Minutes of the Meeting of the Institutional Ethics Committee held on Auditorium 2 of C-Block, above Jironee, Assam down town University, Guwahati, on 23.10.2024 from 10 am onwards

The Following Members attended the meeting:

1. Prof. Giasuddin Ahmed (Chairman)
2. Dr. Suparna Dhar
3. Dr. Bijoy Das
4. Mr. Zafaryal Hady Hussain
5. Dr. Seydur Rahman (Member Secretary)

Agenda:

1. Confirmation of minutes of last meeting held on 13/05/2024 and 14/05/2024
2. To examine the ethical concerns associated with the synopsis of PhD scholars of Assam down town University.
3. Any other matter with the permission of the chairman

Agenda 1: Confirmation of minutes of last meeting

1. The minutes of last meeting were confirmed and finalized.
2. The members declared that there is no conflict of interest.

Agenda 2: To examine the ethical concerns associated with PhD research proposals registered under various Faculty of Studies of Assam down town University.

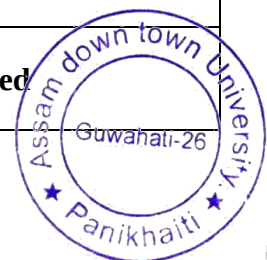

In the meeting, a total of 24 proposals were discussed. After deliberations the following resolutions and decisions were arrived at:

- Number of proposals approved: 11
- Number of proposals approved subject to minor fulfilments: 13

Sl. No.	Scholar Name	Title of the Proposal	Action Taken
1.	Mostofa Hassan Khandakar	Role of essential oils as an antimicrobial active substance against selected microbes isolated from diabetic foot ulcer	Approved with the following suggestions/ comments/ modification: • New synopsis to be submitted along with the modified title. • Need to submit the consent form • Sample size missing
2.	Aleena Khaidem	Phytochemical screening of <i>Pogostemon cablin</i> and <i>Microtoena patchoulii</i> found in Imphal West District, Manipur	Approved
3.	Farhana Hussain	VDR gene polymorphism and expression in maternal anemic patients in Rangia, Kamrup (rural), Assam	Approved with the following suggestions/ comments/ modification: • Need to resubmit the synopsis with modified title

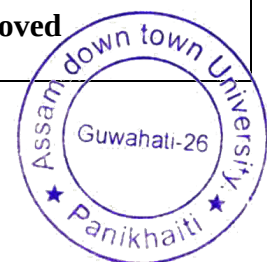

Sl. No.	Scholar Name	Title of the Proposal	Action Taken
			- Determine the patient sample size and mention the same in the resubmitted synopsis. - Need to submit the consent form - Need to submit permission letter from concerned authority
4.	Nikhita Nina Bora	Identification and documentation of polycyclic aromatic hydrocarbons in Traditional smoked foods of Bodo community of Assam and its probable correlation with stomach cancer	Approved with the following suggestions/ comments/ modification: - Need to submit the consent form - Need to submit photocopy of animal ethical clearance certificate once approved by the same
5.	Michi Tanyo	Evaluation of Truenat assay for rapid and accurate detection of tuberculosis among presumptive paediatric patients in Papumpare district, Arunachal Pradesh	Approved with the following suggestions/ comments/ modification: Need to submit NOC from concerned authority
6.	Jutima Baruah	Prevalence of extended spectrum beta lactamases and carbapenemases producing <i>Acinetobacter baumannii</i> isolated from tertiary care hospitals in Guwahati	Approved
7.	Jayashree Majumdar	Studies on efficacy evaluation of some selected plants against pathological leucorrhea	Approved with the following suggestions/ comments/ modification: Synopsis need to be resubmitted mentioning sample size along with the consent form.
8.	Ankana Madhuri Nath	Evaluation and exploration of eri silkworm pupa for its preservation, marketing and diversification into various food items.	Approved
9.	Rikhi Kesharee Dehingia	Effect of water quality on planktonic diversity of Silsako Beel, Kamrup, Assam	Approved

Sl. No.	Scholar Name	Title of the Proposal	Action Taken
10.	Smita Das	Comparative study of intra ocular pressure using applanation tonometer and schiotz tonometer in selective refractive errors across different age groups	Approved with the following suggestions/ comments/ modification: Need to submit the consent form Need to submit the questionnaires set
11.	Parijat Borah	To document and correlate different types of refractive error and strabismus with special reference on quality of life	Approved with the following suggestions/ comments/ modification: Need to submit the consent form Title modification suggested
12.	Gitismita Devi	To evaluate the accommodative anomalies in binocular vision development and find the correlation and impact on myopia	Approved with the following suggestions/ comments/ modification: - Need to submit the hard copy of synopsis - Need to submit the consent form Need to submit the NOC from concerned authority
13.	Deepashree Deka	A study on prevalence and effectiveness of physiotherapy intervention in attention deficit hyperactivity disorder in school going children, Kamrup (r) district, Assam	Approved
14.	Pallabi Goswami	Effect of positional release therapy versus ergonomic and neck specific exercises in neck range of motion and neck pain among college students of Guwahati using smartphone	Approved
15.	Banashri Das	Assessment of physical activity and effect of foam roller with static stretching and hold relax on hamstring tightness among adolescent students	Approved

Sl. No.	Scholar Name	Title of the Proposal	Action Taken
16.	Urvashi Bhattacharya	Respiratory muscle stretch gymnastic and hand held airflow stimulation in elderly: a comparative study on the effect over dyspnea , exercise capacity and quality of life.	Approved
17.	Trishna Kakati	Efficacy of combined kinetic chain exercises and balance exercises in diabetic women with knee osteoarthritis in Kamrup, Assam	Approved
18.	Karran Yangma	Efficacy of physiotherapy interventions for managing plantar fasciitis in individuals engaged in prolonged standing	Approved with the following suggestions/ comments/ modification: Need to submit the consent form
19.	Mayur Das	A study on effectiveness of low dye taping and comprehensive exercise programme in the management of flat foot among college going students of Guwahati, Assam	Approved with the following suggestions/ comments/ modification: Need to submit the consent form One NOC has to be submitted from the concerned authority
20.	Kalyan Dehingia	A study on the prevalence of musculoskeletal pain in type II diabetes meliitus patients, its association with physical activity, quality of life and the effectiveness of home based exercise program in Guwahati Metro	Approved with the following suggestions/ comments/ modification: Need to submit the consent form Need to submit the questionnaires set
21.	Monalisa Maibam	The influence of types of background music on mood and learning among adolescent learners in Imphal and Guwahati	Approved with the following suggestions/ comments/ modification: Need to submit the consent form Need to submit the permission letter from concerned authority
22.	Sanjib Phukan	A study on the role of yoga on the well-being of students of Lakhimpur district	Approved

Sl. No.	Scholar Name	Title of the Proposal	Action Taken
23.	Sanjib Rajkhowa	Nature, imagery and cultural reflections: A comparative study of select poems of Robert Frost and Mohim Bora	Approved
24.	Pulin Bharali	A study on Socio-economic conditions of Deuri Community of Assam	Approved with the following suggestions/ comments/ modification: • Need to submit the hard copy of synopsis • Need to submit the consent form • Need to submit the permission letter from concerned authority Need to submit the interview schedule

Agenda 3: Any other matter with the permission of the chairman
Nil

The meeting ended with vote of thanks.

Minutes of the Meeting of the Institutional Ethics Committee held on Auditorium 2 of C-Block, above Jironee, Assam down town University, Guwahati, on 19.05.2025 from 10 am onwards

The Following Members attended the meeting:

1. Prof. P.C. Sharma (Chairman In-charge)
2. Dr. Suparna Dhar
3. Mr. Zafaryal Hady Hussain
4. Dr. Seydur Rahman (Member Secretary)

Agenda:

1. Confirmation of minutes of last meeting held on 23/10/2024
2. To examine the ethical concerns associated with the synopsis of PhD scholars of Assam down town University.
3. Any other matter with the permission of the chairman

Agenda 1: Confirmation of minutes of last meeting

1. The minutes of last meeting were confirmed and finalized.
2. The members declared that there is no conflict of interest.

Agenda 2: To examine the ethical concerns associated with PhD research proposals registered under various Faculty of Studies of Assam down town University.

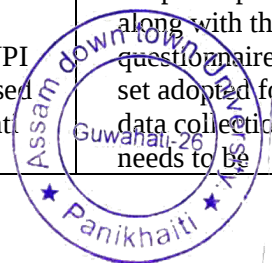

In the meeting, a total of 55 proposals were discussed. After deliberations the following resolutions and decisions were arrived at:

- Number of proposals approved: 22
- Number of proposals approved subject to minor fulfilments: 33

Sl. No.	Name and Dept.	Title of the Proposal	Action Taken
1.	Srilekha Bhattacharjee Hospitality and Tourism Management	A Study on Pilgrimage Tourism: It's Contribution Towards the Economy of Assam	Approved
2.	Santanu Sarma Commerce and Management	An Assessment of Management Approach and Challenges Towards Adoption of Solar Energy Solutions in the Hotels of Kamrup District of Assam	Approved
3.	Sutapa Deb Commerce and Management	Women Empowerment Through Financial Autonomy: A Study of the Handloom Industry in Kamrup District, Assam	Approved with the following requirements to be fulfilled: • A permission letter from the concerned authority is required. • Consent form signed by both the researcher and the participant

			must be submitted.
4.	Dimpy Pathak Das Commerce and Management	Sustainable Home-based Healthcare Services: A Study on Elderly Population in Kamrup Metropolitan District of Assam	Approved
5.	Panchamrita Sarma Commerce and Management	Micro Environmental Analysis of Bhramyoman Theatre Industry in Assam with Special Reference to Promotion and Marketing	Approved with the following requirements to be fulfilled: • One consent form signed by both the researcher and the participant, along with the questionnaire set adopted for data collection, needs to be submitted.
6.	Ritwick Goswami Hospitality and Tourism Management	Impact of Community Based Tourism in Upper Assam Division – An Empirical Study	Approved with the following requirements to be fulfilled: • Synopsis hard copy and permission letter from the concerned authority is required. • Consent form signed by both the researcher and the participant must be submitted.
7.	Mridu Pawan Rabha Hospitality and Tourism Management	Analyzing the Transformative Effects of UPI Digital Payment Systems on the Unorganised Hospitality and Tourism Sector in Guwahati Metropolitan City	Approved with the following requirements to be fulfilled: • One consent form signed by both the researcher and the participant, along with the questionnaire set adopted for data collection, needs to be

			submitted.
8.	Himadri Singh Hospitality and Tourism Management	Potential of Promoting Performing Arts of Darrang District as a Tourism Product	Approved with the following requirements to be fulfilled: • One consent form signed by both the researcher and the participant, along with the questionnaire set adopted for data collection, needs to be submitted.
9.	Dhruba Jyoti Ramchiary Hospitality and Tourism Management	A Study on Livelihood Structure and its Interrelation to Sustainable Tourism Practices - A Method for Conservation and Community Building with Reference to Manas National Park	Approved with the following requirements to be fulfilled: • A permission letter from the concerned authority is required. • Questionnaire set adopted for data collection, needs to be submitted.
10.	Monmoyuri Dutta Commerce and Management	Health Care Financing: A Comparative Study on the Out of Pocket Expenditure Incurred by Tea Garden Population Versus Non Tea Garden Population in Assam	Approved with the following requirements to be fulfilled: • Synopsis hard copy and permission letter from the concerned authority is required. • One consent form signed by both the researcher and the participant, along with the questionnaire set adopted for data collection, needs to be submitted.

			submitted.
11.	Anindita Das Computer Science and Engineering	Innovative Approaches for Handloom Design Generation, Defect Detection and Identification using AI and computer vision	Approved
12.	Manabjyoti Choudhury Bachelor of Computer Application	Identification of Socio-Economic Drivers of Suicide in India: An Evidence Based Analysis Using Machine Learning Techniques	Approved with the following requirement to be fulfilled: • Synopsis hard copy need to be submitted.
13.	Namrata Dutta Psychology	Effect of Social Media Uses on Self Concept, A Emotional Maturity, Mental Health and Happiness of Adolescents	Approved
14.	Gitartha Pratim Kusre Psychology	A Study on Relationship of Emotional Intelligence, Happiness, Loneliness and Personality Profile Among College Going Youth	Approved with the following requirements to be fulfilled: • Synopsis hard copy and permission letter from the concerned authority is required. • One consent form signed by both the researcher and the participant, along with the questionnaire set adopted for data collection, needs to be submitted.
15.	Sungjemmongla Walling Physiotherapy and Rehabilitation	Prevalence of Non-specific Chronic Low Back Pain and its Association with the Effect of Clinical Pilates Exercises on Surface Electromyographic Activity of Core Muscles Among Registered Nurses in Tertiary Hospitals of Guwahati City, Assam	Approved with the following requirements to be fulfilled: • Synopsis hard copy and permission letter from the concerned authority is required. • One consent form signed by both the researcher and

			the participant, along with the questionnaire set adopted for data collection, needs to be submitted.
16.	Pervej Alom Barbhuiya Pharmaceutical Science	Pharmacological Evaluation of Bioactive Phytoconstituents Against Obesity Induced Non-Alcoholic Fatty Liver Disease in Murine Models	Approved
17.	Ambika Sharma Pharmaceutical Science	Development of a Herbal Formulation with an Incorporation of Pteris semipinnata for Wound Healing Applications	Approved
18.	Gaurav Kumar Bhargav Pharmaceutical Science	Evaluation of Meliorative Efficacy of Barnyard and Foxtail Millets Against Peripheral Neuropathies	Approved
19.	Dakme Papi Pharmacy	Design and Development of Novel Nanoemulgel for the Topical Management of Psoriasis	Approved
20.	Christina Narzary Pharmaceutical Science	Evaluation of Pharmacognostical, Phytochemical and Antidiabetic Properties of Mikania micrantha	Approved
21.	Ireenia Warjri Pharmaceutical Science	Pharmacological Investigation of Selected Natural Oils from Medicinal Plants Targeting Polycystic Ovary Syndrome in an Obese Animal Model(s)	Approved
22.	Nurjamal Hoque Pharmaceutical Science	Development and Characterization of Palbociclib - Loaded Polymeric Nanoparticles an Innovative Approach for Breast Cancer Treatment	Approved
23.	Dhiraj Baishya Pharmaceutical Science	Complementary effects of <i>Cinnamomum tamala</i> (Buch.-Ham.) T. Nees and C.H.Eberm and <i>Cinnamomum verum</i> J.Presl extracts in combination with conventional anti diabetic drug for effective treatment and management of Diabetes Mellitus	Approved
24.	Priyam Jyoti Das Pharmaceutical Science	Exploration of Phytochemical and Pharmacological Potential of Musa velutina	Approved
25.	Pynshailang Dkhar Pharmacy	Isolation, Characterisation and Evaluation of the Antimicrobial and Wound Healing Activity of the Phytoconstituents of Clerodendrum laevifolium Blume	Approved
26.	N Anirudh Singh Pharmaceutical Science	Evaluation of Pharmacological and Molecular Insights of Parkia speciosa Seed as Potential Therapeutics Against Chronic Glomerulonephritis	Approved
27.	Anishul Islam Food Nutrition and Dietetics	Impact of Dietary Pattern on the Diversity of Gut Microbiome of Diabetic and Non Diabetic Patients in Guwahati City	Approved with the following requirement to be fulfilled: Guwahati-26

			• Consent form signed by both the researcher and the participant must be submitted.
28.	Ariful Islam Botany	Ecological and Ethnobotanical Study of Curcuma zedoaria (Christm) Roscoe Special Reference to Barpeta District	Approved with the following requirements to be fulfilled: One consent form signed by both the researcher and the participant, along with the questionnaire set adopted for data collection, needs to be submitted.
29.	Pameena Narzary Food Nutrition and Dietetics	Determination of Traditional Fruit Brewing Practises and Variation in Rice Beer "Jou" Preparation in Bodo Tribe of Kokrajhar District of Assam and Standardization of "Jou" Production Process	Approved with the following requirements to be fulfilled: • Synopsis hard copy and permission letter from the concerned authority is required.
30.	Niharika Kalita Zoology	Comparative Studies on Growth Pattern and Meat Quality of Fish Reared on Zooplankton Grown on Different Fecal Wastes	Approved
31.	Dibyajyoti Kalita Zoology	A Study on Standardization of Preservation Techniques of Fish Using Locally Available Herbs	Approved with the following requirements to be fulfilled: • Permission letter from the concerned authority is required. • Questionary set adopted for data collection need to be submitted.
32.	Sonali Das Biotechnology	Extraction of Bioactive Molecules from Grifola frondosa (Maitake mushrooms) and Evaluation of its Effectiveness Against Bacterial Biofilms	Approved
33.	Sahil Bhan Forensic Science	Advancing Forensic Strategies for Lubricant Detection in Sexual Assault Cases: Analytical	Approved with the following

		and Persistence Studies	requirement to be fulfilled: • One consent form signed by both the researcher and the participant need to be submitted.
34.	Sanchari Bhattacharjee Zoology	Toxicity Evaluation and Identification of Toxins from Persicaria species and Derris species: Used as Toxicant and Sedative in Animals	Approved
35.	Ronak Sharma Commerce and Management	Implementation and Intervention Mechanism of Rural Development schemes in BTAD and Non-BTAD District	Approved with the following requirements to be fulfilled: • Synopsis hard copy and permission letter from the concerned authority is required. • Consent form signed by both the researcher and the participant must be submitted.
36.	Iswor Luitel Commerce and Management	Impact of Environmental, Social and Governance Scores (ESG) on Financial Performance of the Commercial Banks in Nepal	Approved with the following requirements to be fulfilled: • Synopsis hard copy and permission letter from the concerned authority is required. • One consent form signed by both the researcher and the participant, along with the questionnaire set adopted for

			data collection, needs to be submitted.
37.	Pallabi Neog Commerce and Management	Imapct of Skill Development on Women Empowerment in special reference to Upper Assam Division	Approved with the following requirements to be fulfilled: • Synopsis hard copy and permission letter from the concerned authority is required. • One consent form signed by both the researcher and the participant, along with the questionnaire set adopted for data collection, needs to be submitted.
38.	Reshmi Mukherjee Pharmaceutical Science	Design, Development and Evaluation of Formulation Containing Piper chaba Bioactive Compound(S) for Application of Wound Healing	Approved
39.	Anagh Mukherjee Pharmaceutical Science	Search for ethnomedicinal plants for exploration for Janus Kinase inhibitors for treatment of rheumatoid arthritis	Approved with the following requirement to be fulfilled: • Synopsis hardcopy need to be submitted.
40.	Karan Kumar Das Pharmaceutical Science	Evaluation of Therapeutic Propensity of Selected Folk Medicinal Plants Against Experimentally Induced Diabetes Neuropathy	Approved with the following requirement to be fulfilled: • Synopsis hardcopy need to be submitted.
41.	Surabhi Mandal Pharmaceutical Science	Bioactive Compound Profiling, Estimation and Anti-Hepatocellular Carcinoma Assessment of Rhus chinensis Mill. Fruits from the Sikkim Himalayan Region of India	Approved with the following requirement to be fulfilled: • Synopsis hardcopy need to be submitted

			along with the questionnaire set adopted for data collection need to be submitted.
42.	Rajeswar Das Pharmacy	Phytochemical Screening and Pharmacological Evaluation of Musa paradisiaca Linn Spathe for Antioxidant, Antianemic and Wound Healing Activity	Approved with the following requirement to be fulfilled: Synopsis hardcopy and one consent form signed by both the researcher and participant need to be submitted.
43.	M Shiva Rama Krishna Pharmacy	Multiple mixed interventional study on drug utilization in geriatrics with multiple co-morbidities	Approved with the following requirements to be fulfilled: Synopsis hardcopy, Permission letter, one consent form signed by both the researcher and participant need to be submitted.
44.	Sadique Hussain Tapadar Pharmacy	Valorization of Biomass Based Cellulose Biodegradable Films Reinforced with Quercetin and Gallic acid Promoting Potential Application	Approved with the following requirement to be fulfilled: Synopsis hardcopy need to be submitted.
45.	Md Rejwan Ahmed Choudhury Pharmaceutical Science	Evaluation of Aphrodisiac Activity of Important Medicinal Plants of North East India and Development of Suitable Formulation Design with Potent Extract	Approved with the following requirement to be fulfilled: Synopsis hardcopy need to be submitted.
46.	Gayatri Thapa Pharmaceutical Science	Pharmacological Screening of Selected Bioactive Phyto-Constituents Targeting Obesity and Associated Comorbidities Utilising Experimental Animal Model	Approved with the following requirement to be fulfilled: Synopsis hardcopy need to be submitted.
47.	Parijat Ghatak Physiotherapy and	Evaluation of Functional Capacity as a Predictor of Disease Severity and	Approved with the following

	Rehabilitation	Determination of the Effectiveness of Exercise Training in Patients with Chronic Obstructive Pulmonary Disease (COPD) in Kangra District of Himachal Pradesh	requirements to be fulfilled: Synopsis hardcopy, Permission letter from concerned authority, one consent form signed by both the researcher and participant need to be submitted.
48.	Jeutishree Roy Physiotherapy and Rehabilitation	Effectiveness of Balance and Stability exercises in Knee Osteoarthritis among Sedentary and Non Sedentary Women in Kokrajhar District, Assam	Approved with the following requirements to be fulfilled: Synopsis hardcopy, Permission letter from concerned authority, one consent form signed by both the researcher and participant along with the questionnaire set adopted for data collection need to be submitted.
49.	Rukuwe-U Kupa Microbiology	Assessment of lipid profile signature in sputum samples from Nagaland for pulmonary tuberculosis diagnosis	Approved with the following requirements to be fulfilled: Synopsis hardcopy, Permission letter from concerned authority, one consent form signed by both the researcher and participant along with the questionnaire set adopted for data collection need to be submitted.
50.	Ongyal Bhutia Botany	Studies on Endophytic Bacterial Diversity in Taxus wallichiana Zucc and their potential for Plant Growth Promotion and Taxane	Approved with the following requirements to be fulfilled: Synopsis hardcopy, Permission letter from concerned authority, one consent form signed by both the researcher and participant along with the questionnaire set adopted for data collection need to be submitted.

		Accumulation in Kyongnosla Alpine Sanctuary, Sikkim	fulfilled: Synopsis hardcopy and Permission letter from concerned authority need to be submitted.
51.	Debjani Mukherjee Commerce and Management	A Critical Analysis on Acceptability, Adaptability and Effectiveness of Telehealth Service in Few Districts of West Bengal	Approved with the following requirements to be fulfilled: Synopsis hardcopy, Permission letter from concerned authority, one consent form signed by both the researcher and participant along with the questionnaire set adopted for data collection need to be submitted.
52.	Amit Kumar Bhaumik Commerce and Management	A Study on Health Insurance Literacy in Darjeeling and Jalpaiguri Districts of West Bengal	Approved with the following requirements to be fulfilled: Synopsis hardcopy, Permission letter from concerned authority, one consent form signed by both the researcher and participant along with the questionnaire set adopted for data collection need to be submitted.
53.	Kamalesh Mistry Pharmaceutical Sciences	Development and characterization of nanogel of isolate of terminalia arjuna bark extract in the treatment of hemorrhoids	Approved with the following requirements to be fulfilled: Synopsis hardcopy need to be submitted.
54.	Bidisha Roy	A Critical Analysis of Eco-Tourism and Its	Approved

	Hospitality and Tourism Management	Impact on Sustainability of Tourist Destinations of Sikkim	
55.	Moushami Purkayastha Physiotherapy and Rehabilitation	Evaluation of Effectiveness of Manual Guidance and Knowledge of Performance in Learning Weight Bearing Skill in Stroke Patients	Approved
