalised World	Prateeti Barman	Fahhochshulverlag (978-3-947273-77-5)	Faculty of Humanities and Social Sciences
12	Textbook of Pharmaceutical Quality Assurance	Dr. Khagga Bhavyasri, Dr. Uttam Prasad Panigrahy, Dr. M. Akiful Haque, Dr. Heena Farooqui.	Lapin Press Publications (978-81-965269-1-7)	Faculty of Pharmaceutical Science
13	CLASSICAL ALGEBRA	Gunendra Ch. Das	BNit Book Builder (978-93-94334-71-7)	Faculty of Science
14	A Practical Book of Medicinal Chemistry - I	Dr. TC Lalhriatpuii,Ms. Nayanika Neog,Ms. Bidhya Sharma,Ms. PdiangmonKyndait,Ms. Sabnam Parveen,Mr. NurjamulHoque,Biprojit Paul,Ms. BhanitaDas,Mr. Moidul Islam Judder	Booksclinic Publishing (9789355359117)	Faculty of Pharmaceutical Science
15	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
16	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
17	Tribology in Sustainable Manufacturing	Jitendra Kumar Katiyar, T V V L N Rao, Ahmad Majdi Abdul Rani, Mohd Hafis Sulaiman, J. Paulo Davim	CRC Press (9781032426310)	Faculty of Engineering and Technology

18	INDUSTRY 4.0	Multiple Authors (Edited Volume)	P.K. Publishers & Distributors (978-81-19428-79-3)	Faculty of Commerce and Management
19	Queer Voices from the Periphery: A Collection of Perspectives from Northeast India	Dr. Prateeti Barman	Qurate Books Private Ltd. Mumbai (978-81-19263-85-1)	Faculty of Humanities and Social Sciences
20	MCQ's BOOK of Medical Laboratory Sciences For Medical Laboratory Professionals	Sunit Nath	JBD Publications (978-93-92330-87-2)	Faculty of Paramedical Sciences
21	Marketing 4.0	Dr. Bhabajyoti Saikia	R. K. Publications (978-81-970169-1-2)	Faculty of Commerce and Management
22	Nanostructured Materials for Food Packaging Applications	Ruhul Amin, Biplab Kumar Dey, Daniela Calina, Javad Sharifi-Rad	Elsevier (978-0-323-99525-2)	Faculty of Pharmaceutical Science
23	Substance Abuse: Socio-Psychological, Legal Perspectives	Prateeti Barman, Gariasi Dutta	SLM Publishers, Patiala (978-93-91083-99-1)	Faculty of Humanities and Social Sciences
24	NEP - 2020: Opportunities and Challenges	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 06 - 3)	Faculty of Commerce and Management
25	Impact of Community Based Tourism(CBT): Dooars Region of Bengal	Dr. Apurb Chakraborty, Dr. Santosh Kumar Upadhyay	LAP LAMBERT Academic Publishing (978-620-7-46779-2)	Faculty of Commerce and Management
26	Research and Reviews in Literature, Social Sciences, Commerce and Management, Volume - I	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 20 - 9)	Faculty of Commerce and Management
27	Agricultural Entreprenurship and Rural development in Lower Brahmaputra Valley	Dr. Krishnakhi Choudhury & Prof. Kanagaraj Easwaran	Notion Press (Paperback- 979-8893229905, E-Book-979-8893633597)	Faculty of Humanities and Social Sciences
28	Futuristic Trends in Agriculture engineering & Food Science	Dr. Mohammad Zaki Shamim	IIP Iterative International Publishers (978-93-5747-340-8)	Faculty of Science

29	Practical Book of Medicinal Chemistry-III	Dr. Biswajit Dash, Prof (Dr) Neetesh Kumar Sharma,SabnamParveen, BhanitaDas,SandipanChoudhury,RanadeepBorgohain,DeijyChoudhury,RosamundJyrwa,Sungjemrenla I Jamir	Booksclinic Publishing (978-93-5823-560-9)	Faculty of Pharmaceutical Science
30	CLINICAL ORTHOPAEDICS AND TRAUMATOLOGY	Abhijit dutta	Lulu Publication (9-781387-492626)	Faculty of Paramedical Sciences
31	PRACTICAL BOOK OF BIOCHEMISTRY & CLINICAL PATHOLOGY	Anubhav Dubey Dr. Niladry Sekhar Ghosh	HSRA Publications (978-93-5506-838-5)	Faculty of Pharmaceutical Science
32	Technological Advancements in Agriculture	D.R.K. Saikanth,B.Saritha,M. Veeraragavan,V. Sampath,Dr. V.R. Senthamizhkumaran,C. Vengatesan,Chapala Rama Rao,Prof. K. Mallikarjuna,Dr. R. VijayKumar,K.V. Ananthakumar,S. Alagendran	Textify Publishers (978-81-970449-6-0)	Faculty of Agricultural Sciences and Technology
33	MCQ's for D.Pharm Exit Examination	Dr. Faruk alam, Dr. Durgaprasad kemisetti	AITBS Publishers, India Medical Publishers (978-81-901017-8-6)	Faculty of Pharmaceutical Science
34	MCQ's for D.Pharm Entrance & Exit Examination	Dr. Durgaprasad kemisetti, Dr. Faruk alam	AITBS Publishers, India Medical Publishers (978-81-971017-4-8)	Faculty of Pharmaceutical Science
35	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Gunamoni Das	Dibya Publications (978-93-95777-41-4)	Faculty of Science
36	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Shyam b. Choudhury	Divya Publication (978-93-95777-41-4)	Faculty of Humanities and Social Sciences
37	Medical Physiology	Dr. Dapkupar Wankhar, Dr. Kanu Shil	Scientific International Publishing House (9789361320019)	Institute of Paramedical Sciences
38	Pharmaceutical Science: Research and Innovation	Dr. Ronald Darwin,,Mr. Izaz Hussain,,Mr. LakhyajitBorah,Mr. Rajat Das,Ms. Kumudini Sahoo,Ms. Jayashree Devi,Mr. Abdul Hadi Umam,Mr. Atanu Sarma,Dr. Faruk Alam,Dr. Ruhul Amin,Mr. MohidulIslam,Mr. Josef Yakin	IIP Iterative International Publishers (978-93-6252-034-0)	Faculty of Pharmaceutical Science

39	Practical Guide of Hospital & Clinical Pharmacy	Dhiraj Baishya,PiyaliDey,Dr.Manishkumergautam,Nurjamal Hoque	Purbayon Publication (978-93-5860-013-1)	Faculty of Pharmaceutical Science
40	Pharmaceutical Science: Research and Innovation	Dr. Ruhul Amin, Dr. Ronald Darwin, Mr. Izaz Hussain, Mr. Lakhyajit Borah, Mr. Mohidul Islam, Dr. Faruk Alam, Mr. Rajat Das, Ms. Kumudini Sahoo, Mr. Abdul Hadi Umam, Mr. Josef Yakin, Mr. Atanu Sarma, Mr. Injamamul Haque, Ms. Arjina Mondal, Dr. Sudarshana Borah	Iterative International Publishers (IIP) (978-93-6252-034-0)	Faculty of Pharmaceutical Science
41	Practical Book of Pharmaceutics (Handbook for Diploma in Pharmacy partI)	Nurjamal Hoque,Dr.AnantaChoudhury,SatyabratSarma,Dhiraj Baishya	Purbayon Publication (978-93-5860-005-6)	Faculty of Pharmaceutical Science
42	Lecture Notes on Discrete Mathematics	Malay Dutta,Mala Dutta	Orchid Publication (978-81-967884-8-3)	Faculty of Computer Technology

C. Details of Book Chapter-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Name of Author	Title of the Book Chapter	Name of the Publisher (ISBN)	Faculty of Study
1	Recent Trends Fostering Future of Engineering: An Overview	Dr. Biswajyoti Das	An Introduction to Solar Appliances	Purbanchal Prakash (978-81-964605-4-9, 2023)	Faculty of Engineering
2	Recent Trends in Basic and Applied Science	Dr. Gunendra Ch. Das	Importance of ICT in Teaching and Learning Mathematics	Purbayan (978-93-5860-024-7)	Faculty of Science
4	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary	Food Allergy: A brief understanding regarding the mechanism, types and genes associated with common food allergies	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering

5	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Partha Pratim Sarkar	The Curious Case of Rising Temperatures: The El Nino Circus is back in Town	PurbanchalPrakash (978-81-964605-4-9)	Faculty of Engineering
6	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Pulakesh Chetia	A Review: Effect of different materials and condition on biogas production during anaerobic digestion	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering
7	Microplastic Occurance, Fate, Impact and Remediation	Dr. Sunandan Baruah, Dr. Arnab Sarkar, Mr. Devabrata Sarmah	Nanoplastic Sources, Characterization, Ecological Impact, Remediation and Policies	Springer (978-3-031-36351-1)	Faculty of Engineering
8	Advances in Multidisciplinary Research and Development	Narender Boggula,Durgaprasad Kemisetti,Kanakaraju Vijaya Kishore,Sushma Edukulla,ParijathaBandigari	Artificial Intelligence in Pharmaceutical Sciences	Scripown Publishers (978-93-94375-55-0)	Faculty of Pharmaceutical Science
9	The Role of Chromenes in Drug Discovery and Development	Partha Pratim Dutta,Faruk Alam, Biplab Kumar Dey, Rajeev K. Tonk	Miscellany of Chromene	Bentham Science Publishers Pte. Ltd. (978-981-5124-33-0)	Faculty of Pharmaceutical Science
10	Entrepreneurship: Issues and Perspectives	Dr. Shibani Borah	Rural Entrepreneurship: A Trigger for Rural Growth and Development	Nagaon GNDG Commerce College (978-93-5913-651-6)	Faculty of Commerce and Management

11	Research Trends in MULTIDISCIPLINARY RESEARCH	Dr. Shalaka Baidya (PT), Dr. Abhijit Dutta phd,Dr. Vandana Kumari (PT)	Cancer And Rehabilitation	AkinikPublications (978-93-5570-751-2)	Faculty of Physiotherapy and Rehabilitation
12	Antidiabetic Plants: Properties and Applications	Dr. Faruk Alam	The Usefulness of Aloe Vera in the Management of Diabetes	Nova Science Publishers (979-8-88697-957-2)	Faculty of Pharmaceutical Science
13	Nanostructured materials for tissue engineering	Ananta Choudhury,Himangshu Deka,Biplab Kumar Dey,Monica Bhairam,Koushik Sengupta	Nanomaterials for skin repair and regeneration	Elsevier (978-0-323-95134-0)	Faculty of Pharmaceutical Science
14	Recent Trends Fostering Future of Engineering: An overview	Aniruddha Deka	Blockchain and Distributed Ledger Technology	Purbanchal Prakash(978-81-964605-4-9)	Faculty of Engineering
15	Recent Trends Fostering Future of Engineering : An overview	Aniruddha Deka,Atowarul Islam	ICT based Tools for Teaching Learning	Purbanchal Prakash (978-81-964605-4-9)	Faculty of Engineering and Technology
16	Plant-Derived Hepatoprotective Drugs	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Hepato Protective Phytochemicals: Isolation and Characterization from Plant Extracts	Bentham Science Publishers, Singapore (978-981-5079-84-5)	Faculty of Pharmaceutical Science
17	Advancement in Computer Technology	Dr. Bhabajyoti Saikia	An Analysis on the Role of Information Technology in Management	Assam down town University (978-93-5906-083-5)	Faculty of Commerce and Management

18	Bioprospecting of Tropical Medicinal Plants	Dr.Mohammad Zaki Shamim	Dietary Natural Polyphenols Against Bacterial and Fungal Infections: An Emerging Gravity in Health Care and Food Industry.	Springer Nature (978-3-031-28779-4)	Faculty of Science
19	Advancement of Computer Technology	Mr. Manabjyoti Choudhury, Dr. Utpal Barman	Suicide Prediction in India using Machine Learning	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
20	Advancement of Computer Technology	Dr. Utpal Barman	Categorizing and Quality Assessment of Tea Leaves through Machine Learning Based Grading System.	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
21	Advancement of Computer Technology	Dr. Utpal Barman	Prediction of Soil pHusing Computer vision	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
22	Advancement in Computer Technology	Dr. Gunikhan Sonowal	Phishing Emails detecting using automated Machine Learning	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
24	Advancement of Computer Technology	Dr. Prasanta Pratim Bairagi	IoTBased Weather Monitoring and Data Visualization System with Global Accessibility : Sensor Integration and Real-time Display	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology

25	Advancement in Computer Technology	Mr. Deepjyoti Roy, Dr. Mala Dutta	An overview of health recommender systems	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
26	Advancement in Computer Technology	Dr. Dulumani Das	Skull stripping of brain MRI using edge-based segmentation technique and morphological operation	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
27	"Beyond Binaries: Understanding Sexual Identities and Queer Rights Issues in India	Multiple authors (Edited volume)	Queer Identity and Rights: Experiences from assam	IMPRI Impact and Policy Research Institute, New Delhi (978-81-956402-0-1)	Faculty of Humanities and Social Sciences
28	Potent Anticancer Medicinal Plants Secondary Metabolite Profiling, Active Ingredients, and Pharmacological Outcomes	Sagar Barge,Dhananjay Jade,Narayan Chandra Talukdar	Centella asiatica Linn	CRC Press (Taylor & Francis) (ISBN: ISBN: 978-1-77491-311-6 (hbk) ISBN: 978-1-77491-312-3 (pbk) ISBN: 978-1-00343-119-0 (ebk))	Faculty of Science
30	Current Innovations in Disease and Health Research	Dr. Nirmali Gogoi, Ms. Nongmeikapam Monika	Respectful Care as a Human Right: Key Components of Implementing Respectful Maternity Care"	B P International (978-81-19761-03-6, ebook 978-81-19761-37-1)	Faculty of Nursing
31	XUKIA Perspectives from Social Sciences and Humanities	Mr. Manimugdha Medhi	Digitalization and its Impact on Rural Population of Assam	Purvanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
32	Covid- 19 Global Pandemic and Challenges	Dr. Mrinmoy Nag, Apurbaa Acharya, Dr. Faruk Alam,Mr. Josef Yakin, Aswini Kumar Sethi	COVID-19: Influence on Health System	Prime Publication (978-71-868796-3-7)	Faculty of Pharmaceutical Science

33	Recent Trends in basic and applied sciences	Mr. Manimugdha Medhi	Designing and installation of an effective grounding system for operation of high voltage pulsed power system	Purbayon publication (978-93-5860-024-7)	Faculty of Science
34	Research in Biomedical, Healthcare and Pharmaceutical Science	Gongutri Borah	Catalysing cleanup: exploring hydrolases' vital role in pollutant biodegradation	Bhumi Publication (978-93-88901-88-8)	Institute of Paramedical Sciences
35	Research in Biomedical, Healthcare and Pharmaceutical Science	Gongutri Borah	Bites and stings: navigating the perils of venom poisoning	Bhumi Publication (978-93-88901-88-8)	Institute of Paramedical Sciences
36	ETHNIC DIVERSITY IN INDIAN ART AND CULTURE	Dr. Pranami Chakravorty	Cultural diversity in workplace	Sunbeam (978-93-93092-48-9)	Faculty of Commerce and Management
37	Good Governance and Sustainable Development	Mr. Santujit Chanda	Environment social and governance (esg) practices and reporting: the state bank bank of india	Research and Development Cell, Nalbari Commerce College (978-81-965414-1-5)	Faculty of Commerce and Management

Popular Lecture Series

Throughout the academic session, AdtU hosted a variety of lecture series, including the Popular Talk, Chancellor's Lecture Series, and Expert Talk Series, among others. These events were designed to engage students and faculty, providing them with valuable insights into ongoing research and developments happening globally. A few of the notable lectures are listed below.

Talk 1: Managing Forest Ecosystem in Kerala: An Overview

On 21st August 2023, the Faculty of Science, in collaboration with the Faculty of Agricultural Science and Technology, organized a popular talk titled "Managing Forest Ecosystem in the State of Kerala." Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivered the lecture, providing an in-depth overview of Kerala's diverse forest ecosystems, including its geography, forest types, and rich biodiversity of plant and animal species.

The session highlighted key challenges, such as the impact of hydroelectric projects and forest fires, and mining, quarrying, infrastructure development, and tourism outside the forests. Dr. Viswanath also discussed the threats posed by land use changes in the Western Ghats, monoculture plantations, and invasive species.

Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivering a lecture on Kerala's diverse forest ecosystems, covering its geography, forest types, and rich biodiversity.

The event was attended by 125 participants and concluded with valuable insights into the importance of sustainable forest management and conservation in Kerala. The Faculty of Science expresses its gratitude to the Honorable Vice Chancellor for supporting this informative session.

Talk 2: Lecture on Advancements in Biotechnology

Assam down town University had the honor of hosting Dr. Rubul Mout, a distinguished Biotechnologist and esteemed Scientist at Harvard University and BCH, for an inspiring lecture on cutting-edge advancements in biotechnology. Dr. Mout's talk was a deep dive into his groundbreaking work in Hematopoietic Stem & T Cell Engineering, Protein Design, and Gene Editing, areas that hold transformative potential for the future of medicine. His motivational discourse captivated the audience, sparking curiosity and enthusiasm among over 60 participants, including 30 faculty members from the University. Dr. Mout's expertise and passion for eliminating genetic diseases through innovative methodologies left a profound impact on students, faculty, and aspiring researchers. His insights into the future of New Age Medicine, where genetic ailments are addressed at their core, resonated deeply with the young minds present.

Group photograph of Dr. Rubul Mout, Research Scientist, Harvard University, with faculty members, students, and participants during his visit to Assam down town University, capturing a moment of shared enthusiasm and inspiration following his insightful lecture on advancements in biotechnology.

The engaging session, was attended by the Faculties of Science, Pharmaceutical Science, and Paramedical Science and provided a unique opportunity to explore the possibilities in the rapidly evolving field of biotechnology. Dr. Mout's remarkable journey from research to his role at

Harvard University served as a beacon of inspiration, illustrating the power of perseverance and dedication in scientific innovation. Dr. Mout's visit not only kindled a passion for scientific exploration but also highlighted the transformative potential of biotechnology in shaping the future of medicine. His infectious enthusiasm and profound insights left an indelible mark on the pursuit of knowledge at Assam down town University, fostering a renewed sense of excitement and inspiration for students and faculty alike.

Talk 3: Food and Nutritional Security in India with Special Reference to Assam

Assam down town University had the privilege of hosting Dr. H.S. Gupta, a renowned agricultural scientist and former Director of the Indian Agricultural Research Institute, for an insightful talk on the critical issue of food and nutritional security in India, with a special focus on Assam. Dr. Gupta's lecture addressed the challenges and opportunities faced by India in ensuring food security, especially in the context of rural livelihoods, climate change, population growth, and the impacts of the COVID-19 pandemic. Dr. Gupta discussed the significant progress India has made in expanding food production and building up safety stocks of food grains. However, he emphasized that food distribution, affordability, quality, and safety remain major concerns despite the country's self-sufficiency in food production. In particular, Assam, with its diverse agro-climatic and socio-cultural environment, faces unique challenges and opportunities in achieving food and nutritional security.

Dr. H.S. Gupta during his thought provoking lecture at AdtU auditorium.

The talk mainly delivered into key factors influencing food availability, access, utilization, and stability in the state of Assam, including crop diversification, irrigation, market linkages, the public distribution system, dietary patterns, nutritional interventions, and disaster management. Dr. Gupta's extensive research and field experience provided valuable insights into the current status and trends in food and nutritional security in Assam. He also shared practical policy recommendations and best practices for enhancing food security in the region.

The session was highly informative and resonated with all attendees, including students, faculty, and others interested in food and nutrition issues in India and Assam. Dr. Gupta's expert perspective and recommendations on sustainable agricultural practices, nutrition, and disaster resilience inspired a deeper understanding of how food security can be achieved in the region, making the talk a significant contribution to the University's ongoing humble efforts to direct its resource for research and innovation in globally relevant issues.

Talk 4: Lecture on Plant Molecular Genomics

The Faculty of Science at Assam down town University organized a two-day guest lecture series on September 8th and 9th, 2023, for B.Sc. and M.Sc. 3rd and 5th semester students across various programs. Dr. Niranjan Chakraborty, a distinguished Professor from Jawaharlal Nehru University (JNU), New Delhi, was invited as the guest speaker for both days. The primary objective of these lectures was to introduce students to the field of plant molecular genomics, a key area of research in modern biology. The first session, held on September 8th, was attended by B.Sc. 5th semester students. Dr. Chakraborty began by providing a strong foundation in molecular biology and gradually transitioned into a detailed exploration of plant molecular genomics. He shared valuable insights from his own research, illustrating the application of theoretical knowledge in real-world scientific endeavors. His talk emphasized the importance of fundamental knowledge in pursuing a successful career in any scientific field. The session, lasting 120 minutes, concluded with Dr. Chakraborty encouraging students to actively participate in national and international competitive examinations.

On the second day, September 9th, the lecture was directed towards M.Sc. 3rd semester students. The session focused on the significance of competitive examinations such as CSIR-NET, GATE,

and ICMR-NET, and included an overview of molecular biology with a particular focus on plant genomics.

Dr. Niranjan Chakraborty, Distinguished professor at JNU, New Delhi, engaged students in interactive discussions, on molecular biology.

A total of 148 students participated actively during both the days, engaging in meaningful discussions and gaining valuable insights from Dr. Chakraborty's expertise. This lecture series proved to be an invaluable learning opportunity, fostering a deeper interest in plant molecular genomics and encouraging students to pursue research and competitive academic opportunities.

Academic Engagements and Knowledge Exchange at AdtU

At Assam down town University (AdtU), academic enrichment extends beyond traditional learning, with various faculties actively organizing symposiums, conferences, Faculty Development Programs (FDPs), and workshops throughout the year. These initiatives are aimed at fostering the exchange of ideas among faculty members, research scholars, students, and distinguished external experts from academia and industry.

In this academic session, AdtU has organized a wide array of such events, showcasing the university's commitment to fostering an environment of continuous learning and innovation. These events have provided valuable platforms for intellectual discourse and professional growth, enabling participants to engage with the latest trends, research, and best practices in their respective fields.

By hosting these events, AdtU provided a dynamic platform for intellectual collaboration. Faculty members and students benefited immensely from interactions with experts, gaining insights into emerging trends and research advancements. These engagements also served as an opportunity to showcase AdtU's academic policies, diverse courses, and state-of-the-art facilities to participants from other institutions, thereby strengthening the university's academic presence.

Through these knowledge-sharing initiatives, AdtU reaffirms its commitment to academic excellence, innovation, and a collaborative learning environment, ultimately contributing to the holistic development of its faculty and students.

A. Sixty-eight Annual Technical Session of Assam Science Society and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology"

Assam down town University, in collaboration with the Assam Science Society, successfully organized the 68th Annual Technical Session and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology" on 30th March 2024. This prestigious event brought together experts, scholars, and innovators from various scientific fields to discuss the latest advancements in science and technology.

A total of 114 abstracts were submitted, with 42 selected for oral presentations, showcasing the high level of research and innovation within the scientific community. These presentations provided an excellent platform for researchers to exchange ideas, discuss challenges, and explore potential solutions to the current issues in science and technology.

Snapshots capturing the essence of the 68th Annual Technical Session, through the lens of photography of members of AdtU photography club.

The inaugural lecture was delivered by Dr. Kutubuddin Ahmed, the Working Secretary of Assam Science Society, who set the tone for the event by highlighting the importance of continuous scientific exploration and innovation. The keynote address was presented by Dr. Prashant Goswami, a distinguished Bhatnagar Awardee, whose insightful lecture on recent developments in science inspired both the audience and participants.

This event marked a significant step towards fostering academic collaboration, providing an invaluable opportunity for networking, and contributing to the development of science and technology in the region. The university takes immense pride in hosting such a momentous event that not only showcased the achievements of the scientific community but also provided a platform for determining on the possible future innovations need.

The 68th Annual Technical Session and National Seminar was an outstanding success, reaffirming Assam down town University's commitment to advancing scientific knowledge and contributing to the broader scientific community.

B. AdtU PHARMACON 2.0

The Faculty of Pharmaceutical Science at Assam down town University organized an international conference on October 13th and 14th, 2023, themed "Pharmaceuticals Fusing with Nutraceuticals to Ensure Healthy Lives and Promote Wellbeing: Global Trends." This event was held by AdtU-Centre for Research on Ethnomedicine (AdtU-CREM) in collaboration with the Central Ayurveda Research Institute (under CCRAS), Ministry of AYUSH, Government of India, Kolkata; San Pedro College, Philippines; Daffodil International University, Bangladesh.

Dr. G. Babu, Director of CCRAS, graced the event as the Chief Guest, and Prof. (Dr.) Pulok K. Mukherjee, Director of IBSD, Department of Biotechnology, GoI, Imphal, Manipur, attended as the Guest of Honour. The conference saw participation from 511 registered delegates, of which 325 actively engaged in various activities. Delegates hailed from 3 countries, 14 states, and 38 regional, national, and academic organizations. A total of 168 posters, 26 oral presentations, and 18 e-posters were displayed throughout different scientific sessions, contributing to a rich exchange of knowledge and ideas.

Snapshots capturing the essence of the **PHARMACON 2.0**

C. Sixth Regional Conference on "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies"

The Faculty of Nursing, Assam down town University (AdtU), successfully organized the 6th Regional Conference on June 28, 2023, with the theme "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies." The event saw the participation of 79 delegates from various institutions across the North-East region.

The conference commenced with a registration session, followed by a formal inaugural ceremony. Prof. (Dr.) Nirmali Gogoi, HOD and Associate Dean, Research, Faculty of Nursing, AdtU, welcomed the participants, while Prof. (Dr.) Pranveer Singh, Hon'ble Pro Vice Chancellor, AdtU, addressed the gathering and appreciated the conference's theme. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference. The dignitaries were honored with saplings, and the first edition of the newsletter of the Faculty of Nursing was released in the inaugural session.

The conference featured key scientific sessions, including presentations by Prof. Asru Bagchi on "Advancement in Research Methodology: Its Challenges and Best Practices," Prof. (Dr.) Dibyojyoti Bhattacharjee on "Data Analysis and Interpretation: Advanced Analytical Techniques and Tools," and Dr. Elsa Sanatombi Devi on "Dissemination Strategies and Effective Utilization of Research Studies." A scientific poster presentation by B.Sc. Nursing 4th-year students from the Faculty of Nursing was also organized, with awards presented to the best posters.

The event concluded with a valedictory session, during which certificates and newsletters were distributed to the delegates. Ms. Sangita Kalita, CNE observer from Assam Nurses' Midwives' & Health Visitors Council, read the feedback report, highlighting the positive impact of the conference. The post-test results indicated that 68% of participants showed significant improvement in their knowledge.

A guest speaker presenting on conference theme "advancements in research methodology and best practices"

The conference ended with a vote of thanks by Ms. Alonka Beypi, Lecturer, Faculty of Nursing, AdtU, at 4:00 pm, followed by the National Anthem.

D. Training Cum Workshop on International Patient Safety Goals (IPSG)

The Faculty of Nursing, Assam down town University, in collaboration with down town Hospital, organized a training cum workshop on the International Patient Safety Goals (IPSG) for final-year B.Sc. Nursing and GNM students on May 2, 2024, at the 7th Floor Auditorium located at Building No. III, of the down town Hospital.

The event began with an introduction of the invited speaker, Prof. Dr. Manashi Sengupta, Dean, Faculty of Nursing, AdtU, followed by an informative session led by the trainer. The workshop focused on the six IPSG goals, providing students with a deep understanding of their significance in promoting patient safety within hospital settings. The trainer highlighted each goal with practical examples and detailed rationale, emphasizing their importance in real-world healthcare scenarios.

The session also featured engaging role plays performed by the final-year B.Sc. Nursing and GNM students of Faculty of Nursing, AdtU. Students demonstrated IPSG Goal 1 (Identifying patients correctly) and IPSG Goal 4 (Ensuring safe surgery, right patient, site, and surgery) through compelling, narrative-driven performances that illustrated the practical application of

patient safety protocols. Visually striking play cards were used to represent each of the six IPSG goals, further enhancing the students' understanding.

Students demonstrating various facts of Patients awareness through visually striking play cards during the scientific session

This workshop was a significant step in empowering nursing students with practical knowledge on IPSG, enabling them to uphold patient safety standards effectively in their professional practice.

E. Fourth National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities"

The Faculty of Nursing, Assam down town University, organized the 4th National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities" on June 28, 2024, at Auditorium 1 (B-Block), AdtU Campus. The conference began with a registration session at 8:00 am, where 95 participants from various institutions across the country were welcomed and provided with registration kits.

The formal inauguration was marked by a welcome note from Ms. Mousumi Deori, Assistant Professor and Vice Principal, Sankar Madhab School of Nursing, AdtU. The dignitaries, including Dr. Kaveri Saikia, Principal of Royal Global University, who served as the CNE observer, lighted the inaugural lamp. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference, which was followed by the release of the third edition of the FoN newsletter. The pre-test forms were distributed among participants before the scientific sessions commenced.

The sessions featured notable speakers, including Dr. Oli Goswami, who discussed the significance of forensic science in healthcare, and Dr. Amol Deo Chavhan, who explored forensic science through the Indian Constitutional framework. Capt. Sandhya Shankar Pandey covered the clinical practice, scope, and challenges of forensic nursing. A scientific poster and oral presentation session was also held, showcasing research by faculty and students from the Faculty of Nursing, AdtU. Judges from various faculties evaluated the presentations for the Best Poster and oral presentation award. Awards given to the best poster and oral presentations during the concluding session.

A memorable group photograph capturing the dignitaries and participants at the conference. Chancellor of AdtU Dr. N N Dutta (left) seen lighting the inaugural lamp.

The conference concluded with a feedback report from Dr. Kaveri Saikia, where the post-test results showed that 78.9% of participants gained substantial knowledge from the sessions, highlighting the conference's effectiveness. The event concluded with a vote of thanks by Ms. Baricate Rymbai, M.Sc. Nursing 1st Year students of Faculty of Nursing, AdtU, and the National Anthem. The conference was an enriching experience for all participants, emphasizing the growing importance of forensic nursing in healthcare.

F. DSIPKI 2024: A Landmark Event on Digital Signatures and Security

The Digital Signature and e-Knowledge Platform for India (DSIPKI) 2024 event was successfully held by the Faculty of Computer Technology at Assam down town University, bringing together experts, speakers, and participants for an enriching day of learning and discussion on digital security. The event began with a warm welcome by Anirban Bhattacharjee, Samujjal Talukdar, and Dr. Dulumani Das, the organizing secretary of DSIPKI 2024, setting the tone for an informative and interactive session.

Prof. Pranveer Singh, Pro Vice Chancellor, addressed the participants and speakers, with special recognition to esteemed guests like Shri Arvind Kumar, Controller of Certifying Authorities, and Dr. S.D. Sudarshan, Executive Director at C-DAC Bangalore, who shared their insights and contributed to the event's success. Dr. Utpal Barman, Dean of FoCT, discussed the importance of digital signatures in today's digital world.

The technical sessions included Dr. Mohammed Misbahuddin's presentation on "Elements of Trust & Digital Signatures," followed by Ms. Lavanya Palani's enlightening talk on "Digital Signature Certificates & Public Key Infrastructure." The event's highlight was Shri Anoop Kumar Pandey's live demonstrations on key generation, certificates, and digital signing processes, offering attendees hands-on experience with digital security applications.

A guest speaker delivering a presentation at the conference.

The open Q&A session encouraged lively discussions, with participants engaging in insightful conversations on digital signatures and security. In the closing session, Hon'ble Vice Chancellor Prof. N.C. Talukdar emphasized the significance of paperless signatures, advocating for digital solutions to streamline processes and enhance security. Dr. Mala Dutta, the organizing secretary, concluded the event by thanking all the experts, participants, and stakeholders, ensuring that DSIPKI 2024 was a great success.

National Symposium on Astronomy and Space Technology (NSAST) 2024

Assam down town University successfully hosted the National Symposium on Astronomy and Space Technology (NSAST) 2024 on March 6, 2024. The event was graced by distinguished guests, including the Chief Guest and Planetary Speaker, Prof. (Dr.) Dhruba J. Saikia, Head of

TLC and NRC at IUCAA, Keynote Speaker Prof. Biman J. Medhi from Guwahati University, and Mr. Manash Protim Sarma from Guwahati Planetarium. The dignitaries were felicitated with mementos and Phulam Gamosa following the lighting of the lamp.

The symposium began with an inaugural speech by two Astronomy Club members, Sristy Trivedi and Levi Haokip, both undergraduate students at AdtU. Prof. (Dr.) Narayan Chandra Talukdar, Hon'ble Vice Chancellor of AdtU , delivered a welcoming address, highlighting the university's vision for space studies and encouraging the Astronomy Club to continue exploring this field.

The first technical session was led by Prof. (Dr.) Dhruba J. Saikia, who discussed radio astronomy, offering insights into the vast expanding universe and explaining the concept of space and time with examples. Following this, Prof. Biman J. Medhi gave an engaging keynote talk on astronomical telescopes, their working principles, challenges, and benefits for studying the universe.

After a high tea break, the participants and experts moved to the Astronomy View Point on the terrace of J Block, AdtU, where they observed the night sky through the upgraded telescope. The session allowed attendees to witness celestial bodies, including the Seven Sisters, Betelgeuse, Sirius, nebula, and Jupiter with its moons.

Participants observing celestial bodies through the upgraded telescope at the Astronomy View Point on the J Block terrace

The symposium concluded with a knowledge-sharing session between experts and participants, fostering a deeper understanding of astronomy. The event was wrapped up with a vote of thanks by Prof. TVVLN Rao, Dean, Faculty of Engineering, to all those who contributed to the success of the symposium. This event was a significant step in enhancing the university's involvement in space technology and astronomy.

DIRECTORATE OF CAREER ADVANCEMENT

The Directorate of Career Advancement at AdtU, is dedicated to guiding students in their professional journeys by providing comprehensive career development support. Our initiatives focus on placement and training, higher education guidance, competitive exam preparation, and career counseling, ensuring that students are well-prepared for the dynamic job market.

Through strategic industry collaborations, we facilitate successful campus recruitment drives, equipping students with essential technical and soft skills via pre-placement training, mock interviews, group discussions, and company-specific workshops. Our industry-aligned training programs and internship opportunities enable students to gain practical exposure and build professional networks.

Highlights of Placement Statistics 2023-24

- Total Number of Graduated Students -1009
- Number of Students Placed -749
- Placement Percentage - 74.13%
- Average Package-3.00 LPA
- Highest Package - 7.02 LPA
- Total Number of Company visited- 78

Beyond employment, we assist students in exploring higher education opportunities in India and abroad, offering guidance on university selection, entrance exams, scholarships, and application processes. Our partnerships with study-abroad organizations provide students with valuable insights and resources.

Recognizing the significance of competitive exams, we provide specialized coaching and resources for civil services, banking, and other examinations through expert-led workshops and study materials.

Career counseling remains a cornerstone of our services, with personalized guidance to help students identify their strengths, interests, and career aspirations. Through expert consultations and mentorship, we align students' goals with evolving industry trends and emerging career paths.

The Directorate of Career Advancement is committed to empowering students with the necessary skills, knowledge, and confidence to excel in their professional endeavors, fostering a future of success and fulfillment.

Workshops and Career Development Initiatives – 2023-24

This year, the Directorate of Career Advancement organized a series of workshops and training sessions to enhance students' employability, career readiness, and professional skills.

- Communication Skills Workshops: Focused on improving verbal and non-verbal communication, active listening, and presentation techniques to boost confidence in professional interactions.
- Resume Building & Interview Preparation: Guided students in crafting impactful resumes and preparing for interviews through mock sessions, constructive feedback, and personalized coaching.
- Aptitude & Reasoning Skills Development: Provided training to sharpen logical reasoning, analytical thinking, and problem-solving abilities, essential for competitive exams and job assessments.

Aptitude & Reasoning Training: Enhancing logical reasoning, analytical thinking, and problem-solving skills for competitive exams and job assessments.

- Career Counseling Sessions: Offered personalized guidance to help students identify career goals, develop key skills, and explore diverse career opportunities.

Modules addressing key soft skills, including teamwork, time management, leadership, and conflict resolution.

- Career Counseling for Higher Education Abroad: Assisted students in understanding admission processes, selecting suitable universities, and preparing for international studies.

- Sessions on Competitive Exam Preparation: Provided insights on exam patterns, study strategies, and essential resources to help students prepare effectively for various competitive examinations.

Session on strategies for succeeding in competitive examinations.

- Strategies to Crack Competitive Exams: Conducted expert-led sessions focusing on time management, problem-solving techniques, and smart preparation methods to enhance students' chances of success.

These initiatives aimed to equip students with the necessary skills, knowledge, and confidence to excel in their professional and academic pursuits.

Annual Job Fair: Bridging Opportunities for Students and Employers

The Directorate of Career Advancement at Assam down town University has been successfully organizing a Job Fair every year for the past 10 years, aimed at bridging the gap between AdtU students, alumni, non-AdtU students, and potential employers. This annual event serves as an excellent platform for students to explore diverse career opportunities, interact with industry professionals, and stay informed about the latest job market trends.

Reputed companies from various sectors participated in the fair, offering a range of internships, full-time positions, and valuable networking opportunities. The event not only enhances the employability of the university's graduates but also strengthens its ties with the corporate sector, contributing to the professional growth of students and alumni alike.

Assam down town University at ICGSTM 2024

Assam down town University (AdtU) proudly participated in the 3rd International Conference on Green Sustainable Technology and Management (ICGSTM) 2024, hosted by INTI International University.

Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivering the keynote address at the conference.

The prestigious hybrid event brought together distinguished academicians, researchers, and industry experts from around the world to deliberate on advancements in sustainability across diverse domains. Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivered a keynote address at the conference, highlighting the university's commitment to fostering research and innovation in sustainable technologies. His address emphasized the role of academic institutions in addressing global environmental challenges and the importance of interdisciplinary collaboration in achieving sustainability goals.

The conference provided an excellent platform for knowledge exchange, enabling AdtU to showcase its contributions in green technology and sustainable management. Faculty members and research scholars from AdtU also engaged in insightful discussions, networking with international experts, and exploring collaborative opportunities for future research initiatives.

Prof. Biswa Prasun Chatterji Joins as Global Visiting Professor at Asian University for Women, Bangladesh

Assam down town University takes immense pride in announcing that Dr. Biswa Prasun Chatterji, Professor in the Faculty of Science, has been selected as a Global Visiting Professor at the prestigious Asian University for Women (AUW) in Chittagong, Bangladesh. This remarkable achievement highlights Dr. Chatterji's academic excellence and the university's commitment to global engagement and collaboration.

During Dr. Chatterji's visit to Asian University for Women (AUW) in Chittagong, Bangladesh

Dr. Chatterji was invited to teach the course "Human Disease Biology" as part of AUW's two-month summer term starting on June, 2024. His selection as a Global Visiting Professor is a testament to his expertise in the field of biological sciences and his dedication to fostering interdisciplinary learning. His presence at AUW provided an invaluable opportunity for the students of AVW to gain in-depth knowledge and insights into the complexities of human diseases from a distinguished scholar.

Asian University for Women, a premier institution committed to empowering women through higher education, attracts students from across Asia and beyond. Dr. Chatterji's involvement in the AUW academic community reflects the growing reputation of Assam down town University's faculty members on the international stage.

Dr. Chatterji's contribution to AUW aligns with Assam down town University's mission to promote academic excellence, cross-border knowledge exchange, and international research collaborations. His engagement in global teaching initiatives not only enhanced his professional development but also reinforced the university's standing in the global academic community.

Foreign University Students' Visit to AdtU

1. A team of four Physiotherapy students from Jashore University of Science and Technology, Bangladesh, visited the Faculty of Physiotherapy and Rehabilitation at AdtU. They were accompanied by Prof. Dr. Md. Zahid Hossain and Dr. Ehsanur Rahman.

Students from Jashore University of Science and Technology, Bangladesh attending classes at AdtU faculty of Physiotherapy and Rehabilitation

The students were accommodated in the AdtU guest house and attended an insightful lecture by Dr. Abhijit Kalita. Additionally, they had interactive sessions with senior officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's Directorate of International Affairs (DIA) ensured a comfortable stay and a valuable academic experience for the visiting students.

2. A team of four students from the Nursing and Teacher Education program at Biliran Province State University, Philippines, visited the Faculty of Nursing and Humanities at AdtU. They were accompanied by Prof. Dr. Jovy Dia Saniel and Dr. Maribel N. Zipagan. The students participated in a seven-day cross-cultural immersion program organized by the Directorate of International Affairs (DIA), followed by an extended four-day stay during which they attended lectures by Ms. Jaidalin Basaiawmoit and Ms. Embhah Dkhar. They also engaged with senior university officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's DIA ensured a comfortable stay and an enriching academic and cultural experience for the visiting students.

2. A team of four students from various programs at AdtU visited Middlesex University, Dubai, from October 23 to 26, 2023, as part of the four-day *Immersion Program in Management and Leadership*. They attended lectures by Dr. Cody Paris and Dr. Nitin Vihariie, alongside students from other international universities. The students explored Middlesex University's state-of-the-art facilities, including smart classrooms, a well-stocked library, advanced laboratories, an in-house canteen, and sports playgrounds. Beyond academics, they experienced Dubai's vibrant culture, visiting iconic landmarks such as the Burj Khalifa and Dubai Mall. Interactions with university officials and exposure to an international learning environment provided valuable academic and cultural insights, enriching their perspectives for future endeavors.

AdtU's students attending lectures at Middlesex University as part of the four-day *Immersion Program in Management and Leadership.*

3. A team of seven students from various programs at AdtU visited UCSI University, Malaysia, from November 14 to 24, 2023, accompanied by Ms. Kimberley, Program Coordinator. They participated in the nine-day *International Immersion Program*, attending lectures delivered by distinguished professor Ms. Sivaneswari alongside students from other international universities. The program included interactive ice-breaking activities, fostering camaraderie and engagement among participants. The students explored UCSI University's advanced facilities, including smart classrooms, a well-stocked library, and state-of-the-art laboratories. Additionally, they visited the Transport Department of Malaysia and interacted with university officials. This enriching international exposure provided valuable academic insights and broadened their perspectives for future endeavors.

AdtU's Student participated in the nine-day *International Immersion Program at* UCSI University, Malaysia.

4. A team of 23 students from various programs at AdtU visited Shinawatra University, Thailand, from May 18 to 21, 2024, accompanied by Ms. Satyabrat Sarma from the Faculty of Pharmaceutical Sciences. As part of the four-day *International Immersion Program*, they attended lectures by distinguished professor Dr. Somrek Kanwivat, alongside students from other international universities. Beyond academics, the students explored one of Asia's largest malls in Bangkok and enjoyed a memorable dinner cruise, experiencing the city's scenic nightlife with music, cultural performances, and dance. They also interacted with university officials, gaining

valuable academic and cultural exposure. This enriching experience broadened their perspectives, contributing to their academic and personal growth.

AdtU's Students visited to the Shinawatra University and attended lectures.

Acitivity of Directorate of Innovation, Start-ups, and Acceleration (DISA) – Academic Year 2023-24

In the academic year 2023-24, the Directorate of Innovation, Start-ups, and Acceleration (DISA) at Assam down town University has undertaken a series of transformative initiatives aimed at nurturing innovation and entrepreneurship among students. The initiatives ranged from workshops, competitions, and field visits to collaborations with leading industry professionals. These efforts align with the government's initiative to inspire and empower students to pursue entrepreneurial ventures and become catalysts for change in society. The few notable initiative are highlighted herewith.

1. Entrepreneurship and Innovation as a Career Opportunity

DISA kick-started the academic year with an insightful workshop focused on introducing students to the immense potential and opportunities within the entrepreneurial ecosystem. The workshop highlighted how innovation and entrepreneurship can serve as viable and rewarding career paths.

26th February 2024, Mr. Plabon Phukan, Founder and Life Skills Trainer of The Open Window, delivering an in-depth session on entrepreneurship and social innovation during the workshop. The event saw the active participation of over 60 students from diverse academic backgrounds, alongside faculty members and administrative staff.

2. Exposure and Field Visits for Problem Identification

The Directorate organized several field visits that gave students first-hand experience in identifying real-world problems. These visits played a pivotal role in helping students understand the challenges businesses face and how innovative solutions can be developed to address them.

On 21st February 2024, final year Civil Engineering Programme at Assam down town University, engaged with the school administration to assess issues and propose strategies for sustainable resource utilization.

3. 'Entrepreneur's Talk' by Popular Successful Entrepreneurs

As part of DISA's ongoing efforts to inspire and guide aspiring entrepreneurs, several 'Entrepreneur's Talk' events were conducted featuring successful entrepreneurs who shared their journeys, challenges, and strategies for success. These talks were well-received by students and provided invaluable insights into the world of entrepreneurship.

On 15th September 2023, **Mr. Sanjeev Sarma**, Founder & CEO of WebX Technologies Pvt. Ltd, delivered a motivational talk to the AdtU's student's fraterrity

Mr. Ratan Kumar, Founder & CEO of Encamp Adventures, a successful tourism startup from Assam, shared his entrepreneurial journey, highlighting sustainable tourism practices, challenges in funding, team building, and navigating regulatory frameworks

4. IdeatePitch

DISA facilitated the 'IdeatePitch' event, which was a platform for students to pitch their innovative ideas to a panel of experienced entrepreneurs and investors. This event fostered creativity and problem-solving skills, while also providing students the opportunity to receive constructive feedback on their ideas.

On 16th-17th February 2024, **Mr. Kanakn Jyoti Kharghoria**, Project Manager at Ernst & Young, served as the judge, providing valuable industry insights in IdeatePitch-2.0 organized by Faculty of Pharmaceutical Science and IIC-AdtU.

5. Problem Solving and Ideation Workshop

The Problem Solving and Ideation workshop equipped students with essential tools and techniques to approach complex problems systematically. The workshop focused on ideation methodologies and problem-solving frameworks, enabling students to develop innovative solutions.

On 28th-29th February 2024, The Idea Challenge Competition, an Intra Institutional Hackathon, was organized to foster interdisciplinary collaboration and innovative problem-solving among students.

6. Showcasing Innovation: Poster Presentation of Ideas

DISA organized an event to showcase innovative ideas in a poster presentation format. This event allowed students to present their creative concepts to peers, faculty, and industry professionals, fostering collaboration and knowledge sharing among participants.

On 19th-20th February 2024, a poster presentation was organized by Faculty of Engineering, Institution's Innovation Council (IIC), E-Cell, and down town Venture Labs at Assam down town University.

7. Motivational Workshop with Visionary Innovators

A motivational workshop featuring visionary innovators provided students with the right mindset to pursue their entrepreneurial dreams. The workshop was a platform for students to hear from thought leaders who have made significant contributions to innovation.

8. Idea Challenge Competition

The Idea Challenge Competition encouraged students to think critically and creatively to solve real-world problems. The event was designed to identify the most promising ideas and provide them with the necessary mentorship and resources to bring them to life.

On 21st February 2024, Idea Challenge competition was organized to showcasing the the talent of participants.

9. One-Day Workshop on 'Achieving Problem-Solution Fit and Product-Market Fit'

A one-day workshop was conducted to help students understand the critical concepts of problem-solution fit and product-market fit. The workshop focused on how these concepts are crucial for building successful businesses and helped students fine-tune their entrepreneurial ideas.

On 19th February 2024, The Faculty of Pharmaceutical Sciences, in collaboration with the Institution's Innovation Council (IIC), down town Venture Lab (dtVL), and E-Cell, AdtU, organized a one-day workshop on "Achieving Problem-Solution Fit and Product-Market Fit" to equip students and budding entrepreneurs with practical insights into aligning innovations with market needs.

10. Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer

This workshop focused on educating students about the process of innovation development, technology readiness levels (TRL), and the commercialization of laboratory technologies. It highlighted the importance of bridging the gap between research and commercialization, offering students the necessary tools to transform innovations into marketable products.

On 26th February 2024, The Faculty of Engineering, in collaboration with E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, organized a one-day workshop on 'Process of Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer'.

11. Innovation & Entrepreneurship Outreach Program in Schools

The Directorate extended its reach beyond the university by organizing an innovation and entrepreneurship outreach program in schools. This initiative aimed at fostering an entrepreneurial mindset in younger students and encouraging them to explore innovation from an early age.

12. Workshop on Design Thinking, Critical Thinking, and Innovation Design

A workshop on Design Thinking, Critical Thinking, and Innovation Design was organized to help students develop essential cognitive skills for problem-solving. The workshop emphasized creativity, critical thinking, and human-centered design methodologies, which are crucial for fostering innovation.

On 20th February 2024, a workshop on "Design Thinking, Critical Thinking, and Innovation Design" was organized by E-Cell, IIC-Assam down town University, and down town Venture Labs to equip participants with essential problem-solving skills and insights necessary for innovation.

13. Field Visit to Skill Development Centre and Geospatial Lab

On 4th November 2023, a field visit to the Skill Development Centre and Geospatial Lab provided students with practical exposure to cutting-edge technologies and skill development programs. The visit enabled students to understand the importance of skill enhancement in the realm of innovation and entrepreneurship.

14. Blockchain and NFT Minting Workshop

DISA organized a hands-on workshop on Blockchain technology and NFT minting. The workshop educated students about the growing world of digital assets, decentralized finance, and the role of blockchain in innovation. This knowledge has equipped students with the tools to explore new opportunities in the blockchain space.

On 20th September 2023, Mr. Varun Desai, Head of Tezos India Arts and Culture, who introduced participants to the decentralized nature, security, and disruptive potential of blockchain technology across various sectors.

15. Innovative Food Product/Salad Competition

An Innovative Food Product/Salad Competition encouraged students to combine creativity with sustainability. The competition promoted the development of innovative food products that are both healthy and environmentally friendly, providing students with an opportunity to showcase their culinary ingenuity.

On 26th February 2024, the Innovative Food Product/Salad Competition, organized by the Faculty of Science, E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, aimed to inspire creativity and innovation in food preparation by combining culinary skills with nutritional science

16. Entrepreneurial Opportunities of Mushroom Cultivation

The Entrepreneurial Opportunities of Mushroom Cultivation workshop explored the potential of mushroom farming as a sustainable and profitable business. Students were introduced to the agribusiness sector and provided with insights into the cultivation, commercialization, and marketing of mushrooms.

On February 26, 2024, Dr. Manoj Kumar Kalita, who provided an in-depth understanding of edible vs. poisonous mushrooms, the cultivation process, suitable species, and optimal growth conditions. He also highlighted the medicinal and nutritional benefits of mushrooms and their economic viability.

Collaboration with dtVL Foundation & IIC-Assam down town University: Onboarding and Cheque Distribution Event for Student Incubatees

In a significant collaborative effort, the down town Venture Labs (dtVL) Foundation and the Innovation and Incubation Centre (IIC) at Assam down town University hosted the "Onboarding and Cheque Distribution Event for Student Incubatees" on October 16, 2023. This event marked the successful onboarding of student incubatees who were provided financial support and resources to help accelerate their startup journeys. The event witnessed the distribution of funds to the incubatees, empowering them to take their innovative ideas to the next level. Through this initiative, DISA has solidified its role as a key player in supporting young entrepreneurs and their ventures.

The cheque distribution ceremony held on October 16, 2023 organizedjointly by dtVL and ICC of Adtu, where 15 student incubatees received pre-incubation grants to support their startup ventures.

Assam down town University hosted "Envision 2024"

Assam down town University successfully hosted the 'Envision' 2024 Entrepreneurship Summit on 4th and 5th April, 2024, in Guwahati, Assam. This landmark event, organized by the Directorate of Innovation, Startup, and Acceleration (DISA), in collaboration with down town Venture Labs Foundation, Institution's Innovation Council (IIC), and E-cell, brought together key stakeholders such as Assam Startup, Meity Startup Hub, and Vikshit Bharat Abhiyan to showcase the region's entrepreneurial potential.

The summit featured a diverse array of activities, including a startup competition, workshops, a hackathon, and panel discussions, creating an exceptional platform for networking, learning, and collaboration. It attracted participants ranging from budding entrepreneurs to seasoned investors, fostering meaningful exchanges and partnerships.

The inauguration ceremony was graced by distinguished guests such as Sri PVSLN Murty, Chairman and Managing Director of North Eastern Development Finance Corporation Ltd.; Smt. Vandana Srivastava, Jurisdictional Director of Software Technology Park of India (STPI), Guwahati; and Dr. Y. Jayanta Singh, Executive Director of National Institute of Electronics & Information Technology (NIELIT), Assam. Their presence and insights did set the tone for the summit's success, emphasizing the role of technology and innovation in driving economic growth in Northeast India.

'Envision' 2024 has significantly contributed to fostering a culture of innovation and entrepreneurship in the region, laying a strong foundation for the future of startups and technological advancements in Northeast India. The event successfully bridged gaps between visionary ideas and their realization, empowering participants with essential tools, knowledge, and industry connections to drive the future of innovation.

The series of events organized by the Directorate of Innovation, Start-ups, and Acceleration (DISA) in the academic year 2023-24 has been instrumental in fostering a culture of innovation, entrepreneurship, and problem-solving among the students of Assam down town University. These initiatives have not only inspired students to think creatively but also have provided them with the tools and resources to transform their ideas into viable businesses. DISA remains committed to its mission of nurturing the next generation of innovators and entrepreneurs.

Directorate of Alumni Affairs

The Directorate of Alumni Affairs, in collaboration with the Alumni Association, successfully conducted various alumni engagement activities during 2023-24, including 13 Alumni Interactions/Talks to strengthen connections with the alumni community. One international and two national alumni meets were organized in Dhaka, Dibrugarh, and Guwahati, facilitating networking opportunities. Additionally, the university recognized twelve distinguished alumni under the "Alumni of the Month" initiative for their significant contributions in their respective fields. The prestigious "AdtU Alumni Award for Inspiring Achievement" was also presented to honor outstanding alumni accomplishments. These initiatives have significantly contributed to fostering a strong and engaged alumni network, reinforcing a sense of belonging and pride among graduates while ensuring continued collaboration and growth.

Alumni Meet in Dhaka – A moment of camaraderie as distinguished alumni and university representatives gather for the international alumni meet, fostering connections and celebrating achievements.

The Student Welfare Fund Committee (SWFC), under DoSA, provided financial support through grants and loans in 2023-2024, assisting students in academic, entrepreneurial, and extracurricular pursuits. A total of seven welfare grants were awarded for internships, entrepreneurial projects, sports, and inter-university events, while four welfare loans supported academic projects and educational trips. No applications were received for the Student Emergency Medical Fund. The SWFC remains committed to fostering student development by alleviating financial constraints and encouraging holistic growth.

Student volunteers engaging in the orientation program for newly admitted students as part of DoSA activities.

Further, the **Directorate of Student Affairs** at Assam down town University played a pivotal role in organizing and facilitating various events throughout the academic year 2023-2024, fostering student engagement and holistic development. The year began with **Orientation Day** on August 12, 2023, where freshers were introduced to campus life through interactive sessions, ice-breaker activities, and campus tours. On August 15, the **Independence Day Celebration** honored the spirit of patriotism with flag hoisting, cultural performances, and a speech competition. From November 5-7, the vibrant **Sanskriti Cultural Fest** showcased student talents in music, dance, and drama, celebrating the university's cultural diversity. The **Workshop on AI & Machine Learning**, held on January 15, 2024, provided students with hands-on experience in emerging technologies, guided by industry experts. Sports enthusiasts actively participated in the **Annual Sports Meet** from March 10-12, fostering teamwork and physical fitness through various athletic events. The **Alumni Meet** on June 20 reunited former students for networking

sessions and career discussions, strengthening alumni relations. The academic year concluded with the **Convocation Ceremony** on July 15, where graduates were awarded their degrees in the presence of esteemed guests and faculty. Through these diverse initiatives, the **Directorate of Student Affairs** successfully enriched student experiences, promoting academic excellence, cultural appreciation, and professional growth.

International Day for Biological Diversity:The **AdtU Biodiversity Club**and**Green Intention Program**, under the Faculty of Science, celebrated *International Day for Biological Diversity* on **22nd May 2024**, embracing the theme *"Be Part of the Plan."* The event commenced with a welcome address by **Prof. L. N. Kakati**, Chairperson of the AdtU Biodiversity Club, who delivered an enriching talk on the biodiversity of Northeast India, followed by an insightful speech by **Honorable Vice-Chancellor, Prof. N. C. Talukdar**, emphasizing the importance of conservation and presenting an engaging video on *"The Life Cycle of a Dove."* A key highlight was the launch of the club's first newsletter, **"AdtU Nature,"** showcasing its efforts in biodiversity restoration and sustainability. Additionally, **Levi Haokip**, a 4th-semester B.Sc. Forensic Science student, presented the **1.5°C Climate Clock,** underscoring the urgency of addressing climate change. With more than **100 participants** actively engaging in discussions and activities, the program successfully inspired students to take proactive steps in biodiversity conservation, reinforcing Assam down town University's commitment to environmental sustainability.

The **AdtU Biodiversity Club** released its inaugural newsletter "AdtU Nature" on the event of *International Day for Biological Diversity.*

SPIC MACAY 2024, Guwahati and Assam down town University Chapters: Padmashri Dr. Kiran Seth, founder of SPIC MACAY, visited Assam down town University (AdtU) for an inspiring day of engagement. He was welcomed by the Dean of Studies, Prof. Bandana Dutta, and later posed for photographs near the Mahatma Gandhi statue. A press conference followed, where the SPIC MACAY team shared insights about their mission and work.

Dr. Seth was then felicitated by AdtU's Vice Chancellor, Prof. (Dr.) N. C. Talukdar, Pro-Vice Chancellor Prof. (Dr.) Pranveer Singh, and Prof. Bandana Dutta. The program included a soulful bhajan by the Performing Arts faculty, followed by an enlightening talk by Dr. Seth on the importance of sustainability, wellness, classical music, and meditation in students' lives. An interactive session with the audience followed, creating a reflective atmosphere.

A group photograph with Dr. Seth and the entire SPIC MACAY team after the memorable session at AdtU.

The event concluded with a vote of thanks and group photographs, followed by a lunch hosted in honor of the SPIC MACAY team. This visit marked a significant milestone in fostering cultural and intellectual growth at AdtU.

AdtU organized a National Consultative Meeting on the "Establishment of the National Tribal Science and Technology Council (NTSTC)."

The National Consultative Meeting on the establishment of the National Tribal Science and Technology Council (NTSTC) and meeting of the expert committee of the Tribal Sub-Plan under DST, GoI was held from August 20-22, 2023, at Assam down town University, Guwahati. The event brought together key stakeholders to discuss the council's framework, functions, and funding mechanisms.

Prof. N.C. Talukdar, Vice Chancellor of Assam down town University, presided the meeting and delivered the welcome address, setting the stage for insightful discussions. This was followed by presentations from Dr. Debapriya Dutta, Adviser, DST, GoI, on the Tribal Sub Plan Scheme and Dr. Vinita Srivastava, Adviser, from the Ministry of Tribal Affairs, GoI. Vice Chancellors and

their representatives from various tribal universities—including Indira Gandhi National Tribal University (Madhya Pradesh), Sidho-Kanho-Birsha University (West Bengal), Rajiv Gandhi University (Arunachal Pradesh), University of Ladakh (Ladakh), Birsa Munda Tribal University (Gujarat), Central Tribal University of Andhra Pradesh, and Kalinga Institute of Social Sciences (Odisha)—deliberated on NTSTC's structure, research priorities, and funding strategies.

Vice Chancellors and their representatives from various tribal universities of India deliberating on the framework and research priorities of NTSTC

Members of the Expert Committee highlighted the critical role of science and technology in tribal development. The meeting concluded with a consensus on NTSTC's governance, funding models, and collaborative strategies, reinforcing Assam down town University's commitment to advancing tribal education, research, and innovation.

During August 21-22, 14 experts from different universities/organization across the country, evaluated over 50 project proposals under STI-hubs submitted for potential support. Another 40 ongoing project progress were also evaluated by the experts.

Assam down town University's Strategic MoUs for Research, Academics, and Infrastructure Development

Assam down town University has signed Memorandums of Understanding (MoUs) with various National universities, institutes, and organizations to enhance its research, academic, and infrastructural capabilities. These collaborations aim to foster knowledge exchange, joint research initiatives, faculty and student development programs, and infrastructure expansion. Through these strategic partnerships, the university seeks to strengthen its academic excellence, promote innovation, and provide students with global learning opportunities. This initiative reflects the university's commitment to advancing education and research through meaningful collaborations with esteemed institutions.

Details of MoU signed in this academic session 2023-24.

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
1.	Institute of Urology and kidney Disease, Guwahati, Assam	Collaboration in the field of training, R&D, dissemination of knowledge. Industry visit, internship and clinical posting in the field of Paramedical Sciences.	07-06-2024 to 06-06-2025
2.	Bharatiya Engineering Science and Technology Innovation University (BESTIU), Andhra Pradesh	Joint research activities in the area of mutual interest and exchange of resources for research.	27-09-2023 to 26-09-2026
3.	AAFT University, Raipur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
4.	Arya College of Engineering (ACE), SP-40, Industrial Area (RIICO), Delhi Road, Kukas, Jaipur	Collaborative research and exchange of students and staffs.	27-09-2023 to 26-09-2024
5.	ASM (AudyogikShikshan Mandal) Groups of Institute, Pune	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
6.	Automotive Skills Development Council (ASDC), E-113, Okhla Industrial Estate Phase-III, New Delhi	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
7.	D.Y. Patil International University, Maharashtra	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
8.	G D Goenka University, Gurugram, Haryana	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
9.	G.L. Bajaj Institute of Management and Research, Noida	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
10.	Gangadhar Meher University, Amruta Vihar, Sambalpur, Odisha	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
11.	Guru Ghasidas Vishwavidyalaya, Bilaspur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
12.	I S B R Business School, Bengaluru	Collaboration in teaching, R&D and consultancy; joint phD program, certificate program and research.	27-09-2023 to 26-09-2026
13.	ISBM University, Chattisgarh	General academic collaboration and exchange of students.	27-09-2023 to 26-09-2026
14.	Jaipuria School of Business, Ghaziabad, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
15.	JIS GROUP, Kolkata, West Bengal	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
16.	K S R institute for Engineering and Technology, Tamil Nadu	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
17.	Maharaja Agrasen Himalayan Garhwal University, Uttarakhand	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
18.	NIMS University, Jaipur Rajasthan	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
19.	Sai Nath University, Jharkhand	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
20.	Sanskriti University, 28 K.M., Mathura- Delhi Highway, Chhata, Mathura, Uttar Pradesh	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
21.	Sigma University, Vadodara, Gujarat	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
22.	Studlence Edu Tech Pvt. Ltd., Greater Noida, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
23.	T.R.C. Law College, Barabanki, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
24.	Vidyabharati Foundation's Institute of Business Management and Research and IBMR Group of Institutions, Hubballi, Karnataka, India.	Development of program of study, course, Pedagogy, collaborative research, faculty and student exchange, etc.	27-09-2023 to 26-09-2026

Enhancing Infrastructure and Facilities at Assam down town University

In the pursuit of academic excellence and holistic student development, Assam down town University has made significant strides in upgrading and expanding its infrastructure during this academic session. Our commitment to providing a world-class learning environment has led to the introduction of several new facilities and the renovation of existing ones to meet evolving educational standards.One of the key developments this year has been the enhancement of classroom and laboratory facilities. To foster a more interactive and engaging learning experience, we have equipped classrooms with modern audio-visual aids and smart learning tools. Additionally, new state-of-the-art laboratories have been established, ensuring that students receive hands-on experience with cutting-edge technology and research methodologies.

In our endeavor to support holistic growth, we have also upgraded our library facilities. The addition of digital resources, e-books, and high-speed internet access has significantly improved the ease of research and self-learning opportunities for students and faculty alike. The expansion of study spaces and reading rooms has further enriched the academic ambiance of the university.Recognizing the importance of student well-being, the university has invested in upgrading hostel facilities, ensuring a comfortable and secure residential experience. The hostels have been equipped with modern amenities, including better recreational spaces, hygienic dining facilities, and enhanced security measures. Furthermore, a new sports complex has been introduced to promote physical fitness and extracurricular engagement among students.The digital transformation of administrative processes has been another milestone this year. The implementation of an advanced Learning Management System (LMS) and an upgraded online student portal has streamlined academic and administrative operations, making them more efficient and accessible.

Additionally, our commitment to sustainability has led to the addition of biogas plant, sewage treatment plants (STP) planting of more tree and establishment of valuable wood plantlets to already existing installation of eco-friendly infrastructure, including solar panels, rainwater harvesting systems, agar wood plantations and other green spaces across the campus. These initiatives align with our vision of fostering an environmentally responsible campus.

Details of area covered by the different facilities of Assam down town University

Sl. No	Name of the Building/Facilities	Area Covered (in Sq ft)	Area Covered (in %)

These strategic advancements reflect Assam down town University's unwavering dedication to providing a world-class education and a dynamic learning environment. As we continue to grow, we remain committed to innovation, excellence, and student-centric development, ensuring that our institution remains a beacon of knowledge and progress.

Glimpses of the newly introduced or renovated facilities at Assam down town University

Newly introduced facilities in the Academic building to support student endeavor

Newly introduced Well-Equipped Common Spaces for Student Engagement and Learning

Campus Shuttle and Transport Facilities including e-vehicles for Convenience & Connectivity

Encouraging Fitness and Sports: A Hub for Recreational and Competitive Activities

AdtU's steps towards a Sustainable Future: Environmental Conservation and Green Technologies.

Encouraging Academic Excellence through Conferences, FDP, and Professional Memberships

At Assam down town University (AdtU), we are committed to fostering a culture of academic growth and knowledge exchange. To this end, we actively encourage our faculty members and students to participate in national and international conferences, workshops, and Faculty Development Programs (FDPs). These platforms provide valuable opportunities to share innovative ideas, engage in scholarly discussions, and stay updated with the latest advancements in various fields.

To support this initiative, AdtU has a dedicated scheme that facilitates financial assistance for faculty and students attending such prestigious events. Additionally, the university recognizes the importance of professional networking and encourages faculty members to obtain memberships in renowned national and international academic and professional bodies. To ease this process, AdtU provides reimbursement for membership fees, ensuring that faculty members have access to valuable resources, collaborations, and professional development opportunities.Through these efforts, AdtU reinforces its commitment to academic excellence, continuous learning, and global engagement, enabling its faculty and students to contribute meaningfully to their respective domains.

In this academic year, a large number of our esteemed faculty members have actively participated in various national and international conferences, workshops, and Faculty Development Programs (FDPs). These engagements have provided them with valuable insights, research collaborations, and opportunities to contribute to the academic community.

Below is a comprehensive list of conferences and FDPs attended by our faculty members, showcasing their dedication to continuous learning and professional development:

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
1	Dr. Saikat Sen	Faculty of Pharmaceutical Science	Keynote Speaker in e-FDP 'EITAP-2k24' organized by Shri Venkateshwara College of Pharmacy, Puducherry	NA	3rd to 8th June 2024	Online

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
2	Dr. Faruk Alam	Faculty of Pharmaceutical Science	National conference "Drug Discovery and In-Silico Drug Design "	Drug Discovery and In-Silico Drug Design "	18.11.2022	Royal School of Pharmacy
3	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Workshop cum Valu Added Course on Nanotechnology (Amazing Nano 2023), organized by Department of Electronics and Communication Engineering, School of Technology, Assam Don Bosco University, Guwahati.	Advancement of nanotechnology in biomedical application	03.10.2023	Online Mode
4	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Virtual Symposium on "Application of Biotechnology" organized by INTI, Malaysia	Exploring Natural Resources in Quest for Lead Molecules	20.09.2023	Online Mode
5	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Two-day workshop on "Mastering the Art of Research: From Selection to Publication"	Identifying and selecting a viable research area	01.09.2023	Pratiksha Institute of Pharmaceutical Sciences, Guwahati
6	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Four-Day Workshop	Basic data Science in Pharmacoepidemiology	25th to 29th March 2022	Pharmacy Literacy Club/ MAHE, Manipal, Karnataka, India
7	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Three Day National Webinar	Recent Trends in Pharmaceutics and Novel Drug Delivery Systems	21st to 23rd March, 2022	Dept. of Pharmaceutics (MPH), Shri Vishnu College of Pharmacy (Autonomous), Bhimavaram, Andhra Pradesh,
8	Dr. Rinchi Bora	Faculty of Pharmaceutical Science	APTICON 2023	Analytical method development, validation, synthesis, characterization and forced degradation studies of	2nd to 3rd September, 2023	PSIT, Kanpur

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
				TDF and its impurities.		
9	Dr. Pal Gogoi	Faculty of Pharmaceutical Science	APTICON, 2023	Analytical method development, validation, synthesis, characteizati on and forced degradation studies of TDF and its impurities.	2nd & 3rd Septem ber, 2023	PSIT, Kanpur
10	Prof (Dr) Manashi Sengupta	FACULTY OF NURSING	77th TNAI National Conference: "Invest in Nursing for Global Health"	Attended as a delegate	30th-31st January 2023	30th-31st January 2023 SRIMANTA SANKARADEV A INTERNATIONA L AUDITORIUM, GUWAHATI
11	Ms Sujana Yambem	FACULTY OF NURSING	77th TNAI National Conference: "Invest in Nursing for Global Health"	Attended as a delegate	30th-31st January 2023	SRIMANTA SANKARADEV A INTERNATIONA L AUDITORIUM, GUWAHATI

Recognition and Accolades: Commitment to Society and Academic Excellence

At Assam down town University (AdtU), our dedicated faculty members and students actively contributed to society through various initiatives, research, and community engagement. Their relentless efforts in education, innovation, and social service have been recognized by esteemed national and international organizations.

In recognition of these contributions, many of our faculty and students have received accolades, awards, and honors from distinguished bodies. These achievements reflect the university's commitment to academic excellence, social responsibility, and impactful learning.

This year, the AdtU fraternity has earned numerous prestigious recognitions, further strengthening our reputation as a center of excellence. These honors serve as a testament to the hard work, dedication, and passion of our faculty and students in making a meaningful difference in society.

Extracurricular Activities at AdtU: A Year of Engagement and Growth

At AdtU, extracurricular activities play a crucial role in shaping students' holistic development alongside their academic pursuits. Throughout the year, students actively participated in various clubs, each catering to diverse interests and talents. These clubs provided a platform for students to express their creativity, enhance their skills, and foster a sense of community.

Highlights from the Clubs

1. Drishya Drama Club

The Drishya Drama Club captivated audiences with its outstanding theatrical performances. Students showcased their acting talents through stage plays, skits, and monologues, addressing social issues and entertaining the university community.

2. Om Yoga & Meditation Club

This club played a significant role in promoting wellness and mindfulness. Regular yoga and meditation sessions helped students manage stress, improve concentration, and embrace a healthy lifestyle. Special workshops on mental well-being were also conducted.

3. Erudite Literary Club

With a passion for literature and creative writing, the Erudite Literary Club organized poetry recitations, storytelling sessions, and debate competitions. The club encouraged students to enhance their writing and public speaking skills.

4. Tribhanga and Zephyr Dance Clubs

These dance clubs brought vibrancy to campus life through dynamic performances in various styles, including classical, contemporary, and fusion. The clubs participated in inter-university dance competitions and organized workshops for aspiring dancers.

5. Dorian and Bandish Music Club

Music enthusiasts found their home in the Dorian and Bandish Music Club, where students engaged in vocal and instrumental performances. The club hosted open mic sessions, battle-of-the-bands competitions, and musical evenings, enriching the cultural landscape of the university.

6. Beethika Art Club

The Beethika Art Club nurtured students' artistic talents through painting exhibitions, mural projects, and workshops. The club also contributed to beautifying the campus with creative art installations and graffiti projects.

7. Sports Club

With an emphasis on physical fitness and teamwork, the Sports Club organized tournaments in football, basketball, cricket, badminton, and other sports. Students actively participated in intra- and inter-university competitions, showcasing their athletic prowess.

8. Landscape, Photography & Cine Club

This club provided a platform for students to explore visual storytelling through photography and filmmaking. Members captured stunning images of campus life, produced short films, and conducted photography workshops to enhance technical skills.

A Year of Achievements and Inspiration

The year witnessed a surge in student engagement across all clubs, reflecting a culture of creativity, teamwork, and self-expression at AdtU. These extracurricular activities not only helped students hone their talents but also contributed to their overall personality development. The university remains committed to fostering such opportunities, ensuring that students receive a well-rounded educational experience.

Championing Excellence: Sports Activities at AdtU (2023-24)

The academic year 2023-24 was a remarkable period for sports at Assam down town University (AdtU), marked by outstanding achievements, thrilling competitions, and a growing spirit of sportsmanship among students and faculty alike. From badminton and cricket to a grand sports fest, the university's athletes and teams showcased their dedication, resilience, and competitive excellence on multiple prestigious platforms.

AdtU Badminton Championship 2024

The AdtU Badminton Championship 2024, held on 23rd May 2024, was a spectacular event that witnessed participation from various universities and institutions. The championship featured competitions in Men's and Women's team events, along with an exciting Mixed Doubles category.

- Men's Team Event: The champions were AIPE (A) from the Abhiruchi Institute of Physical Education, with stellar performances from Lahu Linggi, Sonmyadeep Saha, Diwas Yadav, Kabeer Husain, and Jyoti Kachari. The runners-up were KKHSOU (Krishna Kanta Handique State Open University), featuring Sangram Chutia, Sajid Akhtar, Meraj Hussain, Saurav Jyoti Deka, and Ashok Talukdar. Sangram Chutia was awarded the Best Player (Men) title for his exceptional gameplay.
- Women's Team Event:Cotton University emerged victorious, represented by Suzen Buragohain and Pratiksha Pathak, while the Asian Institute of Management secured the runner-up position with Pratiksha Borgohain and Vasundhara Tanwar. Upasana Borgohain of Cotton University was named Best Player (Women) for her outstanding performance.
- Mixed Doubles Tournament:Cotton University (B), represented by Irfan Ahmed and Suzen Buragohain, claimed the championship title. Cotton University (A), comprising Tehzeeb Rahul Toufique and Pratiksha Pathak, finished as runners-up.

Inter-University and Inter-College Cricket Achievements

The AdtU Cricket Team had an eventful year, participating in various prestigious tournaments, showcasing their skill and teamwork at both regional and inter-varsity levels.

- Nemcare Group Premier League (Season 6): Held in November 2023, the AdtU team participated in this competitive tournament hosted by NITS Mirza, Guwahati. The team

secured a victory in their first league match, demonstrating their potential and teamwork.

AdtU Cricket Team Competes in Nemcare Group Premier League at NITS Mirza, Guwahati.

- Inter-College Cricket Tournament (Govt. Ayurvedic College, Guwahati): AdtU's team exhibited great resilience and skill, reaching the quarter-finals, further strengthening the university's presence in regional cricket.
- 3rd Niloy Dutta Memorial Inter-Varsity Cricket Tournament: Organized by the Assam Cricket Association (ACA), this prestigious event saw AdtU winning two of their league matches, proving their growing competence in inter-university cricket.

Inter-University Badminton Tournament (Nagaland University, AIU)

AdtU's badminton players participated in the Inter-University Badminton Tournament, organized by Nagaland University under the banner of the Association of Indian Universities (AIU). The team secured two victories in their league matches, gaining invaluable experience while competing against top universities from the region.

Highlights of AdtU badminton players competing at the Inter-University event

Faculty Participation: Flood Light Cricket Tournament

Faculty members of AdtU also actively participated in sports. 16 teachers and 2 non-teaching staff represented AdtU in the Flood Light Cricket Tournament for University and College Teachers, organized by Gauhati University. The team showcased commendable performance, reaching the semi-finals, emphasizing the university's commitment to promoting sports among both students and faculty.

AdtU's Faculty Team Competes in Flood Light Cricket Tournament, organized by Gauhati University

ATTITUDE-2024: A Grand Celebration of Sports

The Sports Fest for ATTITUDE-2024, held from 19th to 21st February 2024, was a massive success, featuring over 350 students competing in various sports events, including:

- Badminton Singles (Male and Female)
- Badminton Doubles (Male and Female)
- Volleyball (Male and Female)
- Futsal (Male and Female)
- Arm Wrestling (Male and Female)

The event was not just a competition but a celebration of sportsmanship, camaraderie, and athletic excellence within the AdtU community.

The 2023-24 academic year was an inspiring journey for AdtU's sports teams and athletes. With remarkable achievements in badminton and cricket at inter-college and inter-university levels, as well as a successful sports fest, the university continues to foster a strong sporting culture. These milestones reflect the dedication of students and faculty towards sports, and AdtU remains committed to encouraging athletic talent and excellence in the years to come.

Executive Summary

In the academic year 2023-24, Assam down town University (AdtU) made remarkable strides in enhancing its research ecosystem, aiming to foster a culture of academic excellence, innovation and scientific inquiry. Effort was pot to complete the preparation for implementation of MEP 2020 full-fledged form 2024-25 sessions. The course superstructures across all programs completed by taking into consideration different facts such as multidisciplinary, interdisciplinary academics, industry academics interface and internationalization and through active involvement of faculty members. Another key focus has been on revising the Research Award Policy to further incentivize faculty-driven research, positioning AdtU as a leader in academic research and development. The University introduced advanced instrumentation across all Central Instrumentation Facilities (CIF), enhancing access to cutting-edge technology for sophisticated experimentation and analysis. Additionally, significant improvements to laboratory infrastructure have created a more conducive environment for groundbreaking research across various disciplines.

A cornerstone of AdtU's research expansion is the allocation of substantial seed funding. The University provided ₹87.49 lakhs in seed grants to 28 faculty-led projects, nurturing pioneering research ideas and promoting high-impact scientific discoveries. Furthermore, AdtU has successfully secured and is actively managing a total of ₹1389.06 lakhs in extramural research grants, awarded by prominent government agencies such as the Department of Biotechnology (DBT), Department of Science & Technology (DST), Indian Council of Medical Research (ICMR), and Assam Science Technology & Environment Council (ASTEC). These grants signify the University's commitment to addressing contemporary scientific and societal challenges through collaborative and high-quality research.

In addition to government funding, AdtU has also secured ₹89 lakhs from 25 non-government funding agencies, supporting 213 faculty-led projects. This financial backing underscores the growing recognition of AdtU's research excellence, facilitating its faculty members in exploring diverse and impactful areas of study.

The University's continued efforts to foster an innovative research environment are complemented by its diverse academic offerings, with 1982 students enrolled across 49 programs under 10 faculties. These initiatives aim to strengthen AdtU's position as a leading institution in higher education and research. Moving forward, the University is committed to refining its research infrastructure, expanding its funding avenues, and maintaining its focus on cutting-edge research that addresses both global and regional challenges.

The expansion of both indoor and outdoor sports infrastructure, enhancement of library resources, and accelerated initiatives across key directorates—including International Affairs (DIA), Career Advancement (DOCA), Innovation Start-up and Acceleration (DOSA), Alumni Affairs (DOAA), and Student Affairs (DOSA)—are propelling AdtU toward its vision of becoming a globally recognized university from Northeast India. With a strong focus on academic excellence, research, and holistic student development, AdtU is committed to shaping a better society.

BUDGET UTILIZATION FOR THE FINANCIAL YEAR 2023-24

SDG ANNUAL REPORT 2024

Version 1.2

Prof (Dr) Pranveer Singh
Pro Vice-Chancellor
Assam down town University

SDG 17 Report 2024

1. Introduction

AdtU recognises that achieving the Sustainable Development Goals requires **effective partnerships**, collaborations and resource networks. Aligned with **SDG 17 (Partnerships for the Goals)**, the university emphasises institutional linkages, data–policy integration, global networks and academic–industry collaborations that bolster its capability to contribute meaningfully to regional and global development.

2. Institutional & Industry Collaborations

- AdtU has signed more than 50 Memoranda of Understanding (MoUs) with universities, industry partners, research labs, NGOs and government agencies — including partnerships with TCS, L&T EduTech, Signova Healthcare, Numaligarh Refinery and Oil India. Many of these collaborations focus on internships, applied research, renewable energy, and start-up incubation. (adtu.in)
- On the academic front, ADTU partners with international universities (e.g., INTI International University, Malaysia; Infrastructure University, Kuala Lumpur) for student exchange, collaborative research and curriculum development. (adtu.in)
- A notable joint initiative: the **"**Bamboo Value-chain for North-East India**"** project in collaboration with Numaligarh Refinery Ltd and local rural MSMEs supports sustainable manufacturing and skill development, demonstrating industry–university–community linkages.

3. Multi-Stakeholder & Community Engagement

- The University's Green Fund (₹ 45 lakh) mobilises student-led social enterprises and links them with local artisans, government schemes and NGO mentors to build sustainable micro-businesses in the region.
- Through village-campus outreach programmes, AdtU engages panchayats, school networks and rural youth groups — hosting digital-literacy, skill-training and health-check camps in 14 rural clusters in 2024-25.
- The University's NSDC-certified vocational centre works with industry clusters, local villages and training providers to graduate 1,232 trainees in FY 24-25, enhancing regional employability and inclusive development.

4. Data, Policy & Capacity Building

- AdtU implements an institutional Data Governance Framework for sustainability tracking, aiming to link student, energy, water and waste datasets into a unified "Sustainability Dashboard" by 2026.
- The university's Research & Innovation cell has supported **28 student-led start-ups** through the Incubation Centre, bridging university–industry networks, and documenting performance via annual reports.
- AdtU participates in international academic networks (e.g., IAU-HESD, Global Universities for Sustainable Future) and hosts workshops on SDG-integration in curriculum and operations, strengthening global partnerships.

5. Monitoring, Impact & Future Roadmap

- Key indicators include number of MoUs (>50), number of students in international/industry exchange (>100), number of village-campus outreach linkages (>14), and trainees secured from rural youth programmes (>1,200).
- Planned initiatives: Launch a **"Global Partnerships Hub"** in 2025 for joint research on climate-tech and circular economy, extend vocational-training linkages to 2,000 youth by 2027 and implement a **Stakeholder Engagement Portal** for all campus–community–industry collaborations.
- An annual SDG-Partnership Report will be published and shared publicly, strengthening transparency and multi-stakeholder accountability.

Conclusion

AdtU's multi-sector collaborations, global networks, community linkages, data-driven frameworks and capacity-building initiatives position the university strongly in support of SDG 17: Partnerships for the Goals. The institution reaffirms its commitment to working with diverse partners to accelerate sustainable development outcomes at campus, regional and global levels.

Activity: Assembling of LED Bulb

School Name: Gurubhasa Higher Secondary School
District: Chirang
Trade: Electronics & Hardware
VT Name: Mr. Galif Jakaria

OVERVIEW OF THE PROJECT:

The overview of the project that a how a group of five students living ina remote area of Garubhasa, Chirang can make their livelihood easy by assembling and repairing LED bulbs and come into the race of becoming an entrepreneur.

OBJECTIVE OF THE PROJECT:

The primary goal of this project is to understand the basic componentsof an LED bulb and learn the process of assembling it. This hands-on experience will provide insights into the principles of electronics and sustainable lighting. The project focuses on assembling LED bulbs, offeringpractical insights into the components, technologies, and skills involved in creating energy-efficient lighting solutions.

Some important objective is as follows:

- Hand-on learning
- Understanding of LED technology
- Problem solving skills
- Team work
- Presentation Skills
- Practical application
- Soldering Proficiency etc.

Prof (Dr) Pranveer Singh
Pro Vice-Chancellor
Assam down town University

PHOTOGRAPHS OF THE ACTIVITY::

PHOTO 1: Students are applying heat sink compound between MCPCB and heatsink plate.

PHOTO 2: Students are fixing the MCPCB and heat sink plate with the help ofscrew.

PHOTO 3: Students are applying soldering past on positive and negativeterminal of the MCPCB

PHOTO 4: Vocational Trainer guiding students how to solder positive and negative terminal of the driver along with the positive and negative point of MCPCB.

DESCRIPTION OF THE ACTIVITY:

We arranged 9w LED bulb row materials like Housing, MCPCB, Driver,B22 etc.

After that we assemble the row materials part by part as follows:

- First we apply the heat sink compound between MCPCB and heat sink plate. Then with the help of screw fixed the MCPCB and heat sink plate.
- Secondly we solder the positive and negative terminal of the driveralong with the positive and negative point of MCPCB.
- Fixed the driver along with the MCPCB plate into the pc body. Connect the two terminal of the driver into the two holes of the b22 and solder it properly.
- Press the heat sink plate in the pc body using pressing machine. Punch the b22 in the pc body using punching machine. Now fixed the diffuserin the pc body.

After assembling the row materials we check the final product. If everythingis ok then the 9w LED bulb is ready to use.

LIST OF LEAD STUDENTS ALONG WITH VOCATIONAL TRAINER

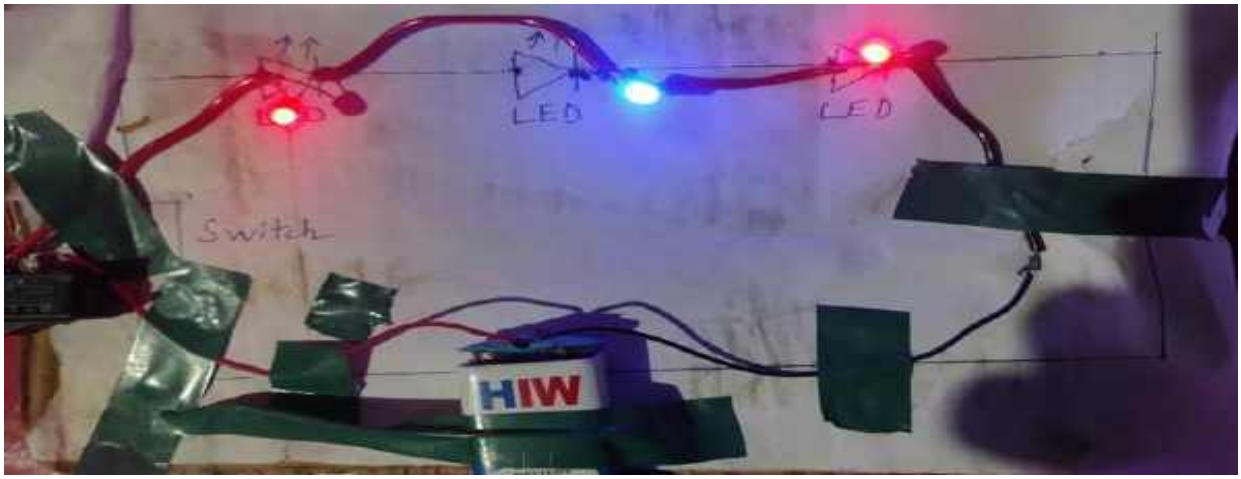
1. Kwmta Narzary , Class X
2. Mwikwm Basumatary,Class X
3. Naba Kr. Boro ,Class X
4. Sansuma Basumatary ,Class X
5. Sangrang Basumatary, Class IX

Activity: A Report on Series and Parallel circuit using LED

School Name : Channighat High School
District: Karimganj
Trade: Electronics & Hardware
VT Name: Sahidul Alom Barbhuiya

INTRODUCTION

- To understand how to connect LED in series and parallel.
- To understand how series and parallel circuit work.



OBJECTIVE

The aim of this activity is that the students can understand how to connect series and parallel circuit using LED.

EQUIPMENT USED IN PRACTICE VIDEO

SL. NO.	Name of Equipment
1	Breadboard
2	LED
3	Electronic Switch
4	9 volt Battery
5	Wire Stripper
6	Soldering Iron
7	Soldering Paste
8	Soldering Lead
9	Wire

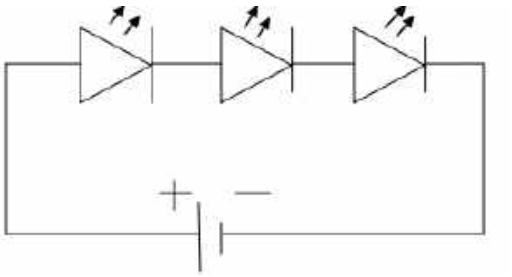
DESCRIPTION

BREADBOARD

A breadboard is a construction base used to build semi-permanent Prototypes of electronic circuit.

LED (LIGHT EMITTING DIODE)

Light-Emitting Diode (LEDs) comprises of several layers of semi-conducting material. When the diode is being utilized with DC, the active layer produces light. The LED emits light in a particular colour and this colour is dependent on the type of semiconductor material used in it.



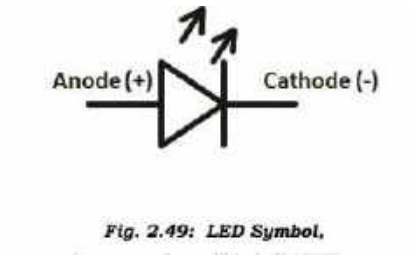


Fig. 2.49: LED Symbol,

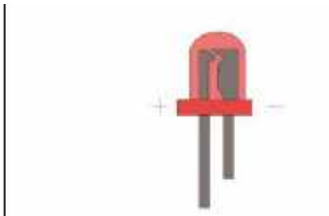

Fig. 2.50: LED Light,

Series circuit

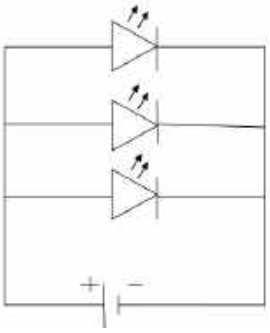
A Series circuit or series-connected circuit is a circuit having just one current path.

In a series circuit, electric load is connected along a single path in the circuit. So, the current flowing through each of them will remain same.

Parallel Circuit

Parallel circuit is one in which the battery current are divided into a number of parallel paths

In a parallel circuit, electric load in the circuit form multiple paths. Since, there are a number of paths, even if one electric load stops working, the other electric loads in the circuit will still work.



PROCEDURE OF THIS PRACTICE

- In this innovative practice student first learned about how Breadboard work and component connections in breadboard.
- Student done connection of LED in series using switch and Battery in Breadboard.
- Student done connection of LED in parallel using switch and Battery in Breadboard.
- Student learned about how to soldering component in circuit.
- Student done soldering of LED in series.

CONCLUSION

In this Practice session students has learned and done the connection of series and parallel circuit using LED(light emmiting diode) in breadboard and also thay has learned and done the connection of LED in series circuit using soldering technique.

STUDENT PARTICIPATED IN THIS PRACTICE

6. Sakir Ahmed.
7. Md Abdullah.
8. Pranay Debnath.
9. Abjel Hussain.

This Innovative practice was lead by **Sakir Ahmed** and **Md Abdullah.**

Activity: Cultivation of Oyster Mushroom

School Name: Gurufela High School
District: Kokrajhar
Trade: Agriculture
VT Name: Lovely Narzary

OVERVIEW OF THE ACTIVITY:

Oyster mushroom cultivation using sawdust and straw as a substrate. At first, we have to sterilize substrate by boiling with water. Moisture retention around 70 % should be there. Then we make holes into mushroom bag and put substrate and spawn into layers. Four layers of spawn and five layers of substrate. Then, we tie it tightly and put in a clean, dark and warm environment for mycelium growth. This usually takes a week then fruiting starts within 25 days. Finally harvesting of mushrooms can be done when the caps are fully developed.

OBJECTIVE OF THE ACTIVITY:

The main objective of this practice is providing opportunity for the students to earn livelihood by growing mushrooms. They can also gain skills by learning how to cultivate it and maintain it properly for better production.

PHOTOGRAPHS OF THE ACTIVITY

FIG (2): Drying of straw

FIG (3): Hanging of mushroom bags

FIG (4): Mycelial growth in mushroom bags

FIG (5): Fruiting stage of mushroom

FIG (6): Mature stage of mushroom

DESCRIPTION OF THE ACTIVITY:

Materials required:

1. Sawdust/Straw
2. Mushroom spawn,
3. Straw cutter,
4. Mushroom bags,
5. Rubber band

6. Tarpauline sheet
7. Pan for boiling
8. Firewood
9. Bamboo basket
10. Water, and
11. Rope.

Procedure:

1. At first, we have to cut straw into (7-8 cm) so that mushroom spawn can colonize the straw easily.
2. Boiling of straw (i.e. Heat Sterilization) is done as this will help in reducing microbial contamination present in the substrate (i.e. Straw).
3. Drying of straw is done. 70% moisture should be retained after drying as this creates an ideal environment for fungal growth.
4. Punching of mushroom bags.
5. Dividing spawn into two equal parts and from that two parts again division into four parts so, that we can put four layers.
6. Then, we will put the straw into bags then spawn into circular manner excluding in mid-position.
7. Then another layer of straw and repeatation until spawn is put into four layers and straw into five layers.
8. Tying of mushroom bags.
9. Hanging of bags into rope with a rope in a bamboo.
10. After 15-20 days mycelial growth can be observed.
11. Fruiting will start after one month approximately.
12. Then further growth of mushrooms can be observed.
13. When the mushroom edges changes from round to curl it can be plucked and packed.

Activity: JCB Model Making

School Name: Joymati High School
District: Biswanath
Trade: Electronic & hardware
VT Name: Bipul Borah

OVERVIEW OF THE ACTIVITY:

Creating a model of a JCB (a type of construction vehicle) can be a fun and engaging project. Here's a general guide to help you get started:

Materials Needed:

1. **Reference Images**: Find clear pictures or diagrams of a JCB to use as a reference throughout your project.
2. **Cardboard or Foam Board**: For creating the main structure of the model.
3. **Scissors and Craft Knife**: To cut out the shapes from the cardboard or foam board.
4. **Glue**: Use strong glue suitable for bonding cardboard or foam.
5. **Paint and Brushes**: For adding color and details to your model.
6. **Markers or Pens**: Optional for adding finer details.
7. **Wheels and Axles**: Small plastic or wooden wheels that resemble JCB tires.

Steps to Create the Model:

1. **Plan and Design**: Start by sketching out a basic design based on your reference images. Decide on the scale of your model (e.g., 1:20, 1:50).
2. **Cut Out the Parts**: Using your cardboard or foam board, cut out the main parts of the JCB — the cabin, the front loader, the rear digging arm, and the chassis.
3. **Assemble the Structure**: Glue the parts together according to your design. Allow time for the glue to dry and ensure the structure is sturdy.
4. **Add Details**: Use smaller pieces of cardboard or foam board to add details like lights, handles, and vents. Refer to your reference images for accuracy.
5. **Painting**: Once the structure is complete and dry, paint the model using appropriate colors. Use a combination of brushes and markers for finer details.
6. **Attach Wheels**: Attach the wheels to the chassis using glue or by inserting axles through holes in the cardboard.
7. **Final Touches**: After everything is assembled and painted, add any final touches such as decals, warning signs, or other small details to enhance realism.

Tips:

- **Patience is Key**: Take your time with each step to ensure accuracy and neatness.
- **Use Reference Images**: Refer back to your reference images frequently to ensure your model looks authentic.
- **Experiment**: Don’t be afraid to experiment with different techniques and materials to achieve the desired look.

By following these steps and using your creativity, you can create a detailed and impressive model of a JCB that you can be proud of!

Activity: Landscape gardening

School Name: Tingkhong HS School,
District : Dibrugarh
Trade: Agriculture
VT Name: Miss. Babyshree Arandhara

Vocational Trainer Miss. Babyshree Arandhara trained the students for Landscape gardening is both an art and science of the establishment of a ground in such a way that it gives an effect of a natural landscape.

Students are from Tingkhong HS School is learning about cultivation practices of different crops including both flower and vegetables and different agricultural practices So, the students decided to create three gardens in their school campus. With respect to growing season and crop duration Marigold was planted. Throughout the period all the students who are having subject Agriculture, they involve in each and every activities starting from land preparation, weeding, leveling, line making, planting, and other horticultural practices like-pinching, application of manure and other organic amendments. They learn how to enhance flowering on particular time with the help of special horticultural operation -Pinching, Seed sowing in pro-tray. It helps to encourage their technical knowledge and self employment towards Agriculture and Horticulture field.

PHOTOGRAPHS OF THE ACTIVITY:

Activity: Some crafts using bamboo and wood piece

School Name: Sadiya Govt. Higher Secondary School,
District: Tinsukia.
Trade: Retail
VT Name: Mr. Bikash Sarma

Vocational Trainer Mr. Bikash Sarma trained the
students for producing sofa from bamboo in school and selling the products in Market.

Students started to prepare some crafts using bamboo and wood piece. Students were preparing bamboo sofa set, pen stands, home decorative items like wall hangings, flower vase, some kitchen items etc.

PHOTOGRAPHS OF THE ACTIVITY:

Activity: Free Health Check-up Camp

School Name: Nahargurighat HS School,
District: Kamrup Metro.
Trade: Healthcare
VT Name: Miss. Maimi Rongson

Vocational Trainer Miss. Maimi Rongson trained the students to provide medical care and treatment to people in rural areas.

A free Helth Checkup camp organised by the students and the Vocational Trainer of Healthcare at Nahargurighat HS School. Students were involving in temperature monitoring, blood pressure monitoring and provided guidance to maintain personal hygiene. Local peoples were attended at this camp and through this camp students provided awareness and educate the local people about the Healthcare.

PHOTOGRAPHS OF THE ACTIVITY:

Activity: Mushroom Cultivation

School Name: Tumpreng H.S. School
District: W.K Anglong
Trade: Agriculture
VT Name: Rasen Bey

Overview: The mushroom cultivation activity at Tumpreng H.S. School was conducted successfully under the guidance of Rasen Bey. The objective of the activity was to introduce students to practical agricultural techniques and foster an interest in sustainable farming practices.

Key Highlights:

- **Participants:** Students from Class 9th and 10th participated actively.
- **Demonstration:** Rasen Bey led a comprehensive demonstration on mushroom cultivation techniques, covering the lifecycle of mushrooms and sustainable agricultural practices.
- **Hands-on Experience:** Students gained practical experience in preparing substrates, inoculating mushroom spawn, and maintaining optimal growing conditions.
- **Outcomes:** The activity successfully increased awareness about agricultural entrepreneurship and enhanced students' practical skills in mushroom cultivation.

PHOTOGRAPHS OF THE ACTIVITY:

Activity: Hydraulic Powered Mini Robotic Arm

School Name: Barbala HS School
District: Barpeta
Trade: Automotive
VT Name: Mozammel Hoque Sikdar

Overview:
The activity is conducted basically on to convert hydraulic pressure into mechanical movement. Which helps us to make a mini robotic arm.

Pascal's Low- Pressure applied to an enclosed fluid will be transmitted without a change in magnitude to every point of the fluid and to the walls of the container.

Objective of the activity:-
- The main aim of our activity is to build a hydraulic arm that can operate by hydraulic pressure.
- We have proposed a simple algorithm for hand controlling.
- To better understanding the students about application of hydraulic pressure.
- Understanding the practical example of Pascal's Low.
- The Students are now able to relate the other hydraulic machines operation process such as hydraulic brake, hydraulic jack etc.
- To gain basic knowledge on robotic movements.

PHOTOGRAPHS OF THE ACTIVITY:

Description: This present work involves constructing and operating a mechanical arm that is controlled by syringes filled with some fluid which lifts and moves small objects using hydraulics for power. It is a simple demonstration device for engineering education that consists of various parts connected to each other in a pre-designed manner which are guided in a constrained way to obtain required output.

When you push the plunger on a syringe, water is forced into a second syringe, extending its plunger and lifting a mechanical arm. The process illustrates aspects of fluid pressure, force, mechanical work. With a variety of applications, hydraulic systems are used in all kinds of large and small industrial settings, as well as buildings, construction equipment, and vehicles. Paper mills, logging, manufacturing, robotics, and steel processing are leading users of hydraulic equipment.

Material used:-

1. Hard cardboard for arms
2. Syringe (6 pcs.)
3. Wood sticks for joints and connections
4. Rubber pipe lines
5. Glue gun
6. Paper tape

PROCEDURE / Steps of Working:-

• Firstly we take the some hard cardboard links and cut it for the arms. • Then take a cardboard base and the first arm fixed on the base. • After that make holes on the arm for fixed the arms. Then the arms are fixed

by hard wooden sticks and also used washer for free movement of arms.

- There after take hard cardboard sheet for the small arms and cut the arms by measurement of and hole of this arm for both poles to fixed of the arms in the base structure. The holes are measured by the screw measurement.

- There after take hard cardboard sheet for the small arms and cut the arms by measurement of and hole of this arm for both poles to fixed of the arms in the base structure. The holes are measured by the screw measurement.

- After that take two syringes and joint the syringes by a pipe and the pipe is fixed by the glue in the syringe nozzle. And leave it for one hour to permanently fix the glue.

- After that in this joint syringes feel up by the water to follow the Pascal's law. And it's essential that the water in the syringe without any vacuum or without any bubbles.

- Last the water fell up syringes are fixed in the arms to move the arms by the pressure of the water or hydraulic.

Name of lead student:- Mozammel Hoque Sikdar Name of the Vocational trainer:- Dewan Rashidul Islam

Activity: Mushroom Cultivation

School Name: Nagabandha High School
District: Morigaon
Trade: Agriculture
VT Name: Phulmani Khataniar

Overview

The Mushroom cultivation activity was done by the students of class IX from Nagabandha High School on 8 December to 11 December 2023. Where they were cultivate oyster mushroom on rice straws. It is required about 3 days for preparation and 4-8 weeks for production of mushroom. The cultivation of mushroom is benefitted agro business where 4X income can be generated.

Objectives of the activity:

1. To provide basic knowledge in cultivation of mushroom.
2. To create awareness about the Mushroom among people.
3. To develop skill on agro-entrepreneurship development.
4. Sustainable use of resources.
5. To promote self-employment.

Photos of performing the activity:

Description:

The mushroom is one of the most suitable fungal organisms for producing protein rich food from various agro wastes without composting. Oyster mushroom can be grown in the plains and in temperatures ranging from 32 to 38 degrees centigrade. Mushroom, which is pure vegetarian food, is good for diabetic patients. It also has other medicinal properties. It is good for stomach-related ailments like gastric ulcer and has high fiber content and no sugar. It is also rich in protein. Mushroom cultivation has become a profitable business with the produce fetching good returns in the market.

Mushrooms are marketed as fresh, dried and preserved. Market for mushrooms is growing rapidly because of their nice aroma, subtle flavor, nutritious values and special taste. Many exotic preparations are made from them like soup, pickles, vegetables etc. It is also used for stuffing several food preparations and for garnishing.

Material used:

1. Paddy straws
2. Cutter
3. Water for boiling with utensils
4. Spawns (mushroom seeds)
5. Polythene bags
6. Rubber band

7. Cotton
8. Rope for hanging

Procedures of Mushroom Cultivation:

Collecting of rice straws from our house hold. Then chopping of straws into small pieces and boil them for 20-30 minutes. Boiled straws were dried out as removal of excess water. Making of mushroom cylinders in plastic bags and bedded it by rice straws. 2.5 inches of straws bed was prepared by hard pressing of the straws in the plastic bag and spreading spawns at periphery. Then same as repeated for 4 times in a single mushroom cylinder. Such types of 4 mushroom cylinders were made by our students. 8. The cylinders were then kept on dark place for 15 days to pin heading. 9. Then after 4-6 weeks we can harvest first batch of mushrooms.

310	Production Of Xanthan Gum From Inedible Parts Of Broccoli And Cauliflower	Dr. Biswa Prasun Chatterji	Faculty of Science	Environmental Research, Engineering And Management
311	Recent Advancement In Nanocarrier Systems For Cancer Targeting	Mr. Nurjamal Hoque, Charlisar Teron, Dr. Ananta Choudhury	Faculty of Pharmaceutical Science	Asian Journal Of Pharmaceutical Research And Development
312	Recent Advances On Harnessing Multi-Omic Approaches For Assessing Meat Quality And Safety	R Thomas, Dr. Songeeta Singha	Faculty of Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
313	Reuse Of Brick Waste In Construction Industry	Saikat Deb	Faculty of Engineering	Journal Of Mines, Metals And Fuels
314	Rhamnolipid Biosurfactant As Robust Inhibition Agent For Colletotrichum Gloeosporidides-Pathogen Of Capsicum Chinense And General Welfare Of The Host Plant	Nilam Sarma, Hemen Deka, Dr. Suresh Deka	Faculty of Science	Journal Of Mycopathological Research
315	Role Of Iot And Blockchain Technology In The Growth Of Digital Hrm Transformations As A Function Of Management	Dr. Pramod Kumar	Faculty of Commerce and Management	Journal Of Informatics And Research
316	Silica-Based Nanocarriers For Controlled Drug Delivery: A Critical Review Of Design Strategies And Biomedical Applications	Ankur Patel, Dr. Piyali Dey	Faculty of Pharmaceutical Science	Journal Of Chemical Health Risks
317	Stacking Approach For Classification Of Multiclass Dry Beans	Dr. Arpita Nath Boruah, Dr. Mrinal Goswami	Faculty of Engineering	Indian Journal Of Agricultural Research
318	The Evolution Of Gender Roles: A Study Of Shashi Deshpande's Novels On Indian Family Life	Mr. Nakibur Rahman, Dr. Sagarika Mahanta Das	Faculty of Humanities and Social Sciences	Educational Administration: Theory And Practice

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
319	The Influence Of Emerging Social Media Trends On The Evolution Of The Travel And Hospitality Industry"	Dr. Bhola Chourasia	Faculty of Commerce and Management	Educational Administration: Theory And Practice
320	The Potential Therapeutic Applications And Mechanisms Of Action Of Cryptomphalus Aspersa (Snail) Extracts In Dermatology And Wound Healing	Mr. Priyam Jyoti Das, Juganta Kumar Kalita, Mr. Moksood Ahmed Laskar	Faculty of Pharmaceutical Science	World Journal Of Biology Pharmacy And Health Sciences
321	The Role Of Gpt And Data Fusion In Improving Disaster Prediction		Faculty of Engineering and Technology	Disaster Advances
322	The Role Of Social Media And Its Impact On Shaping Tourist Destination: A Comparative Study	Dr. Bhola Chourasia	Faculty of Commerce and Management	International Journal Of Transformation In Operational & Marketing Management
323	Thyroid And Liver Profile Among Obese Students Of Assam Downtown University	Mr. Hijam Chandramani Singh, Mr. Sunit Nath, Ms. Avolu Kotso, Ms. Lipoksenla, Mr. Kangujam Dinesh Singh	Faculty of Paramedical Sciences	International Journal Of Biology, Pharmacy And Allied Sciences (Ijbpas)
324	Toll Like Receptors: A Promising Target For Covid 19 Mediated Acute Respiratory Distress Syndrome	Pompy Patowary, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	Annals Of Multidisciplinary Research, Innovation And Technology (Amrit)
325	Traditional Rice-Fish Farming Of Mao Indigenous Community, Manipur, India	Santoshkumar Abujam, Dr. Laishram Shantikumar Singh	Faculty of Science	International Journal Of Ecology And Environmental Sciences
326	Typhonium Trilobatum, An Miracle Plant From Tripura, North East India	Dr. Gunamoni Das	Faculty of Science	African Journal Of Biological Science (South Africa)
327	Unveiling The Latest Biological Insights Of Indole And Its Derivatives: A Compact Review	Hiyashree Sharmah, Izaz Hussain, Mr. Nurjamal Hoque	Faculty of Pharmaceutical Science	Journalofchemicalhealthrisks

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
328	Vaccines For Yellow Fever Disease: A Narrative Review		Faculty of Science	Microbes And Infectious Diseases
329	Weed Flora Composition In Upland Direct Seeded Rice In Brahmaputra River Ecotones And Edges In Majuli District, Assam	Rashmi Rekha Borah, Dr. Animesh Gogoi	Faculty of Science	Indian Journal Of Agricultural Research
330	Zooplankton As Bio-Indicator Of Aquatic Ecosystem: A Review	Sourav Debnath, Dr. Nibedita Talukdar	Faculty of Science	African Journal Of Biological Science (South Africa)
331	A Hybrid Grasshopper Optimization Algorithm For Skin Lesion Segmentation And Melanoma Classification Using E-Health Deep Learning	Dr. Aniruddha Deka	Faculty of Engineering	Healthcare Analytics
332	Yield And Biochemical Profiling Of Onion (Allium Cepa L) Under Diffrent Growing Condition	Soni Kumari, Dr.Mohammad Zaki Shamim	Faculty of Science	Indian Journal Of Natural Sciences
333	Developing A Sustainable Model: The Role Of Renewable Energy In Eco-Hotels	Mr. Santanu Sarma, Dr. Samannoy Baruah	Faculty of Commerce and Management	Journal Of Applied Optics
334	Effect Of Ocimum Sanctum Extract In Controlling Life Stages Of Callosobruchus 2 Chinensis L.: An In-Silico Approach	Dipanjan Dey, Dr. Suraj Chetri	Faculty of Science	International Journal Of Agriculture And Biosciences
335	A Blockchain-Based Iot Data Securing And Sharing System For Attendance Management	Dr. Aniruddha Deka	Faculty of Engineering	Indian Journal Of Science & Technology
336	Radiation Exposure Assessment In Coronary Angiography Computed Tomography Scan: Establishing Diagnostic Reference Level For Northeast Assam Population	Dr. Arnabjyoti Deva Sarma, Jibon Sharma, Dr. Mrinak Kanti Singha, Dr. Manash Pratim Sarma	Faculty of Paramedical Sciences	Scripta Medica (Banja Luka)
337	A Novel Approach For Iot-Based Cloud Computing Technology And Its Impact On Business Entrepreneurship	Dr. Pramod Kumar	Faculty of Commerce and Management	International Journal Of Intellectual Systems And Applications In Engineering
338	A Systemic Review Of Preclinical Studies Of Herbal Plants Having Anti-Polycystic Ovarian Syndrome Activity: A Pan India Study	Manashi Karmakar, Dr. Manash Pratim Pathak, Dr. Mrinmoy Basak, Dr. Saikat Sen, Ms. Ireenia Warjri, Dr. Utpal Barman	Faculty of Pharmaceutical Science	The Natural Products Journal

Sl. No.	Publication Title	Author Name	Faculty of Studies	Journal Name
339	Â An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Darthan Mawia, Riya Saikia, Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
340	An Insight Into The Mechanism, Safety And Efficacy For Photoprotection And Dermatological Conditions Of Polypodium Leucotomos Extract	Dr. Manash Pratim Pathak	Faculty of Pharmaceutical Science	The Natural Products Journal
341	Unveiling Novel Drug Leads: Utilizing Molecular Docking Studies For Efficient Drug Discovery	Majuj Ahmed Dr. Rinchi Bora Anisha Sharma	Faculty of Pharmaceutical Science	Research Journal Of Chemistry And Environment

B. Details of Book-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Authors Name	Publisher (ISBN)	Faculty of Study
1	Principles and Practices of Network Security	Aniruddha Deka, Debashis Dev Mishra	Xoffencer International Publication (9788119534074)	Faculty of Engineering and Technology
2	Basic Anatomy and Physiology of Eye	Rakibul hasan khan	Jbd publication (9789392330919)	Faculty of Paramedical Sciences
3	5G Technology and Its Application	Aniruddha Deka, Jyoti Prasad Kalita, S. R. Jena, Haewon Byeon	Xoffencer International Publication (9788119534227)	Faculty of Engineering and Technology
4	Trends in Nanoscience for future development	Dr. P. Arularasan, Dr. Rohit Shrivastava, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5762-168-7)	Faculty of Engineering and Technology
5	Graphene Revolution and Challenges	Dr. P. Arularasan, Dr. Rakesh A. Afre	Alpha International Publication (978-93-5757-551-5)	Faculty of Engineering and Technology
6	Entrepreneurship and Startup Ecosystem In India	Dr. Anupam Jain, Dr. Vinod kumarjain, Dr. Jyotiprasad Kalita, Dr. Ruchika Rathi	The Global Publishers & Distributors (978896237769)	Faculty of Commerce and Management
7	Stress Management and Building Resilience	Dr Manjusha Deka Saikia	IIP Publications (Awaited)	Faculty of Humanities and Social Sciences

8	Archives of Agricultural Extension Education	Dipankar Saikia, Bidyut Pritom Gogoi, Asha Rani	Himanshu Publications (978-93-87201-58-3)	Faculty of Agricultural Sciences and Technology
9	A textbook of Pharmaceutical Jurisprudence	Dr. Rinchi Bora, Ms. Kalpana Sonwani, Mihir Otia, Mr. Vishal Kumar Pathak	Stallion Publication (978-93-95074-05-6)	Faculty of Pharmaceutical Science
10	Digital Marketing	Dr. Bhabajyoti Saikia	Scientific International Publishing House (SIPH) (978-93-5757-850-9)	Faculty of Commerce and Management
11	Social Work in a Globalised World	Prateeti Barman	Fahhochshulverlag (978-3-947273-77-5)	Faculty of Humanities and Social Sciences
12	Textbook of Pharmaceutical Quality Assurance	Dr. Khagga Bhavyasri, Dr. Uttam Prasad Panigrahy, Dr. M. Akiful Haque, Dr. Heena Farooqui.	Lapin Press Publications (978-81-965269-1-7)	Faculty of Pharmaceutical Science
13	CLASSICAL ALGEBRA	Gunendra Ch. Das	BNit Book Builder (978-93-94334-71-7)	Faculty of Science
14	A Practical Book of Medicinal Chemistry - I	Dr. TC Lalhriatpuii,Ms. Nayanika Neog,Ms. Bidhya Sharma,Ms. PdiangmonKyndait,Ms. Sabnam Parveen,Mr. NurjamulHoque,Biprojit Paul,Ms. BhanitaDas,Mr. Moidul Islam Judder	Booksclinic Publishing (9789355359117)	Faculty of Pharmaceutical Science
15	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
16	A Practical Book of Medicinal Chemistry â€“ I (As Per PCI Syllabus, B. Pharm, 4th Semester)	Dr. TC Lalhriatpuii Nurjamal Hoque Ms. Nayanika Neog Ms. Bidhya Sharma Ms. PdiangmonKyndait Ms. Sabnam Parveen Biprojit Paul Ms. Bhanita Das Moidul Islam Judder	Books clinic Publishing (9789355359117, 9355359117)	Faculty of Pharmaceutical Science
17	Tribology in Sustainable Manufacturing	Jitendra Kumar Katiyar, T V V L N Rao, Ahmad Majdi Abdul Rani, Mohd Hafis Sulaiman, J. Paulo Davim	CRC Press (9781032426310)	Faculty of Engineering and Technology

18	INDUSTRY 4.0	Multiple Authors (Edited Volume)	P.K. Publishers & Distributors (978-81-19428-79-3)	Faculty of Commerce and Management
19	Queer Voices from the Periphery: A Collection of Perspectives from Northeast India	Dr. Prateeti Barman	Qurate Books Private Ltd. Mumbai (978-81-19263-85-1)	Faculty of Humanities and Social Sciences
20	MCQ's BOOK of Medical Laboratory Sciences For Medical Laboratory Professionals	Sunit Nath	JBD Publications (978-93-92330-87-2)	Faculty of Paramedical Sciences
21	Marketing 4.0	Dr. Bhabajyoti Saikia	R. K. Publications (978-81-970169-1-2)	Faculty of Commerce and Management
22	Nanostructured Materials for Food Packaging Applications	Ruhul Amin, Biplab Kumar Dey, Daniela Calina, Javad Sharifi-Rad	Elsevier (978-0-323-99525-2)	Faculty of Pharmaceutical Science
23	Substance Abuse: Socio-Psychological, Legal Perspectives	Prateeti Barman, Gariasi Dutta	SLM Publishers, Patiala (978-93-91083-99-1)	Faculty of Humanities and Social Sciences
24	NEP - 2020: Opportunities and Challenges	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 06 - 3)	Faculty of Commerce and Management
25	Impact of Community Based Tourism(CBT): Dooars Region of Bengal	Dr. Apurb Chakraborty, Dr. Santosh Kumar Upadhyay	LAP LAMBERT Academic Publishing (978-620-7-46779-2)	Faculty of Commerce and Management
26	Research and Reviews in Literature, Social Sciences, Commerce and Management, Volume - I	Dr. Bhabajyoti Saikia	Bhumi Publishing (978 - 93 - 95847 - 20 - 9)	Faculty of Commerce and Management
27	Agricultural Entreprenurship and Rural development in Lower Brahmaputra Valley	Dr. Krishnakhi Choudhury & Prof. Kanagaraj Easwaran	Notion Press (Paperback- 979-8893229905, E-Book-979-8893633597)	Faculty of Humanities and Social Sciences
28	Futuristic Trends in Agriculture engineering & Food Science	Dr. Mohammad Zaki Shamim	IIP Iterative International Publishers (978-93-5747-340-8)	Faculty of Science

29	Practical Book of Medicinal Chemistry-III	Dr. Biswajit Dash, Prof (Dr) Neetesh Kumar Sharma,SabnamParveen, BhanitaDas,SandipanChoudhury,RanadeepBorgohain,DeijyChoudhury,RosamundJyrwa,Sungjemrenla I Jamir	Booksclinic Publishing (978-93-5823-560-9)	Faculty of Pharmaceutical Science
30	CLINICAL ORTHOPAEDICS AND TRAUMATOLOGY	Abhijit dutta	Lulu Publication (9-781387-492626)	Faculty of Paramedical Sciences
31	PRACTICAL BOOK OF BIOCHEMISTRY & CLINICAL PATHOLOGY	Anubhav Dubey Dr. Niladry Sekhar Ghosh	HSRA Publications (978-93-5506-838-5)	Faculty of Pharmaceutical Science
32	Technological Advancements in Agriculture	D.R.K. Saikanth,B.Saritha,M. Veeraragavan,V. Sampath,Dr. V.R. Senthamizhkumaran,C. Vengatesan,Chapala Rama Rao,Prof. K. Mallikarjuna,Dr. R. VijayKumar,K.V. Ananthakumar,S. Alagendran	Textify Publishers (978-81-970449-6-0)	Faculty of Agricultural Sciences and Technology
33	MCQ's for D.Pharm Exit Examination	Dr. Faruk alam, Dr. Durgaprasad kemisetti	AITBS Publishers, India Medical Publishers (978-81-901017-8-6)	Faculty of Pharmaceutical Science
34	MCQ's for D.Pharm Entrance & Exit Examination	Dr. Durgaprasad kemisetti, Dr. Faruk alam	AITBS Publishers, India Medical Publishers (978-81-971017-4-8)	Faculty of Pharmaceutical Science
35	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Gunamoni Das	Dibya Publications (978-93-95777-41-4)	Faculty of Science
36	Interdisciplinary Approach to Health, Culture, Tradition and its Continuity	Dr. Shyam b. Choudhury	Divya Publication (978-93-95777-41-4)	Faculty of Humanities and Social Sciences
37	Medical Physiology	Dr. Dapkupar Wankhar, Dr. Kanu Shil	Scientific International Publishing House (9789361320019)	Institute of Paramedical Sciences
38	Pharmaceutical Science: Research and Innovation	Dr. Ronald Darwin,,Mr. Izaz Hussain,,Mr. LakhyajitBorah,Mr. Rajat Das,Ms. Kumudini Sahoo,Ms. Jayashree Devi,Mr. Abdul Hadi Umam,Mr. Atanu Sarma,Dr. Faruk Alam,Dr. Ruhul Amin,Mr. MohidulIslam,Mr. Josef Yakin	IIP Iterative International Publishers (978-93-6252-034-0)	Faculty of Pharmaceutical Science

39	Practical Guide of Hospital & Clinical Pharmacy	Dhiraj Baishya,PiyaliDey,Dr.Manishkumergautam,Nurjamal Hoque	Purbayon Publication (978-93-5860-013-1)	Faculty of Pharmaceutical Science
40	Pharmaceutical Science: Research and Innovation	Dr. Ruhul Amin, Dr. Ronald Darwin, Mr. Izaz Hussain, Mr. Lakhyajit Borah, Mr. Mohidul Islam, Dr. Faruk Alam, Mr. Rajat Das, Ms. Kumudini Sahoo, Mr. Abdul Hadi Umam, Mr. Josef Yakin, Mr. Atanu Sarma, Mr. Injamamul Haque, Ms. Arjina Mondal, Dr. Sudarshana Borah	Iterative International Publishers (IIP) (978-93-6252-034-0)	Faculty of Pharmaceutical Science
41	Practical Book of Pharmaceutics (Handbook for Diploma in Pharmacy partI)	Nurjamal Hoque,Dr.AnantaChoudhury,SatyabratSarma,Dhiraj Baishya	Purbayon Publication (978-93-5860-005-6)	Faculty of Pharmaceutical Science
42	Lecture Notes on Discrete Mathematics	Malay Dutta,Mala Dutta	Orchid Publication (978-81-967884-8-3)	Faculty of Computer Technology

C. Details of Book Chapter-publications with university affiliation during the academic year 2023-24

Sl. No.	Name of the Book	Name of Author	Title of the Book Chapter	Name of the Publisher (ISBN)	Faculty of Study
1	Recent Trends Fostering Future of Engineering: An Overview	Dr. Biswajyoti Das	An Introduction to Solar Appliances	Purbanchal Prakash (978-81-964605-4-9, 2023)	Faculty of Engineering
2	Recent Trends in Basic and Applied Science	Dr. Gunendra Ch. Das	Importance of ICT in Teaching and Learning Mathematics	Purbayan (978-93-5860-024-7)	Faculty of Science
4	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary	Food Allergy: A brief understanding regarding the mechanism, types and genes associated with common food allergies	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering

5	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Partha Pratim Sarkar	The Curious Case of Rising Temperatures: The El Nino Circus is back in Town	PurbanchalPrakash (978-81-964605-4-9)	Faculty of Engineering
6	Recent Trends Fostering Future of Engineering	Ms. Nabanita Daimary, Dr. Pulakesh Chetia	A Review: Effect of different materials and condition on biogas production during anaerobic digestion	Purbanchalprakash (978-81-964605-4-9)	Faculty of Engineering
7	Microplastic Occurance, Fate, Impact and Remediation	Dr. Sunandan Baruah, Dr. Arnab Sarkar, Mr. Devabrata Sarmah	Nanoplastic Sources, Characterization, Ecological Impact, Remediation and Policies	Springer (978-3-031-36351-1)	Faculty of Engineering
8	Advances in Multidisciplinary Research and Development	Narender Boggula,Durgaprasad Kemisetti,Kanakaraju Vijaya Kishore,Sushma Edukulla,ParijathaBandigari	Artificial Intelligence in Pharmaceutical Sciences	Scripown Publishers (978-93-94375-55-0)	Faculty of Pharmaceutical Science
9	The Role of Chromenes in Drug Discovery and Development	Partha Pratim Dutta,Faruk Alam, Biplab Kumar Dey, Rajeev K. Tonk	Miscellany of Chromene	Bentham Science Publishers Pte. Ltd. (978-981-5124-33-0)	Faculty of Pharmaceutical Science
10	Entrepreneurship: Issues and Perspectives	Dr. Shibani Borah	Rural Entrepreneurship: A Trigger for Rural Growth and Development	Nagaon GNDG Commerce College (978-93-5913-651-6)	Faculty of Commerce and Management

11	Research Trends in MULTIDISCIPLINARY RESEARCH	Dr. Shalaka Baidya (PT), Dr. Abhijit Dutta phd,Dr. Vandana Kumari (PT)	Cancer And Rehabilitation	AkinikPublications (978-93-5570-751-2)	Faculty of Physiotherapy and Rehabilitation
12	Antidiabetic Plants: Properties and Applications	Dr. Faruk Alam	The Usefulness of Aloe Vera in the Management of Diabetes	Nova Science Publishers (979-8-88697-957-2)	Faculty of Pharmaceutical Science
13	Nanostructured materials for tissue engineering	Ananta Choudhury,Himangshu Deka,Biplab Kumar Dey,Monica Bhairam,Koushik Sengupta	Nanomaterials for skin repair and regeneration	Elsevier (978-0-323-95134-0)	Faculty of Pharmaceutical Science
14	Recent Trends Fostering Future of Engineering: An overview	Aniruddha Deka	Blockchain and Distributed Ledger Technology	Purbanchal Prakash(978-81-964605-4-9)	Faculty of Engineering
15	Recent Trends Fostering Future of Engineering : An overview	Aniruddha Deka,Atowarul Islam	ICT based Tools for Teaching Learning	Purbanchal Prakash (978-81-964605-4-9)	Faculty of Engineering and Technology
16	Plant-Derived Hepatoprotective Drugs	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyoti Sarkar	Hepato Protective Phytochemicals: Isolation and Characterization from Plant Extracts	Bentham Science Publishers, Singapore (978-981-5079-84-5)	Faculty of Pharmaceutical Science
17	Advancement in Computer Technology	Dr. Bhabajyoti Saikia	An Analysis on the Role of Information Technology in Management	Assam down town University (978-93-5906-083-5)	Faculty of Commerce and Management

18	Bioprospecting of Tropical Medicinal Plants	Dr.Mohammad Zaki Shamim	Dietary Natural Polyphenols Against Bacterial and Fungal Infections: An Emerging Gravity in Health Care and Food Industry.	Springer Nature (978-3-031-28779-4)	Faculty of Science
19	Advancement of Computer Technology	Mr. Manabjyoti Choudhury, Dr. Utpal Barman	Suicide Prediction in India using Machine Learning	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
20	Advancement of Computer Technology	Dr. Utpal Barman	Categorizing and Quality Assessment of Tea Leaves through Machine Learning Based Grading System.	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
21	Advancement of Computer Technology	Dr. Utpal Barman	Prediction of Soil pHusing Computer vision	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
22	Advancement in Computer Technology	Dr. Gunikhan Sonowal	Phishing Emails detecting using automated Machine Learning	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
24	Advancement of Computer Technology	Dr. Prasanta Pratim Bairagi	IoTBased Weather Monitoring and Data Visualization System with Global Accessibility : Sensor Integration and Real-time Display	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology

25	Advancement in Computer Technology	Mr. Deepjyoti Roy, Dr. Mala Dutta	An overview of health recommender systems	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
26	Advancement in Computer Technology	Dr. Dulumani Das	Skull stripping of brain MRI using edge-based segmentation technique and morphological operation	Assam down town University (978-93-5926-083-5)	Faculty of Computer Technology
27	"Beyond Binaries: Understanding Sexual Identities and Queer Rights Issues in India	Multiple authors (Edited volume)	Queer Identity and Rights: Experiences from assam	IMPRI Impact and Policy Research Institute, New Delhi (978-81-956402-0-1)	Faculty of Humanities and Social Sciences
28	Potent Anticancer Medicinal Plants Secondary Metabolite Profiling, Active Ingredients, and Pharmacological Outcomes	Sagar Barge,Dhananjay Jade,Narayan Chandra Talukdar	Centella asiatica Linn	CRC Press (Taylor & Francis) (ISBN: ISBN: 978-1-77491-311-6 (hbk) ISBN: 978-1-77491-312-3 (pbk) ISBN: 978-1-00343-119-0 (ebk))	Faculty of Science
30	Current Innovations in Disease and Health Research	Dr. Nirmali Gogoi, Ms. Nongmeikapam Monika	Respectful Care as a Human Right: Key Components of Implementing Respectful Maternity Care"	B P International (978-81-19761-03-6, ebook 978-81-19761-37-1)	Faculty of Nursing
31	XUKIA Perspectives from Social Sciences and Humanities	Mr. Manimugdha Medhi	Digitalization and its Impact on Rural Population of Assam	Purvanchal Prakash (978-81-964605-3-2)	Faculty of Humanities and Social Sciences
32	Covid- 19 Global Pandemic and Challenges	Dr. Mrinmoy Nag, Apurbaa Acharya, Dr. Faruk Alam,Mr. Josef Yakin, Aswini Kumar Sethi	COVID-19: Influence on Health System	Prime Publication (978-71-868796-3-7)	Faculty of Pharmaceutical Science

33	Recent Trends in basic and applied sciences	Mr. Manimugdha Medhi	Designing and installation of an effective grounding system for operation of high voltage pulsed power system	Purbayon publication (978-93-5860-024-7)	Faculty of Science
34	Research in Biomedical, Healthcare and Pharmaceutical Science	Gongutri Borah	Catalysing cleanup: exploring hydrolases' vital role in pollutant biodegradation	Bhumi Publication (978-93-88901-88-8)	Institute of Paramedical Sciences
35	Research in Biomedical, Healthcare and Pharmaceutical Science	Gongutri Borah	Bites and stings: navigating the perils of venom poisoning	Bhumi Publication (978-93-88901-88-8)	Institute of Paramedical Sciences
36	ETHNIC DIVERSITY IN INDIAN ART AND CULTURE	Dr. Pranami Chakravorty	Cultural diversity in workplace	Sunbeam (978-93-93092-48-9)	Faculty of Commerce and Management
37	Good Governance and Sustainable Development	Mr. Santujit Chanda	Environment social and governance (esg) practices and reporting: the state bank bank of india	Research and Development Cell, Nalbari Commerce College (978-81-965414-1-5)	Faculty of Commerce and Management
38	Climate Crisis, Social Responses and Sustainability: Socio-Ecological Study on Global Perspectives	PAMPI DAS	Climate crisis and outbreak of disease: A societal collapse	Springer Nature **(978-3-031-58261-5)**	Faculty of Commerce and Management
39	Children with Multiple Vulnerabilities	Dr. Manjusha Deka Saikia	Covid-19 and Children: An Attempt to Come up with An Intervention	GLOBAL PUBLISHING HOUSE INDIA (978-93-95606-17-2)	Faculty of Humanities and Social Sciences

40	Emotional AI and Human-AI Interactions in Social Networking	Dr. Nabanita Choudhury	Machine learning model for teaching and emotional intelligence	Academic Press, Elsevier (978-0-443-19096-4)	Faculty of Computer Technology
41	Advances in Manufacturing and Processing of Materials Characterization and Applications	Pratap Kalita, Abdul Baquee Ahmed, Saikat Sen, Satyabrat Sarma, and Satyendra Deka	Starch-Based Biodegradable Packaging Materials: Characterization and Multifarious Applications in the Pharmaceutical and Food Industries	Apple academic Press (9781774914922)	Faculty of Pharmaceutical Science
42	Natural Products: An Answer to Cardiovascular Complications	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti	The Potential Effects of Flavonoids in the Treatment of Cardiovascular Diseases	Nova Science Publishers (979-8-89113-196-5)	Faculty of Pharmaceutical Science
43	Implementing Sustainable Development Goals in the Service Sector	Dr. Bhola Chourasia	Challenges and Prospects of Homestay in Rural Tourism: A Study of Uttarakhand	IGI Global (13: 9798369320655)	Faculty of Commerce and Management
44	Plant-derived Hepatoprotective Drugs	Dr. Faruk Alam, Dr. Durga Prasad Kemisetti, Dr. Dhrubajyotisarkar	Hepatoprotective phytochemicals: isolation and characterization from plant extracts	Bentham Science Publishers Pte. Ltd. (978-981-5079-84-5)	Faculty of Pharmaceutical Science
45	Advancement in Computer Technology	Nur Talukdar	Brain Cell Segmentation: An Empirical Stud	Springer (978-93-5926-083-5)	Faculty of Computer Technology
46	Social Work in a Globalised World edited by Riju Sharma, Ursula F, Verena R	Dr. Prateeti Barman	Reproductive Rights of Women: Issues and concern	Fachhochschulverlag, Frankfurt, Germany (978-3-947273-77-5)	Faculty of Humanities and Social Sciences

47	Thinkers: Creating New Ideas of Research	Dr. Manjusha Deka Saikia	Effects of Music on the Mental Health among Adults.	Eudoxia Research Centre (13 979-8869541154)	Faculty of Humanities and Social Sciences
48	PROCEEDINGS OF NATIONAL SEMINAR ON "TECHNOLOGY: RESHAPING EDUCATIONAL AND ECONOMIC GOALS"	Dr. Samannoy Baruah	Technological advancements in mobile theatres of assam: a review	GLOBAL NET PUBLICATION , (AN IMPRINT OF ASIAN HUMANITIES PRESS) (978-81-19948-46-8)	Faculty of Commerce and Management
49	IMPLEMENTATION OF NEP 2020 AND heisOF ASSAM	Dr. Shibani Borah	NEP 2020 - Major Reforms	LAKHIMPUR COMMERCE COLLEGE ,ASSAM (978-81-19948-46-8)	Faculty of Commerce and Management
50	SUSTAINABLE DEVELOPMENT - EDUCATION ,SOCIETY AND CULTURE	Dr. Shibani Borah	NEP 2020: ATheoretical Analysis	SUNBEAM, DIGBOI MAHILA MAHAVIDYA LAYA (978-93-93092-42-7)	Faculty of Commerce and Management
51	XUKIA:PERSPECVTIV ES FROM SOCIAL SCIENCES AND HUMANITIES	Dr. Sagarika Mahanta Das	A brief history of the Development of English Short Stories	Purbanchal Prakash, Guwahati (978-81-964605-3-2)	Faculty of Humanities and Social Sciences

Popular Lecture Series

Throughout the academic session, AdtU hosted a variety of lecture series, including the Popular Talk, Chancellor's Lecture Series, and Expert Talk Series, among others. These events were designed to engage students and faculty, providing them with valuable insights into ongoing research and developments happening globally. A few of the notable lectures are listed below.

Talk 1: Managing Forest Ecosystem in Kerala: An Overview

On 21st August 2023, the Faculty of Science, in collaboration with the Faculty of Agricultural Science and Technology, organized a popular talk titled "Managing Forest Ecosystem in the State of Kerala." Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivered the lecture, providing an in-depth overview of Kerala's diverse forest ecosystems, including its geography, forest types, and rich biodiversity of plant and animal species.

The session highlighted key challenges, such as the impact of hydroelectric projects and forest fires, and mining, quarrying, infrastructure development, and tourism outside the forests. Dr. Viswanath also discussed the threats posed by land use changes in the Western Ghats, monoculture plantations, and invasive species.

Dr. Syam Viswanath, Director of the Kerala Forest Research Institute, delivering a lecture on Kerala's diverse forest ecosystems, covering its geography, forest types, and rich biodiversity.

The event was attended by 125 participants and concluded with valuable insights into the importance of sustainable forest management and conservation in Kerala. The Faculty of Science expresses its gratitude to the Honorable Vice Chancellor for supporting this informative session.

Talk 2: Lecture on Advancements in Biotechnology

Assam down town University had the honor of hosting Dr. Rubul Mout, a distinguished Biotechnologist and esteemed Scientist at Harvard University and BCH, for an inspiring lecture on cutting-edge advancements in biotechnology. Dr. Mout's talk was a deep dive into his groundbreaking work in Hematopoietic Stem & T Cell Engineering, Protein Design, and Gene Editing, areas that hold transformative potential for the future of medicine. His motivational discourse captivated the audience, sparking curiosity and enthusiasm among over 60 participants, including 30 faculty members from the University. Dr. Mout's expertise and passion for eliminating genetic diseases through innovative methodologies left a profound impact on students, faculty, and aspiring researchers. His insights into the future of New Age Medicine, where genetic ailments are addressed at their core, resonated deeply with the young minds present.

Group photograph of Dr. Rubul Mout, Research Scientist, Harvard University, with faculty members, students, and participants during his visit to Assam down town University, capturing a moment of shared enthusiasm and inspiration following his insightful lecture on advancements in biotechnology.

The engaging session, was attended by the Faculties of Science, Pharmaceutical Science, and Paramedical Science and provided a unique opportunity to explore the possibilities in the rapidly evolving field of biotechnology. Dr. Mout's remarkable journey from research to his role at

Harvard University served as a beacon of inspiration, illustrating the power of perseverance and dedication in scientific innovation. Dr. Mout's visit not only kindled a passion for scientific exploration but also highlighted the transformative potential of biotechnology in shaping the future of medicine. His infectious enthusiasm and profound insights left an indelible mark on the pursuit of knowledge at Assam down town University, fostering a renewed sense of excitement and inspiration for students and faculty alike.

Talk 3: Food and Nutritional Security in India with Special Reference to Assam

Assam down town University had the privilege of hosting Dr. H.S. Gupta, a renowned agricultural scientist and former Director of the Indian Agricultural Research Institute, for an insightful talk on the critical issue of food and nutritional security in India, with a special focus on Assam. Dr. Gupta's lecture addressed the challenges and opportunities faced by India in ensuring food security, especially in the context of rural livelihoods, climate change, population growth, and the impacts of the COVID-19 pandemic. Dr. Gupta discussed the significant progress India has made in expanding food production and building up safety stocks of food grains. However, he emphasized that food distribution, affordability, quality, and safety remain major concerns despite the country's self-sufficiency in food production. In particular, Assam, with its diverse agro-climatic and socio-cultural environment, faces unique challenges and opportunities in achieving food and nutritional security.

Dr. H.S. Gupta during his thought provoking lecture at AdtU auditorium.

The talk mainly delivered into key factors influencing food availability, access, utilization, and stability in the state of Assam, including crop diversification, irrigation, market linkages, the public distribution system, dietary patterns, nutritional interventions, and disaster management. Dr. Gupta's extensive research and field experience provided valuable insights into the current status and trends in food and nutritional security in Assam. He also shared practical policy recommendations and best practices for enhancing food security in the region.

The session was highly informative and resonated with all attendees, including students, faculty, and others interested in food and nutrition issues in India and Assam. Dr. Gupta's expert perspective and recommendations on sustainable agricultural practices, nutrition, and disaster resilience inspired a deeper understanding of how food security can be achieved in the region, making the talk a significant contribution to the University's ongoing humble efforts to direct its resource for research and innovation in globally relevant issues.

Talk 4: Lecture on Plant Molecular Genomics

The Faculty of Science at Assam down town University organized a two-day guest lecture series on September 8th and 9th, 2023, for B.Sc. and M.Sc. 3rd and 5th semester students across various programs. Dr. Niranjan Chakraborty, a distinguished Professor from Jawaharlal Nehru University (JNU), New Delhi, was invited as the guest speaker for both days. The primary objective of these lectures was to introduce students to the field of plant molecular genomics, a key area of research in modern biology. The first session, held on September 8th, was attended by B.Sc. 5th semester students. Dr. Chakraborty began by providing a strong foundation in molecular biology and gradually transitioned into a detailed exploration of plant molecular genomics. He shared valuable insights from his own research, illustrating the application of theoretical knowledge in real-world scientific endeavors. His talk emphasized the importance of fundamental knowledge in pursuing a successful career in any scientific field. The session, lasting 120 minutes, concluded with Dr. Chakraborty encouraging students to actively participate in national and international competitive examinations.

On the second day, September 9th, the lecture was directed towards M.Sc. 3rd semester students. The session focused on the significance of competitive examinations such as CSIR-NET, GATE,

and ICMR-NET, and included an overview of molecular biology with a particular focus on plant genomics.

Dr. Niranjan Chakraborty, Distinguished professor at JNU, New Delhi, engaged students in interactive discussions, on molecular biology.

A total of 148 students participated actively during both the days, engaging in meaningful discussions and gaining valuable insights from Dr. Chakraborty's expertise. This lecture series proved to be an invaluable learning opportunity, fostering a deeper interest in plant molecular genomics and encouraging students to pursue research and competitive academic opportunities.

Academic Engagements and Knowledge Exchange at AdtU

At Assam down town University (AdtU), academic enrichment extends beyond traditional learning, with various faculties actively organizing symposiums, conferences, Faculty Development Programs (FDPs), and workshops throughout the year. These initiatives are aimed at fostering the exchange of ideas among faculty members, research scholars, students, and distinguished external experts from academia and industry.

In this academic session, AdtU has organized a wide array of such events, showcasing the university's commitment to fostering an environment of continuous learning and innovation. These events have provided valuable platforms for intellectual discourse and professional growth, enabling participants to engage with the latest trends, research, and best practices in their respective fields.

By hosting these events, AdtU provided a dynamic platform for intellectual collaboration. Faculty members and students benefited immensely from interactions with experts, gaining insights into emerging trends and research advancements. These engagements also served as an opportunity to showcase AdtU's academic policies, diverse courses, and state-of-the-art facilities to participants from other institutions, thereby strengthening the university's academic presence.

Through these knowledge-sharing initiatives, AdtU reaffirms its commitment to academic excellence, innovation, and a collaborative learning environment, ultimately contributing to the holistic development of its faculty and students.

A. Sixty-eight Annual Technical Session of Assam Science Society and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology"

Assam down town University, in collaboration with the Assam Science Society, successfully organized the 68th Annual Technical Session and National Seminar on "Recent Breakthroughs and Innovations in Science and Technology" on 30th March 2024. This prestigious event brought together experts, scholars, and innovators from various scientific fields to discuss the latest advancements in science and technology.

A total of 114 abstracts were submitted, with 42 selected for oral presentations, showcasing the high level of research and innovation within the scientific community. These presentations provided an excellent platform for researchers to exchange ideas, discuss challenges, and explore potential solutions to the current issues in science and technology.

Snapshots capturing the essence of the 68th Annual Technical Session, through the lens of photography of members of AdtU photography club.

The inaugural lecture was delivered by Dr. Kutubuddin Ahmed, the Working Secretary of Assam Science Society, who set the tone for the event by highlighting the importance of continuous scientific exploration and innovation. The keynote address was presented by Dr. Prashant Goswami, a distinguished Bhatnagar Awardee, whose insightful lecture on recent developments in science inspired both the audience and participants.

This event marked a significant step towards fostering academic collaboration, providing an invaluable opportunity for networking, and contributing to the development of science and technology in the region. The university takes immense pride in hosting such a momentous event that not only showcased the achievements of the scientific community but also provided a platform for determining on the possible future innovations need.

The 68th Annual Technical Session and National Seminar was an outstanding success, reaffirming Assam down town University's commitment to advancing scientific knowledge and contributing to the broader scientific community.

B. AdtU PHARMACON 2.0

The Faculty of Pharmaceutical Science at Assam down town University organized an international conference on October 13th and 14th, 2023, themed "Pharmaceuticals Fusing with Nutraceuticals to Ensure Healthy Lives and Promote Wellbeing: Global Trends." This event was held by AdtU-Centre for Research on Ethnomedicine (AdtU-CREM) in collaboration with the Central Ayurveda Research Institute (under CCRAS), Ministry of AYUSH, Government of India, Kolkata; San Pedro College, Philippines; Daffodil International University, Bangladesh.

Dr. G. Babu, Director of CCRAS, graced the event as the Chief Guest, and Prof. (Dr.) Pulok K. Mukherjee, Director of IBSD, Department of Biotechnology, GoI, Imphal, Manipur, attended as the Guest of Honour. The conference saw participation from 511 registered delegates, of which 325 actively engaged in various activities. Delegates hailed from 3 countries, 14 states, and 38 regional, national, and academic organizations. A total of 168 posters, 26 oral presentations, and 18 e-posters were displayed throughout different scientific sessions, contributing to a rich exchange of knowledge and ideas.

Snapshots capturing the essence of the **PHARMACON 2.0**

C. Sixth Regional Conference on "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies"

The Faculty of Nursing, Assam down town University (AdtU), successfully organized the 6th Regional Conference on June 28, 2023, with the theme "Enhancing Research Methodology: Empowering Effective Dissemination and Utilization of Research Studies." The event saw the participation of 79 delegates from various institutions across the North-East region.

The conference commenced with a registration session, followed by a formal inaugural ceremony. Prof. (Dr.) Nirmali Gogoi, HOD and Associate Dean, Research, Faculty of Nursing, AdtU, welcomed the participants, while Prof. (Dr.) Pranveer Singh, Hon'ble Pro Vice Chancellor, AdtU, addressed the gathering and appreciated the conference's theme. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference. The dignitaries were honored with saplings, and the first edition of the newsletter of the Faculty of Nursing was released in the inaugural session.

The conference featured key scientific sessions, including presentations by Prof. Asru Bagchi on "Advancement in Research Methodology: Its Challenges and Best Practices," Prof. (Dr.) Dibyojyoti Bhattacharjee on "Data Analysis and Interpretation: Advanced Analytical Techniques and Tools," and Dr. Elsa Sanatombi Devi on "Dissemination Strategies and Effective Utilization of Research Studies." A scientific poster presentation by B.Sc. Nursing 4th-year students from the Faculty of Nursing was also organized, with awards presented to the best posters.

The event concluded with a valedictory session, during which certificates and newsletters were distributed to the delegates. Ms. Sangita Kalita, CNE observer from Assam Nurses' Midwives' & Health Visitors Council, read the feedback report, highlighting the positive impact of the conference. The post-test results indicated that 68% of participants showed significant improvement in their knowledge.

A guest speaker presenting on conference theme "advancements in research methodology and best practices"

The conference ended with a vote of thanks by Ms. Alonka Beypi, Lecturer, Faculty of Nursing, AdtU, at 4:00 pm, followed by the National Anthem.

D. Training Cum Workshop on International Patient Safety Goals (IPSG)

The Faculty of Nursing, Assam down town University, in collaboration with down town Hospital, organized a training cum workshop on the International Patient Safety Goals (IPSG) for final-year B.Sc. Nursing and GNM students on May 2, 2024, at the 7th Floor Auditorium located at Building No. III, of the down town Hospital.

The event began with an introduction of the invited speaker, Prof. Dr. Manashi Sengupta, Dean, Faculty of Nursing, AdtU, followed by an informative session led by the trainer. The workshop focused on the six IPSG goals, providing students with a deep understanding of their significance in promoting patient safety within hospital settings. The trainer highlighted each goal with practical examples and detailed rationale, emphasizing their importance in real-world healthcare scenarios.

The session also featured engaging role plays performed by the final-year B.Sc. Nursing and GNM students of Faculty of Nursing, AdtU. Students demonstrated IPSG Goal 1 (Identifying patients correctly) and IPSG Goal 4 (Ensuring safe surgery, right patient, site, and surgery) through compelling, narrative-driven performances that illustrated the practical application of

patient safety protocols. Visually striking play cards were used to represent each of the six IPSG goals, further enhancing the students' understanding.

Students demonstrating various facts of Patients awareness through visually striking play cards during the scientific session

This workshop was a significant step in empowering nursing students with practical knowledge on IPSG, enabling them to uphold patient safety standards effectively in their professional practice.

E. Fourth National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities"

The Faculty of Nursing, Assam down town University, organized the 4th National Conference on "Forensic Nursing – Clinical Significance and Practice Opportunities" on June 28, 2024, at Auditorium 1 (B-Block), AdtU Campus. The conference began with a registration session at 8:00 am, where 95 participants from various institutions across the country were welcomed and provided with registration kits.

The formal inauguration was marked by a welcome note from Ms. Mousumi Deori, Assistant Professor and Vice Principal, Sankar Madhab School of Nursing, AdtU. The dignitaries, including Dr. Kaveri Saikia, Principal of Royal Global University, who served as the CNE observer, lighted the inaugural lamp. Prof. (Dr.) Manashi Sengupta, Dean, Faculty of Nursing, AdtU, unveiled the theme of the conference, which was followed by the release of the third edition of the FoN newsletter. The pre-test forms were distributed among participants before the scientific sessions commenced.

The sessions featured notable speakers, including Dr. Oli Goswami, who discussed the significance of forensic science in healthcare, and Dr. Amol Deo Chavhan, who explored forensic science through the Indian Constitutional framework. Capt. Sandhya Shankar Pandey covered the clinical practice, scope, and challenges of forensic nursing. A scientific poster and oral presentation session was also held, showcasing research by faculty and students from the Faculty of Nursing, AdtU. Judges from various faculties evaluated the presentations for the Best Poster and oral presentation award. Awards given to the best poster and oral presentations during the concluding session.

A memorable group photograph capturing the dignitaries and participants at the conference. Chancellor of AdtU Dr. N N Dutta (left) seen lighting the inaugural lamp.

The conference concluded with a feedback report from Dr. Kaveri Saikia, where the post-test results showed that 78.9% of participants gained substantial knowledge from the sessions, highlighting the conference's effectiveness. The event concluded with a vote of thanks by Ms. Baricate Rymbai, M.Sc. Nursing 1st Year students of Faculty of Nursing, AdtU, and the National Anthem. The conference was an enriching experience for all participants, emphasizing the growing importance of forensic nursing in healthcare.

F. DSIPKI 2024: A Landmark Event on Digital Signatures and Security

The Digital Signature and e-Knowledge Platform for India (DSIPKI) 2024 event was successfully held by the Faculty of Computer Technology at Assam down town University, bringing together experts, speakers, and participants for an enriching day of learning and discussion on digital security. The event began with a warm welcome by Anirban Bhattacharjee, Samujjal Talukdar, and Dr. Dulumani Das, the organizing secretary of DSIPKI 2024, setting the tone for an informative and interactive session.

Prof. Pranveer Singh, Pro Vice Chancellor, addressed the participants and speakers, with special recognition to esteemed guests like Shri Arvind Kumar, Controller of Certifying Authorities, and Dr. S.D. Sudarshan, Executive Director at C-DAC Bangalore, who shared their insights and contributed to the event's success. Dr. Utpal Barman, Dean of FoCT, discussed the importance of digital signatures in today's digital world.

The technical sessions included Dr. Mohammed Misbahuddin's presentation on "Elements of Trust & Digital Signatures," followed by Ms. Lavanya Palani's enlightening talk on "Digital Signature Certificates & Public Key Infrastructure." The event's highlight was Shri Anoop Kumar Pandey's live demonstrations on key generation, certificates, and digital signing processes, offering attendees hands-on experience with digital security applications.

A guest speaker delivering a presentation at the conference.

The open Q&A session encouraged lively discussions, with participants engaging in insightful conversations on digital signatures and security. In the closing session, Hon'ble Vice Chancellor Prof. N.C. Talukdar emphasized the significance of paperless signatures, advocating for digital solutions to streamline processes and enhance security. Dr. Mala Dutta, the organizing secretary, concluded the event by thanking all the experts, participants, and stakeholders, ensuring that DSIPKI 2024 was a great success.

National Symposium on Astronomy and Space Technology (NSAST) 2024

Assam down town University successfully hosted the National Symposium on Astronomy and Space Technology (NSAST) 2024 on March 6, 2024. The event was graced by distinguished guests, including the Chief Guest and Planetary Speaker, Prof. (Dr.) Dhruba J. Saikia, Head of

TLC and NRC at IUCAA, Keynote Speaker Prof. Biman J. Medhi from Guwahati University, and Mr. Manash Protim Sarma from Guwahati Planetarium. The dignitaries were felicitated with mementos and Phulam Gamosa following the lighting of the lamp.

The symposium began with an inaugural speech by two Astronomy Club members, Sristy Trivedi and Levi Haokip, both undergraduate students at AdtU. Prof. (Dr.) Narayan Chandra Talukdar, Hon'ble Vice Chancellor of AdtU , delivered a welcoming address, highlighting the university's vision for space studies and encouraging the Astronomy Club to continue exploring this field.

The first technical session was led by Prof. (Dr.) Dhruba J. Saikia, who discussed radio astronomy, offering insights into the vast expanding universe and explaining the concept of space and time with examples. Following this, Prof. Biman J. Medhi gave an engaging keynote talk on astronomical telescopes, their working principles, challenges, and benefits for studying the universe.

After a high tea break, the participants and experts moved to the Astronomy View Point on the terrace of J Block, AdtU, where they observed the night sky through the upgraded telescope. The session allowed attendees to witness celestial bodies, including the Seven Sisters, Betelgeuse, Sirius, nebula, and Jupiter with its moons.

Participants observing celestial bodies through the upgraded telescope at the Astronomy View Point on the J Block terrace

The symposium concluded with a knowledge-sharing session between experts and participants, fostering a deeper understanding of astronomy. The event was wrapped up with a vote of thanks by Prof. TVVLN Rao, Dean, Faculty of Engineering, to all those who contributed to the success of the symposium. This event was a significant step in enhancing the university's involvement in space technology and astronomy.

DIRECTORATE OF CAREER ADVANCEMENT

The Directorate of Career Advancement at AdtU, is dedicated to guiding students in their professional journeys by providing comprehensive career development support. Our initiatives focus on placement and training, higher education guidance, competitive exam preparation, and career counseling, ensuring that students are well-prepared for the dynamic job market.

Through strategic industry collaborations, we facilitate successful campus recruitment drives, equipping students with essential technical and soft skills via pre-placement training, mock interviews, group discussions, and company-specific workshops. Our industry-aligned training programs and internship opportunities enable students to gain practical exposure and build professional networks.

Highlights of Placement Statistics 2023-24

- Total Number of Graduated Students -1009
- Number of Students Placed -749
- Placement Percentage - 74.13%
- Average Package-3.00 LPA
- Highest Package - 7.02 LPA
- Total Number of Company visited- 78

Beyond employment, we assist students in exploring higher education opportunities in India and abroad, offering guidance on university selection, entrance exams, scholarships, and application processes. Our partnerships with study-abroad organizations provide students with valuable insights and resources.

Recognizing the significance of competitive exams, we provide specialized coaching and resources for civil services, banking, and other examinations through expert-led workshops and study materials.

Career counseling remains a cornerstone of our services, with personalized guidance to help students identify their strengths, interests, and career aspirations. Through expert consultations and mentorship, we align students' goals with evolving industry trends and emerging career paths.

The Directorate of Career Advancement is committed to empowering students with the necessary skills, knowledge, and confidence to excel in their professional endeavors, fostering a future of success and fulfillment.

Workshops and Career Development Initiatives – 2023-24

This year, the Directorate of Career Advancement organized a series of workshops and training sessions to enhance students' employability, career readiness, and professional skills.

- Communication Skills Workshops: Focused on improving verbal and non-verbal communication, active listening, and presentation techniques to boost confidence in professional interactions.
- Resume Building & Interview Preparation: Guided students in crafting impactful resumes and preparing for interviews through mock sessions, constructive feedback, and personalized coaching.
- Aptitude & Reasoning Skills Development: Provided training to sharpen logical reasoning, analytical thinking, and problem-solving abilities, essential for competitive exams and job assessments.

Aptitude & Reasoning Training: Enhancing logical reasoning, analytical thinking, and problem-solving skills for competitive exams and job assessments.

- Career Counseling Sessions: Offered personalized guidance to help students identify career goals, develop key skills, and explore diverse career opportunities.

Modules addressing key soft skills, including teamwork, time management, leadership, and conflict resolution.

- Career Counseling for Higher Education Abroad: Assisted students in understanding admission processes, selecting suitable universities, and preparing for international studies.

- Sessions on Competitive Exam Preparation: Provided insights on exam patterns, study strategies, and essential resources to help students prepare effectively for various competitive examinations.

Session on strategies for succeeding in competitive examinations.

- Strategies to Crack Competitive Exams: Conducted expert-led sessions focusing on time management, problem-solving techniques, and smart preparation methods to enhance students' chances of success.

These initiatives aimed to equip students with the necessary skills, knowledge, and confidence to excel in their professional and academic pursuits.

Annual Job Fair: Bridging Opportunities for Students and Employers

The Directorate of Career Advancement at Assam down town University has been successfully organizing a Job Fair every year for the past 10 years, aimed at bridging the gap between AdtU students, alumni, non-AdtU students, and potential employers. This annual event serves as an excellent platform for students to explore diverse career opportunities, interact with industry professionals, and stay informed about the latest job market trends.

Reputed companies from various sectors participated in the fair, offering a range of internships, full-time positions, and valuable networking opportunities. The event not only enhances the employability of the university's graduates but also strengthens its ties with the corporate sector, contributing to the professional growth of students and alumni alike.

Assam down town University at ICGSTM 2024

Assam down town University (AdtU) proudly participated in the 3rd International Conference on Green Sustainable Technology and Management (ICGSTM) 2024, hosted by INTI International University.

Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivering the keynote address at the conference.

The prestigious hybrid event brought together distinguished academicians, researchers, and industry experts from around the world to deliberate on advancements in sustainability across diverse domains. Prof. (Dr.) Narayan Chandra Talukdar, Vice Chancellor of Assam down town University, delivered a keynote address at the conference, highlighting the university's commitment to fostering research and innovation in sustainable technologies. His address emphasized the role of academic institutions in addressing global environmental challenges and the importance of interdisciplinary collaboration in achieving sustainability goals.

The conference provided an excellent platform for knowledge exchange, enabling AdtU to showcase its contributions in green technology and sustainable management. Faculty members and research scholars from AdtU also engaged in insightful discussions, networking with international experts, and exploring collaborative opportunities for future research initiatives.

Prof. Biswa Prasun Chatterji Joins as Global Visiting Professor at Asian University for Women, Bangladesh

Assam down town University takes immense pride in announcing that Dr. Biswa Prasun Chatterji, Professor in the Faculty of Science, has been selected as a Global Visiting Professor at the prestigious Asian University for Women (AUW) in Chittagong, Bangladesh. This remarkable achievement highlights Dr. Chatterji's academic excellence and the university's commitment to global engagement and collaboration.

During Dr. Chatterji's visit to Asian University for Women (AUW) in Chittagong, Bangladesh

Dr. Chatterji was invited to teach the course "Human Disease Biology" as part of AUW's two-month summer term starting on June, 2024. His selection as a Global Visiting Professor is a testament to his expertise in the field of biological sciences and his dedication to fostering interdisciplinary learning. His presence at AUW provided an invaluable opportunity for the students of AVW to gain in-depth knowledge and insights into the complexities of human diseases from a distinguished scholar.

Asian University for Women, a premier institution committed to empowering women through higher education, attracts students from across Asia and beyond. Dr. Chatterji's involvement in the AUW academic community reflects the growing reputation of Assam down town University's faculty members on the international stage.

Dr. Chatterji's contribution to AUW aligns with Assam down town University's mission to promote academic excellence, cross-border knowledge exchange, and international research collaborations. His engagement in global teaching initiatives not only enhanced his professional development but also reinforced the university's standing in the global academic community.

Foreign University Students' Visit to AdtU

1. A team of four Physiotherapy students from Jashore University of Science and Technology, Bangladesh, visited the Faculty of Physiotherapy and Rehabilitation at AdtU. They were accompanied by Prof. Dr. Md. Zahid Hossain and Dr. Ehsanur Rahman.

Students from Jashore University of Science and Technology, Bangladesh attending classes at AdtU faculty of Physiotherapy and Rehabilitation

The students were accommodated in the AdtU guest house and attended an insightful lecture by Dr. Abhijit Kalita. Additionally, they had interactive sessions with senior officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's Directorate of International Affairs (DIA) ensured a comfortable stay and a valuable academic experience for the visiting students.

2. A team of four students from the Nursing and Teacher Education program at Biliran Province State University, Philippines, visited the Faculty of Nursing and Humanities at AdtU. They were accompanied by Prof. Dr. Jovy Dia Saniel and Dr. Maribel N. Zipagan. The students participated in a seven-day cross-cultural immersion program organized by the Directorate of International Affairs (DIA), followed by an extended four-day stay during which they attended lectures by Ms. Jaidalin Basaiawmoit and Ms. Embhah Dkhar. They also engaged with senior university officials, including the Executive Dean, Directorate of Research, and the Vice-Chancellor. AdtU's DIA ensured a comfortable stay and an enriching academic and cultural experience for the visiting students.

AdtU-Students' Visit to Foreign University

1. A team of 11 students from various programs at AdtU visited FPT University, Vietnam, from August 17 to 21, 2023, accompanied by Dr. Dapkupar Wankhar, Professor, Faculty of Paramedical. During their stay, the students attended lectures by Dr. Entidhar Al-Taie alongside

peers from other international universities as part of a five-day Research-Related Study Tour program. They explored FPT University's advanced facilities, including smart classrooms, a well-stocked library, state-of-the-art laboratories, an in-house canteen, and sports playgrounds. Additionally, they interacted with university officials, gaining valuable academic and cultural insights. This exposure to an international learning environment provided an enriching experience, broadening their perspectives for future academic and professional growth. Representative photographs are presented along with the report.

Students from AdtU exploring the academic environment at FPT University, Vietnam.

2. A team of four students from various programs at AdtU visited Middlesex University, Dubai, from October 23 to 26, 2023, as part of the four-day *Immersion Program in Management and Leadership*. They attended lectures by Dr. Cody Paris and Dr. Nitin Vihariie, alongside students from other international universities. The students explored Middlesex University's state-of-the-art facilities, including smart classrooms, a well-stocked library, advanced laboratories, an in-house canteen, and sports playgrounds. Beyond academics, they experienced Dubai's vibrant culture, visiting iconic landmarks such as the Burj Khalifa and Dubai Mall. Interactions with university officials and exposure to an international learning environment provided valuable academic and cultural insights, enriching their perspectives for future endeavors.

AdtU's students attending lectures at Middlesex University as part of the four-day *Immersion Program in Management and Leadership.*

3. A team of seven students from various programs at AdtU visited UCSI University, Malaysia, from November 14 to 24, 2023, accompanied by Ms. Kimberley, Program Coordinator. They participated in the nine-day *International Immersion Program*, attending lectures delivered by distinguished professor Ms. Sivaneswari alongside students from other international universities. The program included interactive ice-breaking activities, fostering camaraderie and engagement among participants. The students explored UCSI University's advanced facilities, including smart classrooms, a well-stocked library, and state-of-the-art laboratories. Additionally, they visited the Transport Department of Malaysia and interacted with university officials. This enriching international exposure provided valuable academic insights and broadened their perspectives for future endeavors.

AdtU's Student participated in the nine-day *International Immersion Program at* UCSI University, Malaysia.

4. A team of 23 students from various programs at AdtU visited Shinawatra University, Thailand, from May 18 to 21, 2024, accompanied by Ms. Satyabrat Sarma from the Faculty of Pharmaceutical Sciences. As part of the four-day *International Immersion Program*, they attended lectures by distinguished professor Dr. Somrek Kanwivat, alongside students from other international universities. Beyond academics, the students explored one of Asia's largest malls in Bangkok and enjoyed a memorable dinner cruise, experiencing the city's scenic nightlife with music, cultural performances, and dance. They also interacted with university officials, gaining

valuable academic and cultural exposure. This enriching experience broadened their perspectives, contributing to their academic and personal growth.

AdtU's Students visited to the Shinawatra University and attended lectures.

Acitivity of Directorate of Innovation, Start-ups, and Acceleration (DISA) – Academic Year 2023-24

In the academic year 2023-24, the Directorate of Innovation, Start-ups, and Acceleration (DISA) at Assam down town University has undertaken a series of transformative initiatives aimed at nurturing innovation and entrepreneurship among students. The initiatives ranged from workshops, competitions, and field visits to collaborations with leading industry professionals. These efforts align with the government's initiative to inspire and empower students to pursue entrepreneurial ventures and become catalysts for change in society. The few notable initiative are highlighted herewith.

1. Entrepreneurship and Innovation as a Career Opportunity

DISA kick-started the academic year with an insightful workshop focused on introducing students to the immense potential and opportunities within the entrepreneurial ecosystem. The workshop highlighted how innovation and entrepreneurship can serve as viable and rewarding career paths.

26th February 2024, Mr. Plabon Phukan, Founder and Life Skills Trainer of The Open Window, delivering an in-depth session on entrepreneurship and social innovation during the workshop. The event saw the active participation of over 60 students from diverse academic backgrounds, alongside faculty members and administrative staff.

2. Exposure and Field Visits for Problem Identification

The Directorate organized several field visits that gave students first-hand experience in identifying real-world problems. These visits played a pivotal role in helping students understand the challenges businesses face and how innovative solutions can be developed to address them.

On 21st February 2024, final year Civil Engineering Programme at Assam down town University, engaged with the school administration to assess issues and propose strategies for sustainable resource utilization.

3. 'Entrepreneur's Talk' by Popular Successful Entrepreneurs

As part of DISA's ongoing efforts to inspire and guide aspiring entrepreneurs, several 'Entrepreneur's Talk' events were conducted featuring successful entrepreneurs who shared their journeys, challenges, and strategies for success. These talks were well-received by students and provided invaluable insights into the world of entrepreneurship.

On 15th September 2023, **Mr. Sanjeev Sarma**, Founder & CEO of WebX Technologies Pvt. Ltd, delivered a motivational talk to the AdtU's student's fraterrity

Mr. Ratan Kumar, Founder & CEO of Encamp Adventures, a successful tourism startup from Assam, shared his entrepreneurial journey, highlighting sustainable tourism practices, challenges in funding, team building, and navigating regulatory frameworks

4. IdeatePitch

DISA facilitated the 'IdeatePitch' event, which was a platform for students to pitch their innovative ideas to a panel of experienced entrepreneurs and investors. This event fostered creativity and problem-solving skills, while also providing students the opportunity to receive constructive feedback on their ideas.

On 16th-17th February 2024, **Mr. Kanakn Jyoti Kharghoria**, Project Manager at Ernst & Young, served as the judge, providing valuable industry insights in IdeatePitch-2.0 organized by Faculty of Pharmaceutical Science and IIC-AdtU.

5. Problem Solving and Ideation Workshop

The Problem Solving and Ideation workshop equipped students with essential tools and techniques to approach complex problems systematically. The workshop focused on ideation methodologies and problem-solving frameworks, enabling students to develop innovative solutions.

On 28th-29th February 2024, The Idea Challenge Competition, an Intra Institutional Hackathon, was organized to foster interdisciplinary collaboration and innovative problem-solving among students.

6. Showcasing Innovation: Poster Presentation of Ideas

DISA organized an event to showcase innovative ideas in a poster presentation format. This event allowed students to present their creative concepts to peers, faculty, and industry professionals, fostering collaboration and knowledge sharing among participants.

On 19th-20th February 2024, a poster presentation was organized by Faculty of Engineering, Institution's Innovation Council (IIC), E-Cell, and down town Venture Labs at Assam down town University.

7. Motivational Workshop with Visionary Innovators

A motivational workshop featuring visionary innovators provided students with the right mindset to pursue their entrepreneurial dreams. The workshop was a platform for students to hear from thought leaders who have made significant contributions to innovation.

8. Idea Challenge Competition

The Idea Challenge Competition encouraged students to think critically and creatively to solve real-world problems. The event was designed to identify the most promising ideas and provide them with the necessary mentorship and resources to bring them to life.

On 21st February 2024, Idea Challenge competition was organized to showcasing the the talent of participants.

9. One-Day Workshop on 'Achieving Problem-Solution Fit and Product-Market Fit'

A one-day workshop was conducted to help students understand the critical concepts of problem-solution fit and product-market fit. The workshop focused on how these concepts are crucial for building successful businesses and helped students fine-tune their entrepreneurial ideas.

On 19th February 2024, The Faculty of Pharmaceutical Sciences, in collaboration with the Institution's Innovation Council (IIC), down town Venture Lab (dtVL), and E-Cell, AdtU, organized a one-day workshop on "Achieving Problem-Solution Fit and Product-Market Fit" to equip students and budding entrepreneurs with practical insights into aligning innovations with market needs.

10. Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer

This workshop focused on educating students about the process of innovation development, technology readiness levels (TRL), and the commercialization of laboratory technologies. It highlighted the importance of bridging the gap between research and commercialization, offering students the necessary tools to transform innovations into marketable products.

On 26th February 2024, The Faculty of Engineering, in collaboration with E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, organized a one-day workshop on 'Process of Innovation Development, Technology Readiness Level (TRL), Commercialization of Lab Technologies & Tech Transfer'.

11. Innovation & Entrepreneurship Outreach Program in Schools

The Directorate extended its reach beyond the university by organizing an innovation and entrepreneurship outreach program in schools. This initiative aimed at fostering an entrepreneurial mindset in younger students and encouraging them to explore innovation from an early age.

12. Workshop on Design Thinking, Critical Thinking, and Innovation Design

A workshop on Design Thinking, Critical Thinking, and Innovation Design was organized to help students develop essential cognitive skills for problem-solving. The workshop emphasized creativity, critical thinking, and human-centered design methodologies, which are crucial for fostering innovation.

On 20th February 2024, a workshop on "Design Thinking, Critical Thinking, and Innovation Design" was organized by E-Cell, IIC-Assam down town University, and down town Venture Labs to equip participants with essential problem-solving skills and insights necessary for innovation.

13. Field Visit to Skill Development Centre and Geospatial Lab

On 4th November 2023, a field visit to the Skill Development Centre and Geospatial Lab provided students with practical exposure to cutting-edge technologies and skill development programs. The visit enabled students to understand the importance of skill enhancement in the realm of innovation and entrepreneurship.

14. Blockchain and NFT Minting Workshop

DISA organized a hands-on workshop on Blockchain technology and NFT minting. The workshop educated students about the growing world of digital assets, decentralized finance, and the role of blockchain in innovation. This knowledge has equipped students with the tools to explore new opportunities in the blockchain space.

On 20th September 2023, Mr. Varun Desai, Head of Tezos India Arts and Culture, who introduced participants to the decentralized nature, security, and disruptive potential of blockchain technology across various sectors.

15. Innovative Food Product/Salad Competition

An Innovative Food Product/Salad Competition encouraged students to combine creativity with sustainability. The competition promoted the development of innovative food products that are both healthy and environmentally friendly, providing students with an opportunity to showcase their culinary ingenuity.

On 26th February 2024, the Innovative Food Product/Salad Competition, organized by the Faculty of Science, E-Cell, IIC-Assam down town University, and down town Venture Labs Foundation, aimed to inspire creativity and innovation in food preparation by combining culinary skills with nutritional science

16. Entrepreneurial Opportunities of Mushroom Cultivation

The Entrepreneurial Opportunities of Mushroom Cultivation workshop explored the potential of mushroom farming as a sustainable and profitable business. Students were introduced to the agribusiness sector and provided with insights into the cultivation, commercialization, and marketing of mushrooms.

On February 26, 2024, Dr. Manoj Kumar Kalita, who provided an in-depth understanding of edible vs. poisonous mushrooms, the cultivation process, suitable species, and optimal growth conditions. He also highlighted the medicinal and nutritional benefits of mushrooms and their economic viability.

Collaboration with dtVL Foundation & IIC-Assam down town University: Onboarding and Cheque Distribution Event for Student Incubatees

In a significant collaborative effort, the down town Venture Labs (dtVL) Foundation and the Innovation and Incubation Centre (IIC) at Assam down town University hosted the "Onboarding and Cheque Distribution Event for Student Incubatees" on October 16, 2023. This event marked the successful onboarding of student incubatees who were provided financial support and resources to help accelerate their startup journeys. The event witnessed the distribution of funds to the incubatees, empowering them to take their innovative ideas to the next level. Through this initiative, DISA has solidified its role as a key player in supporting young entrepreneurs and their ventures.

The cheque distribution ceremony held on October 16, 2023 organizedjointly by dtVL and ICC of Adtu, where 15 student incubatees received pre-incubation grants to support their startup ventures.

Assam down town University hosted "Envision 2024"

Assam down town University successfully hosted the 'Envision' 2024 Entrepreneurship Summit on 4th and 5th April, 2024, in Guwahati, Assam. This landmark event, organized by the Directorate of Innovation, Startup, and Acceleration (DISA), in collaboration with down town Venture Labs Foundation, Institution's Innovation Council (IIC), and E-cell, brought together key stakeholders such as Assam Startup, Meity Startup Hub, and Vikshit Bharat Abhiyan to showcase the region's entrepreneurial potential.

The summit featured a diverse array of activities, including a startup competition, workshops, a hackathon, and panel discussions, creating an exceptional platform for networking, learning, and collaboration. It attracted participants ranging from budding entrepreneurs to seasoned investors, fostering meaningful exchanges and partnerships.

The inauguration ceremony was graced by distinguished guests such as Sri PVSLN Murty, Chairman and Managing Director of North Eastern Development Finance Corporation Ltd.; Smt. Vandana Srivastava, Jurisdictional Director of Software Technology Park of India (STPI), Guwahati; and Dr. Y. Jayanta Singh, Executive Director of National Institute of Electronics & Information Technology (NIELIT), Assam. Their presence and insights did set the tone for the summit's success, emphasizing the role of technology and innovation in driving economic growth in Northeast India.

'Envision' 2024 has significantly contributed to fostering a culture of innovation and entrepreneurship in the region, laying a strong foundation for the future of startups and technological advancements in Northeast India. The event successfully bridged gaps between visionary ideas and their realization, empowering participants with essential tools, knowledge, and industry connections to drive the future of innovation.

The series of events organized by the Directorate of Innovation, Start-ups, and Acceleration (DISA) in the academic year 2023-24 has been instrumental in fostering a culture of innovation, entrepreneurship, and problem-solving among the students of Assam down town University. These initiatives have not only inspired students to think creatively but also have provided them with the tools and resources to transform their ideas into viable businesses. DISA remains committed to its mission of nurturing the next generation of innovators and entrepreneurs.

Directorate of Alumni Affairs

The Directorate of Alumni Affairs, in collaboration with the Alumni Association, successfully conducted various alumni engagement activities during 2023-24, including 13 Alumni Interactions/Talks to strengthen connections with the alumni community. One international and two national alumni meets were organized in Dhaka, Dibrugarh, and Guwahati, facilitating networking opportunities. Additionally, the university recognized twelve distinguished alumni under the "Alumni of the Month" initiative for their significant contributions in their respective fields. The prestigious "AdtU Alumni Award for Inspiring Achievement" was also presented to honor outstanding alumni accomplishments. These initiatives have significantly contributed to fostering a strong and engaged alumni network, reinforcing a sense of belonging and pride among graduates while ensuring continued collaboration and growth.

Alumni Meet in Dhaka – A moment of camaraderie as distinguished alumni and university representatives gather for the international alumni meet, fostering connections and celebrating achievements.

The Student Welfare Fund Committee (SWFC), under DoSA, provided financial support through grants and loans in 2023-2024, assisting students in academic, entrepreneurial, and extracurricular pursuits. A total of seven welfare grants were awarded for internships, entrepreneurial projects, sports, and inter-university events, while four welfare loans supported academic projects and educational trips. No applications were received for the Student Emergency Medical Fund. The SWFC remains committed to fostering student development by alleviating financial constraints and encouraging holistic growth.

Student volunteers engaging in the orientation program for newly admitted students as part of DoSA activities.

Further, the **Directorate of Student Affairs** at Assam down town University played a pivotal role in organizing and facilitating various events throughout the academic year 2023-2024, fostering student engagement and holistic development. The year began with **Orientation Day** on August 12, 2023, where freshers were introduced to campus life through interactive sessions, ice-breaker activities, and campus tours. On August 15, the **Independence Day Celebration** honored the spirit of patriotism with flag hoisting, cultural performances, and a speech competition. From November 5-7, the vibrant **Sanskriti Cultural Fest** showcased student talents in music, dance, and drama, celebrating the university's cultural diversity. The **Workshop on AI & Machine Learning**, held on January 15, 2024, provided students with hands-on experience in emerging technologies, guided by industry experts. Sports enthusiasts actively participated in the **Annual Sports Meet** from March 10-12, fostering teamwork and physical fitness through various athletic events. The **Alumni Meet** on June 20 reunited former students for networking

sessions and career discussions, strengthening alumni relations. The academic year concluded with the **Convocation Ceremony** on July 15, where graduates were awarded their degrees in the presence of esteemed guests and faculty. Through these diverse initiatives, the **Directorate of Student Affairs** successfully enriched student experiences, promoting academic excellence, cultural appreciation, and professional growth.

Magh Bihu: Magh Bihu also known as Bhogali Bihu is a significantharvest festival and marks the end of harvesting season in the month of Maagh (January-February). The students, faculty and staff of Assam down town University participated in 'Meji' lighting. Traditional Assamese dishes were prepared and shared among the university community, highlighting the rich culinary heritage of Assam.

Capturing the essence of the Magh Bihu celebrations at AdtU campus

Lamp Lighting Ceremony: The Faculty of Nursing, Assam down town University organized Lamp lighting ceremony on 25th January, 2024. In a momentous ceremony held at the organization of the Faculty of Nursing, Assam down town University proudly witnessed the 16th Lamp lighting & Oath taking ceremony. The lighting of the ceremonial lamp added a profound dimension to the event, signifying the dispelling of darkness and the ushering in of knowledge and clarity.

Highlights of the Lamp Lighting Ceremony at AdtU campus.

The 75th Republic Day: Assam down town University (AdtU) celebrated Republic Day with patriotic fervor and cultural vibrancy. The campus, adorned with the spirit of the occasion, witnessed a meticulously organized event that commemorated the essence of democracy under the overarching theme, **"**Viksit Bharat" and "Bharat: Loktantra ki Matruka (India: Mother of Democracy)".

Scenes from the 75th Republic Day event at AdtU

Bohag Bihu: Assam down town University celebrated the Bohag Bihu also known as Rongali Bihu with great fervor. The celebration included traditional Assamese music and dance performances. With the mesmerizing rhythms of Dhol, Pepa, Gogona and the graceful steps of Nasoni, the bihu was a celebration of tradition and unity of AdtU community.

Moments from the Bhoga Bihu festivities at AdtU campus

International Day for Biological Diversity:The **AdtU Biodiversity Club**and**Green Intention Program**, under the Faculty of Science, celebrated *International Day for Biological Diversity* on **22nd May 2024**, embracing the theme *"Be Part of the Plan."* The event commenced with a welcome address by **Prof. L. N. Kakati**, Chairperson of the AdtU Biodiversity Club, who delivered an enriching talk on the biodiversity of Northeast India, followed by an insightful speech by **Honorable Vice-Chancellor, Prof. N. C. Talukdar**, emphasizing the importance of conservation and presenting an engaging video on *"The Life Cycle of a Dove."* A key highlight was the launch of the club's first newsletter, **"AdtU Nature,"** showcasing its efforts in biodiversity restoration and sustainability. Additionally, **Levi Haokip**, a 4th-semester B.Sc. Forensic Science student, presented the **1.5°C Climate Clock,** underscoring the urgency of addressing climate change. With more than **100 participants** actively engaging in discussions and activities, the program successfully inspired students to take proactive steps in biodiversity conservation, reinforcing Assam down town University's commitment to environmental sustainability.

The **AdtU Biodiversity Club** released its inaugural newsletter "AdtU Nature" on the event of *International Day for Biological Diversity.*

SPIC MACAY 2024, Guwahati and Assam down town University Chapters: Padmashri Dr. Kiran Seth, founder of SPIC MACAY, visited Assam down town University (AdtU) for an inspiring day of engagement. He was welcomed by the Dean of Studies, Prof. Bandana Dutta, and later posed for photographs near the Mahatma Gandhi statue. A press conference followed, where the SPIC MACAY team shared insights about their mission and work.

Dr. Seth was then felicitated by AdtU's Vice Chancellor, Prof. (Dr.) N. C. Talukdar, Pro-Vice Chancellor Prof. (Dr.) Pranveer Singh, and Prof. Bandana Dutta. The program included a soulful bhajan by the Performing Arts faculty, followed by an enlightening talk by Dr. Seth on the importance of sustainability, wellness, classical music, and meditation in students' lives. An interactive session with the audience followed, creating a reflective atmosphere.

A group photograph with Dr. Seth and the entire SPIC MACAY team after the memorable session at AdtU.

The event concluded with a vote of thanks and group photographs, followed by a lunch hosted in honor of the SPIC MACAY team. This visit marked a significant milestone in fostering cultural and intellectual growth at AdtU.

AdtU organized a National Consultative Meeting on the "Establishment of the National Tribal Science and Technology Council (NTSTC)."

The National Consultative Meeting on the establishment of the National Tribal Science and Technology Council (NTSTC) and meeting of the expert committee of the Tribal Sub-Plan under DST, GoI was held from August 20-22, 2023, at Assam down town University, Guwahati. The event brought together key stakeholders to discuss the council's framework, functions, and funding mechanisms.

Prof. N.C. Talukdar, Vice Chancellor of Assam down town University, presided the meeting and delivered the welcome address, setting the stage for insightful discussions. This was followed by presentations from Dr. Debapriya Dutta, Adviser, DST, GoI, on the Tribal Sub Plan Scheme and Dr. Vinita Srivastava, Adviser, from the Ministry of Tribal Affairs, GoI. Vice Chancellors and

their representatives from various tribal universities—including Indira Gandhi National Tribal University (Madhya Pradesh), Sidho-Kanho-Birsha University (West Bengal), Rajiv Gandhi University (Arunachal Pradesh), University of Ladakh (Ladakh), Birsa Munda Tribal University (Gujarat), Central Tribal University of Andhra Pradesh, and Kalinga Institute of Social Sciences (Odisha)—deliberated on NTSTC's structure, research priorities, and funding strategies.

Vice Chancellors and their representatives from various tribal universities of India deliberating on the framework and research priorities of NTSTC

Members of the Expert Committee highlighted the critical role of science and technology in tribal development. The meeting concluded with a consensus on NTSTC's governance, funding models, and collaborative strategies, reinforcing Assam down town University's commitment to advancing tribal education, research, and innovation.

During August 21-22, 14 experts from different universities/organization across the country, evaluated over 50 project proposals under STI-hubs submitted for potential support. Another 40 ongoing project progress were also evaluated by the experts.

Assam down town University's Strategic MoUs for Research, Academics, and Infrastructure Development

Assam down town University has signed Memorandums of Understanding (MoUs) with various National universities, institutes, and organizations to enhance its research, academic, and infrastructural capabilities. These collaborations aim to foster knowledge exchange, joint research initiatives, faculty and student development programs, and infrastructure expansion. Through these strategic partnerships, the university seeks to strengthen its academic excellence, promote innovation, and provide students with global learning opportunities. This initiative reflects the university's commitment to advancing education and research through meaningful collaborations with esteemed institutions.

Details of MoU signed in this academic session 2023-24.

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
1.	Institute of Urology and kidney Disease, Guwahati, Assam	Collaboration in the field of training, R&D, dissemination of knowledge. Industry visit, internship and clinical posting in the field of Paramedical Sciences.	07-06-2024 to 06-06-2025
2.	Bharatiya Engineering Science and Technology Innovation University (BESTIU), Andhra Pradesh	Joint research activities in the area of mutual interest and exchange of resources for research.	27-09-2023 to 26-09-2026
3.	AAFT University, Raipur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
4.	Arya College of Engineering (ACE), SP-40, Industrial Area (RIICO), Delhi Road, Kukas, Jaipur	Collaborative research and exchange of students and staffs.	27-09-2023 to 26-09-2024
5.	ASM (AudyogikShikshan Mandal) Groups of Institute, Pune	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
6.	Automotive Skills Development Council (ASDC), E-113, Okhla Industrial Estate Phase-III, New Delhi	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
7.	D.Y. Patil International University, Maharashtra	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
8.	G D Goenka University, Gurugram, Haryana	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
9.	G.L. Bajaj Institute of Management and Research, Noida	Collaboration in teaching, R&D, consultancy, curriculum development and academic exchange of students and faculty.	27-09-2023 to 26-09-2026
10.	Gangadhar Meher University, Amruta Vihar, Sambalpur, Odisha	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
11.	Guru Ghasidas Vishwavidyalaya, Bilaspur	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
12.	I S B R Business School, Bengaluru	Collaboration in teaching, R&D and consultancy; joint phD program, certificate program and research.	27-09-2023 to 26-09-2026
13.	ISBM University, Chattisgarh	General academic collaboration and exchange of students.	27-09-2023 to 26-09-2026
14.	Jaipuria School of Business, Ghaziabad, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
15.	JIS GROUP, Kolkata, West Bengal	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
16.	K S R institute for Engineering and Technology, Tamil Nadu	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
17.	Maharaja Agrasen Himalayan Garhwal University, Uttarakhand	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
18.	NIMS University, Jaipur Rajasthan	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
19.	Sai Nath University, Jharkhand	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
20.	Sanskriti University, 28 K.M., Mathura- Delhi Highway, Chhata, Mathura, Uttar Pradesh	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
21.	Sigma University, Vadodara, Gujarat	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
22.	Studlence Edu Tech Pvt. Ltd., Greater Noida, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
23.	T.R.C. Law College, Barabanki, UP	Collaboration in teaching, R&D and consultancy in the area of mutual interest.	27-09-2023 to 26-09-2026
24.	Vidyabharati Foundation's Institute of Business Management and Research and IBMR Group of Institutions, Hubballi, Karnataka, India.	Development of program of study, course, Pedagogy, collaborative research, faculty and student exchange, etc.	27-09-2023 to 26-09-2026

Sl. No.	Name of the partnering Institution/ industry /research lab/corporate house	Title of the MoU	Duration (From-To)
25.	Swahid Smriti Mahavidyalaya, Nalbari, Assam	Collaboration for research, exchange of faculty &students, internship and training for students, joint consultancy & project implementation	04-10-2023 to 03-10-2026
26.	Makeintern (Mohipuri Technologies Pvt. Ltd)., Janakpuri, Delhi	Job orientation training to the students of B. Pharm, M. Pharma, D. Pharm and other disciplines on mutual agreement, carrying out joint workshop, training, seminars in the field of pharmaceutical science and Science.	08-03-2024 to 07-03-2027
27.	Dreamzone School of Creative Studies, Dispur, Assam	Collaboration in the fields of training, R&D, industry partnership, industry visits and internship for students of FCM.	20.01.2024 to 19-01-2027
28.	Gratia Technology, Guwahati, Assam	Collaboration in the fields of training, R&D, industry partnership, industry visits and internship for students of Faculty of Engineering, FCM, FoCT	20.01.2024 to 19-01-2027
29.	Piramal Swasthya Management and Research Institute, Hyderabad	Collaboration to set up a process of recruitment in the campus.	07.02.2024 to 06-02-2027

Enhancing Infrastructure and Facilities at Assam down town University

In the pursuit of academic excellence and holistic student development, Assam down town University has made significant strides in upgrading and expanding its infrastructure during this academic session. Our commitment to providing a world-class learning environment has led to the introduction of several new facilities and the renovation of existing ones to meet evolving educational standards.One of the key developments this year has been the enhancement of classroom and laboratory facilities. To foster a more interactive and engaging learning experience, we have equipped classrooms with modern audio-visual aids and smart learning tools. Additionally, new state-of-the-art laboratories have been established, ensuring that students receive hands-on experience with cutting-edge technology and research methodologies.

In our endeavor to support holistic growth, we have also upgraded our library facilities. The addition of digital resources, e-books, and high-speed internet access has significantly improved the ease of research and self-learning opportunities for students and faculty alike. The expansion of study spaces and reading rooms has further enriched the academic ambiance of the university.Recognizing the importance of student well-being, the university has invested in upgrading hostel facilities, ensuring a comfortable and secure residential experience. The hostels have been equipped with modern amenities, including better recreational spaces, hygienic dining facilities, and enhanced security measures. Furthermore, a new sports complex has been introduced to promote physical fitness and extracurricular engagement among students.The digital transformation of administrative processes has been another milestone this year. The implementation of an advanced Learning Management System (LMS) and an upgraded online student portal has streamlined academic and administrative operations, making them more efficient and accessible.

Additionally, our commitment to sustainability has led to the addition of biogas plant, sewage treatment plants (STP) planting of more tree and establishment of valuable wood plantlets to already existing installation of eco-friendly infrastructure, including solar panels, rainwater harvesting systems, agar wood plantations and other green spaces across the campus. These initiatives align with our vision of fostering an environmentally responsible campus.

AdtU's steps towards a Sustainable Future: Environmental Conservation and Green Technologies.

Encouraging Academic Excellence through Conferences, FDP, and Professional Memberships

At Assam down town University (AdtU), we are committed to fostering a culture of academic growth and knowledge exchange. To this end, we actively encourage our faculty members and students to participate in national and international conferences, workshops, and Faculty Development Programs (FDPs). These platforms provide valuable opportunities to share innovative ideas, engage in scholarly discussions, and stay updated with the latest advancements in various fields.

To support this initiative, AdtU has a dedicated scheme that facilitates financial assistance for faculty and students attending such prestigious events. Additionally, the university recognizes the importance of professional networking and encourages faculty members to obtain memberships in renowned national and international academic and professional bodies. To ease this process, AdtU provides reimbursement for membership fees, ensuring that faculty members have access to valuable resources, collaborations, and professional development opportunities.Through these efforts, AdtU reinforces its commitment to academic excellence, continuous learning, and global engagement, enabling its faculty and students to contribute meaningfully to their respective domains.

In this academic year, a large number of our esteemed faculty members have actively participated in various national and international conferences, workshops, and Faculty Development Programs (FDPs). These engagements have provided them with valuable insights, research collaborations, and opportunities to contribute to the academic community.

Below is a comprehensive list of conferences and FDPs attended by our faculty members, showcasing their dedication to continuous learning and professional development:

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
1	Dr. Saikat Sen	Faculty of Pharmaceutical Science	Keynote Speaker in e-FDP 'EITAP-2k24' organized by Shri Venkateshwara College of Pharmacy, Puducherry	NA	3rd to 8th June 2024	Online

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
2	Dr. Faruk Alam	Faculty of Pharmaceutical Science	National conference "Drug Discovery and In-Silico Drug Design "	Drug Discovery and In-Silico Drug Design "	18.11.2022	Royal School of Pharmacy
3	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Workshop cum Valu Added Course on Nanotechnology (Amazing Nano 2023), organized by Department of Electronics and Communication Engineering, School of Technology, Assam Don Bosco University, Guwahati.	Advancement of nanotechnology in biomedical application	03.10.2023	Online Mode
4	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Virtual Symposium on "Application of Biotechnology" organized by INTI, Malaysia	Exploring Natural Resources in Quest for Lead Molecules	20.09.2023	Online Mode
5	Dr. Partha Pratim Dutta	Faculty of Pharmaceutical Science	Two-day workshop on "Mastering the Art of Research: From Selection to Publication"	Identifying and selecting a viable research area	01.09.2023	Pratiksha Institute of Pharmaceutical Sciences, Guwahati
6	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Four-Day Workshop	Basic data Science in Pharmacoepidemiology	25th to 29th March 2022	Pharmacy Literacy Club/ MAHE, Manipal, Karnataka, India
7	Dr. T Chandra Shekar	Faculty of Pharmaceutical Science	Three Day National Webinar	Recent Trends in Pharmaceutics and Novel Drug Delivery Systems	21st to 23rd March, 2022	Dept. of Pharmaceutics (MPH), Shri Vishnu College of Pharmacy (Autonomous), Bhimavaram, Andhra Pradesh,
8	Dr. Rinchi Bora	Faculty of Pharmaceutical Science	APTICON 2023	Analytical method development, validation, synthesis, characterization and forced degradation studies of	2nd to 3rd September, 2023	PSIT, Kanpur

Sl. No.	Name of Faculty Member	Faculty of Study	Name of Conference/ Workshop Attended	Topic of Presentation	Date	Venue
				TDF and its impurities.		
9	Dr. Pal Gogoi	Faculty of Pharmaceutical Science	APTICON, 2023	Analytical method development, validation, synthesis, characteizati on and forced degradation studies of TDF and its impurities.	2nd & 3rd Septem ber, 2023	PSIT, Kanpur
10	Prof (Dr) Manashi Sengupta	FACULTY OF NURSING	77th TNAI National Conference: "Invest in Nursing for Global Health"	Attended as a delegate	30th-31st January 2023	30th-31st January 2023 SRIMANTA SANKARADEV A INTERNATIONA L AUDITORIUM, GUWAHATI
11	Ms Sujana Yambem	FACULTY OF NURSING	77th TNAI National Conference: "Invest in Nursing for Global Health"	Attended as a delegate	30th-31st January 2023	SRIMANTA SANKARADEV A INTERNATIONA L AUDITORIUM, GUWAHATI
12	B. Cynosure Sharma	FACULTY OF NURSING	77th TNAI National Conference: "Invest in Nursing for Global Health"	Attended as a delegate	30th-31st January 2023	SRIMANTA SANKARADEV A INTERNATIONA L AUDITORIUM, GUWAHATI
13	Prof. Nongmeikapam Monika	FACULTY OF NURSING	"Exploring the Challenges in Nursing Research"	Attended as a delegate	28th April 2023	DR. B. BOROOAH CANCER INSTITUTE, GUWAHATI
14	Ms. Yaiphakonbi Contractor	FACULTY OF NURSING	Transformation of Nursing Education through Innovative Strategies	Attended as a delegate	25th – 1st May 2023	VED NURSING COLLLEGE, HARYANA
15	Prof. Nongmeikapam Monika	FACULTY OF NURSING	Digital skills and competencies for teachers: With special focus on MOOCs and E-	Attended as a delegate	9th-22nd June 2023	AMITY UNIVERSITY, HARYANA

Recognition and Accolades: Commitment to Society and Academic Excellence

At Assam down town University (AdtU), our dedicated faculty members and students actively contributed to society through various initiatives, research, and community engagement. Their relentless efforts in education, innovation, and social service have been recognized by esteemed national and international organizations.

In recognition of these contributions, many of our faculty and students have received accolades, awards, and honors from distinguished bodies. These achievements reflect the university's commitment to academic excellence, social responsibility, and impactful learning.

This year, the AdtU fraternity has earned numerous prestigious recognitions, further strengthening our reputation as a center of excellence. These honors serve as a testament to the hard work, dedication, and passion of our faculty and students in making a meaningful difference in society.

Extracurricular Activities at AdtU: A Year of Engagement and Growth

At AdtU, extracurricular activities play a crucial role in shaping students' holistic development alongside their academic pursuits. Throughout the year, students actively participated in various clubs, each catering to diverse interests and talents. These clubs provided a platform for students to express their creativity, enhance their skills, and foster a sense of community.

Highlights from the Clubs

1. Drishya Drama Club

The Drishya Drama Club captivated audiences with its outstanding theatrical performances. Students showcased their acting talents through stage plays, skits, and monologues, addressing social issues and entertaining the university community.

2. Om Yoga & Meditation Club

This club played a significant role in promoting wellness and mindfulness. Regular yoga and meditation sessions helped students manage stress, improve concentration, and embrace a healthy lifestyle. Special workshops on mental well-being were also conducted.

3. Erudite Literary Club

With a passion for literature and creative writing, the Erudite Literary Club organized poetry recitations, storytelling sessions, and debate competitions. The club encouraged students to enhance their writing and public speaking skills.

4. Tribhanga and Zephyr Dance Clubs

These dance clubs brought vibrancy to campus life through dynamic performances in various styles, including classical, contemporary, and fusion. The clubs participated in inter-university dance competitions and organized workshops for aspiring dancers.

5. Dorian and Bandish Music Club

Music enthusiasts found their home in the Dorian and Bandish Music Club, where students engaged in vocal and instrumental performances. The club hosted open mic sessions, battle-of-the-bands competitions, and musical evenings, enriching the cultural landscape of the university.

6. Beethika Art Club

The Beethika Art Club nurtured students' artistic talents through painting exhibitions, mural projects, and workshops. The club also contributed to beautifying the campus with creative art installations and graffiti projects.

7. Sports Club

With an emphasis on physical fitness and teamwork, the Sports Club organized tournaments in football, basketball, cricket, badminton, and other sports. Students actively participated in intra- and inter-university competitions, showcasing their athletic prowess.

8. Landscape, Photography & Cine Club

This club provided a platform for students to explore visual storytelling through photography and filmmaking. Members captured stunning images of campus life, produced short films, and conducted photography workshops to enhance technical skills.

A Year of Achievements and Inspiration

The year witnessed a surge in student engagement across all clubs, reflecting a culture of creativity, teamwork, and self-expression at AdtU. These extracurricular activities not only helped students hone their talents but also contributed to their overall personality development. The university remains committed to fostering such opportunities, ensuring that students receive a well-rounded educational experience.

Championing Excellence: Sports Activities at AdtU (2023-24)

The academic year 2023-24 was a remarkable period for sports at Assam down town University (AdtU), marked by outstanding achievements, thrilling competitions, and a growing spirit of sportsmanship among students and faculty alike. From badminton and cricket to a grand sports fest, the university's athletes and teams showcased their dedication, resilience, and competitive excellence on multiple prestigious platforms.

AdtU Badminton Championship 2024

The AdtU Badminton Championship 2024, held on 23rd May 2024, was a spectacular event that witnessed participation from various universities and institutions. The championship featured competitions in Men's and Women's team events, along with an exciting Mixed Doubles category.

- Men's Team Event: The champions were AIPE (A) from the Abhiruchi Institute of Physical Education, with stellar performances from Lahu Linggi, Sonmyadeep Saha, Diwas Yadav, Kabeer Husain, and Jyoti Kachari. The runners-up were KKHSOU (Krishna Kanta Handique State Open University), featuring Sangram Chutia, Sajid Akhtar, Meraj Hussain, Saurav Jyoti Deka, and Ashok Talukdar. Sangram Chutia was awarded the Best Player (Men) title for his exceptional gameplay.
- Women's Team Event:Cotton University emerged victorious, represented by Suzen Buragohain and Pratiksha Pathak, while the Asian Institute of Management secured the runner-up position with Pratiksha Borgohain and Vasundhara Tanwar. Upasana Borgohain of Cotton University was named Best Player (Women) for her outstanding performance.
- Mixed Doubles Tournament:Cotton University (B), represented by Irfan Ahmed and Suzen Buragohain, claimed the championship title. Cotton University (A), comprising Tehzeeb Rahul Toufique and Pratiksha Pathak, finished as runners-up.

Inter-University and Inter-College Cricket Achievements

The AdtU Cricket Team had an eventful year, participating in various prestigious tournaments, showcasing their skill and teamwork at both regional and inter-varsity levels.

- Nemcare Group Premier League (Season 6): Held in November 2023, the AdtU team participated in this competitive tournament hosted by NITS Mirza, Guwahati. The team

secured a victory in their first league match, demonstrating their potential and teamwork.

AdtU Cricket Team Competes in Nemcare Group Premier League at NITS Mirza, Guwahati.

- Inter-College Cricket Tournament (Govt. Ayurvedic College, Guwahati): AdtU's team exhibited great resilience and skill, reaching the quarter-finals, further strengthening the university's presence in regional cricket.
- 3rd Niloy Dutta Memorial Inter-Varsity Cricket Tournament: Organized by the Assam Cricket Association (ACA), this prestigious event saw AdtU winning two of their league matches, proving their growing competence in inter-university cricket.

Inter-University Badminton Tournament (Nagaland University, AIU)

AdtU's badminton players participated in the Inter-University Badminton Tournament, organized by Nagaland University under the banner of the Association of Indian Universities (AIU). The team secured two victories in their league matches, gaining invaluable experience while competing against top universities from the region.

Highlights of AdtU badminton players competing at the Inter-University event

Faculty Participation: Flood Light Cricket Tournament

Faculty members of AdtU also actively participated in sports. 16 teachers and 2 non-teaching staff represented AdtU in the Flood Light Cricket Tournament for University and College Teachers, organized by Gauhati University. The team showcased commendable performance, reaching the semi-finals, emphasizing the university's commitment to promoting sports among both students and faculty.

AdtU's Faculty Team Competes in Flood Light Cricket Tournament, organized by Gauhati University

ATTITUDE-2024: A Grand Celebration of Sports

The Sports Fest for ATTITUDE-2024, held from 19th to 21st February 2024, was a massive success, featuring over 350 students competing in various sports events, including:

- Badminton Singles (Male and Female)
- Badminton Doubles (Male and Female)
- Volleyball (Male and Female)
- Futsal (Male and Female)
- Arm Wrestling (Male and Female)

The event was not just a competition but a celebration of sportsmanship, camaraderie, and athletic excellence within the AdtU community.

The 2023-24 academic year was an inspiring journey for AdtU's sports teams and athletes. With remarkable achievements in badminton and cricket at inter-college and inter-university levels, as well as a successful sports fest, the university continues to foster a strong sporting culture. These milestones reflect the dedication of students and faculty towards sports, and AdtU remains committed to encouraging athletic talent and excellence in the years to come.

Executive Summary

In the academic year 2023-24, Assam down town University (AdtU) made remarkable strides in enhancing its research ecosystem, aiming to foster a culture of academic excellence, innovation and scientific inquiry. Effort was pot to complete the preparation for implementation of MEP 2020 full-fledged form 2024-25 sessions. The course superstructures across all programs completed by taking into consideration different facts such as multidisciplinary, interdisciplinary academics, industry academics interface and internationalization and through active involvement of faculty members. Another key focus has been on revising the Research Award Policy to further incentivize faculty-driven research, positioning AdtU as a leader in academic research and development. The University introduced advanced instrumentation across all Central Instrumentation Facilities (CIF), enhancing access to cutting-edge technology for sophisticated experimentation and analysis. Additionally, significant improvements to laboratory infrastructure have created a more conducive environment for groundbreaking research across various disciplines.

A cornerstone of AdtU's research expansion is the allocation of substantial seed funding. The University provided ₹87.49 lakhs in seed grants to 28 faculty-led projects, nurturing pioneering research ideas and promoting high-impact scientific discoveries. Furthermore, AdtU has successfully secured and is actively managing a total of ₹1389.06 lakhs in extramural research grants, awarded by prominent government agencies such as the Department of Biotechnology (DBT), Department of Science & Technology (DST), Indian Council of Medical Research (ICMR), and Assam Science Technology & Environment Council (ASTEC). These grants signify the University's commitment to addressing contemporary scientific and societal challenges through collaborative and high-quality research.

In addition to government funding, AdtU has also secured ₹89 lakhs from 25 non-government funding agencies, supporting 213 faculty-led projects. This financial backing underscores the growing recognition of AdtU's research excellence, facilitating its faculty members in exploring diverse and impactful areas of study.

The University's continued efforts to foster an innovative research environment are complemented by its diverse academic offerings, with 1982 students enrolled across 49 programs under 10 faculties. These initiatives aim to strengthen AdtU's position as a leading institution in higher education and research. Moving forward, the University is committed to refining its research infrastructure, expanding its funding avenues, and maintaining its focus on cutting-edge research that addresses both global and regional challenges.

The expansion of both indoor and outdoor sports infrastructure, enhancement of library resources, and accelerated initiatives across key directorates—including International Affairs (DIA), Career Advancement (DOCA), Innovation Start-up and Acceleration (DOSA), Alumni Affairs (DOAA), and Student Affairs (DOSA)—are propelling AdtU toward its vision of becoming a globally recognized university from Northeast India. With a strong focus on academic excellence, research, and holistic student development, AdtU is committed to shaping a better society.
